College Printers Add New Off-Set Press To Shop Equipment

Student Body Funds Provide Necessary Cash; Addition Provides Opportunity To Publish College Yearbook on Campus

Keeping pace with the school whose name it bears, the Santa Barbara State College Press last week added another unit to its shop when a new Webendorfer Off-set press was installed.

The new press, bought with funds provided by the Associated Student Body, will be used primarily for the publication of La Cumbre, college yearbook. In the past, La Cumbre has been printed off campus.

Type Displaced

An off-set press is unique in the fact that type, as such, is not used. A photographic image of the job is imposed upon a zinc plate which substitutes for type. The plate, however, does not come into actual contact with the paper. Instead, the inked plate makes an impression on a rubber mat which in turn transfers the impression (the off-set) to the paper.

The advantage of such a procedure lies in its ability to produce a neater finished product upon all types of paper, especially on texture paper, on which, incidentally, the yearbook will be printed.

The State College Press is under the direction of John T. Porter, printing instructor. In addition to publishing La Cumbre, the shop also does all the job press work for the college, prints El Gaucho and the I. E. department Commentator, and various other routine jobs such as syllabi for instructors.

First of Sort

Last spring the S. C. Press made its first book publishing venture when it published Dr. Outland's "Boy Transiency in America," and now, just off the press, are two more volumes by State College instructors—"Workshop in Educational Sociology," by Dr. Russell G. Leiter, Psychology instructor, and E. C. McDonagh, of U. S. C. and "Design and Color," an art manual, by Ruth M. Doolittle, local art instructor.

At present, the College Press is working on a series of tests for Dr. Leiter.

All labor in the College Press is done by student employees. Jim Widman, assistant editor of La Cumbre, acts in the capacity of shop foreman and, as such, will have charge of the new off-set press.

Headley Plays At Palo Alto

Featuring some of his own compositions, H. Klyne Headley, music instructor, will be heard as piano soloist in a combined Music-Poetry concert to be given Tuesday at Palo Alto, California. With Headley will be Dr. Irwin Leibfried, poet, who will give selections from his three volumes of poetry.

Headley's piano selections will be the "Andante Affettuoso," a piano concerto in D-flat, "Mournful Win' Stop Your Howlin' Roun'," a concert variation of "Turkey in the Straw" from "American Sketches," the Jester's Dream, which includes the dance, "A Wooing and the Grand Processional," and "Argentango," a rhapsody for piano and orchestra rearranged for solo piano.

Several of Headley's symphonic works have already received prominence through nation-wide radio broadcasts.

Mrs. Abraham Travels East

Mrs. Byron Abraham, registrar, will leave Sunday for a month's vacation in the east. She will be accompanied by Mr. Abraham.

Their tour will include stops in Chicago, Williamsburg and Washington, D. C. on the way to New York. The return trip will be via Springfield, Ohio, where Mrs. Abraham will visit relatives.

Bell Switch Heads Revise Class Hours

The following revised time schedule was adopted at a meeting of department heads January 23, 1940, to be effective at the beginning of the semester.

No change in morning schedule.
Noon: 12:20 to 1:10
6th: 1:10 to 2:00
7th: 2:05 to 2:55
8th: 3:00 to 3:50
9th: 3:55 to 4:40
10th: 4:45 to 5:30

Phelps Picks New Athletic Committee

Buchanan Heads Advisory Group To Control Board

Appointment of a Faculty Athletic Committee to serve as an advisory and directive body in the interests of athletic welfare at Santa Barbara State college was announced by President Clarence L. Phelps today. The committee will have directive powers in conference affairs and other inter-collegiate activities, subject to the approval of the president, and will advise the faculty at large of athletic matters.

Dr. Russell Buchanan will head the committee and Dr. Fredric Addicott will serve as secretary. Other members include Dr. Irving Mather, Dr. George Outland and John T. Porter.

Set Requirements

Final jurisdiction in the scheduling of intercollegiate athletics and in the allocation of coaching duties, as well as determination of eligibility requirements for intercollegiate competition, will rest with the faculty committee.

"Since the Faculty Athletic Committee is a continuing body, it is a policy forming organization," members stated yesterday. "It is interested in a long-range intramural program to the end that every student may have the opportunity to participate in some form of physical activity.

Athletic Schedules

"A definite policy concerning out-of-state games and the problem of athletic schedules will be an important point of consideration by the committee. A fairly regular schedule with the same competing colleges will be favored.

Although responsible to the president, the committee will upon request give advice on athletic affairs to the students. The chairman of the committee is a member of the Board of Athletic Control.

Phrateres Tea Honors New Women Sunday

An orientation tea honoring all new women on campus and Phrateres members will be given Sunday at 3 p. m. in the A.W.S. room. Gail MacMillan, president of Phrateres has announced that this tea is to be a semi-annual affair sponsored by Phrateres.

Headed by Dean Lois M. Bennink, the tea will be sponsored by Mrs. Virginia Cornelson, Miss Bernice Toucey, Miss Phebe Steer, and Mrs. Ida May Edwards.

A meeting was held Wednesday evening at the home of Gail MacMillan to discuss plans for this semester. A pot-luck supper was followed by a business meeting during which a tentative calendar was drawn up and the new presidents of Phrateres sub-chapters on campus were introduced to the board. The incoming presidents are Sybil Johnathan, Gnome club; Joan Dixon, Tous les Temps; Edith Sparks, Nani Lelani; and Margaret MacKellar, Las Meninas.

Frosh Sponsor Noon Dances

Wednesday noon will see the inauguration of a series of mid-day dances, sponsored by the freshman social committee. Beginning promptly at 12:20 in the Quad, the noon hour hops will be regular affairs on succeeding Wednesdays and Fridays.

Financially backed by the college Social committee, the dances are tentatively scheduled in the Quad with a change to the music hall if weather conditions make it advisable. There will be no admission charge at the outdoor dances.

Jack Richards' special collection of recordings will be used for the dances and corn starch will be sprinkled on the cement to improve dancing conditions.

Scalapino Speaks At Kiwanis Session

Slums and their attendant evils are responsible for college students seeking a way out in "isms," declared Associated Students president Bob Scalapino at a meeting of Kiwanis Wednesday.

As guest of the group, Scalapino spoke on "What Democracy Means to the College Student." Toastmaster for the meeting was Graduate Manager Don Follett.

DON FOLLETT, graduate manager, yesterday released figures revealing that 1457 students had paid their student body fees and were enrolled as members of the Santa Barbara State College Student Body for the current semester.

Collegians Stage Talent Show Tuesday

Mattson Presides over Student Amateur Program; Three Prizes Awarded

Plans for a gigantic Santa Barbara State College amateur talent assembly, to be staged as the first assembly activity of this semester Tuesday during fourth hour in the Administration auditorium, have been completed by Carlos Bee, Associated Students vice-president.

"Without a doubt, this promises to be the biggest thing of its kind ever to hit the Gaucho campus," stated Bee, "and naturally will provide an excellent opportunity for new students to become known to members of the student body."

Mattson M. C.'s

Master of ceremonies for the amateur program will be Doug Mattson, star of the college dramatic success "Petticoat Fever," who appeared in the same capacity at a similar program last semester.

According to Bee and Bob Scalapino, student body president, who will serve as head judges of the competition, \$5 will be awarded as first prize, \$3 second prize, and \$2 as third prize. Winners will be chosen according to the amount of applause they receive.

Swing Quartet

As an added attraction, arrangements have been made for the appearance of the popular campus swing quartet consisting of Tom "Bosco" Bosley, trumpet; Jimmy Long, drums; Chet Wilson, guitar; and Bill Watson, piano, with several solo "licks" to be engaged in by each.

Unlike former amateur assemblies, this one will be open to any student of the college who is adept at dancing, singing, comedy, pantomime, monologues, musical instrumentation, impersonations or novelty routines.

Any campus performer desirous of obtaining a place on the program should leave an application for either Bee or Scalapino in box "B" or "S" in the administration building. Try-outs will be held Monday noon in the auditorium.

ALPHA THETA CHI

members are giving their second rush party Monday. At the meeting Monday night at the home of Dorothyann Meyers final arrangements were made under the chairmanship of Ellen Seymour, rush captain.

Collegians Shed Cynicism for Sentiment on St. Valentine's Day

Accuse any college student of being sentimental, and usually the questioner will shy away like a scared horse. "Who-me? Nuts!" Yet chances are better than even that the same student will soon be indulging in one of the most sentimental pastimes possible—the gentle art of giving valentines.

This unique celebration, occurring on the fourteenth of February, is one of our most ancient traditions. It is not exactly known how St. Valentine's name was rung in with the custom, or which of seven similarly orally accepted is the belief that it is a heritage from an ancient Roman festival which occurred on February fifteenth, and was something like a carnival.

Accompanying the evolution of the custom are the ideas concerning the mementos exchanged. Gone are the lavender and lace jobs complete with fat cherubs shooting arrows into plump hearts. No longer does the

Local Enrollment Total Threatens Old Standard

Rally Group Chooses New Revue Script

Committee Sets Today as Deadline For Applications

Scripts to be used in the 1940 edition of the Roadrunner Revue, annual State college musical show, will be decided upon definitely Sunday night at a meeting of the Rally committee, according to Jack Richards, chairman of the committee.

The Revue will be presented Wednesday, Thursday and Friday, May 15, 16, and 17 in the College auditorium. Wednesday's performance will include a matinee.

Appointments Made

During the meeting of the Rally committee, which will be held at the home of Dr. Helen E. Sweet, faculty advisor, executive appointments for the revue will also be made.

To date, four scripts have been submitted for the consideration of the committee and Bert Fitzpatrick, co-author of the script which was used in last year's show, is completing another for this year.

Deadline Today

Richards has announced that final deadline for both scripts and applications for advisory positions will be today. He stated that it is not necessary for a student to suggest an entire script if he only wishes to submit an original song. Specialty acts and solo routines will also be considered by the committee.

Advisory positions which are open include director-in-chief, assistant director, business manager, dance director, costume chairman, make-up committee, publicity chairman, printing chairman, technician and ticket sales manager.

All scripts submitted for the consideration of the committee should be presented to Jack Richards and must be accompanied by an explanatory notes necessary for interpretation.

Rehearsals Scheduled

Rehearsals are scheduled to begin Saturday, February 24 in the administration auditorium.

Members of the Rally committee who are judging the entries are Richards, chairman, Bob Scalapino, Georgia Mae Krebs, Jack Newman, Frank Jones, Gerry Pilling, Pat Burdick, Pat Kelly, Dale Snyder, Healy Tondel, and Grace Williams.

Child Study Group Meets

Celebrating Founder's Day and honoring new members of the group, the department of early childhood education of the College will meet at the home of Mrs. E. L. Hitchcock, 2206 Alameda Padre Serra at 2 p. m. Sunday.

Mrs. Catherine Van der Kar, new instructor in the department, was welcomed at an impressive flower ceremony in the department's flower garden recently, with Miss Edith Leonard, kindergarten-primary instructor, in charge.

Student Body Includes 1457 After Three Days Of Registration Activity

Limited and Late Enrollees Swell Rolls To 1505; Number Exceeds February, '39 Figures by 293; Heads Request Books

With the mercury of the enrollment thermometer already reaching 1535, registration continues and promises to set an all-time record for mid-year enrollment at Santa Barbara State college.

Regular students number 1505, of which 732 are men and 773 are women. The limited division includes thirty students, according to

A.M.S. Dues Plan Banned By Legislators

Council Decrees Students Get Money Back; 1940 Grid Schedule Discussed

Divorce of the Associated Men Students from the Associated Student Body was squelched by the legislative council last night when that political body banned the collection of dues and limitation of A. M. S. membership to dues payers.

Charges that the move by the A. M. S. was unconstitutional, would make the body nothing but a club, and was an unnecessary tax on men students were made. Climaxing the debate, El Gaucho editor Syd Cohen moved that membership be in no way restricted, and that students who paid dues during registration be returned their money. The motion was carried, with A. M. S. proxy Bill Sears and A. M. S. Board Members dissenting.

Minutes Discussed

The remaining two hours of the prolonged council meeting were spent reading, discussing and in most cases approving the minutes of two meetings of the Board of Athletic Control.

A tentative football schedule for the 1940 season including games with Pomona, Occidental, Fresno, San Diego Marines, Tempe Teachers, La Verne, San Diego State and San Jose was presented. In addition, Cal-Poly, Cal-Aggies and the Flagstaff teachers are being considered to fill open dates.

Recommend Tourney

Unless financial difficulties arise, the council recommended that an invitation to hold in Santa Barbara the Pacific Coast Trials for the National Basketball Association tournament at Kansas City be accepted.

If the plan goes through, which seems likely according to the Board of Athletic Control report, the tournament will be held on March 7, 8 and 9, with prices ranging from \$1.10 tops to 25c for students.

Probable Participants

Teams that would probably participate include Loyola, San Diego, Whittier, Chapman, Pepperdine, Pomona, S. F. U., San Francisco State, San Jose, Santa Clara and Santa Barbara.

The baseball team will play a tentative schedule including 25 games, including several barnstorming trips, one of 12 days to the bay area. Opponents include California, U. C. L. A., Loyola and C. C. A. A. loop rivals.

Newman Club Holds Picnic

Officers and members of Santa Barbara State college's Newman club are sponsoring a picnic in honor of all new Catholic students Sunday at Manning's Park, according to Bob Scott, president.

It is planned to form a caravan at 11 a. m. in front of Junipero Serra hall, in order that transportation may be made available to those without cars.

According to Betty Pitman, in charge of the refreshment committee, a complete program of entertainment, including ping pong, tennis, croquet and badminton has been planned, in addition to a barbecued lunch.

New students of the College are invited free of charge, according to Scott.

Miss Wilhelmina Menken, assistant registrar, who gave out these figures late last night. Enrollment figures for February 1939 on the third day of registration were only 1181 regular students and 31 limited students.

Today is the last day that programs may be changed without petition. From Monday to February 23 changes may be made by petition, and no changes will be allowed after the latter date.

Registration books must be filed with the heads of departments before 5 p. m. today. Laboratory fees and library dues will be payable the week of February 26 to March 1.

1457 in Student Body
According to records in Graduate Manager Don Follett's office, there are 1457 student body members. This number will increase as registration continues. Last year's sale of student body cards at this time was 1130.

Increase in enrollment is in line with the rapid advancement of the College toward an institution of university standing, administrators of the College believe.

Today at 4 p. m. the Thurston aptitude test will be given in Room 42. All new registrants are required to pass this test.

Students Vie For Subsidy

A scholarship enabling a college student to attend the International Relations conference at Whittier college in June shortly after the close of the semester is being offered by the local branch of the Women's League for Peace and Freedom.

The session will last ten days and expenses for enrollment and living in the dormitory are \$25. College credit can usually be received for participation in this conference which is held under the auspices of the Carnegie Peace foundation. The delegate may be either a man or woman student.

Selection of a delegate will be made by a committee from the League in conference with Captain Paul A. Jones, dean of men; Miss Lois M. Bennick, dean of women; and Dr. Harry K. Girtvez, faculty sponsor of the college's International Relations club.

Christy Announces Music Examinations

Examinations for advanced credit in music will be given during the next two weeks only, according to Van A. Christy, acting head of the music department. Anyone desiring credit by examination in music subjects this semester must take the examination by February 19th.

Calendar

Today—
3:45 p. m.: Rushees meeting.
7:30 p. m.: A.W.S. party for new women, A.W.S. clubroom.
7 p. m.: Basketball, Gauchos vs. National School, Gauchos v. Collegians, Armory.
Sunday—
4 p. m.: Phrateres tea for new women and faculty women.
Monday—
7:30 p. m.: Fraternity and sorority meetings.
Tuesday—
4th hour: Amateur talent assembly, College auditorium.
4 p. m.: Science seminar, A.W.S. clubroom.
7:30 p. m.: International Relations club meets.
Wednesday—
5:30 p. m.: College Y meeting.
Thursday—
7:30 p. m.: Associated Students council meeting.

Editorial Comment

Great Frosh Need is Adequate Information on Collegiate Life

This is the time of the year that El Gaucho, in common with every other college sheet in the country, goes to press containing all the usual welcomings, felicitations, plaudits, etc. of the editors, columnists, student officers and faculty members, all aimed at the incoming freshman class.

It is safe to estimate that at least seventy-five percent of the freshmen haven't the faintest notion of just what composes college life. This is by no means their fault; previous to their entrance there has been none who could or would give them counsel.

It would seem to be a good idea to incorporate in the high school curriculum a course to instruct all potential college students in the intricacies of college courses and requirements, along with some information on the financial side of college life, including fees, tuition, books and living costs.

Since this happy state of affairs has not yet been reached, the best thing that the "unclassified" student can do is to load up on all required subjects, so by the time he knows what he is do-

ing, he will not have lost a lot of work.

Undoubtedly the incoming student will also have some ideas of college social life, most of which are carry-overs from those hilarious days previous to 1929. We hate to disillusion you, frosh, but college is really a pretty safe and sane way of life. In the first place, most of us are too broke to raise the roof in the good old collegiate tradition.

However, we do manage to have enough social life to keep us busy, as this is one of the most highly organized campuses on the coast. We have social organizations, honorary organizations, hobby organizations, women's organizations, department organizations, ad infinitum. You, the freshmen, will undoubtedly manage to get tangled up in enough of these to take up most of the time you can spare from studies, athletics or whatever else may interest you.

In short, college life is no bed of roses. You are expected to work in order to receive that highly prized diploma, and in the meantime you will find yourself bucking all the red tape, meanness and cussedness common to any human institution.

Many of you now starting will never finish, financial worries, scholastic worries and just plain ordinary worries will make an awful dent in your class by 1944, but the best of luck to those of you who have what it takes!—B.P.

Snoopidity

By Basil Vance

Surprise folks! I suppose you are all wondering where Dave is? Well, Mr. Westaway is leaving us this semester for an extended trip into Mexico. But alas, your troubles are over; the great philosopher of the keyhole will be with us again next fall to resume his plugging for S. B. S. C. I am wondering what Val Lambert will do now? It's alright Dave, you can trust us, so go ahead and have a swell trip. Our best regards go with you. Adios Senor!

Greetings, new students. We are glad to see you, and want you to make yourselves at home. After all, we are just one big happy family.

We wish the graduates happiness and success and look forward to their visits to the "Old Alma-Mater."

Some of the guys and gals look like they haven't recovered from finals. Cheer up, a new semester is here and you can start life anew. Something to admire in Jack Rivers, Dick Saxe and Bud Thomas: they do have good taste in fens.

A heartbreaker for Eleanor Brauns. Frank Rafferty has transferred to a school down south this semester. Remember chiselers, I said a heartbreaker.

"Whitey" Hallen really slays 'em in his referee's "garb".

Honors of the week go to the little town of Victorville. We have eight Victorvillers enrolled in S. B. S. C. They are Betty Webb, Ruthie Helland, Ann Kraft, Mary Hornby, Mary Dunham, Phylis Durgen, Betty Erickson, and Barbara Barry.

Some roaring inebriate suggested that a basketball game between U. S. C. and S. B. S. C. be promoted. Not a bad idea but U. S. C. would be taking a chance of having their nice record messed up.

That popular alumni, Bill Lambourne was seen visiting about the campus not long ago. Did you notice the sparkle in Barbara Leach's eye?

Freddy Smoot hasn't been looking so cheerful lately. Please don't mention car trouble to him.

If you want to hear about some interesting episodes, ask Les (Barney) Barnwell about Palm Springs.

Janine Rupertus has found a new heart throb. His name is M'sieur Cornille.

Howard Joham and Fred Baer out scouting.

Here's one for Ripley. The local frats have been giving parties for each other.

Some girls you just can't help noticing. Virginia Alderson, Dorothy Staples, Marry Ellen Putman, Violette Glahn and Rachel Ann Walker.

The triangled affair of Marian Newman, Gil Macy and Frank Bennett is really interesting.

Special! Bill Buckner going around with a non-redhead.

Men about town:—Stan Darrow Art Chauvel, Jim Kilroy, Peirino (Flash Gordon) Merlo, and Dick Wood.

Hail the Lambournes. This semester, a fourth member of the well known Santa Barbara family enrolled in S. B. S. C. Her name is Marjorie, and she has what it takes.

A nice return. Betty Talbot, former S. B. S. C. campus queen is with us again. She has been in San Francisco for over one year modeling. And what a model!

Yvonne Nelson is keeping in constant contact with a certain party in Lompoc.

Ohio Frat Bars Women, Dates

COLUMBUS, OHIO (ACP) — Women, an institution hitherto regarded as a necessary factor in the building of happy home life, will have no place in—nay! are strictly prohibited from—the home of the Phi Kappa Tau fraternity—for one weekend a year at Ohio State university.

From the front of the fraternity house hangs a huge sign which proclaims in bold letters to the world that "Anti-Woman Week End" is in progress.

From Friday to Monday, the rules are simple and terse: "No dates, no shaves, no haircuts, no shirts, no ties or pressed trousers, and above all, no communication with (and here is listed a classification without a loophole) any girl, maid, or woman."

All pictures of women are taken from the rooms and, following a solemn ceremony, deposited in a safe until Monday morning.

Editor's Note:

Having passed safely through the hazards of mid-year exams and through the perils of registration, we are once more safely esconced behind our desk, with nothing to look forward to but a single semester of columns to pound out and a few classes to attend. We had occasion to notice this week that this institution is rapidly assuming a high scholastic rating and will in the future be looked upon with respect.

Most of the students who fell below par, it seems to us, were enrolled in the lower division. Lower division instructors, harassed by large classes and administration heckling for adherence to a curve, sprinkled F's about liberally and many a promising athlete, among others fell by the wayside. When the news spreads, we are certain that Santa Barbara State college will no longer be looked upon as the final resting place for flunkers and joy-boys.

For the newcomers in our midst, we suggest a trip to the Armory tonight to watch the Wilton and Yeager combinations in action. Coach Willie's varsity basketballers will be out to uphold an enviable record against a crack squad from the southland. We can remember last year about this time when this pillar laid itself open to the wrath of the Wee Willie by calling his Gauchos the Beau Brummels of the court, implying that their ability at shooting baskets did not measure up to their attire. This year, the Gauchos took to the floor in old uniforms and to date have won something like 17 out of 22 tilts. Success has been so marked, Wilton plans a season of flashy uniforms to measure up to his squad's record for next year. Yeager's freshmen, by the way, are the best in the memory of the oldest observer hereabouts and are looking forward to engaging the varsity in a post-season workout.

All monies collected at the gate will be used for the Finnish relief fund. As we see it, the Russians should be the recipients of relief, at least according to newspaper reports. Every day we read of thousands of Soviet bombers flying over Finland with a casualty list of approximately 3 Finns. On the other hand, the Russians are being slaughtered, the reports state, with their wounded freezing before aid can reach them.

Seriously, we can't condone the Russian war of aggression, but we feel that a great deal of excess sympathy is being extended to a nation which has become sentimentally attached to the United States by reason of paying its war debt. This sympathy may be the very spark to set the United States aflame for "saving democracy" and becoming involved in the European fiasco.—S.C.

Jack Newman's radio column, "On the Sportside" can be heard every Friday evening at 8 p.m. on KDB, the Mutual Broadcasting station.

AT RANDOM—Registration revealed several "nuggets"—outstanding was Larry Bemoll, all-southern California guard from Compton Jaycee, who paved the way for Oregon's John Berry on the gridiron while both were at the southern school. Bemoll

stands about six feet, and tips the beam at approximately 192 lbs. Marjorie Gestring, Olympic swim star, has also signified intention of enrolling at State. Morrie Gross, San Diego basketball coach, was in the stands to watch the Gauchos when they met Loyola in L.A. last Wednesday. Those Aztecs are out for blood and are not missing a bet. . . . Don Follett figures nearly 10,000 fans have witnessed the basketball games in Santa Barbara this season.

Eddie Markham reports that despite the potential power of the Gauchos this season, the local baseball club will have to hustle to beat Loyola, for the Lions boast the strongest squad in Del Rey history. . . . Waldo Phelps in to boost the Santa Barbara rugby team.

The Barbarians are undefeated this year and have been heralded as National Rugby Champions b no less an authority than the New York Times, according to Archie Meacham, local mentor. Howie Yeager, Bobby Morelli, and Jack Smith, are former Gaucho gridsters playing for the outfit, while Billy Mc-

Gauchos-Collegians Tangle for Finn Relief Fund

Santa Barbara Five Rates Favorite Over Dick Powell Quintet

By GEORGE STEPANIAN
El Gaucho Sports Editor

Santa Barbara State college's amazing Gaucho five, having cleaned up on all collegiate opposition in its class, takes a step upward and challenges the Southern Pacific A. A. U. basketball league tonight at 8:00 p. m. in the new Armory when it hooks up in what promises to be a thriller against Dick Powell's potent Collegian quintet. All profit will be given to the Finnish Relief Fund.

The Collegians have been more than holding their own in the strong A. A. U. loop and recently knocked off Hank Lusetti's North American Aviation five in a surprisingly easy manner, 43-32.

As per usual, the Gaucho's high powered attack, which has succeeded in rolling up an average of 40 points per game in the 21 contests they have played thus far this season, is led by the fast moving, push shot artist, Tommy Guerrero, at forward, and Lowell Steward, leading the team in scoring with 170 points, at center.

Steward has been on the shelf for the past few games because of an ankle injury, but is in top shape for tonight's fracas.

Teaming up with Guerrero at the forward positions, is Paddy "Cisco" Caudillo, one of the smoothest working players on the squad. However, Caudillo, of late, has also been chalking up more than his share of points and may prove an important factor in the scoring tonight.

Handling the guard positions will be Larry "Crash" Brewster, about as good a guard as there is in coast basketball, and Bill Russell, the lone senior on the squad.

Held in reserve will be Johnny Costas, who will spell either Guerrero or Caudillo at one of the forward posts, while Bill Sears and Gordon Gray, elongated 6' 6" center will see a lot of action at the guard slots, replacing Brewster and Russell. Gray also substitutes at center for Steward.

Heading the Collegian's fast-breaking offense will be Herman Reich, one of the greatest point scorers in the southland. In 8 games thus far, Reich has chalked up 103 points to lead the highly rated A. A. U. league in the scoring race.

Following are the probable starting lineups for tonight's game:

Gauchos	Guerrero	G	Reich
	Caudillo	G	Ritchie
	Steward	C	Poe
	Brewster	G	Kimball

Arthur, Mose Neely, Al Sprague, "Greek" Valos, Wolf Heinberg, and Bill Jessup, present State athletes, are all members of the aggregation. The Barbarians open their California Rugby Union schedule at Laguna Park this Sunday.

Syd Getzovitz, local swordsman, went south a short while ago to capture the California Junior Foil Championship . . . that's all for now.

Frosh Cagers Tangle with School Squad

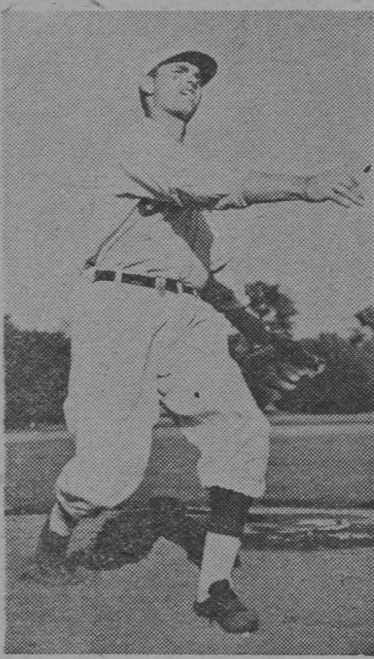

Resuming their casaba battles again after a lay-off extending over final examinations, mid-year registration and the resultant vacations, the State College Frosh quintet engages a strong National Schools five tonight at 7 in the Armory.

The Gauchos' opponents in tonight's fray are a Los Angeles team representing a school of Diesel Engineering and Air Conditioning and are rated as one of the most dangerous club teams of the southland. Their cause was recently strengthened by the addition of several stars from Manual Arts high school of Los Angeles.

Fresh from a 61-55 victory over La Verne college, the invading team will present a starting lineup of Hall and Wingartner, forwards; Doomanis, center; and Bernstein and Jerome, guards. Don Wingartner scored 21 points in the La Verne fracas.

To date, the Frosh have engaged in nine games, winning all but one and leading scorers are listed below:

	FG	FT	FTA	PF	TP
Sherman, f	43	24	39	17	112
Winters, c	36	8	14	15	80
Romero, f	35	9	13	15	79
Lohman, f	11	4	8	8	26
Nunez, g	8	7	12	16	23
Rider, g	10	2	6	25	22
Gordon, g	7	6	11	16	20
Acevedo, f	7	2	2	1	16

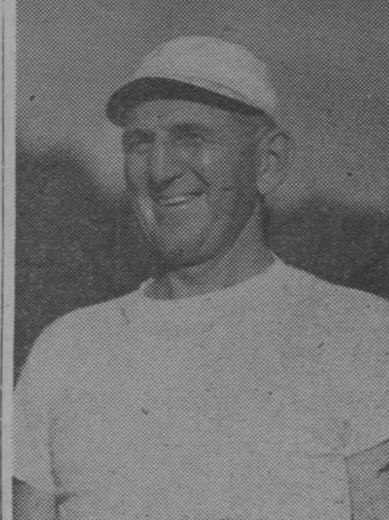

CLIFF WRIGHTSON, the Gauchos' hefty right handed chucker, is counted on heavily by Coach Spud Harder to pitch the local nine to the 2C2A championship.

Newcomers Bolster Squad

Santa Barbara's 1940 track team, headed by a new coach, Roy Bohler, formerly of Chico State, officially began its practice sessions Wednesday afternoon at La Playa field with

Loyola Lions Knock Off Local Cagers in Bitter Battle, 41-37

The third time proved the charm for Jimmy Needles and his strong Loyola five Wednesday night when they knocked over the Santa Barbara Gauchos, 41-37, in a close, bitterly fought contest in the Los Angeles City college gymnasium.

ROY BOHLER, former Chico mentor, will lead the local cinder-men as track workouts usher in the season.

last year's veterans. Billy McArthur, local sprint king, is captain.

Outstanding among the newcomers is Hovis Bess, former Riverside Junior college sprinter, who has marks of 9.7 in the 100 yard dash, 21.4 in the 220 yard dash and 49.5 in the quarter mile run.

In the field events, two men stood out with brilliant junior college records. Wolf Heinberg, Compton Junior College weight man, has marks of 45' in the shot put and approximately 140' in the discus, while Lowell Steward, at present on the basketball team, has a mark of 6'4 1/2" to his credit in the high jump and 22'6" in the broad jump.

Gymsters Meet To Discuss Schedule

Prospective candidates for the Gaucho gym squad are invited to attend a short meeting to be held in Room 52, Friday afternoon at five minutes to one.

Dr. Noble will preside at the meeting and lead a discussion on plans for suitable workout nights as well as reveal the tentative schedule for approaching meets.

Half-time score: Loyola 23, Santa Barbara, 20.

Scoring substitutes—Loyola: Ugarre (4); Peck (2). Santa Barbara: Costas (2).

DEAR MISS FRESHMAN:
Let's Get Acquainted

I'm PATSY BASS, campus representative for the Jack Rose Shop, mecca of smart college women who are particular.

They have found, as we hope you will, that here is the place where you can be positive of finding exactly what you want at the price you would like to pay.

It's my job as Campus Representative to meet you at school so that when you visit our store you will receive personal attention.

Oh Yes! . . . and each Friday I wear a different outfit to classes so that you may see the last word in clothes designed especially for the campus and leisure use.

Watch for me today. I'll be wearing a Ray Dunhill chess with a red Jumbo sweater.

I want you to know . . . so again . . . let's get acquainted.

Greek Organizations Install New Officers For Spring Semester at Initial Meetings

Rush Activities Feature Plans Of Sororities

Glenna Suender Passes Traditional Engagement Candy

Preparatory to filing invitations in Dean Lois Bennink's office, yesterday all sorority meetings held Monday through Wednesday nights were concerned entirely with planning for next week's rush events to be held next week.

TAU GAMMA SIGMA

gave a miscellaneous shower Wednesday evening at the home of Mrs. H. Klyne Headley, sorority sponsor, honoring Glenna Suender who announced her engagement to the sorority on January 29 by passing the traditional box of chocolates. The business meeting following the shower was conducted by Ethelrose Orloff, rush captain, who is general chairman for the sorority's informal rush party which will be held on Monday, February 19.

ARETA GAMMA

met Monday night at the home of Helen Ferguson to discuss their second rush event which is to be held Tuesday. The sorority also made tentative arrangements for the Areta convention this Easter at which the local Gamma chapter will entertain Alpha chapter of Berkeley and Beta chapter of U. C. L. A.

DELTA ZETA DELTA

held a special meeting at noon Tuesday and also one Wednesday evening at the home of Alice Freeman to conclude arrangements for their informal party to be held Thursday.

DELTA SIGMA EPSILON

will have its rush party on St. Valentine's Day, Wednesday. Final arrangements were made by Rush Captain Alice Benson at the meeting Monday night at the sorority house.

PHI KAPPA GAMMA

met at the sorority clubroom Tuesday night to plan for their rush party scheduled for Saturday evening, February 17.

GAMMA DELTA CHI

completed plans for their second rush event which will be held next Friday, April 28th was also set as a date for the sorority's spring formal.

El Gaucho Editor Calls Staff Meeting

Members of El Gaucho staff and students interested in working on El Gaucho will meet with Syd Cohen, editor, Tuesday during fourth hour in room 42.

At that time, plans for activities of the semester will be discussed and new staff members will be introduced and acquainted with the policies of the campus newspaper.

According to Cohen, discussion will also be held on the journalism minor which becomes a part of the State College curriculum this semester.

Artists Apply For Awards

Only a few days remain in which young California writers and painters may make application for the \$900 James D. Phelan Awards in Literature and Art. Entry is open to young men and women aged between 20 and 35, natives of the state, who have definite talents in literature, in the fields of fiction, verse, biography and other historical narratives, and in art, in the fields of painting.

The two awards of \$900 are offered to the young writer and painter considered most outstanding by Committees of Award, the Literature Committee consisting of Mrs. Sara Bard Field, Oscar Lewis, and Professor George R. Stewart. The members of the Art Award Committee are Dr. Grace L. McCann Morley, Professor Eugene Neuhaus, and William Gaw.

Application forms and information may be obtained from the office of the James D. Phelan Awards in Literature and Art, 507 Phelan Building, San Francisco. Applications are due not later than February 15th, and the winners will be announced on or before the 1st of April.

Social Frats Open Activities Of New Term

Plans for Socials, Pledging Occupies Business Meetings

Monday night marked the opening of this semester's activities for State's social fraternities with the introduction of new officers and discussions of pledging. Open houses will be held from February 19 to 23, and dates for each fraternity will be announced after the next meeting of the inter-fraternity council.

BETA SIGMA CHI

discussion centered on final plans for their annual Beachcomber's Ball to be given tomorrow night at the Carrillo hotel from 9 to 12. Music will be furnished by Doug Hoag's orchestra.

Paradise camp was tentatively set for the scene of a barbecue to be given by the fraternity within the next few weeks.

TAU OMEGA

met at the office of their sponsor Dr. Charles Pruess at 7 E. Valerio street for a short business meeting. Tentative plans for the Tau Omega open house were drawn up, and a list of prospective pledges was discussed.

SIGMA ALPHA KAPPA

meeting was postponed from Monday night until Wednesday because many of the members had not returned to school by Monday. At their

meeting Wednesday, the fraternity set the date of their spring formal for May 25. Tentative plans were drawn up for the affair.

GAMMA SIGMA PI

met at the home of Dick Wood for a discussion of pledging and social events for the coming semester. Howard Eckles was appointed to the

post of social chairman, while Andy McIntyre was appointed to take charge of the fraternity's spring formal.

Reports were given by president Howard Joham on attempts to secure a permanent meeting place, and progress on the fraternity scrap book.

AMS Refunds Money Paid By Students

Dues which were paid by registering students for membership in the Associated Men Students will be refunded in the Student body offices following a meeting of the AMS Tuesday, February 20, fourth hour, according to Bill Sears, president.

Original intent of the plan which was retarded by the executive council last night was to make the AMS financially independent of the Associated Students and to formulate a schedule of activities to include intramural athletics, three smokers, including the annual hobo brawl, and to establish an A.M.S. loan fund.

In the event that there was an excess of money at the end of the semester, it was planned to offer two scholarships.

The scheme was originated at San Diego State college and since its introduction there, the system has been adopted by many other institutions.
