Subway

Subway Sandwiches and Salads has always been known for their delicious food, but coming this fall, or even as early as summer, Subway will be undergoing a major facelift under the direction of the enthusiastic new management. To kick off the new and improved Subway, a special promotion will be run in the May 19 Coupon Issue, so watch for it.

Visual and atmosphere changes will include a remodel of the store's interior and a plan to install the only "CD Patio" in I.V. It's gonna be hip, and it's gonna be soon.

Hanging out on the new deck will be no chore as long as Subway keeps up their tradition of great sandwiches and salads. Ten different entrees fill out the enlightened menu, an if it comes as a sandwich, it comes as a salad. With a choice of white or wheat fresh-baked bread, and all the toppings you could ever want, it's hard to believe that something so tasty could be so good for you. No greasy quick fast foods here!

Stay tuned for bigger and better happenings at Subway, on the corner of Pardall and Embarcadero. Open Sunday through Thursday until 12:30 a.m., until 2 a.m. Friday and Saturday.

Spike's

One might stop to question if one could turn 21 in this town if there was no Spike's. The yellow "Around the Spike's World" card, punched fuller and fuller with holes as one nears the goal, is probably as common a wallet item on this campus as a reg card.

But there's definitely more to Spike's than 40 different beers from all corners of the globe. Everything from appetizers to dessert is available at Spike's, and there's more than enough choices to satisfy everyone in your party. Four kinds of potato skins start off the menu — they're served from Doodle-Do to Caliente, (spicy chicken and Mexican style) and boy, are they tasty. For the entree, Spike's offers a wide variety of Burgers, hot and cold sandwiches, and salads. How about an open faced Teriyaki chicken sandwich, served on sourdough with pineapple? That ought to be enough to put anyone in great spirits.

On the sweet side, Spike's deep-fried ice cream and Mudd Pie are a pair of treats that must be tasted to be believed. All this and more are waiting for you today and every day from 11 a.m. until 2 a.m.

Spike's is located at 6030 Hollister, just west of Fairview, near the Airport Drive-In Theater. Inquiries can be made at 964-5211; food is also available for carry-out.
