Election Signups Lagging

Fiscalini Files for Presidency; Jones Says 20 Open Offices May Force Postponement

With only nine candidates registered, as of yesterday morning, and 28 offices open, signups for AS spring elections close Thursday at 4 p.m., reported elections commissioner Carolyn Jones.

"If more candidates do not file applications before Thursday it will be impossible to hold the elections April 30 and May 1 as planned," stated Miss Jones.

John Fiscalini, IFC president and men's rep-at-large, is the only candidate for AS president as of yesterday.

Fiscalini announced Feb. 17 he would not seek the presidency.

Wert Veep

Gay Wert, who Fiscalini defeated in a special election for men's rep Feb. 20, is the only candidate for vice-president.

Fred Roth has registered for men's rep, Gretchen Ziegler for women's rep and Marilyn Jacobs for RHA women's rep.

One Contested

The only contested position thus far is junior class president where Dale Lauderdale and Ian Cameron have filed.

Tim Naegele is running for sophomore president and Ann Cody for sophomore secretary.

20 Vacancies

There are 20 vacant offices, including AS secretary, men's rep (two vacancies), women's rep (two vacancies), fraternity rep, sorority rep, RHA men's rep, non-affiliated men's and women's reps, AMS president, vice-president, and secretary-treasurer.

Also junior class vice-president and secretary-treasurer, sophomore vice-president, and senior president, vice-president

SHIPP CANDIDATE FOR AS PREXY

Guy Shipp, Junior Class president, declared his candidacy for the UCSB Student Body president post late Sunday night. Shipp's a member of the Sigma Phi Epsilon fraternity.

In a surprise move late Monday morning, John Fiscalini dropped from the AS President's race.

Music Authority B. H. Haggin Speaks Tomorrow, Thursday

B. H. Haggin, the music authority one man called "one of the best critics alive," arrives at UCSB tomorrow for three appearances. He lectures on "The Approach to Music" in the classroom auditorium tomorrow at 4 p.m., answers questions at the English Majors' Forum in the Santa Rosa lounge at 8 p.m. and discusses "Mozart's Piano Concertos" in the classroom auditorium Thursday at 8:30 p.m.

Haggin writes on music and musicians for *The New Republic*, *The Yale Review* and *The Hudson Review*. Author of seven books, his latest, *Conversations With Toscanini*, was released this month.

A noted music critic since 1923, Haggin was described by poet Randall Jarell as "one of the best, most courageous and most individual critics alive." His byline has also appeared in *Nation*, *Freeman* and *Hound and Horn*.

Haggin served as music critic for the New York *Herald-Tri-*

and secretary-treasurer.

Campaigning may begin as soon as the candidate files application. Candidates must pass the AS constitution test given April 16.

GAUCHO-FACULTY COFFEE HOUR

Designed to give students a chance to get acquainted with the faculty outside the classroom, a student-faculty coffee hour is scheduled for Thursday in the Student Union patio. The "hour" will run from 3 to 5 p.m.

The event is sponsored by the UCSB sophomore class. Class president Ron Largent says, "This was a big hit last year, and we'd like to have a repeat performance—so I urge everyone to attend."

Coffee and cookies are free. The atmosphere of the affair is strictly informal.

Gould Tells Officials Of Education Trends

Chancellor-elect Samuel B. Gould will address a special dinner meeting for school superintendents of Santa Barbara, Ventura and San Luis Obispo counties on teacher education trends at UCSB tonight at Ortega Commons.

This is one of five such meetings being held throughout the state to make known the University's plans, aims and projects in relation to teacher-education programs, according to Vice Chancellor Elmer R. Noble.

Dr. John C. Snidecor, dean of applied arts, will explain the teacher-education program at UCSB to the 50 school administrators and project future plans and commitments in this phase of the curricula.

bune and the Brooklyn Daily Eagle. His books include *A Book of the Symphony*, *Music on Records*, *Music for the Man Who Enjoys 'Hamlet'* and *Music in the Nation*.

All students and faculty are invited to all three appearances without charge, although the English Majors' Forum will give seating preference to English majors.

The Wednesday afternoon and Thursday evening talks in the auditorium will be illustrated with recordings.

SWEEPSTAKES TO 'MUTINY' SHOW

by Fisher and Bradley

The hull was canvas and the sails were parachutes, but the entertainment was strictly real, as the Sig Eps' "Mutiny on the Poopdeck" show, staged in the dry-docked H.M.S. Half-Fast, sailed away with the sweepstakes award at UCSB's annual "Barbary Coast" charity carnival.

The Gaucho fraternity presented the story of a crew of mutinous pirates who rebel against their captain, take over the ship and finally drop anchor off the shores of UCSB.

Prison Talent

First place in shows division went to the SAE's "StAIE Pen," a variety show featuring talent drawn from the ranks of a chain gang.

In the booths division, the three top trophies went to Birch-Nebline (mixed group), Laurel (women's) and Lambda Chi (men's). Birch-Nebline offered midway musclemen a chance to test their biceps and try to ring the bell—the strength scale ranged from Dean (0) to Hero (8).

Garter Toss

Laurel Hall presented three lovely and lively legs, with customers trying to "Ring the Gams" with garters. The "Powell Street Cablecar" started its run at the Lambda Chi platform and toured through sights of old San Francisco.

Second in mixed went to Cypress-Tesoro's "Red Garter Saloon" ice-cream bar. In women's it was Manzanita for the cold drinks of "La Hacienda Feliz." Sigma Pi's "Emperor Norton's Wax Museum" took second in men's.

Judging

Third places went to Acacia-Marisco's "Pic-A-Bowl," Lobero's photo souvenir shop and Sycamore's "Bijou Silent Movies."

Booths were judged on cleverness, adherence to theme, audience appeal, exterior and interior appearance and costumes. Judging was done by a committee of townspeople.

Education Honorary Picks 18 Members

Eighteen UCSB upperclassmen became members of the Alpha Rho chapter of Kappa Delta Pi, honorary society in education, at an initiation banquet held in Kerry's Restaurant last week.

Students qualify for the honorary society by being in the top ranks of college grades and having taken at least six units of education courses.

The new members include Marty Campilio, Carolyn Noble Cogan, Pat Masonheimer, Barbara Diehl, Margo Draper, Marlene Goldberg, Laila Halsteen, Don Jayne.

Others are Marilyn Martin, Donna McLean, JoAnn Ray, Toni Saadi, Agnes Shurtleff, Karen Snow, Jeanne Warner, Carolyn Wolfe, June Yokoyama and Josette Yraceburu.

'COAST' AWARDS TO FOUR BEARDS

Winners of the Whiskerino Contest were announced last Saturday evening at UCSB's Barbary Coast dance. Mike Westmore won for the fullest beard. The "most unique" beard award went to Rich Lender, and David Kamens took the prize for the best trim. Jim Billig was given the nod for the best attempt.

Dave Hall, chairman of the event, announced that Juniper Hall had 100 per cent of its residents participating in the contest. There was a total of 164 beards grown for the occasion. Judges in the event were the barbers of Shorty's Barber Shop.

Six Swim Numbers Chosen for 'Capers'

Six acts have been chosen for the Gaucho aquacade, "Midnight Capers," set for April 30-May 2 in the campus pool.

Soloists selected are Joyce Elmore and Willene Thompkins. Duets are Jackie Ferguson and Bob Myaskiro, Jan Pedersen and Sue Atwater, and Molly Young and Gail Garth.

Also chosen was a trio—Carol Dawson, Ann Brewster and Jeanine Jensen. The "Capers" theme is based on dream fantasies. Aquacade performances are at 8:30 p.m. Prices: \$1 for adults, 75c for students, faculty and children.

Modern Dance Concert Given Friday, Saturday

Friday and Saturday at 8:30 p.m. the UCSB Student Dance Workshop will present the annual Modern Dance Concert in the auditorium.

The program is almost entirely on the gay and humorous side. It is under the direction of Miss Margret Dietz, associate professor of Women's P.E.

As in preceding years the first part of the program will consist of dances for solo and small groups, choreographed by the students. Dances for large groups, choreographed by Miss Dietz, will compose the second section.

Tickets, available at the manager's office and at the door, are 75c for students and \$1 for general admission.

WILLIAM STOKES

NEW AGENCY PLANNED; FIRM FINANCING ASKED

by Bruce Loeb, *El Gaucho* Editor

Changes which would alter both the structure and the policy of the UCSB Athletic Program by creating a new agency to administer athletics, the Intercollegiate Athletic Commission, and by more firmly fixing the yearly AS appropriations at one-third of the total AS budget until 1965, will be proposed to the Legislative Council tonight.

AS President Stan McGinley has called a special required meeting for 7:30 in the Huddle. Council will be asked to accept these and other proposed changes by amending the AS by-laws to the constitution.

The athletic programs in the University system have been under study this year. Here, Dr. Stephen S. Goodspeed, special assistant to the chancellor on student affairs, has examined the UCSB program for more than four months.

Major Problems

Dr. Goodspeed has pointed out the major problem areas as he sees them (this report was printed in *El Gaucho* March 13) and has recommended solutions.

A special student athletic committee has carefully studied Goodspeed's findings and, with minor modifications, accepted them. The recommendations of this student committee will be presented for approval tonight.

Proposed Benefits

In effect the changes are designed to accomplish three things: 1) establish a central agency to administer the athletic program; 2) put the existing and future athletic program on a sound financial basis; 3) distinguish between the duties of the Men's PE department and the Director of Athletics.

Council's decision will be needed on the first two points, while the third requires administrative and faculty sanction.

New IAC

The new central agency would be the Intercollegiate Athletic Commission. The Commission would consist of four voting students and four voting faculty members.

The students would be the AS President, Finance Chairman, Athletic Commissioner (a new office) and a rep from Council.

Ex-officio, non-voting members of the Commission would be the graduate manager, director of athletics, and one student at large to be a sophomore or junior.

Council Power Maintained

While the Commission would administer almost all aspects of the athletic program, the Legislative Council would continue to have final budgetary approval of the AS athletic appropriations and gate receipts from games.

According to Goodspeed, under the present situation, "the important parties concerned (with

the athletic program), namely students, faculty, Men's PE and administration, are not fully in touch with each other in the most important phases of policy making."

Semi-Professionalism

He also pointed out that at present there is "a lack of a long-range policy of financial support for athletics" by the AS which could fail to provide for new sports, start a gradual trend toward semi-professionalism and continue conflict and pressure for funds within the athletic department.

To create a sound long-range financial setup Goodspeed has recommended, and the student committee has agreed, that the principle of one-third of the total AS fees should continue through the academic year 1964-65.

Freeze at \$45,000

At this time the total contributions will reach approximately \$45,000, which, according to Goodspeed, will be enough to support the program. Then the AS contributions should be frozen, by not exceeding the \$45,000 figure.

The precedent for giving one-third of the total AS budget to athletics has been followed in the past, but it is not binding. Last year an attempt to cut the athletic budget lost by a single vote.

This year \$23,055 of AS funds have been appropriated to the athletic program, about 34.8 per cent. Some of this money has been returned from gate receipts.

Even under the proposed change, Legislative Council could increase or lower the AS appropriation. The intent of Goodspeed and the student committee is to make the one-third precedent more firm until 1965.

The athletic program is sponsored jointly by the University, from legislative grant, and the AS. The students supply roughly 40 per cent of the total.

Appropriations Lag

However, the student appropriations are made from year to year, lagging behind the administration's allotments by two years.

By making the AS contributions more consistent, the committee and Goodspeed felt that the athletic department could make definite plans, such as scheduling, without risk of the AS appropriation changing.

Influences of Literature on Latin Politics Subject of William Stokes' Lecture Today

by Linda Carver

Professor William Stokes of Claremont College, one of America's leading authorities on Latin America, will speak on the topic, "Pensadores and Politicos: The Role of Literature in Latin American Politics," at the weekly all-college lecture today at 4 p.m. in the new classroom auditorium.

Dr. Stokes is professor of comparative political institutions at Claremont. He has written several books and over 70 research articles on Latin America.

'Pensadores' Influence

In his lecture Stokes will discuss the important role the "pensadores," or intellectuals, play in the development of political thought and economic ideas south of the border.

The "pensadores" include poets, novelists, essayists, artists

and professional people of distinction.

Powerful People

According to Stokes, the status, dignity, power and influence of these people in Latin America makes it imperative for the practitioners of international relations to listen to their ideas.

Professor Stokes completed his undergraduate work and doctoral studies at UCLA before going to teach at Northwestern University and the University of Wisconsin.

New Book

He has made numerous research trips to Latin America and is now completing a new book, "The Nature of Power in Latin American Politics."

Stokes also has served as guest lecturer at Latin American universities and at the National War College in Washington, D.C.

GAUCHOS, WESTMONT AT IT AGAIN TODAY

Sports

★ ★ ★ ★
The Gauchos skidded into the CCAA's baseball cellar in their first conference outing Saturday.

Committing a total of eleven errors, the University of California, Santa Barbara diamond crew bowed into league play with a double loss to host Los Angeles St., dropping the opener 14-3 before being whitewashed in the nightcap, 7-0.

The only bright spot on the Gauchos side of the ledger was a tremendous home run by pitcher-outfielder Bill Wetzel in the seventh inning of the opening game.

Wetzel's poke was estimated at close to 500 feet, aimed at the 420-foot centerfield wall in Pasadena's Brookside Park.

The twin killing, the fifth and sixth straight setbacks for Santa Barbara, drops the Gauchos season record to 4-6.

Wetzel hurled all but the eighth inning in the first game, being relieved by Jim Hezlep.

CODY CALLS FOR GAUCHO GRIDDERS

Coach Ed Cody has issued the call for all 1959 Gauchos pigskin football aspirants. All prospective players are asked to attend an important meeting tomorrow afternoon at 4 in the Men's P.E. Building (420-110). Those unable to attend should contact Cody personally.

UCSB TRACKSTERS RIP AZTECS; RECORDS FALL

Coach Nick Carter's University of California, Santa Barbara Gauchos clearly indicated Saturday that they are not to be one of the lesser bridesmaids in this season's CCAA Championship Meet.

The Gauchos, shattering a cou-

ple of meet records and sweeping the first three places in the broad jump and shot put, galloped to their first conference dual-meet victory of the season, blistering invading San Diego St. to the tune of 74-57.

Roland Cordobes, Santa Barbara's amazing junior distance runner, churned to a 1:56.6 clocking in the 880, erasing the existing meet record of 1:57.0, set in 1952 by San Diego St.'s Don Sieban.

Jim Pryde was UCSB's other record-breaker, as he got off a toss of 143 ft., 4 in. in the discus to topple the previous meet mark of 140 ft. 6½ in., established in 1941 by Bob Holmsted of the Aztecs.

Saturday marked the first time since 1951 that the Gauchos have whipped San Diego St. in a dual contest.

Gauchos Tankers, Netters, Linksmen Tune for Weekend

Swimming, tennis and golf return to the Gauchos athletic scene this weekend.

The UCSB mermen, following Friday's setback to Los Angeles St., travel to San Fernando St. Friday for a non-conference test, while the Gauchos netters, fresh from a narrow 5-4 conquest of Stn Diego St., host Long Beach St. Saturday.

The Santa Barbara golfers are scheduled to meet Occidental Monday on Los Angeles' Annandale course.

Warriors Invade for Third Cross-Town Baseball Battle; Game Time Is 3 P.M.

The University of California, Santa Barbara baseball Gauchos will try for the third time this season today to find the ingredients for a "Beat Westmont" recipe.

The Warriors will don their war paint and scramble across town to the campus diamond this afternoon for the third contest in a hotly contested cross-town series, which finds Westmont with a perfect 2-0 record. The opening pitch is scheduled for 3 p.m.

This is the last scheduled game between the two local clubs; however, Gauchos skipper Rene Rochelle has indicated that he might schedule more games with the UCSB rivals to fill out some of the vacant slots on the Gauchos schedule.

Today's tussle will be a non-conference affair, but Santa Barbara will swing right back into CCAA action this weekend with a single game Friday at Long Beach St. and a doubleheader on the following afternoon with the highly touted San Diego St. Aztecs, which will wind up an 11-

day, eight-game stand for the Gauchos.

Two of UCSB's six losses this season have been to Westmont, for on March 17 the Warriors snapped a four-game Gauchos win streak with a 6-4 victory, and then just last week Westmont caught Santa Barbara after its Easter Vacation layoff, and kayoed Rochelle's forces, 11-1.

SPORTS MENU

Today
Westmont at UCSB, Baseball, 3 p.m., Campus Diamond.
UCSB JVs at Santa Barbara High, Tennis.

Friday

Lincoln Authority Monaghan Says President's Pics Fake

In an article in the latest issue of the Journal of the Illinois State Historical Society, Jay Monaghan, noted Lincoln biographer and consultant for the Wyles Collection Lincolniana at UCSB, critically examines the authenticity of three Lincoln photographs and demonstrates that two of them are fakes—in fact, copies of the third.

The UCSB historian points out that there has been much controversy regarding the authorship of one of the three pictures—the famous "tousle head Lincoln." In 102 years, points out Dr. Monaghan, since this picture was taken, four photographers have claimed its authorship, in four different years, in three different cities.

Then, by rephotographing this picture and superimposing it on the other two, he concludes that all three are identical. Thus, the authenticity of two well-known Lincoln pictures is discredited.

Formerly Illinois State historian, Jay Monaghan is one of the country's most productive authors in the Lincoln and Civil War fields.

He is currently working on a biography of George Armstrong Custer, of Little Big Horn fame, that will emphasize the general's Civil War career.

Three Films Set For Tomorrow

Three films will be shown tomorrow at 7:30 p.m. in the classroom building auditorium. Scheduled are "The Fighting Lady," "Ceylon" and "The Plough that Broke the Plains."

Tomorrow evening's showing continues a series of films being presented by the UCSB speech department as part of the Art of the Film class. Among films recently shown in this series were three World War II propaganda films—from the U.S., England and Germany—and, last week, Jean Cocteau's version of "Beauty and the Beast."

All three of tomorrow's films are examples of the documentary motion picture. Admission is free.

Paleontologist Joins S.B. Science Faculty

Dr. Vertress L. Vanderhoof, a noted paleontologist, who is the director of the Santa Barbara Museum of Natural History, has joined the faculty at UCSB this semester as a research associate in the physical sciences.

Dr. Vanderhoof was educated at the University of California, Berkeley, earning his BA in geology in 1929; an MA in paleontology in 1931 and a PhD in vertebrate paleontology in 1935. He has taught at both UC Berkeley and Stanford University.

The paleontologist's experience includes such varied activities as a paleontological expedition to North Africa, serving as physicist on the Manhattan Project and a geologist for an oil company.

For a number of years, Dr. Vanderhoof had been a research associate at the Santa Barbara Museum of Natural History before taking the post as director there late last year.

WHY THROW \$30 AWAY? . . .

Know who is the most worried person on campus these days? Elections commissioner Carolyn Jones enjoys this unenviable distinction—and for no good reason. She is distressed about the lack of candidates for the AS elections.

Actually, she shouldn't be, because she won't be around next year to see the effects of poor student government which could result.

The people who should be concerned are those who will be directly affected by student government next year. They should be out searching for candidates.

You Finance Student Government

And what happens if we don't have qualified officers? To be sure the University won't fold. But believe it or not all of you are under the influence of student government at UCSB. All of you support it with \$30 every year.

The quality of the activities (including the paper, yearbook, athletic program, assemblies, forensics) produced with your money depends entirely on the caliber of people to do the work.

Throw Money Away

One of the best ways to throw your money away is to allow an office to be won by an unqualified candidate. This has been done in the past, and the result has often been incompetent people running student government.

It is interesting that the Greeks, and even the residence halls to a lesser extent, pride themselves in being the "best group" on campus. Ask any Greek which is the best house and he's likely to expound long and loud on his own organization.

Why No Competition?

If there is any competitive spirit in these groups, why don't they support candidates to "run the show?" Why don't the SAEs, for example, run someone for president who will beat John Fiscalini of the Kappa Sigs?

Why don't the Lambda Chis put up a candidate for vice-president to topple Gay Wert of the SAEs? And why don't the residence halls find someone qualified to knock them all off?

Maybe it's because the organizations don't have anyone competent enough to hold the office. Maybe it's because they just aren't interested.

Whatever the reason, if voters do not have qualified candidates from which to select, or, as appears now, no candidates at all, you might very well be throwing your \$30 away.

GOODSPEED PLAN SOUND . . .

The Goodspeed Athletic Plan is a good one. If adopted it will simultaneously solve the two major athletic problems at UCSB.

First, it will, by establishing more firmly the principal of one-third of the total AS appropriation for athletics through 1965, put current sports on a sound financial basis. It will also eventually make room for new sports.

Second, and perhaps most important, the plan will prevent "big time" athletics and all its accompanying evils from coming to UCSB.

The cut-off figure of \$45,000 for AS participation in the athletic program and the avowed disfavor with which the administration views semi-professionalism indicate that there will be no transformation of this college campus into an athletic arena.

For these reasons, and numerous others, Council would be wise to accept the well-founded recommendations which are embodied in the Goodspeed Plan.

Summer Work Talk

The Elem Ed Club will sponsor an interesting talk on "Opportunity for Camp and Recreational Work During Summer Vacations," to be given by Dr. Hayes. Dr. Hayes, who was a former field representative for the Red Cross in Aquatics, is a teacher at Hope School and the owner of El Capitan Camp. Everyone is invited to attend this event in Bldg. 409, Room 210, tomorrow at 7:30 p.m.

Talk in French

Gaucha freshman Renelde Demeure will describe—in French—her experiences in Belgium and Bolivia at a UCSB French Club - sponsored meet in the SU Huddle tomorrow at 2 p.m. Miss Demeure was born in Belgium and lived eight years in Cochabamba, Bolivia. All students are invited to the free event.

Charter Session

There will be an Inter-club Council charter meeting today at 7:30 p.m. in Room 1131 of the classroom building.

3514 State St.
 Santa Barbara WO 6-1649

Assembly Meeting

The Assembly Committee will meet at 1 p.m. today in the Student Union Conference Room. Assemblies for the remainder of the semester will be planned.
