Santa Barbara State College, Friday, November 8, 1935

No. 15

## Cummings Receives Position

**Local Frosh Football Coach Will Act as Region Director for City in Regulation of Work Administration**

District Supervisor of the National Youth Administration is the new title carried by Edward "Bud" Cummings, freshman football mentor.

Coach Cummings will act as the director of the NYA projects for all high schools, colleges, and community districts in Ventura, San Luis Obispo, Monterey, Salinas and Santa Barbara counties.

### N.Y.A. Helps Students

The NYA allows 200,000 high school and 100,000 college students, from the aforesaid counties, to attend schools, who without this aid would be unable to do so. High school students do office work, act as hall monitors, and work in the gym, parking lots, and on the R.O. T.C. grounds, for which they receive \$6.00 per month.

College and graduate students do similar and more extensive work for which the average pay check is \$15.00 to \$20.00 per month. Youths out of school do recreational projects and receive \$15.00 a month. Only youths between the ages of 16 and 25 are eligible for aid.

### Cummings Contacts People

Cummings' main duty is to contact people who are interested in the youth problem in their community. An unpaid advisory board is then appointed to guide the work projects and distribute the payroll.

This work is carried on under Colonel Beaton, district supervisor of the Work's Progress Administration, whose head offices are located in the Santa Barbara city hall.

## Ray Dutcher Talks on Rehabilitation to Education Class

In a talk on rehabilitation given to Elsie Pond's 6th period introduction to education class yesterday, Ray Dutcher emphasized the importance of the rehabilitation program to both the afflicted and to society.

The Vocational Rehabilitation act became a law on June 3, 1921, and since then has helped many people, Dutcher being one of them.

"There is no red tape to go through when applying for aid," said Dutcher. "It is given to the individual, if he will benefit from the aid given by the Rehabilitation Act. This aid will pay the expenses of the individual in higher learning and preparation for a better position than he previously held."

"This aid is not limited to a few people. All persons, married or single, who are crippled or injured, and in no condition to follow the work they have been doing, will be given help, according to their ability."

## Renowned Instructor Lectures to Society

Professor Ken Nakazawa, instructor of Oriental art at the University of Southern California, will speak on Japanese drama at a special meeting of the Japan American society on November 23. There will be an exhibit of ancient costumes and masks.

Teachers, students and anyone interested in the subject are invited to attend. Reservations should be placed as early as possible with Mrs. Stewart, or they may be made by phoning 3015 or 25379. A charge of 25 cents is made for reservations. The meeting place will be announced later.

## Mission Group Offers Course in Scout Work

**State Students Receive Full Credits for Participation in Study of Boy Scout Data**

A course for which State college students interested in scouting may receive credit was begun last night at the Lincoln elementary school on Anacapa and Cota streets by the Mission Council of Boy Scouts of America.

Announcement of this course, which includes a study of the nature of boys and their activity urges and a review of the aims and methods of education with their application to the scouting program, was made by the council.

This course is open to all scouters or prospective scouters over 18 years of age, and one unit of college credit will be given to students of State college who enroll in and complete the course. Standard certificates will be awarded to all students by the department of education, National council, Boy Scouts of America.

The course will be concerned largely with lectures, discussion based on reading assignments and actual experience with Scout troops, rather than with a demonstration of skill and scoutcraft in patrol activity. The principles of troop program building and administration methods will be studied.

## R. HUTCHINSON DISCUSSES NEW EDUCATION ERA

Dr. Robert Maynard Hutchinson, president of the University of Chicago, will speak on modern trends in education at the high school, Wednesday evening, November 20, under the joint sponsorship of the Women's club and the City Teacher's club.

Owing to the great interest in the educator's lecture, only a limited number of tickets can be apportioned to each organization. Approximately 50 reservations will be allotted to students of Santa Barbara State, which must be made with Miss Helen Sweet next week, before November 16. The admission price is 50 cents.

Dr. Hutchinson, who at the time of his inauguration, was the youngest college president in America, is noted for his radical departures from the accepted practices in education.

## PHYSICS ROOMS ARE COMPLETED

Completed after a long period of construction, the new physics laboratory occupying rooms 45 and 46 is efficient and up-to-date in every respect, according to William W. Peters, head of the mathematics department.

Accommodating 30 students, three times as many as in previous years, the new room has six new desks fully equipped with gas, water, electricity, sinks of acid resisting material and a system of wiring whereby any voltage used commercially can be obtained.

Room 46, formerly the Student Cooperative store, has been converted into a dark room, adjoining the laboratory, where light experiments are to be made.

## Head of Education Department Speaks

Miss Grace Ruth Southwick, head of the adult education department of the Santa Barbara public schools, will speak to the students of the home economics department on Tuesday, November 12. She will discuss "Home Making in the New World."

## Band Gets Fourth Rose Bowl Invite

Santa Barbara State college band yesterday received an invitation from the Tournament of Roses committee to participate in the New Years day parade at Pasadena. This is the fourth consecutive year the distinction has been conferred on our band.

"Our picturesque and flashy displays have won recognition for us as one of the best college bands in Southern California," said Cliff Leedy, music instructor. "This year we have been accorded the singular honor of leading the third division of the parade. With such an honor as a stimulus the boys plan to outdo themselves and make every spectator take special notice of the group from Santa Barbara State."

## Famous Critic Gives Lectures

**Mrs. Valley Opens Series of Talks at Hotel by Discussing Many Prominent Authors**

Mrs. Jack Valley, well-known literary critic and lecturer, will speak on "World Affairs and Books of the Day" in a series of lectures being held at El Encanto at 8:30 p.m. on the first Thursday of each of the next six months.

Mrs. Valley's opening lecture, which took place last evening, dealt with such book as "Government in Business" by Stewart Chase, "The War of the Copper Kings" by C. B. Glasscock, "Jane Adams" by James Weber Linn, "Stars Look Down" by Cronin and "Vein of Iron" by Ellen Glasgow.

The lecture was preceeded by an "Authors' Dinner" at 6:30 p.m. with Mrs. Jane Miller Abraham, State college registrar, presiding. Among the well-known writers who attended and gave short talks were Dr. and Mrs. J. H. Denison, Armine Von Tempski, Anne Ellis, and Mildred Cram.

Special prices have been arranged for students and faculty of the college. They are 50 cents for each lecture and \$1.00 for each dinner.

## Enrollment Figures Show Favorable Gain

Recent enrollment figures for Santa Barbara State college show a steady increase in the number of students and also an interesting comparison with last year's figures.

The total number enrolled for the fall semester is 848 with only 818 for a year ago. The percentage of men students is 44.3 compared to 40.8 percent last year. There are actually fewer women this year, 469, with 484 for a year ago.

A large increase is noted in the lower division. There are 513 at the present time, with 469 as the total for last year. The upper division has not held its own.

## Play Class Presents Seven New Dialogues

Seven one-act dialogues are being prepared by the class in play production for presentation during class hours next week. The class is under the direction of Mrs. Hal Davis.

The plays and casts are as follows: "Spring," Eileen Elder, Clayton Brooks and Ted Hanley; "The Baggage," Barbara Sharp and John McNeil; "Catherine Parr," Eleanor Rees, Webster Harriss and Yvonne Badger; "The Marriage of Dotty," Mary Tone and Irene Benedict; "Fleurette and Company," Stella Mae Smith and Marjorie Neilson, and "The Double Dummy," Marcella Prigge and Elmer Martin.

## Alumni in Bay Section Offer Scholarships

**Bay City Alumni Hear Edna Rich Morse as Speaker; Abraham, Severy Attend**

Continuation of the scholarships given each year to a student of Santa Barbara State was decided upon at the dinner meeting of the bay section of the Santa Barbara State alumni association in Berkeley last Friday evening, November 1. Mrs. Jane Miller Abraham, registrar, and Miss Hazel Severy attended the meeting as representatives of the college.

Mrs. Edna Rich Morse, founder and honorary president of Santa Barbara State college, was guest of honor and guest speaker at the gathering. Mrs. Jenny Lind Kilgo, home economics '33, presided over the meeting. New officers of the bay section, who were elected last week end are Miss Eva Louise Blum '33, president, and Miss Irma Kellogg, '18, secretary-treasurer.

Two features of the evening were the showing of old-fashioned pictures of the early day schools and the old Santa Barbara State Normal and a questionnaire about the college. The alumnus giving the best answers was awarded a prize.

## STROLLERS PLAN ANNUAL CONTEST FOR ENTIRE CITY

The annual literary contest sponsored by the Strollers club was announced recently by Mrs. Ralph Scanlan, contest chairman. Any Santa Barbara resident may enter the events which consist of writing a one-act play, essays, poetry, and vocal music.

All entries must be submitted under a nom-de-plume and must be typewritten on one side only of the paper. Not more than three manuscripts may be entered by one person in any one event. A sealed envelope containing the name of the manuscript, the author's name, and nom-de-plume must accompany the entry. If manuscript is to be returned, a stamped addressed envelope should be enclosed.

With the exception of amateur plays and private publications, manuscripts which have been published or plays previously presented are ineligible. Entries are to be delivered to Mrs. Scanlan at 1758 Grand avenue.

First prize in each event is five dollars to members and a membership in the club to non-members. Attractive books will be awarded to second place winners.

The closing date for one-act plays and music compositions is January 1, for essays and poetry, February 1, 1936.

## INDUSTRIAL MEN STAGE BARBECUE

The annual barbecue of the industrial education department will be held in the near future. The time and place for the event will be announced at a later date as the plans have not been completed. Those in charge of the barbecue are Lorne Olsen, Allan Crews and Robert Main.

W. R. Rust, instructor in auto mechanics, will offer movies as part of the entertainment and will put words on the screen for group singing. John Rygh will entertain on his harmonica and mandolin.

"These barbecues have been very successful in the past and this one is expected to be equally successful," prophesies Allan Crews.

### LA VERNE VS. SPARTANS

On Friday night, November 8, La Verne meets the U. S. C. Spartans, a game which will attract interest in the Orange belt.

## J. Varner Proposes Tourney

**'Buppy' Moore Resigns Place as Manager of Speech Arts; Council Appoints Chairman Pro Tem Until New Election**

Proposal by John Varner to hold a boxing tournament in the auditorium on November 21 and charge 25 cents to students and 40 cents to adults was approved by the student council meeting last night. The match, which will be eight rounds, will aid in sponsoring the boxing club's trip to Los Angeles in the early part of next month.

Because "Buppy" Moore recently resigned as chairman of speech arts committee, an emergency meeting of the council will be called next week to appoint a new officer pro tem. A special student body election is to be held within a month to decide the permanent holder of the position.

### Men's Club Requests Funds

Denny McArthur agreed to withhold a request for men's club room appropriation. He said that more funds are needed to properly equip the club room with furniture.

In presenting a report of the Welfare committee, Tommy Merrill, chairman, declared the disapproval of that body in the laxity of the meetings of several of the present student body committees. Also the welfare committee specifically complained of the manner in which council handled the recent \$350 expenditure as it was not turned over to the financial committee for deliberation.

Application for twenty-five dollars was made by representative of the All-Southern California College Symphony. Before the council acts upon the matter, it must be passed by the finance board.

## Price Supervises Teaching Work of Elementary Grads

On her way south to visit those people in Los Angeles who are doing supervised teaching under her direction, Mrs. Laura Sprecht Price, head of the elementary education department, will visit several graduates who are teaching this year. She will observe Alice Warring, who is teaching in Mound school; Clare Wise, teaching in Mills school on Ventura boulevard; Reva Chandler, teaching in Moorpark.

In Los Angeles, Mrs. Price plans to visit five or more graduates who are teaching in the vicinity of Pasadena. These instructors are people who have been teaching special work and are now working for an elementary credential, having been granted a special credential until they have fulfilled the state requirements for elementary work.

## Fraternity Raffle Date Is Announced

Kappa Omicron Phi, national honorary home economics fraternity, will raffle a scotch plaid steamer rug at noon on November 26 in the cafeteria. Chances on the rug are ten cents a piece and may be purchased from Evelyn Brown, Evelyn Breman, Louise Hunt, Josephine Newstetter, Ruth Brickey or Catherine Caldwell.

## Former Grad Reports Progress on Degree

Dr. Charles L. Jacobs, dean of the upper division, is the recipient of a letter from Curtis Davis, '35 alumnus, who is now doing graduate work at Stanford University. Davis is completing his masters degree in psychology.

## State's Political Loafers

A very reponent note was touched at the council meeting last night when Tommy Merrill, chairman of the welfare committee, in presenting a report from his committee commented that it was the position of the body which he represented in view of their duties of determining policies and acting as a judicial body on all matters pertaining to the associated students, to call the council's attention to the lack of meetings of several college student committees.

The welfare council in this report has again shown its efficiency and forwardness in presenting a point to the students. For example, the committee appointed Thursday evening, September 26, by President Garlyn Basham to draw-up an amendment to the constitution in reference to the associate membership clause, under the chairmanship of "Goldy" Goldsmith, has as yet not met—a period of approximately six weeks. How long does it take to compose an amendment anyway?

Furthering the same cause we should like to point out to the student body that not only have our student committees fallen down, but the council itself is far from being as active a body of prominent students, such as those that comprize it, could be.

The student legislative council last evening, present an example of just that of which we write. In the columns of El Gaucho, November 5, we ran a story, from a reliable source, stating: "Council will hear reading of amendment—Miss W. Frye will talk—Student 'Co-op' committee report will be topic of discussion. Yet in both of these instances the council allowed these important matters to go untouched, unquestioned in last night's meeting.

The associated students through various mediums elects some of its members to a legislative council for the purpose of having a representative group. With this as a nucleus and the addition of the ex-officio members, quite a large body of students have been given power through the channels of our new constitution, to control student government. Yet last night, very noticeable was the absence of Thelma "Sammie" Davis, student body secretary; Don Follett, junior class representative; Alice Hillgren, sophomore representative, and both of the freshmen representatives, Josephine Denman and Al Lathim.

If things had run according to schedule several important matters would have come before the legislative council for discussion last night, yet these important voting members were not present. Are these the representatives as elected by the classes and the associated students?

It has not been the purpose of this editorial to criticize unnecessarily, but on finding a situation that needed to be presented to the students-at-large, we have done so. Also we wish to give our recognition of the good work that is being done by the welfare committee and by their chairman, Tommy Merrill.

## Personality Changes

It has long been a question among individuals whether or not it is possible to create new personalities. Some have agreed that by a definite will to revamp himself a person can after a time, train to be attractive in speech and manners. Others say positively that we are all fixed at birth and that if we are shy, bashful or have difficulty to get along with other members of society, it was an expressed desire of the Divine Power and all attempts to be otherwise will have no avail. It is fortunate that this fatalistic attitude is becoming fast old fashioned.

At the convention of the American College of Surgeons recently in session at San Francisco, Dr. Frank Hineman of the University of California Medical school, described an operation involving the removal of a portion of the adrenal gland to accomplish his feat; the endocrine gland is the one which supplies extra energy for anger and for fighting. We hope that the charges will remain modest enough so we all can have a little touching up.—S.M.

## Philo & Sophy

Here we are again—and how we are here! You'll notice that there is no BOLERO, which means that there isn't any more—'cause we have combined. Just like trading an old carpet sweeper for a new vacuum cleaner—we can now collect just twice as much 'dirt.' So from this issue, forevermore, there will be one super, gigantic column every issue carrying all the news—and the 'two' of us are sure going to dish it out. So help us! If you have any suggestions comments or news hand it in to the Editor of Philo and Sophy, Box A.

CY ROSS and HELEN LONG-AWA were gone from campus from 9:00 a. m. to 1:00 p. m. the other day—and the car was parked on Dover Road. Visiting friends, kids?

MARY AGNES PHILLIPS has been 'consigned' to the St. Francis Hospital—funny that JACK CAVALETTO is there too.

The 9.0 gal from San Diego lost a note the other day—it was signed 'I love you'—X X X, and she wrote it . . .

We noticed several femmes surrounding ALDO LUCADELLO in the Gaucho Club, recently, admiring his 'flashy Plaid Sox' . . .

JACK KNIGHT is between the—and the—It seems that HELEN HOLT is the reason—what has that gal got?

We noticed—all the PLEDGES of the Gnome Club getting registered at the Date Bureau yesterday. What's up, gals?

ELEANOR LAKIN and DON ROLAND have been 'studying' a great deal lately. That is to say, 'studying together.'

We rate KAY WESTAWAY as a good 8.9, she seems to have the certain something, which is 'so necessary.'

TULLY WARREN, the campus 'Dick Powell,' has been seen in the company of a very cute blonde—What's her name?

The ARTHUR POPE—MILDRED JONES combination is still seen hanging around the downtown Library—He goes for the intellectual 'atmosphere.'

Mystery! Whose car was parked in front of 804 Moreno Road last week? Can it be that someone is breaking up the YEAGER—DAVIS—GILMORE triangle?

OLIVE DE MOTTE—is 'rumored' to have a U. C. L. A. man on the string, while MARGE BRAUNS claims a man from U. of C. . . . What's wrong with the local material? Oh Well . . .

It was definitely stated by ELINOR MEYER the other day that she thought DONK HART was the very answer to her prayers.

"TWO GUN" STELLA MAE SMITH is out 'gunning' for some new material. She claims this and that as the reason.

We're in a fog again. Can some one tell what the score is on the ALLEN NEIL—RUTH HILTY flutter? Has it flitted by, or is it still fluttering? or still further, has it fluted?

Honestly something should be done about this LANE MICKY person—we are going to get up a "Lane Mickey for Casanova movements," will all you gals sign it?

What is this 'Love at First Sight' stuff? We didn't get asked—and we have some good ideas, too!

OUR WEEKLY PHILOSOPHY—Marriage is the culmination of a chase that begins when a man pursues a woman, and ends when she catches him. How you like that?

Well, that's all for today, there isn't any more. We'll be all 'whopped' up and ready to give you a 'Dish fit for a King' next issue. The New Deal with PHILO and SOPHY marches on! and on! and on!

## LOVELORN KID

Well, I'm still at a loss as to whether I believe in 'Love at First Sight. After the men students answered rather on the negative side, I supposed that the women students could really clear things up—but have they? Well, you will have to judge for yourselves. Here are some of the answers to "Do you believe in Love at First Sight?"

Zelma McCleary—Absolutely, but just why I don't know.

Buny Hoelscher—Yes, I've met several that I have gone for in that way.

Audrey Fletcher—Yes, and No. I believe in 'attraction' at first sight, but character is what holds real love.

Mary Bell—Yes, but don't take me wrong.

Ann Gibson—No, Love is blind.

Audrey Gill—No, I don't even believe in love.

Irene Miniken—Wel, no, Love is an illusion.

Verdella Herbert—No, Love is an infatuation confirmed by further association.

## Air Wabes

By BOB KRAUSE

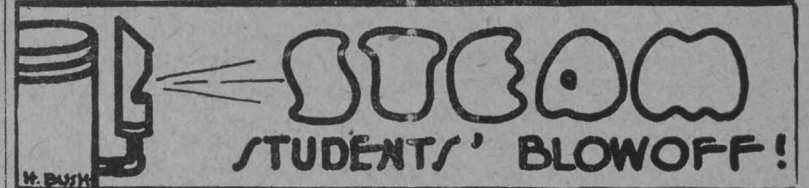

### BURNS AND ALLEN

Those of you who are consistent listeners to George Burns and Gracie Allen will find them broadcasting a half hour program with Jacques Renard and his orchestra and Ted Husing each Wednesday at 8:30 p.m. over C.B.S. Although the following of Burns and Allen seems to have decreased, occasionally one still gets a mighty good laugh from their antics.

### AMATEURS

You are assured a hearty laugh or two if you listen to "National Amateur Night" starring comedian Ray Perkins as m. c. and a host of good amateurs. Tune in at 2 p.m. Sundays to C.B.S.

They're even having contests for amateur announcers these days, which incidentally isn't a bad idea. Many of you radio fans have heard some so-called "regular" announcers that might well be replaced—or haven't you?

Dear Editor:

I hear that you are a great fixer and that you know all, see all, hear all, and fix all. I wonder if you would be so kind as to be of some assistance?

Could you find Miss Ramelli an alarm clock so that she could get to her fifth period Spanish class on time; I'm sure the students would appreciate it—Eh?

How's about having an elevator installed from Pedregosa Street up to the school's hill top grounds so that Miss Pond won't have to take so long getting to her 6th period Education 57 class. I've seen her tugging, time and time again, up the dirt path leading to the school grounds. If it is impossible to have an elevator installed, perhaps you could see that she got a bicycle. I hear that they are quite the vogue in Europe, and maybe you can start bicycle riding here.

Say editor do you know anything about a stray piano running around; if you do, please send it back to the Men's Club room. It is badly needed by the hotcha boys who spend their study hours practicing up on hotcha tunes. Since it is gone they can't find anything to do during their study hours. I implore you to see that the piano gets back to the club!

My dear editor, I hope you will live up to your marvelous character and do all in your power to help us out and better the environment of the school.

I am, always was and always will be your faithful—

"STOOGEE"

Dear Editor:

I try in vain to write for your paper, but with little or no success, and I have come to the conclusion that it is an impossibility without plenty of experience and a general knowledge of the ways of a reporter.

If I were to devote most of my time to this work, then perhaps in the end I would be able to have at least a good article each time the news is edited. The question that is foremost in my mind is what are the requirements of a good reporter, who is just beginning, without devoting most of his time to this work, or is this impossible?

Signed,  
A POOR REPORTER

Dear Student's Blowoff:

Speaking of the new Gaucho club, I've never seen a messier or more unappetizing place to eat. The tables are never cleared of the other fellow's dirty dishes, sugar is always spilled all over the tables, and the air is stale with cigarette smoke and odors of food. And the radio—will there ever be a minute that it is left alone? Programs are continually changed by restless stooges.

Yours,

WEAK STOMACH

## CAMPUS CALENDAR

Social Calendar for the Week of Friday, November 8, 1935, to Friday, November 15, 1935.

Friday, November 8.—Noon Dance, Music hall; Gauchos vs. San Francisco State, There.

Saturday, November 9.—Alpha Phi Gamma convention, Fresno.

Monday, November 11.—Armistice Day Vacation.

Tuesday, November 12.—Department Meetings, 2nd hour; A. W. S. Board Meeting; Players Club, 7:30 p.m.

Wednesday, November 13.—College "Y", 7:00 a.m.; Noon Dance, Music Hall; Gnome Club Dinner; Alpha Phi Gamma; Band, Music Hall; Riding Class, Vandever's Riding Academy.

Thursday, November 14.—Frosh Bonfire and Rally; W.A.A. Board Meeting; Alpha Phi Omega.

Friday, November 15.—Gauchos vs. Whittier, Pershing Park; Noon Dance; After Game Dance at Rockwood.

## Gaucha Gab

By BARNEY JAMESON

Thursday Morning:

Off this morning bound northward for San Francisco via the "air" route. You know—"Air you going my way, mister?" If my thumb doesn't wear out, I'll be back to give you the dope in the next issue—or maybe it will be the second edition of next week.

The varsity boys had to tumble out of bed bright and early this a. m. to be at school in time to leave by the bus at 7:30. This trip is really too long to make in a bus. We hope the future athletic teams at State will have enough money to travel properly—this will probably come to pass if the present support of football continues.

While their older brothers are away, Coach Cummings' frosh will be closing their 1935 season by playing two teams. The Los Amigos' game Saturday afternoon should give the frosh reserves a chance to show their stuff, while the game Armistice Day in Ventura is a different matter. To win this one, the Baby Gauchos will have to show more stuff than they did against the Dons—

Being as how the team will be gone before this is printed, I'll give you the low-down on this San Francisco-State affair. The Northern team had a tough time beating Salinas J. C. and the Mare Island Marines, while they have been beaten by S.F.J.C., Chico State and others—It is hard to tell how much of a score the Hardermen will run up if Morelli and Yeager get hot—the score is liable to be as high as 40 to 0.

## OXY TIGERS VIE WITH WHITTIER

The two games slated for Armistice Day are Redlands vs. San Jose State and the annual encounter between Occidental and Whittier.

The Tiger-Poet battle will far from resemble anything pertaining to Armistice Day. This grid game has for years been a classic in the Southern Conference.

## Frosh Eleven Ends Season This Week-End

### Cummings' Men Meet Los Amigos Tomorrow; Play Porterville Squad

Winding up the 1935 season, the Santa Barbara State Frosh gridsters will mix speed, brains and brawn with the local Los Amigos Club tomorrow afternoon, and the Porterville Junior College Monday, Armistice Day. The game tomorrow will be played at Pershing Park at 2:30, while the encounter with Porterville will be played on the Ventura High school gridiron.

The Los Amigos squad is coached by Johnny Beckerich, former local high school star, who played outstanding football at the University of Santa Clara. He is assisted by Cane, who is affiliated with the Santa Barbara Community Center.

The frosh are doped to come through victorious in this fray since the local high school knocked the Beckrichmen over by a 28-0 score earlier in the season.

Due to the fact that the Bakersfield J. C. won over Porterville 20-0, and the frosh were taken 13-6 by the same team, places the two teams on close terms. The valley eleven is noted for running a lot of their plays off from punt formation. They use a single wing back, with a box formation on defense.

## Glovethrowers Give Benefit

A benefit boxing show to send the State college boxing team to the olden Gloves Tournament is being arranged between the Los Amigos club and the college boxers. The exhibition will be held in the auditorium Thursday, 8:00 p.m., November 21.

Proceeds of the show will be used to defray the expenses of a team of six men who will represent the college.

## Contest Lead by Rumbaugh

### Carter Expects to Complete All Events by Thanksgiving

Dave Rumbaugh, sophomore, leads the field in the decathlon contest after completion of the high and low hurdle races Wednesday afternoon. The contest is more than half over and Coach Carter hopes to complete the remaining events by the Thanksgiving holidays.

Rumbaugh has a total of 5720.141 points at the completion of seven events. Campbell trails Rumbaugh with a total of 4998.733 points. Decathlon points are scored on a percentage basis with the school records as a basis.

There are 21 fellows in the contest. However some of them have not competed in as many events as others. They have 20 events to choose from thus giving every one a fair chance to show his capabilities.

Some likely looking material has been uncovered so far. Bill Crow, captain of the track team this year, broad jumped 21 feet in his first try to win first place in that event.

The first ten in the decathlon standing are:

## Morelli Leads in Yard Gains

"Little Box" Morelli again led his backfield teammates in individual yardage gains last week in the Gaucha's win over Occidental. Morelli advanced the pigskin at the average rate of 9 yards per play.

Dave Pollock, State quarterback collected 32 yards in 8 attempts averaging 4 yards. Carrying the ball 13 times in an "iron man" performance, Sandy Sanderson also had a 4 yard average.

"Turkey" Clemens, McQuiddy, Rezzonico, H. Hart, and Howard Yeager all ranged about the 2 yard average mark for the contest.

**UNITED STATES TENTH**  
In comparison with other countries the United States ranks tenth in the educational scale, according to a statement made at the last national convention of the Parent-Teachers' convention.

## Campus Coffee Cup Capers

Hi-de-hi everybody! Soup's on again, so here we go with some more "sleruping" news. (Watch your vests you unlucky peoples).

Jean (Gigolo) Peterson openly confessed to our staff news "hawk" that he would gladly oblige (with few discriminations) any fair "frail," to sojourn on an evenings entertainment at "her expense."

This week we added three new "disher-outers" to our already competent staff. Bob Reynolds, "Skeeter" Voorhies and Russell Erickson. (Our service is now rated 9.9, according to the college "Date Bureau").

Our "frijole" (beans to you) are recommended for all who aspire to be "Tarzans."

Warning to all students with "block-heads": the frosh are looking for material for their Whittier State bonfire. Coaches Hal Davis and "Spud" Harder keep their lovely figures by eating our "vita-fresh" morsels at the C.C.C.

We think that State will leave the "Golden-Gaters" in a "fog" after their battle this week-end.

## Hardermen Favorites for Bay Region Battle

### Gaucha Varsity Left Yesterday Morning at 7:30; Will Return Saturday Evening; Johnny Twaddell and Howard Yeager Are Back in Team Lineup

With the dope sheet in his favor, Coach "Spud" Harder will send his charges out in an effort to knock over the San Francisco State college eleven tonight on the Northerners' gridiron. The Gaucha varsity left by bus yesterday morning at 7:30.

## Trophy Will Be Awarded Best Gaucha Star

Awarding a trophy for the best all-round football player, Mr. Louis B. Christ, manager of the Fox Arlington Theater, said it was his desire to promote good sportsmanship, also to afford a source of competition for members of the team. This is the second year Mr. Christ has donated a trophy. The award is a small silver football mounted on a black base.

The player who will get the award will be the one with the most fire, dash, and pep, and will be chosen by his team mates.

Last year the award was given to "Skeeter" Voorhies, first string left end. "Skeeter" is back this year, but is going to be a close race with such men as: Morelli, Sanderson and Yeager in the backfield, Mullock, Oldershaw, Miller, and Poole on the line.

## Girl Athletes Sponsor Shoot

Shooting the Columbia round and the Flight shoot, the women's athletic association is sponsoring an archery tournament at Manning park on November 16 at 10 a.m.

The tournament will be terminated by a picnic lunch and is open to both men and women of the college.

Students interested are asked to sign up in the gym or on the bulletin board in the Administration building. Transportation will be provided for those who are in front of the gym at 9:30.

## Juniors Win in Hockey Contest

Playing the last game of the hockey tournament Wednesday night the freshmen and seniors defeated the sophomores 1-0, and Tuesday night the juniors beat the sophomores 1-0.

A hockey spread was held in the W. A. A. club room after the last game Wednesday, at which Dorothy Taylor was in charge of the entertainment. La Rue Steelsmith was the hockey manager of the tournament.

Jean Goss is to be manager of basketball, which starts next week under the supervision of Miss Gladys Van Fossen, head of the women's physical education department.

## Colleges Hold Annual Press Meeting Here

### Invitational Letters Are Sent to All Southern California Schools for Conference

For the first time in many years the Annual Conference of the All-Southern California Press association is to be held on this campus. The date set for the convention is December 13. Letters of invitation are to be sent to all colleges and junior colleges in Southern California. Redlands, Pomona, San Diego, and Occidental have already accepted and are sending delegates. Whittier and Cal-Tech are also expected to furnish several representatives.

Bob Krause, program chairman, has arranged the afternoon program which will feature panel discussions on various topics directed by men prominent in their respective fields. Well known journalists will also speak. Among the subjects to be offered for the panels are Newspaper Make-Up, Editorials, the Value of Pictures in Newspapers, and Typography. The latter will be headed by Ralph Porter, printing instructor at State.

Bill Hoyt, editor-in-chief of El Gaucho, with Paul Woods, president of Alpha Phi Gamma, will be in charge of the convention. Housing accommodations are being arranged by Mary Hughes, and Allen Neil will plan the dinner for the delegates.

## SORORITY GIVES SURPRISE PARTY FOR E. CORNWALL

Miss Ella Cornwall, Delta Zeta Delta alumna, was surprised with a miscellaneous shower at the home of Nancy Davens on Canon drive at 8:00 o'clock, last night. The shower was given in connection with a bridge-supper and alumni meeting of the Delta Zeta Delta sorority.

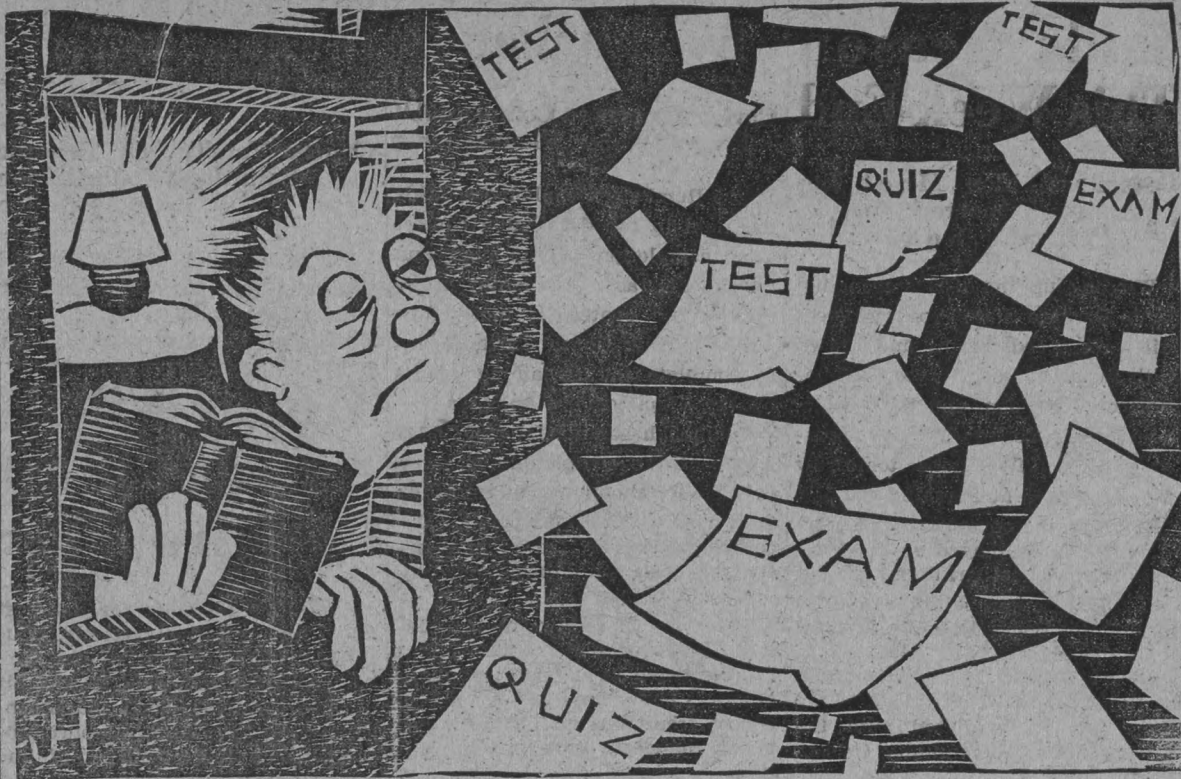

Miss Cornwall will wed Lieutenant Jasper Bell of the United States air service on November 24 in the Unitarian church.

Final plans for the fashion show which will be given at the Montecito Country club, Saturday afternoon, November 16, at 2:30 o'clock, were made during the sorority business meeting. Bridge will be played, and tea will be served during the display of advance winter styles. Members of Delta Zeta Delta will display models from the following stores: Grace Porter, gowns; Michel Levy, shoes; Mayfair Shop, riding togs; Blenner Z Siegle, furs. The alumnae association of Delta Zeta Delta will act as sponsor for the affair.

Active members present at the shower were Lita Boeseke, Ellen Roe, Miriam Alexander, Louise Holden, Ruth Hilty, Lillian Cook and Myrtle Holt.

Alumnae members present were: Mrs. Jane M. Abraham, Mrs. Louise Campbell, Mrs. Ester Porter, Nancy Davens, Betty Greenwell, Mrs. Jean Powell, Mrs. Lorraine Warren, Mrs. Viola Girsh, Ella Cornwall, Catherine Cornwall, Frances Morris, Margaret Beddome, Betty Heltman, Janet Birnie and Peachy Stuart.

## Storm Grips Campus

## Pledges Dance at Initiation

### Gnome Club Meeting Held at Women's Club Monday Eve

Initiation of pledges held the attention of the Gnome club at a meeting Monday night in the women's club room. Spring and fan dances were performed by Kathryn Bowers, Nancy Clapp and Judy Drennen while Jane Goslin and Miriam Turton entertained with piano selections. A two act skit was put on by the initiates after they had introduced themselves to each of the members.

Pledges were sent on a treasure hunt for their refreshments, which were sacks of apples and doughnuts and ended up in the quad.

All pledges are required to sign up at the date bureau this week, must rise when a club member enters the room and greet her as "Miss," must write the names of members they do not know 20 times and give a date affair party for regular members.

Officers of pledges, elected at the meeting were Miriam Turton, president; Frances Heminway, vice-president; and Betty Wells, secretary.

Formal initiation, which was to be held Friday, November 8, has been changed to Wednesday, November 13, and will be held at the Ship cafe. Every pledge must have ordered her pin before the dinner and must come to the dinner or be automatically dropped from the club. Tickets must be purchased before Tuesday night from Barbara Putman, Louise Dalton, Edna Roddick, Helen Harper or Ethel Cornelius.

## Lecture Given for School Department

Members of the kindergarten-primary department were entertained with a lecture Monday afternoon.

The lecture was given by Mrs. Edmund Burke of the public library staff on the topic "Enriching Character Through Recreational Reading."

## STATEMENTS by the "POWERS THAT BE"

Since Monday, November 11, will be Armistice day, there will be no further classes until Tuesday, November 12.—President C. L. Phelps.

El Gaucho will come out with its usual two issues next week, but the publications will appear on Wednesday and Friday, rather than on Tuesday and Friday.—Bill Hoyt, editor.

The English research class meets regularly on Monday, Wednesday and Friday during the third hour. If any student enrolled in this course has a conflicting class, he must make arrangements with me immediately.—Dr. William Maxwell.

## Recent Cold Spell Raises Attendance at Health Cottage

Daily attendance at the health cottage, increased during the past week. Colds contracted in the recent cold spell by numerous students are held responsible for the increase.

New equipment in the form of a new type Infra-red Lamp has been added to the cottage. This new lamp has a much larger radius than the old-type lamp, and the rays can be concentrated on a much larger area.

Last Thursday someone borrowed two pairs of scissors and a pair of forceps from the cottage and forgot to return them. As a result of the lack of implements, Miss Shephard, the college nurse, was forced to bring some of her own implements. Whoever borrowed these implements should return them at once as it is imperative that the cottage have them. Miss Shephard needs her own implements for work that she does outside the college.

## MOLECULES MADE VISIBLE

According to an announcement from the University of Illinois, plant molecules have been brought within man's microscopic vision.

## Primary Group Dines in Cafe

### Department Supper Replaces Regular Business Meeting

In place of a regular business meeting, the kindergarten primary department gave a supper last Tuesday at 5:30 o'clock in the cafeteria. Special guests were Mr. and Mrs. Roscoe Lyons, Mrs. Lyons being supervisor of integrated art and Mrs. Arthur Barnett, Mrs. Barnett being head of the music department. Harry Shumway and Richard Jackson were invited because of the assistance given by these men during the performance of "Halloween in Sleepy Hollow," kindergarten-primary assembly.

During the dinner, department songs were sung by those present, and Mrs. Barnett sang in addition to two other selections, one composed by the first grade at Jefferson. This song, entitled "My Tree House," was an example of the type of creative work being done by children under an activity program.

## Ticket Sales for Football Dinner Begin

### Junior Chamber of Commerce and W. A. A. Fete Varsity at Montecito Club House

Tickets go on sale today for the annual football banquet honoring the 1935 varsity, which will be held Saturday, November 16, at the Montecito Country club, at seven o'clock. The affair will be given under the joint sponsorship of the W.A.A. and the Junior Chamber of Commerce.

Following the dinner, several sport mentors will address the students. In addition, a short program consisting of Hawaiian dancing by Elizabeth Vincent, a novelty song feature by "Buppy" Moore, Timmy Cornwall and "Bud" Lambourne, and a tumbling act by Jack Knight and Dave Pollock, will be presented.

Shirley Warner, president of the W.A.A., is in charge of ticket-sales for the banquet. Marion Call will supervise the decorations.

All State students are invited to attend the annual Chamber of Commerce dance which will be given the same evening at the club. Fred Lambourne and his orchestra will furnish music for the evening.

## DR. LEE SPEAKS BEFORE SENIORS IN EBBETS HALL

Dr. Ralph W. Lee, minister of the First Methodist church of Santa Barbara gave an interesting talk on "The Place of the College Senior in the World of Today" to the seniors at their regular monthly breakfast in Ebbets hall Wednesday morning at seven o'clock.

The program was arranged by Lyman "Goldy" Goldsmith, president, who greeted the guest speaker and officially introduced Miss Jean Krueger as the new sponsor of the senior class.

The appointments of Paul Woods as chairman of the ticket sales for the monthly breakfasts and Bob Way and Durant Moseley as program chairmen were then announced by Goldsmith.
