## The Bystander Observes

By KENTON CAMP

"Express today the good you feel and tomorrow some new good will take its place."

### SPAIN AND THE FRACAS

The Spanish insurgents are slowly but surely advancing on Madrid. Loyalists have drafted laborers and office workers to strengthen the fortifications of the city. Officials claim the defenses will be "almost impregnable" to a Fascist attack. New orders have been issued to conserve the food and power supplies. Fascist lines have advanced to within 20 miles and predict they will enter the capital within a few days.

### ITALY'S DEMONSTRATION

The courageous Ethiopians who fought to the last and succeeded in continuing their guerilla warfare tactics were caught and punished. Thirty Italian bombing and transport planes carrying 500 men and local warriors sympathetic to the Italians were necessary to render Mussolini's punitive measures successful. Italy must feel greatly elated over this last demonstration of its power.

### LABOR STRIKE

Admiral Harry G. Hamlet of the maritime commission is confident he can negotiate peace between the ship-owners and the longshoremen. He has until Oct. 26 to complete his investigation of the issues involved in the dispute. The maritime unions set that date as the deadline. (Continued on Page 4, Column 2)

### Beta Sigma Chi Sponsors Benefit for Nevada Trip

Members of the Beta Sigma Chi social fraternity are active this week in the benefit which is being staged by the organization's alumni on the State college campus and the city in general in preparation for the special train-trek to Reno for the State vs. University of Nevada gridiron battle on October 31.

Arrangements for the benefit are under the supervision of Jack Von Efav, alumni president and Roland Carter, active president. Upon the approval of the student legislative council in their last meeting of the activity on the campus Jack Kitchen was appointed by Prexy Carter to handle the details.

Among other activities which the Beta Sigs are planning in the near future is the sponsorship of a speaker or some other sort of entertainment for one of the general student assemblies.

### Alpha Gamma Meets at Home of Printer

Alpha Phi Gamma, national honorary journalistic fraternity, will meet tonight at the home of Jack Porter, 181 Alameda Padre Serra.

The group will discuss plans for an informal dance to be given this Saturday night at the college. Pledge lists for the semester will be checked at the gathering. Bill Hoyt, president, will be in charge of the meet.

The dance will be staged in the Music hall for all students working on El Gaucho or showing an interest in campus journalistic activity. The Halloween motif will be carried out in decorations. Irene Minikin will be in charge of refreshments; Allen Neil, invitations; and Lawrence Leslie, program.

### RELATIONS CLUB MEETS

Members of the International Relations club will meet Thursday evening at the home of Lawrence Leslie, president, 514 Casitas road. Dr. Walter Pierce will address the group on "The League of Nations."

### Wilma Kiesner

Wilma Kiesner, chairman of the rally committee, who will be in charge of all arrangements for the Whittier and Homecoming rallies.

### Students Hold Whittier Rally

### Freshmen Get Last Chance to Learn Songs; Yell Kings Stunt

One of the most important rallies of the year will be held Thursday night in the auditorium in preparation for the crucial game of the season with the Whittier Poets. Leading lights of the program will be singing, yelling and a tumbling stunt.

Thursday night will be the last opportunity for Freshmen to learn the school songs. After that time, the Frosh will be called upon to sing at all college affairs.

Yell leaders, with the use of surprise gadgets prepared by eager Gauchito Freshmen, will introduce a version of "The Lone Cow-Hand," using Gaucho words. Louie Trigueiro will sing several songs, including "The Way You Look Tonight."

Seating of students by classes will be carried out for the first time this year. Frosh with "beanies" will sit in the front. Block "S" members and Seniors will sit on the right side. Junior will be on the left, while Sophs will remain in the back.

### FACULTY STAGES THEATRE PARTY

Honoring new members, State faculty will hold its first social event of the year Thursday evening, October 29. The program includes a dinner at El Paseo at 6:30 p.m. and attendance at the Community Arts play, "The Post Road" at the Lobero theater at 8:30 p.m.

Dr. A. D. Grant of the political science department of U.C.L.A. will talk in the High school auditorium on Thursday evening. Faculty members wishing to attend the lecture, will be given tickets to "The Post Road" for Friday night's performance.

The affair will be semi-formal, and all families and friends of the faculty are welcome to attend. Reservations should be made with Jane Miller Abraham, registrar, in order to secure Lobero tickets.

### ALUMNI MEET

The San Geronio alumni section will meet in Banning Park, Saturday, October 24, at the Women's club house. Dinner will take place at seven o'clock, and a program has been planned. Carmel Leach Wennerberg will be in charge of the affair. State faculty have been invited to attend, and must make reservations in the registrar's office.

### Hanson Opens College Week with Address

Presidents Phelps, McArthur  
Speak in Assembly  
with Mayor

### STATE OPENS DOORS

Plans to Celebrate Occasion  
Set by Gauchos with  
Thursday Rally

Mayor E. O. Hanson of Santa Barbara officially proclaimed and dedicated "State College Week" in a second hour assembly this morning. President Clarence L. Phelps and Denning McArthur, student president, also spoke to the group.

During the week, State will hold open-house on the campus for friends and parents of the students. On Wednesday evening, the Women's Athletic association will hold its Recreational hour, directed by "Pop" Wells, in the gymnasium. On Thursday night at 7:30, the rally committee will stage a pep rally before the crucial game of the season Friday night with Whittier college. Completing the week, the Poet-Gaucho battle will take place Friday at 8 o'clock in Pershing Park.

The observance of State College Week was inaugurated last year by Mayor Hanson. At that time he displayed his confidence by purchasing "Song of El Gaucho" for the student body. The Mayor has aided in rallies and other programs since he assumed his office in Santa Barbara's government.

### Lettermen's Society Fetes Leopard Team at Hacienda Dance

Honoring members of the La Verne football team, the Block "S" men's letterman organization, sponsored the second after-game dance of the season last Friday night at the Elk's club, formerly La Hacienda, on East Carrillo street.

As the event was officially a student body dance, the lettermen were aided by the social committee, El Gaucho and the Men's club.

John Twaddell, Block "S" president, acted as general chairman for the hop, aided by Bill Poole, social chairman. State athletes on the dance committee were Harold Sanderson, Tom Lindquist, Frank Hayman, Keaster Hale, Dave Rumbaugh, "Spider" Murray, Bill Gray, and Lansing Stewart.

Chairmanned by Petie McKinney, El Gaucho editor, the serving committee was composed of Dot Darrow, Helen Longawa, Ann Seymour and Irene Minikin.

Skiles Boys, the Mad Maniacs, provided the swing music for the event. Faculty sponsors of the affair were Mr. and Mrs. Hal Davis, Coach and Mrs. "Spud" Harder, Mr. and Mrs. Arthur Barnett, and Frosh Coach "Doc" Kelliher and wife. Coach and Mrs. "Hank" Lloyd were honored guests at the affair.

### Student Dramatists Tryout for 'Circle'

Tryouts will be held tonight for "The Circle" by Somerset Maugham, the first drama to be presented this year by the Players club. The reading will be held in the auditorium at 7:30 p.m. The copies of the play have been ordered and will be here today.

There will be eight parts in the drama. Dean William Ashworth and Mrs. Marie Davis will act as the casting board, assisted by Paul Jones and Elbert Phelps, president of the Players club.

The cast will be announced at the end of the week.

### Last Chance Nears For Place on Special Train

Student Council Votes to 'Pass the Hat' at  
Whittier-State Game to Help Send  
State Band to Reno

Last chance to make reservations for a place on the special train to Reno, Nevada, to see the Santa Barbara-University of Nevada game, is set for four o'clock Wednesday afternoon, October 21. A five dollar deposit must be turned in at the office of the college controller before that time.

### Staters Must Pay and Pay and Pay

Laboratory bills have been mailed from the Registrar's office to the students at their local addresses over the week-end. These fees are due and payable from today until Friday, October 23 in the office of the Financial secretary.

No student will be admitted his classes after October 23, unless these fees have been paid.

Signed,  
JANE ABRAHAM,  
Registrar.

### Groups Build Parade Floats

Homecoming Theme Is 'New  
College' or 'Frisco  
State' Emblem

Construction of floats for the Homecoming game should be started immediately, according to advice rendered by the rally committee advisor. Work on the floats is to be started now in order to complete it by the first week in November.

Suggestion of the rally committee is that a theme of the new college campus or of the Golden Gaters of San Francisco State with whom Santa Barbara will wage the Homecoming battle, be used in the construction. However, there are no restrictions on the construction of the floats and all student groups are eligible as entries.

Floats will be judged on originality of design, theme, harmony of color and construction, according to Miss Sweet. Last year the industrial education department took first prize with the Tau Omega and Delta Zeta Delta as close seconds.

The rally prior to the Homecoming will be held on the campus with faculty, alumni, and students participating. The frosh bonfire will take place the following week, the night before the Oxy game.

### WEEK-END CRASH BRINGS INJURIES

Five State college co-eds escaped with minor bruises and shock in an accident last Friday afternoon as they were returning to their homes for the weekend.

Mary Wilson, Nedine Woodard, Clara Ross, Shiela de Richebourg, and Rosaline Rawicz, driver of the car, were within a mile of Ontario when the car went into a skid on the slippery pavement. It turned over twice, breaking all the glass in the large sedan. The students were all shaken up and bruised, but Nedine Woodard was the most unfortunate of the group, as she was cut by the flying glass.

Further reports from the college health cottage include two football injuries. Jimmie Monson has a cracked rib and Louis Strong pulled a shoulder muscle in the game with La Verne Friday night.

The usual increasing number of colds have been reported with the coming of the cold and rainy weather.

Approximately 70 football players and bandmen are included in the quota of 150 passengers. The number of townspeople and students placing deposits has greatly increased in the past few days and the required total is expected, according to Fred Allred, student controller.

The special price for the round trip is \$11.60 plus \$5.00 for a lower berth and \$4.00 for an upper berth. The first deposit is included in this price. If the required number do not make the trip, those who go will have to pay the regular price of \$28.50. Those who have placed deposits will receive money back if that should happen, according to Fred Allred.

Members of the student council at their last meeting voted to "pass the hat" at the Whittier-State game this Friday night to help defray the expenses of sending the band to the Reno game.

Train time for the "Gaucho Special" is set for 1:30 Friday, October 30 and arrival in Reno, Nevada, Saturday at eight a.m. The train will leave Sunday at ten a.m. and arrive back in Santa Barbara at five a.m., in order that students may attend class.

### McArthur Goes to Presidents Meeting at Pomona College

Denning McArthur, student body president, attended the monthly meeting of the Southern California Student Body Presidents association which was held at Pomona college last Wednesday evening from 6 to 12 o'clock. He was accompanied by his sister, Jean McArthur.

The purpose of the meetings is to discuss and help remove the problems confronting the colleges. "Santa Barbara is better off, as a whole, than any other of the Southern California colleges represented. We have more student control of budgets, finance and general activities," states President McArthur.

Members of the association who attended the last meeting were the president and their guests from Southern California, University of California at Los Angeles, California Institute of Technology, Redlands University, La Verne, Pomona college, Chapman college, Scripps college, San Diego State college, Loyola University and Santa Barbara State college.

### Cabin Group Invites All Students to Trip

Students have been invited to attend the season's first all-college cabin trip next Sunday, October 25, at the State college cabin in Paradise camp by the cabin committee.

Those who plan to attend are asked to sign a notice on the official bulletin board before Friday at 3:30, and designate whether transportation is needed or not. The picnickers will leave the campus at 10:00 o'clock Sunday morning. Coffee and chocolate will be served at 1:30, but students must bring their own lunch. "A general program of hiking, games and swimming has been planned for the day," states Wilma Kiesner, head of the cabin committee.

**Hail, Men's Club**

Through some misunderstanding, some men on the campus do not fully understand the proper use of the Men's club room. The first purpose of the room is that it remain a place of rest, for study and discussion of the day's problems.

In a recent editorial, entitled "Problem Children," the actions of a few were taken to be the standard of the majority, a statement which would not hold true in any case. A few men using the club room improperly can call criticism down upon the heads of all campus men.

A few violators of the Men's club rulings have been promptly reprimanded and corrected. Dave Pollock, president of the club in speaking for its members, assures the student body that no misconduct will be associated further with the Men's club room.

It is indeed unfortunate that misdoings of a minority should be magnified, and credit should be given to the Men's club officials for their excellent work in the maintenance of these rulings.

**Search for Knowledge**

A survey from the University of Nebraska made by Dr. S. M. Corey, professor of educational psychology, shows predominant reasons for students entering colleges.

First in importance was "the recommendation of high school teachers and administrators." Others in the order of choice were "proximity of the university to the student's home," "family influence," "prestige of the institution," "economy," "availability of desired courses" and "influence of friends."

Although not absolutely scientifically accurate, Dr. Corey's statistics are interesting. One fact is especially outstanding. Of the seven students who gave "influence of athletics" as their reasons, five rank in the lowest psychological test and none in the highest.

**Three Cheers**

Again the spirit of cooperation is evidenced at Santa Barbara State this year. The new seating system, supervised by the Sophomore Squires, was a definite success at the La Verne-State football game last Friday night.

The idea, based upon practical usage at many large universities, was enthusiastically adopted by the students. While the Squires played a large part in its enforcement, the attitude of the rooters themselves in condemning a disobedient associate and lauding a conforming supporter was instrumental in the final success of the plan.

**Radio Ranglings**

Tonight Estelle Taylor, the former Mrs. Jack Dempsey, will appear on Ben Bernie's program. You might tune on KFI at 6 p.m. if you would like to hear her. Bernie's band is good any time so it does not matter how good Miss Taylor is.

Gladys Swarthout and Frank Chapman, her husband, have been signed up for a series of programs by the sponsor who had Mary Pickford on the air last week. William Daly's orchestra will supply the music. This program should be one of the better programs of the new season.

Deanna Durbin, the 13-year old girl singer on Eddie Cantor's program has been signed by Universal Pictures to star in a movie, "Three Smart Girls." We can hope that she is as easy to look at as she is to listen to. At any rate, Eddie Cantor has a knack for picking winners.

After his Friday broadcast, Andre Kostelantz boards a plane from the Newark Airport and flies to Hollywood. There he spends the weekend directing the music for Lily Pons' picture. Then he returns to New York in time to begin rehearsals for his Wednesday broadcast.

According to some experts, clothes are as important to the radio star as they are to the stage or screen actor or actress. They say that the way a person is dressed psychologically affects his acting or singing. That's one way of saying that a person should wear the clothes he feels best in to act best.

Tune in on Ted Fiorito on the "Portraits in Harmony" over NBC tonight. This is another of the good radio orchestras.

Intensely interesting was Miss Rachel Field's talk on October 14 at the Women's club. Her subject was "How Books Happen," do they happen overnight? Are they an inspiration? Does every new place suggest a new book? Such were the questions in the minds of the audience, and answers were forthcoming in Miss Field's inimitable style.

This author of "Time Out of Mind," "Hetty, Her First Hundred Years" and countless poems and books immediately set her hearers at ease with amusing incidents concerning her life, her books and her fan mail.

Evidently, as she stressed, books are a composite of years of experiences and emotions, and put together in a certain form, realize a book.

I'll start off with a few bouquets. First to the football team for the game Friday night. The second bouquet, an extra large one, to the Block "S" for the swell dance after the game. That's all the flowers for this time.

My—I always thought that Roy Voorhies was sorta bashful and such, but from the looks of things Friday night I don't think so anymore. He was with TWO girls, no less. . . . Kinda nice the way Trigueiro dedicated "It's a Sin to Tell a Lie" to, well you know who. . . . Who was the fellow who rushed back after the football game to yell "Foey, Foey" at the band? Communism no doubt.

The fellows didn't like the idea of having Johnny Twaddell call them "Wolves" at the dance Friday nite. . . . Wonder why Busby wouldn't keep the dance he had traded with Fredburg, and since when did girls start asking fel-

**Nutty Notes**

By BOB GAMAGE

Biz Barded, I cand sig begauz Id gud a gold id ba head. Just think how nice it would be if all our recitations were sung. We would sure get out of a lot of homework right now.

Some people just can't keep their names off the front page, or at least somewhere in the middle. Fred Lambourne and Ed Cole left yesterday to book the Band Tour. Their temporary address will be somewhere in the San Joaquin valley for the next week.

I'll bet that all you poor specimens of half refrigerated humanity sure feel jealous when you see and hear the band lapping up hot coffee at the half at all the games.

Mrs. Priest is not the only one that is surrounded by avid ivory swatters. About 75 percent of the band makes a mad dash for the poor, long suffering pianos as soon as the door is opened. Maybe they can't play, but they sure do get some lousy harmony.

It might be a swell idea to erect ski jump from the roof of the music hall to the quad.

I'm going to tell you in on something, I'm psychic. No foolin'. I have to be because it is my duty to tell you on Friday morning how swell everything went at the game so that I can hit an editorial deadline at noon. Maybe with a little more practice I could even tell you how your grades are going to look.

lows to after-the-game dances? . . . Can't quite figure it out, maybe someone can enlighten me, why is it that Ruth Taylor has a crushed lip and Dot Taylor has a black eye? . . . Or rather who was the fight over? . . . State students seemed to enjoy the entertainment at Elmer's after the dance. . . . So, the minute after Allan Frick is taken to the hospital Bob Johnston takes Dot Hornor out. . . . Student Body President, Denny McArthur, was a sissy at the football game, and he got there early too.

## Gridiron Game Starts Season of Intramurals

**Tau Omegas Play Initial Game with Sigma Alpha Kappa Frat Tonight**

Touch football is proving a popular part of the intramural program, according to Coach Wilton Wilton and his student assistant, Fred Monson.

The class of administration and organization intramural activity has been working for some time on what should prove to be an extensive intramural program. The winning team will be presented with a loving cup donated by Elmer Swartzenburg. The rules being much the same as real football, the difference is that the field will be shortened and no heavy equipment used.

The first game of the schedule will be held this afternoon at four p.m. on the women's athletic field.

"It is very important that the teams be on the field and ready to play when their games are scheduled," stated Irving Wallace, publicity manager.

This is the first time that an intramural football program has been attempted here on the hill. According to Wilton, there is no reason for there not being a program for the students to participate in athletics; other schools on the coast have such programs running smoothly each year and several outstanding gridmen have been discovered in the ranks of the intramural football players. This phase of athletics is going to receive an unusual amount of attention this year in order to develop a strong intramural program for the Gaucho campus.

Beta Sigma Chi, Tau Omega, and Sigma Alpha Kappa fraternities have entered teams, and along with the P.E. department, will be favored to annex the winner's cup.

The following schedule will be followed.

T.O. vs S. A.	Tues. Oct. 20
B.S. vs P.E. Dept.	Thurs. Oct. 22
Band vs Jr. Hi. Dept.	Tues. Oct. 27
T.O. vs B.S.	Thurs. Oct. 29
El.Ed. vs I.E. Dept.	Tues. Nov. 3
S.A. vs PE Dept.	Thurs. Nov. 5
Band vs I.E. Dept.	Tues. Nov. 24
T.O. vs P.E. Dept.	Thurs. Nov. 12
Jr. Hi. vs I.E. Dept.	Tues. Nov. 17
S.A. vs B.S.	Thurs. Nov. 19
Band vs I.E. Dept.	Tues. Nov. 25
Jr. Hi. vs El. Ed.	Thurs. Nov. 27

Due to the fact that round-robin schedule is not being used, the winners of the two divisions will vie for the championship.

Students at the University of Illinois who wish to drive on the campus must pass a chauffeur's examination.

## SIGN UP FOR

## Gauchos Hang Up Second Win in Conference

**Monson, Pollock and Morelli Score 24 Points; Leopards No Match for Big Green**

Turning on a display of power never before shown by a Green and White team, the Gauchos last Friday night registered a 24 to 0 victory over the Leopards of La Verne at Pershing Park.

F. Monson

The big Green had the situation well in hand at every period of the game, and only when the third string was in, could the Lloyd-coached team make any advance into the local line or penetrate their pass defense for a substantial gain. The difference between the two teams is shown by the first downs and the yardage made by the two teams, with the Gauchos amassing 19 first downs and 501 yards to 3 first downs and 83 yards for the Leopards.

It took the Staters six plays to get their first score, after Yeager had returned the opening kickoff to the 40 yard line. Fred Monson carried the ball over from the two yard line. Fredburg's try for the extra point was no good.

The second tally came soon after the first when Morelli returned Stutsman's quick kick to the La Verne 36. Morelli made five on a reverse and Pollock went through the line to the 23. Yeager took the ball to the 21, and on the next play Monson went across the goal. The kick for the extra point was blocked.

During the second quarter, the Gauchos were content to rest on their lead and the reserves played. There was no scoring done in this period. With but a few minutes to play remaining in the first half, the Leopards came to life with a passing attack that started a march up the field only to fizzle out on a fumble.

After an exchange of punts in the third quarter, the Gauchos were on their own ten yard line. At this point, Harder put in his first string, and on the first play Yeager toured left end on a reverse for 33 yards. Morelli went around end on another reverse for 30 more, to place the ball on the La Verne 27. With Yeager, Morelli and Pollock carrying the ball, the hilltoppers made their third touchdown, Pollock carrying it across. Fredburg's kick for the extra point was low.

Morelli scored the fourth and final touchdown on a jaunt from the Leopard 31 yard line. Yeager tried the conversion, but it was wide.

Coach Hank Lloyd has a fighting band of gridmen who lack the ability to compete with the bigger teams of the conference, but who are willing to fight their hearts out against big odds. Stutsman, at quarter, is an exceptional punter, but seems to lack judgement on his choice of plays.

The starting lineups:

La Verne	Pos.	S. B. S.

## Hale in Final Year at State

**Former Taft Jaysee Player Strengthens Gaucho Forward Wall**

Keaster Hale, another member of the Gaucho squad, had his first taste of football when he was a sophomore at Taft Union High school. When the lightweight team started its fall workouts, the coach, who had his eye on Keaster for a long time, persuaded him to get into uniform and try his skill. He went out for the guard position and did so well at that berth, that he still remains a guard. During his senior high school year he was transferred to the heavyweight team.

The following two years saw him in the line of the Taft Junior college team where he was an excellent, dependable player. He kept in good condition by playing basketball when gridiron days were over. In his second year at Junior college he was elected captain of the squad and that year was also selected as All-Conference guard of Central California. But Keaster was not all brawn and no brains, for besides his pigskin laurels he was also an honor student.

Last year, as a junior, Hale entered Santa Barbara State and played for the Gauchos. Coach "Spud" Harder used him many times in the forward wall and Keaster earned a State letter at the end of the season. This year he has seen action in all of the games played so far, and is showing up well. He is light, but a fast charger and a good defensive player. He has team spirit and always plays a bang-up game.

Freshmen of the 1940 class at the University of New Mexico can now wear corduroy pants. They were given this privilege recently because of the economy of the practice.

## Dons Successful in Game with Phoenix

PHOENIX Oct. 16—Passing their way to a 21 to 0 victory over the Phoenix High school eleven, the Dons of Santa Barbara High school snapped a two year winning streak of the local gridsters.

Taking command of the situation at the beginning, the boys from the coast were never in a tight spot. The excellent punting of Scott, Don fullback, kept the desert men in hot water during the game. Two of his kicks went for 70 yards and he maintained a 53 yard average for the game.

All three touchdowns came as a result of passes, with Captain Minnear on the throwing end. The Dons were in scoring territory three times in the last quarter, but due to penalties couldn't get the ball across.

## Harder Again Speaks on Football Program

Gaucho warriors again gained mention on Rush Hughes' gridiron program, Tomorrow's Football Tonight, when a statement was released concerning the La Verne game. The statement was again a message from Coach Harder to the Pacific Coast fans. It was heard over the NBC Red network from Portland to San Diego last Friday night at 6 p.m.

Harder said, "Sport scribes have made Santa Barbara odds-on favorite but apparently they have forgotten we enter this game without four regulars, including all-conference guard Doug Oldershaw, still crippled from last week. If we win tonight it will be because of our superior reserve strength."

## Freshmen Drop Cal-Poly Game

**Mustangs Overpower State First Year Men on Muddy Field**

Out-scored but not out-fought in a football game which resembled a swimming meet, the fighting Freshmen lost a 25 to 0 encounter with the exceptionally strong Cal Poly outfit last Saturday afternoon at San Luis Obispo. The game was marked with frequent fumbles caused by the rain which let up only in the first and last quarters.

In the opening period of play, the green-and-orange clad Poly players scored on a sustained drive from mid-field, which featured a 15 yard pass to the Frosh 6 yard line. Fumbles by the Yearlings paved the way for two Cal Poly touchdowns in the second quarter.

The Freshmen came back in the second half, fighting mad, but hard luck in the form of fumbles and intercepted passes continually blocked the Gaucho babes' efforts. Cal Poly was held scoreless in the third quarter, but pushed over a touchdown in the final period of play.

Harold Spawn, center, had to be removed from the game late in the second quarter when he sustained a badly smashed nose. In the midst of the fracas, "Bluke" Strong, reserve left half, received a painful shoulder injury which kept him from seeing any action in the second half. Playing in his first big game, "Bluke" proved his ability not only as a great defensive player but as a hard-hitting ball packer, as well.

Outstanding Frosh players were: Spawn, Rossi, Coffey and Jack McArthur.

The starting line-up was as follows:

S.B.S.C.	Pos.	Cal Poly
Nicoletti	LE	Hawkins
Valenzuela	LTR	Pitt
N. Davis	LGR	Schidander
Spawn	C	Null
Echnique	RG L	Lawrance
Romer	RPL	Bjork
Coffey	REL	Van Horn
J. McArthur	Q	Hathaway
B. McArthur	LHR	Dooley
Jessop	RHL	Silva
Dreher	F	Shea

## Frosh Attend Pan-Hell Tea

### Bettie Walker Takes Charge of Council Program for Freshmen Girls

Freshmen and transfer women were guests of honor at a tea given by the Pan-Hellenic council Sunday afternoon in the State college quad and A.W.S. club room.

Bettie Walker, president of Alpha Theta Chi, acted as general chairman for the event, at which all sororities were hostesses. Ruth Hooker, Phi Kappa Gamma prexy was head of the receiving line. Frances Hoelscher, Tau Gamma Sigma; Elisabeth Leonard, Delta Zeta Delta; Irene Baptiste, Delta Sigma Epsilon; Marjorie Marshburn, Areta Gamma; and Jean Goss, Gamma Delta Chi; completed the reception committee.

Those patronesses and sponsors who poured included Mrs. Calvin McCray, Miss Winifred Frye, Mrs. Paul Miller, Mrs. Lloyd Hitchcock, Mrs. Jane Miller Abraham, Mrs. Helen M. Barnett and Mrs. Margaret Bennett. Dean Lois Bennink and Miss Florence Clark represented the faculty in the receiving line.

### Association Serves Dinner to Freshmen

Chinese food was served at the dinner given by the Women's Athletic Association, last night at 5:30 in the gym, for new girls in the organization and active members.

Committees for the dinner included: food, Merle Thomas, chairman; Harriet Cooper, Ruth Hooker, and Helen Longawa; entertainment, Tiny Garman, and Olive De Motte; clean-up Kaye Grow, Helen Rogers, and Cecile Katz.

## Fraternities Stage Broompolo Contest

Beta Sigma Chi's "horseless riders" swept to victory over the Tau Omega "broom-teamsters" last Friday night by a 1-0 score in a during-the-half exhibition of State's new sport funfest broompolo.

Leo Butts brushed aside the T.O. defense single-handed to score the only tally of the game in the opening minutes of the encounter. The Beta Sigs two-team squad outmaneuvered the wild swinging Tau Omegas, and escaped free from injuries. Buppy "What-a-Horseman" Moore was less fortunate, and was kicked by a high spirited Beta Sig broom, wielded by Al Scott.

Bob Johnston, Sid Ellery Don Roland, Jimmy McSkimming, and Buppy Moore rode for the losers. Beta Sigma Chi's first team consisted of Bill Hoyt, Al Scott, Jimmy Lebeck, Bill Russell, and Jack Kitchen. The second-stringers were "goal-getter" Leo Butts, Bob Dorn, Paul Westbury, Harvey Hoffman and Bill Gray.

line; by that time their demands must be met or at least agreeable compromise.

Los Angeles is faced with the threat of a city-wide strike by the lathers' union. The union is meeting to decide on the issue. As usual, in labor disputes, the cause is over wages.

### GRAD VISITS CAMPUS

Miss Genevieve Richter, member of the 1936 home economic's class visited the campus yesterday. She is a teacher of the La Cumbre high school.

## 125 Students Enter Decorated Cars in Parade Last Friday

Escorted by two motorcycle policemen who cleared the path down State street, approximately 125 State college students participated in a parade-rally last Friday afternoon.

Enthusiasm showed its presence despite the fact that the rally had not been advertised until a short time before it was scheduled to take place. The decoration committee, chaired by Nancy Darrow, was in charge of car decoration. A "German Band" composed of members of the State college band, blared forth from Barry Simmons' car as the cars progressed down State.

Renata Maccianti and Barbara Sharp, State songleaders, rode on the fenders of the head car, bearing the banner of El Gaucho, and kept the line in form. Of the rally, Harry Sloan, yell king, said "Al in all, the rally proved successful, and showed us that Staters still have spirit left to display."

## Rooters Rouse with Soph Squire Success

Surprising even the most enthusiastic supporters of the idea, the Sophomore Squire rooting section plan worked Friday night.

The different sections were roped off into well-defined divisions, and the Squires ushered students to respective places. Due to strict policing, none but students of the college were allowed in the rooting divisions.

Those who chose to sit in the "Sissie" section were given the well-known greeting as they passed the he-man division.

## All Students Obtain La Cumbre Pictures

All students should have their pictures for La Cumbre taken as soon as notified by a card in the mailboxes.

Students are expected to go to Bartel's Studio at 740 State street where a rate of one dollar has been made to include only the picture for the annual. A special rate will be made for extra pictures.

Any student who wishes to, may have his picture taken before appointments are made.

All departments and organizations are asked to have their money in before Christmas for pictures to be in the annual. The charge this year is \$25 a page or \$15 for a half page. Money may be turned in to Fred Allred, comptroller.

## Fraternity Takes in Four New Neophytes

Sid Ellery, Allan Frick, Charles Noble and Vernon Finwall were given pledge pins to Tau Omega, social fraternity, last Monday evening October 12, at the home of Bob Johnston, 205 East Islay street, at 7:30 p.m.

Plans were formulated for a barn dance to be given in the near future. Johnny Ingram was placed in charge of arrangements with Bill McKenzie as assistant.

### SUPREME COURT QUESTIONS

The New Deal emerges victorious when the Supreme Court refused to review litigations questioning the constitutionality of three New Deal laws. The laws in question were: "truth in securities" act requiring registration of stocks before public sale; the National Industrial Recovery Act of 1935; the federal tax on inheritance.

# Smoke-O

...that's the  
whaleman's signal  
for a smoke

And on land and sea,  
from coast to coast...with  
millions of smokers, men  
and women...when they  
take time out to enjoy a  
cigarette it's

"Smoke-O...  
pass the Chesterfields"  
Chesterfields are milder...  
and what's more they've  
got a hearty good taste that  
leaves a man satisfied.

...it's Smoke-O for  
Chesterfields  
everywhere
