

THE EAGLE

VOL. 4

SANTA BARBARA, CALIFORNIA, FRIDAY, JANUARY 23, 1925

NO. 17

FRATERNITIES AND SORORITIES MAY BE RECOGNIZED

Societies Must Comply With Specifications

Fraternalities and sororities may soon become recognized organizations upon the campus if present plans materialize. Agitation for the establishment of such organizations has been prevalent among several groups of men and women for some time. The institution will publish the relative scholastic standing of all sororities and fraternities twice a year.

Fraternalities and sororities will be recognized officially according to President Phelps if such associations comply with the following regulations:

1. Half year of residence (one semester) during which a program of not less than 14 units has been satisfactorily completed, to be a prerequisite for membership.
 2. Scholarship to be at least 3.
 3. Groups to be selected from different departments, not more than 60% of the membership to belong to any one department.
 4. The number in a group not to exceed 15.
 5. Constitutions to be made in conformity with these regulations and presented with a request for charter from the institution. Accompanying the request and the constitution should be a list of proposed members.
 6. Each group to elect a faculty associate member.
 7. Places and dates of meetings to be approved by the college.
- As soon as checks can be made upon proposed members of groups and the constitutions approved the clubs will be officially launched.

Men's Glee Club Plans Northern Tour

The Men's Glee Club has several engagements to present its program in March while on a two days tour in and near Bakersfield. The club will give its program in Wasco, Delano, Taft and, Bakersfield while on the northern trip.

A program will be given in Santa Ynez sometime in the later part of February, according to Mrs. Barnett, Glee Club Director.

A tentative schedule to sing in Sana Maria is being arranged by Carl Wirths, Men's Glee Club manager.

After Easter vacation the home concert will be given by the Glee Club. The home concert will not be given until all outside engagements have been fulfilled.

Subject A Examination Scheduled For Friday

The examination in English, Subject A, which must be passed by all Junior College students, will be given on Friday, January 30, at three o'clock. Students entering the Junior College for the first time are required to take the examination and those who have passed a semester's work in English X having previously failed to pass the examination Subject A must also take the examination. Students failing to pass the examination will be required to take the course in English X without credit.

Health Association Holds Final Meeting

At the final meeting of the fall semester of the Health Benefit Association, the Treasurer, Edith Comstock, reported a balance of \$92.00 in the Fund, showing that 60 per cent of the original money paid into the treasury were still intact.

Dues for the Spring semester are being paid daily to the Treasurer, who announced that she will be in the Eagle Office next week at noon every day. The present plan for the next semester calls for a membership of 150, or twice that of this semester. If the administration of the Fund is as successful next term as it has been this it is hoped to increase the scope of the benefits to the members.

All claims for benefits from the Fund should be made by the 30th before the books for the semester are closed. It is known that there are several such claims still to be presented, and promptness in their presentation would be greatly appreciated by the Administration.

H. E. Club Plans To Elect Officers

On Thursday morning, 4th hour, January 29, the Home Economics girls are to have an election of new officers for the coming semester. The nominating committee has nominated the following girls for office:

President: Hazel Hill, Thelma Walters.

Vice-President: Mrs. Esther Long, Mary Ratekin.

Secretary: Edith Comstock, Grace Miksch.

Treasurer: Janice Erwin, Jeanette Slagg.

Nominations may be made from the floor and all girls of the department are urged to be thinking about the above nominees, and to be present at the election meeting.

Junior College Plans For Social Affair

Plans are being made for the dance which will be sponsored by the Junior College sometime in February or the last Friday in January. Although this dance is not a part of the Student Body social calendar, invitations will be extended to all who care to attend.

The dance will be managed by a committee of five under the direction of Dean Ashworth. The committee will include Paul Fritz, chairman, Scottie McGee, Eston Laughlin, Rodney Heggie and Barbara Dewlaney.

Social Science Club Elects New Officers

Oren Heckleman was elected president of the Social Science Club at the regular meeting of the organization held Wednesday night. Other officers included Marjorie Brown, secretary-treasurer, and Barbara Dewlaney, vice-president.

The club voted to authorize the speakers committee to bring at its discretion out of town speakers for the monthly dinner meeting. The next dinner which will be held on February 18 will probably be given at the Cypress Inn.

Students Will Register On February 2

Monday, February 2, has been set aside as registration day. Contrary to custom of former years classes will not be in session on Monday. Opportunity will be given students to arrange their programs and devote the remaining part of the day in amusing themselves. Registration will begin at nine o'clock according to Mrs. Miller, registrar, who reports that the matter of registration will be dispensed with as soon as possible. Regular classes will begin Tuesday.

Calendar Of Events

Tuesday, January 27—Dean's meeting.

Thursday, January 29—Departments.

Friday, January 30—End of semester.

Saturday, January 31—Basketball—Cal. Poly Here, 7:30 P. M.

Mr. Jack Dutton, member of the Department of Public Works of Sacramento visited College this week. Mr. Dutton looked over the athletic field which is now under construction and took special cognizance of the proposed cut for a swimming pool.

NOTED EDUCATOR TO SPEAK IN CITY NEXT MONDAY

Alexander Meiklejohn Will Deliver Address

Dr. Alexander Meiklejohn, eminent educator and lecturer, will speak at Recreation Center Monday evening on the subject, "Thinking in a Democracy." Dr. Meiklejohn is primarily interested in the cause of education and because of his liberal views and attitude has won the admiration and interest of many students throughout the United States.

For twelve years as President of Amherst College, Dr. Meiklejohn put into practice his theories of education. They differed from the old order in that they attempted to make education a stimulus to inquiry and speculation rather than a routine memory course of dogmas. He also attempted to keep Amherst a small college and opposed mediocre teaching and the use of professional coaches in college athletics.

The older Alumni of the college with several others who were connected with it objected to his policies as interfering with their plans for a "bigger and better Amherst." Rumors to the effect that the trustees were asking Meiklejohn for his resignation resulted in an uproar from the student body who strongly backed him. The resignation was asked for and Dr. Meiklejohn took leave of Amherst with considerable newspaper publicity and the goodwill of most of his students.

For the past year Dr. Meiklejohn has been lecturing and writing on the college of tomorrow. He comes here under the auspices of the League of Women Voters and is giving a number of lectures in California. A special rate has been secured for students who may secure tickets to the lecture in the office.

Educational Pictures Will Be Shown

Mr. D. E. Golia of the Cunard Steamship Company will visit College Tuesday, January 27, and will show pictures and give a travel talk on the Cunard Steamship Company's Work. He will show many interesting pictures of people, places and events. The pictures will be shown in room 43 from one-thirty to three-twenty (periods 6 and 7). Admission is free. The pictures will be shown twice during the two periods and everyone should arrange to see them.

Miss Winifred M. Frye

Edward Yeomans Speaks To Social Science Club

Mr. Edward Yeomans of the Ojai Valley School, who addressed the Social Science Club at its first dinner meeting on Wednesday, January 14, spoke on the subject of "Modern Tendencies in Elementary Education" pointing out the necessity of allowing the child to work in a shop with his hands. Shopwork makes it possible for the pupil to apply his knowledge gained in the class room and makes it possible for him to do something creative with his hands.

Following his address several students indicated their intention to visit the Ojai Valley School in order to get a close-up view of the experiments being carried on there.

Home Economics Women Hear Special Lecture

Miss Cora Winchell of the Home Economics Department of the Teachers College, Columbia University who is making a tour visiting Teachers Colleges that have Home Economics spoke to the girls in that department at the fourth hour on Monday.

Miss Winchell stressed the home making phase of the Home Economics work and spoke of the home as being the center of the great social life of the world.

Elementary School Gives Entertainment

The elementary school gave an entertainment last Tuesday morning. Dorothy Jensen was the chairman. The program was as follows:

Piano Solo—Mildred Felton.
Poem—"Land of Counterpane"
—Blanche Steward.
Song—"Mr. Frog"—Richard De-
rum.
Poem—"I Had a Little Hus-
band"—Eleanor Lakin.
Story—"The First Automobile"
—Warren Finze.
Piano Solo—Elizabeth Gregory.
Poem—"Poppies Golden Pop-
pies"—Cathrine Schott.

Local High School Seniors Will Present "Disraeli"

"Disraeli," by Louis N. Parker is to be given by the senior class of the Santa Barbara High School on January 30, 31. It is a historical play, taking place in England about 1875. Disraeli, the prime minister of England at that time had many difficulties in purchasing the Suez Canal, thus making his queen empress of India.

Tickets for the play are on sale this week and may be purchased from Seniors. The box office will be open Monday, January 26.

Any evening performance will be given Friday, January 30, while both an afternoon and evening performance will be given on Saturday, January 31.

Coverlets Exhibited Wednesday Afternoon

An interesting exhibition of weaving was given under the direction of Miss Camp Wednesday afternoon in the sun room. Many coverlets of different weave and different design were shown. One of the coverlets was woven two hundred years ago while several others were over a hundred years old.

One of the oldest of the coverlets was hand woven from hand spun wool which had been sheared from the sheep on the farm on which it was woven. Another article came from Perugia, the country of St. Frances of Assisi.

About thirty-five articles were exhibited; most of these belong to local people. During the afternoon a large number of townspeople as well as students visited the exhibition. Miss Camp, head of the weaving department, expressed her gratitude to the people who sent the articles and so made possible so large an exhibition.

Dance—Ace of Diamonds—by
eight girls.
Piano Solo—"Hop Scotch"—Lu-
cia Deardorf.
Poem—"Mother Mine"—Cath-
erine Schott.
Story—Jack Williams.
Scarf Dance.—June Vance.

EXCHANGES

The State College of Chico is to have a new gymnasium. The budget of the college has been approved by the governor.

After years of dissatisfaction with their fraternity rushing system, Dartmouth has adopted a new plan of postponing the rushing season until the Sophomore year.

Trinity College, Durham, North Carolina, may become the cultural center of the South and be to that section what Harvard and Yale are to the East, if it will consent to take on the name of its benefactor, James B. Duke. If it accepts the name it will be the recipient of \$6,000,000.

A radio university has been recently started in Berlin, Germany. Its faculty is to be composed of the most famous scholars of Germany. It is to be called Hans Bredow School in honor of State Secretary Dr. Bredow, who was very influential in spreading radio throughout Germany, and it has been formally opened in the presence of representatives of the German Government as well as of the University of Berlin and several high schools of high standing.

The oldest University in the world is the White Deer Grotto University in Kiangsi Province, China, founded in 960 A. D. The institution received its name from a poet, Li Po, who, because he owned a white deer, was called "The White Deer Gentleman."

Twenty-one Princeton undergraduates are conducting a school for nearly one hundred aliens of the town for the purpose of helping them obtain their citizenship papers.

An intercollegiate debate between University of Hawaii and Oxford is to take place in Honolulu some time in January.

The following appeared in the Wildcat, Chico State College paper: "We have just received a new paper from Fresno State called "The Razzberry." While it is not the official publication of the institution, we feel privileged to state our opinion of it. Frankly we do not consider such a paper a credit to any institution under any circumstances." The Santa Barbara State College sends a hearty "Amen" to the above opinion.

Miss Clark Attends H. E. Convention

Miss Florence Clark attended the meeting of the California Home Economics Association, Southern Section, Saturday, January 17, in Los Angeles.

She went especially to hear Miss Hester B. Lyon, former instructor of millinery at Pratt Institute, Brooklyn, New York, who has spent two summers in Paris studying trade conditions. Miss Lyon told of her experience in Paris shops.

There were reviews of two interesting new books:

"Food Facts for Everyday," by Florence Winchell.

"Everybody's Cook Book," by Isabel Ely Lord.

Students Have Part In Drama "Liliom"

The College is being well represented in the drama, "Liliom," that is being produced by the Community Arts players. Dean Ashworth is playing a minor part.

In the prologue, Mary H. Cook, Anita Deardorf, Marjorie Holland, Marjorie Sawyers and Thelma Walters are playing the part of peasants in the Amusement Park of Budapest.

Dean Is Anxious To Have Books Returned

Dean Ashworth has recently lost two of his choicest books, namely, "Writing Through Reading" and one of the series of the "Library of the World's Best Literature." Although Mr. Ashworth expresses his willingness to loan his books, he requests their return. He is extremely anxious that the two books which he reports as missing be restored to his office as soon as possible.

The faculty of the State College at San Diego have taken up the sport called golf.

Engagement Announced At Tea Saturday

At a tea given last Saturday afternoon at the home of Ester Janssens, the engagement of Miss Daphne Latham and Mr. Frank Kellogg, was announced. Mr. Kellogg formerly attended the University of California and has a position as a horticulturist in Santa Barbara. The date of the wedding has not been set.

Those present at the tea besides the hostess and the guest of honor, were Mary Ellen Chapman, Viola De Leon, Patrice Neely, Dorothy Pratt, Helen Mansfield, Ruth Garner, Christine Hamilton, Marian Lincoln, Margaret Patrick, Beth Teal and Viola Schoen.

Students Addressed By Dr. Charles Park

"Walking and leaping and praising God" was the subject of Dr. Charles E. Park, who spoke to students in general assembly Tuesday. Dr. Park urged students to create a sense of the goodness of the world and to make others conscious of its goodness by a cheerful attitude. He quoted the old saying, "A merry heart doeth good like a medicine," illustrating the saying with several examples.

Newman Club Gives Invitational Dance

The Newman Club will have its first invitational dance tonight at the Kaime residence. For the first time, outsiders have been invited to the party. A magnovox combined with a phonograph will furnish the music. Refreshments will be served to the large number that is expected.

Graduates Will Be Entertained At Tea

Mrs. Jane C. Miller is going to entertain all the graduates at a tea at her home, 1721 Santa Barbara Street, next Monday afternoon, Jan. 26, at four o'clock.

La Cumbre Will Feature Many Pictures

Work on the individual photographs for La Cumbre has begun in earnest this week, the Mid-Year graduates being the first to face the camera's wicked eye. Everett Hartwell, manager of Photography, is busy arranging appointments with the students for their sittings, and as soon as the first group of sittings are made, then work on the organization officers, frat and sorority members, staff members and June graduates pictures will be begun.

The photography this year is being handled by Mr. C. A. Hoffman, who has for the past four years successfully turned out the pictures for the Annual.

Group pictures will be a feature of the La Cumbre this year and will help to bear out the slogan that has been adopted by the Editor of the "Pictorial" 1925 La Cumbre. As a comparison with last year's book there will be about 180 individual pictures, or some 80 more than were made for the 1924 La Cumbre. There will be about 25 groups, 15 more than appeared in the last edition.

Another pictorial feature of the book will be a view of the proposed campus, with all the buildings, courts, fields and dormitories that are the dream of all true believers in the future of the college. This picture will be prepared by one of the staff artists in collaboration with the Mechanical Drawing department.

Word has been received in Santa Barbara of the birth of a son to Mr. and Mrs. Charles Beck, of San Pedro. The baby has been named Charles Orville. Mr. Beck is a former student of this college and was very popular when he was working for his degree here last summer.

Emma Lee Lasley left Thursday for Taft to teach Home Economics in the Lincoln School.

Jokes

Man is like a tack—useful if he has a good head on him and is pointed in the right direction, but even though he is driven he can only go as far as his head will let him.—Ex.

"Do you like bananas?" asked the lady.

"Madam," replied the slightly deaf old gentleman, "I do not. I prefer the old-fashioned night-shirt."—Ex.

The country lad had just deposited a nickel in a pay station telephone.

Operator: "Number, please?"
Country Lad: "Number, heck, you had better give me my chewing gum."—Ex.

Chaplain: "Is your faith perfect?"

Co-ed: "Goodness, no! I have to paint it twice a day."—Ex.

Bill: "Don't you think sheep are the dumbest animals?"

"Molly: "Yes, my lamb."—Ex.

Hikers Will Take Moonlight Hike

Outing Club members are looking forward to the moonlight hike to La Cumbre on the 6th and 7th of February. Interest in the Club began last year with this annual trip to La Cumbre and continued throughout the year. To date this year little interest has been displayed in the activity of the Club beyond the mere election of officers, and it is hoped that this trip will stimulate sufficient interest in hiking to bring the Outing Club to its former place of prominence among the campus organizations.

The moonlight hike starts from the College at about 11 o'clock Friday night and follows the Old Tunnel road to the Tunnel thence up the trail to La Cumbre, where the weary hikers wait for the sunrise. From La Cumbre the "nocturnal nomads" hike to Flores Flats, where breakfast is eaten at the spring. Return is made by noon on Saturday via the Rattlesnake Canyon trail.

Last year about thirty hikers made the trip, and while one found it over-strenuous the remainder voted the hike the most enjoyable that they had ever made.

The cream of the Outing Club's trips come in the second semester, when trips to the Islands, the cabin and to the Trout creeks are made.

Impossible To Put Golf On Sport Program

The possibility of golf becoming a minor sport at the College was dampened by the failure to get a course upon which to play. Both the Montecito and La Cumbre Clubs were not able to offer their links to the students. Besides a lack of a course the lack of some person to take charge presented itself. Golf cannot be established at present but possibly by a later date it may be.

Former Student Married In South

Walter Ellis, who graduated from the Community Mechanics Department in 1924 and Miss Meta Brinkmeyer were married on January 16 in Los Angeles. Walter Ellis is now teaching in the John Muir Junior High School.

Thyra Catlin, who will graduate from the General Professional Department this month, has accepted a position to teach in the third grade of a local school.

Sophomore Elect New President Thursday

Maxwell Conklin was elected to the presidency of the Sophomore class which met for the last time this semester on Thursday of this week. Although the present officers will remain in office during the following semester, the election of a president was necessary, due to the fact that Al Baranov, who is president at the present, is leaving Santa Barbara College to attend college elsewhere.

Miss Ebbets Entertains H. E. Graduates

The January and June graduates in Home Economics met at the home of Miss Ebbets for an evening of fun and recreation Saturday evening.

Bridge, Five Hundred and Mah Jongg were indulged in, Mrs. Kelly and Mrs. Dewlaney walking off with the prizes.

Basketball Quintet To Play Loyola; Close Game Expected

The Roadrunner quintet will play one of its hardest games remaining on the schedule tomorrow night in the gym when it will clash with the Loyola squad. Little is known of the ability of the Lion five because it is not in the conference and it has not as yet played many games. We believe that the Loyola crew is a fast team because that institution has a habit of surprising us with teams that surpass our expectations.

Loyola College has long been a rival of the local institution in football, but this year is the first time the basketball teams will clash.

Although little is known of the southern team, a good game will be assured. Those who have seen the local outfit in action are convinced that the Lions will have to be world beaters to stand a chance.

The Loyola line-up will be announced after the game. Coach Gilliland is planning to use the same line-up that he used in the Cal. game: Mobley, lg; Linder, rg; Anderson, c; Williams, lf; and Minetti or Morehead, rf.

Tennis Tournament Well Under Way

The women's tennis tournament was started last week. The games were played on the Ericson court. Virginia Colton won from Evelyn Graham. Three sets were played, the first set was 6-3 in favor of Graham, the second 6-3 in favor of Colton and the third 6-2 in favor of Colton. Francisca Luck umpired the game.

The games scheduled for this week are:

Eleanor Warren vs. Jane Ames.
Virginia Colton vs. Lota Stephens.

Mildred Sample vs. Harriet McKay.

Anita Deardorf vs. Francisca Luck.

Track Athletes Turn Out For Practice

Track season will open soon. Already a squad of men are working out under Jesse Hawley at Pershing Park. Among those beginning early are Bus Heggie in the broad-jump; Will Brooks in the field events; Laughlin, Brownsberger, and Edmund O'Reilly in the sprints; and Weidman and Chamberlain in the distance runs.

Track season promises to be the biggest event of the year. The athletes remaining from last year's team, which was the most successful the school ever had, are Edmund O'Reilly in the sprints; Weidman and Chamberlain in the distance runs; Morehead and Lemmon in the pole vault; Anderson and Vince in the shot-put and high jump; Sawyers in the javelin throw; Keim in the hurdles, and Vince in the broad-jump. Promising new athletes are Heggie in the broad-jump, Brownsberger in the sprints, and Foss in the pole-vault, among others who are sure to appear when the season gets under way.

Last year's team won the inter-collegiate meet at Carpinteria by a large margin; and due to the increased ability of the local contestants, this year's team will be sure to gain wide recognition.

The athletic committee has petitioned the School Board to let the college track men practice in the high school stadium after the high school is finished each day. As yet the committee has not received a reply.

The night falls but it doesn't break, and the day breaks but it doesn't fall. Figure it out.

Mr. Smith, who is quite a family man says: "A little oil on baby's dress will keep hardwood floors polished."—Ex.

College Quintet Plays Two Practice Games

The two practice games that the college basketball candidates have recently engaged in did not afford as much practice as was intended. They downed the local high school squad last week 22-13 in a contest that turned out to be a football game, and the local Legion squad last Tuesday 78-10 in a basket shooting contest in which the competition was mostly individual.

In the high school fray Coach Gilliland let the second and third teams play the high school varsity until it appeared as though the high school was creeping up on the college margin in the last quarter, when the first team was installed. At the same time the high school second team supplanted their varsity, but the college varsity could not find the goals in the strange court.

The Legion game was a walk away because it was the Legion's first contest. The College varsity piled up 54 of the points before the second and third teams were put in. The Legion borrowed a few of the college players to substitute for some of their men.

Minetti, Williams and Anderson were the chief scoring machines for the Roadrunners, stacking up 24, 18 and 14 points respectively.

Volley Ball Practice Started This Week

A number of girls have turned out for volley ball. They had several practices this week. Monday evening at six o'clock Miss Weage is going to take the girls to the Y. M. C. A. to watch a game of volley ball.

Volley ball will also be given next semester so girls who are working for a letter will get points toward it.
