## Women Break Ballot Record with Willie Wigger Chosen AWS Prexy

Willie Wigger was elected new president of the Associated Women's Students at the election held on campus last week. She will take the gavel from Sharon Smith, who has held the office for the past two years, being unanimously reelected last year. This was the first time in the history of the campus that any woman has held the presidency for two consecutive years.

Others elected were Barbara Abbott, vice president, Donna Thomas, treasurer, and June Hellwegan, councillor.

### INSTALLATION

The installation of new officers was held at a dinner last Wednesday night.

According to Miss Smith, the main things achieved during her term were the chartering of Key and Scroll as a national honorary group for junior women among the students on USC and UCLA and this campus, assisting Las Espuelas, honorary women's service organization, to become a part of the national Spurs, and starting the Freshman Women's Voluntary Organization as an orientation measure. Miss Smith added that Santa Barbara College is recognized on other campuses for its fine service organizations.

### RETIRING OFFICERS

Also held during the past two years have been fashion shows, assemblies, teas and other events. The retiring officers are first vice president Laura Goetke, second vice president Lynn Edgerton, secretary June Hellwegan, treasurer Patty Bates, councillor Gerry Gray, club room chairman Jean Weight, art chairman Gertrude Gally, assembly

Willie Wigger, newly-elected AWS president.

chairman Sally Locke, WAA Trudy Doerr, Phrateres president Patty Peryle Meairs, Pan-hellenic president Audrey Braun, and Las Espuelas presidents Donna Thomas and Donna Hill.

Miss Smith expressed her sincere thanks and appreciation to the women for the privilege and pleasure of serving with them.

## Charles Jones Elected Blue Key President

Charles Jones was voted the new president of Blue Key, national senior men's honorary fraternity at a dinner meeting last week, which featured the initiation of sixteen new members into the group.

Other officers selected for the ensuing year were Buck Levine, vice-president; William Hobbs, recording secretary-treasurer; and Tom Lyle, corresponding secretary.

Those initiated included Levine, Hobbs, Thomas Cowan, Dick Vanderhoof, Henry Behrens, Charles Jones, Coke Morrison, Jack Erikson, Don Mullaney, Dale Scott, Walt Zmolke, Kermit Shotts, Bill Hutchinson, and Dick Watson.

### LA CUMBRE OUT NEXT WEEK

1947 La Cumbre, edited this year by Mirrie Abbott, is expected to arrive from the printers next Wednesday, June 11. Copies will be distributed from the graduate manager's office for those now holding receipts, after which unsold copies will be placed on general sale to students who did not make prior reservations.

## Beta Sig Frat Elects Graves as Prexy

Beta Sigma Chi chose George Graves as fraternity president for the fall term at a recent election meeting. Art Mason was elected vice president; Art Wells, treasurer-house manager; Bill Hobbs, recording secretary; Charles Kneeland, interfraternity council representative; William Starr, pledge captain; Sam Dimas, social chairman; and Mel Pankratz and John Dyck as corresponding secretaries.

### AWARDS MISTAKE

Due to a regrettable mixup it has been necessary to make a change in the awards given at the special assembly day before yesterday. Two lists had been prepared, one a preliminary selection and the second a revised listing—by mistake the tentative list of choices were presented at the assembly.

The corrected winners of the top student body awards are as follows:

Honor La Cumbre Award—Richard Brians.

AWS Outstanding Woman of the year—Sharon Smith.

AMS Outstanding Man of the year—George Graves.

AWS Honorable Mention—Willowdean Wigger, Elsie Tatum, Gloria Rossi, and Mirrie Abbott.

AMS Honorable Mention—Owen Van Buskirk, and Alton Ballard.

Graduating seniors will observe a farewell banquet in their honor tonight at the Montecito country club, to commence at 6:00 p.m. Sufficient time is being allowed for the banquet and special speakers before opening of the annual Junior-Senior Prom at the country club at 9:00 p.m. Admission to the banquet and prom is by senior class card and \$2.50 per plate.

A corsage will be presented to each senior woman attending the banquet by the junior class in conjunction with their prom.

At the banquet, Dr. J. Harold Williams, acting provost, will be the principal speaker of the evening. Senior speakers and subjects of their talks will be Lynne Wiggins on "Class Prophecy", George Bertch on "You and Your Job", Dick Brians on "You and Your View", and Sally Locke on "You and Your Education".

Honored guests for the evening will include Provost and Mrs. Williams, Sponsors will be Dr. and Mrs. William E. Hayes, Mr. and Mrs. Lawrence E. Chenoweth, and the class patrons.

All students are reminded that it is imperative that they signify their intentions to return to Santa Barbara College for either summer or fall sessions immediately. Forms are available at the office of the Registrar.

## ECE Frat Attends Weekend Convention

Members of the local Eta chapter of Delta Phi Upsilon, national ECE educational fraternity attended the national convention in San Diego over Memorial Day weekend. Local representatives included Jean Murray, chapter president; Lois Ripple, Audrey Braun, Mary Whitelaw, and Marion Nelson, past president. Advisor Edith Leonard and co-advisor Dorothy Vandeman also attended.

Pertinent problems relating to education and teacher recruiting as well as chapter problems were discussed.

This was the first convention since 1935, and plans for future conclaves were scheduled with general conventions and smaller conferences to be held on alternating years.

## ECE Members Hold Final Examination

Winding up this semester's activities, members of the Early Childhood department met last week at the home of Myrene Kemp for a spaghetti feed in the patio. Marion Nelson and Terry Bemmer were in charge of cooking the dinner.

After dinner and a brief meeting, Dr. Rodney Atsatt, director of Hillside house, spoke to the group about cerebral palsy. According to Evelyn Schallis, publicity chairman for the ECE Department, the evening came to a close when the projects made for the children at the county hospital were turned over to Frances Kerr, who will deliver them to the children.

## Commencement Highlights Senior Closing Week

Highlighting near-future activities of the graduating seniors will be the Baccalaureate Service, Sunday, June 15, at 4:30 p.m. in the Riviera campus auditorium and the commencement exercises, Sunday, June 22, at 9:30 p.m. in the Quad of the Riviera campus, according to Mr. Harrington Wells, chairman of the Faculty Committee of Public Exercises.

## Junior-Senior Prom Honors Graduating Seniors Tonight

An Hawaiian theme sets the atmosphere for the traditional Junior-Senior Prom at the Montecito country club tonight, following the Senior banquet, being held at the same place. Banquet time is set for 6:30 p.m., with the dancing beginning at 9:30 to 12:30 p.m. Admission to the banquet is restricted to holders of Senior class membership cards. Dress for both banquet and prom will be semi-formal, tuxedos or dark suits.

Bob Elliott, in charge of dance arrangements, promises a special surprise in the way of unique decorations, resulting from the committees' weekly meetings and planning. Special invitations have been issued to members of the faculty.

Assisting Elliott in general arrangements is Dick Struck, with Dawn Walker and Lois Vedder handling publicity and decorations, "Tiger" Mathew on refreshments, Buck Levine in charge of clean-up, and Gloria Terrell handling arrangements for floral arrangements, leis, and corsages.

## CSEA Chapter Formulates New Pension System

Dr. G. W. Durlinger, president, presided at a meeting of Chapter 25 of the California State Employees Association held last week in the AWS Clubroom. Some forty-five members and non-members were present.

Dr. J. Fred Halterman explained to the group the main points of the state's retirement system, in which the employees' contributions are matched by the state. He also told of the various group insurance plans and the surgical-medical-hospital coverage open to CSEA members through the California Western States-Occidental Insurance company.

### SALARY INCREASE

Mr. George Wharton, member of the State Board of Equalization, presented the legislative program in which CSEA is interested. The three main points to this program are the \$25 a month salary increase for all state employees, the forty-hour week, and a fixed formula in the retirement scheme. He informed the group that if the legislation on the fixed formula were passed, California would have one of the best retirement systems in the United States. He stated that the present bill in the senate granting the salary increase to all state employees, had received a "do pass" by the Senate Governor's Efficiency Committee and that the governor had indicated that he would sign such a measure.

The local representative of the California Physician's Service and the Blue Cross plan, Mrs. Lora Rogers, told of the medical, surgical and hospital benefits available under this plan.

Annual dues in the CSEA are \$6.00 a year, and are payable at any time to Mrs. Amy Nysewander, secretary. The meeting was followed by a social period and refreshments served by the vice-president, Dr. Ernest Bickerdike.

## Pu Ko How Elects Adameck President

Sub-chapter of Phrateres, Pu Ko How, elected Dorothy Adameck as president for the group for next semester, with Evelyn Benning assisting as vice-president.

Corresponding secretary will be Jean Erickson, Evelyn Schallis, recording secretary, and Tam Rackson, treasurer.

Charles A. Dittmar, Captain in the Chaplain Corps U.S.N. from Port Huene, will deliver the Baccalaureate sermon. Benediction will be pronounced by the Rev. George A. Spint of the Grace Lutheran Church in Santa Barbara. Jack Erickson, president of the 1947 senior class, will read the scriptural text.

Attired in caps and gowns, all faculty members and seniors will participate in the opening processional. Special music from the balcony by the treble ensemble and women's glee club, under the direction of Mrs. Helen Barnett, highlights the musical program. Other music will be provided by the college orchestra under the baton of Edwin Jones.

Special decorations are under the direction of Miss Katherine Conky, of the faculty committee. According to Dean Helen E. Sweet, invitations to the Baccalaureate service are obtainable in the Dean of Men's and Women's offices, and the Graduate Manager's office.

Dr. Robert Gordon Sproul, president of the university, will deliver the main commencement address at the graduation exercises scheduled for 9:30 a.m. The unusual time is due to other speaking engagements of Dr. Sproul; Saturday he will speak in Berkeley and Sunday afternoon at U.C.L.A., according to Dean Sweet.

Richard Vanderhoof, member of the class, will give a student address fitting the occasion. Music will be provided by the band under the direction of Leland Kenisten, also a member of the 1947 class. Other musical selections will be provided by the A Cappella choir with Lynn Wiggins directing "All Hail Blue and Gold" at the conclusion.

### POSITIONS OPEN ON NEXT YEAR'S GAUCHO

All students interested in working on El Gaucho during the summer sessions or next fall are requested to sign up in El Gaucho office before the close of the term. Regular weekly editions will be published during both summer terms this year.

With graduation and changes of curriculum, many vacancies will be left on the staff to be filled by students wishing the experience of publication work.

**Eligibility Rears Its Ugly Head**

Accompanying the announcement last week that Faculty Eligibility Committee intends to apply action as well as spirit in enforcement of the college activity eligibility rules next year, there have been numerous questions relating to the application of such regulations. In substance, the provisions of these rulings are as follows:

In order to be eligible for any activities in which students represent the college, and for students holding office, or to be presented as a candidate for office or membership in any recognized student organization, such students shall be passed upon by the Eligibility Committee to determine the following qualifications:

- a. A total scholarship average of C or higher in all courses taken in college work.
- b. A scholarship average of C or higher for the semester preceding the current one.
- c. No mid-semester warning notices.

Eligibility shall be established at beginning, midterm, and end of each semester, as well as such time as candidacy for office is presented.

Sponsors of organizations or activities shall be responsible for submission of a list of students to the Committee two weeks before any publicity is released or any public appearance is made.

These rulings have been qualified in that cases of cinch notices shall be reviewed by the Committee as to basis for their being issued, and the provision is made whereby deficiencies in grade points may be made up by work taken during summer school.

The committee, at present composed of the Dean of Men and Dean of Women, has promised consideration of extenuating circumstances in each case of declared ineligibility, but it is felt that the present laxness of eligibility enforcement must be curbed.

By BOB GOULET

The results of the I.E. club elections have been announced. Congratulations go to Bob Davidson who is to be the new president, Lloyd Sallot, vice-president, Wilbur Turney secretary, and Bob Sayette treasurer.

**GOOD NEWS**

Mr. Porter, print shop teacher, is out of the hospital and at home convalescing. It won't be long until he is back at school, either.

Mr. Taylor's general metal organization class tour of some of the industries in the Los Angeles area was very successful. According to the men that made the trip, they seem to agree it was three days well spent.

Mr. Taylor announces that all contestants in the project contest will receive some type of prize for their entry.

All projects entered will be displayed prior to judging. The judges will consist of a representative of the I.E. faculty, student body and local businessmen.

All contest entries will be kept over and displayed at open house on June 7. Entries will be open in the following fields: woodworking, metal working, automotive, model making, electrical, boat building, craft work, freehand drawing, drafting, printing, photography and teaching aids.

All I.E. majors are reminded to make their reservations for the forthcoming banquet to be held on June 3 at the El Paseo. The best and recommended way to do this is to sign the list on the bulletin board in the main hallway on the Mesa campus.

**BITS O'COPY**

By Lyle

This final stage in an editorship comes around every year, and the wording and style have long since become trite and over-used. The usual format is an expression of thanks and appreciation to those who have cooperated and assisted in the job of compiling the publication, a note of regret and apolo-

gy to those who feel they have been overlooked, wronged, or stepped upon, and a fond wish of "bon voyage" for those continuing in the harness during the coming year. The weakness in such a —30— editorial is the inevitable trend toward factiousness and often even hypocrisy.

If in thirty-two editions, an editor has not been able to make sufficient amends for oversights or personal errors, the final issue is no place to attempt reparations. The majority of the usual run of criticisms aimed at a college paper's editorial staff is just as often a matter of gross oversight on the part of the critics as of any erring on the part of the journalists.

Actually, a college publication acts as a field for experience and experiment without the major portion of commercial pressure faced by professional sheets. In one great respect, however, the two classes of papers are similar—

you get just as much as you pay for. The student government provides for the paper editor to act as press control chairman, ordinarily predicating the position as council representative. With a personal stake in the program of activities, an editor's interest in such affairs is underlined. An automatic membership of California Club promotes special interest in that groups program for inter-campus unity, while the position emphasizes consideration for membership in Blue Key, with its program of campus service projects and efforts toward preservation of college traditions.

It is understandable that copy in these three categories should prove the most easily compiled, and additional importance attached thereto. Other material is restricted to the space left after deductions for advertising, stock copy, and heads. With no tendencies toward altruism, ranking and evaluations of the use of publicity from other groups is based upon psychological pressure, personal staff affiliations and interests, and editorial judgment as to importance, with final restrictions set by length, time element, and general content.

It is hoped that the results this year of the manner of approach and pressure applied by disgruntled groups as to the space given them in El Gaucho during the term will provide basis for better relations between editor and organizations next term.

And so, with a flair at frankness and, it is hoped, a tip to the wise, we close this final edition of El Gaucho, volume 26.

# The Rubdown

By Nick Lafkas

With this, the last issue of the Gaucho for the semester, let us turn to next season's prospects and see what we may expect from the various departments.

**IN FOOTBALL**—The S. B. contingent will open the grid season on October 3 meeting Pomona on home ground. This will be followed up by two more games, one with Oxy at Santa Barbara, and another at San Jose. Prospects look good for the forthcoming season and the Gauchos have had a successful spring practice in which they have smoothed out the new "T" formation that may well prove its worth in next year's contests.

**IN BASKETBALL**—Coach Wilton announces an ambitious schedule. The season will open up with four practice games before encountering the U.C.L.A. and U.S.C. squads. Besides the regular schools played, Loyola, Cal, and Saint Mary's will be added to the list, and it is further hoped to have Marshall College of West Virginia travel to Santa Barbara for a game with the Gauchos. An invitation has also been extended for the Gaucho hoopsters to play Wayne Tech in Detroit during the Christmas vacation.

Despite the loss of Ballard, Mulcahy, and Sherman from last year's team there are many veteran players returning who will make up as good a team as we may hope for.

**IN TRACK**—Three new records were

set by Santa Barbara trackmen; Grabast threw the shot 49.2 ft., Cole cut the old 1/2 mile record from 2:00.7 down to 1:56.4, and the four-man relay team racked up a figure of 3:24.6 in the mile. Unofficially, Charles Skidmore broke the college 2 mile record running it in 10:6.6.

The chances for our placing high in next seasons track events are very good since the entire team will be back with the exception of one member who is soon to graduate.

**IN BASEBALL**—Not a man is being lost on the baseball team, and it will, furthermore, be strengthened by more pitchers. Hal Abbott who proved his chucking ability in the Cal games, will most likely be one of the key men next year, and it is hoped that he will be able to pitch full time. Also, Coach Spud Harder plans to make application for entry into the C.I.B.A. next season.

Boxing, which in this last election became a major sport, will prove to be a more popular event, and it is expected that many mittmen will be attracted to the new program.

Both tennis and swimming were quite successful this past season, and we will be looking forward to more good things from Coach Terry Dearborn's squads.

Until next fall, then, adios, we'll be seeing you at the games beginning next fall.

Bob Sherman climaxed a stellar sports career at Santa Barbara by receiving the Sig Alph award as outstanding athlete of the year.
