NUMBER 22

Community Church Building Committees Select Officers

Members of the Building committee and the building fund committee of the community church held a joint meeting in the Veteran's Memorial building Tuesday evening at which time Del Kent was named chairman and treasurer of the Building Fund Committee and Mrs. Henry Sturmer Secretary. Two subsidiary committees were appointed on Finance and publicity. E. D. Solari was selected as chairman of the finance committee, M. F. Lewis, secretary, to be assisted by Dr. Genevieve Shorkley, Mrs. John Hudson, Cary Demaree, Del Kent and Chas. Curtis. A. L. O'Banion was named chairman of the Publicity committee and will be assisted by C. C. Heltman, Joe Hendy, Mrs. Sturmer and Rev. Deane F. Babbitt.

The church plans were approved by the committees and will be submitted for final approval of the congregation at a congregational meeting which has been set for September.

Members of the committee who were present were: Building Committee: E. D. Solari, Mrs. A. G. Woods, M. F. Lewis, Mrs. C. C. Heltman; Building Fund Committee: Cary Demaree, C. C. Heltman, Dr. Genevieve Shorkley, Del Kent, Mrs. Henry Sturmer, Joe Hendy, Rev. Deane F. Babbitt and Dr. Phillip F. Payne.

"Old Spanish Days" to Be Celebrated Aug. 10th to 14th

To lilting old-world melodies and the click of castanets, to the jingle of silver spurs and the prancing of spirited horses, Santa Barbara will once again celebrate her famous "Old Spanish Days" Fiesta on August 10, 11th, 12th and 13th. Old Spanish customs and old Spanish tunes will be revived as in colorful pageants, parades and other joyous entertainment, the city recaptures the romance of her Spanish past.

Soon the streets of the seacoast community will be festive with gold and vermilion decorations, with bright shawls and ancient flags. Santa Barbara tosses aside her usual reserve during this merry jubilee, and "goes Spanish" with boundless enthusiasm. Nearly everyone appears in attire typical of Spanish-California times, the men in velvet or broadcloth suits, jauntily trimmed with gold or silver embroidery, as happy-go-lucky cowboys. The women don gowns of vivid shades, ruffles from waist to hem. With graceful mantillas draping high Spanish combs, they are transformed into lovely señoritas of another era.

Reminiscent of early-day hospitality, will be the reception on the evening of Wednesday, August 10, at the Old Mission. Great flares illuminate the ancient church and the deep-toned bells peal forth, as the Franciscans welcome the

"CLEAN UP RURAL BOX WEEK" SET

Unservicable and unsightly rural mail boxes both retard the delivery of mail and detract from the natural scenic beauty of the highway. Particularly to be deplored are the non-regulation, old type, top-opening boxes, as well as makeshift receptacles which expose mail to the elements.

It is the desire of the Department not only to correct the above-mentioned unsatisfactory situation but to encourage all rural mail patrons generally to possess pride in their boxes, both in the manner of erection, neat stenciling, and tidy appearance.

To help accomplish these desirable objectives the Department is designating the week of August 1 as "Clean Up Rural Box Week."

Postmaster are hereby instructed to acquaint the rural mail patrons of their offices with this fact, as well as instruct rural mail carriers to cooperate and report results.

—Minnie Bauhaus, Postmaster

Estelle Hebel is expected home this week from a vacation trip which included some time spent in Yosemite.

DRESSMAKING AND DESIGNER SHOP OPENS HERE

Mrs. Robert Honeyman is opening a designing and dressmaking shop August 1, in her home at 610 Maple Ave. Prior to her marriage she worked under Miss Fosnes at Maison Josephine and before coming to Santa Barbara had a shop in L. A. Mrs. Honeyman is a graduate of the Estelle Fashion Academy.

DANCES AT BEACH ARE DISCONTINUED

Mr. O. S. Strickland, proprietor of the Carpinteria Beach Store, announces that he has found it necessary to discontinue the free street dances he has been holding at the foot of Linden Avenue near the store because of the lack of cooperation from the young people attending the dances and because parents permitted young children between the ages of 8 and 14 to attend the dances to a late hour unaccompanied by an older person.

Strickland states that a group of boys between the ages of sixteen and twenty-one had carried rowdiness so far that it verged on vandalism and that repeated requests for discontinuance of these practices had been ignored.

DR. AND MRS. J. P. RETURN FROM CONVENTION

Dr. and Mrs. J. B. Lape returned to Carpinteria Sunday afternoon after having spent the week in the Bay Region, where Dr. Lape attended the Lions International convention in Oakland, from July 18th to 22nd, inclusive, as a delegate from the local club.

In connection with the convention the Lions held an elaborate street parade and Carpinteria was well represented by a decorated car with a mounted lion on top and bathing girls and Carpinteria banners on the sides and front. The convention next year will be held in Pittsburgh, Penn., and the California convention will be held in Long Beach.

Dr. and Mrs. Lape left Carpinteria on the 15th and spent several days with Miss Eloise Mays and her mother, Mrs. Ethel Mays at San Rafael in Marin County, before the opening of the convention. Miss Mays, who was formerly employed in the local schools, is a supervisor of education in Marin County.

Enroute home, Dr. and Mrs. Lape spent Saturday at Asilomar, near Monterey, visiting the Visels, formerly operators of Carpinteria Motor Lodges and are now operating the Asilomar resort.

Santa Barbara Horse Show Attracting Large Crowd

MANY GUESTS AT PINE HAVEN

Guests at the Pine Haven Auto Court include many visitors from Southern California as well as several persons from the east who are spending their vacation in California. Among them are Lester Perkins and family, U. S. Army officer from Ft. McDowell, Calif.; Mr. and Mrs. H. F. Winkleton, Pasadena, Dr. and Mrs. J. H. Lipitz, Hollywood, A. L. Landrum, Reseda, Calif.; Dr. and Mrs. A. J. Adamec, Galesburg, Ill. Dr. Adamec is a professor in an Illinois university. Dr. J. Harry Cotton, Columbus, Ohio, pastor of Broadstreet Presbyterian church and principle guest speaker at the Synod which was held in Santa Barbara. Mrs. Ray Hewitt and family of Los Angeles. Mr. Hewitt is the publicity man for the Resort Reporter on Station KFWB which is advertising Carpinteria along with other coast resorts. H. A. Carlson and family of San Mateo, Ray Bingaman and family of Glendale and Miss Howe and Miss Thomas of Indianapolis, Ind.

BOY SCOUTS ENJOY BARBECUE

Carpinteria Boy Scouts enjoyed a barbecue at the T-L Ranch last Sunday afternoon at 2:00 p. m. A delicious feed prepared by Joe Taylor, proprietor of the ranch, included barbecued veal, salad, beans and watermelon.

During the afternoon a fire making contest was held with Teddy Storr announced as the winner. Finishing in second and third place were Herschel Low and Bernard Snow. Howard Mays, Jr., gave an exhibition of fire-making with flint. The scouts also spent part of the afternoon following a trail

(Continued on page 10)

One of the principal attractions in Santa Barbara for many Carpinterians is the annual horse show which opened Wednesday evening and will continue through Sunday evening. A number of Carpinterians are entered in the various events and others have taken boxes for the show.

Again featured on this year's program are the exhibitions of draft horses including Belgians and Percherons of the General Petroleum Corporation and the W. K. Kellogg Institute, University of California.

This afternoon's matinee will be largely devoted to children's events as will the program for Saturday afternoon. The stake event this evening, \$200.00, will be for Roadsters. Saturday night's program features three stake events, Heavy Harness Horses, \$300.00 stake; Western Stock Horses, \$300 stake; and Shetland Harness Ponies, \$200.00 stake.

The matinee for Sunday afternoon features one stake event, \$200.00 three-gaited saddle Horses, and the closing program Sunday night carries four stake events, three-gaited Saddle Horses, \$300.00; Five-gaited saddle Horses; \$500; Jumpers, \$500.00 and Hackney Ponies in Harness, \$300.

H. W. T. ROSS WINS NIGHT SHOOT

H. W. T. Ross won the night shoot and the Hyvis Oil Company Trophy No. 2 at the Carpinteria Gun Club Wednesday night. Shooting small bore rifles at 100 yards, Ross led the way with 531 in 550. Trailing Ross was Chas. Higbee with 529. Others participating and their scores were: E. F. Knowles, 527; H. Griffiths, 525; R. C. Bassett, 525; Geo. Worden, 518; H. B. D. Smith 517, Ray Eldred, 510, B. Plank, 509.

Smoking in Closed Area Brings Fine in Local Court

That it is not permissible to smoke in areas closed to smoking whether on county or U. S. Forestry lands even when sitting in a parked car was learned at considerable expense by H. D. McBride of Santa Barbara this week.

Although the violation occurred on county property which has been closed to smoking, the county fire ordinance coincides with the U. S. Forestry regulations and carries a severe penalty.

McBride was cited into the local Justice Court last week by U. S. Forestry patrolman Griffiths for smoking in his parked car about a mile below Gibraltar reservoir in the upper Santa Ynez area. He appeared for trial Tuesday morning and plead guilty and was given a \$100.00 fine by Judge C. P. Moore, with \$75.00 suspended for

a period of one year. This is the first case of this kind to come into the Carpinteria Justice court this year.

Many persons are under the erroneous impression that it is permissible to smoke in either parked or moving cars in closed areas as long as burning tobacco or matches are not tossed from the cars. However, this is not the case. Smoking is only permitted in places of habitation or posted smoking areas. The only exception is that a person may smoke in a car traveling a regularly designated state highway which passes through closed County or U. S. Forest territory, in which case burning tobacco or matches must not be thrown from the car since this is a violation of the State law.

UNFORTUNATE —

Recently O. S. Strickland who is operating the Carpinteria Beach Store inaugurated a series of street dances at the foot of Linden ave. in an attempt to provide amusement for young people visiting Carpinteria and for local young people.

This week Mr. Strickland announced that he found it impossible to continue these dances because of the attitude of local youths who insisted in indulging in rowdyism verging on the point of vandalism and because parents of young children permitted them to attend the dances unaccompanied by an adult.

It seems unfortunate that present day youth should have so little respect for the rights of others, especially when the entertainment provided was free, and that those who did enjoy the privilege of dancing and had sufficient self-respect to conduct themselves properly should be deprived of this pleasure because of the selfishness of a few. We do not know who the offenders are since we have not attended any of the dances and in all fairness to them do state that Mr. Strickland stated specifically that drinking was not the cause of the trouble. However we hope that these persons will realize that they have themselves alone to blame for being denied the privilege of spending several pleasant evenings at the beach each week.

Mr. Strickland deserves credit for attempting to provide some form of entertainment for tourists and vacationists visiting Carpinteria and it seems a great pity that he was not given the co-operation of authorities in seeing that some of the more exuberant young people were warned to be a little more quiet and cooperative. Young people are often thoughtless and had there been some officer to speak to them when the dances first started it is entirely possible that it would not have become necessary to discontinue the dances. Had these dances been held in a private hall for profit it would have been an entirely different proposition, but since they were held on County property, with permission, and were for the benefit of the community it would seem that those given the authority to enforce the law within the County could have visited the dances occasionally to see that those attending were conducting themselves in a proper manner.

LINDBERGH AND CORRIGAN

Just over ten years ago a towheaded youngster zoomed out of the Western sky to drop his plane on the soil of France and lift himself into the heart of romantic humanity. Lindbergh, the world was quick to say, symbolized the American spirit, valiant, adventurous, young and hearty. That's just like an American, they said. He wanted to fly the Atlantic, so he went out and did it—with a bundle of sticks lashed together with bailing wire.

Less than ten days ago another youngster flew out

The Churches

Carpinteria has a number of Churches, whose pastors and members will be glad to welcome you to their services.

CHRISTIAN SCIENCE SOCIETY

Christian Science Society, Carpinteria, a branch of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass., holds service every Sunday at 11 o'clock a. m., Sunday School at 9:45 o'clock. Mid-week meetings every Wednesday evening at 8 o'clock.

A reading room is maintained in the church building, open Tuesday afternoons (except holidays) from 2:30 to 4:30 o'clock.

"The Lord is good to all; and his tender mercies are over all his works." This verse from the Psalms is the Golden Text in the Lesson-Sermon on "Love" on Sunday in all Churches of Christ, Scientist.

A Scriptural selection includes these words of Isaiah: "Hast thou not known? has thou not heard, that the everlasting God, the LORD, the Creator of the ends of the earth, fainteth not, neither is weary? there is no searching of his understanding. He giveth power to the faint; and to them that have no might he increaseth strength. Even the youths shall faint and be weary, and the young men shall utterly fall; But they that wait upon the LORD shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint."

One of the passages from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, states: "We should relieve our minds from the depressing thought that we have transgressed a material law and must of necessity pay the penalty. Let us reassure ourselves of the law of Love. God never punishes man for doing right, for honest labor, or for deeds of kindness, though they expose him to fatigue, cold, heat, contagion."

THE CARPINTERIA COMMUNITY CHURCH

Rev. Deane F. Babbitt, Pastor.

Commencing a series of sermons on the ordinary Virtues of Life," the Reverend Henry T. Babcock, D. D. of Eagle Rock, California, will preach upon "Patience" at the Eleven o'clock morning worship hour. Dr. Babcock is supplying the pulpit of the local church in the absence of Rev. Deane F. Babbitt, who with his family, is on vacation during the month of August.

The Misses Doris Demaree of Occidental College and Iva Walsh of Santa Barbara State College, assisted by Reg Ogan of Los Angeles J. C., will direct YOUTH FELLOWSHIP ASSEMBLIES un-

POLITICS -- Day by Day

Monday

Among other items received over the week-end is word from a usually reliable source that the 'single tax' under another guise, has sufficient signatures to be placed on the November ballot, unless it is ruled out as it was four years ago.

The political pot has passed the simmering stage and is now beginning to boil if the numerous and lengthy releases from candidates for governor are an indication.

Both Hatfield and Merriam in the Republican camp sent out material enough to fill several pages this week. Hatfield is vigorously denying any connection with lobbyist Artie Samish now under investigation, by the Sacramento grand jury. He reiterates his promise to clean up the fish and game situation, and states "reduction plants have been allowed to take millions of sardines which were needed as food for game fish."

State Senator Andrew R. Schotky of Merced in endorsing Gov. Merriam for re-election brings up the moot question of whether the

til September. Sunday evening at 6:30 o'clock Miss Helen Young will entertain the group at her home in Lillingstone Canyon. The study of the Prophet Hosea lends interest to the theme of the evening, "Ideals of Love and Marriage."

METHODIST CHURCH

Melyin J. Addington, Pastor

Morning worship: Bishop William C. Martin speaking.

Evening Worship: "Called, commanded, and consecrated."

Wednesday evening: Prayer and Bible hour—Revelation 2.

At the 11 a. m. service Bishop W. C. Martin will preach. Bishop Martin has found a warm place in the hearts of those west of the Rocky Mountains. Since being selected he has visited five summer assemblies and has been cordially and enthusiastically received by the young people. He has more than an ordinary speaking ability, and a fervent spirit behind his life. A basket lunch will be served following the morning services. All are cordially invited to attend.

In the evening the pastor will speak on three marks of a christian's life. A christian life is more than profession; it is possession. Some people seem to be possessed with the principles of evil—and others with a dynamic christian zeal. "Be ye doers of the Word and not hearers only."

Revelation, a great and mighty book shall be our study in prayer service until conference. This book opens to us many of the deep mysteries of God. "Let us study and show ourselves approved unto God."

budget is or is not balanced and gives the Governor credit for pulling the state out of \$30,000,000 deficit. He also questions Hatfield's promise to reduce taxes without interfering with important functions of the state.

Three democratic candidates for governor have been heard from so far this week. James F. Brennan of San Francisco, announces his withdrawal from the race for the Attorney Generalship to help elect Daniel C. Murphy Governor, and William Gibbs McAdoo, Senator. Release from Legg's headquarters state that his campaign trip over the week-end was highly successful and that there are now some 6,000 members of nearly 400 "Legg-for-Governor" Clubs. From Olson headquarters comes a 32-page booklet entitled, "The Next Governor of California" by Frank Scully. Haven't had time to read it yet, but seems as though I heard of a similar book four years ago authored by Upton Sinclair.

All seems quiet among Republican candidates for U. S. Senator but some of the Democratic candidates seem to be on the verge of a little mud-slinging among themselves, at least the verbal ammunition has a strong resemblance to damp earth. Pierson Hall, chairman Downey for Senator Campaign, claims that Los Angeles postal workers are being shook down for a dollar per head for a dinner dance which features Senator McAdoo as the piece-de-resistance of the program. In another mail is enclosed a re-print from a column in the San Diego Daily News criticizing McAdoo for snubbing Pierson Hall in the presence of President Roosevelt and a copy of a letter which Sheridan Downey sent to Earl Behrens of The San Francisco Chronicle in reply to a challenge from George Creel wanting proof that Downey supported Roosevelt in 1932, and quoting from story in Sacramento Bee of April 30, 1932, which bears out Downey's claim. Downey also quotes several items from the Los Angeles Examiner issues of April 1932 tending to show that McAdoo was not among Roosevelt supporters at that time.

Wednesday

Release from Headquarters for Santa Barbara County's candidate for lieutenant governor states that latest group of organizations to endorse Dr. Franklin includes Los Angeles Civic League of Good Government, Non-Partisan Study Club of Southern California, American Institute of Public Service, Los Angeles Charter Foundation, Professional Men's Committee on Governmental affairs, Los Angeles Negro Non-Partisan League, Los Angeles County Medico-Dental Committee, Westside Taxpayers Association, Los Angeles, 51st District Republican Association, Los Angeles.

John M. Burnett, Democratic Candidate for the same office and sole candidate to file only on the Democratic ticket, reports that he has been unanimously indorsed and is being actively supported by the California Assembly of Democrats in Southern California.

Still another Democratic candidate for U. S. Senate, James W. Mellen, adds his voice to the general attack on McAdoo and demands that the Senate Slush Fund Committee investigate charges of corrupt or questionable conduct in the campaign to re-elect McAdoo.

Ray L. Riley, Republican candidate for U. S. Senator, who has included in his platform a demand that government expense be cut one-third, speaking before the Federation of Retail Trade Assoc-

(Continued on page nine)

of the West, pushing his antiquated flying machine before him. And what do they say of Corrigan?

Brave they call him, but just a trifle foolish; courageous, but undisciplined. With one hand they bestow honors, with the other they wipe out the license numbers on his plane. Officialdom dusts off the welcome mat, but keeps the paddle ready in the woodshed. Beneath the praise that echoes those shouts of 1927, runs a new note, a note that places security above success, care above courage, and discipline above the recklessness of an adventurous spirit.

The Lindbergh of 1927 gave voice to the spirit of pioneer America, an America strong and hearty, an America daring and venturesome, an America ready to challenge and able to conquer. The Corrigan of 1938 echoes that theme from the past—and finds an America so engrossed in the siren song of collective security as to be out of tune with saga of individualistic daring!

HIGH SIERRA FISHING IMPROVES

Fishing is improving rapidly in the High Sierra Country, according to reports received by the Outing Department of the National Automobile Club from the Mt. Whitney Pack Train and Tunnel Air Camp. Last reports state Consultation Lake on the Whitney Trail is open for fishing and Funston Lake, out of Tunnel Air Camp providing limits of golden trout.

For stream fishing, Rock Creek, out of Carrol Creek Pack Station is good. Golden Trout Creek and South Fork of the Kern, in Ramshaw Meadows out of Tunnel Air Camp, are good. Flies are being struck on all streams.

*** * * * ***
Behind The Scenes In
American Business
*** * * * ***

By John Craddock
BUSINESS—No let up appeared last week in the slow but persistent march toward recovery which was signalized a month ago by a dramatic upswing in prices of corporate stocks and commodities. Shoe retailers, along with other dealers in consumer goods, reported a distinct improvement in sales. With shoe prices generally lower than last year, shoe merchants are making every effort to duplicate this year the 1937 sales volume of nearly three pairs for each person in the U. S. From Detroit came word that July sales of new automobiles may be better than the June total of 188,000 cars. Meanwhile, it is reported that used car dealers are meeting with success in reducing the number of second hand cars on the market. News from both the steel and electric power industries is encouraging. Steel mills are operating at 36 per cent of capacity, the highest rate thus far in 1938, and power production last week was the highest since January 29.

WASHINGTON—The U. S. Treasury, it was disclosed last week, will ask Congress to remove federal, state and municipal bonds from the tax exempt class, to extend the income tax to federal employees and to permit states to tax federal bonds and incomes of federal employees within their borders. Most businessmen consider this a worthy aim.

Taxation of government bonds should help businessmen to raise capital. Suppose a retired business man has \$10,000,000 to invest. If he puts it in government bonds at 3 per cent his annual return would be \$300,000 upon which no tax would be levied under present laws. In order to give him this much net return, private business would have to offer him at least 10 per cent of his money, or \$1,000,000 a year. Because after he'd finished paying the approximately \$675,000 federal and state income tax on the \$1,000,000 his actual income would be whittled to \$325,000. Obviously men of wealth at present are not anxious to risk their money in private business when in many instances they can get the same net return by investing in relatively safe government bonds.

THINGS TO WATCH FOR—Combination comb and brush, so that the hair can be combed and brushed in one motion. Rubber flower pot; when the earth cakes around the plant, it can be broken up by merely squeezing the pot. Paper bag within the cloth bag of a vacuum cleaner, dirt collects directly in the paper bag, which is removed bodily and discarded

without exposing contents. . . Photographic paper that can be developed into a picture merely by exposing it to steam.

RETAIL SURVEY—Businessmen large and small read with interest this week a survey published by Standard Statistics, Inc., which discusses the current status of federal and state legislation as it affects multiple retail outlets. Particular interest centers around the conclusion of the survey that time is running against the proponents of punitive taxation calculated to run the chain stores out of existence.

"Farmers have no sympathy with those who would cripple the chains," the survey says, "because they are important customers of large rural chain organizations and are against anything that would tend to raise prices in these outlets. More important, the farmer knows that the chains perform highly useful functions in taking surpluses of farm products off the market. Consumers and organized labor are also opposed to anything that tends to raise retail prices."

MEN'S CLOTHING—Clothing merchants, looking for higher wool prices, are losing no time now stocking up on men's suits, overcoats and winter underwear, making

due allowance of course for the possibility of a somewhat lower sales volume this fall and winter than last year. In the last month alone raw wool tops have risen from 75 cents to 82½ cents. Supplying Mr. John Doe with his new fall suit is a complicated business. Companies that make the cloth started designing patterns a year ago. The cloth was woven in their mills last fall, sold to manufacturers mostly located in eastern seaboard cities. They in turn began cutting and sewing the suits last winter. Right now salesmen for these manufacturers are on the road in all parts of the country selling 10 suits here, a hundred suits there, depending on the needs of retail merchants.

HEADLINES IN NEW YORK—General Electric Co. sales in first half are \$131,000,000, off 23 per cent from a year ago. . . Willys-Overland reduces prices up to \$26 on 1938 models. . . Libbey-Owens-Ford Glass Co. re-employs 1,400 workers; President John D. Biggers sees improved fall prospects for glass industry. . . Argentina to sell \$25,000,000 bond issue in U. S. . . Industrial stocks in Japan dropped 21 per cent in value in last two months. . . British Parliament for the first time in years seriously considers resumption of

FOREIGN CITRUS GROWERS FACE MARKET PROBLEMS

Reporting that in an eight-month trip around the world he saw no place comparable to Southern California, R. L. Willis, well known Corona citrus grower, resumed his place on the board of directors of the California Fruit Growers Exchange today.

He visited a number of citrus producing countries around the Mediterranean basin and reported finding them confronted with similar difficulties to those of California in marketing rapidly increasing production under today's economic conditions.

Palestine produced eleven million boxes of oranges and grapefruit this season and will have fifteen million boxes next year, he said, with planting still continuing, especially of valencia oranges.

Italian lemons furnish the single exception where production is declining, Willis stated. "Mal Secco" disease has destroyed 800,000 trees there in recent years.

President C. C. Teague and General Manager Paul S. Armstrong reported to Exchange directors on the annual session of the American Institute of Cooperation which

they attended at Washington State College last week, along with 1,000 other cooperative leaders and government officials.

Teague, who is chairman of this national organization of cooperative organizations, delivered the keynote address, while Armstrong spoke on membership problems of cooperatives and also discussed the financial and operating structure of the Fruit Growers Supply Company.

With all its problems, the California-Arizona citrus industry is still much better off than most agricultural industries in other parts of the country, judging from reports at this conference, they said.

SKEETS CHANGES NAME

"Skeets" Gallagher, long famous on stage and screen as a comedian, has become assistant to Wesley Ruggles, producer-director of Paramount's "Sing You Sinners," and will henceforth be known as Anthony R. Gallagher, his real name.

ANTIQUA THUNDER BUGGIES

Four locomotives built in the middle of the Nineteenth Century have been assembled by Cecil B. DeMille and are being reconditioned for use in Paramount's "Union Pacific," the story of the first transcontinental railroad.

Your printing orders will be well done and appreciated at The Chronicle office.

Grapefruit prices are also looking up.

How to Grease Your Own Car!

- FIRST**—Put on your dirtiest clothes so you can crawl under your car
- SECOND**—Buy a supply of transmission, differential, universal joint, water pump, and pressure gun greases, a grease gun, and a spray gun. Also some penetrating oil and No. 40 oil.
- THIRD**—Equip yourself with lots of good, strong words such as "Darn," "Oh Hang," and such to use on the joints where the grease doesn't want to come through. Keep using these words until the grease comes out the other side.
- FOURTH**—Buy yourself a complete set of wrenches to use on the containers that must be opened to inspect the lubricating supply inside. Also some new skin to graft on your knuckles when the wrench slips.
- FIFTH**—Fill your spray gun full of penetrating oil to spray on the springs. Be sure not to breathe for about ten minutes while spraying the springs or you may oil plate the insides of your lungs, which is bad.
- SIXTH**—Be sure not to miss any place that should be lubricated as it may cost you the price of twenty grease jobs for repairs.

Or, if this seems like too much trouble and expense, drive your car into P & B AUTOMOTIVE SERVICE and just ask for a "SAFETY SYSTEM LUBRICATION JOB." We assure you it's the latest thing in COMPLETE greasing service.

SUMMER DISCOUNT SALE

SAVE 10% ON Gas Furnaces

(Floor Furnaces Included)

NO DOWN PAYMENT NECESSARY

NO PAYMENTS UNTIL OCTOBER

TERMS as low as \$4.39 A MONTH

(Title I, National Housing Act)

COMPLETE, healthful comfort at low cost! That's good reason for buying a gas furnace any time. And now, during this sale, you can take advantage of special low prices.

The offer is open to owners of residences and to operators of apartment houses and commercial buildings.

Note the attractive terms. Then call a heating equipment dealer or the gas company for full information.

SOUTHERN COUNTIES GAS COMPANY

ONE OF THESE WILL SUIT YOUR NEEDS. They are the really ideal means for keeping the home healthful and comfortable. They are vented. Fresh air is drawn in, warmed and circulated.

- UNIT FURNACE**—complete, care-free heating. Like the other appliances included in special offer. Unit Furnaces are available with automatic temperature control.
- FLOOR FURNACE**—warmth plus healthful circulation of air. A floor furnace takes up no room in the house, yet requires no basement.
- FORCED-AIR UNIT**—circulates warm air in winter, fresh air in summer and the year round.

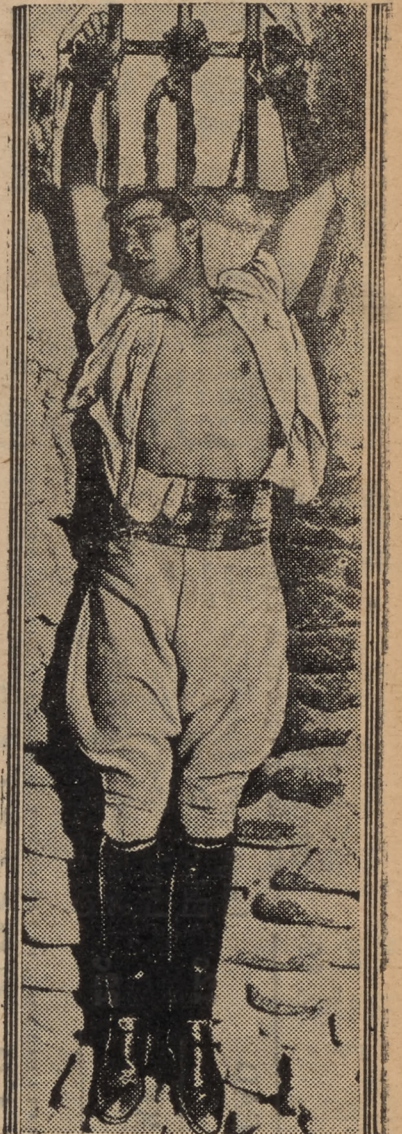

Look for the Blue Star Seal of Approval

Franchot Tone, Robert Young and Robert Taylor who will be seen on the screen at the California Theatre Saturday in "Three Comrades," which also stars Margaret Sullivan. "Little Miss Thoroughbred," starring Ann Sheridan and the new screen discovery Janet Chapman will be shown on the same bill.

Harold Lloyd in "Professor Beware," Now playing at the Fox Arlington theatre. Also on the same program, "We're Going to Be Rich," featuring Victor McLaglen, Brian Donlevy and Gracie Fields.

RUDOLPH VALENTINO in "SON OF THE SHEIK"

now playing at the De Mar Theatre. Also on the same program, Katherine Hepburn in "Bringing Up Baby."

A NEW "ZAZA"

Claudette Colbert, in the title role of "Zaza," is a tawdry music hall entertainer who falls in love with a man of high station, Herbert Marshall. The piquant French drama, which has afforded a vehicle for the talents of such famous actresses as Nazimova, Mrs. Leslie Carter, Geraldine Farrar and Mme. Rejane, is now in production at Paramount with George Cukor directing.

Your Hollywood Correspondent Reports . . .

Dorothy Lamour narrowly escaped being burned when she attempted to extinguish blazing brush in her new Coldwater Canyon estate into which she moved following the filming of her final scenes in "Spawn of the North." Leif Erikson and Frances Farmer take an interest in all scenes of "Escape From Yesterday" and may be found on the set watching Akim Tamiroff, Lynne Overman and Vladimir Sokoloff doing their parts when they could be taking recreation. . . Ben Blue, veteran of the show world's two-by-four beds, has finally taken time out from "Paris Honeymoon," the picture in which he is playing with Bing Crosby and Franciska Gaal, to buy himself a seven-by-seven bed and mattress for his new Hollywood home. . . Hank Luisetta, the Stanford basketball ace, is going to Detroit on completion of "Campus Confessions," and after visiting friends will go to work for Standard Oil Co. in San Francisco. Smeared with grease for "King of Alcatraz," Lloyd Nolan and J. Carroll Naish dined with the garage boys the other noon. . . John Howard has been escorting Mary Carlisle around the film city since they completed work in "Touch-down, Army!" . . . Claudette Colbert had to take a day off after strenuous can-can dance scenes for "Zaza." . . . Martha Raye is completing decoration of her Laurel Canyon place and will have a preview party for the cast of "Give Me a Sailor" next week. . . Producer-Director William Willman has daily screening parties for Fred MacMurray and Ray Milland, who can't get enough of the tech-

nicolor scenes in "Men With Wings," which show their wartime dog-fights. . . Jack Benny had to eat almost a whole cake for scenes of "Artists and Models Abroad," and says he envies Joan Bennett, who got out of similar "work" because of a cold. . . Bob Burns, Fay Bainter, John Beal, Irvin S. Cobb and Jean Parker were guests at Dickie Moore's birthday party at the Paramount ranch location of "The Arkansas Traveler," their current picture.

Ronald Colman has returned to Paramount for additional scenes in "If I Were King," with Frances Dee and 1500 extras, after a quiet week on his yacht, "Dragoon." . . Betty Grable and Eleanor Whitney may be found at any of the downtown shopping centers on their day off from "Campus Confessions."

ALL S. B. CAST SELECTED FOR "SIESTA TIME"

Cast for "Siesta Time," Santa Barbara's own Fiesta play by Douglas Harmer, which is to be given at the Lobero Wednesday, Thursday, Friday and Saturday nights of Fiesta week was announced today. Rehearsals are in full swing. Isobel Keith Morrison has her dancers in rehearsal and castanets and music are heard throughout the night.

The players are local people, many of whom have been seen on the Lobero stage in past performances.

The cast is as follows: Carmelita, Anita Deardorf; Don Francisco, Homer Gayne; Dona Isabel, Marguerite Rush; Don Pablo, Ray Ide; Don Jose, Charles Ide; Padre Mariano, B. Fitzpatrick; Matilda, Virginia Malis; Juanita, Isobel Keith Morrison; Alfonso, the lovable singing villain, Martin d'An-

drea; Don Pedro, Francis Brabok; Don Joaquin, Tony Morello; Don Albert, Jerry Cronin; Don Alfred, Juan Ramirez; Commandante, Charles Gifford; Mexican soldiers, Bill Robertson, Lew Case, Jack Fletcher Julian, Ulysses Botello; Catuta, Gene Slaybaugh; Senora Venezuelo, Mrs. Aurora Castro and Senorita Venezuelo, Gail Dormer Smith.

Musicians are under the direction of Juan Ramirez and the dance group under the direction of talented Isobel Keith Morrison.

"Siesta Time," written and directed by Douglas Harmer, is a romantic comedy of California in the 1820's. Action of the play includes occasional serenades, a fiesta, interrupted by the arrival of the wrong suitor, a duel at sunrise, and, of course, the necessary siestas. The audience, in the course of the action is part of the play.

SPECIAL DAYS ARE FEATURED AT STATE FAIR

State-wide meetings of organizations at the 1938 California State Fair and Exposition will center the interest of the state at Sacramento September 2 thru 11.

Special days have been set aside to honor many civic organizations, including the American Legion, National Guard, State employes and cities and counties of California.

Children's Day will be September 2 and 3 when boys and girls under 16 will be admitted free, Secretary-Manager Muckler explained. The Farm Bureau and 4-H Club Day also will be September 2.

On September 3, the Press and Junior Chamber of Commerce will hold a state-wide program. American Legion Day, September 4, will find Drum and Bugle Corps from nearly every Legion Post in California present.

The Golden Gate International Exposition, Alameda County and Los Angeles will be jointly honored on September 5. Radio, Fresno and Mayor's Day will be combined on September 6, and on September 7, women's organizations, the Grange and Future Farmers of America will hold the spotlight.

September 8 will be jointly celebrated as Governor's and Service Club Day. On September 9, the State Employes will have their annual program.

The State Chamber of Commerce and the Mining Industry will be recognized September 10, and National Guard Day will be September 11. Other special events will be announced.

Western stock horses lined up for judging at the Santa Barbara Horse show which opened Wednesday and continues through Sunday evening. This class is attracting much attention in view of the fact that many large ranches in Santa Barbara Country and use this type of horse in handling cattle.

Mme. Lotte Lehmann, Metropolitan Opera Soprano, who will appear on the second on the Summer Festival Series in the Santa Barbara County Bowl on August 20th. The San Francisco Opera ballet will also present a program.

UNEMPLOYMENT TAX FOR 1936 NOW DELINQUENT

Sacramento—California employers who neglected to pay 1936 contributions to the Unemployment Trust Fund now have a double penalty.

W. F. French, Chief of the Division of Unemployment Compensation, State Department of Employment, made this announcement today in calling attention to the fact that the time limit for payment of the Federal tax expired on July 27.

"Specifically," French said, "those employers who failed to pay the 1936 payroll contribution were given the privilege of making the federal payment of 1-10th of one percent and the state payment of 9-10ths of one percent in order to avoid double penalty."

If employers fail to pay the tax on the date mentioned, they will be assessed a full one percent by the Treasury Department and an additional 9-10ths of one percent by the State Department of Employment.

Briefly, provisions of the Congressional act expiring July 27, follow:

"1. Those who have paid the full 1 percent Federal Tax for 1936 to the Federal Government and also paid to the California Unemployment Reserves Commission, the .9% of the Federal Tax, can obtain a refund from the Federal Government.

"2. Those who paid the Federal Tax for 1936 but have not as yet paid the 1936 Tax to the California

Fund, can pay the State Tax and take such payment as a credit against the Federal Tax. A refund may be obtained from the Federal Government.

"3. Those who paid the State Unemployment Contribution, but who have not as yet paid the Federal Tax, are permitted to pay the Federal Tax and take credit therefrom for such contributions paid to the California Unemployment Reserves Fund for the year 1936.

"4. Those who paid neither the Federal nor the State Tax may pay the State Tax plus interest, and then the Federal Tax, and take as a credit from the Federal Tax the amount of contributions to the California Fund."

Behind the Scenes in American Business

WHY ACCIDENTS? — The automotive industry examined closely last week a series of studies on the relation of car styling to driving safety. Surveys of the cause of traffic accidents shed a constant floodlight of valuable information on the problem. Yet "sudden death" on the highways takes a bigger toll of lives each year. Why? Arthur W. Stevens of the Society of Automotive Engineers answers with the statement that many auto accidents are attributable to the faulty styling of modern automobiles, which obstructs full vision. "Stylistic whimsies," he says, are to blame. He urges motor makers to take steps toward: lowering the hood, raising the driver's seat, allowing larger window areas and constructing thinner window partitions. Mr. Stevens says that bet-

ter visibility is inevitable, because "man for a million years has walked with eyes in the front of his head where they belong, and there is no reason why his car should not be built the same way."

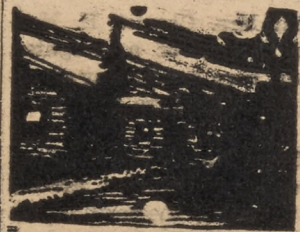

THE FARMER'S BUSINESS OVERSEAS — In the first five months of last year our corn exports amounted to 11,000 bushels; in the same period of 1938 they totaled 25,000,000 bushels. This dramatically shows the part agriculture is playing in our foreign trade this year. For January through May, 25 per cent of all our exports were farm products, as compared with only 17 per cent last year. Foreign countries are buying more of our wheat, corn, meat and lard this year.

THINGS TO WATCH FOR — Combination cigarette and match, the match being glued to the cigarette, so that when the latter is pulled from the package, a match also is withdrawn. . . . "Ice-bags" for trees, to keep them from budding prematurely; a bag of rubber fabric is filled with dry ice and wrapped around the trunk of the tree thus "freezing" the tree and keeping the sap from flowing. . . . A folding porch for auto trailers. . . . Combination pencil and calendar, on which the days of the week appear in a "window" in the barrel of the pencil. . . . A key container with index tabs to tell which key opens the front door, garage, etc.

HEADLINES — Electric range sales last year totalled 400,000 units, a third more than the previous year and double 1935. . . . \$350,000,000 a year, or about \$2.70 for each person in the country, is bet through pari-mutuel machines at race tracks. . . . About one billion

square feet of aluminum foil was produced in the United States last year for countless uses from chewing gum wrappers to photographic film. . . . Forty-four of the 48

states have laws regulating the working hours for women, a survey shows, but not a single law pertains to the working hours of female household servant.

SOCIAL & PERSONAL

Attending the annual County Chamber of Commerce dinner dance held at El Paseo in Santa Barbara Tuesday evening were Mr. and Mrs. W. H. James, Mr. and Mrs. A. M. Clark, Mrs. Ann Waynflete and Bud Riley.

H. B. Franklin returned from a fishing trip off the coast of San Diego last Friday afternoon with a fine catch of Yellowtail. The largest fish weighed over forty pounds.

Clarence Cadwell is convalescing in a Santa Barbara hospital from an operation performed early this week.

Mr. and Mrs. Vance Severence and family of Los Angeles, former residents of Carpinteria are camping at the local beach.

Mr. and Mrs. Stanley Shepard and family and Mr. and Mrs. Aubrey Crawford have returned from a several weeks camping trip in

Dr. and Mrs. Howard Scheib of San Francisco are spending the week in Carpinteria.

Henry Bliss left by plane from Goleta airport Monday to visit relatives in the east. He accompanied Katherin Rawls Thompson, swimming star who broke several records in the AAU Swimming meet at the Biltmore pool last week, and her husband who piloted the plane.

Miss Josephine Nalty has returned to Carpinteria after having spent the past several months in the Bay Region. On Thursday she entertained Miss Dena L. Stahl, formerly of San Francisco, who is at present engaged as a registered nurse at the Cottage Hospital in Santa Barbara.

Burford Sheen, former resident of Carpinteria who is now employed by the Western Oil Supply Company in Santa Maria will claim Miss Vivienne Slankard of Santa Barbara as his bride on August 27. The wedding will take place in the Oakland Episcopal church.

Mr. and Mrs. David Safwenberg and daughter, Jean, accompanied by his father, C. A. Safwenberg of Upsala, Sweden, left Saturday morning for a motor trip in the northern part of the state, including a stop at Lake Tohae.

Miss Jean Ballard and Miss Margaret Heltman are enjoying a two weeks' vacation in Mexico.

Miss Mary Gladding of San Jose has been the guest of Miss Mildred Young during the past week.

Mrs. W. J. Brown and daughter, Margaret, of Fall River, Kans., have arrived to spend several weeks with her sisters, the Miss Hester and Julia Fish.

Mr. and Mrs. Ferlys W. Thomas and family spent the week-end with friends at Big Bear.

Mr. and Mrs. Joseph H. Hendy entertained members of their club at dinner and bridge last Friday evening. Their guests were Mr. and Mrs. Don Maxfield, Mr. and Mrs. Henry Sturmer, Mr. and Mrs. Hugh Thurmond, Mr. and Mrs. Myron Robertson and Mr. and Mrs. Neil Bailard.

Mrs. O. L. Lyman was hostess to the members of the Pot-Luck club last Friday afternoon, with her aunt, Mrs. Rose Johnston of Seattle and Mrs. A. E. Southworth as guests. Members present were Mrs. Emma G. Marquis, Mrs. John W. Bailard, Mrs. J. W. Dorrance, Mrs. Jerome F. Tubbs, Mrs. E. F. Pendergast, Mrs. J. W. Young, Mrs. S. B. Hohmann and Mrs. William C. Hohmann.

Mr. and Mrs. Charles E. Neuman are parents of a daughter, Carol Jean, born last Friday morning in a Santa Barbara hospital.

The Misses Mary Jane and Joan McCampbell of Calexico arrived recently to visit at the home of Mr. and Mrs. Frank Bauhaus where they will be guests until after fiesta.

Mrs. J. H. Pettit, accompanied by her sister, the Misses Maude and Minnie Merrihew, returned last Friday to her home in Santa Ana after spending the past week at the Merrihew home.

Miss Martha Dowling spent last week at the home of her aunt, Mrs. S. E. Whitwell in Redondo Beach.

Mr. and Mrs. Ernest Cummings and son, John, of San Francisco are spending their vacation in the valley with his mother, Mrs. A. L. Cummings and other relatives.

DISCARD FRILLS

For the first time in several years, lovely Joan Bennett wears other than exquisite gowns on the screen. In Paramount's "The Texans," in which she heads the cast with Randolph Scott, she wears gingham of the post-Civil War period, a buck-skin riding outfit and homespuns.

WOMEN IN THE NEWS

By LEONE BAXTER

A women's vote, both rural and urban, topping all previous records is predicted for the coming state elections by all the official sources, as well as by the private prognosticators with the highest records of right guessers.

Reasons for the future phenomenon (primary election day is August 30) are being promulgated and discussed and manufactured to fit specific pictures. Women's sheer boredom with their narrow, unpolitical feminine world is one diagnosis of their increased voting strength. A suddenly awakened spirit is another.

Perhaps the correct answer is simply the fact that more candidates than usual this election season included planks in their platforms with a definite woman-appeal. To cite a few examples:

Dan Murphy, San Francisco sheriff and candidate for the Democratic nomination for governor, has pressed the case for progressive legislation, and for the tightening of the 8-hour law for women.

Dr. Walter Scott Franklin, Santa Barbara candidate for the Republican nomination for Lieutenant Governor, made many friends among women with his pronouncement that "the only border blockade that will be effective against

the stupendous influx of relief and pension seekers will be uniform relief and pension standards throughout the nation." In that, women see protection of their men's jobs from usurpation by transients from other states.

Sheridan Downey, aspiring to the office of United States Senator, does his cause much good with his espousal of a pension system which he believes will set the stamp of security on the average California family. And to the average housewife, anything that strikes at the spectre of insecurity is welcome as a new spring hat.

George J. Hatfield, Republican candidate for governor, makes constructive, workable and wisely endorsed suggestions for lowering the tax bill—without impairing the work of the schools—a feat any woman will endorse with her vote.

And Fred Stewart, candidate for reelection to his post on the State Board of Equalization, holds specific honors for his fight against the "Single Tax"—a crusade heavily backed for women's "50-50" bill, offering them equal representation on party central committees.

The list is long, for every candidate worthy of note has made his overtures toward the women's vote. Women, then, can pick and choose, selecting or rejecting as they see fit. And their interest to date indicates that's exactly what they're preparing to do—in greater numbers than ever before—on August 30.

What is this thing called a kilowatt-hour?

★ Most people know that a kilowatt-hour (KWH) has something to do with their electric bill, but beyond that the word is a mystery. The kilowatt-hour is used in the electrical industry to measure electricity just as the dairyman uses quarts to measure milk. The diagrams on this page will help you understand just what a kilowatt-hour is and what it means to you in terms of useful service.

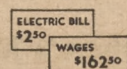

A watt-hour is the amount of energy needed to lift a 1 lb. weight 2654 feet.

A watt-hour is too small a unit for convenient measurement, so we use the kilowatt-hour which is 1000 watt-hours.

A kilowatt-hour is equal to 1000 watts being continuously utilized for a period of 1 hour. Thus one 100-watt lamp burning for 10 hours would consume 1 kilowatt-hour.

1 kilowatt-hour is equivalent to 13 men working for one hour.

The average home consumes 50 kilowatt-hours a month—equal to 650 man hours of labor. If you paid this man only 25c an hour, it would cost you \$162.50. Yet the average family pays \$2.50 or less for an equivalent service.

POLITICS DAY BY DAY

Continued from page 2

iations of Southern California, stated that this savings would mean an average saving of \$152 for each California family. He also included the statement, "They say the state and local governments go to Washington for money like blind men with a tin cup. Well, they go for their own money. And as a matter of fact, the California taxpayers association finds that California pays about 250 millions in Federal taxes and gets only about 150 millions back in Federal expenditures. That's no bargain"

Announcement from Earl Warren for Attorney General Headquarters states that William T. Sweigert, ardent Democrat, has volunteered to stump California in behalf of Warren. Sweigert stated "Earl Warren is best qualified to fill the office of Attorney General. Party has nothing to do with the office. It is semi-judicial in character, and should be filled by a man who will lay aside party interests to serve the welfare of the people."

Release from William G. Bonelli headquarters, states that committees for Bonelli for State Board of Equalization are being formed in every one of the eight counties comprising the Fourth District, and that committees comprise Democrats, Republicans and Progressives, men and women of all faiths, leaders and workers in business and in industry who are responding to the call to support Bonelli's program of strict law enforcement.

Thursday
The battle between the democratic candidates for U. S. Senate is still raging and has now reached the stage where the words "political lies" play a prominent part. The Sheridan Downey camp has issued a statement chiding McAdoo for his statement in campaign literature that he was elected in 1932 by a majority. The Downey Camp brings forth election figures to show that McAdoo was elected by a 'minority vote' of 943,164 while his two opponents received a total of 1,230,670. Downey has also offered to act as attorney for the \$30.00 a week pension plan in the event that attempts are made to remove the Plan from the November ballot, which is apparently a smart move in view of the fact that almost a million persons signed the petition to place this measure on the ballot.

Release from McAdoo headquarters avoids mention of campaign matters and stresses the desirability of the present Social Security set-up stating, "without the fanfare of 'isms and 'ites', Uncle Sam is striving constantly for a Social Security Program that is economically sound and will provide definite benefits." Apparently the 'isms and 'ites' refer to the Townsend plan and the \$30.00 a week plan.

Phil Bancroft, Republican candidate for U. S. Senate, now campaigning in Southern California is still after McAdoo's scalp and is bitterly opposing the new deal and CIO activities, stating that the present system of relief, as ad-

County Superintendent of Schools.

IMPROVEMENTS ON HIGHWAY 101

Laying of the new highway on U. S. No. 101 near Morgan Hill, has been in progress for over two weeks and two miles of the improved roadbed is now in use, reports the Touring Department of the National Automobile Club. With the right-of-way for the new three-lane highway now clear from Coyote to Llagas Creek, three miles south of Morgan Hill, the widening and paving job is scheduled for completion by fall.

Low sections in the old highway between Morgan Hill and Coyote, which annually clogged the "bottleneck" during the winter months with from six inches to two feet of water, are being eliminated. One section of the road just north of Madrone has been filled in approximately one and one-half feet for a distance of one-quarter mile. At the south end of the project, work is well under way on the new bridge over the Llagas Creek which will do away with the heretofore dangerous curve at that point. Excavation for the bridge supports have been completed.

ministered by the Government agencies, has turned hundreds of thousands of erstwhile self-respecting and independent Americans into beggars, and that California is rapidly becoming the poor-house of the nation.

According to release today, Merriam forces are already counting the votes and predicting that Merriam will be the victor in the August primaries. They even go so far as to state that wire dispatches from San Francisco quote Betting Commissioner Tom Kyne as offering 10 to 8 odds on the Governor.

CARPINTERIANS WIN PRAISE OF HIGHWAY PATROL

Letters from motorists praising traffic officers are common but, when a traffic officer goes to the trouble of writing a letter to his chief praising a motorist, that's unusual and uncommon. Recently Capt. E. W. Riley of the California Highway patrol in Tulare wrote to Chief E. Raymond Cato commending Karl G. Johnson and his wife of Carpinteria for "valuable services." Investigation revealed that the Johnsons had witnessed a hit-run driver crash into another car in Tulare County, injuring two of its occupants. The Johnsons took the license of the hit-run car, took a description of the car and driver, notified the State Patrol, then voluntarily testified in court. A jury found the offending driver guilty after five minutes deliberation.

HIGHWAY BILL TO GO ON BALLOT

A proposed constitutional amendment reorganizing the State Highway commission was assured a place on the November general election ballot when a certificate of qualification was received from Secretary of State Frank C. Jordan by officials of the Automobile Club of Southern California, sponsors of the initiative measure with the California State Automobile Association.

The proposed amendment would reorganize the present part-time Commission as a full-time, salaried body charged with full responsibility for construction, maintenance and policing of State highways. State highway functions now delegated to four State departments would be vested in the Commission, a five-man body appointed by the Governor with the consent of the Senate for fixed ten-year terms.

Automobile Club officials declare that the measure aims at greater coordination of highway functions, placing under one head the responsibility for all phases of State highway work. Fixed terms are sought in order to permit long-range planning of highways, and unified administration is advocated to coordinate work of engineers, safety experts and highway police. Present scattered authority, the proponents of the measure contend, has resulted in inefficient construction, short-sighted

PRODUCE DEALERS ACT IS UPHELD BY COURT OF APPEAL

Sacramento — The California Produce Dealers Act, which provides for the licensing, bonding and regulation of all commission merchants, buyers and handlers of farm products, including all fruits and vegetables, livestock, wool, poultry, eggs, seeds, hay and grain, received further support when it was sustained by the District Court of Appeals in the Fourth Appellate District.

The marketing statute, which provides for violation, was attacked by Leo Terkanian, otherwise known as Leo Tucker, who was arrested by officers of the the Division of Market Enforcement and found guilty in a trial before an Imperial Valley Superior Court jury several months ago, and thereafter sentenced to a jail term.

Terkanian, in his appeal, declared that the provisions of the law defining a dealer as a buyer of farm products were indefinite, unreasonable and unconstitutional. Appellate Justice Marks, who wrote the decision, dismissed the argument with the statement that "The Legislature was defining the word 'dealer' which in itself implies one engaged in the business of buying and selling. In using that word as the one to be defined, the definition in the statute relates to the activities of one engaged in such business to the exclusion of another not engaged in such business. This would exclude from the effect of the section a person making a single or casual purchase of a farm product not in the usual course of the business of the purchaser."

The Produce Dealers Act, which with related regulatory marketing statutes has been previously sus-

planning and uncoordinated operation of California's highway system. The reorganized Commission would be known as the State Highway and Traffic Safety Commission.

More than 200,000 signatures appeared on the petitions, Automobile Club officials stated.

LIONS CLUB HOLDS BARBECUE

The Carpinteria Lion's club enjoyed a barbecue at the Solari-Schweizer ranch last night which was prepared by E. D. Solari and Percy Houts, Jr. The steaks and trimmings were provided by the losing team in the attendance contest which was recently concluded.

Members of the winning team included: Dave Safwenberg, chairman; L. R. Carter, John Hudson, Harold Heltman, Leonard Kirkes, Marc Latham, Judge C. P. Moore, C. E. Neuman, E. D. Solari, E. V. Stubbs, S. C. Maddox, Burchel Upson, Frank Wykoff and Wm. Humphrey.

The losers who lost out by a scant 1 per cent, included Howard Mays, Chairman; Dr. G. H. Coshaw, John Furby, Percy Houts, Jr., J. E. Jones, Barney Kathman, Dr. J. B. Lape, Lloyd Tennyson, Al O'Banion, Frank Smith, Merle Staub, Hugh Thurmond, Charles Verner and Cliff Benedict.

The club will not meet during the month of August and the first meeting on September 1, has been designated as ladies night.

EXHAUSTING THE ELEMENTS

Randolph Scott, filming action scenes for Paramount's "The Texans," in which he is co-starred with fire, dust and snow, said he liked the blizzard scene least of all and really enjoyed a swim on horseback across the Rio Grande, even with a herd of 1000 bellowing cattle at his heels.

tained by California's high courts, permits the Director of Agriculture to entertain and act upon complaints filed by growers and producers of farm products, to make investigations, hold hearings, and make reparation orders on disputed transactions, as well as to suspend or revoke licenses for violation.

In the last five years, the Division of Market Enforcement, the Department agency administering the law, has recovered and returned to growers over a million dollars. The 1937 record was \$334,075.05, and for the first six months of 1938 the total is \$274,720.08.

FIRE DEPARTMENT TO REPAIR CAST OFF TOYS

All persons in the Carpinteria valley who have discarded or broken toys of no further use are asked to bring them to the Carpinteria Fire Station in the Veteran's Memorial Building or to notify the fire department and they will be called for.

The department plans to repair and restore toys received for distribution to needy children in the community at Christmas time.

The regular monthly meeting of the department will be held Tuesday evening in the Veteran's Memorial Building at 7:30 p. m. Dinner will be served by the auxiliary and the entertainment is in charge of Steve Granaroli.

Boy Scouts

My Wife Almost Left Home

Because she grew tired of the unsightly, worn linoleum that covered the kitchen floor . . . I've looked at the beautiful Armstrong designs at FORD'S and now I know she is right. . . It was easy to agree with her—so now my happy home won't be broken up. . . The linoleum was ordered and promptly delivered and laid by Ford Kline, who is thoroughly experienced in this work, and now I can settle back in my easy chair with my pipe and book with the comforting knowledge that the floor covering problem has been solved for many years to come.

If you are considering the purchase of new floor coverings be sure and inspect the samples of Armstrong's Linoleum on display at Ford's. Estimates for one room or for the whole house will be given gladly.
