Motion Picture Cooking School Set For May 4-5-6

The Carpinteria Chronicle has scored again!

This newspaper has just been successful in securing the new Motion Picture Cooking School, "Star in My Kitchen," which will be presented at the Del Mar Theater on May 4, 5 and 6.

Mark the days on your calendar because every woman—and Man—in the community is hereby extended a cordial invitation to see, absolutely free, this fascinating picture which weaves helpful, intelligent lessons on cooking and home-making into a humorous and romantic plot.

The Motion Picture Cooking School is a brand new idea. First conceived last year, it has met with acclaim from women throughout the country, who like the happy combination of sparkling entertainment and close-up cooking instruction. Seats in the back row are as good as those in the front row—the motion picture permits everyone to hear and see every trick in frosting a cake, making a pie, or cooking bananas.

"Star in My Kitchen" was produced in Hollywood, and the audience will recognize many of the rising young actors and actresses

OJAI VALLEY ATTRACTS

Apricot and peach orchards are in bloom between Santa Paula and the Upper Ojai Valley, reports the Touring Department of the National Automobile Club. Alders are starting to bloom in the hills just east of Ojai and some holly berries are still on the bushes.

Miss Virginia Bailard and Miss Ruth Foreman have been spending their vacation on a motor trip to Portland.

School Bonds Sold to County; Way Cleared for Site Purchase

The balance of the \$100,000 bond issue for the construction of a new grammar school was sold to the County of Santa Barbara on Monday of this week and the property on which the school is to be erected which was part of the Owen's estate was ordered sold to Mrs. Emma Woods who will resell it to the school district over a four year period.

These two steps cleared the way for the calling of bids for construction of the building but since it is not believed that construction can be started before the middle of May, at the earliest, it appears that it will be impossible to have the new building ready for the opening of school in the fall. However, every effort will be made to complete the building within the shortest time possible so that it will be ready for occupancy before the winter season.

The grammar school board had hoped to have the new school

(Continued on page 10)

PLANS FOR FLOWER SHOW APRIL 29, 30, BEING COMPLETED

Carpinteria Gardeners are anxiously watching their choicest plants and blooms in preparation for the annual Flower Show, sponsored by the ladies of the Methodist Church, which will be held on Friday, Saturday and Sunday, April 28, 29 and 30, in the church. All residents of the Valley who have flowers are urged to enter exhibits and flowers should be brought to the church before 10:00 a. m. on Friday, where they will be received by Miss Julia Fish and her committee, who will place them to the best advantage.

The show will open to the public at 1:00 p. m. Friday afternoon and a candy sale under the direction of Miss Jean Woods will be a feature of the event. Programs under the direction of Mrs. Blanche Koehler will be presented in the afternoon and evening and a delicious turkey dinner, with all the trimmings will be served on Friday evening by the dinner committee under the chairmanship of Mrs. McIntyre. Mrs. Bernice Horton is chairman of the committee in charge of decorations for the church.

Mr. and Mrs. W. R. Bridges and daughter, Goldie, left last Thursday for their former home in McKinney, Texas.

Richard Lyman has been spending the week at the ranch home of Mr. and Mrs. Edgar Lyman near Sisquoc.

SANTA YNEZ RIVER FLOOD SURVEY UP FOR HEARING

An airmail letter received yesterday from Congressman A. J. Elliott, stated that his bill, H. R. 10000 providing for the Flood Control survey and conservation of waters of the Santa Ynez river and its tributaries is now before the Committee on Flood Control and hearings are being conducted.

The letter stated that on April 2nd, the Secretary of War issued a favorable report on this project and that the Secretary of Agriculture is also submitting a favorable report.

As soon as the Flood Control Committee has taken favorable action to include this survey in the Omnibus Flood Control Bill, the bill will be presented to Congress.

SUSPENDED FINES GIVEN THREE FOR DRIVING OVER HOSE

As the result of the fire which partially destroyed the house owned by E. W. Davis and occupied by Mr. and Mrs. Harry Bright on Holly Avenue, three Carpinteria residents are now aware of the fact that driving over a fire hose is a violation of Section 11, Ordinance 494, which is the county fire ordinance.

Chief Carter issued three citations in the local Justice Court and the persons involved were found guilty and fined \$25.00 each. However, since they were apparently unaware that they had violated the law they were given suspended sentences which will not be invoked unless they repeat the offense.

Should it become necessary to issue citations for similar offenses in the future offenders will not escape so lightly.

DIRECTORS OF C. OF C. MEET; REPORTS GIVEN

The directors of the Carpinteria Valley Chamber of Commerce met Wednesday evening to take action on various matters that have come to the attention of the organization during the past month and to hear reports of various committee chairman.

The directors passed a resolution to co-operate in the observance of National Air Mail Week which has been set for May 15 to 21, and a special cachet bearing a wing design and the wording, "via air mail, Carpinteria California, The World's Safest Beach" has been ordered and will be stamped on all letters sent by air mail through the local Post Office during the week.

RELIGIOUS EDUCATION DINNER TO BE HELD IN SANTA BARBARA

Under the sponsorship of the Ministerial Union of Santa Barbara, a "Christian Education Dinner" will inaugurate the beginning of the Spring School of Religious Education on Tuesday evening, April 19, at 6:30 p. m. in the social rooms of the First Methodist Episcopal Church of Santa Barbara. Dr. Carl Knoff of the University of Southern California, an authority on bible history and interpretation will be the speaker of the evening.

Carpinteria is specially favored in being represented by Rev. Melvin J. Addington and Rev. Deane F. Babbitt in the union and tickets for the dinner may be secured from them or from church officials of the Community and Methodist Churches.

C. of C. Sponsors Russell Cup Meet Broadcast

DEL MAR THEATRE TO MOVE TO DOW BUILDING MAY 1st

Glenn Bast, manager of the Del Mar Theatre has announced that he will move the theatre to the Dow Building to the quarters formerly occupied by the Ritz Theatre on May 1st.

The theatre is being renovated and repairs made to comply with fire regulations and all new seats are being installed and the latest type RCA Sound equipment will be used.

Bast is planning a gala opening for the theatre on May 1st and according to present plans, Carpinterians will have their first opportunity to attend a real preview of a picture in their own town. The opening program will also include the showing of "Gold is Where You Find It," pictures of the Russell Cup Meet and several vaudeville acts.

The theatre now being operated under the name of Del Mar will be known as the Casita Theatre, and Bast has made arrangements to show Spanish pictures on Sunday, Monday and Tuesday of each week.

SUNRISE SERVICES TO BE HELD ON BRENTNER HILL

The Community Church and the Methodist church will hold a joint Sunrise Service starting at 5:19 a. m. on Brentner's Hill on Sunday morning. Rev. Deane F. Babbitt will deliver the devotional sermon on the theme "Darkness to Dawning."

Warrior Tracksters Annex Minor League Championship

FIELD MEETINGS SCHEDULED BY CITRUS GROWERS

The Directors of the Citrus Department of the Santa Barbara County Farm Bureau, cooperating with the Agricultural Extension Service are sponsoring two field meetings, the first of which will be held today at 1:30 p. m. at the Donald Butler Ranch near Carpinteria. The second meeting will be held tomorrow at 9:30 a. m. at the Caterina Cavaletto and Sons Ranch on Patterson Avenue, Goleta.

Warren R. Schoonover, Extension Specialist in Citriculture, and Percy Houts, Jr., chairman of the department, will discuss quality and its importance in production and marketing of lemons. All citrus growers and others interested are invited to attend.

The Russell Cup Meet which is scheduled for Saturday, April 23, will go on the air for the first time since its inception twenty-five years ago. The broadcasting of the event over KTMS between the hours of 2:30 and 4:30 p. m., when the final events will be run off, has been sponsored by the Carpinteria Valley Chamber of Commerce, and arrangements are being made by the publicity committee which is under the chairmanship of Ray Doell. A feature of the broadcast will be the presentation by Frank Wykoff of a special trophy to the winner of the 100 yard dash, the event in which Wykoff starred in the Olympic games.

Invitations to the meet have been sent out to some thirty-two schools and approximately 600 athletes are expected to enter the meet, which is sponsored by the Howland Shaw Russell Post of the American Legion. The closing date for entries has been set for Monday the eighteenth. Several schools have already accepted the invitation, among them being Antelope Valley, Escondido and Paso Robles.

Full details of schedule of events and officials for the meet will be given in this paper next week.

OJAI ROADWAY REPAIR

Included in the funds of State and Federal Emergency awards for restoration of Ventura County roads, is \$150,000 for the restoration of the roadway and the Ozena Bridge from Ojai to the county line, according to the Touring Department of the National Automobile Club.

Mrs. Mary Armstrong of Atascadero has been the guest of Mr. and Mrs. George M. Boverson.

Coach Merle Staub's Varsity and Class B Warriors each scored a championship in the Ventura Minor League Track and Field Meet held on the local oval Saturday, April 9. The Warriors piled up the impressive total of 64½ points in the Class A Division and 44 points in the Class B events.

The high school speedsters placed at least one man in 24 of the 25 A and B events and this feat alone is something of a record in itself.

In the varsity division Carpinteria placed one, two, three, and four for high point honors. High point man of the meet was Philip Olds with 13 points. Olds won first place in the mile run, first in the hop-step and jump (establishing a new league record of 38 feet 4¼ inches) and second place in the high hurdles. Jack Kendrick, Neil Clark, and Tom Reid all of Carpinteria tied for second high

(Continued on Page 10)

WOMEN IN THE NEWS

By LEONE BAXTER

With a simple twist of the wrist and a slight change of tempo, the "hand that rocks the cradle" is able on occasion to accomplish much more virile feats than cradle-rocking, according to whisperings from California members of Congress.

Women, the tale is told, reach even greater heights of articulation than men in letting their representatives at Washington know what they want in the way of legislation, and are exceedingly more vocal in their demands for direct action.

A California Congressman is telling this one.

From a Pasadena woman the other day came a letterful of vociferous objection to current goings-on in this country and the world generally. "It is a sin and a shame," the communication read, "the way the world is acting, carrying on labor wars and stealing men's jobs; carrying on international wars and stealing whole nations right out from under the feet of peaceful citizens!"

The lady who signed the letter wasn't just chronically objecting; She was ready, willing and able to propose her own remedy, for the international discord at least. "A law should be passed," she counseled, "compelling all nations to hold a meeting where all the land in all countries will be thrown into one heap and redistributed equally among all nations. Everybody must agree that they will be satisfied, including England and Russia. . . ."

* * *

There are many letters arriving at the Congressional Post Office carrying sound, constructive advice, too. And according to the Congressmen, there, also, women writers are more prolific than men. In the production of personal communications, men, it appears, find less time than women to personally solicit their representatives. Their mail, they must sheepishly admit, is chiefly form letters. But there's lots of that. And the political pressure of even a barrage of form letters has been known to change Congressional votes and alter the course of political destiny considerably.

* * *

The hand that rocks the cradle may not actually rule the world in the way the poet meant, in these times when youth is given increasingly free reign toward his own "self-expression" and "individuality."

But apparently the maternal hand already has covered that point, keeping up the old tradition and doing its bit toward ruling the world—by writing political letters.

THINGS TO WATCH FOR—

An awning that is automatically raised or lowered by means of a photo electric cell sensitive to rain and sun. . . . A miniature oil can that looks like a fountain pen and is designed for oiling small machines, electrical equipment, typewriters, etc. . . . More summer excursion trains equipped with motion picture projectors and radios. . . . Large sales of airplanes to individuals this summer. . . . Bicycles with shock-absorbing handle bars. . . . A new device which returns golf ball to the player after it enters the cup. . . . A new waterproof and selflubricating bullet which won't jam in the hunter's gun. . . . Bathroom tiles made from shrimp hulls.

DIRECTORS, C. OF C. MEET; REPORT GIVEN

(Continued from page 1)

ing the observance of air mail week.

Correspondence with the State Highway department was read which indicated that it would probably be necessary to remove the Carpinteria sign suspended over the state highway at Linden Avenue and in view of this fact, Ray Doell, chairman of the publicity committee reported that plans for installation of a neon sign over the highway to replace the old sign had been abandoned. Instead a neon sign will be erected either on the Seaside Corner or on top of the Drug Store, the location to be decided on in the near future. The proposed sign will be approximately 15 feet wide and three feet deep, and will bear the word "Carpinteria" in 14 inch letters, with "The World's Safest Beach," in smaller lettering beneath and an arrow pointing to the beach.

Other correspondence read dealt with the changing of speed limit signs and installation of a stop sign on the highway at Linden Avenue and the repair of the Palm Avenue crossing of the Southern Pacific. According to information contained in the correspondence with the Highway Department, the placing of speed limit and zone signs are set by law, and no changes can be made in the present signs and it was advised that Linden Avenue traffic across the highway was not sufficiently heavy to warrant a stop sign on the highway. The communication from the Southern Pacific company stated that repairs to the Palm Avenue crossing had been delayed because of the emergency created by the floods but indicated that this matter would be taken care of in the near future.

Dr. J. B. Lape, chairman of the entertainment committee, gave a report on the annual dinner, stating that 148 tickets were sold and 143 dinners served. Bud Riley, chairman of the carnival committee, reported on the plans of combined committees of the Chamber of Commerce, Legion and Lions club for the carnival to be held on June 3 and 4.

Several other matters were discussed and a financial report read by the Secretary which indicated that finances were in good shape. The report was as follows: Received during March, including dinner, \$111.00 and dues \$73.00; \$184.00. Expended during March \$173.00. General fund balance as of April 1st, \$521.00. County Fund balance as of April 1st, \$314.00. The report also indicated that the Chamber now has over 70 members and that practically all dues for the current quarter have been paid.

An "automobile drivers' laboratory," comprising novel machines to test a person's ability to drive under all conditions, is being built for the 1939 World's Fair on Treasure Island.

* * * * * Behind The Scenes In American Business * * * * *

By Orton B. Motter

BUSINESS—Despite the sharp decline in stock and commodity markets last week there is a growing feeling among impartial observers that business generally will show marked improvement by late summer or early fall. Reports from Detroit indicates that sales of new cars, which began to pick up ten days ago, were exceeding earlier expectations. Rayon manufacturers believe that operations of that industry will improve later in the year as sales of medium priced dresses and underwear are increasing. Steel operations were up to 35.7 per cent of capacity last week, largely because of purchases of steel by manufacturers of stoves, refrigerators, air conditioning equipment and farm implements.

SLUM CLEARANCE—Federal projects for slum clearance, which will employ thousands of local workers, will soon be under way in Austin, Tex., Charles-

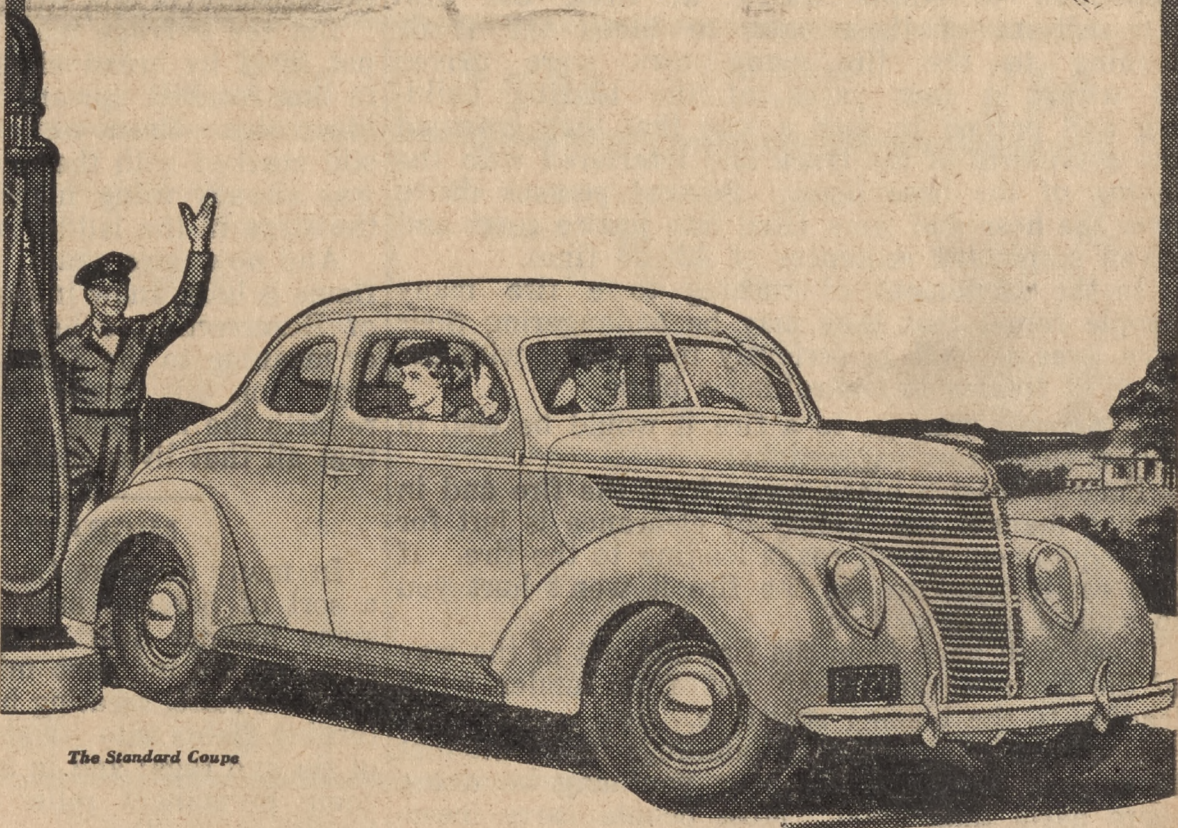

ton, S. C., New Orleans, La., Syracuse, N. Y. and Youngstown, O. The government plans to build 3,077 new homes for 12,000 slum dwellers at a cost of \$16,836,000. Rentals will average \$4.25 a month in the two northern cities, \$4 in Charleston, \$3.90 in New Orleans and from \$2.75 to \$3.00 in Austin. Many other cities and towns are expected to receive allocations in the next few months which will stimulate building activity in other parts of the country.

BUILDING COSTS — Reports from various sections of the country indicate that building costs are now 20 to 30 per cent under a year ago. Most of the decline has been in material costs and there have been very few wage scale reductions in the building trades. Prospects for a greatly expanded residential building boom during the spring and summer appear especially bright according to Stewart McDonald, Federal Housing Administrator.

Still Smiling

Jack Mulhall, star of silent days who has never lost his grin, is playing a bit role in Paramount's "You and Me," starring Sylvia Sydney and George Raft.

Do you want to SAVE MONEY?

The Standard Coupe

The Standard Ford V-8, with 60-horsepower engine, gives you a lot of car for a little money.

300,000 new owners acclaimed the "thrifty 60" last year. Hundreds a day are buying it in 1938. Why?

Because it is priced low—includes essential equipment without extra charge—and goes farther between filling stations than any Ford car

ever built. Owners all over the country report averages of 22 to 27 miles on a single gallon of gasoline.

But economy isn't all the story by any means. The Standard "60" is built with the same precision as the De Luxe "85," and has the same 112-inch wheelbase chassis. It is easy to look at and ride in —as well as easy to buy and run. There's a Ford dealer near you.

CROWDS HAMPER FIRE DEPARTMENT

Work of the Carpinteria Fire Department in extinguishing the fire that partially destroyed the E. W. Davis house on Holly Avenue, occupied by Mr. and Mrs. Harry Bright last Thursday evening, was seriously hampered by the crowds that flocked to the fire and a number of spectators might have been killed or seriously injured if it had not been for the prompt work of the department in extinguishing a blazing power pole which started to burn through power lines and sent a shower of sparks over the crowd.

Recently two members of the department were appointed to handle traffic at fires, but despite efforts of these men to block the roads leading to the fire, many cars were driven to within a few yards of the blazing building and parked in such a way that they cramped the movement of the truck and interfered with the laying of the hose lines. Several persons drove over the hose and were cited into justice court and given suspended sentences of \$25.00 fines.

In the excitement of rushing to a fire many people forget that they may be endangering their own lives as well as seriously interfering with the work of firemen in controlling a blaze.

If persons must go to a fire it would be well to follow these few suggestions:

Park at least a block away from the fire and in such a manner that plenty of clearance is left for fire equipment on all roads leading to the fire. If you really want to see the fire it won't hurt you to walk a block or two.

Keep well back from the fire and out of the way of the firemen, and keep out from under wires leading to the blazing structure.

Don't dash into burning buildings in an attempt to salvage furniture, etc., for you may be doing more harm than good. Most people carry insurance, but insurance companies don't pay losses on equipment that is damaged other than by fire or water or that may be taken from the scene by light-fingered parties.

Just remember that if it was your home that was burning you would be decidedly irritated if others did some of the things that you probably did at the fire last Thursday.

EASTER

What does Easter mean to you?

To some it means the bright glitter of happiness in a child's eyes as they search the grass with twinkling expectancy, eyes that laugh with glee when they catch the gaudy color of a well-hidden Easter egg.

To some it means the fresh newness of a Spring morning, the whispered gayety of a boy and girl on the church steps, the scent of flowers in the still cathedral air, the beauty of dresses, bonnets, and

The Churches

Carpinteria has a number of Churches, whose pastors and members will be glad to welcome you to their services.

CHRISTIAN SCIENCE SOCIETY

Christian Science Society, Carpinteria, a branch of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass., holds service every Sunday at 11 o'clock a. m., Sunday School at 9:45 o'clock. Mid-week meetings every Wednesday evening at 8 o'clock.

A reading room is maintained in the church building, open Tuesday afternoons (except holidays) from 2:30 to 4:30 o'clock.

"Doctrine of Atonement" is the subject of the Lesson-Sermon on Sunday in all branches of The Mother Church, Scientist, in Boston, Massachusetts. Jesus' words from John, "I and my Father are one," are the Golden Text.

Among the Bible passages in the Lesson-Sermon are the words of Paul to the Romans: "I beseech you therefore, brethren, by the mercies of God, that ye present

your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service. And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God.

... Let love be without dissimulation. Abhor that which is evil; cleave to that which is good. Be kindly affectioned one to another with brotherly love; in honour preferring one another."

A passage from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, states: "Consistent prayer is the desire to do right. Prayer means that we desire to walk and will walk in the light so far as we receive it, even though with bleeding footsteps, and that waiting patiently on the Lord, we will leave our real desires to be rewarded by Him."

METHODIST CHURCH

Melvin J. Addington, Pastor

Sun Rise Service: Deane Babbitt, preaching; Morning service: "Dawning of a New Day"; Evening service: "Brethren Receive Ye the Holy Ghost."

The Sunrise services will be held

the smiles that go with them.

To some it means the stirring of an inner fire, a flame tossed in the flux and flow of life, yet a flame that burns on in endless clarity, giving a faith in the future and hope for the eternal re-birth of all that lives.

Through the long march of the centuries, the race of man has found the will to go on in this vision of a new and better world, here and beyond. Four thousand years ago, the scoffer in a Pariah's court laughed at the weakness and transient frailty of man. In 1938 A. D., there are still those who read the scroll of time with the single word "Now!", who drown the human hope of something better in the wine of today.

But the average man, through the centuries, has not lived by bread alone. That flame deep within has reached upward towards a cleaner air and bluer sky. Even while that early scoffer's voice still cracked with the mockery of his laughter, man was already using his hands and brain to fashion the steps in the ladder of time.

And now once again, on this Easter Sunday, that flame is born anew in the hope and faith of the day of Resurrection, a hope and faith that gives deeper meaning to the Spring newness in the air. Once again, on this Easter Sunday, we find in nature's re-birth the meaning of our own struggle and proof that all that lives shall not perish.

MIGRATORY MENACE

In many quarters California is being pictured as a sort of Scrooge among states, a country with a stone hatchet heart—without an ounce of compassion for the indigent migrants who have swarmed into this state, creating health and school problems; turning fields into jungle camps with shacks made of tin and rags; and in many cases promising to become permanent relief charges on already overburdened counties.

Legislation for these penniless wanderers from the Midwest is now pending in Congress. Some local experts on our migratory problem are urging that the law should require that transients have at least 3 years residence in California before being eligible for aid from the state; that the time during which they are living on the federal dole shall not be counted toward legal residence in California; that aid granted by the federal government shall not be greater than the aid granted in the state from which the transient came.

Perhaps these three proposed safeguards are not the generous best that can be done for the penniless hordes who were warned against coming—but are still arriving in wheezing old cars overflowing with dogs and children and grown-ups. However, a long range glance at the problem certainly suggests that this is the time to do something to discourage the idea that California taxpayers can continue indefinitely to support an indigent's heaven.

again this year at Brentner Hill. The 11:00 a. m. and the evening services at 7:30 p. m. will be held in the Methodist church. At the Sunday school hour a program has been prepared by the children of the Church School.

The Resurrection dawn was indeed a dawning of a new era in the history of all mankind. The whole philosophy of mankind has been changed. The hope that had been dormant in the human breast was a living reality. "He is not here he is risen."

A new life without strength and power is hopeless, but His salvation is indeed complete. The Church would have an entirely different history to write had it not been for the gift of the Holy Ghost. The Church would have lacked power and that inward victory. Christ's own command is, "Brethren receive ye the Holy Ghost." In the earlier part of the evening a dramatization of "Jesus, keep me near the Cross," will be given by Misses Marguita and Evelyn Doran, Katherine Koehler, Loetta Myrehopen and Lola Mathews.

Special music will be furnished by the choir for these services, and Mrs. Bernadine Sparrow will sing, "The Holy City" as a solo.

A communion service will be held on Good Friday at 7:30 in the evening.

Our Mid-Week prayer service this week will study Hebrews, 7.

The Woman's Missionary Conference will be held in Glendale from April 19-21. The delegates are: Miss Julia Fish and Mrs. Tessie Husted, and the alternates are Miss Hester Fish and Mrs. Alta C. Clark.

THE CARPINTERIA COMMUNITY CHURCH

Rev. Deane F. Babbitt, Pastor.

Men are moved by many passions, but that one which probably comes nearest to being universal is the passion for life. Easter, the "New Morn," and the spring of the year make us rejoice in God's goodness to us. At the eleven o'clock Worship service the celebration of the Lord's Supper will be observed, and new members will be received into the Christian Fellowship of the Church. The devotional, as announced by the pastor, Rev. Deane F. Babbitt, will concern "Our Surety for Life." Special music will include the prelude, "Alleluia" traditional; the Anthem, "Hallelujah! Christ is Risen," by Caleb Sempers; "Song of the Brook" by Hewitt, and "Easter Recessional" by Mallard. A nursery is provided for children during the hour of prayer and praise.

The Easter Cantata, "The King Triumphant" by Finley Lyon will be presented in the Community Church the evening of Easter at 7:30 o'clock. Members and friends of the church will enjoy this presentation by the Tuxis and Adult choirs. Preceding this service, Myron Sturmer will present "Why Christians Believe in Life After Death," at the 6:30 meeting of the Youth Fellowship.

FORMER RESIDENT PASSES IN VENTURA

Funeral services will be held in Ventura at ten o'clock this morning for Mrs. Charles Barnard, 75, who passed away at her home there Wednesday after a brief illness. Mrs. Barnard was Miss Gertrude Hall and lived during her girlhood with her parents on what is now the Juan Romero ranch. A sister, Miss Florence Hall, passed away in Piedmont during last December.

Interment will be made in the family lot in the Carpinteria cemetery.

COUNTY TO GET SHARE OF LIQUOR LICENSE MONEY

Sacramento—Cities and unincorporated areas in Santa Barbara County will receive a total of \$10,037.69 as their share of fees derived from liquor licenses during the last half of 1937, it was announced today by Wm. G. Bonelli, Member, of the State Board of Equalization from the Fourth District.

From the standpoint of the State as a whole, the allocation will amount to \$991,962.33. This represents 50 per cent of the total fees earned during the last six-month period of 1937. The state's share of this income, after administration costs are deducted, goes into the general fund.

On the basis of actual licenses issued, the unincorporated area of Santa Barbara county will receive a total of \$2,532.83.

The change in the law to provide for allocation twice a year

instead of annually was made at the request of Members of the Board of Equalization so that these funds would not remain idle for such a long period. Current allocation represents the second made on the semi-annual basis. Inasmuch as a greater portion of

liquor license fees are received during the renewal period of the first half of the year, the second half allocation is considerably lower than that for the first six-month period. The cities' and counties' share for the first half of 1937 amounted to \$1,447,259.75.

In announcing the distribution of funds the Board Members again pointed out that this money is collected entirely by the State and represents income derived exclusively from liquor licenses. It was suggested that a proper expenditure of this money would be to

finance local enforcement of the Alcoholic Beverage Control Act.

Priceless carpets and rugs from all parts of the world will be displayed at the 1939 Golden Gate International Exposition in San Francisco Bay.

SHOULDER OF LAMB WITH CARROTS

Have lamb shoulder boned and rolled at the market. Sprinkle with salt and pepper. Place, fat side up, on a rack in an open roasting pan. Place in a moderate oven (300-350° F.) until done. It will require thirty to forty minutes per pound for roasting. Serve with diced carrots.

WOMAN'S CLUB TO SEND REPRESENTATIVES TO CONVENTION

Mrs. Joseph H. Hendy and Mrs. J. B. Lape will represent the Woman's club at the convention of Los Angeles district which will open in the Pasadena Civic Auditorium Wednesday afternoon with Mrs. John Stearns Thayer presiding. Official headquarters will be at the Hotel Huntington.

Presidents of the county federations will be presented Thursday morning and will speak. Mrs. W. E. McLean, Inyo county, has as her subject, "Only the Best Suffices"; Mrs. Ellwood K. Light-holder, Los Angeles county, "Why County Federation"; Mrs. Earl M. Lane, San Luis Obispo county, "As We Walk Together"; Mrs. Howard W. Corbett, Santa Barbara county, "Do Unto Others"; Mrs. Robert M. Wright, Jr., Ventura county, "Keep Informed for Definite Progress."

The programs for all the sessions, which close Friday afternoon, include panel discussions by prominent educators, health officials and civic leaders.

MRS. FELICE HUBBARD HOSTESS TO BRIDGE CLUB

Mrs. Felice Hubbard entertained the members of her bridge club and a table of guests at dessert at her home "Veiled Oaks" Tuesday afternoon. Her guests were Mrs. John W. Dorrance, Mrs. Jerome F. Tubbs, Mrs. Martin Slaughter, Mrs. C. B. Franklin, Mrs. E. F. Pendergats, Mrs. A. W. Horton, Mrs. Hugh Thurmond, Miss Helen Dorrance, Miss Verita Slaughter, Misses Catherine and Myrtle Bailard.

COMMUNITY CHURCH GROUP MEETS AT HOME OF DR. GENEVIEVE SHORKLEY

Members of group one of the Community church met with Dr. Genevieve Shorkley Wednesday afternoon with Mrs. Frank L. Smith and Mrs. Clark Talmage as hostesses. The group is sponsoring a moving picture, "The Magnificent Obsession" at the local theater next week as their major project for the year.

ATTEND RECIPROCITY MEETING IN S. B.

Mrs. Joseph H. Hendy, Mrs. E. V. Stubbs, Mrs. Henry C. Hugo and Mrs. James L. Kent attended the reciprocity meeting of the Friday Study club in Santa Barbara Monday afternoon. Mrs. Kent sang a group of solos as the club's contribution to the program, accompanied by Mrs. Anita Cochran Priest.

GAY NINETIES PARTY GIVEN AT CHURCH

A Gay Nineties party with a pot luck dinner was given by the members of the Clipper Ship club and some guests at the Community church Friday evening. Many of the members came in costumes and the evening was passed singing old songs and with games.

Attending were Rev. and Mrs. Deane F. Babbitt, Dr. and Mrs. J. B. Lape, Mr. and Mrs. Art Weishaar and daughter, Marline, Mr. and Mrs. Wayne Summers and children, Mr. and Mrs. Roy Beckstead and daughters, Mr. and Mrs. Stanley Lane and family, Mr. and Mrs. Thomas Mayfield and children, Mr. and Mrs. G. M. Boverson, Mr. and Mrs. Henry C. Hugo, Mr. and Mrs. Hillard Minyard, Mr. and Mrs. D. I. Jamerson, Mr. and Mrs. Lee Musick, Mrs. Wade Hamilton, Mrs. R. E. Walsh, Mrs. Howard Bobo, and Mrs. Mary Armstrong of Atascadero.

EASTERN STAR HONORS BIRTHDAY OF PATRON

The birthday of John C. Furby, worthy patron of Vallecito chap-

ter, Eastern Star, was celebrated at the close of the meeting Tuesday evening with refreshments and a large birthday cake.

WEDDING PERFORMED BY DR. C. P. MOORE

Alfred Lewis Miller of No. 90 Hai Kuan Yin, Ssu Hutung, Peking, China and Loretta Edna Matland, Pine Knot, San Bernardino county, California were united in marriage by Judge C. P. Moore at his residence at 8:00 p. m. Saturday evening. The young couple were unaccompanied and Mrs. Elizabeth C. Moore acted as witness. They will reside temporarily in Santa Barbara.

Cottage Bakery Specials for Easter: Two layer white cake, divinity icing and special trim, 30c, 40c, 60c. Hot Cross buns, 18c doz., 2 doz. 35c. Order Friday, Phone 3141. Adv.

Mrs. Robert Bailard has returned to her home in Carpinteria after having been confined to a Santa Barbara hospital.

Mrs. Charlotte Morrison and two sons have been spending the week with her mother at Angels' Camp.

Mrs. P. H. Gordon, who is employed in Fresno, will spend the Easter holiday with his wife, Mrs. P. H. Gordon and family in Carpinteria.

Mrs. Mayme Horst of Sioux City, Iowa is visiting at the home of Mr. and Mrs. Earl Parker at Telcote Ranch near Goleta, Calif.

Miss Ruth Bliss is visiting Mr. and Mrs. Neal Furby in Berkeley and will spend several days with friends in San Francisco before returning home.

Your Hollywood Correspondent Reports . . .

W. C. Fields has given up the idea of a new house and renewed the lease on his present place for another six months. He plans to move, when he completes his next Paramount assignment, "Behind the Eight Ball." Duke, Joan Bennett's crocker spaniel is always with her on "The Texans" set, where she's working with Randy Scott.

Ray Milland had to postpone plans he had for a vacation to British Guiana, because of his forthcoming assignment in "Men with Wings." Louise Campbell, who will appear opposite Ray in that picture, has seen eight performances of the Abbey Players in two weeks they've been playing in Los Angeles. Shirley Ross is ill with a streptococcal infection, and Eleanor Whitney's home sick with ptomaine poisoning. Mrs. Bob Burns and new baby daughter, Barbara Ann, leave the Cedars of Lebanon hospital the end of the week. Phyllis Welch, who makes her screen debut in Harold Lloyd's "Professor, Beware!" visits Paramount's Research Department every day to read the newspapers from her home town, Toledo, Ohio.

George Raft out of the water for the first time in days. He's spent over a week in the Pacific for scenes in Henry Hathaway's "Spawn of the North." Having completed her role in "Hunted Men," Mary Carlisle is using her spare time taking golf lessons. Claudette Colbert cabled her mother from Paris not to worry if letters are lax. "I'm having such a good time," her cable read, "that I just can't settle down to letter writing."

Benny Baker lost that eight

pounds he was told to take off before starting work in his next picture, "Prison Farm." A three-day liquid diet did the trick. The two silver foxes Eleanor Whitney is wearing were given to her by her aunt and uncle in Cleveland as a combination birthday and Easter gift. Fred MacMurray is learning leather work. The first thing he completed was a gun holster, copied from one Clark Gable gave Carole Lombard. John Barrymore is well again from his recent attack of ptomaine poisoning, and able to resume his work in "Spawn of the North."

LOBERO PRESENTS PROGRAM OF MAGIC

"The hand is not quicker than the eye."

Calvert the Magician, says the hand is not quicker than the eye, but the cleverness of the hand can easily fool the eye. If you wish to catch a Magician in one of his tricks, don't watch the hand that

Maureen O'Sullivan and Robert Taylor will be seen on the screen at the California Theatre for three days starting Saturday in "A Yank At Oxford." The companion picture will be "Fit For a King" starring Joe E. Brown and featuring Helen Mack.

seems to be the most interesting, but watch the other if you can.

It is hard to believe that it is possible for a person to be in more than one place at the same time but the magician will lead you to believe that he is something supernatural when he pre-

sents his many mystifying illusions.

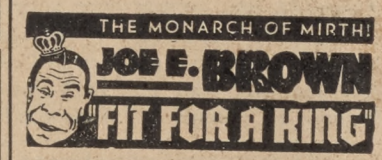

When you see Calvert the Magician and his troop of supporting artists you will realize that you are gazing upon the Worlds' Premier Mystery Production. Calvert is now at the Lobero

SPECIAL BAND MUSIC AND FLOOR SHOWS

RAMONA'S Fifteenth Season Opens April 23

RAMONA, the spectacular outdoor play of early California, will be given in Ramona Bowl near Hemet and San Jacinto three week-ends April 23-24; April 30-May 1; May 7-8. Pictured above are: upper left, Victor Jory, one of the directors and the Alessandro of the play; right, part of fiesta scene; lower left, posse scene; right, Ramona Bowl with play in progress.

THRONGS EXPECTED TO SEE SHOWING OF RAMONA PLAY

The twin cities of Hemet and San Jacinto in Riverside county are preparing to welcome 30,000 visitors within the next few weeks to witness the fifteenth seasonal showing of "Ramona," spectacular outdoor play of early California. The famed drama begins April 23 and will continue Saturday and Sunday afternoons through May 8.

Gay street and store decorations will be in place throughout the two cities, the residents will don costumes of Spaniards and early Californians. A festive air prevails.

Daily rehearsals of the large cast will continue under the co-direction of Victor Jory and Jean Inness who have devised many innovations in staging the famed play. They have been associated with the play for the past ten years.

With the completion of a new highway into the Bowl parking area, the handling of traffic to and from the amphitheater will be facilitated and speeded. Many improvements have been made to the Bowl property including a new entrance, a completely new system of landscaping and additions to the permanent ranch house.

Most of the cast remains the same as last year. Victor Jory will be seen in the role of Ales-

sandro which he has built into a character at once virile and sympathetic. New to the cast this year is Cristina Welles as Ramona. She is under contract to motion picture and radio companies which have released her for the duration of the play. Stevan Darrell will portray Felipe, son of the stern Senora Moreno owner of the Camulos Rancho and nemesis of Ramona.

For the first time since the production started Indians from the government's Sherman Institute will dance the Indian ceremonies which form an important part of the drama.

Air travel to the West will increase 100 per cent during the 1939 Golden Gate International Exposition, aviation company officials predict.

DR. W. S. FRANKLIN ENTERS RACE FOR LIEUT.-GOVERNOR

Dr. Walter Scott Franklin of Goleta will be a candidate for lieutenant governor at the August 30 primary on the Republican ticket, it was announced today.

Dr. Franklin has never held political office and had no aspirations in that direction until friends in all parts of the state, believing men of his type were needed in public service, urged him to make the race. Typical of these friends is Robert F. Craig, former secretary of the California Republican Assembly, who retired from active politics two years ago to devote his time to his law practice in Los Angeles, but who got back into harness to become Dr. Franklin's

A scene from Walt Disney's Academy Award Revue which is now showing at the Del Mar Theatre, on the same program with "Hurricane."

campaign manager.

Declaring that a candidate for public office should place himself squarely on record on vital issues of the day, Dr. Franklin stated he is running on a declaration of ten fundamental principles. These cover: California, finance and taxes, business, schools, agriculture, labor, veterans, wage laws for women, civil service and conservation.

Dr. Franklin is well known throughout California, particularly in Los Angeles and in the San Francisco-Oakland bay region, where he was connected with the University of California faculty for more than a quarter-century. He is now professor emeritus of the California Medical School, the rank having been conferred when he moved to Santa Barbara ten years ago.

While a medical specialist, he is also prominently identified with the citrus industry in the Goleta region, where he operates a successful ranch. A native son, whose wife and daughter were also born in California, Dr. Frank-

lin has broadened his interests beyond the professional field through his activity in a variety of business enterprises.

As chairman of the Relief Section of the County Council of Social Agencies; chairman of the Santa Barbara county 1938 campaign to raise funds for the Notoria Foundation for Infantile Paralysis, and chairman of the Federal Housing Administration for Santa Barbara county, he has maintained a constructive outlet for his interest in the human problems toward which his sympathy was first directed as a medical man.

Bing's First Pupil

Bing Crosby has taken for his first singing pupil Donald O'Connor, teenage Los Angeles youth selected from 350 candidates for the role of Bing's younger brother in Paramount's "Sing You Sinners."

MABEL STARK, FAMOUS TRAINER, COMING

Mabel Stark, world's only woman tiger and lion trainer, will be seen in action with her 30 ferocious jungle bred beasts, with the Al C. Barnes and Sells Floto Combined Circus coming to Santa Barbara, Saturday, April 16. Miss Stark's act is the last gasp in daring. It eclipses all her former efforts, and is packed with spine tingling thrills. She is, however, only one of the amazing 1,000 new wonders offered this year by this big show.

OXY HUMBLING SAN DIEGO TRACKMEN

Anti-climax to the 1938 Southern California conference track and field season will be evidenced on Saturday when Occidental College, uncrowned champ, goes through the process of clinching the title at the expense of Whittier and Redlands on the Tiger oval.

The powerful Bengals whipped San Diego, 1937 champ, by an 86 to 47 score last week in the meet that was generally conceded to be the clash for the title. Although Whittier and Redlands have a few fine individual performers, their team strength appears to be far inferior to that of Oxy.

The statement that the Tigers boast the finest small college track outfit in the nation was proven last Saturday. San Diego was an underdog before the meet began, but the huge point difference between the two teams was entirely

unexpected. The Bengals piled up a 50 to 4 lead after six events had been run off, and then coasted in to an easy win. The great Oxy field event brigade scored 45 points to San Diego's 9 to provide for the big margin.

If nothing else, Saturday's meet will bring together many of the brightest stars on the conference. Randolph Carter of Whittier, veteran colored sprinter, heads the list of men, ably supported by Johnny Raitt, Redlands' great weightman. Carter ran a 9.6s century against Pasadena J. C. last week, while Raitt tossed the shot 49 feet 1-inch at Caltech on the same afternoon.

Raitt is certain to meet his toughest competition of the year in three Oxy stars. He will put the shot against Johnny Van Etten, new Bengal record holder. In the javelin he will tangle with little Tex Chasson, who has a mark of 190 feet to his credit, while Don Carpenter of Oxy may press him in the discus toss.

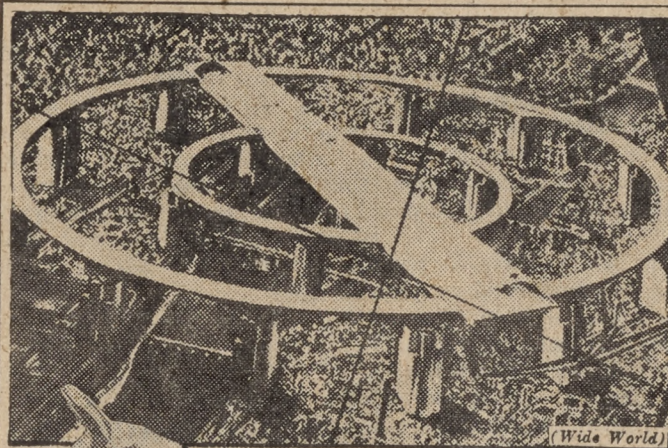

Claude Kilday, Oxy's great "Iron man," will leave his favorite events on Saturday for less familiar ones which he will enter when he competes in the decathlon at the Kansas Relays on April 22-23. The Tiger veteran will find himself a competitor in the pole vault, high jump, broad jump, and mile run instead of his customary sprints, shot, discus, and javelin.

ENJOY WILDFLOWERS BUT DON'T DESTROY

Enjoy but don't destroy the wild flowers!

Every motorist visiting the floral displays is urged, through appeals coming from conservation

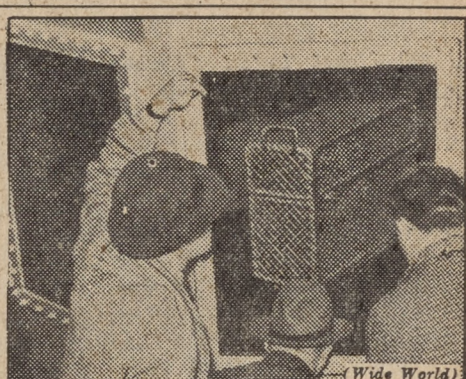

People and Spots in the Late News

TO LAND TOMORROW'S PLANES... Artist's conception of airdrome being considered for heart of Paris. Revolving runway on circular frame would permit planes to land or take off against wind.

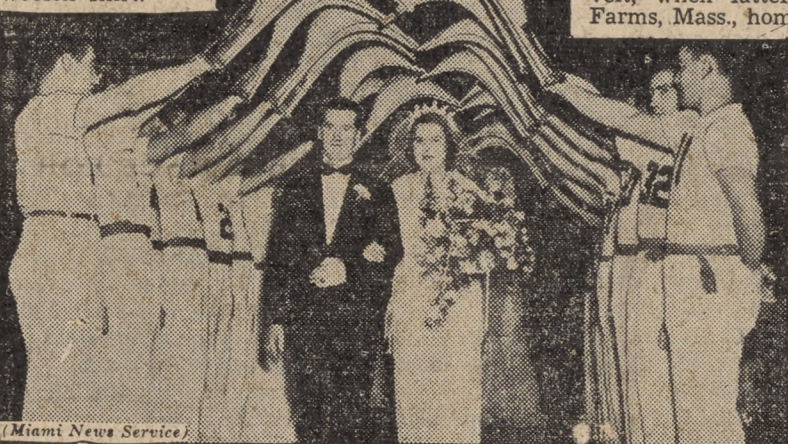

SAUCY FOR SPRING... Pert green wings on straw-colored milan lend spice to this new hat, worn with plaid jacket of brown, straw and soft green, and soft woolen skirt.

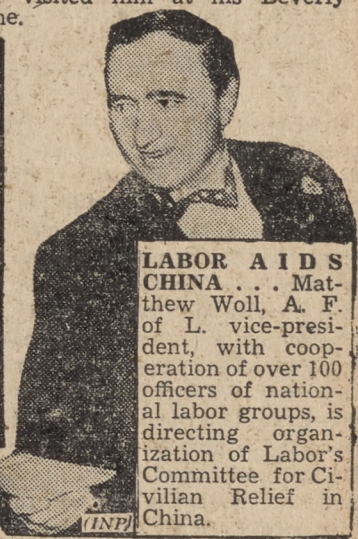

GAS REPLACES GALLOWES... Demonstrating new lethal chamber to newspaper men, authorities of San Quentin prison in California executed a little brown pig (in cage); it was pronounced dead in 2 minutes 20 seconds.

COL. HOUSE AND F. D. R.... Friend of presidents was Col. Edward M. House, Woodrow Wilson's war-time adviser, who died at 80 in New York. He is shown here with President Roosevelt, when latter visited him at his Beverly Farms, Mass., home.

LEGAL NOTICE

ORDER TO SHOW CAUSE

No. 29584

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA IN AND FOR THE COUNTY OF SANTA BARBARA.

In the Matter of the Application of BEATRICE ANTCHANO for Change of Name.

On reading and filing the petition of BEATRICE ANTCHANO, praying for a change of name of said petitioner and asking that a day be appointed by the above-entitled court for the hearing of said petition, this court now recites the fact that as the petition was filed by the petitioner for a change of name on this 29th day of March, 1938, and that it proposes to change said name from BEATRICE ANTCHANO to BIATRIS ANCHORDOQUY;

IT IS NOW, THEREFORE, ORDERED that all persons interested in said matter be and appear before this court on Monday, the 2nd day of May, 1938, at the hour of 2 P. M., in the courtrooms of the above-entitled court, in the county and state aforesaid, to show cause why the petition for said change of name should not be granted.

IT IS FURTHER ORDERED that a copy of this Order to Show Cause be published for four (4) consecutive weeks in The Carpinteria Chronicle, a newspaper published in said county.

Done in open court this 29th day of March, 1938.

ATWELL WESTWICK,
Judge of Said Superior Court.
Published in Carpinteria Chronicle April 1, 8, 15, 22, 29, 1938.

THIS IS A DROP OF

Obtainable at
Tennyson, The Druggist

groups, garden clubs, chambers of commerce and the Automobile Club of Southern California to spare the blossoms.

The principal reason flowers should not be plucked and thrown into cars where they wither and die, is that it depletes the show at that location the following year. While apparently little harm is done when one person picks a few blooms, multiplying by the hundreds of visitors to each spectacular field during a day soon ruins nature's presentation. The civic groups make the appeal to leave the native flower growths unmarred for others also to enjoy.

Kern and most other counties of the Southland have ordinances prohibiting the wanton picking of flowers and other native growths. Motorists are asked also to play fair with landowners who suffer losses each year because cars are driven off roads into fields, destroying cattle feed, and by the breaking of fences and gates.

State law also prohibits cutting, destroying or removing flowers and other native growths from state or county rights of way, cutting or removing for commercial purposes such flora from any public land or private land without the written consent of the owner,

or knowingly selling or transporting for sale such flora cut or removed from highway rights of way or public or private land without written consent. Penalties are provided.

Perfect Figure

Mary Carlisle, featured opposite Lloyd Nolan in Paramount's "Hunted Men," says you can have a good screen figure regardless of measurements if you just keep your shoulders three inches wider than your hips.

MOTION PICTURE COOKING SCHOOL SET FOR MAY 4-5-6

(Continued from page 1)

who take part in it. Women young and old will appreciate the humanness of the romantic story, in which home problems are approached from an entirely new angle.

The Motion Picture Cooking School has graduated beyond the demonstration course in the wide variety of household equipment assembled in clear view of the audience. All of the practical equipment is seen in active use, and because "seeing is believing," the audience will soon learn that pies and cakes and salads can make them "stars in their kitchens."

Experienced housekeepers will thrill to the adventures of the young Dedee Abot, who suddenly finds herself with a large home to manage and several mouths to feed—as well as a handsome young movie actor to impress.

What happens when she tries to make a fluffy lemon meringue pie or a marshmallow chocolate cake? What happens when the "man of the hour" drops in for dinner?

To unravel the mystery in advance would be to rob this clever tale of its novel approach. However, the audience is due to share in a rollicking good story and to learn much about home-making at the same time.

Every listener will find a harvest of practical ideas among the suggestions for more efficient home-making, covering such daily problems as laundry, refrigeration, up-to-date entertaining, beauty secrets, news of modernized home equipment and tips on making these mechanical servants yield the highest degree of usefulness.

It will be a real cooking class, just as though the model kitchens were right on the stage, and all of the popular features of the old-type cooking school are retained: free recipe sheets, the atmosphere of congenial informality, the wise counsel, the hints on clever shortcuts, and the distribution of daily gifts and real surprises.

Accept the invitation of the Carpinteria Chronicle and plan to join your neighbors in the Del Mar theater on May 4, 5, and 6.

COUNTY QUOTA FOR C. M. T. C. SET AT 13

It was announced today by James D. Lowsley of Santa Barbara county chairman of the Military Training Camps Association, that the number of young men to be accepted for enrollment at the Citizens Military Training Camp at Monterey, July 8 to August 6, has been established at 1145. Of this number, says Mr. Lowsley, 13 boys will have the privilege of attending camp from Santa Barbara county.

Mr. Lowsley reports 19 boys attended the Monterey Camp from this county last year and that a large percentage of these young men have already signified their intentions of returning this year.

"As our quota is comparatively small," says Mr. Lowsley, "it is very likely that we will fill it before the first of May. For that reason, it is important that those between the ages of 17 and 29 who hope to avail themselves of the fine training and the opportunity to have a wholesome good time such as the Monterey camp affords should make application without delay. Otherwise, it is not unlikely that other California and Nevada communities will encroach upon our quota and those of our boys who put off their decisions

until the last minute may be disappointed."

All applicants accepted for the C. M. T. C. are required to take the oath of allegiance to the United States, to obey those in authority and observe camp rules and regulations. Attendance is purely voluntary and involves no further obligation for service. All expenses are paid by the government, including transportation, food, clothing and medical attention.

Assisting Mr. Lowsley in disseminating information about the camp and aiding boys to fill out applications are local high school and junior college principals, Postmasters, Chambers of Commerce, American Legion and Veterans of Foreign Wars Posts, and many enthusiastic young men who have attended C. M. T. C. Camps in the past.

Warrior Tracksters Annex Minor League Championship

(Continued from page 1)

point honors with 11½ points each. Kendrick won first place in the high hurdles, (establishing a new meet record of 21:4), second in the 440 yard dash, third in the low hurdles, and ran a lap of the winning relay team.

Neil Clark was a double winner in the 100 and 220 yard dash and ran one lap of the winning relay team. Tom Reid won first place in the shot put (only missing his brother Bill's record by two inches), second place in broad jump, third place in the 220 yard dash, and ran a lap of the winning relay team.

Schools participating in the event and scores for the three divisions were as follows:

Class "A"—Carpinteria, 64½; Moorpark, 39; Nordhoff, 12; Santa Clara, 15; Ventura, 2½.

Class "B"—Carpinteria, 44; Nordhoff, 41½; Ventura, 32½; Moorpark, 2.

Class "C"—Ventura, 50; Nordhoff, 42; Carpinteria, 7½; Moorpark 3½.

Ribbons for the first four place winners in each event were printed and presented through the courtesy of Mr. Joseph Fraga and his printing classes. Fifty-one ribbons in all were won by the local Warriors.

Your printing orders will be well done and appreciated at The Chronicle office.

BONDS SOLD TO CO.; WAY CLEARED FOR SITE PURCHASE

completed by fall, but met with delays over which they had no control when it was necessary to re-advertise the bonds because of a technicality and also the fact that certain legal requirements had to be met in acquiring the new site since it was part of an estate that has not been distributed.

EASTER MUSIC TO BE PRESENTED AT COM. CHURCH

The story of Easter will be told in sacred song Sunday evening when singers from the Community Church present their Music of Easter, "The King Triumphant" arranged by Finley Lyon and Palmer Hartsough. The hour is 7:30. An invitation to participate in the services at the close of Easter Day is extended to friends and members of the Church in Carpinteria Valley. Following is an outline of the music.

"Holy, Holy Lord" Chorus
 "Thou Sweet Gliding Kedron" Women's Voices
 "Gethsemane" .. Tenor - Chorus
 "O Fearful Hour" Chorus
 "They Have Take Away My Lord" Contralto Solo
 "Fear Not" .. Tenor Solo and Chorus.
 "Come, See the Place Where the Lord Lay" Tenor-baritone Duet.
 "How Calm and Beautiful the Morn" Duet.
 "King of Kings" Men's Chorus and Tenor.
 "Sing His Praise" Finale: Chorus.

CIRCUS TO UNLOAD AT 6:00 A. M. IN SANTA BARBARA

To those who do not mind early rising, an interesting sight will be presented at 6:00 a. m. Saturday morning in Santa Barbara, which is circus day.

The circus train will arrive in Santa Barbara sometime during the night and unloading operations will start at 6:00 a. m. and onlookers will marvel at the efficiency with which the big top is erected and the thousands of pieces of paraphernalia assembled for the first performance at 2 p. m. in the afternoon.

Boy Scout News Troop 1, Boy Scouts of America Carpinteria Clair Cummins, Scribe

Thirty-two members of Scout Troop No. 1, accompanied by Scout Master James Kent enjoyed a three-day camping trip at Camp Drake, 10 miles above Paradise Camp, the early part of this week. The boys left Carpinteria early Monday morning and returned Wednesday evening. Transportation was furnished by the trustees of the grammar school who gave permission to use the school bus for the trip.

The boys spent their time passing various tests and hiking. On Tuesday evening assistant scout masters, Jimmy Carpenter and Ford Kline, accompanied by Omar Kathman drove to the camp and spent the night.

Among the boys making the trip were: Alvin Anderson, Lester Johnson, Junior White, Dickey White, Roy Weiser, Junior Stempfer, Howard Mays, Bernard Snow, Carroll and Clair Cummings, Lescher and Kenneth Dowling, Kenneth Britian, Teddy Storr, Sei Dyo, Donald Butler, Donald Main, John Ortiz, Gerald Velas-

quez, Eddie Arelleno, Donovan Capes, Herschel Low, and Raymond Whitcomb.

WASHINGTON — When large corporations need money for modernization and expansion purposes, they issue stocks or bonds which are sold to investment bankers who in turn sell the securities in small lots to the investing public. But this method seldom is open to small companies because security dealers usually cannot handle small issues of stocks or bonds profitably. Consequently, small businesses have had to rely pretty much on their local banks for funds. This has worked a hardship in many deserving cases. The Senate, therefore, last week took up a bill introduced by Senator Carter Glass of Virginia designed to broaden the lending powers of the Reconstruction Finance Corporation to include small business as well as banks, railroads and other special industries. The RFS announced it had \$1,500,000,000 available to lend upon passage of the Glass bill. Small business firms having good collateral will benefit if this bill becomes law.
