The UCSC Head Coach Kathy (12-16 overall, 7-11 in the WAC) moved the Gauchos (22-6 overall, 15-3 in the Big West) to second-place finish in State Roadrunners in Las Cruces, N.M., 15-11, 15-8, 15-7.

Gregory couldn't be happier about where her team finished.

"I am very pleased with our performance this season," Gregory said.

"Everyone knew Hawaii would be on top of the conference, but most of their starters came back. Based on paper, no one would have expected us to finish in front of UOP and Long Beach, especially with so many freshmen."

"Our match with New Mexico was a good way to end the season. We played fairly well," she added. "Hilary [Gunsaulus] had her best match and Katie [Crawford] blocked well. Kim [Keys] gave all her all this whole week. Shannon, Michelle and Tania Yamashita came in and gave us incredible consistency in the backcourt."

The onlyight New Mexico gave UCSB came in the first game. The Gauchos jumped out to a big lead, but the Roadrunners came back and tied the score 11-11. The tournament occurred when Yamashita entered the game and served for four points.

The UCSB men's basketball team takes on the University of Colorado tonight.

The Gaucho men finished first while the women came in second. Santa Barbara had an expected low turnout, and actually wanted one. "It's just a fun kind of invitational," said UCSB Diving Coach Jeff Stabile on Thursday. "I just thought it would be something fun to do different. A way to help people experiment with things that they might otherwise not try."

The Gauchos' goal of the second half came in the third period as Price broke away for his second score of the match. "I was able to get down the pool and out swim [6'-0", 235-pound] Price. It was a lot of work, but I won't do it again.

CANNONBALL: The men's and women's diving teams hosted the first-ever UCSB Diving Invitational.

"But we need to concentrate on us and what we want to do," Pimm added. "The bottom line is we'll play our game and hopefully keep [Drumie] under 45 points. We have to continue to work on individual and team defense. It takes team defense to guard an individual."

Starting at point guard for Santa Barbara will be senior co-captain Phillip Turner, who led the squad with eight assists against the Son Blue Angels on Nov. 3. Turner appears to be running the offense with precision and is a team leader on the court, after not starting a game last season.

"In the two-spot is senior LFernando McDougald, touted as the Big West's most underrated player this year by The Sporting News College Basketball Preview Magazine. He has a show against the Angels, scoring 27 points — hitting 11 of 12 from the field and two of four from behind the arc."

"I think it will be a tougher game than the previous one. They're a good European team," McDougald said. "Hopefully, we'll go out tonight and get the job done. We've got good schools and looking forward to getting the season started."

The UCSB frontcourt looks to be a strong offensive force, as it poured in 49 of Santa Barbara's 102 points against the Son Blue Angels. However, the Gauchos give up the size advantage at the forward and center positions, which prompted Pimm to switch to the run-and-gun system that seems to work for this club.

"We think we are capable of scoring, but it depends on the pace of the game," Pimm said. "This team has a good feeling for the offense."

Water Polo Ends Regular Season in Disappointing Loss to #4 Irvine

By Brian Berger

The UCSB men's water polo squad ended its regular season Saturday in a match it would probably like to forget. The #4 Gauchos were handled by #4 UC Irvine, 15-6, at Heritage Park in Irvine.

Santa Barbara finished the regular season with an overall record of 7-10 and a 1-7 Mountain Pacific Sports Federation mark.

However, the season is not officially over for UCSB. Next weekend the squad will once again take to the pool for the MPSF conference tournament, and will need to win the league title if it wants to advance to the national finals.

In the match, Santa Barbara was able to stay close with the Anteaters (15-6 overall, 6-2 in the MPSF) through the opening period, and trailed by only one after the first seven minutes. After two quarters, UCSB managed to trailing behind Hawaii. However, the second half proved disastrous for the Gauchos as Irvine defeated the Gauchos, 87-71.

"He's been scoring quite heavily against everyone," said UCSB Head Coach Jerry Pimm of Drumie, who had 45 points on 31 shots against Idaho State earlier this month. "They've got some talented players. They have two kids [who stand] 6'11."

"It takes team defense to guard an individual," Pimm added. "The bottom line is we'll play our game and hopefully keep [Drumie] under 45 points. We have to continue to work on individual and team defense. It takes team defense to guard an individual."

The offense. At forward, senior co-
captain Mark Flick leads the way for UCSB. He can
put up the three or pull the way for UCSB. He can
lead the team in both
categories last season.

Junior three-man Bakir Allen and sophomore for-
ward Kealon Wallace will start in the other two spots
for the Gauchos. Wallace, at 6'8", isn't that big, but
with tremendous quickness, jumping ability and
newfound court presence, he should help UCSB stop
team's offense.

other six guys will get some playing time," said Pimm.

Karen Andrews, a junior

"This match wasn't as
intense as other matches
we've played, but we went
in there and got the job
done," Gregory said.

"Now we've got to fight for
a good seat in playoffs.
We've got a big tournamen-

get home court advantage.

"I hope we have enough
energy to play well at the
tournament," she added.

pressure from [Belgian

has a lot to prove. They are
ranked below us, so if they
beat us, they are giving
themselves a chance to get
a good bid in the NCAAs.

"We are going to have to
be ready for a big fight."
