## Campaign Drawing to a Close; Last Rally to Be Held November 3rd

S. A. REIMERS TO BE SPEAKER OF THE EVENING

Merriam and Hatfield Continue to Gain Strength; Work on Campaign to Continue Until Tuesday

The bitter political campaign being waged in California over the governorship is drawing to a close. As their final effort to aid Merriam and Hatfield in their campaign, the local non-partisan Merriam-Hatfield club is sponsoring a mass meeting to be held at the high school at 8:00 Saturday night. Dr. S. A. Reimers will be the speaker of the evening and will bring to light some important facts bearing on the campaign. The community is urged to attend as this will be the last chance to hear the issues discussed locally.

Judging from reports from all over the state more and more votes are being swung over to Merriam daily so that there is little question as to the final outcome of the election. This fact, however, should not bring about any let down in the campaign being waged by Merriam supporters, and all persons eligible to vote are urged to do so.

The fact that Sinclair has little chance on Tuesday is evidenced in an interview given out this week in San Francisco by Milen Dempster, socialist candidate for Governor in which he stated that he had addressed the following letter to Sinclair:

"What you do now may swing the course of history. You have become a man of greater power than ever before. Now you are at the peak of that power. For the sake of the cause dearest to your heart, I am pleading with you to withdraw your candidacy and to throw your support to the Socialist party. I am asking this for personal reasons. Your support would not elect me governor, but it would be a seven league step in building a powerful workers' party. . . .

"A word from you and the psychology of victory would be with us. It would at once make the Socialist party the second powerful party in California; strengthen it mightily throughout the nation; and set it on the road to go places.

"You used the Democratic party as a vehicle to reach the people; and you succeeded beyond anyone's dream. Now you don't need it to reach them and now its leaders have all repudiated, deserted or betrayed you, and joined the camp of reaction—Now the Democratic party is a millstone hanging about the neck of the great thing you want to accomplish.

"You must recognize by this time that your Epic plan if you could carry it out is not safe as a vehicle to Socialism—Come back to a sound Socialist program; and bring your followers with you."

There are three outstanding things of general interest in this statement. The first is a recognition of the fact that Upton Sinclair is now, as he always has been, a Socialist. The second that his Epic program "is not a safe vehicle to socialism," and finally Mr. Dempster recognizes as all discerning men do the futility of the Sinclair candidacy on a Socialistic platform in the Democratic party.

### Coming Events

Friday night, Nov. 2—8:00 p.m.  
Valero Ensemble at High School.

Saturday night, Nov. 3—8:00 p.m.  
Merriam-Hatfield Rally at High School.

Monday night, Nov. 5—7:30 p.m.  
Discussion of Townsend plan at Community church.  
Regular meeting Men's Club.

Tuesday Nov. 6—  
Election day. BE SURE AND VOTE.

Thursday afternoon, Nov. 8—  
Regular meeting P.T.A. at Grammar school.

### SCHEDULE OF MERRIAM BROADCASTS

FRIDAY, NOVEMBER 2ND		
9:30-9:45 p.m.	KDB-KHJ	
10:10-10:25 p.m.	KDB-KHJ	California Crusaders (Weary-Willy)
SATURDAY, NOVEMBER 3RD		
7:45-8:00 p.m.	KDB-KHJ	
9:00-10:00 p.m.	KDB-KHJ	
SUNDAY, NOVEMBER 4TH		
6:30-7:00 p.m.	KDB-KHJ	
MONDAY, NOVEMBER 5TH		
3:30-3:45 p.m.	KDB-KHJ	
6:30-7:00 p.m.	KDB-KHJ	
10:10-10:25 p.m.	KDB-KHJ	California Crusaders (Weary-Willy)

### GRAMMAR SCHOOL NOTES

#### SCOUTS

Carpinteria Scout Troop No. 1 met in their cabin on Casitas Road with their Scoutmaster Frank Wykoff on Tuesday evening. Signaling and fire making were studied and a number of the Scouts passed these tests. A new point system has been worked out for the year based on the following: attendance, punctuality, good conduct, dues paid on time, new recruits, special community service, attendance at church, tests passed, books read, full uniform at meetings and business like patrol meetings. A chart has been worked out to represent a baseball diamond. The first patrol reaching first base which makes it necessary to first win 2,000 points will be awarded with a special weiner bake at the scout cabin.

The members of the committee of Troop 1 met in the grammar school office last Thursday evening at 8 o'clock. The following members were present: Percy Houts, chairman, Dave Safwenberg, secretary-treasurer, and members Burchell Upson, Stuart McMartin. Mr. Wykoff, scoutmaster of Troop 1 and Harry Lintz, District Commissioner met with the committee. Matters of troop business were discussed for the coming month.

Members of troop 2 from the Aliso School and their scoutmaster, Dave Cummins met on the Main School grounds on Wednesday of this week for their regular scouting. The members of this troop are working industriously so that they all may win their tenderfoot awards at the next Court of Honor.

Carpinteria Grammar School Touch Football teams, both light weight and heavy weight played the teams from Goleta on the local field Tuesday afternoon of this week. The light weight game resulted in a 6-6 tie and the heavy weights resulted in a 2-0 victory for Goleta. There will be one more game in touch football this year. Coach Wykoff stated that he is trying to arrange the last game with the Santa Barbara Junior High School for some day early next week.

All of the students of the Carpinteria Union Grammar School from the second grade on up are required to keep all of their written work in all subjects neatly filed away in a loose leaf note book. At regular intervals they are called in for inspection by the office. During this past week Mr. Lintz has been busy correcting note books and commending on points for improvement. This system has been found effective in encouraging boys and girls to do their best written work at all times in all subjects.

Miss Ruth Phillips, County Supervisor for music visited the local grammar schools on Wednesday and Thursday of this week.

A number of the classes in both the Aliso School and the Main Grammar School were made happy this past week with Halloween parties.

### CARPINTERIA MASONS PLAN TO CELEBRATE 20TH ANNIVERSARY

On November 26th, the Carpinteria Masonic Lodge will celebrate its twentieth anniversary. An elaborate program of entertainment is being planned and it is believed that this will be the largest affair the local lodge has ever presented. The committee in charge of the celebration is composed of John Hudson, chairman, Merton Lewis and Mads Christensen.

### HIGH SCHOOL NOTES

The Sophomore girls were victorious in basketball over the Juniors on Tuesday afternoon after school, 31-15.

The Senior girls defeated the Freshman in basketball on Thursday, 50-12.

The Junior girls were defeated by the night class basketball team.

A girls play-day will be held on November 3 in Santa Paula. The school will send basketball, volleyball and tennis teams.

A pep rally was held Friday noon at Cerca Del Mar Beach. The students took their lunches and after an automobile parade around town ate their lunches at a large bon fire.

The Warriors were defeated Friday in a game with Moorpark, 13-6.

Dr. F. J. Wiering, professor of Education at the University of Southern California visited the school during Friday, October 26.

The high school auditorium was used Friday evening for a meeting to discuss the proposed amendments to the California state constitution.

School let out at 3:00 on Friday for the football game.

William Reid was elected president of the Sophomore class after a delayed vote; Mary Jo Wymond was elected vice president; Bobbett Bates, secretary; Marjorie Cadwell, treasurer; Richard Rodriguez, Mary Helen Rowe, Phoebe Bowen, Jacque Bailard, Claire Thurmond, Mary Shorkley, Laura Stewart, Rosamond Upson, Alma Fogliadini and Louise Lopez will hold the seats in the House of Representatives of the student legislature.

### SECOND TOWNSEND MEETING TO BE HELD MONDAY NIGHT

The meeting for the discussion of the Townsend Old Age Pension held last Monday in the Masonic Hall was well attended and plans were made for the formation of a Townsend Club here.

Mr. Jaffery, district organizer from Ventura, spoke in place of Geo. Highley who was unable to attend. He explained the plan and answered questions that arose concerning it.

Another meeting will be held on Monday, Nov. 5, at the Community Church at 7:30 at which time J. L. Bergmann will act as the speaker. It is hoped that this meeting will be well attended by both young and old as it is claimed that the plan will benefit everyone as well as the persons receiving the pension.

A committee of five has been appointed to secure members for the Club to be organized. Those on the committee are J. L. Bergmann, Dr. T. J. Shorkley, Rev. Kirkes, Frank L. Smith and Morris.

### CONTINENTAL FEATURING CANNED FOOD SALE

The Continental Store is again featuring a canned food sale this weekend as well as many other items. Many good buys are offered and housewives should take advantage of this opportunity before prices are raised.

### ATTENTION VOTERS

Persons not having transportation to and from the polls on election day may call Carpinteria 4411 and a car will be sent to take them to and from the voting places.

## Volunteer Fire Crew to Be Organized Here; New Truck Delivered

EQUIPMENT TO BE HOUSED IN FORD GARAGE

All Persons Interested in Volunteer Department Are Requested to Register With Myron Robertson

Carpinteria's and Summerland's new fire engine arrived Wednesday night at 10:30 but not in the usual cloud of dust. It came nearer being a sea of mud. And we think it might be safely said under the circumstances that it was "piloted" by Cyril Hartley who accidentally was quite appropriately attired.

### 'MISS MARKER' STAR APPEARS IN NEW MOVIE

Shirley Temple, the sensation star of Paramount's "Little Miss Marker," returns in another Paramount picture which affords even more scope for her ample talents. It is "Now and Forever," coming Sunday and Monday at the Alcazar Theatre, in which the five-year-old is starred with Gary Cooper and Carole Lombard.

Adapted from an original story by Jack Kirkland and Melville Baker, "Now and Forever" not only permits Shirley Temple to exhibit her talents as an actress, but also gives her opportunity to display her unusual gifts for singing and dancing.

Shirley Temple plays the role of the daughter of the light-hearted, reckless adventuring confidence man, Gary Cooper. Since Cooper, in the film, has not seen the child since birth, he decides to relinquish his rights in her to his brother-in-law for a cash consideration.

But he has not reckoned with the child's appeal, and after his first sight of her he changes his mind and takes her off to Paris to live with Carole Lombard and himself.

Here a gradual but perceptible change comes over Cooper and Miss Lombard due to the influence and the love of the child. When Cooper becomes pinched for money he slips back to his old ways again. He is discovered by the child, and in a thrilling climax performs a deed of heroic self-sacrifice to restore her faith in him and free her for happiness.

### WOMAN'S CLUB TO PRESENT VELERO ENSEMBLE FRIDAY NIGHT

As their annual gift to the public, the Woman's club will present Friday evening, November 2, a program of music and motion pictures taken in the lands of the tropic seas. The program will be given in the high school auditorium and will start at 8:00 p.m. No admission will be charged and the public is invited to attend.

The program will be presented by the Velero Ensemble composed of Captain G. Allan Hancock, cellist; Chief Officer W. Chas. Swett, photographer, lecturer; John Garth, Entomologist, pianist; Arthur Jensen, field collector, violinist; Sterling Smith, field collector, flutist and Emory Johnson, film editor.

#### PROGRAM

- Part I
1. Bourée in G, Ensemble ..... Bach
  2. Trio No. 9 in B Flat, Trio, Haydn
  3. Hungarian Rhapsodie, Flue ..... Solo
  4. Tango, Ensemble ..... Albeniz
  5. Bolero, Piano Solo ..... Turina
  6. Romances Sans Paroles, Trio.....vanGoens
  7. Faust Ballet, Allegro, Ensemble ..... Gounod
  8. La Siesta Del Padre, Cello Solo ..... Stewart
  9. Prize Song, Ensemble ..... Wagner
  10. Spanish Dance, Violin Solo ..... Rehfeld
  11. Wedding Day at Trolldhaugen, Ensemble ..... Grieg
- Part II

A moving Picture depicting "Strange Lands and Life of Tropic Seas."

John C. Furby attended a dinner and meeting of the Plumbers Compliance Board of the N.R.A. held in Santa Barbara last Thursday night.

Hartley was wearing a slicker and a helmet with a broad strap under his chin and if he had just had an axe over his shoulder when he stepped down from the truck the picture would have been quite complete. Evidently fires are only supposed to occur in dry weather so no provision had been made for wet weather. When Hartley reached Hollywood with the apparatus it started to rain and he stopped and purchased a cap. By the time he reached Santa Monica the drizzle had turned into a deluge and he found it necessary to stop and borrow a slicker and helmet, hence the appropriate costume.

The truck was given a tryout this afternoon at the grammar school and accepted by the directors of the fire district. All those who saw the demonstration are much enthused over the potential effectiveness of the equipment. It was taken for a trial run with a full tank of water and carrying fourteen men and attained a speed of 60 miles an hour.

At a recent meeting of the fire district directors it was voted to accept the proposition submitted by Hartley for the maintenance of the equipment. It is to be kept in the Ford garage and a man will be on duty day and night to handle it in case of fire. Hartley has agreed to garage and maintain the equipment and provide a driver for it at all times for \$75.00 a month. Under this arrangement it will not be necessary for the district to hire a relief operator, thereby making a considerable saving. Arrangements are now being made for the installation of some sort of a signal to be used in case of fire.

#### To Organize Volunteer Department

A volunteer fire department is to be organized as soon as possible and a fire chief appointed. All men interested in joining the department are asked to register with Myron Robertson at the Carpinteria Electric at once. As soon as the necessary number have registered training will be started.

### ARCHIE M. CLOSSON GIVES INSPIRING TALK AT WOMAN'S CLUB MEETING

Speaking before the Carpinteria Woman's Club this afternoon Archie M. Closson, State Commander of the American Legion, gave an inspiring talk on the American Legion. He stressed the Legion's slogan of "Soldier of Yesterday, Builder of Today and Guardian of Tomorrow" and explained the aims and purposes of the Legion and told of the work that is being accomplished.

Tea was served at the close of the meeting by the hostesses which included: Mrs. Mather, Mrs. Hendy, Mrs. A. Hebel, Mrs. Nelson Smith, Mrs. Baylor, Mrs. Frank Smith and Mrs. Neil Bailard.

### The Village Observer Saw:

A "Chick Sales" parked on Vallecito Road the morning after Halloween.

Merchants of Carpinteria giving their windows their annual washing this morning.

A certain high school girl walking down the coast highway one day this week clad in something resembling a nightgown and carrying a towel on her arm?????

Heard Sally Maddox trying to say "chickens are shedding feathers" and saying "chickens are feeding their shedders." We are talking about the barnyard variety.

## SUPPORT THESE CANDIDATES

Probably the bitterest campaign ever waged in the history of California will come to a close Tuesday when the ballots are placed in the hands of the voters. In their hands rests the fate of our State. Surely they will not betray California into the hands of an experimenter to serve figuratively as a guinea-pig to be inoculated with the virus of socialism. If such should be the case the "guinea-pig" is likely to come to a very sad end. No doubt it would recover in the course of time but why uselessly submit it to such an experiment which is fore-doomed to failure? Governor Merriam and his running mate are pledged to support a comprehensive program which is given elsewhere in this paper. They will be able to carry out this program because they will have the co-operation of the legislature.

**FOR GOVERNOR VOTE FOR MERRIAN  
FOR LIEUT. GOVERNOR VOTE FOR HATFIELD**

The office of next importance but which has been over-shadowed by the campaigns for governor is that of Congressman from the 10th district. The logical man to vote for in this office is Bliss. His policies are not opposed to those of the "New Deal" in any great respect. His six years of legislative experience and his experience as a lawyer and engineer give him an excellent background for this position. Added to this he is in sympathy with the working classes and understands their problems.

**FOR CONGRESSMAN VOTE FOR BLISS**

In making our recommendation for assemblyman, we are exercising the privilege that so many of our good Democratic friends have exercised. We are going outside of our regular party affiliations and endorsing the candidacy of Alfred W. Robertson. We feel that in this election the qualifications of the man and not his party should be the deciding factor. Robertson understands fully the problems of Santa Barbara County. He is in favor of fewer and more easily enforced laws. He is a business man and a lawyer and certainly no one should be better fitted for the making of laws than a man who has had years of experience dealing with laws.

**FOR ASSEMBLYMAN VOTE FOR ALFRED W. "BOBBY" ROBERTSON**

We now come to the one County office which must be decided upon at this election; that of Treasurer. In this instance we think it would be indeed wise to "let well-enough alone." George W. MacLellan has maintained this office efficiently and economically during his period in office. He is thoroughly experienced in the handling of the County funds and there is no legitimate reason why he should not be returned to this position.

**FOR COUNTY TREASURER VOTE FOR GEORGE MacLELLAN**

In the matter of our local offices of Justice of the Peace and Constable we have no recommendation to make. As far as has been our experience we know all the candidates for these offices are honest, and earnest men. You have known them much longer than we have and you must be the judge as to their other qualifications for the offices they are seeking.

Insofar as the amendments are concerned we believe that the arguments included in the pamphlet sent to all voters should be thoroughly studied before Tuesday. As far as we can see the arguments and the text of the amendments should enable a person to come to a fair conclusion as to whether these amendments should be passed or defeated.

**And above all things let us urge that no matter how you vote, go to the polls Tuesday and vote.**

## SCHOOL DAYS

By DWIG

## BREVITIES

Archie M. Closson of Lodi, state commander of the American Legion, is being entertained today by Mr. and Mrs. E. D. Solari. He is making two speeches, one at the meeting of the Woman's Club this afternoon, and this evening before the Lions.

Mary Shepard and Clara Winter entertained their classmates of the eighth grade and a number of other friends at a Halloween party at the grammar school last Friday evening.

Alma Childers, former student in the high school, has written the school office for credits, stating that she is attending Sam Houston high school in Houston, Texas.

Mrs. Percy Houts returned Friday from Whittier where she was called by the illness of her mother, Mrs. John Holmes who is visiting her son, Clifford Holmes.

Miss Justine Hilliard of Los Angeles was the guest of Mrs. Jerome F. Tubbs during the past week.

The monthly sewing meeting of the Woman's Association of the Community church will be held Wednesday, November 7th.

Pot luck lunch at noon followed by an afternoon of sewing.

Dr. J. M. Humphreys and wife and son, Jimmy, of Sanger spent last week-end in Carpinteria visiting with his brother and sister-in-law, Mr. and Mrs. George Humphreys.

Wm. H. James and granddaughter, Helen Mead, attended the birthday party of A. P. Lang, a retired rural mail carrier, in Santa Paula last Sunday.

David Visel and his mother, Mrs. Elizabeth Visel, returned this week from a two months visit in the east. The trip was made by car. Visel is driving a new Ford V-8 purchased while in the east.

The Monte Vista Dairy took delivery of a new Ford V-8 light delivery truck from Cyril Hartley, local Ford agent.

Mrs. Merton Lewis accompanied by her sister, Mrs. Jane Baker, went to Los Angeles Monday where Mrs. Lewis is attending a school of instruction for District Deputy Grand Matrons. Mrs. Lewis has recently been elected District Deputy Grand Matron of the Eastern Star of the 40th District. Mrs. Lewis and Mrs. Baker are expected home Saturday.

## The Last Word

By ANN her column

Well, I'm disappointed. After listening to threats of dire doings around this office on Halloween, nothing happened. Didn't even get my windows soaped and didn't even see a ghost, and heaven's only knows I tried hard enough to see something. Some misguided person 12 hours behind the times started celebrating Halloween this morning by ringing my telephone at 6:00 a.m. Well some people just seem to be born to be late.

And then there is the sar case of a service station attendant this morning. I called up and asked how much gasoline was a gallon and they wanted to know what the joke was. Well, I can't see anything funny in the price of a gallon of gasoline, at least not when I have to pay for it.

I'll surely be glad when election is over. I'm beginning to suffer from bad dreams. Last time I dreamed that I was surrounded by ballots, great big white clad ballots with long arms and legs and grinning teeth. One takes me by the arm and points to glaring letters across its chest, "Sinclair." "See this is the man to vote for. If he gets in you won't have to work any more. He'll take you paper away from you and let the state run it and you can take life easy." Then another ballot with equally glaring letters, "Merriam," inscribed on its chest grabs me by the other arm and yells: "Don't you believe him. He'll stamp out progress in California. He'll muzzle the press. You may not have to work any more but what will you get to eat? Black bread and cabbage soup like they have in Russia." Just when I'm beginning to fall for that argument (I don't like cabbage) a third ballot with "Haight" emblazoned on its chest appears upon the scene with both of its hands full of mud which it immediately begins to throw at both of the other ballots. Being in the middle and the mud-slinger not being too good a shot I get the full benefit right in the face. The other ballots still have me in their grip. The mud begins to dry. I can't open my eyes or my mouth. I struggle and try to call for help. Then I feel a cooling lotion on my brow and hear a soothing voice saying, "I think you have had that clay mask on long enough now." I open my eyes to see two white-clad beauticians (nice word, that) on either side and a permanent wave machine draped in a sheet just to one side. I'd just dropped off to sleep while having a facial.

## QUESTIONS AND ANSWERS

By IVAN KELSON  
General Counsel, Automobile Club of Southern California

Question—How is it possible to prepare a minor for an operator's license examination since it is unlawful for him to operate a car until a license has been secured?

Answer—The Department of Motor Vehicles has established a procedure to cover this situation. When application is made for a minor's operator's license an instruction permit must be secured, and during the period for which it is issued a minor may operate or learn to operate motor vehicles when accompanied by a licensed operator. At the conclusion of the instruction period a regular examination is given and if satisfactory a permanent license is then issued.

Question—Must a bicycle rider observe the same traffic rules which a motorist is required to obey?

Answer—Yes. The term vehicle as defined in the California Vehicle Act specifically includes bicycles. The driving regulations in the act are defined as applying to all vehicles and must, therefore, be observed by bicycles.

Question—What is there to prevent a person whose operator's license has been revoked or suspended from applying for another or using a fictitious name and address?

Answer—By virtue of the seventh subdivision of Section 51 of the Vehicle Act it is unlawful to use a false or fictitious name in an application for the registration of a vehicle or for an operator's or chauffeur's license, or to make any false statement or conceal a material fact in such application. A violation is made a criminal offense and is punishable by \$500 fine or six months imprisonment or both.

## YOUR CHILD AND THE SCHOOL

By Dr. ALLEN G. IRELAND  
Director, Physical and Health Education  
New Jersey State Department of Public Instruction

### When to Exclude

The control of communicable disease would be much easier than it is if we could name a disease as soon as the first symptoms appear, or if we were always right when we say "Oh, it's only a cold."

But, unfortunately, such isn't the case. Sniffles appear, or maybe a cough or sore throat come first. The child may not complain, but if he is irritable, unusually quiet, and not interested in play, something is wrong. What is it? The only chance of a fair guess is when we know that the child has been in contact with a known diagnosed case. Otherwise, those early signs and symptoms may mean anything.

That is why it is so essential to avoid taking chances. One case may start an epidemic with disastrous results. It is no time to guess. Only one safe and sane course is open to the school, and that is immediate exclusion of every pupil showing any deviation from normal health. It pays to be over careful at such times. Attendance records are of no importance when child health, maybe a life, is at stake.

Next week Dr. Ireland will write about the importance of milk and other protective foods in promoting the growth of children.

## CHURCHES

COMMUNITY CHURCH  
Rev. Leon Kirkes, Pastor

The Sunday School will meet at 9:45. Classes for all ages. You will find a place in the school that suits you.

Public worship at 11 a.m. The topic of the sermon will be "Living Together Like Human Beings." But how ought human beings to live together? How must they live together? There are certain words, not all of them in the dictionary, which are in the air just now: revolution, devolution, evolution. The first means going round and round. The second means jumping from one thing to another. The third means growing by means of resident life-forces. There is an "Old Book," said to be the best seller in the world, but unfortunately just now not the most studied book in the world, which has some very definite ideas on the subject. They have always worked where they have been worked. "Come let us reason together."

METHODIST CHURCH  
Dr. C. P. Moore, Preacher

The usual Sunday services. Sunday school at 10 a.m. Morning sermon: "Stewardship of Life," by the pastor. The first Sabbath service for the new Conference year. Cordial welcome to all.

The Epworth League will hold the regular monthly business meeting Sunday night at 7 p.m. This will be followed by a sing and devotional service as usual. Miss Hazel Wullbrandt, president.

The pastor and his wife desire to heartily express to all their friends their pleasure upon being returned to this charge for another year.

The Woman's Missionary Society will hold their regular meeting on Friday of this week, November 2nd at the usual hour.

CHRISTIAN SCIENCE SOCIETY  
814 Walnut Street

Services Sunday, 11 a.m.; Sunday school at 9:45 a.m. Wednesday meeting 8 p.m. Reading room open Tuesdays, Fridays, 2:30 to 4:30 p.m. You are invited.

ST. ANDREWS EPISCOPAL  
Coast Highway

Members of the Carpinteria congregation are asked to attend the Church of All Saints By the Sea, in Montecito, temporarily.

**M'LELLAN RECEIVES ENDORSEMENT OF GRAND JURY AUDITOR**

George MacLellan, county treasurer, who is a candidate for re-election, is in receipt of a letter from Winter W. Christian, Grand Jury Auditor, approving the system now in use in the treasurer's office and endorsing MacLellan for re-election. The letter follows:

October 29th, 1934.

Mr. George W. MacLellan,  
County Treasurer,  
Santa Barbara, California.

Dear Sir:

In my capacity as County Grand Jury Auditor I have examined the records of the County Treasurer's office and know that they are competently and efficiently kept and that your operation of the office is worthy of commendation.

The daily balance system of machine bookkeeping installed by you when you assumed the duties of the office enables you to close a complete, accurate picture of the County finances at the close of business each day. Remembering that every penny of the County revenue comes to your office and that every penny disbursed by the County is paid through your office, the importance of daily balancing is apparent.

My examination of the loans of County funds secured by collateral convinces me that your experience in investments gained before assuming office has been of great value and has afforded the maximum of protection for County funds.

My knowledge of the conduct of your office led me to endorse your candidacy in the Primary election and it gives me pleasure to continue my support and urge your election on November 6th.

Yours very truly,  
WINTER W. CHRISTIAN.

In closing his campaign MacLellan will speak to the voters of Santa Barbara over KDB on Sunday, November 4th at 8:35 p.m.

**DUCK SHOOTING IN VALLEY**  
Sportsmen are having fair luck in the San Joaquin Valley following the opening of duck season, reports the Stockton office of the National Automobile Club. More rains will materially improve the shooting.

PATRONIZE CHRONICLE ADVERTISERS

*The* **FARMERS CORNER**  
by **RALPH H. TAYLOR**  
Executive Secretary Agricultural Council of California

Celebrating its twenty-first birthday, the California Farm Bureau Federation, which has participated in large measure in the development of California agriculture, will meet at Bakersfield, Nov. 12-15, inclusive, for its annual convention, with every indication of a record-breaking attendance.

Pressing farm problems, bearing on virtually every branch of the industry, will come before the convention for discussion and action, with farm credit problems, the Prorate Act, marketing agreements, transportation and taxation as leading issues or the four-day meeting.

The 1934 convention assumes unusual importance and significance in light of the fact that California agriculture, after enduring the full impact of the depression, is confronted with a maze of new problems, incident to the march toward recovery and rehabilitation.

But with all the problems, there will be a new note of optimism in the Bakersfield meeting, for there are reassuring indications of better days ahead—notably the marked up-turn in farm income, during both 1933 and 1934! And added to this shaft of sunlight is an apparent lessening of unemployment in the cities, especially in California, which will strengthen the demand for farm production.

Estimates of the State Department of Industrial Relations, for example, reveal that unemployment in the state has dropped from a total of 554,000 persons in January, 1934, to 296,000 in September. And every new city worker returned to gainful employment means added buying power for farm produce.

On Monday evening, Nov. 12, the opening day of the convention, a conference has been arranged on production credit with S. M. Garwood, Production Credit Commissioner, which will be attended by the officers of the various production credit associations. The county committees of the basic crop operations have been invited to participate in this conference and make suggestions for improvements in administration.

On Tuesday, Chester C. Davis, Ad-

ministrator of the Agricultural Adjustment Administration, will address the convention on "Basic Crops under the A.A.A.," followed by Dr. H. R. Wellman, chief of the General Crops Section. The remainder of the day will be devoted to a general convention discussion of operating marketing agreements and commodities in need of such agreements. And on the evening of this day, the annual banquet will take the nature of a "birthday party," commemorating the Farm Bureau's twenty-first anniversary, with President R. W. Blackburn and Professor B. H. Crocheron reviewing accomplishments of the organization.

Opening the Wednesday session, Edson Abel, secretary of the Prorate Commission, will outline the scope and operations of the Prorate Act, while Wednesday afternoon will be devoted in large part to farm credit problems. Commissioner Garwood will discuss production credit, followed by W. D. Ellis, general agent of the Farm Credit Administration for the eleventh district, and Roy F. Bergengren, secretary of the Credit Union National Extension Bureau.

On Thursday, J. J. Duell will lead a general discussion of transportation problems.

Von T. Ellsworth, director of the research department of the Farm Bureau, will direct discussions on taxation and legislative proposals during the four-day meeting.

Broadening the scope of the con-

**COAST ROAD IN GOOD CONDITION**

Travel conditions are good via the main coast route, U. S. 101, from Los Angeles to San Francisco, reports the touring bureau of the Automobile Club of Southern California. The entire distance paved, with some realignment work taking place south of Santa Barbara and eight miles of construction west of Ventura. None of this work offers any difficulty to traffic.

vention, Alex Johnson, secretary of the federation, announces that invitations to participate in the meeting have been extended to all cooperative marketing organizations, the State Department of Agriculture, the College of Agriculture, the State Supervisors' Association, the Grange, Farmers' Union and other groups directly interested in the problems of agriculture.

**Governor Merriam's Program**

**R**ESIDENTS of California face a far reaching political decision on next Tuesday, when they vote for Governor.

Taking advantage of public distress, and preaching a doctrine of class hatred and social antagonism, an extreme Socialist captured the Democratic party's nomination for Governor, and is now proposing a radical, impractical scheme.

On the other hand, Governor Merriam,—a capable and conscientious American wholly dependable in his proven devotion to the public welfare,—offers a constructive program of liberal Americanism.

Here is Governor Merriam's own statement:—

**For Those With Jobs, I Will Strive:**

1. To bring you security of employment through definite encouragement of business, industry and agriculture.
2. To insure you and your family against loss of work, by adoption of a practical and adequate plan of unemployment insurance.
3. To uphold your right to bargain collectively for increased wages, shorter hours, and improved working conditions.
4. To discourage pay cuts in both public and private employment and encourage establishment of a wage scale providing a decent living on American standards.
5. To fearlessly oppose radical or Communist efforts on the one hand, or Capitalistic efforts on the other, to destroy legitimate organized labor.

(Note: The Legislature, under the leadership of Governor Merriam, is now developing a workable plan of unemployment insurance and will report in January.)

**For Those Seeking Jobs, I Will Fight:**

1. To see that no man, woman or child in California goes without food or shelter.
2. To discourage, insofar as it is within my power, the coming to California of more unemployed to compete with you in your efforts to find work.
3. To create new jobs through the medium of public works, the development of our great natural resources and constructive effort to promote the upward trend of business, agriculture and industry.

(Note: As a part of this pledge, the Legislature at the special session and on Governor Merriam's recommendation, adopted for submission to the people a proposed issue of State bonds in the amount of \$24,000,000 for the relief of unemployment and distress.)

**To Those Unable to Work, I Dedicate Myself:**

1. To safeguard and expand the State's great humanitarian work for the sick, the disabled, the orphaned and the aged.
2. I heartily favor old age pensions and commend the Townsend Plan to Congress and the National Administration for thorough study.

(Note: In furtherance of this undertaking the Governor and the Legislature have already petitioned the President and Congress to supplement the State's present effective pension system for the aged by enacting a Federal old age pension law.)

**To California Taxpayers, I Will Recognize:**

1. That human needs must come before all other considerations; that property owners in financial distress must be given every opportunity to save their homes and farms.
2. I will see that public utility corporations bear their full share of taxes, without loading extra charges on to the public.
3. That all Citizens of California will share equitably in the benefits of economy and simplification of government, which are a definite part of my program.

(Note: Governor Merriam obtained the approval of the Legislature at the recent special session giving relief to home and farm owners from the burden of delinquent taxes and special assessments as well as from the immediate danger of loss of their properties through foreclosure of mortgages and trust deeds.)

**To Educators and Teachers, I Propose:**

1. To do everything in my power to maintain the present high standard of education in California. I am thoroughly committed to a continuation of the constitutional guarantees for the public schools; to teachers' civil service; to the maintenance and extensions of the teachers' retirement fund; to part-time and adult education.

**To Members of All Parties, I Will:**

1. Call into the service of the State the best type of citizenship.
2. Carry out a non-partisan, truly progressive, and All-California administration during the term of my office as Governor.

*Frank F. Merriam*  
GOVERNOR OF CALIFORNIA

As Lieutenant-Governor, I will, if elected, do all in my power to carry to a successful conclusion the foregoing program of Governor Merriam.

*George J. Hatfield*

Governor Merriam's record during the five months he has been in office, his character and sixteen years of public service, assure us an able, practical administration.

He will preserve the principles of reward for hard work and individual effort that have been the foundation of industry. He will keep California a state you will be proud to live in, and proud to have your children grow up in.

Go to the polls Tuesday. Vote for Frank F. Merriam for Governor and George J. Hatfield for Lieutenant-Governor. Give them the support they will need in accomplishing their constructive program, by voting also for the Republican candidates for the State Assembly and Senate.

**BLISS ON FINAL CAMPAIGN TOUR**

SANTA BARBARA, CALIF., Oct. 29.—Expressing great satisfaction with the manner in which his candidacy has been received throughout the five counties of the tenth congressional district, George R. Bliss, Republican nominee, today started on the final trip of the campaign. This tour will carry him to Oxnard, Hueneme, Porterville, Lindsay, Exeter, Visalia, Bakersfield and the towns of Santa Barbara county.

"Everywhere I go I find the enthusiasm for an active and aggressive congressman mounting," Mr. Bliss said. "I find that voters over the entire district want action from their congressman and my record at Sacramento during the six years I have been in the state legislature has proven that I can give them the action they want."

Reports received at the local headquarters for Mr. Bliss indicate that he will win the congressional race by several thousand votes. While there is little betting on the congressional race, due to the intensity of the governor's race, supporters of Mr. Bliss' opponent are asking odds when placing bets on their candidate, indicating that Mr. Bliss is the favorite in the race.

Pointing to Mr. Bliss' past life as one which admirably qualifies him for the position of congressman, supporters state that his six-year experience at Sacramento, his close contacts with both state and national figures of prominence, and his education fit him for the job. Mr. Bliss graduated from high school in Washington, D. C. He received college training at Bucknell University, training as an engineer at Cornell, and graduated from Georgetown University in law. He practiced law at the national capitol.

For twenty-two years Mr. Bliss has been farmer. He has been successful both in eastern states and in California. For two years he was the agricultural inspector in Fresno and Tulare counties.

For eight years Mr. Bliss was president of the Carpinteria Mutual Citrus association. He is the president of the Casitas Road Water company and has had varied experience in business.

During his three terms in the state legislature Mr. Bliss has been a leader for progressive, humanitarian legislation. He has worked for efficiency and economy, for the conservation of natural resources, for equalization of

**BABBLINGS**

By A. BROOK

The question that comes to this column the most often for answer is: "What is money, just what is two-bits?" To date we have side-stepped the issue, we hope gracefully, but the public has become so insistent that we make some kind of an answer that we herewith set down our opinion on this burning question.

In the first place money is a medium of exchange and might be composed of anything from gold and silver to iron washers and goldfish. We of today are told that money is a certain amount of credit backed up with collateral that can be liquidated into gold or silver. Now all this sounds simple enough—but we question whether or not this statement really answers your question.

We are going to place ourselves in your position and ask the self-same question and what we expect in an answer:

Money is usually round in appearance, has a flat surface, that is if the said mazuma is gold or silver coin, has pictures on both sides, usually the statue of Liberty and the American eagle ready to take off and an appropriate inscription as to whom to trust.

Now when mention is made of currency we have a faint recollection of its appearance being green in color, about three by six inches and composed of a paper material that we personally have found hard to duplicate. As far as we remember this money comes in denominations of ones, twos and fives. We knew a fellow who claimed he saw a ten dollar bill, but knowing the man to be a confirmed liar we set the information down as worthless.

In the original question in which we are asked, "what is two-bits?" we are at a loss to say. Quite often we hear people say they want two-bits worth of spuds or of paying two-bits for a shave and it is now said you can purchase a good stiff drink for two-bits, but just what the aforesaid amount of money is, we don't know. What puzzles us is the fact that you never hear of one-bit, its always two.

taxes, for elimination of the spoils system, for liberal education programs, and for relief of unemployment.

It is our opinion that two-bits is merely a phrase and possibly is just a way of saying "charge it" or "put it on ice," you know, just jawbone money.

We feel that from the above our questioners should be able to deduct an answer as to just what money is and we bring this to a close with a pleasant glow of satisfaction at being able to elucidate upon these few fundamentals.

By the way, we wonder if someone would lend us a buck until payday? .....don't crowd folks.

**CIVIC GROUPS ENDORSE PROPOSITION NUMBER 7**

Strong support of Proposition No. 7, the State Civil Service Amendment, which is designed to eliminate the political "spoils system" in the selection of state personnel, was announced today, with labor councils, taxpayers organizations and civic bodies in every section of the state urging a "Yes" vote on the amendment.

The measure places employment in the state civil service on a strict basis of efficiency, merit and fitness, seeking to stamp out the discredited "political reward system."

Endorsements announced today included resolutions from more than a dozen labor councils, the California Peace Officers Association, the California Taxpayers Association, the State Conference of Public School Superintendents, farm bureaus in many communities, the San Francisco Chamber of Commerce, the San Francisco Central Council of Civic Clubs, the Lafayette Club, and many local civic organizations scattered throughout the State.

The principle of a strengthened civil service was also endorsed by both the Democratic and Republican state conventions during their conventions at Sacramento.

Henry Bliss, who is working as a chemical analyst in citrus research under the direction of Percy Houts Sr. in Anaheim, spent the week-end at his home. Charles Bliss of U.C.L.A. came home with him, joining Mr. and Mrs. Bliss who were home for the week-end from the San Joaquin Valley where they have been in the interest of Mr. Bliss' campaign.

**URGE REELECTION OF HARVEY G. CATTELL**

SACRAMENTO. — Reelection of Harvey G. Cattell to the State Board of Equalization is essential to the welfare of Southern California, Fred E. Stewart, prominent Board member, declared here today.

Duties of the Board are so closely related to the economic problems facing the state today, that long experience in the office gives Cattell an advantage which no other candidate possesses, Stewart said.

"Cattell, incumbent member of the Board from Southern California, has held office for the past 15 years," Stewart stated. "He has become intimately acquainted with the duties and responsibilities of the position. Now, as never before, this Board needs members who will require no 'training period.'"

"The jurisdiction of the Board is widespread and tremendously important in its significance to the citizens of California. Public utility property in the amount of approximately one billion five hundred million dollars must be valued by the Board and returned to the local subdivisions for assessment. This requires judgment and technical experience which cannot be acquired in a short time.

"State taxes totaling more than \$100,000,000 must be assessed and collected by the Board. Intricate problems of organization for assuring that these taxes be properly administered have been installed under the direction of Cattell and the other Board members. He is thoroughly familiar with the handling of various issues which constantly arise in administration of these taxes."

In urging retention of Cattell on the State Board of Equalization, Stewart concluded by pointing out that Cattell has been one of the most active Board members in requiring political subdivisions to adhere to the provisions of the Riley-Stewart Tax plan which prohibit them from increasing their expenditures in any one year by more than five per cent of the previous year's expenditures.

Miss Rosemary Carton, who attends Scripps college, spent the week-end with her parents, Mr. and Mrs. D. A. Carton.

Miss Zelma Metsker of Tacoma, Wash., has arrived for an extended visit at the home of her aunt, Mrs. G. Horace Coshow.

**CARPINTERIA FREE OF CONTAGIOUS DISEASES**

The measles epidemic in the northern end of the county has been brought under control, and consequently only 36 cases of communicable disease were reported last week, according to Dr. R. C. Main, county health officer.

In the previous week, nearly three times as many cases were reported.

There were only seven new cases of measles in Santa Maria, and there were 11 of mumps. There was one of German measles and one of whooping cough.

Of the 36 new cases, 24 were in Santa Maria, one in Montecito, four in Lompoc, and seven in other rural areas. Carpinteria and Santa Ynez Valley were "white spots" of the week, no new cases of communicable disease being reported in either community.

Miss Mae Franzen of Beverly Hills will return to her home during the week-end after a visit of several weeks at the home of her nephew, Dr. G. Horace Coshow.

## California's Siamese Twins

Noon. No plans are to be disclosed, out the program shows promise of a great success. There is room on the program for more numbers, the committee stated, and anyone is invited to participate. Those present at the meeting were: Mrs. William C. Winter, Mrs. Lloyd Hales, Mrs. Lester Buell, Mrs. Stanley Shepard, Mrs. E. D. Solari, and Mrs. C. E. Lambert of Summerland.

## HANKERCHIEF SHOWER GIVEN AT HOME CENTER MEETING

Mrs. Nancy Polsum LeBrun was given a surprise hankerchief shower during the luncheon hour of the meeting of the local Home Center last Friday. The program for study was of fabrics and fashions for Fall, and the remodeling of hats. Those present included: Mrs. Phil Dane, Mrs. R. E. Walsh, Mrs. W. C. Hohmann, Mrs. B. J. McKenzie, Mrs. Frank Evans, Mrs. Thomas Emerick, Mrs. G. A. McCubrey, Mrs. Harold McCubrey, Mrs. R. J. Ogan, Mrs. E. V. Stubbs, Mrs. L. C. Kirkes, Mrs. R. L. McKinney, Mrs. A. J. Jarvis, Mrs. Elizabeth Stevens, Mrs. F. W. Gorham, Mrs. Walter Connell, Mrs. George Clark, Mrs. Burke, Miss Minnie Merrihew and Miss Reva Walsh.

## HALLOWEEN PICNIC GIVEN AT BEACH PARK

Miss Charlotte Shepard and Mrs. William E. Davis assisted by Mrs. Dave Cummings Mrs. Bruce Wallace, Mrs. Frank Burbridge, Mrs. Raymond Pinkham, Mrs. Clarence Cadwell and Mrs. Lydia Neal entertained about twenty young people and children at a Halloween picnic last Saturday afternoon at the Carpinteria Beach Park. Games were played followed by refreshments. The tables were attractively decorated with Halloween colors, black cats, moons and witches.

Guests were Margaret Burbridge, Elsie Ober, Paul Davis, Harold Ober, Billie Caspers, Marilyn and Bonnie Shepard, Merle and Lola Mathews, Mary and Louise Davis, Better Caspers, Marie Schweizer, Carol and Claire Cummins, Jean Safwenberg, Barbara and Bobbie Lintz, Margaret and Billie Wallace, Jessie Mae and Nadine Barrick and Diane Pinkham.

## LITERARY SECTION OF WOMAN'S CLUB TO MEET

Members of the literature section of the Woman's club will meet at 9:30 next Thursday morning with the chairman, Mrs. L. C. Kirkes. Mrs. Donald Andrews will give reviews of three books, "Robber Barons," by Josephson; "Zaharoff," and "Dusk at the Grove" by Rogers.

## JOINT HOSTESSES TO BRIDGE CLUB

Miss Katherine and Miss Myrtle Bailard were hostesses to the members of their club with a dessert-bridge Tuesday afternoon. Mrs. A. W.

Horton was a guest, substituting for Mrs. Martin Slaughter. Members present were: Mrs. John W. Dorrance, Mrs. Felicie Hubbard, Mrs. C. B. Franklin, Mrs. Edward F. Pendergast, and Mrs. Jerome F. Tubbs.

## SHIPMANS AND MORRIS JOINT HOSTS AT PARTY

Mr. and Mrs. James Shipman and Mr. and Mrs. Jack Morris were hosts last Saturday night at a Halloween bridge party.

Guests invited were: Mr. and Mrs. Charles Catlin Mr. and Mrs. Nelson Treloar, Mr. and Mrs. Harold Heltman, Mr. and Mrs. Fredrickson, Mr. and Mrs. Lester Carter, Mr. and Mrs. La Verne McKinney, Mr. and Mrs. Stanley Shepard, Mr. and Mrs. Tor Neilson, Miss Wilma Crawford and A. B. Crawford.

## P.T.A. TO HOLD REGULAR MEETING NEXT THURSDAY

The regular meeting of the P.T.A. will be held next Thursday afternoon in the grammar school. Mrs. Clark Catlin and the mothers of the first grade will serve as hostesses for the meeting.

The program is in charge of Miss Dorothy Clarke and a book review will be a feature of the afternoon.

## WALTER RODMAN RITES ARE HELD

Services for Walter Rodman, who passed away last Saturday following a heart attack suffered while working at the asphalt pits early that morning, were held Tuesday afternoon in the Eppel and Kurtz chapel in Santa Barbara. Veterans of Foreign Wars were in charge of the services, which were conducted by Dr. Roph W. Lee of the First M. E. church of Santa Barbara. Many friends joined the relatives at the services. Besides his widow, Marguerite, he leaves three sons, Ronald, Walter and Bobby, his mother, Mrs. Isabelle Rodman; three brothers, Clyde of Santa Barbara; Bert of Montecito, and Charles of Salt Lake City, and four sisters, Mrs. Bertha Maxeyof Fowler, Colo., Mrs. Grace Justice of San Diego, Mrs. Howell and Miss Hazel Rodman of Los Angeles.

## CARPINTERIA NINE WITH NEW MANAGER DEFEATS OXNARD, 15-3

The newly organized Carpinteria baseball team with Darrell Beaver as playing manager defeated the Oxnard team by a score of 15 to 3, at the high school grounds last Sunday afternoon.

With Moreno, Dominguez, Beaver and Granada doing some heavy stick-work the locals were enabled to pile up a commanding lead for their pitcher.

Moreno and Granada both got two home runs each while Beaver got a three-base hit and two doubles.

Pete Sanchez was never in danger at any time of the game and Oxnard was not able to do any scoring until the ninth when Sanchez eased up and let them hit resulting in three runs before the side was retired.

Darrell Beaver at short stop was kept busy handling 13 chances, nine of them being credited as assists and four put-outs.

This Sunday the Carpinteria team will tangle with the Chevrolet team from Santa Barbara which promises to be a good close game. The game will start at 2:15.

Manager Beaver promises the people of Carpinteria a good baseball team and asks everyone of them to please come out and support the team.

The box score follows:

Oxnard	AB	R	H	PO	A	E

## INTEREST ON HOUSING ACT IS EXPLAINED

According to a statement issued by F. W. Marlow, District Director, of the Federal Housing Act, prospective borrowers under the Federal Housing Plan frequently voice opposition to the interest charge. The 5% discount rate permitted is equivalent to a gross charge of 9.7166% on the average outstanding balance. Bankers know that this is the lowest finance rate available anywhere, and is only possible because the loss factor is practically eliminated by the insurance feature. But the public does not understand, so the following suggestions are offered for explanation of this subject:

a. Some property owners have confused the financing cost to them with the return the bank will receive. The absolute maximum cost to the borrower, including all interest and other fees, is \$5.00 for each \$100.00 face amount of a one year installment loan—and proportionately for longer maturities. Because of the installment feature, the gross return to the bank is 9.7166%. But the borrower does not pay \$9.71 to get a \$100.00 loan for one year. The most he can pay is \$5.00. If the property owner had to save up all the money in advance, he could get no appreciable interest on such monthly accumulations, and he would not have the immediate benefit of the improvements.

b. In the case of needed repairs the ultimate saving in dollars to the borrower might be very great. For example, on a discount note of \$100.00 face amount the total cost for three years would be \$13.03. What might be the cost of neglecting for three years necessary painting, reroofing, defective plumbing, etc? Likewise improvements tending to increase rent value, sale value, or merely comfort and attractiveness, would return far more than the cost of the financing.

c. This is the lowest cost installment financing ever offered for such purposes in this country. It is not an interest charge alone, but must cover investigation, extra bookkeeping—in short all the additional ex-

penses inherent in installment financing. For instance, these loans average less than one-tenth the size of ordinary bank loans, consequently to loan the same amount of money there is ten times the volume of work. And again, the collection of monthly installments involves three times the work required by the usual banking practice of 90 day collections. The net return to the lending institution is relatively small, and is justified only by the safety afforded through government insurance.

d. The government insurance plan also does away with the necessity for appraisal fees, title fees, and other expenses incident to real estate financing.

A theatre party was made up to attend the matinee of "The Barretts of Wimpole Street" Tuesday, composed of Mrs. L. C. Kirkes, Mrs. C. C. Heltman, Mrs. J. W. Young, Mrs. Frank Smith Mrs. W. P. Mahoney, Mrs. Katherine Runyon and Miss Minnie Merrihew.

For National Recovery!  
Support the DEMOCRATIC TICKET For California Recovery

A vote for any candidate not on the DEMOCRATIC TICKET is a vote against Roosevelt—a vote against Recovery.

The only candidates pledged to support Roosevelt in Washington and to put his Recovery policies into operation in California are these:

- Governor UPTON SINCLAIR
  - Lieut.-Gov. SHERIDAN DOWNEY
  - Congress HENRY E. STUBBS
  - Board of Equalization ORFA JEAN SHONTZ
  - Assembly ALFRED W. ROBERTSON
- VOTE STRAIGHT!

### POLITICAL ADVERTISEMENT

## TWENTY MILLION DOLLARS IS A LOT OF MONEY!

That's the amount of your money the County Treasurer handles and invests during the next four years. Last year through my investment of County Funds the County received over \$27,000.00 in interest on loans secured by collateral and my knowledge of investments acquired during the past twenty-five years was your protection.

The County Grand Jury Auditor commends my conduct of the office most highly and urges my election.

I can't spare time from my official duties for an intensive personal campaign and must rely on those who believe that an efficient, competent and experienced man should be retained.

I will appreciate your support on November 6th.

In these unsettled times there is no Substitute for Experience

(Continued From Page One)  
hold stock in mutual water companies when same is necessary to provide water for the use of citizens thereof.

"Proposition No. 21—(S. C. A. 48) Eminent Domain: Extends the right of eminent domain to water, irrigation, reclamation, and utility districts. It also adds lands to be used for reservoir purposes as subject to condemnation for public purposes. At the present the Constitution limits right of eminent domain to the State, counties and cities. Other agencies now have authority to acquire title by condemnation, but actual possession must await court order following final monetary settlement.

"Proposition No. 22—(S. C. A. 34) Joint Exercise of Power by Political Subdivisions: Authorizes the joint exercise of powers and functions by two or more political subdivisions, outlining the procedure under which, by vote of the people, such political

subdivisions can enter into agreements governing same. This is a step in the direction of consolidation and would presumably take the place of the present contractual arrangement frequently employed by political subdivisions.

"Proposition No. 23—(S. C. A. 1, S. S.) Unemployment Bonds: Authorizes \$24,000,000 state bond issue for unemployment relief; money to be expended under the direction of the State Emergency Relief Administration in conjunction with Federal aid.
