## Gladioli Experiment Here May Lead to New Industry

Carpinteria may soon find itself famous for its culture of gladiolis for both cut flowers and bulbs, as well as for the quality and quantity of lemons produced in the valley, as the result of experiments that have been carried on for some months by Albert T. Miller and L. R. Kagarise of Los Angeles on Shepard's Mesa.

According to Mr. Miller who, with his partner, Mr. Kagarise, leased 3½ acres of land on the mesa last fall, his experiments with gladiolus culture here have been successful beyond his expectations and he has also found the location ideal for experiments with delphinium and dahlias. Miller stated that he has grown gladiolis in all parts of southern California but that Carpinteria has been the first location that he has found where winter gladiolis may be grown with complete success. In addition he stated that he has found all his plants free from thrip, the pest which gladiolis growers in other sections have to combat.

At the present time the two men have between forty and fifty thousand gladiolis in the trial field and some twenty-eight thousand to be used for cut flower and bulb purposes now in bloom. Another plot containing an equal amount will come into bloom within several weeks. In addition they have 1,000 delphinium plants under cultivation as well as a number of dahlias.

At the present time they are planning to lease an additional eight acres which will be put under cultivation.

With the aid of Clarence Cadwell as photographer, a colored film to be used for publicity purposes is to be made showing every (Continued on page 8)

## LEGION TO HOLD ANNUAL BARBECUE SATURDAY NIGHT

The Howland-Show Russell Post of the American Legion will hold its fifteenth annual barbecue at the Solari-Schweizer ranch tomorrow evening. The first barbecue was held in June 1923 and the affair has since become an annual event.

The committee in charge of arrangements this year is composed of F. W. Thomas, chairman, Bud Franklin, Stanley Shepard, Richard Kistler and E. D. Solari. A. E. Horton is in charge of finances.

Preparations are being made for a large attendance including guests from Santa Barbara and Ventura. Members of the Carpinteria Fire Department have also been invited.

## BEACH BEING CLEANED

The Carpinteria beach is being cleaned up in preparation for the summer season by several men under the direction of Gates Foss, life guard stationed here.

## YOUTH FELLOWSHIP MEETS SUNDAY EVENING

The Youth Fellowship of the Community Church which meets on Sunday evenings in the church is now engaged in a study of "The Prophets and the problems of Life." Jack Hoffman, leader for this Sunday evening, will discuss the subject, "Have I a Right to Be Rich?"

## RAYMOND ELDRED SPEAKER AT LION'S CLUB LAST NIGHT

Mr. Raymond B. Eldred, director of the WPA Symphony Orchestra of Santa Barbara, was the guest speaker at the Lion's Club dinner last night which was held in the Veteran's Memorial Building. He chose as his topic, "Patriotism and Memorial Day." John B. Hudson was in charge of program arrangements for the evening.

## CARNIVAL PLANS FOR JUNE 3-4 ANNOUNCED

The Carnival Committee of the Legion, Lion's Club and Chamber of Commerce met Tuesday evening to make final plans for the Community Carnival which will be held next Friday and Saturday at the Cerca del Mar Club House in the State Park.

It was announced that arrangements for various games had been completed and that a five piece orchestra had been engaged for the jitney dance on Friday and Saturday evenings. The same orchestra will play for the free dancing which is to be a feature of the program for Saturday afternoon.

G. W. Hitchcock has arranged to present a group of badminton players in exhibition matches on both evenings between the hours of 7:00 to 9:00 p. m.

Various exhibits are being arranged for and complete details of the program and exhibits will be announced next week.

## MEMORIAL SERVICES TO BE HELD SUN.; GRAVES DECORATED

Churches in the Valley will join with the American Legion and Legion Auxiliary in a special Memorial Day Service on Sunday morning in the Veteran's Memorial building at 11:00 a. m. to which all residents and visitors in the community are extended a cordial invitation.

The music and other arrangements are in charge of Rev. Melvin J. Addington of the Methodist Church and Rev. Deane F. Babbitt will deliver the sermon on the topic, "Heroes All!"

All persons in the Valley who have flowers to spare are asked to bring them to the Memorial Building Sunday morning. The American Legion will take them to the local cemetery following the services for decoration of graves.

Mr. and Mrs. Henry W. Sturmer entertained the members of their bridge club at dinner at the Montecito hotel last Friday evening.

## Town Eligible for Carrier Service on Public Request

### AIR MAIL DOUBLED SINCE OBSERVATION OF AIR MAIL WEEK

Approximately 600 letters were dispatched by air mail through the local post office last week during the observance of air mail week. In addition many incoming letters were received and many Carpinteria residents are displaying collections of cachets received from various towns.

That the purpose of the air mail week observance of better acquainting the general public with the speedy transportation of communications at low cost has been accomplished is evidenced by the fact that according to the local post office the volume of air mail letters being handled here before last week's celebration, has been just double so far this week.

## ENJOYS BEACH

A group of students from the Dolores School in Santa Barbara spent Thursday afternoon at the Carpinteria beach.

Mrs. H. L. Beckstead, Mrs. Leonard Kirkes and son, Jimmy, and Mrs. Adah Hursh, who is returning to her home in Portland, have been visiting relatives at Smith River.

Dr. Genevieve Shorkley and Miss Ruth Bliss attended the concert of the U. C. L. A. orchestra at Westwood last Friday at which time Miss Mary Shorkley appeared as soloist.

## All Fire Regulations To Be Enforced; Hazards Increase

### SCHOOL ELECTION TO BE HELD ON FRIDAY JUNE 3

Little interest is being shown in the grammar school and high school trustees election which will be held next Friday, June 3, between the hours of 1:00 and 5:00 p. m. at the office of the Carpinteria grammar school.

The incumbents on both boards have no opposition unless a write-in campaign should be started at the last minute. E. D. Solari and Mrs. A. R. Horton are up for reelection on the grammar school board and Howard Irwin on the high school board.

Mrs. George Bliss returned to Carpinteria last Friday after spending the week with Mr. Bliss and her son, George, Jr.

\* Although the application for city mail delivery service for Carpinteria which was submitted to Washington postal authorities by the local post office several months ago was refused it is believed that there is still an excellent possibility of securing this service if sufficient demand is made by individuals and various civic organizations, since Carpinteria has met all requirements with the exception of several minor details.

The granting of such service would mean the creation of two full time jobs, carrying an initial salary of \$1700.00 a year and a part time job if granted under the City Delivery Service or one full time job with initial salary of \$1200.00 a year and one part time job if granted under the Village Delivery Service.

Since the gross receipts for the last fiscal year at the Carpinteria post office were over \$10,000 and it is now estimated that Carpinteria has a population of 2600 within the town proper and there are also some 894 homes located in this area, Carpinteria should be able to qualify for the City Service, with the exception of the requirement calling for proper street signs and this matter could easily be taken care of at small expense by some civic organization or possibly with the assistance of the County.

The granting of such service would mean a savings of several dollars a year to many people in the community since it would no longer be necessary to rent post office boxes and would prove a great convenience to many people who can not always arrange to call for their mail at the Post Office and the taxpayers of the community. (Continued on page 8)

\* Due to the rapidly drying vegetative cover on the approximately 700,000 acres which the Santa Barbara County Forestry Department protects from fire it will be necessary to place all regulatory measures in effect on June 1, 1938. The Fire Patrolmen are already on duty, having been placed on May 15 in order to carry out the work of fire proofing areas which come within the provisions of County Ordinance 494 before the danger became too great. A list of the patrolmen with their headquarter locations and telephone number is attached. The regulatory measures to be enforced under Section 384 of the Penal Code and County Ordinance 494 include the requirements for a burning permit before fire can be used to burn standing brush, grass, or other inflammable growth upon lands that are less than 500 feet from any other lands covered with inflammable growth. Before a (Continued on page 8)

## Sale of Poppies Saturday To Aid Disabled Veterans

The American Legion Auxiliary\* completed plans for the Poppy sale to be held today and tomorrow at their meeting Monday evening in the Veteran's Memorial Building. The Auxiliary urges every resident of the Carpinteria district to buy and wear one of the little red paper flowers which have been made with painstaking care by disabled veterans in our own California hospitals.

The Legion Auxiliary furnishes the material for the flowers and pays the men 3 cents for each flower made. Only veterans who receive no other compensation are permitted to engage in this work and while for most it is a hard task to fashion each petal and put them in place, it is happy work for it means that they are able once more to earn some money of their very own.

The balance of the money received from the sale of the poppies is spent on rehabilitation, (Continued on page 8)

## GRAMMAR SCHOOL BIDS TO BE OPENED JUNE 6

Bids for the construction of the new grammar school will be opened on Monday, June 6th, and the contract awarded to the best bidder. It is expected that actual construction of the new building can be started within a week or ten days after the bid has been awarded and every effort will be made to have the school ready for use by Thanksgiving.

Persons who desire to look over the plans and drawings for the new building may do so at the office of the grammar school where an extra set of drawings are on file. However, it will not be permissible to take these plans from the office.

## MEMORIAL DAY

The white clouds of cannon-smoke billowing over the fields of Appomatox have long since dissolved.

So, too, has the bitterness which rent this nation apart with the cruel swiftness of a lightning bolt scarcely two generations ago.

Seventy-five summers since the lads of the Blue and the Gray locked in a fierce struggle on Gettysburg's terrain, a few remaining members of the fast-dwindling ranks of the Union and Confederate Armies will gather this Decoration Day at Gettysburg.

Not in hatred, but in friendship will they clasp hands across the wide gulf of the years, united at last as America is united.

But on this occasion America does honor not only to the men who fought for an indivisible nation unshackled by serfdom, but to all those other gallant thousands who have since given their lives in America's struggles against the rampant wildfire of militarism and autocracy. Yet militarism and autocracy still prevail in the world.

Did those men we honor on this day make a point-less sacrifice? Did their mothers and other loved ones suffer heartbreak, loneliness, and tragedy for nothing? We think not. Not if the flowers, the prayers, and the homage we accord them are given as pledges that they who gave their lives in the belief they fought a war to end war—so that America need never fight again—did not die in vain.

What more fitting tribute could they ask for us on this day of remembrance than our resolve not to break faith with the ideal for which they laid down their lives?

## A NEEDED SERVICE—

Carpinteria is entitled to mail carrier delivery service under existing post office regulations, the major qualification of gross receipts exceeding \$10,000 per year at the local post office having been met last year.

An application was submitted for this service last fall, but was not granted. No reason was given for this refusal but the lack of interest of Carpinteria residents and civic organizations unquestionably played some part in the failure of Post Office authorities to grant this service.

However, since that time considerable civic activity has taken place in Carpinteria and there is every chance that if various civic organizations and individuals will back up the application for this service and take the necessary steps to meet requirements set up by post office regulations that a new application would be granted. Practically all requirements for this service have been fulfilled with the exception of proper street signs. However, this is a matter which could be taken care of with little expense, possibly through the co-operation of some

## The Churches

Carpinteria has a number of Churches, whose pastors and members will be glad to welcome you to their services.

**CHRISTIAN SCIENCE SOCIETY**  
Christian Science Society, Carpinteria, a branch of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass., holds service every Sunday at 11 o'clock a. m., Sunday School at 9:45 o'clock. Mid-week meetings every Wednesday evening at 8 o'clock.

A reading room is maintained in the church building, open Tuesday afternoons (except holidays) from 2:30 to 4:30 o'clock.

The Lesson-Sermon on Sunday in all branches of the Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts, cites for its Golden Text these words of Jesus from Matthew: "Take heed that no man deceive you," and denounces ancient and modern necromancy, alias mesmerism and hypnotism.

One of the Bible selections in the Lesson-Sermon includes these words from Nehemiah: "So built we the wall; . . . for the people had a mind to work." Another passage includes Paul's words to Timothy: "Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth. But shun profane and vain babblings: for they will increase unto more ungodliness."

The Lesson-Sermon presents also these words from "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Christian Science reveals Truth and Love as the motive-power of man. Will—blind, stubborn, and headlong-co-operates with appetite and passion. From this cooperation arises its evil. From this also comes its powerlessness, since all power belongs to God, good."

civic body and the County and in any event is something which should be taken care of since it is difficult for strangers to locate addresses when streets bear no signs designating their names.

The establishment of carrier service would mean no additional expense to residents, but rather would mean a savings to many since it would eliminate the necessity of paying Post Office box rent, and would prove of great convenience to many persons who, for various reasons, do not find it possible to call for their mail each day.

Another angle to this service which should be considered by the business people of the community is the fact that it would create at least two and possible three positions and it is normally to be expected that a good part of the salary received from these positions would be spent in the town where it was earned, thus adding to business income.

At the same time that carrier service is being considered some effort should be made to determine just what the possibilities are of securing a new Post Office Building for Carpinteria. Mention has been made in the daily papers several times that a federal building for Carpinteria is on the approved list, if funds should become available. Such a building would be an asset to the community and would also increase payrolls since it would be necessary to put on a government custodian for the building under existing regulations and it would probably mean the addition of another postal clerk, since it was found necessary to add sixteen new clerks to the personell of the Santa Barbara post office when the new building was occupied.

However, it should be remembered that it takes cooperation to secure civic improvements and if Carpinteria wants these improvements mentioned it will be necessary for some action both collectively and individually. Just standing around and saying, "It would be nice," won't do the job.

## LOCAL BAND IN ANNUAL FESTIVAL

Members of the Carpinteria High School Band under the direction of Fred Greenough spent last Friday in Santa Barbara where they participated in the Fourth Annual High School Band Festival. Nine bands, composed of some 400 members joined in the festival under the direction of Herbert Clarke, Guest Conductor. Schools included were: Santa Barbara High School, Ventura Junior College, Fillmore High School, Santa Paula High, Lompoc High, Oxnard Union High, San Luis Obispo High and Lancaster High.

Members of the Carpinteria Band journeyed to Santa Barbara in the morning for rehearsal, joining in the parade up state street at 4:00 p. m. Following the parade which ended at the Court House, pictures were taken and the group entertained at dinner at the High School. At 6:30 the bands marched to the stadium and presented the following program at 7:00 p. m.:

Combined Bands— "Military Escort", Bennett and "Little Giant", Moon, directed by Mr. Theron White.

Lancaster High School— "Carnival" Overture, Gibbs, directed by Mr. Theron White.

Lompoc High School— "Iron Count", King, directed by Mr. Henry Brubeck.

Oxnard High School— "Majestic" Overture, Lawrence, directed by Mr. W. W. Roblee.

Carpinteria Union High School— "Arabian Nights", Yoder, Directed by Mr. Fred Greenough.

Fillmore High School— "In a Persian Market", Ketelby, directed by Mr. George Wright.

Combined Bands— "Zacatecas", Codina, directed by Mr. Carl Loveland.

San Luis Obispo High School— "Tschaikowsky", Yoder, directed by Mr. Carl Loveland.

Santa Paula High School— "Mozart" Selections, Yoder, directed by Mr. Peyton Johnson.

Ventura Junior College— "Don Quixote" Suite, Safranck, directed by Mr. Harold B. Howe.

Santa Barbara High School— "Poet and Peasant" Overture, Suppe, directed by Mr. J. W. McAllister.

Santa Barbara High School Band— "Trixie", Clarke, directed by Mr. Herbert Clarke.

Combined Bands— "Thunderer", Sousa; "Calef of Bagdad", Boieldieu; "Star Spangled Banner", Smith, directed by Mr. Herbert Clarke.

Some 2,000 persons attended the concert and witnessed the striking appearance of the combined bands as they paraded in various formations in the stadium. The Carpinteria band with their red coats and caps and white trousers or skirts made an excellent showing and their performance of "Arabian Nights," by Yoder, under the direction of Fred Greenough was well received. One of the outstanding events of the evening was the performance of Virginia Cushman, Guest Cornet Soloist.

Members of the Carpinteria band are as follows:

Drum Major: Linn Cadwell.

Drum Majorettes: Martha Thurmond, Beverley Humphreys, Josephine Stewart.

Cornet: Barbara Bassett, Harold Ober, Neil Clark, John Lyman, Gordon Milne, Rolland Willebrandt, Catherine Ingerson, Anna Lee Drake.

Horn: Myron Sturmer, Esther Armstrong.

Saxophone: Cecil Thomas, Kenneth Coffman, Mary Rodriguez, Melba Reeves.

Flute: Mary Cadwell, Card Whitcomb, Nina Ann Miller, Carolyn Andrews.

## PROGRAMS MUST BE FILED BY JUNE FIRST

Range operators interested in cooperating with the 1938 Range Conservation program and who have not already done so have only until June 1st., to enter their ranch or ranches in the program.

It is necessary that each one interested call at the Agricultural Conservation Association office, Room 11, Post Office Building, Santa Barbara in order that the practices may be discussed as applied to the individual ranch and also to prepare the necessary forms.

This year Range Conservation program includes payment for deferred grazing, artificial reseeding, erosion and runoff control, earthen tanks and reservoirs, concrete or rubble masonry dams, wells, springs and fire guards.

In order to qualify, these improvements must be on range land only—crop land is not included in this program nor can compensation be received for practices on land on which the beneficial interest is in the United States.

Payment is made at a prescribed rate on the practices finally approved by the County Committee but the total payment for the ranch can not exceed the Range Building allowance which is \$1.00 for each animal unit of the grazing capacity plus two cents an acre for the rangeland.

**DEMOCRATS ASKED TO ATTEND MEET MONDAY EVENING**

Selection of candidates to be sponsored for election as members of the Democratic County Central Committee at the August Election, and filling of vacancies in district chairmen and precinct captains, will be the principal order of business at the regular and general meeting of all districts comprising the Santa Barbara Democratic Club to be held Monday, Memorial Day, at 8 p. m. in the Little Theatre, Room 210, of the Santa Barbara High School.

As vacancies to be filled include a chairman for the first supervisory district organization, which includes Carpinteria, Summerland and Montecito, Democrats residing in Carpinteria and other communities of the first supervisory district are particularly urged to

attend and participate. Any registered Democrat may become a member of the club that evening, and will be eligible for selection as candidate for county committees, two of whom will be elected from the first supervisory district, or in filling the vacancies of chairman and precinct captains.

The Santa Barbara Democratic

Club is chartered by the Democratic State Central Committee.

Fifty thousand American Legionnaires will preview the 1939 Golden Gate International Exposition next September when they stop in San Francisco enroute to the national convention in Los Angeles.

**CATALINA FISHING GOOD**

Deep sea fishing at Church Rock, at the eastern end of Catalina Island, is reported good by the Outing Department of the National Automobile Club. Live bait boats, which leave Long Beach between 3 and 6 a. m., are bringing in good catches of Yellowtail, averaging 18 to 20 lbs., and Bar-

racuda, averaging 5 to 7 lbs. Since recent rains, local fishing has been reported only fair. No Yellowtail or Baracuda, but Big Sea Bass, averaging 18 to 20 lbs. and Halibut, averaging 5 to 6 lbs., have been caught. Boats leave Belmont Pier in Long Beach, every 1 1/2 hours for Rainbow Barge, beginning at 6 a. m.

## GIRL SCOUT RALLEY TO BE HELD TONIGHT

The Girl Scout Ralley under the direction of the Carpinteria Girl Scout committee will be held this evening in the Veteran's Memorial Building at 7:00 p. m. at which time the Brownie Groups and Girl Scout troops will present a program and badges will be distributed by Mrs. Donald Bailard, chairman of the badge and awards committee. Camperships will be awarded by Mrs. H. B. Franklin to the girls who have qualified for these awards. Mrs. John Rock is in charge of the floral decorations and corsages.

During the evening eleven members of the Brownies, junior girl scout organization, will "fly-up" to become members of the Girl Scouts. At the close of the evening refreshments will be served.

## MRS. CARRIE JOHNSON BRIDE OF O. W. DAVIDSON

Mrs. Carrie Johnson became the bride of Oscar W. Davidson last Sunday afternoon at a simple ceremony performed by Rev. J. A. Lewis at the home of the bride's daughter and son-in-law, Mr. and Mrs. Marvin Davidson on Vallecito Road in Carpinteria.

Mrs. Davidson is a former resident of Sacramento and Mr. Davidson is the proprietor of Davidson's meat market. The couple will make their home in Carpinteria at the Bliss courts on Linden Avenue.

## ALTAR SOCIETY GIVES BENEFIT DINNER

The Altar Society composed of the American ladies of the St. Joseph's Catholic Church gave a benefit dinner at the Veteran's Memorial Building on Tuesday evening. Funds raised by the dinner will go toward the upkeep of the Church.

The dinner was served between the hours of 6:30 and 8:00 p. m. and was highly successful, some 135 dinners being served. Music was furnished by the Carpinteria Assembly of the night school orchestra under the direction of Otto Kluge. All food for the dinner was donated, so that a nice profit was realized.

Ladies assisting with the dinner were: Mrs. Barney Kathman, Mrs. Lonnie Buell, Mrs. Chester Miller, Mrs. Willson, Mrs. Eldred, Mrs. Estelle Hebel, Mrs. Lobero, Mrs. Gohlman, Mrs. Frank O. Shepard, Mrs. R. W. Bates, Mrs. Tom Savage and Mrs. Chas. Rodriguez.

## JEAN BAILLARD HOSTESS AT BRIDGE PARTY

Miss Jean Bailard entertained with four tables of bridges at her home on Wednesday evening for a number of Carpinteria and Santa Barbara friends. Guests from Carpinteria were Mrs. Neil Furby, Miss Ruth Bliss, Miss Margaret Heltman, Miss Betty Franklin and Miss Lua Thurmond.

## GROUP TWO OF WOMANS ASSOCIATION ENTERTAINS

Group two of the Woman's Association of the Community Church entertained with a Chinese Checker party on Wednesday afternoon at the home of Mrs. F. A. Hebel. The committee in charge of the affair included Mrs. M. F. Lewis, Mrs. Henry Sturmer and Miss Minnie Merrihew. The hostesses and a number of the guests wore Chinese dress for the affair.

Among those who were present were: Mrs. Lelia Cummins, Dr. Genevieve Shorkley, Mrs. F. C. Snow, Mrs. Phil Mills, Mrs. Orin Phillips, Mrs. Oscar Davidson, Mrs. Lucille Curtis, Mrs. Mabel Treloar, Mrs. Anna Eldred, Mrs. Agusta Lyman, Mrs. C. J. Miller, Mrs. V. ## Song Contest Award To Be Made Sunday Night At El Cortijo

The five dollar prize offered for the best name submitted for a new selection written by one of the orchestra members will be awarded Sunday night at El Cortijo by Lyle Griffin, leader of the swing band which has proven so popular with patrons during the past few weeks.

The contest has been in progress for several weeks and so many names have been submitted that the orchestra faces a difficult task in selecting the winner. There is still time to submit names for the new piece, which is played several times each evening, as the contest does not close until shortly before the winner is to be announced Sunday evening.

## Your Hollywood Correspondent Reports . . .

The most unique picture preview given in Hollywood in many months was held at the Ambassador Hotel when "Cocoanut Grove," featuring Fred MacMurray, Harriet Hilliard and the Yacht Club boys, was shown for the first time. The Ambassador Hotel theater was reserved for the showing and later in the evening guests and principals in the picture enjoyed a floor show and dinner party in the world-famous Grove. The guest list passed the 500-mark early in the evening and celebrities attending included Fred MacMurray, Dorothy Lamour, Randolph Scott, Bob Hope, Shirley Ross (Bob and Shirley sang "Thanks for the Memory"), Harold Lloyd, Bob Burns (he talked about daughter, Barbara Ann, all evening), the Yacht Club Boys, Ben Blue (he drew pictures on all the table cloths of his new home in Encino), Harriet Hillard, Betty Grable (escorted by husband, Jackie Coogan), Louise Campbell (with finance, Horace MacMahon), Ray Milland (he had to leave at 9 because he had a six o'clock call the next morning for "Men With Wings"), Eve Arden and Lynne Overman.

Jack Benny, who just started in "Artists and Models Abroad," is excited about the new Beverly Hills home he's just built. Martha Raye will vacation in Honolulu, as soon as she completes her role in "Give Me a Sailor." Claudette Colbert returns from her European vacation on the Normandie May 15th. Her next Paramount assignment is "Are Husbands Necessary?" When George Raft vacations away from Hollywood next, upon the completion of "Spawn of the North," it will be to attend the Schmelling-Louis fight. Later he will take a rest in Hot Springs, Ark.

Gail Patrick is back in town following several days' vacation in Santa Barbara and Riverside. George Burns and Gracie Allen already making plans for their annual summer vacation in New York. Ellen Drew celebrated her forthcoming assignment opposite Ronald Colman in "If I were King" by going right out and leasing a luxurious new home. Joan Bennett donned garden clothes as soon as she completed her role in "The Texans," and has been supervising the landscaping of the grounds around her new Holmby Hills home.

## "MAYERLING" OPENS SUNDAY AT LOBERO

Miss Danielle Darrieux, whose salary is three times bigger than President Roosevelt's, gets her chance Sunday to prove to Santa Barbara audiences that she's worth it.

Her greatest starring vehicle, "Mayerling," the picture that won the Critic's Award for the best foreign film of 1937, opens at the Lobero Theatre at that date, and will stay for a week's engagement. In this film, Miss Darrieux shares top honors with Charles Boyer, already an established Hollywood favorite, in the story of the tragic life and love of the Crown Prince Rudolph of Austria and the Baroness Marie Vetsera. This picture has had extended runs in

Daniella Darrieux who appears in "Mayerling" a French made film at the Lobero Theatre for one week starting Sunday May 29.

New York, Paris and London, as well as in Los Angeles and San Francisco, but is appearing for the first, and probably the last, time in this locality.

Miss Darrieux, reputedly the possessor of Hollywood's loveliest figure, was signed to a \$5000 per week contract by Universal Studios as a result of her work in "Mayerling." She is 21 years old, a brunette, and already is being hailed as a top-ranking beauty. She has been a film actress since she was 14, and has been regarded as France's leading dramatic ingenue for the past three years. At present, she is resting at her Bel-Air home, after completing work on a new picture for Universal.

The Lobero's departure from its usual policy of presenting only stage productions was explained by Harold Purdy, manager of the theatre. "We are scheduling this production because we feel that we owe it to our patrons to bring them the best in the artistic world. This film has won such universal acclaim as a triumph of acting, directing and narration, that we feel certain that Santa Barbara audiences deserve a chance to see it." Purdy stated.

On the same program, the Lobero will present three outstanding cartoons, "Three Little Wolves," "Hiawatha," and "Lullaby Land."

Many holidays, such as Armistice and Admission Days, Thanksgiving and the Fourth of July will be commemorated with ceremonies on Treasure Island during the 1939 Golden Gate International Exposition.

## REGIS TOOMEY APPEARING IN "THANKS FOR MY WIFE" FAVORS STAGE

Regis Toomey recently was credited with shocking Hollywood by simply stating a truth.

Toomey, who will appear in a featured role opposite Alan Dinehart in "Thanks for My Wife," coming to the Lobero theater tonight for three performances has made it a practice to work in that medium of entertainment where happiness is the greatest reward. This doesn't mean it was, or it is, art for art's sake, but with Toomey, who originated in the theater, it does mean that he would never become a permanent slave to Hollywood.

At the pinnacle of his picture popularity and earning power, Toomey seized the chance to enact the stellar role in "Sailor, Beware." He had soared to featured prominence in the films and worked endlessly over a three-year contract with Paramount.

When he wearied of laboring be-

**JAIL SENTENCE FOLLOWS CRASH**

As a result of an accident which occurred last Friday about noon at the corner of 9th Street and Linden Avenue, Goodfellow Spears was sentenced to 60 days in the County Jail by Judge C. P. Moore last Saturday after he pled guilty to three counts of violation of the state motor vehicle code; drunk driving, Sec. 502, defective brakes, Sec. 670, and operating a vehicle without a driver's license, Sec. 250A. His companion, Ray Cates, was sentenced to thirty days in the County Jail at the same time, following his plea of guilty of violating the County Drunk Ordinance, C. O. 490.

The two men were arrested by Motor Patrol officers after they had struck a parked car, operated by Mrs. Neil Furby, near the Carpinteria Plumbing Co. store. Only property damage resulted from the crash although Mrs. Furby is reported to have narrowly escaped injury by jumping from the path of the oncoming car.

**K. OF P'S HOLD LEAD IN CRIBBAGE TOURNNEY HERE**

At the finish of the evening's play in the local cribbage tournament last Friday evening in the Veteran's Memorial Building, the third game of the series, the Knights of Pythias retained their lead with a total score to date of 49. The Lions Club and American Legion were tied for second place with a total score of 42. The Masonic team held third place with a score of 40 and the Cribbage club, in fourth place with a score of 37 was trailed by the Chamber of Commerce team with a score of 33.

Tied for partner's high score were five couples with 17 games each; Hatton and Cummings, Bauhaus and Boren, Holsten and Martin, Shepard and Doerr and Upson and Houts.

Because the Veteran's Memorial Hall had been reserved for other purposes for Friday evening, this weeks play was held last night immediately following the Lion's Club meeting and the results and team standings will appear in the next issue of the paper. Next week's play will also be held on Thursday at the same time instead of Friday evening, so that it will not conflict with the community carnival which opens that night.

The tournament is arousing considerable interest and keen competition between the players and the winning team will receive a cup donated by the Chamber of Commerce. Prizes will also be awarded to the high partners at the conclusion of the tournament, which has three games left to play, including the play-off.

**rites TO BE HELD IN EAST FOR MRS. H. C. CATLIN**

Funeral services will be conducted in the First Presbyterian Church in Agusta, Ill., for Mrs. Harietta Cooper Catlin, who passed away at the home of her daughter, Mrs. W. Guy Stockton, in Carpinteria early Monday evening following a lengthy illness. The services will be in charge of the Rev. William D. Clarke, a former pastor, assisted by Dr. Turner Hood. Interment will be in the family plot in the Agusta cemetery.

Mrs. Catlin, who was 81 years of age at the time of her death, had made her home with her daughter for the past four and a half years. She was born in Agusta, Ill., where she had resided most of her life. She was the widow of George Catlin, who with his brother, was a pioneer in the cattle business in Montana.

In addition to her daughter, Mrs. W. Guy Stockton, she is survived by one grandson, Donald Catlin Stockton, and niece, Mrs. Ina Gayman of Britton, Oklahoma. Mrs. Stockton accompanied the body east and will remain in Agusta for about a month before returning to Carpinteria.

**APRIL GAS TAX SHOWS INCREASE**

Sacramento—A substantial increase in gasoline sales during April was reported today by the State Board of Equalization.

The gasoline tax revenue for last month amounted to \$4,632,373.50, an increase of \$464,024.94, or 10.02 per cent over the same

month of 1937. The tax was assessed against the distribution of 154,412,450 gallons of gasoline.

The April sales were the highest reported by the Board since August, 1937.

### RESOLUTION OF INTENTION TO SELL OR LEASE REAL PROPERTY AND NOTICE REQUESTING BIDS FOR SAME

WHEREAS, the Carpinteria Union School District of Santa Barbara County, State of California, is the owner of certain real property more particularly hereinafter described; and

WHEREAS, said real property so described is no longer needed for public use by said Carpinteria Union School District;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the Board of Trustees of said Carpinteria Union School District, and it is hereby declared to be the intention of said Board of Trustees, that said parcels of real property hereinafter more particularly described, be sold or leased, upon the following terms and conditions, to-wit:

Alternate No. 1: Bids may be submitted for the purchase of the whole of the property hereinafter described, at a minimum price of Sixteen Thousand Dollars (\$16,000.00) for the whole thereof, terms to be cash. Each bid must be accompanied by a certified check for 10% of the amount of the bid and made payable to the Board of Trustees of the Carpinteria Union School District of Santa Barbara County, State of California; said check to be forfeited to the said Board should the bidder fail to make the final payment within 15 days of the notification of the acceptance of his bid.

Alternate No. 2: Bids may be submitted for the purchase of Lots No. 1, 2, 3, 4, 21, 22, 23, 24 of Block 10 of the Town of Carpinteria, County of Santa Barbara, State of California, hereinafter referred to and described, at a minimum price of \$6,000.00, cash, each such bid to be accompanied by a certified check for 10% of the amount of the bid made payable to the said Board of Trustees of the Carpinteria Union School District of Santa Barbara County, State of California; said check to be forfeited to the said Board should the bidder fail to make the payment of the balance of said bid within 15 days of the notification of the acceptance of his bid; and it is likewise to be a part of said Alternate No. 2 that the bidder shall lease the balance of the lots contained in said Block 10 as hereinafter described, at a yearly rental of \$1.00 for a term of three years, with an option to purchase said lots so leased in the following manner, to-wit: Lots No. 5, 6, 7, 18, 19, 20 of said Block 10 on or before the expiration of the first year of said lease, or within 10 days thereafter, for the price of \$4,111.91 cash; Lots No. 8, 9, 15, 16, 17 of said Block 10 on or before the expiration of the second year of said lease, or within 10 days thereafter, for the price of \$3,872.52, cash; Lots No. 10, 11, 12, 13, 14 of said Block 10 on or before the expiration of the third year of said lease, or within 10 days thereafter for the price of \$3,462.86 cash.

Sealed bids may be filed in the office of the principal of the Elementary School of said Carpinteria Union School District in Carpinteria, California, up to the hour of 3 P. M. on the 31st day of May, 1938, at which time and place bids will be opened and read in public.

At said meeting any responsible person may increase the highest written proposal by a bid of not less than 5% in excess thereof, and the highest oral bid shall be finally accepted; except, however, that the Board of Trustees reserves the right to reject any or all bids, to waive any informality in any bid received, and to determine the best bid on the above alternates.

The real property hereinabove referred to is situate, lying and being in the County of Santa Barbara, State of California, and is more particularly described as follows:

All of Block 10, including Lots No. 1 to 24 inclusive, of the Town of Carpinteria, County of Santa Barbara, State of California, according to the map thereof recorded in Rack No. 2, Map No. 4, Records of Said County.

A copy of this resolution and notice shall be published once each week for three successive weeks before the 31st day of May, 1938, in the Carpinteria Chronicle, a newspaper of general circulation published in the County of Santa Barbara, and shall be posted in three public places in said school district not less than fifteen days before the said 31st day of May, 1938.

Passed and adopted by the Board of Trustees of the Carpinteria Union School District of Santa Barbara County, this 9th day of May, 1938.

### NOTICE OF PROPOSED ABANDONMENT OF CERTAIN PORTIONS OF A PUBLIC ROAD IN THE THIRD ROAD DISTRICT

BEFORE THE BOARD OF SUPERVISORS OF THE COUNTY OF SANTA BARBARA, STATE OF CALIFORNIA.

In the Matter of the Petition of RALPH RUNKLE, and others for the discontinuance and abandonment of certain portions of a public road in the Third Road District, in the County of Santa Barbara, State of California.

NOTICE IS HEREBY GIVEN to all freeholders in the Third Road District in the County of Santa Barbara, State of California, that Ralph Runkle, and others, on the 11th day of April, 1938, filed with the Board of Supervisors of the County of Santa Barbara, State of California, a petition to vacate, discontinue, abandon and abolish certain portions of a public road in the Third Road District, in the County of Santa Barbara, State of California, hereinafter described; and that said Board of Supervisors, by order duly given and made, fixed Monday the 9th day of May, 1938, as the time for the hearing of said petition, and that inadvertently the Notice of said hearing contained the date of May 11th, 1938 as the time set for said hearing;

NOW, THEREFORE, the said Board of Supervisors, by order duly given and made the 9th day of May, 1938, fixed Monday the 6th day of June, 1938, at the hour of ten o'clock a. m. of said day, at the chambers of the Board of Supervisors, in the Court House in the City of Santa Barbara, County of Santa Barbara, State of California, as the time and place for hearing said petition, and at which time and place any person interested in said matter may appear and show cause, if any they have, why said petition should not be granted, and said portions of public road be vacated, discontinued, abolished and abandoned.

Said portions of public road sought to be vacated, discontinued, abolished and abandoned are located in the Third Road District, in the County of Santa Barbara, State of California, and are more particularly described as follows, to-wit:

All that portion of a road deeded by Julius Doty to the County of Santa Barbara, dated June 7, 1897 and recorded in Book of Deeds 59, Page 524, in the County Recorder's office of the County of Santa Barbara, June 8, 1897, except the first course of said deed.

By Order of the Board of Supervisors of the County of Santa Barbara, State of California, the 9th day of May, 1938.

J. E. LEWIS, Clerk.  
Published in the Carpinteria Chronicle, May 13, 20, 27, 1938.

## WASHINGTON NOTES

**Santa Ynez River Control**  
Congressman Elliott's bill providing for the control and conservation of the waters of the Santa Ynez River and its tributaries was included in the Omnibus Flood Bill and approved by the House.

The bill as passed also provided that the Federal Government would assume seventy percent of the cost for land and easements for flood control reservoirs, the committee believing it unfair to assess land costs against the immediate area in which reservoirs are built.

On local flood walls, levees and protective works, land costs will still be assumed by communities benefited.

### Elliott Temporary Speaker

Speaker Bankhead again extended the courtesy to Congressman Elliott to preside over the House of Representatives for two days during the past week.

Elliott was in the chair during the debate on the Alaskan fishing bill, a bill barring aliens from fishing in Alaskan waters and designed to stop alleged activities of Japanese fisherman in Bristol Bay. The measure was approved by the House.

During the consideration of the bill authorizing the U. S. Public Health Service to launch a nation wide drive for the control of venereal diseases, which was later approved by the Representatives, Elliott was the temporary speaker.

### Refusal To Sell Helium

Refusal of the United States government to sell helium to Germany was attributed to fear the non-inflammable article might reach Japan for war uses, stated Senator Lewis. He further declared that denial to Germany's request for helium was not based upon hostility toward the German form of government.

Last March Elliott opposed the sale of helium to Germany and said at that time: "We are adopting a dangerous policy in allowing this invaluable national resource to be exported from our shores." His protest was made to Secretary of State Hull.

## G. O. P. FARMER TO RUN FOR SENATE

Philip Bancroft, who has announced that he is a candidate for the Republican nomination for United States Senator, is a farmer of Walnut Creek, California. He has been a militant leader among California farmers for many years and is greatly respected by them.

A son of Hubert Howe Bancroft, the historian, Philip Bancroft was born in San Francisco in 1881. He is a graduate of both Harvard College and Harvard Law School, but for the last twenty years he has been a practical farmer, living on his farm and running it successfully himself.

He is a former president of the Associated Farmers of Contra Costa County and a former vice president of the Associated Farmers of California, Chairman of the California Dried Fruit Stabilization Committee, former chairman of the Deciduous Fruit Department of the California Farm Bureau Federation, director of the Contra Costa Walnut Growers' Association, and for seventeen years has been a director of the California Pear Growers' Association. He is a member of the Pomona Grange and the Farmers' Educational and Cooperative Union.

He was one of the organizers of the American Legion in California. He entered the first officers' training camp on May 12, 1917, and served overseas until after the

armistice, retiring as a first lieutenant.

Although always active in politics when issues were at stake, he has never before been a candidate for public office. He was one of the original California progressives, having been a pioneer in the Lincoln-Roosevelt League. In 1908 he was one of the two progressive Republicans who broke the machine slate and went to the national convention as delegates. Again in 1912 he was elected a member of the Republican Convention and became a member of the Progressive National Convention that same year under the banner of Theodore Roosevelt and Hiram W. Johnson. And in 1936 he was again a California delegate to the Republican National Convention.

### DEMONSTRATION OF NEW DISHES TO BE GIVEN BY GAS CO. IN S. B.

"When the family begins to tire of the 'same old thing,' it's time to try out some new casserole dishes," observes Mildred S. Seaberg, home economist for the gas company.

For the benefit of those women who are unfamiliar with this type of cookery or who are looking for new ideas, Mrs. Seaberg will demonstrate a number of such recipes, Tuesday afternoon, May 31, at 2 o'clock, in the gas company auditorium, corner Anacapa and Figueroa streets, Santa Barbara.

None of these recipes require over 30 minutes to cook and include:

Scalloped corn and onions with sausages; baked kidney beans and cottage cheese; asparagus sour cream casserole; Bavarian noodles.

Buttermilk and sour cream are two ingredients that add a distinctive appeal or "tang" to ordinary desserts. Two suggestions that should win applause from guests or family every time— buttermilk strawberry shortcake and buttermilk spiced cake with raisin sour cream filling—will also be prepared before the class. The public is invited.

### MARICOPA ROAD CLOSED

The Maricopa Road is closed to unrestricted traffic through the mountainous section between Wheeler's Hot Springs and Ozena, reports the Touring Department of the National Automobile Club. Restricted traffic with urgent business may drive over this highway provided a waiver is signed releasing the State Highway Department from all responsibility.

### Joan Bennett Cast

Joan Bennett has been signed for the important leading feminine role opposite Jack Benny in Paramount's forthcoming "Artists and Models Abroad," Adolph Zukor announced. The popular blonde star is currently heading the cost of Paramount's "The Texans," with Randolph Scott.

**Town Eligible for Carrier Service on Public Request**

(Continued from page 1)  
 munity would be under no additional burden to pay for this service. About the only expense attached would be the installation of mailboxes.

The requirements as set forth for City Delivery are as follows: City Delivery Service may be established at any city having adjusted postal receipts of at least \$10,000 for the preceding fiscal year and having a population of 2,500 or more residing within territory possessing good continuous sidewalks, paved streets, house numbers, street lights, and signs and mail receptacles or door slots, preferably the latter. The territory must also be 50 per cent improved with houses erected thereon and occupied.

The requirements for village delivery differ only in that postal receipts must exceed \$5,000 for the preceding fiscal year and the population must be at least 1,500.

While there might be some slight chance that Carpinteria could not qualify for the City Service, there is no question but what requirements could be fulfilled for the village service at present.

**All Fire Regulations To Be Enforced; Hazards Increase**

(Continued from page 1)  
 burning permit is issued the burning job will have to be examined by a fire patrolman and in many cases supervised by the patrolman.

Camp Fire Permits will be required on all areas where a fire danger exists. It is NOT necessary to have a Camp Fire Permit in a county park. It will also be necessary to have written permission to blast with dynamite, powder, or other explosives, or to use any blow torch, acetylene torch, electric welder, or forge in or on any area that is considered dangerous. All permits are issued free of charge by the patrolman in charge of the district in which the work is to be done. Permits for the Carpinteria Districts may be obtained from L. R. Carter, fire chief. Persons desiring to burn papers, leaves, trash, or other inflammable material should do so between the hours of 5 and 9 in the morning, and this burning must be done 30 feet or more from any building or structure or land covered with inflammable growth.

All grass, weeds or other annual growth that will become a fire menace when dry must be cleared away for a distance of 30 feet from all buildings or structures. This applies particularly to structures that might be menaced by grass or brush fires.

The usual regulations prohibiting the throwing away of lighted cigarettes, matches, pipe heels, etc., must be strictly observed.

As stated before the department will be charged with the protection of approximately 700,000 acres of land outside of the National Forest upon which an inflammable growth exists, and the public is requested to use every precaution in the use of fire by closely observing all of the regulations set up to protect this great area, as the suppression costs for fires occurring thereon must be paid for from the general funds of the county, therefore the taxpayer loses in three ways—reduced assessed valuation, loss of crops and watershed, and the cost of suppressing the fire, all of which can be prevented.

**BOY SCOUTS TO SPEND HOLIDAY AT CATALINA**

As a reward for winning a contest covering a wide range of activities which began several months ago, members of the Ranger Patrol of the Carpinteria Boy Scouts accompanied by Scout Master, James Kent, will enjoy a four-day trip to Catalina over the holiday.

The boys will leave Carpinteria Friday afternoon for San Pedro where they will be met by a Sea Scout Boat and taken to the Emerald Bay Scout Camp. The program for the camp includes a large variety of scout activities as well as fishing, boating, hiking and other recreation. Photography will also prove popular since Frances Castro has offered a prize for the best picture taken on the trip.

The Scouts will return to San Pedro Sunday night and will remain there until Monday morning when they will journey to Santa Monica to take active part in the Memorial Day Parade in co-operation with the Santa Monica Boy Scouts.

Boys planning to make the trip from the Ranger Patrol include, Patrol Leader Alvin Anderson, assistant Patrol Leader Sei Dyo, Teddy Storr, Roy Weiser, Junior White, Dick White and Junior

Stemper. Other Scouts who will also make the trip are Bob Whitcomb, Bob Jones, Lescher Dowling, Carrol Cummins, Clair Cummins, Kenneth Britttian, Howard Mays, Eddie Arrellano, Art Moralis, Ed (Lulu) Moreno, A Savola, J. Ortiz. In addition to Scoutmaster Kent, Assistant Scoutmasters, Ford Kline and Jimmy Carpenter will accompany the boys.

**Gladioli Experiments Here May Lead to New Industry**

(Continued from page 1)  
 step in the culture of gladiolis from the seed until the plants reach full bloom.

Mr. Miller who comes to Carpinteria from El Monte has been raising and experimenting with gladiolis since 1920 and during that time has made some 30,000 crosses and produced a number of varieties, many of which have been prize winners. He entered the California Gladiolis Society Show on invitation for the first time in 1934 and received the award of merit and three first prizes. In 1935 he received the gold medal of the American Gladiolis Society and the highest award of the California Society, a first class certificate and captured six firsts and nine seconds in the show for that year.

Mr. Kagarise, who resides at the Jonathan Club in Los Angeles, makes frequent trips to Carpinteria to assist in the work. He is the former owner of the Keystone Express System which served many cities in California and is at present interested in several enterprises in Los Angeles.

In addition to their experiments with gladiolis, considerable time has been given to development of delphinium and they have produced a rare variety of this flower which is a pure white and black. They have also succeeded in producing one bush each of a salmon pink and an orange pink Cecil Breuner type rose from which they plan to propagate more bushes in the near future.

From this new horticultural pursuit, which has been so successful in its experimental stage, it is entirely possible that the eastern end of Santa Barbara County may become equally famous with Lompoc in the western end for the culture of flowers.

**Sale of Poppies Sat. to Aid Disabled Veterans**

(Continued from page 1)  
 child welfare and education work for veterans or their families. Under a ruling passed by the Department of California none of this money can be used for office expense or other purposes than those mentioned above.

As their share in this worthwhile program the Howland Shaw Russel Post Auxiliary has received 500 of these poppies and ask and expect the co-operation of the entire community in aiding in the disposal of these flowers. By wearing a Red Poppy tomorrow in memory of those who gave their lives in the World War, assistance is also given to hundreds of men engaged in making these flowers as well as to many who have been maimed and handicapped by war and their families.

At the meeting Monday night, Mrs. A. E. Horton and Mrs. F. W.

Thomas gave a report of their recent visit to the Veteran's Hospital at Sawtelle, and told of seeing the men engaged in making the poppies which will be sold tomorrow.

The Auxiliary passed a resolution to sponsor the Child Health Conference which is held once a month in the Veteran's Memorial building by the County Health Department to assist mothers in the care of infants and children of pre-school age. The Auxiliary also voted to provide one campship for the Carpinteria Girl Scouts.

On the program for the next meeting in June will be a discussion of the Child Health Conference by the County Health Nurse and members will wrap presents for the Red Cross which are to be sent as Christmas gifts to enlisted men in the army and navy stationed in far corners of the world.
