**HERCULES FLIPS
IN GOLETA!**

And they're fantastic! A Kayser's Hercules Flip is a powerfully delicious, protein-packed health drink. A nutritious alternative to today's "fast food." It's a bountiful blend of non-fat milk, egg, Hercules Flip Mix® and fresh-scooped ice milk, together with your choice of flavors — vanilla, chocolate, carob or mocha. And it's just one of many delightful health drinks blended fresh before your eyes. Try one today. So Flip in, Flip on or Flip over to Kayser's Goleta.

Fotech Color Labs

w/coupon

Expires Dec. 31, 1989

ONE COUPON

Fotech One Hour Color Labs, and Fotech Studios are divisions of Fotech Color Labs.

We Make Faces All Day!

Fotech photo printers make thousands of faces every day. We'd like to make some for you.

Have you ever taken your film to a discount photo finisher and got back blue or yellow tinted faces? Maybe your face is blue, but most people's aren't. Fotech photo printers specialize in making faces the color they were supposed to be. We'll even give you a FREE try (use the FREE Photo Reprint coupon on this page). Do you think your discount photo finisher would risk an offer like that? Makes you wonder if...

Test:

Which Photofinisher to Use?

1. If the pictures are important and you want them to look good today and next year, use Fotech.
2. If the pictures are not important drop them at your discount photo finisher and pray.

Use A Camera...

Go To **FOTECH!**

Have YOU been in an ACCIDENT?

Are you experiencing:
 ■ Neck Pain ■ Headaches ■ Blurred Vision
 ■ Nausea ■ Numbness ■ Dizziness

This is a whiplashed neck

This is the same neck restored to normalcy by Dr. Duell

Insurance companies pressuring you to settle?
 Medical Doctors say you're not injured?
 Think you haven't been injured because you're not in pain?

SEE DR. MARK DUELL BEFORE YOU SETTLE!

You could have suffered whiplash, an injury which insurance covers, but may go undetected.

A CHIROPRACTOR CAN DIAGNOSE AND TREAT WHIPLASH EFFECTIVELY. AND, CHIROPRACTORS ARE RECOGNIZED AS "EXPERT WITNESSES" IN A COURT OF LAW. FACTS:

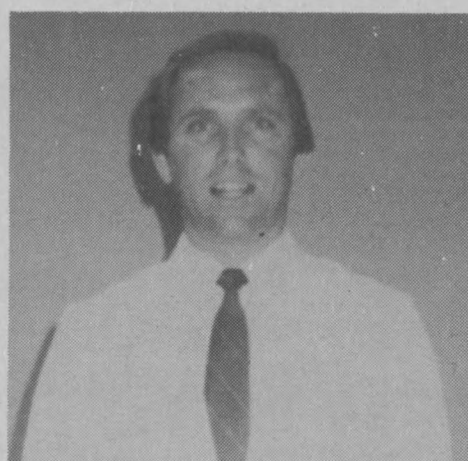

1. A whiplash injury can take weeks or even months to cause pain.
2. A chiropractor has been trained to detect a whiplash before it causes pain and discomfort.
3. It is not necessary to be in a major accident to sustain a whiplash injury.
4. A whiplash injury is not something to be dismissed lightly, often agonizing pain develops, severe headaches and decreased mobility of the neck.

WHIPLASH IS A SERIOUS, PAINFUL INJURY. BEFORE YOU SETTLE, RULE IT OUT THE ONLY LOGICAL WAY — SEE A CHIROPRACTOR.

If you are taking pain killers, you are covering up the pain, and the pain will usually return. If you have been unable to find long-lasting relief from pain, I urge you to try chiropractic.

This examination will include an orthopedic test, a neurological test, a spinal alignment check, and a private consultation with your doctor. If X-rays or other tests are needed to arrive at a diagnosis, you will be advised of any costs before proceeding.

WORKERS' COMPENSATION AND MOST INSURANCE COMPANIES COVER CHIROPRACTIC CARE TO POLICY LIMITS.

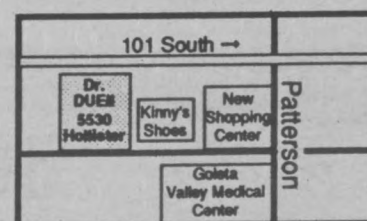

Hi, I'm Dr. Mark L. Duell, Sr., Doctor of Chiropractic. Perhaps gentleness in chiropractic is a new concept to you. It was to me before I began the six years of college training necessary for my doctorate degree. During those years I learned the precise locations where light pressure can bring chiropractic relief to pain.

In addition to my doctorate, I have a bachelor's degree in Human Biology. Since college I have completed courses in Activator Nutrition and X-Ray. Even now I devote three days every month attending a nationwide seminar on chiropractic.

DR. MARK L. DUELL, SR., CHIROPRACTOR
