You will spend an enjoyable evening at the Alhecama Theater this week when you go to see "The Hasty Heart," the second presentation during this summer season by Mask and Scroll. A splendid cast under the direction of Charles Metten does justice to this excellent play by John Patrick. This author has just been honored by winning the New York Drama Critics' Award for the best play of the past season, "Teahouse of the August Moon,"

Don't forget the Nature Study Institute sponsored by UC Extension, August 9-21. This course offers 2 units of credit.

All Business Office Departments, with the exception of the Telephone Exchange, will be closed Saturday mornings during July and August. The Telephone Office will be open from 9 a.m. to 12 noon on Saturdays, to service telephone calls and TWX messages.
