Seventy Delegates Take Part in Three-Day Conclave

### Expansion Suggested

Major Activities of Convention Held at Samarkand

Mills College will head the western section of the Athletic Federation of College Women for the coming year according to a vote taken at the conclave held in Santa Barbara on April 5, 6, 7, with Samarkand hotel as headquarters. Seventy delegates from 23 colleges, and 50 local delegates participated in the convention. Mrs. Cathryn Kitley, president of the local, was official hostess.

Miss Marguerite Schwarz, national federation secretary, was speaker at the first business meeting, held Thursday morning, following a breakfast in the college cafeteria. Miss Schwarz emphasized the necessity for expansion of the athletic program to include sports for all types of girls, development of intramural activities such as golf, bowling, tennis and archery, and development of a mixed sports program enabling men and women to participate in the same game.

Washington State and San Francisco State colleges led the discussion of the topic "Health, a Responsibility of Women's Athletic Associations." Intramural games in colleges was discussed by delegates from the University of California and Montana State College. San Jose State College, Whittier College, and the University of Idaho led the topic, "Stimulating Interest in W. A. A."

A box lunch in the Samarkand gardens preceded a talk on the philosophy of athletics by H. P. Neilson, chief of the division of health and physical education, state department of education.

A tour of the mission, Montecito gardens and the flower show at the

## U.S.C. PRESIDENT UNABLE TO SPEAK

Dr. R. B. Von Kleinsmid, president of the University of Southern California was slightly injured in an automobile accident in Long Beach Tuesday, and was unable to reach Santa Barbara for the annual Young Men's Christian Association dinner in Ebbs hall at which he was to have been the guest of honor last Tuesday.

Business of the evening consisted of filling the vacancies on the board of directors which have occurred due to resignations and expiration of terms of office.

J. C. Lewis, program secretary, gave reports concerning Y.M.C.A. activities.

A short musical program was given by the State college quartet, Allan Lambourne, William Poole, William Crow and Donald Watson. They were accompanied at the piano by Ralph McNall.

## President Dismisses Classes for Speaker

All classes will be dismissed tomorrow morning at 10:45 for a special assembly called by President Clarence L. Phelps to hear Homer Challaux, state commander of the American Legion.

Commander Challaux is recommended by State Superintendent Vierling Kersey as having sound educational views to give to students, according to President Phelps.

All students are expected to attend this assembly.

## Students Urged to Get Proofs

Though some of the students have made appointments to have pictures taken, there are still many who have not made any arrangements, according to Mrs. Ward Wicart, who has recently been stationed in the Men's Club to receive appointments.

According to Mrs. Wicart, only 200 students have had their pictures taken. Next Saturday is the dead line for having the annual pictures taken and it will be necessary for the students to cooperate with the photographer if everyone is to be given a chance to have a sitting in the remaining short period, said Mrs. Wicart.

The proofs are being returned three days after the pictures are taken and students are urged to come in and select the picture they wish printed.

## A.W.S. Sends Delegates to Tucson, Ariz.

Betty Hopkins, president of the A. W. S. and the new president elect are to be representatives to the Western Inter-Collegiate conference of A. W. S. presidents, to be held in Tucson on April 18 to 21 inclusive. Dean Lois Bennink is to attend a joint meeting of Deans, also to be held in Tucson. This was announced at the meeting of the A. W. S. held on Tuesday morning. A new Associated Women Students' constitution was submitted and accepted at this meeting.

An announcement of the annual high tea to be given on May 5 was made by Elizabeth Leonard. All women students interested in serving on one or more of the committees

## STATE OFFICIALS PLAN CONVENTION

Claude E. Nihart, president of the California Industrial Education association, and George W. McKenzie, secretary, met on the local campus last Saturday with E. E. Ericson, head of the local industrial education department, to make preliminary plans for the association convention to be held in Santa Barbara July 13 and 14.

One of the features of the convention, as disclosed by Mr. Ericson this week, which will be of particular interest to local students is a display of projects and mechanisms which will aid in shops. These articles will be submitted by any teacher or prospective teacher, with prizes offered to the best ones presented. An exhibit of student work done in the local industrial education department will also be an attraction of the convention, as well as a display of modern aircraft.

J. C. Beswick, chief of division of trade and industrial education of California, surprised Mr. Ericson Monday when he called on him to discuss plans for the convention, mentioned previously. He also went over the teacher training program and summer school schedules with Ericson.

## C. L. Phelps Attends President's Conclave

President Clarence L. Phelps is leaving Wednesday, April 18, for a meeting of State college presidents which will be held in Sacramento next Thursday. This is the regular meeting of the college administrators and is called periodically by Vierling Kersey, state superintendent of schools.

President Phelps is motoring through the valley and plans to stop at high schools in various towns en route, where he has had a standing invitation for an appearance. He plans to travel to Bakersfield by automobile and from there to Sacramento by train.

## Sororities Initiate 59 Members

Induction Ceremonies Culminate Term of Pledgeship

### 7 Groups Take Part

Social Functions Follow Meetings at Homes

Pledges of the six local and one national social sorority took oaths of membership at the formal initiation ceremony held Sunday.

Twelve women, the highest number going into any sorority, were initiated into Tau Gamma Sigma. The event followed by a tea took place in the garden of Mrs. Helen Barnett's home. New members are Flora Bliss, Connie Cheever, Isabel Ferguson, Betty Furby, Faith Holm, Sue Knox, Marguerite Hansen, June Marie Ryce, Betty Roome, Helen Mattson, Merle McGowan and Marjorie Cadwell.

Delta Zeta Delta received its new members in the formal initiation ceremony at 5 o'clock at the home of Mrs. Kenneth Thompson at Hope Ranch. El Paseo was the setting for a dinner after the event. Mary Lee Townsend, Lita Boeseke, Lillian Talbot, Catherine Cornwall, Helen Shepherd, Margaret McKee, Myrtle Holt and Peggy Holm joined the sorority. Followed by a dinner at the Margaret Baylor Inn, initiation exercises for pledges of Phi Kappa Gamma, took place at the home of Kathryn Myers. Those initiated were Marian Call, Carolyn Hoefler, Phyllis Badger, Marian Ek, Dorothy Allen, Tessie Williams, Rosemary Habecker, Lois Lamb and Mary Melano.

Barbara Boyd, Frances Saylor, Nadine Speer, Geraldine Slayton, La Rue Steelsmith, Chloe Vincent, Lucia Walker, Helen Eichelberger and Wilda Simone became members of Delta Sigma Epsilon, national sorority, at the formal initiation in the Masonic Temple at 2:30 o'clock. Dinner was served at the Margaret Baylor Inn, followed by a bridge party at 7 o'clock.

Gamma Delta Chi's pledges were initiated at the cottage of Mrs. Elizabeth Patterson at hotel El Encanto. Concluding the ceremony was a dinner at the Plantation. Wyllys Anderson, Marguerite Audureau, Margaret Brest, Irene Elliot, Margaret Holden, Wandalyne Linker and Lucille Rankin are the new members. Carol Harper, Mildred Rohrs, Lola Cooper, Eileen McCollum, Barbara Lingenfelter and Dellise Berg joined Areta Gamma. Their initiation, followed by a tea at Ruth Brubaker's home, took place at 3 o'clock in the social hall of the First Presbyterian Church.

Eight women became members of Alpha Theta Chi when they were initiated at the home of Ruth Carter, 10 o'clock Sunday morning. The Plantation formed the setting for a luncheon. Those who were initiated were Peggy Koepp, Madge Bunch, Mary Erickson, Catherine Westaway, Dorothy Weber, Margaret Walker, Mary Bell and Genevieve Jones.

## Sophomore Sponsor Farmers' Formal at Rockwood April 20

A Farmers' Formal? What, why, when and where is it going to be? This is what is being heard all about the campus. Here are the answers.

The Farmers' Formal is going to be a student body dance sponsored by the sophomore class. It will be held at Rockwood, April 20 at 8:30.

Everyone is urged to attend wearing "Goleta tuxes" and "Santa Ynez formals," according to Class President Al Scott. If you do not wear old clothes you will not feel at home, continued the president.

## Faculty Given Parking Spaces

At the last meeting of the student body council, a program was adopted to solve the noise problem surrounding rooms 42, 43 and 44. The parking spaces at the end of the administration building and in front of the gymnasium which face these rooms, will be assigned to various members of the faculty.

For some time classes conducted in this part of the quad have been disturbed by noises made by cars coming and going from the parking spaces. A short time ago Pres. M. Cravens appointed a committee to investigate the situation and recommend ways and means of solving the problem. Plans have been made to have the parking places repainted and designated to specific faculty members. It is the belief of the committee that the instructors will not come and go from the campus as frequently as the students, therefore, causing less noise from starting and stopping automobiles.

## Seniors Plan Class Day for Next Tuesday

Ruling the campus once again the ever mighty senior class has planned a busy day's program next Tuesday for all members of the student body and in particular members of its own organization.

Starting off the day's activities at an early hour the senior class will gather at a 7 o'clock breakfast in the main dining room of Ebbs hall. Paul Hylton, class president, has extended a special invitation to members of the faculty, particularly department heads, to attend the breakfast. Every member of the senior class is also urged to be present as important matters will be transacted, according to Hylton.

Goux Master of Ceremonies  
Bobby Goux will be the master of ceremonies at the Tuesday morning assembly, which will be sponsored entirely by the class-day committee. Betty Thomas is the chairman of this committee and is assisted by Roger Casier and Florence Longawa. Features of the assembly program

## MEN APPOINTED TO DIRECT C. C. C. CAMP EDUCATION

Four members of the student body were appointed last week by the federal government to serve as educational advisors for California C.C.C. camps. Those men securing the positions are Evan Peterson, Jerry Bennett, Lawrence Lewis, 32, and H. W. Andrews.

There will be a California supervisor in direct charge of the local men, who in turn will have power to appoint assistants as they need them to work under them in the various camps.

All but four of the California C.C.C. groups will be sent to Idaho in about three weeks for the summer months, returning to their present local headquarters sometime the early part of next spring.

It is expected that the four local men will be sent to Idaho with some of the groups, although definite orders have not been released to the newly-appointed directors to date.

## Teachers Go to Kerckhoff Hall for Convention

Margaret M. Burke and Della Haverland of the faculty of Santa Barbara State college will attend the district meeting of the American College Publicity association, to be held in the men's lounge of Kerckhoff hall at U. C. L. A. Saturday, April 14.

Miss Burke is instructor of journalism and an organizer and director of the State College News Bureau. Miss Haverland is Lincoln librarian and college reporter for the Santa Barbara Daily News.

Features of the morning session of the conference will be addresses by Professor Roy L. French of the University of Southern California and Mr. J. A. Long, general manager of the California Newspaper Publishers association. Professor French will speak on "The College of Journalism and Institutional Publicity." Mr. Long's topic will be "College Publicity and the California Newspaper."

In the afternoon a discussion of the topic "The Newspaper and the College News Bureau" will be held. Mr. J. B. Campbell of the Los Angeles Herald-Express will speak for the Newspaper; Professor A. Rex Johnson of Brigham Young university, for the college, and Mr. Harold Ellis of the University of California for the news bureau.

Following this there will be a college publicity round table which will consist of a question box and general discussion.

Other features of the conference will be the report of the 1933 convention of the American College Publicity association by Miss Grace Walker, director of the news bureau, University of Southern California, a luncheon address by Dr. Frederick P. Woelner of U. C. L. A., a report on the A. C. P. A. research project by Mr. L. E. Mitchell of Redlands University, and a sports publicity round table led by Mark Kelly of the Los Angeles Examiner, Don Liebendorfer of Stanford University and Ben Person of the University of California at Los Angeles.

## LECTURE GIVEN TO RAISE FUND

A group of four lectures is to be given at Recreation center by members of the California Institute of Technology and Mt. Wilson Observatory, Pasadena, on Friday evenings, April 13 and 27, and May 4 and 18. The purpose of these lectures is to start a scholarship fund for young men in this vicinity who need help in attending the California Institute of Technology.

Lecturers are to be Earnest C. Watson, professor of Physics, who will speak on "Low Temperature and Low Temperature Phenomena"; Irving P. Krick, instructor of meteorology who will speak on "Modern Weather Forecasting"; Dr. John A. Anderson, astronomer at Mt. Wilson observatory who will speak on "The 200-Inch Telescope and Its Possibilities"; and Dr. Robert A. Millikan, Noble laureate and professor of physics and director of the Norman Bridge Laboratory of Physics, who will speak on "The New Deal in Physics." They will lecture in the order given.

These lectures are being given under the auspices of the Santa Barbara Museum of Natural History, the University club, and the American Association of University Women. Admission fees are twenty-five cents for a single admission, or a course ticket for the four events with seats in the reserved section for \$1.00.

## Budget for New Site Sent to Washington

President Clarence L. Phelps visited F. E. Trask, state engineer in the State building in Los Angeles last Monday for the purpose of reviewing the budget to be submitted to the Federal government for the new college site. The budget was mailed to Washington, D.C., last Saturday.

The sum requested from the Federal government for developing the new campus site in the amended budget is \$1,453,700.

## Julia Lynch Elected First Vice President; 275 Women Ballot

Wilma Felsenthal Beats Ruth Brubaker for Position of Second Vice President With Small Margin

Lucille Bolton won a closely contested race over Ruth Carter for the presidency of the A.W.S. in the election held on the campus yesterday. Julia Lynch defeated Sue Knox for first vice-president and Wilma Felsenthal was elected second vice-president over Ruth Brubaker by close margins.

Catherine Hacking defeated Wilma Kiesner for secretary; Marvonne Jones defeated Rea McPeak for treasurer; and Betty Roome was chosen as student councillor, defeating Helen Mattson. The tea room chairman, the club room chairman, and the point system chairman are appointive officers and will be chosen later by the incoming president.

Two hundred seventy-five women members cast votes in the election, according to Dean Lois Bennink, supervisor. This number represents over 50 percent of the present membership.

Present officers of the organization are Miss Hopkins, president; Lucille Bolton, first vice-president; Elizabeth Stover, secretary; Marjorie Williams, treasurer, and Betty Raulston, student councillor.

A new system of student managers was introduced into the campaign this year. Following the introduction of the candidates at the A.W.S. meeting last Tuesday Elizabeth Leonard, manager for Lucille Bolton, and Mercedes Berger, manager for Ruth Carter, gave short campaign speeches for their respective candidate. This policy will probably be followed in the future, Miss Hopkins stated.

Lucille Bolton is at present a member of the A.W.S. board serving as first vice-president of the group. She is a member of Delta Sigma Epsilon, national social sorority, a member of Kappa Omicron Phi, national home economics professional fraternity, past president of Hui Eleu, social club, and a junior student in the home economics department. Last semester she was appointed tea chairman of the A.W.S.

Nominees were chosen by a committee headed by Connie Wise. Other members were chosen by Betty Hopkins.

## ERICSON ACCEPTS SUMMER POSITION

E. E. Ericson, head of the industrial education department, will teach in the Iowa State college, located at Ames, Iowa, during the coming summer session. Mr. Ericson will instruct courses in guidance and educational administration with particular emphasis being placed on industrial education. All of Ericson's courses will be offered in connection with graduate students who are working for their master's degree with majors in industrial education.

Roy L. Soules, director of vocational education in the local city school system, and an instructor in the industrial education department on the State college campus, will be the acting director to occupy Mr. Ericson's position during his absence.

"The principle reasons why I am leaving Santa Barbara this summer to teach at Iowa State college are that my change will further the reputation of this college and I will be able to contact many outstanding educators of the Middle states and in this way I can get a better idea as to the modern philosophy of education in regard to the changes in industrial education work which is going on everywhere," commented Mr. Ericson.

Mr. Ericson expects to contact Dr. P. Mabel Nelson, head of one of the home economics departments at Iowa State college who is a graduate of Santa Barbara State college and a former instructor on the local campus.

## Financial Report of Concert Shows Profit

It was revealed yesterday in the financial report of the All-Southern California Symphony orchestra that this year's concert in Lobero theatre netted enough money to pay off an old deficit of \$184.50 and to leave a small balance.

This is the first year that the symphony has been a financial success. Its popularity, was due to the untiring work of the Santa Barbara Women's club, campus organizations, and down town luncheon clubs, according to Director Cliff Leedy.

EDITORIAL COMMENT

Santa Barbara State College Roadrunner. Ralph A. J. Porter - Editor. Miriam Firkins - Assistant Editor. Miss Margaret Burke - Faculty Adviser. Jack T. Porter - Composing Room Foreman. Charles George - Assistant Editor. Ben Palmer - Sports Editor. Allan Ottley - Assistant.

NATIONAL OFFICER VISITS FRATERNITY

Eleanor Willard, president of the grand council of Delta Phi Upsilon, national honorary kindergarten fraternity, will be the guest of the local Eta chapter Saturday, April 14, when she will take part in the formal initiation ceremony.

The LONGBOW By A. R. O.

We have heard Dr. Ellison say, "When the class has settled down, I'll go on." We have heard of that buzzing in the head and all the whirling shapes, and we would recommend a bromo seltzer or tomato juice for those hangers of the estimable history prof.

STATE STUDENTS ATTEND EXHIBIT IN LOS ANGELES

Students of the art department will visit an exhibition of Italian paintings now on display at the Los Angeles museum in Exposition park, Saturday morning.

WRITERS DISCUSS PROMINENT MEN

Clarke George was pledged to Alpha Phi Gamma, national honorary journalistic fraternity, at the regular meeting of the group last Monday at the home of Mary Tomlinson, 2333 Castillo street.

Official publication of the Associated Students, Santa Barbara State college, Santa Barbara, California. Edited and published weekly on the State college campus.

Endorsement of New Coach

The Roadrunner is glad to add its endorsement to the already generally approved action of President Clarence L. Phelps in his choice of a man to fill the position held last year by Ted Beckett, as director of the destiny of Santa Barbara State in football next year.

Theodore L. Harder comes to us with a enviable recommendation. Although he is still a young man, only 27 years old, and has had but five years of coaching experience since leaving Stanford, his phenomenal success at Bakersfield Junior college shows him to be decidedly superior as a coach and leader of men.

Glenn S. "Pop" Warner, now coach at Temple university, Philadelphia, under whom "Spud" Harder played at Stanford, wrote to President Phelps concerning his appointment. In this letter he described Harder as a young man of the best character and habits, one who cooperates with his associates, a person who knows how to handle young men, and an excellent student while at Stanford.

Dud DeGroot, former coach of Santa Barbara State, now at San Jose State, visited the campus last week and at that time praised "Spud" Harder to President Phelps as being one of the best young coaches on the coast or in the country.

From all indications and recommendations, we feel indeed fortunate in being able to obtain a man of Mr. Harder's calibre, and we are confident that he will prove to be the person most able to remedy the athletic situation at this college. -G.M.C.

Support Your Teams

Phelps' field has been a place of intense training for the past few weeks as Santa Barbara State college athletes have trained for the present track season. There has been an encouraging spirit displayed by members of the squad since the beginning of the practice season.

Each afternoon, between the hours of two-thirty and five-thirty a goodly number of students can be seen training their muscles in racing, jumping, or vaulting, while others are found tossing the shot-put and javelin in conditioning themselves for track events.

At Pershing park for practically the same period of time, State college baseball players have been going through similar training. In each branch of the program, there has been a substantial number of athletes reporting regularly for earnest workouts, and in spite of lack of equipment and financial aid, the men have continued to work with a fighting spirit.

In contest both on the baseball diamond and the track, the men have given a favorable account of themselves. The baseball team has played two or three close games with visiting outfits, while the track squad was successful in downing the Loyola team in the first practice match and took two places in the All-Southern California meet last week.

While it is more difficult for students to lend their support to teams that are not filling the top rung of a ladder, it is likewise as difficult for members of the team to keep up their spirit while fighting their way to the top. A winning team does not need student support as badly as a losing one.

It would be easy for the local athletics to draw the conclusion that the students of Santa Barbara State cared very little whether they won their baseball games or track events from the small number of students attending the events. Let us stop complaining about the poor athletic teams that our institution produces and try doing our part in displaying a little school spirit at some of the games and track meets. If you let the members of the teams know that we, the student body, care just a little whether they win or lose, they may be able to put that additional spark or punch into their activities that is necessary to produce a winning team instead of one that is just nudged out.

Miss Anna Sten Sings Pick Seven Students Blues Song in 'Nana' for Kappa Delta Pi

Appearing with Miss Sten in her inaugural Hollywood photoplay are Mae Clarke and Muriel Kirkland, as Satin and Mimi, Nana's inseparable cronies, with whom she forms the three scarlet musketeers of the gay, gaslit boulevards of Paris in 1870. Thundering, imperious Richard Bennett is seen as the dean of the music halls. The two brothers, Andre and George Muffat, into the pattern of whose lives Nana works her deadly witchery, are played by Lionel Atwill and Phillips Holmes, respectively.

Voting on seven eligible candidates for membership in Kappa Delta Pi, national honorary education fraternity, was the main business transacted at its regular meeting held last Tuesday evening in the College dining hall. Plans were also discussed for an informal get-together of the fraternity at a beach cottage or mountain cabin in the near future.

The picture, which United Artists is releasing at the Fox Arlington theatre starting Sunday, presents an authentic revival of the can-can as it was danced in Paris to the horror of the contemporary blue-noses, and Miss Sten sings "That's Love," a caustic lament on love, written for her by Richard Rodgers and Lorenz Hart. Dorothy Arzner directed the photoplay.

Following the business session Mary Ida DeMott and Glen Dysinger reviewed timely articles from the fraternity magazine, the Kadelian Review, after which the group joined in general discussion of educational topics.

Members to take part in the session include Helen Honigsberger, Helen Grady, Irene Main, Lucille Rankin, Faith Holm, Muriel Brown, Evelyn Johns, Kay Myers, and Mrs. Nelson Treloar. Three alumnae members from Los Angeles who plan to attend are Miss Moyer, Mrs. Freeman and Mrs. Miller.

READ 'EM and GUESS By E. McRAE

Best Beard Contest Begins Monday Noon

A "beard-growing" contest will begin Monday, April 16, in preparation for the annual Hobo Brawl, scheduled for April 20, at Tucker's Grove at 4 o'clock.

All men who wish to officially enter the contest will meet in the quad during the noon period. Prizes for the best beard, effort and costume will be made Friday afternoon. All entrants must be in costume at time of the judging to be eligible.

Senior Class Day Set for Next Tuesday

(Continued From Page One) gram will be two vocal duets by Bobby Goux and Mercedes Berger. Two piano duets by Ruth Karges and Ruth Rizor, and a couple of old time medleys played on the piano by David Larsen. As a variation in the program Marion Ek will give a Swedish impersonation number, to be followed with a pantomime by Evelyn Sims; a black-face dialog by Peter Quin; a vocal solo by Barbara Lingenfelter, and other novelty numbers.

Concluding the senior day activities will be a short, snappy dance in the gymnasium during noon hour, to which all members of the student body are invited.

MISS FRYE RETURNS Miss Winnifred Frye, director of household arts, has returned from San Francisco where she has been attending a meeting of faculty groups of State Teachers colleges.

This Insull business has us puzzled. We had always understood that a ship was always considered a part of the country whose flag it flies, no matter where the ship is. If that is the case, according to our interpretation of international law, then it seems odd that Turkey should take it upon itself to take by force a man from Greece to hand him over to another country.

DEAN ASHWORTH SPEAKS AT A.M.S. MEET ON TUESDAY

All women students are requested to stay out of the Men's club room, according to a statement made by Dean William Ashworth at the meeting of the Associated Men Students held in the club room on Tuesday morning.

All men who have failed either to make or keep appointments made with the photographer for La Cumbre are asked to do so at once. It was decided at the meeting that if athletic awards are worn by anyone other than the winner, that the awards will be withdrawn. A decision was also made at the meeting to bar all athletic letters from other schools or colleges from being worn on this campus.

Ericson Speaks on Scandinavian Life

"Social and economic conditions in the Scandinavian Countries," was the subject of a luncheon speech made by E. E. Ericson, head of the industrial education department, at the Kiwanis meeting on Wednesday noon.

In his speech, Mr. Ericson contrasted and compared the Scandinavian countries and the United States and many of the European countries.

Home Ec. Dept. Students Gives Formal Dinner

Esther Funk, of the home economics department, last week acted as hostess to Mr. and Mrs. Clarence L. Phelps and Mr. and Mrs. L. Deming Tilton at a formal dinner held in her home.

At the conclusion of the dinner, the guests were entertained by Miss Charlotte Ebbets, head of the home economics department.

Next week Kathryn Good, also a member of the group in the practice house, will hold a formal dinner.

The purpose of these dinners, which are planned and served by the girls, is to give them practical experience as hostesses and in meeting people.

Date Set for Fashion Show

The annual summer fashion show and bridge tea sponsored by the Alumnae Association of Delta Zeta Delta was definitely set for April 28 at a meeting of the group held on Tuesday evening at the home of Mrs. Eugene W. Powell of Calle Noguerra.

Other events definitely scheduled on the social calendar of Delta Zeta Delta are the annual High Tea on May 13, given in honor of the mothers of the members.

During the meeting a new member was added to the group. Mrs. Helen Culp Derbyshire, '27, who transferred from Beta chapter, Ventura county, has been added to the roll call of Alpha chapter.

Gnome Club Initiates Six Members

An initiation of pledges was conducted by members of the Gnome club at their regular meeting last Monday evening at the home of Betty Brown and Georgia Scott.

An announcement was made during the evening of the sport dance to be given April 27 at Russell's.

Pledges attending included Stella May Smith, Connie Allen, Miriam Alexander, Laura Coats, Shirley Warner, and Dorothy Ritchie.

Sorority Sponsors Benefit Bridge

Delta Sigma Epsilon, national social sorority, will sponsor a benefit bridge party tomorrow evening at the Girl Scout house at 8 o'clock.

General chairman for the affair is Winifred Jones. Chloe Vincent is in charge of entertainment.

PATRONIZE ROADRUNNER ADVERTISERS

Since it's about time the women are getting tired of reading about themselves there comes a gentle hint that maybe the men would like some publicity, too.

Number 2338897! That's Bob Moore's; he's the one with the black-and-white striped sweater.

Then there is a little Scotchman around here. Jimmy Henderson is really one. Every once in a while we notice it, not by his tightness, but by any means, but by his clothes.

Mentioning sweaters and the ones who wear them, we could bring in Marcus Cravens, S.B.S.C.'s prexy. His is a coat sweater made of wool, and is very, very soft and warm looking in texture.

English tweeds in brown and tan and black and gray prove to be popular right now.

With formals coming around, tuxedos are the main topic of conversation with the fellows. What shall it be? A dark coat or one of those white ones?

Au revoir. Election of officers for Phi Kappa Gamma, social sorority, took place Monday evening in the club room at the corner of Chapala and Sola streets.

Phi Kappa Gamma Elects Officers

Election of officers for Phi Kappa Gamma, social sorority, took place Monday evening in the club room at the corner of Chapala and Sola streets.

The sorority formal, April 28, and a May tea were discussed.

History Group Gives Pan American Dinner

International Relations club of Santa Barbara State college will sponsor the first annual Pan American dinner to be held in the faculty dining room of Ebbets hall Tuesday evening, April 17, at 6:30 o'clock.

The purpose of the dinner is to encourage a better understanding of the people and problems of the neighboring American countries.

Reservations must be made by Monday evening with Dr. Frederick W. Ganzert, Margaret Whitford, or Barbara Williams.

Fraternity Pledges Entertain at Dinner

Members of Beta Sigma Chi, local social fraternity, are to be honored Wednesday evening at 7:30 o'clock in the Southern Counties Gas company building at the corner of Figueroa and Anacapa with a banquet.

More than 40 members of the fraternity are expected to attend the function.

Assisting Jameson with arrangements for the evening are Bill Larziz and Dick Brothers.

Sorority Publication Prints City Pictures

In a recent publication of the "Shield," official magazine of Delta Sigma Epsilon, national social sorority, scenes of interest about Santa Barbara were shown in order to announce the annual convention of the sorority.

The local Pi chapter of the organization will act as hostess in conjunction with the chapters from Fresno and Chico.

GRADUATE VISITS CAMPUS Kenneth B. Decker, graduate of last semester from the industrial education department and who now is taking graduate work at Pomona college, was a visitor on the local campus Monday.

Delta Sigma Epsilon Select Officers for Coming Semester

All officers with the exception of the president for the next year were elected by Delta Sigma Epsilon members at a meeting held Monday night at the home of Evelyn Sims.

Elected women are Geraldine Slayton, vice-president; Nadine Spear, treasurer; Merceda Jewett, corresponding secretary; Elizabeth Hartwell, recording secretary; La Rue Steelsmith, sergeant; Helen Eichelberger, historian; Frances Saylor, scholarship chairman; Lucia Walker, courtesy chairman; Barbara Boyd, chaplain.

Following the meeting refreshments were served by the hostess, assisted by Betty Thomas. The

Junior Auxiliary Presents Plays at Rockwood Tea

Three plays will be presented by the drama branch of the Junior Auxiliary of the Santa Barbara Women's club in the auditorium of Rockwood this afternoon at 2:45 o'clock.

The plays produced under the direction of Margaret Sears, will be "The Clod," "The Warrior's Husband" and "The Minuet."

Following the program tea will be served on the terrace. No admission is being charged for the plays, but tickets for the tea will be twenty-five cents.

Paradise Camp Scene of Ind. Ed. Picnic

Members of the industrial education department and their guests will enjoy a picnic Sunday at Paradise camp. Many games will feature the activities of the day including horseshoes, baseball, volleyball, and hiking.

Those expecting to attend the picnic are requested to furnish their own lunch and eating utensils.

All those members of the department who anticipate making the trip Sunday are requested to sign the slip of paper on the bulletin board across from Mr. Ericson's office in order that the social committee can plan suitable activities.

Mrs. Crowell Speaks to Clubs at Fillmore

Friday evening Mrs. Mary E. T. Crowell, art department head, will speak to various clubs in Fillmore on "Art as a Practical Value in Education, Industry and Life."

Economic Fraternity Sells Quilt Chances

Chances for a handmade quilt are being sold by members of Kappa Omicron Phi. The drawing for the quilt is to be held at noon in the cafeteria on May 9.

This quilt is large enough for a double bed. It is of a Dresden plate pattern and is entirely hand made.

A chance may be bought from Helene Baer, Lois Cole, Merceda Jewett, Lucille Bolton, Stella Smead, Ruth Brubaker, Louise Headley, Bernice Baker, Louise Lewis, Ruth Moseley, Evelyn Brown, Dellsie Berg, Ramona Abel, Laura Linn, Jean McNally and Evelyn Steinmeier.

Three Social Groups Plan Dance at Hotel

Members of the Tau Omega Beta Sigma Chi and Sigma Alpha Kappa fraternities will meet with their guests at the annual Inter-Fraternity dance scheduled for tomorrow night at the Vista Mar Monte hotel.

The dance is held under the supervision of the Inter-Fraternity council. Bill Pensinger is president.

Patrons and patroness are Dr. C. A. Pruess, Mr. and Mrs. Earl C. Walker, Mr. and Mrs. William Rust, Dean and Mrs. Ashworth and Dean Lois M. Bennink.

Gas Company Expert Gives Demonstration

Students of the home economics department last Friday attended a cooking demonstration held under the supervision of Miss Mildred Singleton. Miss Singleton gave her demonstration at the Southern Counties Gas Company where she is employed as a home economics expert.

The exhibition was for the purpose of instructing the girls of the correct methods of cutting and cooking meats.

Instructor Exhibits Art Craft in Lobby

A metal craft exhibit is being displayed in the lobby of the Fox Arlington theater this week by Louise S. Taylor, part-time instructor and student at the state college.

The metal work has all been hand made by the students of the local night school, under the direction of Mr. Taylor. It includes 150 pieces of copper, brass, and pewter.

Edwin Maier Receives Callers After Illness

Edwin Maier, part-time instructor and student on the campus, who has been ill for some time, is better according to reports received from his home.

Those active members who attended the meeting were Elizabeth Hartwell, Dorothy Poole, Helen Eichelberger, Merceda Jewett, La Rue Steelsmith, Nadine Spear, Wilda Simone, Barbara Boyd, Chloe Vincent, Lucia Walker, Geraldine Slayton, Frances Saylor, Laura Linn, Sheila Davidson, Lucille Bolton, Betty Thomas and the hostess, Miss Margaret Burke, Miss Jean Wood, Miss Winifred Jones, Mrs. Ardis Bordeaux and Mrs. Rosamond Young French.

The College Widow By THE WIDOW

And so we are seeing more of Art Dakan . . . stuck my head in the door of the aud. Thursday night and couldn't decide whether it was more or less. Of all the crazy sights, among other things, Buppy Moore at the piano, one of the masterpieces of Art I suppose, or maybe something for the Roadrunner Review . . . but how are we going to have one of those things without the Gammill-Williams duo? This is going to be one busy place, what with the Operetta, Revue, the Greek hops and things coming off in the near future . . . we just mustn't let our studies interfere with our regular work.

Variety is the spice in one's soup, so says Don Coker as his heart leaps to the flame of Virginia Moon's charm. Steadily they rumble on, grumble on or something. . . . Is this Holden-Hoffar affair serious or what? Something else we can't quite figure out, this Case-Daykin business; first it's on, then off, then on again, etc., etc.

Lovely new pins, and sorority membership more than doubled . . . one of life's greatest aims attained by some . . . well, if that's what we come to college for we can take it easy for the rest of the year.

What things college can do to people in a few years . . . Johnnie Ingram, once the glowing spark of the campus, and a good reason for living, is no longer a happy, care-free lad, but a serious student in his profession . . . even the honorable Goux worries no more about dates, but rather about scholastic averages, and Ud Armstrong in six short months . . . but why go into that . . . what's most surprising are these college marriages.

Long hair is coming in vogue again, Margaret Beddome is doing hers up . . . Georgia Scott and Louise Holden always look like they've just stepped out of a bandbox . . . is the secret Lux or Grape-Nuts? . . . Can anyone contribute any info as to all the strange actions of the Women's P. E. class Tuesdays and Thursdays fifth hour? It's really quite amusing to us, but suppose we should have some visitors, State inspectors or someone? They'd think we were running a nut joint, maybe the finances for those places is more, tho.

Ted Reeder was on campus Tuesday, more noticeably around Ebbets Hall, and he didn't even see some of his old pals who met him in the doorway . . . something on his mind no doubt . . . that's the way with these people out in the big cruel world.

If Art Dakan duplicates this column again this week, there will be no "Arturo" by the next edition.

STUDENT GOES NORTH Paul Woods visited San Francisco and Berkeley over the week end, spending Sunday afternoon with friends at U. C.

Officials Choose Saturday, May 5 as Date for Tea

Saturday, May 5, the Associated Women Students will be hosts at a high tea at which mothers, house-mothers, high school teachers and prominent women of Santa Barbara will be guests.

According to Elizabeth Leonard, tea chairman, the annual formal tea is the climax of the social activities of the year. It gives the women an opportunity to meet some of Santa Barbara's prominent citizens, as well as giving parents and housemothers a chance to meet students and teachers.

Each member of the A.W.S. may bring a guest, either her mother or housemother. Women are asked to register their guests before the tea in Dean Bennink's office as a large crowd is expected.

Assisting Miss Leonard with the arrangements, Elizabeth Stover will have charge of invitations; Catherine Hacking, food; Ruth Carter serving; Betty Rouleston, decorations; Isabel Ferguson, properties; Betty Hopkins, reception; Katherine Kitley, clean-up; Marjorie Williams, publicity and finance; Lucille Bolton, program; and Fern Johnson, corsage.

**Sport Comment**  
By BEN PALMER

After several months of ease, it seems rather difficult to begin intra-mural competition again. However, once begun, the old interest should revive, for what is more exciting than a good wrestling or boxing match? It not only provides the best entertainment for the audience, but aids the competitor physically and develops sportsmanship of the best order.

Gail Cochrane, who now heads the intra-mural sports, is willing to do all in his power to create interest and formulate a program that will be interesting and beneficial to all who participate. He has torn down the old boxing and wrestling list from last semester and has substituted a new one. It is upon this new list that the tournament will be based, therefore, all who wish to enter the contests should sign up on the list on the bulletin board in the gymnasium. As it is necessary to push the tournaments along, all students are urged to sign before Friday of this week.

Did you know that many of the larger colleges are beginning to recognize boxing and wrestling as among the best of sports, and are promoting it with other major sports? It has been discovered that these sports, if treated in the right manner, are very beneficial in physical development. The collegiate methods in these sports prevent most of the harmful consequences that are encountered in the professional world. Probably, in the near future, State college will boast of a wrestling and boxing team.

Another splendid sport for State college would be the development of a gym team or a gym club. Exhibitions on the rings, parallel bars, and on the mats are interesting to all and such displays of athletic skill could be used for assemblies, athletic exhibitions, the Roadrunner Revue, and in competition with other athletic associations of this sort.

Many of the boys are mighty pleased with the new State coach. And they should be, for when one of the rival coaches from Whittier college says that the Poets will find tough opposition when Harder arrives here, that is something.

Spring football practice is being looked forward to with much hopeful anticipation, for of all sports, football is the most interesting to many. The hope of having a good team next season no doubt will spur the boys on to the development of a team that will equal anything in the conference. For the past several years it has been the prayer of many of us that we would have a winning team. Let us look forward to the coming season as an answer to our prayer.

**W. A. A. Conclave to Meet in Oakland**

(Continued From Page One) courthouse in the afternoon was followed by a formal banquet at night, with Virginia Slicton as toast-mistress. Hal Orion, director of recreation in Santa Barbara, gave the address of the evening on the significance of developments in recreation as suggested by sessions of the National Recreation association.

"Promoting Health Programs" was the topic discussed by Dr. Elizabeth Bishop at the meeting Saturday morning when the business of election of officers was also transacted.

**Answers to**

**READ 'EM and GUESS**

Questions Will Be Found on Page Two

1. The "Neck Verse" is the first verse of the fifty-first Psalm. William Rufus the second Norman king used it as a test verse. If a person was able to read it he was not condemned to death even if guilty.
2. The "Romance of the Rose," a poetical allegory begun by Guillaume de Lorris in the later 13th century and continued by Jean de Meung in the 14th century.
3. Johann Wolfgang von Goethe. (1749-1832) His works embrace practically every field of literature.
4. Inez de Castro, queen of Pedro I of Portugal was acclaimed "Queen of Portugal" after her death.
5. Euclid upon being asked if geometry could not be made easier.
6. A book belonging to the family of Prince de Ligne of France. The letters of the text are cut out of each folio upon the finest vellum; and, being interleaved with blue paper, it is easily read as print.
7. Pottery is the oldest, largest and most widely diffused of human arts.
8. The Hohenzollerns of Prussia; they began in the 15th century.
9. The battle of Leipzig (1813). Napoleon was defeated by the leagued armies of Europe.
10. During the Tae-Ping rebellion in China in 1850.

BEN PALMER—Sports Editor

**SPIKESTERS TAKE HONORS IN MEET**

**First Place Won by McCullough at Track Fest**

Heaving the shotput out 42 feet 8 3/4 inches, Willis (Tiny) McCullough garnered five points for the only first place ever gained by the Santa Barbara State college in a Southern California Conference track meet. The meet was staged at Occidental college last Saturday.

Another dark horse who came through was Elmer Lee. Lee won second place in the javelin throw with a toss of 177 feet 11 inches, just four and a half inches short of the winning mark set by Wood of Whittier. Three points resulted from Elmer's throw.

**Opplé Frosh Winner**

In the freshmen meet State did not show up so well as only one member of the team placed. Robert Opplé placed third in the pole vault.

High point honors in the meet went to Pomona who scored 49 points and in doing so gained her second consecutive conference victory. San Diego gathered 36 points, Occidental 31, Caltech 20, Redlands 20, Santa Barbara 8, Whittier 8 and La Verne 4.

**Student Makes Chart of Auditorium Seats**

A seating chart of the college auditorium is being drawn by Clarence Aspittle under the direction of the drafting department.

There has been only one incomplete chart before, according to S. O. Werner, head of the drafting department, and the possibility of having reserved seats for the Roadrunner Revue suggested the drafting of the chart. Copies of the chart will be kept by the Players' club in the administration and student body offices.

**Baseball Club to Meet Team Over Week-end**

The Roadrunner baseball team will be kept plenty busy this week end as they meet Redlands and Cal-Christian on Friday and Saturday at Pershing Park at 2:30 o'clock.

Little is known of the California Christian team, but the State baseball club and Redlands have met once already earlier in the season when Redlands took the game 9-3.

By playing heads up ball and allowing no errors, Coach Hal Davis believes that the boys can win. Lack of experience has proved the missing link in all the games so far.

**Strong Combination**

The battery for Friday's game will be Ernie Boucher in the box and Captain "Clancy" Aspittle behind the bat. The infield after its recent shakeup will start with Joe Ballon, first base, Jimmy Lebeck on second, Ralph "Stooks" Stockel at shortstop and "Greek" Rezzonico on the third sack. The outfield will have Yale Lorden in center with "Tex" Willard on his left and Mert Miller on the other side.

Injuries have held up the full strength of the team for many weeks. First "Clancy" Aspittle and later Jimmy Lebeck both of whom are back in uniform now. The most recent blow was having Mert Miller, promising young pitcher, pull a muscle in his arm.

**State Represented at Meet in Tuscon, Ariz.**

(Continued From Page One) fees in charge are asked to sign up in the office of the dean of women.

Candidates for officers for the coming year were introduced by were: president, Lucille Bolton, Ruth Carter; first vice-president, Sue Knox, Julia Lynch; second vice-president, Ruth Brubaker, Wilma Felsenthal; treasurer, Marvaine Jones, Rea McPeak; councilor, Betty Roome, Helen Mattson.

**Varsity Track**

Team—	W.	L.	Pct.
Pomona	5	1	.833
Redlands	4	1	.800
La Verne	2	2	.500
Occidental	1	1	.500
San Diego	1	1	.500
Cal Tech	1	2	.333
Whittier	1	3	.250
Santa Barbara	0	4	.000

**TRIPLE MEET TO BE STAGED SAT.**

Three Southern California colleges will meet on the local track field this Saturday to display their skill to track fans, as Cal-Poly and Cal-Christian are sending their squads here for the week-end meet.

Little is known about the two invading groups, however they are doped to give State college a stiff afternoon of competition.

Willis McCullough, "Tiny" Roe, "Doc" Kelliher, Elmer Lee, George Harper, and Allan Garber are high hopes for the locals. Richard Jackson has been showing up well in distance runs and should prove tough for the invaders. Santa Barbara State should win the meet.

**Swimming Instructor to Coach Women Here**

College women will be given instruction in teaching swimming by W. H. Austin, swimming instructor in Santa Barbara for 12 years and now owner of the Arcade bathhouse. The class is open to any adult interested in coaching swimming. The first meeting will be held today at 2 o'clock, at the edge of the breakwater on the beach.

Mr. Austin is able to give these lessons under the E.E.P. project and in turn pupils will receive training for speed and distance swimming.

Mr. Austin is former coach of the Santa Barbara Athletic club swimming team and has been instructor at the Girl's Scout Summer camp.

**All-Star Game Reveals Power of State Team**

Playing the best ball they have this year the State college baseball nine was defeated by the low score of 5 to 1 by the Santa Barbara All-Stars, in a game at Pershing park Saturday afternoon. The contest was plenty tight up to the eighth inning when several errors by the Davismen gave the All-Stars a chance to gradually run their score to higher levels. At the end of the seventh stanza the tally was 2 to 1 in the more experienced boys' favor.

"The team as a whole played by far the best baseball so far this season, and also were playing against the best aggregation that they have met to date," said Coach Hal Davis yesterday.

The practice tilt with the All-Stars gave the Roadrunner nine plenty of good training in preparation for the game this week-end and also the remaining Southern conference contests.

"Boucher, hurling the ball for the local lads played an outstanding game, and it was not due to his pitching that the All-Stars were allowed three runs during the eighth period of the game."

**Treasurer Requests Preliminary Budget**

Members of the Associated Student Body council are requested to turn in their preliminary budget for their organization before Thursday, April 15, according to Douglas Kirkpatrick, treasurer.

Those asked to make reports are Robert Main, Men's club; James Murray, dramatics and debate; Allan Lambourne, band and glee club; Harry Killian, men's athletics; Betty Hopkins, Associated Women Students; Mercedes Berger, social chairman; Barbara Clark, La Cumbre; Catherine Kitley, Women's Athletic association.

**WHITTIER TEAM WINS GAME OVER LOCALS IN NINTH INNING RALLY**

**Davis Squad Plays Stellar Ball Game as New Infield Combination Makes Good Showing**

By CURTIS DAVIS

Succumbing to a rally in the late stages of the game, the State college baseball team lost to the Whittier Poets by the score of 11-9 in a conference contest played last Friday in Pershing park.

Until the ninth inning when the Quaker nine scored three runs to forge ahead, Roadrunner fans were looking forward to the first athletic victory over Whittier college since the 1930 football season. At the end of the seventh inning the locals held an impressive 8-4 lead over the visitors.

Mert Miller led the Staters attack, driving out four hits in five attempts and pitching the first three innings. At the conclusion of the third stanza the score favored the southern men 3-2. At this point Captain Clarence Aspittle and his men launched an attack that made victory look certain.

**Errors Upset Locals**

Ernie Boucher pitched the last six frames, and as usual, performed in great style but again was the victim of the error jinx that has been hounding the Roadrunners consistently this season. The eighth and ninth innings were examples of what Boucher contended with when seven runs were scored against him on two hits. A series of errors at second base with two out in the ninth inning turned the tide against the Davismen. Miller's triple and stolen base accounted for one run in the last of the ninth but it was to no avail.

The State team was a much improved aggregation over that of former weeks, in spite of the loss of the game, and it seems that Coach Davis has finally hit upon the right combination for his infield. Joe Ball

held down first base in major league fashion and saved many low and wide throws that looked certain to get by him. Rezzonico and Stockel played good ball at third and second, respectively, while Fritz Muegenburg was the unfortunate keeper of second.

**Hitting Threat**

Whittier, last year's conference champion's, offered nothing in the way of pitching that bothered the green and white horsehiders but the hitting of Holiday, Arambede, and La Form was a constant threat. Coach Chief Newman was well pleased with the game put up by his boys but added, "that they were extremely fortunate to win."

Coach Davis, after the game, stated, "This was a heartbreaking game for the boys to lose but their performance today should be a turning point in our baseball success. Newman's team showed great determination in overcoming our lead."

**Athletes Scheduled for Mauling Tourney**

Boxing and wrestling jousts are scheduled to begin next week, if the plans of manager Gail Cochrane turn out as well as anticipated.

College men are signing their names to the list that has been placed on the gymnasium board. The list signed last semester has been taken down making it necessary for those who signed on the old one to resign on the new.

As it is necessary to begin the bouts as soon as possible Gail Cochrane urges that all men entering the tournaments sign up before Friday 13th.

— what it means. — to store

**70 million dollars worth of tobacco**

— 4 1/2 miles of warehouses

Everything that Science knows about is used in making Chesterfields. One thing we do is to buy mild, ripe tobaccos and then lock up these tobaccos in modern storage warehouses to age and mellow like rare wines. It takes about 3 years to age the tobaccos for your Chesterfield, for Time does something to tobacco that neither man nor machine can do.

It means something to keep 70 million dollars worth of tobacco in storage. It means just this: We do everything possible to make Chesterfield the cigarette that's milder, the cigarette that tastes better.

the cigarette that's MILDER the cigarette that TASTES BETTER
