## Out on the Pampas

### REVOLT IN JAPAN

In Tokio, on Wednesday, rebellious young army officers assassinated four high officials in the Japanese government. While severed from the rest of the world by cables and news wires as well as radio, the surviving ministers and supreme war councilors struggled to form a new government to follow that of the slain Keisuke Okada. The city was under martial law, and it now looks as though the Loyalists and Militarists will control the further destiny of Japan. Meanwhile other capitals of the world are watching with anxious eyes the development in order to ascertain just what the final result will be.

### CURB WAR PROFITS

Senator Nye, Democrat of North Dakota, has threatened that a filibuster will be used if necessary to get consideration of a bill designed to curb war profits. This bill, the result of work in munitions investigation committee provides a high tax on earnings and almost a complete confiscation of individual income above \$10,000 a year in the time of war.

### SURGEON TO MOSCOW

The news dispatch reporting that Dr. Herbert Olivecrona, famous brain surgeon of Stockholm, had gone to Moscow to perform some urgent operation, resulted in rumors that Josef Stalin, Soviet Dictator had been shot. This rumor was proved false when further reports said that he had gone to consult with doctors on the injury of I. A. Akulov, who recently fractured his skull while skating.

### FRANCO-RUSSIAN PACT

Reports from Paris indicate that the chamber of deputies has ratified the Franco-Russian mutual assistance pact.

## City Police Check Cars at Behest of Welfare Committee

Under the sponsorship of the welfare committee, officers of the Santa Barbara city police force held a second check-up of campus cars on last Wednesday morning. The check-up was made in conjunction with the safety drive of the National Safety Committee, of which Miss Helen Sweet is the State college representative.

Statistics compiled by Bob Main, welfare chairman, following the survey, placed sixty-five of the eighty-five cars checked in the general classification of good condition. The remaining twenty were judged to be in far too poor running order.

Poor brakes and dangerous tires were high on the defects listed with 18.8 per-cent declared unsafe for further use. Over 16 per-cent of the automobiles reviewed possessed faulty head lights, while but 11 percent of the rear lights were in necessity of replacement. Ten percent of the windshields and windshield wipers were regarded as obstructive to good vision.

Car owners are expected to remedy the defective parts in the near future.

## Staters Compete in Tiny Plane Contest

Three Santa Barbara State college students, Bob Johnston, Denning McArthur and Bill McKenzie, are planning to enter model airplanes in an All-Southern California meet on Sunday morning, Mar. 1, at the Gotch airport on South Western avenue in Los Angeles.

The small gasoline-powered models will compete for prizes amounting to \$300.00. The local enthusiasts are expected to place high in the competition with excellent chance for winning foremost places.

## Six Educators Attend State Curricula Meet

### Faculty Members Convene for State Convention at Biltmore Hotel

### Miss Edith Leonard Discusses Child Education on Program Panel

State college will be represented by six faculty members at the State convention of educators interested in instruction direction. The convention is to be held from March 9-13 at the Los Angeles Biltmore hotel. Vierling Kersey, State public schools head, called the meet to discuss administrative procedure for setting up and effecting scope and sequence of curricula.

Plans for the conference include three days devoted to discussions and demonstrations. Thursday and Friday a program of directed school visiting is arranged. Saturday, March 14, the conference members are invited to join with the Progressive Education association, Southern section in their conference to be held at Hotel Biltmore. Practical application of all proposals presented will be emphasized. The attendance at the conference will represent a cross-section of all interests and levels in education.

Miss Edith Leonard, kindergarten primary head, is leading the local delegation and is a member of the program panel discussing "early childhood education." The panel of which Miss Leonard is a member is headed by Dr. Edna Bailey of Berkeley and includes Dr. McLaughlin and Jane Bernhardt of UCLA, Dr. Gertrude Laws of the State department and Ruth Phillips of Santa Barbara county. The topic will be presented by Gretchen Wilfing, San Jose.

## TRAVELER TALKS ON SOVIET FOR RELATIONS CLUB

Ferdinanda Reed, world traveler and authority on foreign affairs, spoke last night to the International Relations club, on the subject of "Soviet Armenia Today." The meeting of the club held at the home at Bill Hunt, 1718 Garden street, was presided over by Allen Frick, president.

Mrs. Reed's lecture was followed by a short round-table discussion, aided and abetted by refreshments. Among those present were Dr. Raymond McKelvey, Dr. William Ellison, and Dr. Edward Nettles, together with about thirty student members of the International Relations club.

The club has planned an ambitious program of lectures and discussions on many phases of International Relations which will continue through the present semester. Talks by Dr. Berkeley B. Blake of the Unitarian society, Captain Davies of the Chamber of Commerce, and other prominent citizens.

## Wolves in Sheep's Clothing

## Lab Fee 'Heckling' Begins on Monday

It's here! That thing that has been worrying us. It's followed us all semester so far, and, at last, it has caught up with us. "LAB FEES" are due. During the week beginning March 2, all students may come to the office of Wilma Lowsley, financial secretary, and make their contributions. Such monetary offerings as are required may be submitted during the hours of 9:00 a.m. to 4:30 p.m., daily.

## Music Department Assembly Speaker Talks on Dancing

Holding a special assembly Friday morning, February 28, during fourth period, Miss Katherine Schroeder spoke on "Movement as an Expression of Music." Miss Schroeder is visiting from London and is a fellow of the Imperial Society of Dancing.

During her lecture, the relation of music to the movement of each part of the physique was emphasized. She showed the historic relationship between music and movement and the close relationship between folk music and dance. The lecture was illustrated with typical dances.

According to Mrs. Helen M. Barnett, head of the music department, Santa Barbara State college is very fortunate in having the opportunity of hearing and seeing such a gifted artist at this complimentary assembly.

## Council Defers Publicity Plan

### News Bureau Project Given to Publications Board for Consideration

The student legislative council yesterday noon accepted the recommendation of the finance committee that Dick Kaime's proposal to establish a Public Relations Bureau be rejected. In the face of this vote, however, came agreement by the council to refer the matter of establishing a Student Public Relations Bureau to the publications board for consideration.

Kaime's plan was rejected because the necessary funds were lacking, the report of the committee stated.

The final decision to refer the matter to the publications board was made only after considerable discussion by council members.

Bill Hoyt, El Gaucho editor, suggested a plan whereby Kaime might be persuaded to establish a Public Relations bureau and accept pay on a percentage basis. "Then," Hoyt continued, "if the bureau proved to be successful in obtaining publicity, provision could be made in next year's budget for paying a regular salary to the bureau head."

Though some members expressed the opinion that such a bureau could be handled by a group of students, others contended that it was a whole time job.

The power of appointing a head and establishing a board for publicity purposes now rests with the publications board.

## State Landscape Class Meets in Garden Paradise

### Reidel Offers Novel Course at Fenzi Estate on Mission Ridge

By PETIE MCKINNEY

A gardener's paradise is the suitable term for the Fenzi estate situated way up on Mission Ridge Road, which serves as a delightful classroom and workshop for boys interested in landscape gardening and architecture.

Professor Peter Reidel, authority on plants and plant acclimatization, instructs students in gardening for the purpose of offering practical training in this line. The four year course given here provides training and preparation for a further study in landscape architecture, and is managed under the supervision of the college and local high school.

The course and place of study is located appropriately on the

ground formerly belonging to Dr. Franceschi Fenzi, noted Italian horticulturist and acclimatist, who is responsible for the introduction of many varieties of tropical and unique plants into this country.

Professor Reidel manages class instruction and grading in an independent manner. The students work under a student boss, who is directly responsible to Reidel and graded by the professor. The students also maintain their own blacksmith shop, cutting and sharpening their own utensils.

Desiring to give these pupils a general gardening education, Professor Reidel comments, "We

have become a nation of specialists, in need of an all-round background. In landscaping and gardening, business management becomes an art. Beauty is doubled in value."

Searching for originality and interest in presenting the problems to the students, the professor sends them on plant hunts and awards them points of honor when they return. It's "go get 'em boys," and they are successful! Even the smallest specimen of garden daisy is recorded with its ancient history and Latin name on the card files. Whether it takes one day or ten, the student gets what he's after, and he has one consolation—the flowers do exist "somewhere" on the estate.

## Fraternities Hold Dinners for Neophytes

### Three Social Groups Release Pledge Bids to Men Monday Morning

### Frats Initiate New Members at Pledge Ceremonies Monday Evening

Rushing events among the Santa Barbara State college social fraternities will reach its peak this evening when the three groups Beta Sigma Chi, Sigma Alpha Kappa, and Tau Omega hold their final rush dinners.

Pledging will start Monday morning at 10:00 p.m. when the fraternity bids will be released by the Dean of men's office. Decisions must be made by the prospective fraternity men by 4:00 p.m. when the bids are to be to the Dean's office, for final check.

Beta Sigma Chi will be hosts to ten men in the Red room at El Paseo at 7:00 o'clock this evening. Approximately 40 men will hear short talks by Frank Hayman, organization president; Fred Allred, Associated student controller; and Earl Walker, sponsor.

Six prospective neophytes will attend the Sigma Alpha Kappa rush dinner at the San Marcos Tea room in the San Marcos court at 7:15 p.m. tonight. Welcome addresses will be given by Allen "Bud" Lambourne, president; and Cliff Leedy, sponsor.

At the Tau Omega dinner which will be held at the Plantation this evening at seven o'clock, some 40 members, alumni and guests will hear toasts by Robert Kindred, president; Dr. Charles Jacobs, sponsor; and Dr. Charles Pruess, alumnus. Following the dinner a dance will be held for the fraternity and their guests.

Each of the campus fraternities will have their pledging initiation ceremonies on Monday evening.

## Noted Philharmonic Orchestra Begins New Concert Tour

The entire Philadelphia Symphony Orchestra is coming to the Pacific coast on a concert tour, and Santa Barbara is one of the few cities to have the privilege of hearing this famous philharmonic group. The Santa Barbara concert will be given in the Fox Arlington theatre on Wednesday evening, April 29, under the direction of Leopold Stokowski.

Because of the great expense of bringing such a large organization across the country, the regular minimum priced seats will be two dollars and a half, but a very limited number of seats will be available to students, only, at one dollar and a half. These seats will be in the first six rows of downstairs and the last two rows of the balcony.

Although the concert is nearly two months away, Mrs. Helen M. Barnett, head of the music department, asks that students interested in the special rate see her immediately as the number of seats is very limited and reservations are already being made.

## Gaucha Club Group Plans Decorations

The recently appointed Gaucha club committee, composed of Elizabeth Denman, George Herron and Robert Kindred, chairman, met fourth hour on Tuesday, February 25 in the student body office for discussion on possibilities of club improvement measures.

Suggestions received by the committee include the placing of pictures of past student body presidents on the walls of the clubroom, the formation of rules of conduct and plans for establishing fountain service as previously considered.

## Something Lacking

When an individual or organization makes a statement to the effect that a certain action will take place, you take it for granted that whatever it might have been, will be done. At least, this is the impression under which we have lived and learned.

We refer frankly to the present Freshman class, which after stating clearly its intentions through the columns of El Gaucho last semester, has ignored them.

Following the evening when the Sophomores and Freshmen clashed in the quad, it was stated by the class spokesman, Danny D'Alfonso, freshman president, "We are deeply hurt to think that the student body should blame us for something of which we are entirely innocent. After restoring damage done, we expected to find ourselves in the highest esteem." We have been waiting a long time for certain freshman numerals to be removed from the campus rocks, and for the removal of the "old Cad," student body car, from the campus.

An extract from a statement made by D'Alfonso in El Gaucho, Tuesday, September 27, 1935: "The student body car was returned to its place on Phelps field." We are pained to point out that the car has never left the campus but has been an eyesore standing in the driveway between the gymnasium and industrial education buildings.

In further statements by the frosh president, he said that there was a possibility that the first year men might atone for their hasty action by repainting the car at their own expense. The point which we are attempting to emphasize is this, do the freshmen mean what they say, or is their word worthless? We, as seniors, hope that those who are following us in this institution, have strength of conviction enough to back up what they state.

The Cadillac still stands, an ignominy, and "39's" glare at townspeople and guests of the college as they drive up Alameda Padre Serra and enter El Gaucho campus.

## Essay Contest—A Publicity Stunt?

Question has been raised as to whether or not Eddie Cantor's recently announced peace essay composition on the topic, "How Can America Stay Out of War?" was merely a publicity gag?

According to word received by Associated Collegiate Press, a writer for the New Theater Magazine upon interviewing Mr. Cantor as to who suggested the peace contest, was given the answer "Newton D. Baker." When the comedian was questioned regarding the "helpful ideas" to come out of the contest, and whether they "would aid in keeping the United States out of war," he answered "The United States get into war? Don't be silly."

A final question inviting a practical suggestion from Cantor, "How do you think America can stay out of war?" was bombarded quickly by "By arming to the teeth."

With the morning mail, however, comes final word that entry deadline closed officially February 22 on the contest, and that the prize for the best essay will be awarded April 5.

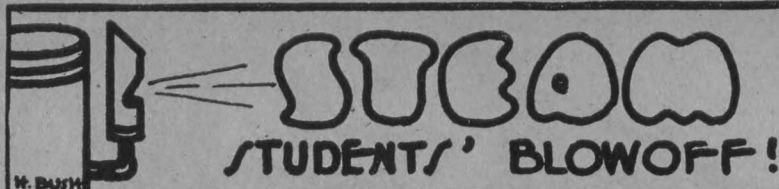

Many campus publications commend this effort as a step in the promotion of world peace. Conclusive evidence will surely lie in the essay itself, with its perfected arguments for keeping America out of the war.—P.M.

## State's Scholarly Athletes

The commonly accepted belief that all athletes are big and dumb is substantially refuted by the eligibility figures for the Gaucho nine, potential baseball champions of Southern California Conference.

Not one of the twenty-four men on the squad fell below the honor point average required by the committee for participation in inter-collegiate sports and many of the men exceeded the limit, one of the men attaining the enviable record of 1.4 of average. The average for the squad is 2.63. This is .37 point above a "C" average and extremely higher than the requirements as laid down by conference rulings which specify that an athlete must pass in twelve units.

These statistics seem to blow that old supposition sky high and to the four winds. Let us here and now offer our best wishes for a successful season to a squad of athletes that will naturally play smart, heads-up baseball.—B.H.

### GET BUSY FROSH

Dear Editor,  
I have heard, and I presume the rest of the campus has heard, that the freshman class is the outstanding group on the campus, full of initiative, ambition and talent. Well all I can say is "so what." For a class which is supposed to have so much college spirit, it certainly doesn't have any pride in the looks of the campus.

In case you don't know what I am talking about, go out by the shop buildings and take a look at the be-spattered car out there. Once a nice sedate limousine, now it is covered with "sophies," "39," "freshmen," and other remarks, all in nice, brilliant, yellow paint.

Now why can't the dear, ambitious, initiative, freshmen either invest twenty cents or so and paint the suffering wreck to a decent black, or else drag the poor thing away so that our campus will no longer look like an auto-wrecking establishment?

M. E. J.

### SQUIPS

By "GOLDY," AND OTHERS

Your credit is always good when you try to borrow trouble.

And then there was the man who wanted a job as a janitor in an insane asylum so everybody would be crazy about him.

Sizes are often deceiving. Sometimes a small woman's thumb has a man under it.

A sure cure for a severe case of insomnia—try imagining that it is time to get up.

If anybody steals your thunder, make some more.

A word to the wise is never sufficient.

Don't expect to keep ahead of your bill, if you let them do all of the running.

The weaker the argument, the stronger the words.

If you get a good wife you will become very happy; if you get a bad one, you will become a philosopher.

Few men leave foot-prints on the sands of time. Most of them are busy covering up their tracks.

Is jazz dying? Oh no, it only sounds that way!

# Gaucha Gab

By TULLY WARREN

Simultaneously with the coming of spring we have the beginning of swimming for the men at State. Yesterday afternoon a score of men trekked out to the Biltmore plunge to shake out the kinks after a winter's inactivity.

Norman Coy acts as manager of the swimmers and it is only fitting that he should have the job. That he is the best swimmer in the school is a fact not even to be questioned. Also his knowledge of diving is not meager by a darn sight.

Observed Jack Knight giving all the folks a treat of his aquatic ability. Others jumping off the boards were Morelli and Hart. Pollock was a surprise in the swimming events and he shows promise.

However the only sad part of the whole situation is that it is not definitely known that the pool will be for the use of the team the remainder of the season. If it is secured, absolutely no playing around will be tolerated and the boys are to go out and tend strictly to business. Hope it goes through as the other schools in the conference have swimming teams and it would round-out State's spring sports program.

It seems rather peculiar that no member of the sports staff of El Gaucho, student-publication, received an invitation to the recent banquet given in honor of the basketball team which was sponsored by the coaches. El Gaucho runs publicity on the team all season long and then when something is given for the team the sports staff of the publication in closest contact by point of interest with the team's activity is entirely left out while down-town sports writers are invited.

## GAUCHITOS BEAT MORAN

Gaucha Babes returned from Moran Junior college Saturday night with a win of 34-24 to wind up their basketball season for this year.

The Frosh led throughout the game and at half-time the score was 19-11 in their favor.

Monson rolled up nine points to be top scorer for the Gauchitos and Swatzberg followed with eight. Busby turned in seven and Gwinnett six.

The University in Exile, composed of German scholars who refused Nazi doctrines, seeks a fund of \$375,000 to continue work for five years.

## MENTORS HONOR CASABA TOSSERS AT DINNER MEET

Sixteen members of the basketball squads were honored Wednesday night at a dinner given for them held at Reno's Kitchen. Coaches Hal Davis and Hank Lloyd were present to give out the awards.

Captains for the 1935-36 casaba season were elected by the members of both squads. "Skeeter" Voorhies, guard for the varsity, received the honor from his teammates and Clare Busby, frosh satellite, was granted by honor by the Gauchitos.

Varsity tossers who received letters were: Crow, Homan, Hoffar, Miller, Johnston, Rumbaugh, Swanson and Voorhies. Freshmen who were similarly honored included: Busby, Mickey, Monson, Gwinnett, Swatzberg, Hackleman, Fujii, and Erbes. To be eligible for a letter each player must have played a total of 120 minutes.

After the dinner Coaches Davis and Lloyd commended the players of their fine performances during the past season and their regular turnout for practices.

## Majors Subdue State Team in Casaba Battle

Davismen Are Handicapped by Loss of Johnston and Earl Homan

Winding up the scheduled basketball season, El Gaucho dropped a fast ball game to the Junior Chamber of Commerce Majors last Tuesday night at the Armory gym to the tune of 46 to 24.

Playing minus the services of lanky Bob Johnston, first string center and Earl Homan another first stringer at either guard or center, the Gauchos played a fast game of ball but lacked the inspiration to win. The Staters started the game fast and during the first quarter of the fracas had the edge over the Majors, but again, as so many times this season, the boys couldn't click during the final eight or ten minutes of the first half. The Majors held a 20 to 10 lead at the half time.

The JCC men presented about the strongest lineup that State has had to face this season, with top scoring honors being divided between Bill Russell, former student here, and Bill Sampson, former high school player, both boys scored ten points apiece.

Although the game was a good one, State showed the effects of a let down after the Redlands game last Friday night. Crow was off form and couldn't find the basket, while Hoffar was too well guarded to do much in the way of scoring, but Charlie managed to sink three shots for six points. "Skeeter" Voorhies led the State cause by dropping in two field goals and three free shots for a total of seven digits.

The victory for the Majors kept their local slate clear of defeats by any team, outside of the out-of-town exhibition teams.

Those who saw action for State were Luse, Miller, Hoffar and Crow at forward; Swanson at center; Voorhies, Lindquist and Rumbaugh at guards.

## Con Las Amazonas

By VERA WILBER

Hear ye, hear ye, anytime anyone wants to know about an automobile, makes, parts, speed or hear a nize sales talk just hop around and see one of the gals in Miss Van's "Leadership" classes. They just know all about it, that's all, so don't ask any questions.

State college Amazonas are all anxious to hear how their election is coming out; let's hope the best man wins! Candidates are as follows: vice president, Gretalie Fitzgerald and Rena Sacconaghi, tennis manager, Elsie Anderson and Elizabeth Ramsey; baseball manager, Ann Forsyth and Lucille Garman.

There will be a Phi Delta Pi meeting at the home of prexy Dot Taylor on Monday night. Rushing plans will be discussed so—be thar.

Ol' man rain sure can get on some people's nerves! Especially a certain Amazon (masculine gender) who lines the volley ball courts following each rain, and are the Amazonas laughing—they just use the gym. All I can say is I'm glad it's not baseball season quite.

Wednesday night Mrs. Hodgins attended a meeting of the city as-

## State Tracksters Enter Conference Relay Meet

State's Medley Relay Team Has Chance for a First; Shuttle Relay Team Cinch to Place

Journeying South, Santa Barbara State track team will enter the Conference Relays to be held at Occidental, Saturday at two o'clock. At present, all men on the team are not up to par, but present indications point to a win in a few events and to placing in several others.

### Varsity Standings in the Conference

	Won	Lost
Redlands	4	0
Whittier	3 1/2	1 1/2
San Diego	2 1/2	1 1/2
La Verne	1 1/2	2 1/2
Occidental	1	3
Santa Barbara	1/2	4 1/2

### COACH SLATES GAUCHO NINE FOR TOP SPOT

"We are a cinch to finish in the upper bracket of the conference in baseball this year," states Spud Harder, coach of the baseball nine for the Gauchos.

Some forty candidates are at present out for baseball, according to the latest estimates given by manager Jack Joseph.

Practically all the lettermen of last year are returning and there is also plenty of material up from the Frosh.

The team has a schedule of some twenty games for the season and will go on about a ten days trip throughout the South. The team makes this trip every year.

During the past week the team has been working-out on the Santa Barbara Junior high school field but they are now on the Pershing Park diamond where the season's games may be played.

Present indications give the inside track in the infield to five men. They are Lebeck, Van Meter, Erhard, Murray and Evans. The chucking spot will be held down by the veterans, Miller and Bortolazo with Homan and Fisher as consistent helps.

The distance medley is the relay in which Santa Barbara seems to win first place. Larry Bowlus will run the 440, Crow the 880, Roland MacDonald the 1320 and Virgil Hooper the mile. The relay was won last year by San Diego in the slow time of eleven minutes nine and six-tenths seconds which was due to a heavy wind. San Diego will again be State's strongest competitor. However, when these boys get in condition they are capable of cracking the conference record of 10 minutes and 53 seconds.

In the shuttle hurdle-relay Howard Yeager and Bill Gray will run the lows and Dave Rumbaugh and Bill Crow will run the highs. Nick Carter states "In this relay we have more than an even chance to place."

In the field events Jean Campbell appears to be a cinch for first spot in the discus. Other men entered in the field events are Neil Beat, pole vault; Kenneth Bruce and Paul Westbury, high-jump; Jean Campbell, shot; Doug Oldershaw and Paul Westbury, javelin.

In the four-man mile open Nick Carter is entering Dudley Shean, Joe Nightingale, Ian Crow, and Larry Bowlus. Al Belprez will be an alternate. In the novice four-man mile Dudley Shean, Al Belprez, John Rygh and Russel Erickson will attempt to snatch a place.

In the four man 880 will be Howard Yeager, William Gray, Al Belprez and Joe Nightingale.

Representing the pea-greeners of State we have a four-man 880 composed of C. Strong, J. Smith, W. Cahill and J. Swatzberg.

The charge of admission is only 25 cents with student body books.

### BULL-PUPS WHIP FROSH

In the preliminary game to the varsity contest last Friday night in the Armory, the Bull-pups took a fast game from the Gauchitos by a 32 to 22 score.

The Baptist babes, which is one of the strongest teams on the freshmen league, of the Southern California conference, found strong opposition in the improved State yearlings. Trecht, Redlands, was high scorer with 12 digits; he was followed by Monson of State.

Saconaghi, costumes; and Violet Barnett, queen election.

Miss Van Fossen and Mrs. Hodgins attended a meeting of the City Recreational group in Los Angeles on Tuesday night. Publicity for physical education and recreational fields was discussed.

## Leedy Appoints Chairmen for All-College Symphony Concert

**Dorothea Prescott Acts as Executive Chairman for Musicians**

Clifford Leedy, originator and director of the annual All-Southern California college symphony, has appointed student chairmen to make plans for the reception of 75 student guests representing 15 colleges, universities, and junior colleges.

Dorothea Prescott will act as executive chairman, coordinating all of the various student activities for the music concert which is scheduled for Tuesday night, March 17, at the Lobero theater. Under the office of the executive chairman, Edward Cole has been named as business manager; Fred Lambourne as librarian; Betty Roulston, women's housing; Nat Hales, men's housing; and Mary Frances McKinney, ticket sales manager. Mrs. Margaret Bennett will be the general publicity manager, with Garlyn Basham and other student-body officers acting as the official welcoming committee.

The student musicians are scheduled to arrive on March 15, with daily rehearsals until the concert is presented on Tuesday night at 8:15 p.m.

## Ellison Lectures for Three Local Societies

Dr. William H. Ellison, head of the social science department, recently scheduled three speaking engagements.

On Monday, February 24, Dr. Ellison addressed the Women's City club at the Recreation Center on the subject of the "Constitution."

Reporting on the annual council meeting of the California State Employers association held in San Francisco the early part of February, he met on Wednesday, February 26, with the Santa Barbara chapter of the organization, which he represented at the council meeting.

Tuesday, March 3, Dr. Ellison will discuss the "Constitution, Its Origin, Nature and Growth," with some members of the Santa Barbara cooperative society.

You can fool some of the people all the time, and all of the people some of the time, but the rest of the time they'll make fools of themselves.

## Student Prexy Attends Meet

**Presidents Discuss Student Finances as Main Topic at Westwood**

Garlyn Basham, State's student body president, left early yesterday afternoon to attend a meeting of the Southern California Presidents association at Westwood. The group will gather this evening in Kerckhoff Community lounge on the University of California at Los Angeles campus.

The president of the UCLA student body, Thomas Lambert, will be the host for this month's meeting for which the main topic of discussion is, "Student Finances on the Campus." At the last meeting the group discussed, "Student Publications."

"One important point in which I am especially interested is the definite decision as to whether the meeting in April will be held here on our campus," said Garlyn Basham.

If the presidents' organization comes to Santa Barbara for its April meeting, the 20-30 club has offered to help the sponsoring of the meet. A student body dance will possibly be held in the honor of the presidents' organization.

Lambert was recently awarded a Rhodes scholarship which amounts to a three years course at Oxford university, England.

### MOORE ANNOUNCES STAFF

Appointment of Jack Kitchen as assistant director and Clayton Brooks as assistant stage director for the annual Roadrunner Review, was announced today by Harry "Buppy" Moore, production manager for the stage show.

Kitchen, who hails from Camarillo, has had experience with stage direction and musical comedy, according to Moore.

## Out on the Pampas - -

(Continued from Page One)  
ance treaty. Following the long discussion and a near clash of rival groups, during which members of the right party had shouted so as to prevent a Socialist deputy from speaking, the vote was finally taken and found in favor of the pact. It has been predicted that the pact will be passed and ratified by the senate next week. The pact was signed May 5, 1935, at Paris, by former Premier Pierre Laval and Maxim Litvinoff the foreign commissar of Russia.

## Many Ills Listed on Annual Report of Health Cottage

Of the 2,631 students who reported to the Health Cottage for treatment during the Fall semester, 1,094 were men and 1,537 were women. The daily average attendance for 85 school days was 31.

Absences for illness totaled 390. Among the most common ailments colds figured prominently with 230 being reported by women and 60 by men. Gastro-intestinal disorders troubled 23 women and 11 men. The health cottage report also lists 16 cases of abrasions for men and 10 for women.

Infections were reported by 15 men and 4 women.

## Bulletins Prepared for Summer Session

Bulletins for the coming summer session are being prepared, states President C. L. Phelps. The descriptive portions are already being printed by the college print shop class. The more factual material will be completed at a later date.

## Groups Stage Dinner-Dance

**Chavez Plans Program for English and Junior High Banquet**

Entertaining members and guests the English and junior high departments will hold a semi-formal dinner dance tomorrow evening at the San Marcos Tea Room, at 6:30 p.m.

Alfredo Chavez, English social chairman, is in charge of arrangements for the affair, and has planned entertainment. The purpose of the banquet is to provide revenue for payment of expenses incurred for a page in the annual.

Sponsors for the event will be Dr. and Mrs. William Maxwell and Dean William Ashworth.

Tickets for the affair may be purchased from Alfredo Chavez, Bob Kindred, Petie McKinney and Dorothy Darrow. All members of the student body are invited to attend. The price of tickets is 75 cents.

## E. E. Ericson Attends Instructors Meeting

E. E. Ericson, head of the industrial education department, is in Sacramento this week attending a meeting of vocational instructors. The convention is held annually and is attended by representatives of all state schools having similar vocational departments to that at State college.

While in the north Mr. Ericson is working on final plans and estimates for the new industrial education building which is under construction on the north side of the campus, and President Clarence Phelps states that the cost of the project will be determined by next week.

### STATEMENTS by the "POWERS THAT BE"

All laboratory fees must be paid during the coming week, March 2 to March 6. All students who do not meet their obligations will be dropped from these classes unless arrangements have been made at the financial office.—WILMA LOWSLEY, financial secretary.

Students and faculty able to provide housing for visiting students of the All-Southern California Symphony from March 15-17, should make arrangements with Betty Roulston or Nat Hales, housing chairmen.—CLIFFORD LEEDY, orchestra leader.

March 14 is the deadline for all La Cumbre pictures. Appointments must be kept or arrangements made for others before that date. The deadline will absolutely not be put off.

The price of one dollar for four sittings, which must be taken at Bartels, must be paid at the time of appointments.

Last year's pictures cannot be accepted unless approved by the photographer.—MARY HUGHES, editor of La Cumbre.

## Club Tramples Over Echo Park Ramblers

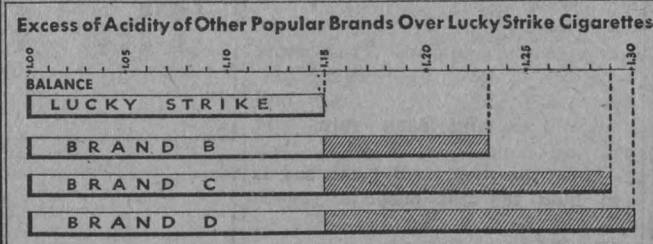

Santa Barbara Athletic Club, featuring five college players, tramped all over Echo Park Ramblers with a score of 16-5 last Sunday on a Los Angeles field. Echo lead through the first half, but by a tremendous drive Santa Barbara nosed her out of the picture entirely in the final showdown.

# LUCKIES—A LIGHT SMOKE

OF RICH, RIPE-BODIED TOBACCO—"IT'S TOASTED"

**Luckies are less acid**

Copyright 1936, The American Tobacco Company

Recent chemical tests show\* that other popular brands have an excess of acidity over Lucky Strike of from 53% to 100%.

\*RESULTS VERIFIED BY INDEPENDENT CHEMICAL LABORATORIES AND RESEARCH GROUPS...

Over a period of years, certain basic advances have been made in the selection and treatment of cigarette tobaccos for Lucky Strike Cigarettes. They include preliminary analyses of the tobaccos selected; use of center leaves; the higher heat treatment of tobacco ("toasting"); consideration of acid-alkaline balance, with consequent definite improvement in flavor; and controlled uniformity in the finished product.

All these combine to produce a superior cigarette—a modern cigarette, a cigarette made of rich, ripe-bodied tobaccos—A Light Smoke.
