## The Bystander Observes

By KENTON CAMP

### 'WAR—CIVILIZATION'S GREATEST MENACE'

Madrid, Spain's capital, is prepared for a six months siege and if all indications are correct it should begin very soon. The government forces are battling fiercely and refuse to admit defeat; they have the insurgents surrounded in Fort Estrecho de Quinto, just as they did in the Alcazar fortress at Toledo. Food is being supplied to the fort by airplanes. The besieged insurgents are plentifully supplied with ammunition and have repelled numerous attacks. Gen. Francisco Franco, military leader of the insurgents, has assumed supreme leadership of the Nationalist cause as dictator of the provisional government and commander-in-chief of all land, sea and air forces.

### GENEVA AND SPAIN

The Spanish delegation to the League has published documents charging Italy, Germany and Portugal with aiding and abetting the insurgent Fascists. The Loyalists claim that, if the insurgents had not received assistance the revolt would have been crushed at the outset.

### SALINAS STRIKE

Violence is dominating the lettuce strike in Salinas. Most of the trouble has moved to Watsonville; two undersheriffs were attacked and three strike-breakers were injured. Forty picketers were jailed; on charges of violating the anti- (Continued on Page 3, Column 2)

## W. A. A. Sponsors First in Series of Recreation Nights

For the enjoyment of both men and women of the student body, the first of a series of "Recreation Nites" will be held Wednesday evening, October 7, at 7:15 o'clock in the gym. This first affair will be a "Get Acquainted" event under the leadership of "Pop" Wells.

Clara Ross will head the recreation committee and Alice Lamb, Merle Thomas, Naney Clapp, Ann Forsythe, Helen Rogers and Mrs. Winifred Hodgins have planned a program of games to be offered. These games are volleyball, ping-pong, badminton, shuffle-board, hand-ball and relays.

The W. A. A. will sponsor all recreation nites and a member of the faculty will be chosen each time to officiate. All students are invited to attend these affairs.

## Senior Returns From Journey South American Trip of Great Value

A year spent in the exciting atmosphere of the young South American republics proved to be a trip of immense value both from an educational and social standpoint to Sidney de Root, senior at Santa Barbara State and his traveling companions, Larry Brakmo, Saint Mary's college, Al Maley, Redlands, and Dick Lund, a graduate of State.

Brazil was the largest of the nine countries they visited. It has an area which is larger in territory than the United States. Due to political upsets their four months stay in this country was under martial law. Other countries they visited included, Chile, Argentina, Brazil, Columbia, Uruguay, Mexico, Panama, and Canada. In Argentina they had the opportunity of seeing the Gaucho in his native habitat, the pampas.

"I hate to be a disillusioning influence," said Sidney, "but the

## King Arthur Lives As Knights Wake

Organizing for the first time on the Gaucho campus, the Junior class has established an organization similar to the Sophomore Squires. This group will be known as the Junior Knights.

Built upon the historical "round table" legend, these modern lance-carriers will advance on the battlefield of poor school spirit and non-interest to uphold campus traditions.

Their banners of brotherhood will wave on the football field, so that the game will continue in peace and order. The Ironclads are Allistair Anderson, Jimmie McSkimming, William McKenzie, Don Schuyler, Lorne Olson, Ted Hanley and Lightning Williams. On to the fray, men of King Arthur.

## Annual Supper Honors Frosh

### Pat Ireland Supervises All Arrangements for Hunt and Dinner Meet

Featuring a treasure-hunt and dinner, members of the A.W.S. will give their annual party honoring Freshmen women tonight on the college campus. The affair will begin at 4:30 and end at 8 o'clock.

Tickets for the affair may be purchased in Dean Bennink's office or from any member of the A.W.S. board. Tickets should be obtained immediately as reservations must be made.

Pat Ireland, A.W.S. social chairman, will direct arrangements, with Las Espuelas, sophomore women's service organization, in charge of initiation proceedings.

"All women, upper-classmen and Freshmen, are urged to attend this party," stated Ann Seymour, president of the A.W.S. All women are asked to bring their safety pins.

Members of the A.W.S. board are Ann Seymour, Pat Ireland, Frances Hoelscher, Norma Bassi, Miriam Turton, Gretalie Fitzgerald, and Jo Denman.

### GAMMA DELTS MEET

The first regular meeting of Gamma Delta Chi, social sorority, was held at the home of its president, Jean Goss, 814 E. Pedregosa. An open house to include all sororities on the campus was scheduled for October 11. A rummage sale to raise money for a scholarship for a worthy senior girl was decided upon.

## Phelps Orders Science Class Addition Built

Workshop Nears Completion  
for Laboratory Use on  
Monday Morning

### NEW EQUIPMENT HERE

Elizabeth Sehon Arrives to  
Act as Instructor in  
Gym Department

Taking emergency action to relieve congestion in the physiology and chemistry laboratories, President Clarence L. Phelps has ordered the construction of a new laboratory to be set up in room 52.

The new workshop is expected to be completed on Monday of next week, and will be fully equipped with water, gas and lights.

Due to increased participation in the women's athletic department, a new instructor, Miss Elizabeth Sehon, of Wisconsin, will arrive October 7 to work under Mrs. Winifred Hodgins. Miss Sehon received her M.A. degree at New York University and taught at Ohio University for many years. Born in Louisville, Kentucky, she has taught at the University of Michigan and State college of Wisconsin.

The new head of the State cafeteria, Mrs. Frances Klawiter, received her A.B. degree from the University of California, and her M.A. degree from Stanford University. She has been teaching in the Los Angeles City schools for the past five years. Mrs. Klawiter has traveled extensively in the Orient and the South Seas. She is a little over five feet tall, and is usually to be found in the home economics building. Mrs. Klawiter has gone to school in Michigan, to Columbia University Teachers college, and was county home demonstrator in Maryland. Her permanent residence is Long Beach, California.

## Mrs. Bennett Talks to Local Women on Recent Trip Abroad

Mrs. Margaret Bennett, journalism instructor, spoke on "The International Woman of 1936" last Saturday to the Coast District meeting of the Business and Professional Women's club held in Paso Robles. She based her talk on personal observations made in Europe this summer and data from the International Congress of Business and Professional Women which she attended in Paris as an official United States delegate. Many representatives at the meeting requested her to speak at their local chapters.

Mrs. Bennett also spoke recently on "German Women Go Forward" for the Santa Barbara group over which she presides.

Having been asked to write for "The Shield," official publication of Delta Sigma Epsilon, national sorority, she will submit two articles, one on Germany and one on the International Conference held in Paris. A copy of the paper will be placed in the Lincoln Library.

## "Nick" Carter Receives Peruvian Coaching Job

Appointment of State Track Coach to South  
American Position Comes Thru Naval  
Attache at Peru Academy

### 'Nick' Carter

Ernest N. Carter, Gaucho track mentor, who has been chosen to coach the Peruvian Olympic track team.

After three years of coaching at Santa Barbara State college, Nick Carter, coach of the track and field forces of El Gaucho, has asked for a leave of absence in order to take over duties as head coach of the Peruvian Olympic team.

Carter got his appointment through the recommendation of the former United States naval attache at the Peruvian Naval academy. His job will be to build up the track and field contingent of the team to represent Peru in the South American Olympic games which will be held at Rio de Janeiro, Brazil. Athletics of this sort are under the control of the government and from that source he will draw his salary.

Carter came here in the spring of 1934 to help Ray Denno then coach of the short pantied sport. In the fall of 1934 he took over the duties as head coach of the green and white team. Since taking over the reins he has built the Gauchos into a power to be reckoned with in Southern California collegiate circles. He is now under contract to the Peruvian government and will remain away for the duration of the contract period, which ends in time for him to get back to State in time to take over the cross country duties next fall.

Ray Denno, former coach here, has been selected to fill the vacancy. Denno is a graduate of State and has the reputation of being one of the best athletes ever to attend this institution. He is a letterman in track from the University of Arizona, and was recognized as the best weight man in the Border conference. Ray also had an outstanding record as a decathlon performer. In Ray's first term as coach he initiated the first full schedule for track and did much to place the cinder sport on the level it is now.

## Pi Sigma Chi Meets to Discuss Pledges

Meeting to discuss new pledges, members of Pi Sigma Chi, national honorary industrial education fraternity, convened at State Tuesday night.

Mr. William Stow presented a report on the summer session progress and gave a financial statement. The meeting was then turned over to Mr. E. E. Ericson, department head, who discussed industrial education activity on the campus this year.

## Four Monsons Cause Comment Versatile Family Joins Student Body

Two brothers, two sisters or a brother and sister of one family at State is merely a coincidence. When four students enter our institution of learning, all bearing the same last name, it's news.

It is a true statement. Starting in 1934, Jimmy and Freddy Monson enrolled at Santa Barbara State and now in 1936, the Gaucho campus has claimed Jack and Inez.

All four were born in Woodlake, California, a small town near Sequoia National Forest. They attended Woodlake High school and were active in all types of sports, having primarily outdoor personalities.

After graduation, Jimmy worked on construction projects for three

years, while Freddie came from high school to State. Jack attended Diesel School of Engineering in Los Angeles, while Inez is a transfer from Visalia Junior college.

Besides playing football and entering into Gaucho sports, Fred and Jim are excellent boxers and are both fond of tumbling. Jack entertains with cowboy songs and accompanies himself on the guitar. Inez, is an experienced equestrienne.

Both Freddie and Jimmy are physical education majors; Jack is a member of the industrial education department, and Inez is an elementary education major. The entire family state that they enjoy State. A "big-four," and wonder of wonders, no twins.

#### Beauty Spots

Appreciation of beauty is often overlooked in the rush of common-place everyday activity. The college, situated on the Riviera, is a spot of scenic beauty itself.

As students hurry from class to class, they fail to really see and appreciate the "beauty spots" on the campus. The quad pool, neatly bordered by lawn, in turn bordered by beds of shrubbery, landscaped with precision, is one of the most attractive scenes.

Looking down the corridor in the home economics building, with its brown finish, where department members tread in silence, students find another place where an atmosphere of simple beauty exists.

Walking through the administration building, Staters pause at the foot of the staircase, for the paintings attract the notice of many, and then proceed to the library, an example of substantial architectural beauty.

The womens' club room, the practice house, both remind us of the interior beauty to be found at State. Students should stop to think of the beauty around them; too often it is brought to their attention by an outsider. These surroundings make State the pleasant place it is in which to work and study.—I.M.

#### State's New Deal

With the enrollment just touching the thousand mark, Santa Barbara State seems to have definitely embarked on a "New Deal" program of educational policy.

This year, with many new courses in various fields being offered, the curriculum is rapidly being enlarged. Plans for degrees to be offered in several additional programs prove that the college is making its mark in the scholastic field.

It is a recognized fact that the campus is far too small to hold even its present enrollment, and agreeable conditions for everyone can only be attained by a high degree of cooperation between faculty and students. The Gauchos can be complimented on the fact that everyone seems to be doing his share in making school life as pleasant as possible for instructor and student.

Although the new campus site has been decided upon, it does not seem likely that the new college buildings will be started for some time, so until the day the Hill-top campus will be taken leave of, it behooves Staters to make the best of present conditions as they are.—I.M.

#### A Word to the Wise

The old adage, "A word to the wise is sufficient," should be remembered by all State students in the matter of cleaning up the campus. Over each week end, the grounds are put in order by workers under the N.Y.A. For these first few weeks, students have become careless with paper and other refuse, and have received off and on campus criticism.

Upperclassmen should set an example to the new students. Each student should do his part. Inter-cooperation among students is the only course to follow in such a matter.

#### Long Shots

By LONGIE

Hello again! The dirt digger-upper is back.

Scoop! Busby sleeps with his baseball bat! My My! . . . Gardner and Helen Hughes are certainly thick and he's supposed to be tied up in Ventura . . . Girls, you can cross Al Young off your lists. He's all bound up with a little girls in Hueneme, by the name of Velma Woods . . . An off-campus brunette and Alpha Thete, Barbara Putnam, sorta go for Tooley Palmer in a big way. No fights, girls.

Marjorie George wrote a note to a prominent member of the Anacapa House asking for a ride to Bakersfield. He commented that he had no car but that if her description was good enough she could hitch-hike with him and they could probably get there in less than two hours.

Overheard Ollie Seeley remark to Obbie DeMotte "The only things we can raise are pups." What's the trouble Ollie? . . . Hilda Benson has been seen quite a bit lately with Carlos Bee, what is this a hive? . . . Harry Harris had two dates last Saturday nite, the last one was with Elinor Meyers . . . Heard "Doc" Kelliher yell at Dugger during practice "get on your toes, where do you think you're going, to a dance?"—and on the football field, too . . . Peggy Benham has it bad for Terry Boyer . . . What about Wannie Woods and a certain little "Blonde"? . . . Saw Dave Pollock driving off the campus with Eleanore Lakin. Where are the Kirkpatrick brothers? . . . Juicy Langlo fell over backwards in his chair in Growth and Development . . . Stay on your feet and you'll get a decision . . . So Mickey was in the Passion Play, well, he should be!

I'll sign off now, wishing the Varsity loads of success in the Flagstaff game, and the Frosh the same at Bakersfield.

Television is definitely on it's way and it shouldn't be long before there are power stations every two hundred miles to relay the picture. The Olympics were broadcast by television in Berlin and vicinity.

#### Book Chatter

By Arthur H. Batchelder

Hey there! Get that book! Get it today!!

Here are six easy lessons to learn how to read. 'Tis an outline of some thoughts gleaned from the book by Frank Mott.

1 We must begin by giving ourselves up wholly to the writer. Cast away pre-judgments, and give full ear to the author. And begin with short reading matter and build up to the big-time stuff.

2 Let nothing stand between you and the writer. An for gosh sakes don't worry about illusions, notes and the like which you don't understand . . . it just doesn't pay . . . cuz its like a stone wall standing between you and your best friend.

3 Read aloud . . . plenty! You will be surprised to find how much more pleasure you get from reading by sharing it.

4 Re-read parts you like best, because the more you do, the more the book belongs to you, and you alone.

5 If the book bores you, DON'T BOTHER WITH IT! A book's main object in life is to amuse you, and if it fails to do just this it will do you little or NO good.

6 I urge you to think back . . . discuss the book. And you do not need to be bright to do this, for talking is the easiest thing in the world . . . especially if you are fresh from the book.

There, neighbors, are six easy and, I hope, helpful hints on the "how" of reading. Remember that when you "set out upon this picnic excursion into the world of books what do you expect to find? . . . SOME MORE OF OURSELVES."

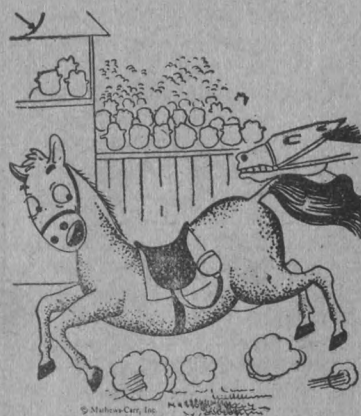

So long . . . and I'll be seeing you next week, mah friend.

(Note: next week will be a brief jawin' on "when" to read.

#### Radio Ranglings

Maxine Grey, soloist on Phil Baker's program, sang her three thousandth song over the air. This was Sunday on Phil Baker's program. Her first number was done when she was 10. She was called to the station because the manager had heard her singing in school and liked it quite a bit. Her mother attended her daughter's radio debut and has been her coach and advisor ever since.

Eddie Cantor used still another method of communicating with his wife the other day. There were life size cards with Eddie's picture on them and also these words, "I'll be with you every Sunday night." Eddie had one repainted so that when Ida, who is vacationing in New York would see this when she opened it: "I'll be with you every Monday, Tuesday, Wednesday, Thursday, Friday, Saturday, and Sunday nights—if you'll only come home."

One picture that really just has to be seen or will just have to be seen is "Born to Dance." It's Eleanor Powell's new picture with Frances Langford. The music is by Cole Porter. In case you didn't hear Fred Waring last Tuesday night he played all the songs from the picture. They're really tops and probably will be among the big 15 within a short time.

Jack Benny will have Phil Harris' orchestra. Maybe with just the orchestra and none of the leader's patter the music will be all right. We certainly hope so because the program otherwise is tops.

## Frosh Take on Renegades in Eastern City

Gaucha Babes Smooth Rough Spot in Preparing for Gigantic Game

Still reeling from a sound licking administered by Miramonte Jaysee, the Gaucha babes under the tutelage of "Doc" Kelliher are determined to win back their prestige when they tackle the Bakersfield Jaysee at Bakersfield tonight.

The Frosh are looking more impressive, particularly on their running plays featuring Bill Jessup, 180 pound Lindsay High school lad, and Buck Bailey, 181 pound fullback from last year's Santa Barbara High's championship Dons.

A few pass plays are beginning to work, giving indications that Kelliher's charges are succeeding in ironing out the rough spots in their game.

George Valos, former Bakersfield prep star, at guard, and Warren Wood, all-county tackle from Oxnard, are showing considerable improvement by stopping play after play on defense.

Bakersfield J.C., always strong, is no exception this year, and will be favored to win the game by two touchdowns.

The tentative lineup for the Pea-greeners will probably be:

Ends, Coffey, Nicolletti; tackles, Grey, Valenzuela; guards, Velos, Duncan; center, Rossi; quarterback, Hoffman; right half, Jessup; left half, McArthur; fullback, Bailey.

## Con Las Amazonas

By BETTY CLARK

The dancing organization, Orchestis, held its practice last Tuesday night, from 7 to 9 o'clock. The class is in much need of an accompanist. If anyone is interested in such a position, kindly see Miss Olive DeMotte, who is in charge of the club. Drums are the only means of accompaniment.

Miss De Motte stated that Mrs. Barnett wishes the services of the club in the opera to be given in the future.

At the end of the year a recital will be given for the students of the college. There will be no admission charged for this performance.

## Publicity Manager Appointed for State

Kenneth Noble has been appointed publicity manager for the State college. Mr. Noble was a former student at State and later was a reporter with the News-Press of Santa Barbara.

In Los Angeles, he was connected with the United Press and in Phoenix, Ariz. with the International News Service.

Mr. Noble has been doing publicity for the last two years and has been engaged to handle the athletic publicity through the efforts of a group of townspeople who are interested in the college.

Mr. Noble has recently established his office in the gym building at the college.

## Gaucha Eleven High in Rating

Gauchos Top-All Southern California Conference in National Rating

These ratings represent each team's efficiency of consistent performance to date. The ratings do not always indicate a direct gauge of the possible strength of each team as compared to all the others, but in general they do indicate each team's relative strength in comparison with its scheduled opponents.

The teams listed below are only those who are on the Gaucha schedule. San Diego, La Verne, San Francisco State, and Nevada are not rated due to the fact that they have not played to date.

The percentage figures below (right hand column) are the most important because it gives the team's actual strength in comparison to the leader, now Minnesota. The listing figures (left hand column) are for convenience in locating the team in order.

## FRENCH FINANCIAL CRISIS

Premier Blum has the staunch support of the Chamber of Deputies on the franc devaluation plan. The plan went to the Senate and was rejected; the Chamber re-passed it immediately and it is again before the Senate. The Senate's main objection is to the social measures of the bill; they insist that these measures do not belong in a bill with a purely financial operation. Blum is confident of getting the bill passed before the week is over.

## Al Young

## 'Here Is Al Young' Stellar Player of the Gaucha Squad

Introducing, "here he is, girls," Al Young! He is new to the State college gridsters this year, having transferred from Ventura Junior college. His height, six feet, four inches, and his 200 pounds of muscle should come in mighty handy to Coach "Spud" Harder this year. In an end berth he is showing promise of really making good.

Al Young had his first taste of the pigskin sport on sandlots before he reached the high school grades. At Oxnard high school he end, and in his senior year, captained his team thru a successful season. During those four high school years he was the outstanding made Ventura County Conference end on his team and always turned in a top performance.

Last year Al found himself a place on the Ventura Junior college team in an end position and really proved to the football world that he knew his business when it came to opening up holes in the line. At the end of the season he was awarded a place on the All Southern California Junior college team. He also made his letter at the Pirate institution in basketball, baseball, and track, so you see, he not only does his part in football, but in other sports as well.

Al Young saw service on the Gaucha team for the first time last Friday night, and he is expected start off with a bang in the Arizona game tomorrow afternoon. Both offensive and defensive work is very good; his weight is a boon to the team, and likewise a serious threat to all opposing teams. He looked mighty good in the Cal Tech game and a chance to show his worth in other games is all he needs. Good luck, Al; Show the Gauchos what you can do.

## JEWISH-ARABIAN STRIFE

Lieut.-Gen. J. G. Dill, commander of the military forces in Palestine, was given virtual dictatorship of the Holy Land. The proclamation was issued by the Palestine High Commissioner in an effort to quell the terrorism which Arabs have waged against Jewish immigration into the Holy Land. More than 200 have been slain and 1,000 injured since April 19, when the Arabs started their general strike against Jewish immigration and land purchases.

## Wilton Directs State 'Murals

Department and Fraternity Teams Start Games in the Forecoming Week

Under the direction of Wilton Wilton, Santa Barbara's 1936-37 intramural program will be started in the next week. Teams will be entered from the different departments and fraternities with the following men as managers: Junior high department, Jim Benton; physical education department, Lloyd Erhard; elementary department, Jack Smith; music department, Jack Trotter.

Contacts for the different fraternities will be Joe Stocktill, Sigma Alpha Kappa and John Moser, Beta Sigma Chi and Tau Omega.

The committee in charge of the schedule will consist of Harold Sanderson, chairman; Roy Voohees and Fred Monson.

This program will include all sports with the opening contest being touch football. All men eligible, those not on a varsity squad, are urged to contact their department manager.

In order to further interest, Wilton states that he has secured cups and medals donated by the various stores to be presented to the winning teams and players.

## Freshmen Activities Open to All Classes

Freshman and sophomore activities have been opened to all students by Hal Davis, head of the P. E. department. The program is compulsory to all lower division men.

First semester activities for the Frosh are football, basketball, marching tactics, and apparatus work. Frosh activities include baseball, track, and advanced tumbling for the second semester's work.

For the sophs, the first semester work will consist of speedball, volleyball, handball, soccer, and group games. Second semester soph course will be the theory for the programs of different age levels.

According to Davis, the class periods will be devoted to not only physical ability but an emphasis is to be placed on the methods and need for each fundamental. Also, an opportunity for an individual preference to be made and carried out under instruction, will be given.

## GOLF STUDENTS SIGN

All students who have signed up for golf and all others who are interested in golf will meet as a class Monday, October 5, 9th hour in front of the gym.

## Harder Leaves with Gauchos for Flagstaff

Students Give Team One of Greatest Send-offs in State's History

At 7 o'clock this morning amid students' rousing cheers, Coach Harder left with his Santa Barbara State Gauchos, the supposedly dark horses of the conference, for Flagstaff to battle with the Flagstaff Teachers college tomorrow afternoon.

Thirty men are making the trip, including centers Hart and Joseph; guards, Hayman, Gardner, Campbell, Oldershaw and Hale; tackles, Fredburg, Twaddell, Poole, Busby, Gilkerson and Voorhees; ends, Young, Seeley, Mulock, Trigueiro, Willis and Erbes, and in the backfield, Pollock, Swanson, J. Monson, F. Monson, Morelli, Yeager Johnson, Palmer, Smith, Sanderson, and Gardenhire.

Approximately 100 students gave the team one of the greatest send-offs in the history of the Gaucha institution. If the team can only remember the cheers and excitement of the students, defeat will be practically impossible.

Saturday's contest will be the sixth meeting of the teams coached by Harder and Garrett Arbelbide, who began their rivalry as ends on Stanford and S. C. football teams, respectively. To date, Harder is one up on his rival with his second win expected to come, providing a wet or snowy field doesn't change the aspect of things.

## Varsity Leaves for Arizona as College Masses for Rally

A large number of students rallied at the Southern Pacific depot early this morning to give the team a royal send-off on its trek to Flagstaff. The band supplied the early morning spirit by playing some snappy numbers.

Coach "Spud" Harder was the main speaker of the rally. Members of the team who spoke are Clair Busby, Doug Oldershaw, Dave Pollock, and Barney Swanson. Songs and yells were led by the song leaders, Renata Maccianti and Barbara Sharp and Harry Sloan, yell king, and his assistant Jack Kitchen.

Coffee and doughnuts were served those presenting "I'm going to see the team off" tickets.

The team, which will play in Flagstaff Saturday afternoon, will return to Santa Barbara at 10:30 Monday morning.

Rally committee members who planned the affair are Danny D'Alfonso, Wilma Kiesner, Jack Kitchen, Barbara Sharp, Renata Maccianti, Yale Lorden, Petie McKinney, and Dorothy Darrow.

Charles Noble is invited to attend the Fox-Arlington this week, October 2 to October 9.

## Alumnae Plan Dinner-Dance

### Delta Zeta Delta Alumnae Plan Homecoming and Bridge-Supper

Plans for the dinner dance to be sponsored by the Alumnae Association of the Delta Zeta Delta, social sorority, were made Wednesday night when they met at the home of Mrs. John Porter on Alameda Padre Serra. The meeting was followed by a bridge party and supper.

The 12th anniversary of the founding of the sorority occurs on October 10 and the date of the dance will be the same to celebrate the affair. The event will be held at El Paseo.

An open house will be held also by the alumnae group on Friday night following the Redlands game to welcome out of town alumnae and guests.

Other events scheduled for the fall social calendar were a pre-holiday fashion show to be presented by Jack Rose Smart Shop and the monthly joint bridge party of the active and alumnae groups which will be given by Mrs. Francis Campbell and Miss Elizabeth Leonard in October.

Those who enjoyed the bridge supper Wednesday evening were Dr. Helen Gregory, patroness, Mrs. C. James Anderson, Mrs. Francis Campbell, Mrs. John Snetsinger, Mrs. Gaylord Purvis, Miss Florence Stuart, Miss Lillian Cooke, Miss Nancy Davens, Miss Persis Freeman, Miss Margaret Gandolfo, Janet Birnie, Carmelita Janssens, Myrtle Holt, Ruth Hilty, Elizabeth Leonard, Darlene Hapenny, Ann Covelle, Elinor Stewart, Zelya Pierce and Margaret Eastwood.

## Ebbets Hall Scene for Annual Dinner of Home Ec Women

As an annual custom, the Home Economics department held their first dinner in Ebbets Hall, Tuesday September 29, honoring the new girls of the department.

Sixty-four members of the department were present. Faculty members who attended were Miss Alice Bradley, Miss Florence Clark, Miss Hazel Severy, Miss Winifred Fry, and Miss Jean Krueger, head of the department.

A program of informality followed the dinner, with introductions of each girl, serving as a means of becoming acquainted.

Kathryn Bowers was in charge of serving. Others on her committee were Wilma Moorehead, Leona Rasmussen, Vealyn Ryder, Eleanor Porter, and Irene Minikin.

## Student Welfare Committee Meets

The Welfare committee met Wednesday, September 30, in the auditorium to consider a number of recommendations which were brought before the student legislative council on Thursday.

A hearing will be held next week by the Welfare committee of those students whose books were confiscated at the Cal Tech game.

If a student loses his book he should immediately report the matter to Fred Allred.

Hereafter, all students will enter the north-west gate at the football games.

## Tau Gams Plan Next Musicale

### Members Discuss Faculty Tea; Hillman Stages Dinner Meeting

Meeting at the home of Jeanette Banks, members of Tau Gamma Sigma, social sorority, discussed plans for their annual musicale to be held at the Santa Barbara Biltmore hotel in conjunction with the alumnae chapter in December.

Plans were also made for a tea to be given in honor of faculty members in the near future. Preparations for State's annual Homecoming celebration were included in the meeting. A dinner-meeting will be held at the home of Blanche Hillman on October 9.

Several members of the sorority are planning to attend the college cabin party to be sponsored by Gamma Delta Chi, social sorority.

Word has been received from Eleanor Mellinger, alumnae and former student of State college, telling of her studies in Philadelphia under Carlos Sakzedas, world renowned harpist.
