

## Entire ROTC Unit to Inspect Camp Cooke Facilities on Trip

All 158 members of the ROTC Unit have been excused from classes today to make a field trip to Camp Cooke. The cadets left in chartered buses at 8:30 this morning.

The purpose of the field trip is to witness an unusual weapons firing demonstration by the 40th Infantry Division, California National Guard. All primary weapons of an infantry division will be demonstrated and fired for the cadets.

### Basic Weapon

The demonstration will start in the afternoon with firing of the infantryman's basic weapon, the Cal. 30 rifle. Next will come bazookas, machine guns, mortars, recoilless rifles, and powerful tanks. The demonstration will culminate when light and medium artillery exhibits its great destructive effect on targets before the eyes of the cadets.

### Korea Type

The 40th Infantry Division is the same type division as those now in combat in Korea. This demonstration will give the cadets a clear picture of the capabilities and limitations of the weapons with which our divisions are now fighting. The training typified by this demonstration cannot be duplicated in campus instruction because the demonstration will involve a large number of trained troops as well as considerable quantities of equipment and ammunition not available here.

Before the firing demonstration the ROTC Cadets will be conducted on a "Cooke's Tour" during which they will see how an army post operates. They will be guests of the 40th Division, at lunch.

Pomona College is also sending a group of ROTC Cadets to this demonstration.

Other visitors at Camp Cooke today are faculty groups from Santa Barbara and California State Polytechnic Colleges, as well as business leaders from Santa Barbara and other communities.

## Footnotes In Dance Planned Thursday

A demonstration of Modern Dance under the collective title "Footnotes In Dance" will be given by Miss Jean Bellinger and her dance group next Thursday at 8:30 pm in the Riviera Auditorium.

The demonstration has been planned to show space and time elements of dance and a series of dance techniques as well as entertain, stated Miss Bellinger. The program will introduce members of the Dance Club, an honorary organization.

Participating in "Footnotes In Dance" are: Irene Johnson, Helen Baardsen, Nancy Chmilkowski, Barbara Davis, Edna Hill, Joyce MacQueen, and Pat Williams.

## REGENTS ACCEPT SCHOLARSHIP FUND

Dr. Rolf N. Linn, instructor in German who is now on leave for military service, presented the University of California with a gift of \$500 for the establishment of a scholarship.

The Lois Linn Scholarship, in memory of his wife, is to be awarded over a period of ten years in \$50 scholarships each year.

Women students who are taking a major in the Department of Biological Sciences are eligible. Recommendations of candidates to the committee on scholarships are to be made at the end of each Spring Semester by the Department of Biological Sciences.

## NEW DIRECTORY NOW ON SALE

Sales of the new Student Directory began Wednesday morning at the Snack Shack and Quad on the Riviera with Desmond Kincaid, Directory business manager, and a crew of volunteers making the sales.

Editor Judy Cook announced that only 800 copies were available and a complete sell-out is expected. The 68-page booklet has been in preparation for eight weeks with the final printing just completed by Rood Associates.

A pre-sales poster campaign picturing notorious campus personalities stating their approval of the Directory whipped student interest to a fever pitch. Name of the poster artist is being withheld for fear of damage suits.

## Six Faculty Profs Get Spring Leaves

Six members of the faculty have been granted sabbatical leave for the spring semester, it was announced by J. Harold Williams, Provost.

The leaves will be used to work on doctorate degrees here and abroad and to continue research and study in particular fields, of benefit to the recipients, the College, and to the general field of education.

The six are: Dr. William F. Aggeler, Dr. A. Russell Buchanan, Dr. Van A. Christy, Jacob L. Hansen, Robert A. McCoy, and Miss Dorothy P. Van Deman.

Three other faculty members who have been on leave for the fall semester will continue their leaves during the spring semester. They include Mrs. Winifred W. Hodgins, Dr. Robert E. Robinson, and Dr. Helen E. Sweet. Dr. Stanley E. Rauch will return to the College in February.

Now on leave for the fall semester are Dr. Robert Beachboard, H. Klyne Headley, Dr. Joseph E. Lantagne, J. Harold Miller, Miss Elsie A. Pond, and Dr. Hans Welton.

## Non-Perishable Foods Sought for Xmas Drive

Food collected during the scheduled food drive, December 11 to 14, will be delivered to the Santa Barbara Council for Christmas Cheer for distribution to the needy, according to Fred Conrad, representative of the three organizations sponsoring the drive.

The drive has been held annually for several years at the college and sponsored by campus organizations. This year's drive is under the sponsorship of the Industrial Arts Club, Stray Greeks, and Five Footers.

All types of non-perishable food stuffs are desired by the organizations. Receptacles for the contributions will be placed around the campus, locations of which will be announced later. Food is especially needed this year due to the increased number of welfare cases. Conrad urges the full support of all students and organizations.

## Nine Acts Spark Show

Nine acts sparked the "Gaucho Round-Up" last night in the Riviera Auditorium. Pat Welch was chairman of the production in which eight Greek organizations took part. Master of Ceremonies was Bill Kendall.

## Editor's Resignation Accepted by Board

Press Control Board, at a meeting Tuesday morning, accepted the resignation of *El Gaucho* editor Ken Trevey, effective January 15, or sooner should another editor be appointed prior to that date.

In accepting the resignation, the Board agreed that applications for the spring semester editorship should be solicited immediately so that the coming vacancy could be filled at the earliest possible moment.

It is an established policy that an editor for *El Gaucho* be appointed for one semester with an option for another. Trevey expressed that he did not care to exercise the option and would no longer be able to continue in the post after the end of the semester.

Chairman Chuck Missman called the Board's attention to a petition, passed earlier by the Board, to request that the Administration ban the distribution on campus of non-Associated Students publications carrying predominantly local advertising. This petition was reaffirmed and sent to the Legislative Council which agreed to contact the Administration to that effect.

Santa Barbara College was offered as the tentative site of the spring convention of the California Intercollegiate Press Association in accordance with a recommendation from Chuck Francis, Assoc. Students Publicity Director.

## Jacobsen Will Speak At CSTA Meet Soon

Dr. E. W. Jacobsen will be the speaker for the next meeting of the California Student Teacher Association next Thursday.

Dr. Jacobsen, superintendent of schools for Santa Barbara, will spend a large portion of the time in answering questions from the audience.

## Locals Fumble Chances . . . AZTECS 2C2A CHAMPS

As our highflying Gauchos powered into the season's grid finale with San Diego, 'twas discovered they had a CCAA title at stake in a winner take all contest.

In conference play the locals were leading the way to the wire with a perfect record of 3 wins to 0 losses, while San Diego was undefeated, but tied by Fresno, in conference play.

Pre-season selections had rated both clubs as likely dark-horse prospects for the title.

Needless to say, the Santa Barbarans ran out of gas in the final effort and bungled what otherwise might have been described as a highly successful season.

## Campus Soloists Will Sing at Xmas Formal

"A Coral Christmas to You!" Graham Mehaffey, chairman of the Social Committee, promises the gala Coral Christmas Formal on Friday evening, December 8, from 9:00 - 12:30, and for the first time, the dance will be at the exclusive Coral Casino across from the Biltmore Hotel.

Bids for the dance, which sell for \$2 per couple, will be sold on campus and distributed to the various campus fraternities. There will only be 500 tickets available and they must be bought before the night of the dance.

Financially speaking, Christmas is a bad part of the year and since the tickets are expensive, the Social Committee has decided that this will be a no-corsage dance.

Charles Copeland's orchestra will play and Vincent DiFiore, Barbara York, and Dick and June Church will sing with the band throughout the evening.

## Symphony Tickets Sold By Graduate Manager

Tuesday evening, December 5, at 8:30 pm, the Los Angeles Philharmonic Orchestra, conducted by Alfred Wallenstein, will appear at the Fox Arlington Theatre.

Tickets selling for \$3.60 will be \$1.20 for students who present their student body cards at the Graduate Manager's office. Also now on sale are tickets for the concerts on February 6 and March 13.

## ORDERS CANCELLED

Coach Stan Williamson, called back to the Navy recently, has received a cancellation of the orders to return to duty. The unexpected change gives new hope to future Gaucho football teams as Williamson will remain as line coach.

## Prexy Dominguez Promises Red Meat At Big Fry Sunday

Big, thick, juicy steaks are promised to all men students who attend the Associated Men Students Steak Fry Sunday afternoon from 2:00 to 5:00 at Tucker's Grove, announces Frank Dominguez, president of the organization.

Besides the fine dinner, there will be a volleyball tournament and horseshoe pitching for the more ambitious ones. Cups may be awarded to the winner of the horseshoe pitching contest and to the winning volleyball team.

Admittance will be by the purchase of an AMS card. For those who have not yet purchased their card, they will be on sale at the picnic for \$1.00.

The barbecuing of the steaks will be done by AMS Advisor "Willie" Wilton and Mr. John Groebli, representing the Mesa Campus faculty.

AMS officers for this year are Frank Dominguez, president; Bill Hardison, vice-president; Howard Gorton, secretary; Francis Smith, treasurer; Augie Ramirez, sergeant-at-arms, and Ray King, historian.

## Panhel Sets Dates For Spring Rushing

Dates for spring rushing of the Panhellenic Council have been announced as Registration Week for the next semester by Mary Sharer, Panhellenic Rush Chairman.

All women who have a C average scholastically for the fall semester and an over-all average grade of C are eligible to rush the eight sororities, but must pay a \$2.00 registration fee to the Office of the Dean of Women between December 11 and January 5.

Eligibility will be checked and the women will be notified if they may go through the schedule of rush events now being planned.

## GLEE CLUB SINGS IN SOLVANG TODAY

Men's Glee Club, under the direction of Dr. Walter Buchanan, will journey tonight to Solvang to present a concert at the Veterans Memorial Hall.

The program will begin with a group of selections by Sibelius and a large part of the evening will be devoted to folk songs of many nations.

Soloists for the Solvang concert include Claire Maher, Alfred Jensen, Vincent DiFiore, and Larry Schilling. The accompanist will be Desmond Kincaid.

The Gaucho Serenaders, quartet which has been well received in harmonious, light selections, will contribute several numbers.

A trio of girls will sing with the men in two groups of selections as well as in several numbers of their own. Several of the vocal arrangements for this group were made especially for this program by Dr. Buchanan.

## SNIDECOR TALKS TO ECE DEPARTMENT

Dr. John C. Snidecor, Dean of Applied Arts, will be principal speaker at a meeting of the ECE Department Monday at 4 pm in Ridge Hall 102.

His subject will be Hillside House and its work with cerebral palsied children. The talk will be a prelude to a Christmas program to be presented by the department for the children at Hillside House on December 12.

## PRESENTS DANCE AT REC CENTER TOMORROW NIGHT

The annual Presents Dance of 1950 will be given by Panhellenic tomorrow night, December 2, at the Recreation Center from nine to one, according to Claire Graham, publicity chairman.

One hundred and fifty-six pledges from all the sororities will be presented to the Greek organizations during this dance.

Barbara Topham, Chi Omega, is social chairman for Panhellenic and will be in charge of the dance. Vivian Schmitz, Delta Sigma Epsilon, will be in charge of refreshments.

Decorations will follow a Greek theme and will be under the heading of Carol Richardson, Pi Beta Phi. Jane Manning of Kappa Alpha Theta was in charge of having the bids printed. Claire Graham, Alpha Delta Pi, is in charge of publicity.

The receiving line will be headed by Dean Ellen Bowers. Others present will be Mrs. Wentz and an alumni representative of each sorority.

The two faculty members sponsoring the dance are Mr. and Mrs. Harlem Meredith and Mrs. Earl Bradley.

The pledges will be presented at 10:15. Dancing will continue until 1 a.m.

## FROSH-SOPHS PLAN JANUARY 12 PROM AT ROCKWOOD

Freshman and sophomore classes have been meeting this week planning their first annual Frosh-Soph Prom, which opens the 1951 winter season on January 12.

The dance will be held at Rockwood Women's Club, from which college affairs have been banned for several years. Rockwood is a very exclusive setting in the Mission Canyon area which has just been completely redecorated.

Presiding at their class meetings held jointly in the Riviera Auditorium last night, Pete Burgher and Ted Troy explained details of the dance and encouraged all members to get dates as soon as possible.

## Pete Kane Places In Speech Tourney

Taking top honors on the Santa Barbara forensics squad at the Western Speech Association tournament last week was Peter Kane who took third place in Lower Division Men's Impromptu.

In Upper Division Women's Debate the team of Mary Jane Mistretta and Elinor Denholm survived the preliminaries to reach the final rounds. Mary Jane Mistretta also reached the semi-finals in Women's Impromptu.

## NEW GIRVETZ BOOK CHARTS LIBERALISM

Copies of a new book, "From Wealth to Welfare" by Dr. Harry Girvetz, associate professor of sociology, will soon be available in the College Bookstore, according to Manager Harold Cole.

The book, which has received widespread attention of literary critics as charting a highly-significant trend, is subtitled "The Evolution of Liberalism." In it, Dr. Girvetz defines and develops the difference between the classical liberalism of the 18th and 19th centuries and the liberalism of today.

## The Third Man's FOND FAREWELL

(Ed. Note: Herewith presented is a pitiful letter from the Third Man tearfully resigning his position as premier scoundrelmonger of El Gaucho.)

Dear Editor,  
The Third Man and the Fourth Estate are kaput! fini! through! In plain words, you may have your rag . . . Henceforth, my only association with it will be when I use it as a filter between me and the lawn on dewy mornings . . .

I am a shattered and broken wreck, wounded to the quick by the barbs of many! My vanity, of which I was justly proud, was stripped from me when scurrilous gossip identified me as Ted Troy

My digestion was irreparably damaged when I was identified as Doris Spotts and Gloria Dealey . . . I dissolved in tears when I was spoken of as Louise Heitfeld . . . My broad shoulders shrugged off the stupid accusation that I was Phil Jacks, when I realized that it was just Goodall spreading propaganda for the Powderpuff game . . .

But, the ultimate humiliation is when a senior hag accused me of being you! Can you imagine anyone being that stupid?

However, I steeled myself against all bitter onslaughts only to be felled by a fan letter . . .

"Dear Third Man,

After ignoring the Gaucho for ten weeks, I have finally found out what is wrong with it—you! Your complete incompetencies surpassed only by your complete lack of any writing ability! Not only that, I think you stink! Why don't you drop dead?

Yours truly,  
An Admiring Fan"

This letter made me think there were those who didn't like me very much . . . So, I quit!

Goodbye!

You may forward my mail c/o Box 26 at the post office or you may find me at the Spigot drowning my sorrows. My sorrows are great as you may see from the enclosed picture.

(Ed. Note: Is there some mistake?)

Certainly not! I just need a haircut!

Adieu,  
The Ex-Third Man

## Editorials

## Sales Talk With Magic Lantern . . .

Many excellent suggestions have resulted from two recent editorials calling attention to the growing tendency for Santa Barbara College to become a "JC Transfer School" and what we can do about it.

One of the best suggestions is based on the fact that we must take Santa Barbara College to the Southland high schools and sell what we have to offer to high school seniors when they are trying to decide where to continue their education.

We could "take ourselves to them" in a novel way and at a moderate expense by actually picturing what we have here. The Legislative Council could contract to have colored slides made of our college life—the campus, the community, the classwork, the activities such as Homecoming, the big proms, the Greek life—and actually show high school seniors what college can be like.

These colored slides could be developed into a set program with suitable commentary and presented at special assemblies at high schools all over Southern California. This also would be a relatively permanent investment which could be revised easily each year.

Here is one suggestion of how we can "sell" Santa Barbara College. There are many more, so anyone who is interested in the problem should take time out to express his ideas in Letters to the Editor.

## Reps Want Student Contacts . . .

There are six Representatives-at-Large, three men and three women, on the Legislative Council, the main policy-making body of the Associated Students. It is part of their duty as representatives chosen by the student body, to try to interpret student opinion and vote accordingly. It is by this means that a representative government for the Associated Students is maintained.

These Reps realize that they have a definite obligation and they want to fulfill it—but they also want to know what the students are thinking. Determining student opinion isn't an easy job at Santa Barbara College. Every student must take it upon himself to inform these chosen representatives of his wishes. At present, the six Reps are forced to measure student opinion by what their friends and casual acquaintances think. Is this a good system?

If our student leaders become procrastinators, it is nobody's fault but our own. When they are unsure of student opinion, they hesitate when definite action is needed for fear it isn't what the students want. They cannot spend all their time trying to determine where the students really stand on the issues which come before the Council. They, as students, have obligations to the academic side of their education also and must devote a few of their hours to their studies and classes.

It is up to the general student body to let their officers know what they want. Five of the Reps—Nancy Chmilowski, Eleanor Conte, Barbara York, Jim Mulick and Bob Christofferson—have regular office hours or would be glad to make a special appointment and discuss policy with any student. Ted Knudson is usually available near the snack bar on the Mesa campus and is a past master at working out tough problems. Look these people up, talk to them and give them your views. They are anxious to see you.

Frank Goodall, Associated Students President

## The Quizical Reporter . . .

Do you agree with the Inter-Fraternity Council's resolution stating that the Homecoming Queen should be chosen by judges?

Jim Klobucher: "Yes, it puts more emphasis on a girl's personality."

Ted Troy: "This is an excellent suggestion because it will eliminate block voting and give the best qualified girl the crown."

Bev Purdum: "Very definitely. It gives everyone a fairer chance. This new idea would also elect a real queen instead of a campaign manager."

Jack Jardine: "Yes, in that a queen will be selected for her qualities as a queen rather than as an object of a publicity campaign."

Louis Bortz: "No, I don't think it's a good idea."

Bob Holland: "A good idea! It will give the girls an equal chance and will break up block voting by the fraternities and IA Campus."

Don Noble: "When a school has a queen for Homecoming or any other event it is naturally assumed that she will be the most popular and best looking girl in school at the time. In the past, this has not been entirely true here. A true queen who represents the ideal coed should be chosen in some way other than block voting."

Desmond Kincaid: "Not only will this eliminate block voting, but it will also arouse greater interest among townspeople if the judges are from the city."

Bob Lahey: "I guess so, but first, by electing the Homecoming Queen by judges you take this school function away from the students, which isn't right. In the past, as everyone knows, this hasn't been true because of the IA Club and its candidates. It seems now that the only logical thing to do is to have the queen elected by judges consisting of well-known and prominent townspeople."

## Locals Fumble Champ Chance In 28-12 San Diego Debacle

Coach Roy Engle's Gauchos lost their first chance at the 2C2A crown as a fired-up San Diego State eleven outplayed them, handing them a 28-12 beating to gain the championship.

The team just couldn't get going against a hard charging Aztec line and an almost airtight pass defense.

Six fumbles, two of which were converted into touchdowns, plus the excellent passing of Leon Parma, and the running of Bob Embrey, who overshadowed the more illustrious Art Preston, spelled the Gauchos' doom.

### Criss Stars

After trailing 14-0 at halftime, the Gauchos broke the ice when LeRoy Criss, who played a sensational defensive game for the Gauchos, and who is listed for a repeat of his All-2C2A berth of last season, grabbed one of Parma's passes on the Aztec 32 and rambled down the left sideline for the score. Criss left six Aztec tacklers in his wake.

The Gauchos second and final score came on a 31 yard pass play from Quarterback George Law to End John Diskin in the end zone. Diskin hauled in the ball in front of Clyde Francisco and two Aztec defenders who were madly scrambling for the ball.

### Gets Fast Start

San Diego got off to a fast start and netted a touchdown after six minutes of play, when Jack Henley culminated a drive made possible by Parma's long passes, with a one yard plunge into the end zone.

The Aztecs scored again in the second period after a recovered fumble set up a 31 yard drive with Preston scoring from two yards out.

The Aztecs sewed up the game in the final period with two more scores. Both were made on long passes by Parma.

### Last Appearance

Saturday's game marked the last appearance for eleven Gaucho gridgers. All are seniors and all have played outstanding ball for the Gauchos all season.

Those making their last appearance were Adran Adams, Russ Bertell, Rollie Brice, Gene Bynum, LeRoy Criss, Clyde Francisco, Dick Gorrie, Les Reed, John Richards, Dick Schaefer and Warren Vinton.

## Gauchos Down Army Doughboys, 51-43, In Season's Opener

Journeying to Lompoc last Monday, the Gaucho basketball squad met and defeated the Doughboys of Camp Cooke, population 50,000 by a 51-43 margin.

The Galloping Gauchos ball-hawked through the first quarter limiting the GI's to a single basket while chalking up ten points of their own, and then coasted to a 29-14 halftime.

After the half, however, the recruits and draftees snapped back to close the gap to 38-34 and were in the driver's seat apparently with the Gauchos' three regular guards, Ken Kesson, Jack Moore and Allan Jacobs absenting themselves via the foul route. Coming to the rescue, Tom Moss, center, and Dick Prigge, forward, stepped out of their usual roles and did a com-job filling in at the vacated guard slots.

Outstanding clutch play of Otey Scruggs and Jack Moore kept the Gauchos above the rising tide and the four point lead was stretched to the final 51-43 tally.

Coach Wilton described the play as rough and ready, typical of early season play and states that a lot of work must still be done in order to make the Gauchos a potential winner in the Redlands' Tournament, November 30, December 1-2.

Recent deductions from the roster include Bernie Fox and Paddy Hill who dropped out of school, and Dick Hogle, who enlisted.

## Some Armchair Quarterbacks

Out of the wailing chorus of incredulous "what happened?" queries resulting from the licking the Gauchos received at the hands of the San Diego Aztecs in the 2C2A championship game have come many answers and alibis.

One of the most interesting facts to come to light is the inadequate scouting of the Aztecs prior to the game upon which Santa Barbara College pinned its hopes for a conference championship. A member of the coaching staff which guided the Gauchos' destiny for the last season reports that San Diego was scouted completely only once and that one time was such that a true picture of the Aztec prowess was impossible to obtain.

The lone Gaucho scouting expedition in a season which from its beginning looked like a Gaucho-Aztec championship race was held on the night of the Santa Barbara-Whittier game — a night of fog, rain and mud. Naturally, the scouts got no true picture of the Aztec passing attack which devastated our team last Saturday

night. When the chips were down, Aztec quarterback Leon Parma used his passing attack to its fullest advantage.

Though San Diego, as an Aztec sports fan stated, played its best game of the season, the score would not have been so lopsided had we known a little more about our opponents.

Another fact which had given the coaches nightmares all season was the lack of height in the Gaucho backs, a fact which made us extremely vulnerable to a long passing attack. In Parma, the Aztecs had a passer of high caliber and our backs just weren't tall enough to knock the ball down when they were near it.

Our lack of adequate scouting and lack of backfield height were the Achilles heel of the team which prevented the game from being a more evenly matched contest.

Without a doubt, San Diego State had a fine team, and it was playing its best game; the Gauchos, with a very respectable 7-3 season record, had reached their winning peak earlier in the season.
