THE GAUCHO FIESTA AND REVIEW COMMITTEE

Waves Issue Call To College Women

Santa Barbara State has an impressive list of former co-eds now in service with the United States Navy, and despite past limited quotas has been well-represented in the past. Now, an invitation is extended to all the women students of the college, especially those graduated in June to think about a career in Navy blue.

In spite of the good news of V-E day, the Navy has released within the past week a request for several thousand more young women to release men for overseas bases and ships as the Pacific War progresses, to take vital shore and overseas jobs themselves, and to fill in the ranks of the Hospital Corps to care for wounded Navy, Marine and Coast Guard heroes. Since the program is now in an expansion stage, unusual opportunity in personnel, aviation, medical and other fields are open. Women may be enlisted now and held until after the current semester is over before being called.

To bring Santa Barbara students the latest in information about the Waves, the personal and vocational and post-war benefits, Lt. (j.g.) Virginia Lindsey, College Representative for the 11th Naval District, will be on campus on Tuesday, May 22, during the luncheon hour, the coffee hour preceding, and for personal interviews during the afternoon in the Women's lounge. Women are cordially invited to drop in for a chat during that day.

Johnson Gives "Piece of String"

Dick Johnson, a member of the Radio Broadcasting class, is going to dramatize two famous stories over radio station KDB next Thursday at 4:30.

The stories will be "A Piece of String" and "The Diamond Necklace," both by Guy de Maupassant. Everyone is invited to attend the broadcast and to participate in any way.

In the student body elections held on Wednesday, Ray Puissegur won a majority of the votes cast for the office of president. The new constitution was passed. Bob Schotland is the new yell leader. Virginia Landon won the office of senior woman representative.

A run-off election for vice president between Emily Levine and Billye Bowie will be held next Thursday. The contest between Lida Watson and Lynn Wiggins for secretary will be held at the same time, and also Lynn Edgerton and Barbara Larsen for junior women representative and Willie Wigger and Eleanor Zankich for sophomore woman representative.

In the AMS presidential race, Bob Elliott won out over Lowell Williams. Bob Schotland is the new secretary-treasurer.

Las Meninas Sponsors Party

Las Meninas will give a skating party at the Methodist church on Saturday at 7:30.

An evening of skating, games and refreshments is planned for members and their friends.

In charge of refreshments is Carol Ford. Miss Firth, sponsor, has been invited to attend.

Las Espuelas Picnic Tuesday

Las Espuelas will give a picnic for prospective members at Rocky Nook next Tuesday at 5:30 p.m.

Gloria Rosi is in charge, and Virginia Rickter and Dorothy Kircher are co-chairmen of the food committee. Each member will bring a picnic lunch for a guest and ice cream and coffee will be served by the food committee.

Mitchell Visits Here

Former chairman of the division speech, Lt. A. O. Mitchell (chaplain), who has just finished his basic training at Fort Devos, Mass., was visiting in Santa Barbara last week before reporting to Camp Roberts for reassignment.

Gauchos Gallop This Evening

Climaxing weeks of preparation will be the second annual Gaucho Fiesta combined with the Galloping Gaucho Revue, to be presented this evening.

A Spanish dinner will be served at 6:30 in the Quad. Members of Las Espuelas, honorary sophomore women's organization, will serve with Crown and Scepter women acting as hostesses.

A short skit and a flower sale will be carried out during the dinner with Marianna Richardson, decorations chairman, in charge.

Following the dinner will be the Galloping Gaucho Revue with curtain time at 8:15. Ed Grabast will act as the M.C., introducing first a stellar dance chorus composed of some outstanding campus personalities.

Next will be a quartet of girls singing an original composition written by Elaine Garnier.

Jean Ausman will sing another original number, "A Sailor Dreams of You."

More campus personalities will present a second dance routine and then another original song will be done by Raulyne Riley.

A novel classroom scene will be given with Tito Gorrindo acting as the professor and Jean Calderon, Sharon Smith, Joy Brick, B. G. Steele, Jack Murphy, and the "Cleveland House Four" as his students.

"The Cleveland House Four" will sing "I Love My Wife," an original piece of music written by Carol Bone.

Two more musical numbers, both written by B. G. Steele will also be featured in the show.

Eleanor Little, co-director of the revue, stated, "This year's Galloping Gaucho Revue promises to be one of the best that Santa Barbara College has ever seen."

Candlelight Rites Honor Senior Women

Senior women will be honored at the Candlelight Recessional on June 6 in the Quad at 8:00 p.m.

Women, attired in caps and gowns, will line up on either side of the pool as the class history is read by the chronicler and the Alma Mater and Auld Lang Syne are sung. A musical group will also present a program.

Crown and Scepter are in charge of the arrangements, under the direction of Barbara Berry, president. The class history was written by Edith Van Meter. Refreshments will be served.

The student body, faculty and townspeople are cordially invited to attend the ceremony as this is the last event for senior women before commencement.

EDITORIAL

The Army's permission for Americans of Japanese parentage to return to their homes as soon as their records are cleared brings a vital problem again to the foreground.

For three years, the civil rights and liberties of these American citizens have been ignored. We are not trying to use emotional appeals alone. The plain facts are: Army Intelligence and the F.B.I., after thorough investigation, reported that no acts of sabotage or espionage by any Japanese born in the United States have been discovered. Further, all the rumors spread about hidden arsenals were completely based on misunderstanding. The facts behind the store of guns and ammunition supposedly discovered in Lompoc, for example, were that the man accused of having all these dangerous munitions had only enough guns to sell in his store and that the ammunition consisted of birdshot and the kinds of shells that all ranchers use.

Nor have all the virtues of the Japanese-Americans been purely negative, as the record of 100th Battalion shows. This battalion made up completely of Japanese from the Hawaiian Islands fought valiantly in Italy and has the largest casualty rating of any outfit. Approximately 80 percent of its members have the Purple Heart. All their officers and the men who fought with them report that they are the best soldiers they have ever seen. These and the thousands of Japanese-American civilians who have taken the treatment we have given them without complaining or becoming bitter against the land of their birth are representatives of the group that many so-called "white" Americans want to deport, or at least deprive of all their property. I wonder if Americans of German or Italian parentage can equal their record of loyalty?

Nevertheless, there is a bill now before the California state legislature that would forbid even Japanese born in America from holding property in this state. Not only is this in direct violation of the Constitution, but if it is passed, it will start a movement that can go to extreme lengths. Hitler started with the Jews in Germany, but he didn't stop there. If this bill is passed it will start a trend that may lead to similar measures against any group just because some vested interest has some unfounded prejudice against them.

We Americans like to think of this country as the land of opportunity and fair play for all people, regardless of race or color. Surely, just when we are fighting a war to protect these very liberties, we cannot, here at home, violate the principles upon which our nation was founded. Agitators say that the men who fought in the Pacific will not return and live with Japanese-Americans. True, a few of them do feel that way, but the vast majority have heard even more about the Japanese-Americans who fought and died in Italy than we have. The returning veterans are not fools. They know that no man can fight for something in which he does not believe. But what about us on the home front?

Patricia Maher Gives Recital

i.e. THE MESA CAMPUS

Hubba! Hubba! Hubba! This is social chairman, Bernie (just call me soshie) Rumack, trying to pinch hit for Lowell Williams. I'm no scribe, so here goes nothing . . .

Say, all you sweet young things on the Riviera! You should read this column more often. After all, most of the men on campus are over here. Why not keep up with the world?

Like for instance: How come our stalwart president, Ray Puissegur, is always finding lipstick all over his clothes? Seems he can't figure it out, and neither can we.

Del Beisell finally got his car out of the auto shop. Runs fine, but it always seems to have a miss in it. (Wow! Am I sharp, just like a cold mashed potato sandwich!)

"Fearsome" Burt scores again! Wins first prize at the Sdawkcob Ecnad. (That stuff is contagious.) We think it was lovely, Tom, simply lovely. Claylene has such adorable taste . . . "Dountless" Dahl came up with honorable mention for that perky headdress.

Have any of you seen Louis Taylor's latest Rube Goldberg creation? It's a crank-operated, gear-controlled, cable-pulled, head-raising, feet-raising lawn bed, divan, reading rack, tea table, and umbrella. As soon as he puts a few more gadgets on it, he plans to apply for an "A" card.

Big doings are in the air! Plans are being completed for the I.E. Club's formal dinner, which will be held Saturday, June 2, at the Barbara Hotel. This affair has been a great success in previous semesters, and a large attendance is hoped for.

Yesterday, the monthly departmental meeting was held. Some very interesting movies, prepared by the U. S. Navy Department were shown. Nominations for next year's officers were also held.

Off the Beam

By the SQUARE

Fortunately for all concerned this is the last issue of the paper, and therefore the last gossip column. No more names will be bandied about, and no more reputations run to the ground.

Things were very gay at the Backward Dance last Friday. Seen, among others, were WANDA HICKERSON and BERNIE RUMACK, RUTH HALL and JACK MURPHY, Mr. and Mrs. ED GRABAST, JEAN MURRAY and PETE ROSI, SHARON SMITH and WALLIE COLE. Even Dr. Nelson and Dr. Noack were there. CHARLOTTE MONTGOMERY was with an anonymous RED, from Oxnard.

We've heard the song, and now we've seen the girl—Is she really "Sugar" Candy, ROD?

SALLY DUNLAP was married to BILL LOCKE and IRENE BEAR to TRUMAN CLARK in a double wedding on Wednesday. The lucky fellows are Marine Lts. and roommates. They married room mates in a double ring ceremony, in a double wedding. Who was it said the best things run in threes?

LOIS SPANG and PAT MINIER added something new last weekend. They hitch-hiked on a bus. This is the story: Their bus went off and left them at Malibu and they were forced to hitch a ride to Santa Monica to catch it again. They said they hitched a ride. But we have it on good authority that they ran all the way.

MARJORIE BALL has been seeing a good deal of Coastguardsman PAUL JELLE of Santa Barbara, who is home on leave.

BETTY LANDIS was the happy recipient of MERLE ROUSSELOT'S fraternity pin last weekend. Ah, love is wonderful in the spring. It's not bad the rest of the year either.

The Santa Barbara Horse Show was brightened up with the presence of PATTY PIKE and BARBARA WAITE. To avoid confusion, they were spectators, not participants.

We must report to the OPA that ROXANNE DOUGHERTY is hoarding. She was with two sailors at El Paseo last Saturday night. Of course, one could always say that there is safety in numbers.

DON JONES gave an engagement party for EMJAY PEKOR on Monday night. She is to be married to EARL MACFATE of the Biltmore on June 3. Those happy little souls attending included JANE BECKMAN, LORRIE PHILLIPS, DEEDEE LECROIX, LEON

Faculty Members Visit California Schools

Faculty members of Santa Barbara college are making a series of visits to high schools and junior colleges from Paso Robles to Glendale, including the area of San Joaquin valley.

Other trips are being planned for Pasadena, Los Angeles, Long Beach and as many other places as can be reached.

The purpose of the trips is to maintain the good will shown to this institution in the past and to answer questions which have arisen on account of the adoption of the school into the great family of the University of California.

Among those persons who have already made visits are Lawrence Chenoweth, Provost Clarence Phelps, Dr. Charles Jacobs, Dr. Irving A. Mather, Dr. J. Fred Halterman, Dr. Willard McRary, Roy L. Soules, E. E. Ericson, Edwin Jones, Dr. Elmer Noble and Dr. Ernest Bickerdike.

PHYLLIS HOPPING was married to WENDELL MILLER of the Navy on Thursday. CAMILLA MILES will be married to BILL ALTHOF in Montrose Saturday. He is also of the Navy. May is fast overtaking June as the month of brides.

Question of the week is just what are this Club '45 and Burma Bar that are being bruited about.

Monday night at 5:30 on the Dwight Murphy Field the Gauchos play a return encounter with the Army Redistribution Center. They will return again to Pershing Park to try to make it two straight over the strong Marine Base next Friday. This game is scheduled to get under way at 5:30.

Gauchos Drop Last Two Tilts

Those fighting Gauchos have been playing elevator again. They are now going down, as they dropped their last two encounters to the Flying Sailors of Mira Loma and the local Navy Section Base.

In the Mira Loma fracas Terry Dearborn's men played good ball, but they just couldn't seem to get the hits when they were most needed. "Shanty" Stansbury, of the visitors, was responsible for the downfall of the Gauchos, he getting a timely poke in the fifth inning to drive in the winning run. The score was a close 3-1.

Last Monday the Navy Section Base found sweet revenge for their earlier loss to the college by deluging our boys by a 12-2 count. The swatters of the Riviera were able to eke out but three hits, two by Rodriguez and the other by Williams. The sailors had better luck, garnering 6 hits, 5 walks, and quite a few errors.

The Navy's Astroth, former All-American football player from Illinois, was the big gun for the Navy with two home runs racked up behind his name.
