Ross Perot here, ok, here's the deal. Now, we all know I didn't win last Tuesday, but that's all over and now it's on to other things. Now there's this store, see, way out in Isla Vista, California

-that's right, the same place that had this naked day last year around this time. But, I got no problem with that-just a buncha fun lovin' kids havin' a good ol' time and don't we all need that! Anyway, what I find fascinatin' absolutely fascinatin', is they have the entire **TOP 100 AND NEW RELEASES ON SALE ALL THE TIME**. Now, if that don't beat all! I mean that's exactly the opposite of what a business should do, if you catch my drift. They're selling what people want more for less. Let me tell you, these ol boys are one taco short of a combo plate. But until they come to their senses, I'd suggest this is the perfect place to start stimulatn' our poor ol' economy. But I'm only tellin' you this 'cause I love ya' and don't worry about me, I'll see you in '96 and I'm bringin' Lee Iaccoca along with me.

This is a whiplashed neck

This is the same neck restored to normalcy by Dr. Duell

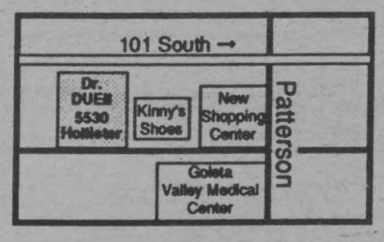

Hi, I'm Dr. Mark L. Duell, Sr., Doctor of Chiropractic. Perhaps gentleness in chiropractic is a new concept to you. It was to me before I began the six years of college training necessary for my doctorate degree. During those years I learned the precise locations where light pressure can bring chiropractic relief to pain. In addition to my doctorate,

I have a bachelor's degree in Human Biology. Since college I have completed courses in Activator, Nutrition and X-Ray. Even now I devote three days every month attending a nationwide seminar on chiropractic.
