## Legion, Lions Club, C. of C. To Hold Carnival June 3-4

The Carnival, sponsored by the American Legion, Lion's Club and Chamber of Commerce was set for June 3rd and 4th by committees from the three organizations which met Tuesday evening in the Veteran's Memorial Building and will be held at Cerca del Mar. The event was originally scheduled for last spring but was called off when the bridge leading to Cerca del Mar was declared unsafe.

Burchell Upson was named as general chairman of the joint committees and Ferlys Thomas, Secretary. Committees representing the three organizations are as follows: Lion's Club: Hugh Thurmond, chairman, Harold Heltman, Burchell Upson; Legion: Ferlys Thomas, chairman, Neil Vaughan and Ross Stone; Chamber of Commerce: Bud Riley, chairman, E. A. Chaffee and Glen Bast. All members were present at the meeting with the exception of Bast.

Preliminary plans for the Carnival call for dancing, games, refreshments, booths and various contests. The Lion's Club will be in charge of tickets and games; the Legion will provide for dancing, refreshments and securing of the building, and the Chamber of Commerce will have charge of the floor space, publicity, parking and decorations.

The committees will meet again next Tuesday evening for further discussion of plans.

### FOOTHILL TRAFFIC

Foothill boulevard again is open to through travel on the Sunland to Tunnel station section with the replacement of approaches to the Big Tujunga bridge, reports the touring bureau of the Automobile Club of Southern California.

## E. H. STAMM OF S. B. TALKS TO FELLOWSHIP CLUB

Members of the Men's Fellowship club of the Community church heard Edward H. Stamm of the trust department of the Security First National Bank of Santa Barbara talk on "Probates, Wills and Trusts" at their meeting Monday evening. The program followed a dinner served by Lloyd Hales, C. C. Whitcomb, Merle Shride, Al Harper and C. T. Ingerson.

Attending were Leland M. Crawford from Santa Barbara; Rev. Deane F. Babbitt, Dr. J. B. Lape, Robert Orrill, W. E. Truhitte, W. L. Gann, Gerald Hatton, O. W. Davidson, S. C. Maddox, B. E. Clark, A. M. Clark, Frank Roberts, A. E. Southworth, E. V. Stubbs, Del Kent, A. O. Grinstead, George Senteney, Carey Demaree, Walter Johnson, Jesse Johnson, J. M. Hawley, E. D. Solari, Albert Jarvis, J. C. Furby, David Safwenberg, Albert Coles, Roy Beckstead, C. B. Hamilton, D. I. Jamerson, C. C. Heltman, Charles Curtis, John Hudson, M. F. Lewis, R. W. Morris, Art Weishaar, F. J. Bauhaus, W. H. James, F. L. Smith, J. V. VanMeter, A. H. Young, A. C. O'Banion, Chester Rock, Card Whitcomb, Lynn Cadwell, Kenneth Bates, Wallace Godfrey, Merle and Harry Ingerson and Allan O'Branion, Jr.

### ORTEGA HIGHWAY OPEN

Ortega highway between Elsinore and San Juan Capistrano is again open to travel, it is reported to the Automobile Club of Southern California.

## RESIDENCE OF HARRY BRIGHT RAZED BY FIRE

Fire which broke out shortly after 7 p. m. last night, completely destroyed the garage and residence occupied by Harry Bright at 303 Holly Ave. The property was owned by W. E. Davis and the house and furnishings were insured. It is not believed that the Brights carried any insurance on their personal effects.

The Brights were not at home when the fire started, but it is believed the blaze originated in the garage, which was connected with the house. The fire had gained considerable headway before it was discovered, and several persons reported that a small explosion occurred, spreading the blaze.

The Carpinteria truck responded to the alarm and the Summerland truck was also called out to assist. Although greatly handicapped by the fact that there is no city water in that part of town, the department saved the residence occupied by Mr. and Mrs. Hugo Bauhaus which was only separated from the blazing structure by several feet.

## MATCH WITH LOS CRUCES WON BY LOCAL GUN CLUB

The Carpinteria Gun club captured the small bore rifle shoot over the Las Cruces club with ease by a score of 3699 to 3482 in a meet which was held at the State Park Range last Sunday. The shoot was held over the Army D. course using Iron Sights.

Those participating and their scores in a possible 500 were as follows:

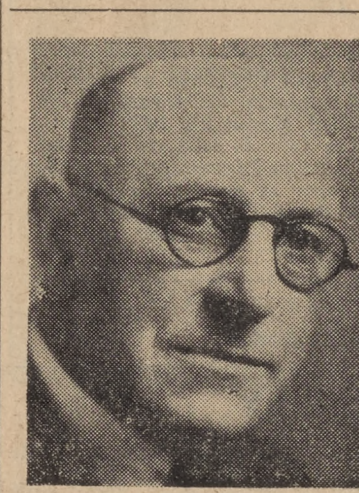

Carpinteria Gun club: Geo. Worden, 472; R. C. Bassett, 469; H. Fultz, 466; G. Higbee, 465; C. Higbee, 465; L. Potter, 465; V. Plank, 449; B. Plank, 448; total eight man team, 3699. R. Gradle, 446; H. B. Smith, 445; H. Griffith, 440; W. Hummel, 415.

Las Cruces Gun club: Wm. Hess, 461; B. Tate, 455; B. Donahue, 453; B. Hawerton, 445; S. Hollester, 433; T. A. Gorgi, 423; F. De Lilio, 416; R. Lewis, 396; total eight man team, 3482.

The Club suffered one of the few defeats in its history when the match with UCLA was lost on Wednesday evening by the narrow margin of 1832 to 1836. Ray Basset of Carpinteria tied with Ackley for first place honors with a score of 187 in a possible 200. Those who made the trip to Los Angeles for the meet were R. A. Bassett, Geo. Worden, C. Higbee, G. Higbee, H. W. T. Ross, Leon Potter, Wm. Moller, B. Plank, Roy Gradle, H. Griffiths, Walter Wood and H. B. D. Smith.

Mr. and Mrs. Phil Dane and daughter, Carol, spent the week-end in Santa Maria with Mr. and Mrs. Norval Dice.

### LEGION WARNS AGAINST BUYING HOLIDAY CARDS

Merchants throughout the 16th district of the American Legion are asked to desist from the practice of buying special holiday cards from men representing themselves as Veteran's or as representing some Veteran's organization.

This matter was brought up at the 16th district meeting of the American Legion which was held in Santa Barbara last Sunday, and it was stated that these men are selling the cards for fifty cents each. It was also brought out that they have been barred from cities requiring license for such sales and that they are now soliciting in the smaller, unincorporated areas.

Although some of these men may be Veteran's, claims that they are working for any organization are absolutely false, and all money above actual cost of cards, is pocketed by the men selling the cards.

### NEW SUPERVISOR FOR VAN'S MARKETS

Jack Watts has been appointed Supervisor for Van's Market for Ventura, Oxnard, Ojai, Carpinteria and Santa Barbara, replacing Charles Pride, who resigned to accept a position with Simon-Levi. Watts has been associated with Van's Markets for some time and until his appointment as supervisor for this area was stationed in Los Angeles.

Mrs. H. B. Franklin and daughters, Nancy and Jane, will leave tomorrow morning for Santa Cruz, where they will visit her parents, Mr. and Mrs. O. E. Sheppa.

Mr. and Mrs. Jack Mason and son, Carter, returned Sunday to their home in Fresno after spending two weeks with Mr. and Mrs. Jack Mason, Sr., and Mr. and Mrs. Leslie Carter.

\* Editor's Note: We present this week the fifth in a series of articles dealing with histories and duties of various County Offices. This week's article has been made possible through the cooperation of Frank E. Dunne, County Forester.

As in time of war the defense of a nation rests on the shoulders of the young men of the nation, so in Santa Barbara County the defense and protection of the natural resources of the County against the careless destruction by man and that arch-enemy, fire, rests with the youngest member of the family of County offices and departments, the County Forestry Department, whose executive is Frank E. Dunne.

The County Forestry Department was created in 1926 by the County Board of Supervisors under the provisions of the County Forestry Act to cope with the problems of better fire protection in rural areas, the regulation of outdoor recreation, the need for the study of forest problems outside of the National Forest in Santa Barbara County and more attention to the fish and game resources than the State could give. Under provisions of the Forestry act the County Board of Forestry is composed of a governing board of five members, one from each supervisorial district of the County, and the County Forester who acts as the executive officer to the board. Members of the board are: L. D. Waller, chairman, Santa Maria, representing the Fifth District; Harry Buckman, Lompoc, Fourth District; John Orton, Solvang, Third District;

## New Store Building To Be Erected by Ray A. Doell

One of Carpinteria's familiar landmarks fell victim to the march of progress during the past week. It was the beautiful star pine located on the premises of the Pine Haven Auto Court, which towered some 90 feet into the air and is estimated to have been 55 years old.

The tree was removed to make way for the construction of a business building, 50x100 feet, on the lot which is being built by Ray Doell, proprietor of the Auto Court. The building is to be of frame and stucco construction and will cost in the neighborhood of \$9,000. The contract for construction has been let to Whittaker and Snook of Santa Barbara and work is expected to start at once, and the building will be completed about the first of July.

The building, which will be occupied by SafeWay Stores, will be located nearest the Service station and a parking lot 25x110 feet will be located on the alley.

### CHRISTIAN SCIENCE BROADCAST SUNDAY

LOS ANGELES (Special)—A Pacific Coast broadcast of the West Coast Church of the Air of the Columbia Broadcasting System will be conducted on Sunday, April 10, at 8 a. m., from San Francisco, by Peter V. Ross, C. S. B., under the auspices of the Christian Science Committee on Publication for Northern California. The radiocast may be heard locally over KNX (1050kc, Hollywood).

Mrs. Helen Alexander of Los Angeles and Miss Ella Webb of Claremont were week-end guests of Miss Ariana Moore and Ben Moore.

Mr. and Mrs. E. D. Solari and Mr. and Mrs. A. W. Horton attended the district meeting of the American Legion and Auxiliary in Santa Barbara Sunday.

\* Leading up to special Easter Sunday Services, which will include joint Sunrise Services to be conducted by the Community and Methodist churches, the board of Governors of the Community Church has announced that Holy Week will be observed with daily half-hour meditations throughout the week, starting on Monday evening between the hours of 7:30 and 8:00 p. m.

Special music will be provided for each evening and topics for the services have been announced as follows: Monday, "The Open Gate"; Tuesday, "The Divine Healer"; Wednesday, "The Anguish of Men"; Thursday, "Unfinished Task"; Friday, "A Higher Loyalty."

The Sunrise Services will be held on Brentner Hill, Just off the State Highway starting at 5:19 a. m. on Easter Sunday and full details of the service will be announced next week.

### KING'S BIRTHDAY

From that sunlit day in 1804 when Padre Sanchez tamped California's first orange tree into the soil of San Gabriel Valley, right up to this week's harvesting of navel oranges, King Orange has strewn California's history with anniversaries, but this April brings his big tricennial.

However, this famed symbol of the State's fertility, color, and riches, had its first commercial planting in William Wolfskill's orchard in 1841, plump in the heart of what is now downtown Los Angeles. Fourteen years later, Wolfskill put his oranges on display at California's second State Fair, and created a stir by announcing he made \$700 on his crop that year.

Yet another significant event occurred 65 years ago when Mrs. Eliza C. Tibbets planted two small orange trees at Riverside. Imported from Brazil, these two trees have yielded the finest oranges of their kind. They are the esteemed parents of all the Washington navel oranges in the United States. Soon after this historic planting, California won another ace when Valencias from the Azores made their introduction in this State.

But the most momentous event of all happened just 30 years ago this month when enterprising growers first put their shoulders behind a nationwide campaign to expand the orange market through advertising and largescale merchandising. Result, that \$700 crop in 1855 now brings in \$150,000,000 yearly to California growers. This is high tribute to farsighted producers who seized upon advertising, centralized marketing, and availed themselves of national retail systems to expand their markets, reduce costs of distribution, extend the selling season of the fruit, and increase the share of the consumer dollar rolling home to California's growers.

Yes, King Orange has plenty of birthday anniversaries in California's history, but it's worth remembering that just 30 years ago this April he reached his majority and started going places in earnest, and in fact!

### THE WORLD MOVES ON

Beneath the splurge of headlines blatantly captioning the news of this jittery age, silently and methodically, the world moves on. As the news of yesterday fades into the musty records of the past, the pattern of life, woven from the life-threads of average humans, remains much the same.

Yet the headlines of yesterday do cast their shadows on the chapter marked "Today" in millions of average lives. In Russia seventeen die for treason. One of those seventeen was Dr. D. Pletmyeff, a great heart specialist. Who can tell how many average Russians are today dying in anguish because that scientific asset was liquidated?

### The Churches

Carpinteria has a number of Churches, whose pastors and members will be glad to welcome you to their services.

#### CHRISTIAN SCIENCE SOCIETY

Christian Science Society, Carpinteria, a branch of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass., holds service every Sunday at 11 o'clock a. m., Sunday School at 9:45 o'clock. Mid-week meetings every Wednesday evening at 8 o'clock.

A reading room is maintained in the church building, open Tuesday afternoons (except holidays) from 2:30 to 4:30 o'clock.

"Are Sin, Disease, and Death Real?" This question is the subject of the Lesson-Sermon on Sunday in all Churches of Christ, Scientist, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

A Scriptural selection in the Lesson-Sermon includes the verses from Matthew: "And, behold, a woman, which was diseased with an issue of blood twelve years, came behind him, and touched the hem of his garment: For she said within herself, If I may but touch his garment, I shall be whole. But Jesus turned him about, and when he saw her, he said, Daughter, be of good comfort; thy faith hath made thee whole. And the woman was made whole from that hour."

One of the correlative passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, presents the statements: "The Principle and proof of Christianity are discerned by spiritual sense. They are set forth in Jesus' demonstrations, which show—by his healing the sick, casting out evils, and destroying death, 'the last enemy that shall be destroyed,'—his disregard of matter and its so-called laws."

We are in an age that is rapidly moving, and to where it is moving only the Omnipotent eye can see. As the age is on the march we must need take some principles with us that are certain and sure. We must build our houses on a sure and certain foundation. All other things may change, but God has not changed; His plan of redemption has not changed, and the needs of man has not changed. We may change our mind about the situation, but God has not and will not change His Mind. A choice of victory and a choice of triumph before us.

God has not forsaken his purpose; neither has he forsaken his own. We have a note of courage in that He will never forsake us

Our Wednesday evening search of the Holy Scriptures has been a profitable study to all that have attended. God has never forsaken His Word, and the Holy Spirit is still able to guide those who will search the Scriptures with an open heart. We have had the blessed privilege to realize the answer to many a prayer request.

Tuesday evening, April 12, Sargeant and Mrs. Guy C. Libbey, members of the Salvation Army in Santa Barbara and their family will give a religious concert at 7:30 p. m. Mr. Libbey plays the sausaphone, and Mrs. Libbey the cornet. The children play the following: Guy, Jr., (18), trumpet; Connie, (16), trombone; Maude, (14), baritone; Rowland, (12), alto horn; Esther, (11) alto horn; Stanley, (9), cornet; Loren, (6), drums; Donald, (2), cymbals.

#### THE CARPINTERIA COMMUNITY CHURCH

Rev. Deane F. Babbitt, Pastor.

"The Mystery of the Cross" is the sermon subject at the eleven o'clock hour of worship on this Palm Sunday. The distinctive symbol of the Christian, as the crescent is the symbol of the followers of Mohammed, the cross identifies Jesus through sympathy with sinful men. It is the cross which becomes the Master's summons to the sacrificial life. Enrich your life by beginning this Holy Week in some sanctuary of worship before the Living God.

Webster Beckstead of the Youth Fellowship will present the subject, "The Christ and the Criminal!" in the McLean Youth Chapel at 6:30 p. m. Holy Week Services will begin at 7:00 p. m., lasting until 7:30, the young people assisting in the Service of Meditation and Praise.

### PERSONALS

Construction has begun on the new home of Mr. and Mrs. Frank L. Smith on the property recently purchased from F. A. Hebel fronting Olive street. Frank Bauhaus is in charge of construction.

Mr. and Mrs. H. H. Neuman and son, Charles, of Inglewood, spent the week-end with Mr. and Mrs. Charles E. Neuman.

Mrs. Ella Kellogg of Chicago has been the guest for the past month of her daughter, Mrs. Arthur H. Young and family at their ranch home in Lilingston canyon.

Mrs. John Saxon returned to her home in Pasadena last Friday after spending several days with her cousins, Dr. and Mrs. J. B. Lape.

Mrs. Clinton Farrar of Santa Maria spent Sunday with her mother, Mrs. Carrie Martin. She was accompanied home by her brother, Gilbert Martin, who has been spending the week at her home.

### WOMEN IN THE NEWS

By LEONE BAXTER

Most anyone, with even a slight touch of spring fever, will clearly understand why a California poet once wrote about purple cows, and why Easter eggs are dipped in rainbows!

Somehow, the charm of spring does things to poets who never looked a purple cow in the eye; to soberly clad women who suddenly yearn to get into spring finery; and to conservative men-folk who are apt to blossom suddenly into bright hued sox, gay shirts and vari-colored ties and kerchiefs.

This is Spring Shopping Season. And while it's the time of year when women traditionally start assembling their spring symphonies of hats and gowns and other wearables—the figures prove that men, too, are busy tuning up their wardrobes.

The typical California family is going to be better dressed this Easter than Mr. and Mrs. Average Citizen of other states. For the total income in California is fourth highest in the country, and on a population basis, more families have money to spend than in any other section of America. So despite declines in volume of wholesale business, drops in retail buying and new slumps in the stock market, Easter sales in California will show as a white spot in the nation.

A current study of 3000 families in seven cities of the Middle West, made by the Agricultural Department's Bureau of Home Economics, discloses the comparatively meager budget of the average midwestern husband and wife, in relation to that of the average Californian. The figures show that:

1. Husbands spend about as much as wives—which won't surprise many wives anywhere in America. The Midwestern husband spent an average of \$52 for all his clothing, and his wife spent \$56—certainly not condemning her as the extravagant member of the family. Each spent three dollars a year for hats and eight dollars for shoes.

2. Wearing coats, suits and shoes over a period of several seasons made the annual cost of an overcoat for the husband, seven dollars, and a coat for the wife, twelve. The husband spent \$22 on a suit; the wife \$17 on dresses.

3. Lingerie and hose cost the wife twice as much as underwear and sox cost her husband—ten dollars, against five.

4. The average wife kept her incidental expenses down to six dollars; her husband got by with seven dollars for extras.

Mr. and Mrs. California, looking at the composite picture of threadbare men and women behind the Midwestern budget, will admit that the average clothing budget here is ample in comparison. The realization will give impetus, probably, to their Easter buying.

But impetus, likely, isn't actually needed. There's a slight touch of spring fever in the air these days—and everybody knows the best antidote for that is a good buying spree.

**OXY TO VIE WITH SAN DIEGO IN TRACK EVENTS**

Southern California conference track and field fans turn their eyes toward Occidental College on Saturday, as Joe Pipal pits his Bengal spikesters against San Diego State in the dual meet which will undoubtedly settle the 1938 conference championship.

Although Whittier, Redlands, and La Verne still have something to say about the title-winner, early season performances have proved that the Aztecs and Bengals stand far above the rest of the circuit in team strength.

Saturday's battle will be closer than the proverbial cat's whisker. Both institutions will present well-rounded teams which will be at their top form. From the time when the gun barks at the start of the 880 until the final baton has been passed, bitterly-fought battles will be afforded spectators. The Bengals and Aztecs have absolutely no love for each other, and the thought of a championship at stake will compel them to go at each other's throats even more fervently.

San Diego holds the conference title at present and is an even choice to retain its honors. Charlie Peterson has kept his boys well under wraps this year, while Oxy displayed its full strength against U. C. L. A. and Pomona. Peterson will probably come up with two or three "dark horses" on

Saturday to bring in a few much needed points for the border city squad.

Claude Kilday, Oxy's Olympic decathlon prospect, will concentrate on the sprints, and will also endeavor to come through with a few points in the shot, discus and

javelin. Kilday will have a tough competitor in Vern Koepsel, Aztec speedster who led his squad to a victory in the sprint relay at the Whittier invitational last week.

Vern Ogle heads the field event crew which must come through with a majority of the Tiger

points if Pipal's proteges are to win. Ogle will compete in the high jump and pole vault. His chief aides are Walt Middleton, broad jumper; Tex Chasson, javelin ace; and Johnny Van Etten, shot putter.

Paramount technicians working under William A. Wellman, producer-director of the Technicolor cavalcade of the air, "Men With Wings," have uncovered a 1913 Marmon automobile used by Barney Oldfield in the Los Angeles-Phoenix road races.

Hawley, Mrs. J. W. Dorrance, Mrs. Alice Thurmond, Mrs. J. F. Tubbs, Mrs. Joseph Schweizer, Mrs. Nelson F. Smith, Mrs. David Safwenberg, Mrs. C. R. Bowen and Mrs. D. A. Carton.

**ROBERT & KENNETH OPPLE CELEBRATE BIRTHDAY**  
Robert and Kenneth Opple and Lowell McCubrey celebrated their birthdays which fell on last Saturday with a party arranged by Mrs. Robert Opple at their home in Ventura. The guests included Mr. and Mrs. Kenneth Opple of Santa Barbara, Mr. and Mrs. William Wheeler, Mr. and Mrs. D. O. Murchison, Mr. and Mrs. LaVerne McKinney, Lowell McCubrey, Dale Schuyler and David Royer.

**PIANO PUPILS OF MRS. C. E. NEUMAN PRESENT RECITAL**  
Piano pupils of Mrs. Charles E. Neuman were invited to hold their class recital at the home of Beverly Humphreys last Friday afternoon, when a large number of relatives and friends came to hear the program. Mrs. Humphreys served tea at the close of the afternoon assisted by Mrs. H. B. Franklin and Mrs. E. D. Solari. Members of the class played solos, and a piano trio was played by Bonnie Shepard, Jean O'Banion and Jane Franklin. Others on the program were Irene Solari, John Hales, Eleanor and Josephine Bailard, Patsy Latham, Mary Davis, Robert and Richard Doell, Patsy

Hales, Beverly Humphreys, Nancy Franklin, Marilyn Shepard, Josephine Stewart, Elsa Lee Grell, Barbara Lyman and Mary Alice Hebel.

**SANTA BARBARA ISLANDS TOPIC AT WOMAN'S CLUB**  
Dr. David Banks Rogers gave an illustrated lecture on some of the phases of the Santa Barbara Islands at the meeting of the Woman's club yesterday afternoon. Hostesses for the afternoon were Mrs. Orin Hales, Mrs. Henry D. Baylor, Mrs. J. W. Bailard, Mrs. Merton F. Lewis, Mrs. Myron Robertson.

Mrs. O. L. Lyman announced the meeting of the Literature department for next Thursday morning at 9:30 at the clubhouse.

**ENTERTAIN GIRL SCOUTS WITH EASTER PARTY**  
Josephine and Eleanor Bailard entertained with an Easter party and supper for the members of their Girl Scout troop and the leader, Miss Ellynne Mallory, Wednesday evening at their ranch home. The troop members are Juliette Bates, Barbara Bauhaus, Beverly Carpenter, Evelina Doran, Jean Marie Fraga, Lila Ann Hebel, Patsy Latham, Tommy Lou Miller, Helen Taylor, and the two hostesses.

The members of the high school Girl Scout troop gave an Easter party Wednesday afternoon for the children at the nursery school with an egg hunt, games and refreshments.

**DR. AND MRS. G. H. CASHOW GIVEN HOUSEWARMING**  
A group of friends surprised Dr. and Mrs. G. Horace Cashow with a house-warming Sunday evening at their new home on Vallecito road, bringing dinner and a gift for the house. Neuman, Mr. and Mrs. Jesse M. Hawley, Mr. and Mrs. Frank Wykoff and Mr. and Mrs. David Safwenberg.

**WILL HEADLEY GUEST ARTIST ON S. B. PROGRAM**  
Will Headley, who has a piano studio at Wardholme, was guest artist on the program of the Mozart society in Santa Barbara Sunday evening, playing a Haydn concerto in G major, with accompaniment by two violins, two flutes, cello and piano. Olga Skeehan, critic for the Santa Barbara papers, gave considerable mention of Headley's

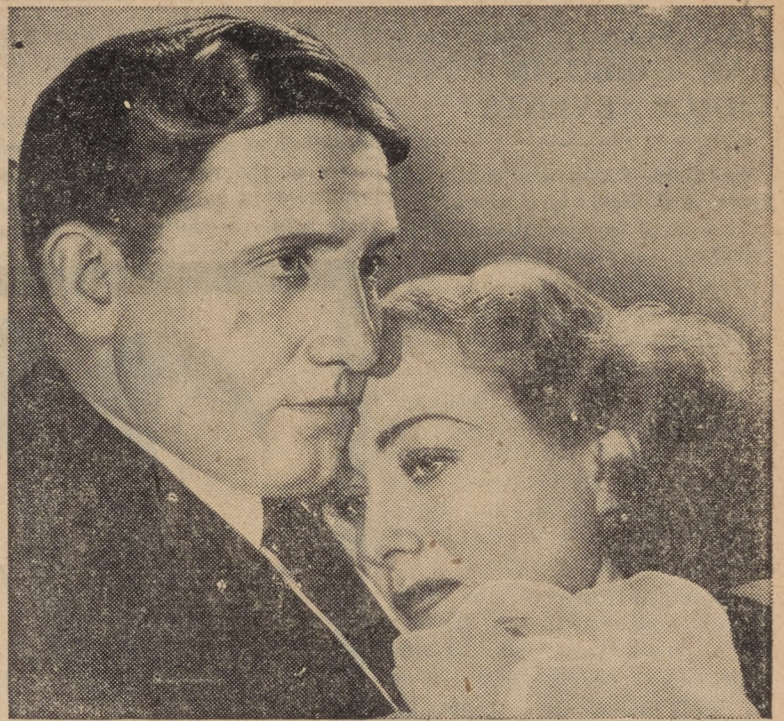

part in the program, describing it as a "clear-cut and colorful rendition holding at once the interest of his audience. It was felt especially in the adagio movement that he had a good conception of the measured beat, so effective in early music. The melodic runs and arpeggios, as a supplement to emphatic melody were particularly interesting."

**DRAPERIES DISCUSSED AT HOME CENTER MEETING**  
Miss Irene Fagin demonstrated the making of draperies at the meeting of the local Farm-Home Center at the Memorial building Tuesday afternoon, assisted by the project chairman, Mrs. Robert Stuart. Those attending made samplers of the different types of linings and headings. The project next month will follow with the upholstering of furniture and making of slip-covers.

Luncheon was served at noon. Those present including Mrs. J. C. Furby, Mrs. L. F. Thompson, Mrs. Marc Latham, Mrs. Walter Dowling, Mrs. J. L. Fraga, Mrs. Gerald Hatton, Mrs. B. J. McKenzie, Mrs. Harbron Morris, Mrs. Robert Stuart, Mrs. Marvin Davidson, Mrs. Albert Jarvis, Mrs. R. E. Walsh, Mrs. R. J. Ogan, Mrs. Frank Evans and Mrs. Phil Dane.

**FIREMEN'S AUXILIARY INSTALLS OFFICERS**  
Officers for the Auxiliary to the Volunteer Firemen's association were installed Friday evening in ceremonies conducted by members of the Santa Barbara Auxiliary in the Memorial building. Mrs. Marjorie Chapin, president of the Santa Barbara unit was the installing officer, assisted by the district deputy, Mrs. Elizabeth Thompson, and Mrs. Hope Wright. The new officers for the district, which includes Carpinteria and Summerland are: President, Mrs. Leslie Carter; vice-president, Mrs. Walter Taylor; secretary, Mrs. Harold Heltman; treasurer, Mrs. Emory Peterson; trustees, Mrs. Robert Young, Mrs. Howard Irwin, Mrs. Frank Burbridge. ## Your Hollywood Correspondent Reports . . .

Melinda Markey, Joan Bennett's little girl, takes all the attention away from her famous mother when she visits on "The Texans" set where Joan is working with Randy Scott. If time permits, between the completion of his role in "Tropic Holiday" and the starting date of "Men With Wings," Ray Milland will fly to British Guiana to see a chum of grade school days whom he finally succeeded in locating through a fan magazine article.

Because the nurses and doctors who attended Martha Raye at Cedars of Lebanon hospital were so nice to her when she was ill there recently, Martha will give a formal dinner party at the Victor Hugo in their honor. Joyce Mathews was called back to Hollywood

from a New York holiday to resume her work in "Tropic Holiday." Claudette Colbert cables from Paris that she will stay there until the premiere of "Bluebeard's Eighth Wife." Gary Cooper, who co-stars with Claudette in the Ernest Lubitsch production, went to the New York opening.

Jack Benny writes from New York that he will return to Hollywood early in April to start work in "Artists and Models," his next Paramount assignment. Shirley Ross had to go through all sorts of red tape to get permission to photograph some location scenes of Dorothy Lamour and George Raft in "Spawn of the North." She's becoming quite an amateur photographer. Fred MacMurray got seasick when he had to spend hours in a trailer sequence for "Cocoanut Grove." He can't stand closed cars, especially when they're moving. When Harold Lloyd completed his role in "Professor, Beware!" he gave his still photographer, Talmadge Morrison, a watch with the inscription, "To Rembrandt." Just so she can keep up on things, Dorothy Lamour has subscribed to \$88 worth of weekly and monthly periodicals.

Elizabeth Patterson is upset because she won't get a chance to wear any of the new models she purchased in New York recently for her role as the mother of Fred Mac Murray and Big Crosby in "Sing, You Sinners." Patty, as everyone calls her, says she'll be a typical housewife and won't even have a chance to put on one bit of style.

## HOW DO CIRCUS PEOPLE REST? HERE'S THE ANSWER

The Al G. Barnes and Sells Floto Combined Circus coming to Santa Barbara, Saturday April 16, includes on its lengthy program this year 1,000 new wonders. Hundreds upon hundreds of the world's foremost arenic stars, a greatly enlarged menagerie, daring equestriennes, superbly trained horses, five herds of elephants, and an elaborate aerial ballet of 50 beautiful girls are a few of the contributing factors.

## HIGH SCHOOL NOTES

Lois May Grell, president of the Tri-Y club of the high school, was elected treasurer of the Southern California Tri-Y clubs at the regional meeting in Alhambra last March.

The Tri-Y also had a meeting last Wednesday and discussed plans for the coming year, after which a box lunch was had while Beverly Humphreys, vice-president of the club and Lois Grell, president, gave a report of the regional conference.

Mary Shepard and Hisae Mizukami defeated Josephine Stewart and Elsa Lee Grill in the school finals, March 30. This allowed them to play in Ojai Wednesday, April 6. These four girls were also invited to tea Wednesday which was sponsored by the Ojai high school.

There was a Girl Scout meeting held at the home of Mrs. Merle Staub last Wednesday at 7:30 p. m. They discussed plans for an Easter party for the Nursery school. This party was held yesterday there.

Frank Bradley, who has been confined to the hospital for the past few weeks arrived home last Tuesday evening. He is able to see visitors and will not be back to school until after Easter vacation.

A Hi-Y meeting was held in the Little Theater last Tuesday night at the high school.

The advisor, Mr. Merle Staub gave a talk on what the Hi-Y stands for. The boys also plan on going to sunrise services Easter morning during vacation.

Plans for future meetings were also discussed.

A spelling bee will be held for the public at large during Public Schools Week at the high school. Elimination contest will be held

prior to the finals during that week and everyone is invited to participate. Details will be given at a later date.

### "GOLDEN BOY" TO BE PRESENTED ON SATURDAY

"Golden Boy" which was scheduled for a two day engagement last week at the Lobero Theatre and was called off because of the death of one of the members of the cast will be at the Lobero this Saturday evening for one performance only.

This one performance was made possible by the Players Club who released the theatre for Saturday. The players will present their production "The Night of January 16th" on two days only, instead of three days as scheduled.

### MISSION THEATRE TO PRESENT "SNOW WHITE" IN SPANISH

TO INSURE CLEANLINESS NATURAL GAS IS "SCRUBBED" BEFORE ENTERING TRANSMISSION LINES.

CINDERELLA'S SLIPPER WAS NOT MADE OF GLASS IT WAS MADE OF SATIN!

In 1677 Massachusetts bought the claims of the Gorges heirs to the state of Maine for 1,250 English pounds, or today the equivalent of about \$6,250.00.

Natural gas, the accepted fuel in California for cooking, water heating, house heating and refrigeration, burns absolutely clean—and one of the reasons is the huge "scrubbers," constructed by gas companies at the

cost of thousands of dollars. The gas from the well, passes through this special equipment where any foreign matter is removed.

The original story of Cinderella (17th century) describes her slipper as "Vair," the French word for Miniver—a satin type fur. In translating, the word was misunderstood as "Verre," French for "glass." This incorrect description has held through the years.

**Forestry Department Protects Valuable Natural Resources**

(Continued from page 1)

Joseph R. Drake, Santa Barbara, Second District, and Elmer Awl, Montecito, First District.

The departmental activities under this board are many and diversified, but practically all deal with some phase of the conservation of natural resources which are of vital importance to the County. Included is the control of forest, brush, grass, and grain fires in the county outside of incorporated cities and organized fire districts; the administration and control of fourteen County Parks, the planting, care, removal and trimming of all shade trees on county roadsides, the Department's assistance to the State Division of Fish and Game in protection and management of the county's fish and game resources, and cooperation with farmers and ranchers in planting and caring for experimental windbreaks, farm wood lots, shelter belts, reforestation and other activities of like nature on privately owned land.

**Fire Protection Most Important.**

Without question the work of fire control holds first rank in importance in the duties outlined above, particularly when one pauses to consider that there are 712,000 acres of land covered with

inflammable growth, outside of the National Forest in Santa Barbara county which is under the direct protection of this department.

Constantly working toward the lowest possible fire loss, the department has set up a goal of keeping total acreage burned over each year to a maximum of one-fourth of one per cent, or less, of the acreage under its supervision and the rules and regulations set up under the County Fire ordinance must be strictly enforced and observed by the public if this objective is to be gained. In drawing up this ordinance the old adage that "Fire is a good servant, but a bad master," was given full consideration with the result that the following rules and regulations were among those incorporated: A written permit must be secured for the use of fire for clearing land, burning rubbish, blasting, welding, or any other activity where fire is used on lands covered with an inflammable growth. All buildings in hazardous areas must have the inflammable growth cleared away for a distance of thirty feet from the building by June 1st of each year. All apiaries, of which there are a large number in this county,

must have a fifteen foot firebreak constructed around them by removing the inflammable growth. All harvesting machinery must be inspected to see that it is provided with necessary fire suppression equipment, as harvesting machinery is the cause of the major portion of fires in hay and grain fields during the harvest season. All campers are required to secure campfire permits before campfires are started on lands covered with inflammable growth. In addition County Parks and county roadsides are fire proofed each year to prevent the escape of any fire starting therein or therefrom.

In order that these regulations may be adequately enforced the area under the department's supervision has been divided into four districts of approximately 174,000 acres, each in charge of a fire patrolman who is responsible for all of the details of fire control activities in his district and whose chief job is to hold down the number of unauthorized fires to an absolute minimum, since it is also his duty to supervise all fire suppression activities on a going, or burning fire, out of control.

The County Forestry Department works in close cooperation with the U. S. Forestry Service under a written cooperative agreement. Work under this agreement is in complete harmony and the two departments do not hesitate to assist each other regardless of the location of the fire. However, since National Forest land is ably and amply protected by the administrative and protective force of the Los Padres National Forest, the County does not attempt to function in fire control on National Forest lands.

**Supervision of County Parks**

Next in importance in the duties of the County Forestry Department is the supervision and administration of the fourteen County Parks, which is also, indirectly, a part of the conservation program. Figures compiled for the fiscal year ending June 30, 1937, show that 432,065 persons visited these parks, and it can readily be seen that untold damage would result to the natural resources of the county, if such a hoard of people were compelled to seek their outdoor recreation on roadsides and privately owned lands where no provisions have been made for fire protection or sanitation.

The twenty-four county parks are located strategically throughout the entire length of the county and provide every type of recreation area from wide, sandy beaches to mountain groves beside tumbling streams. Starting with the eastern end of the county the first park is located at the beach in Carpinteria at the foot of Linden Avenue; then comes Manning Park in the heart of Montecito; Rocky Nook Park in Mission Canyon just across the bridge from the Old Mission; Tucker's Grove in Goleta near the

foot of the old San Marcos grade; Goleta Beach, a mile and half from the town of Goleta; Foster Glen Park, about a mile and a half south of the summit of San Marcos Road; Paradise Camp, three miles up the Santa Ynez River from the San Marcos Road; Gaviota Beach, thirty miles north of Santa Barbara at the mouth of Gaviota Creek; Nojoqui Falls Park on the Alisal Road, four miles west of Solvang; Jonata Park, two miles north of Buellton on 101 Highway; Santa Rosa Park, midway between Buellton and Lompoc on the Santa Rosa or South River Road; Miguelito Park, three miles south of Lompoc in Miguelito Canyon; Ocean Park, at the mouth of the Santa Ynez River, near Surf; Washington Grove Park, three miles south of the city of Santa Maria, adjoining the Santa Maria Golf Club; and Pioneer Grove, twelve miles east of Santa Maria on the Cuyama Highway.

**Planting Program Being Developed**

The planting program of the department is not as yet extensive. However, a small nursery is being gradually built up at Washington Grove Park, where native stock is being propagated for use in planting county owned areas, and at the present time between twenty and twenty-five thousand trees are being propagated and set out annually. Experiments are also being carried on with the cooperation of various ranchers to determine the type and species of trees best suited for windbreak, shelter belt, reforestation and future fuel wood supply purposes and the results of this work have proven very satisfactory.

Although the department activities in fish and game protection and management in cooperation with the State Division of fish and game is one of the lesser duties, much assistance is given with this work each year, particularly in law enforcement, fish planting, administrative duties, etc. Since the Division of Fish and Game has not sufficient time or man power to take care of many of these duties, the service of the Forestry Department has been extremely valuable in preserving fish and game within the county.

The department's activities are financed almost entirely from the General Fund of the county, which comes directly out of the local taxpayers' pockets, with the exception of a comparatively small amount received annually from the State and Federal Government on a matched basis which must be used for construction and mainten-

ance of fire protection improvements.

**Cooperation of Public Needed**

Mr. Dunne stated that the success or failure of the work of the forestry department depends entirely on the cooperation and support of the public in the observance of rules and regulations that have been set up for their protection as well as the protection of the valuable resources of the county.

The constantly decreasing fire losses within the County during recent years has largely been accomplished by the co-operation of the public, according to Dunne, and he wishes to publicly express his appreciation and that of the Forestry Board for the support that has been accorded the Forestry Department of the county during recent years and to ask that this cooperation be continued during the fire season which is rapidly approaching and will bring increased hazards this year because of heavy growth resulting from recent rains.

**LANKERSHIM BLVD. OPEN TO TRAVEL**

Lankershim boulevard has been bridged across the Los Angeles river at Universal City again and is open for travel. The bridge over Big Tujunga wash on Vine-land avenue has also been replaced which provides a second direct entry from Ventura boulevard into the North Hollywood business area, reports the Automobile Club of Southern California.

Mr. and Mrs. Charles Treloar plan to drive to Downey where they will spend the week-end with Mr. and Mrs. Nelson Treloar, and drive to the desert to see the wild flowers.

**ORDER TO SHOW CAUSE**  
No. 29584

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA IN AND FOR THE COUNTY OF SANTA BARBARA.

In the Matter of the Application of BEATRICE ANTCHANO for Change of Name.

On reading and filing the petition of BEATRICE ANTCHANO, praying for a change of name of said petitioner and asking that a day be appointed by the above-entitled court for the hearing of said petition, this court now recites the fact that as the petition was filed by the petitioner for a change of name on this 29th day of March, 1938, and that it proposes to change said name from BEATRICE ANTCHANO to BIATRIS ANCHORDOQUY;

IT IS NOW, THEREFORE, ORDERED that all persons interested in said matter be and appear before this court on Monday, the 2nd day of May, 1938, at the hour of 2 P. M., in the courtrooms of the above-entitled court, in the county and state aforesaid, to show cause why the petition for said change of name should not be granted.

IT IS FURTHER ORDERED that a copy of this Order to Show Cause be published for four (4) consecutive weeks in The Carpinteria Chronicle, a newspaper published in said county.

Done in open court this 29th day of March, 1938.

**CAROL DANE CELEBRATES BIRTHDAY**

Mrs. Phil Dane entertained last Thursday evening, March 31st, in honor of her daughter, Carol's, seventeenth birthday.

Guests included Marion Romero, Dolly MacDonald, Hisae Mizukami, Beulah Hutchison, Mary Shepard, Irma Vockeroh and Virginia Jennings.

**SHOWER GIVEN IN HONOR OF RECENT BRIDE**

Mrs. Leslie Carter entertained Wednesday evening at the home of Mrs. Harold Heltman in honor of Mrs. William H. McKnight, formerly Miss Ethel Hudson, who recently announced her marriage which occurred in Yuma, Ariz., on February 16. The McKnights will make their home in Santa Barbara where they own a home which they are remodeling.

The party was given as a kitchen shower, the bride receiving many lovely gifts. Besides the honor guest and the hostesses those attending were Mrs. Reid Prince, Mrs. Clyde Haslam and Mrs. Jessie Mae Sherman of Santa Barbara; Mrs. Ford Kline, Mrs. Robert Williams, Mrs. Robert Sawyer, Mrs. Merle Shride, Mrs. Francis Castro, Mrs. Roy Bowden, Mrs. W. L. Gann, Mrs. Marion Linkey, Miss Claribel Lewis, Miss Virginia Bailard, Miss Vivian Rodriguez and Miss Margaret Heltman.

**WOMAN'S CLUB PLANS VARIED ACTIVITIES**

The executive board of the Woman's club were invited to the home of the president, Mrs. Joseph H. Hendy, Tuesday afternoon to plan for several events which will come up in the next few weeks. Among them will be a card party at the club house on the evening of April 20 when club members and their friends will make up parties. The affair will be in charge of the entertainment committee with Mrs. Hugh Thurmond as chairman. On May 7 the club will serve luncheon for the local members of the Santa Barbara chapter, D. A. R., who will entertain the chapter at the club house.

Mrs. Hendy served tea at the close of the afternoon. Attending were Mrs. Hugh Thurmond, Mrs. Neil Bailard, Mrs. Marc Latham, Mrs. J. B. Lape, Mrs. William H. James, Mrs. Percy Houts, Mrs. E. D. Solari, Mrs. William F. Norlin, Mrs. G. H. Coshow and Mrs. Arthur Hebel.

**BARBARA BUTLER TAKES GIRL SCOUT POSITION**

Miss Barbara Butler will take the position of field captain of the Santa Barbara Council of Girl Scouts beginning next week, taking the place of Miss Virginia Hansen who will leave tomorrow to begin her work in San Francisco. Miss Dempsey Creary, scout executive, has resigned to accept a position at Camp Edith Macy in New York, and Miss Meryl Adams, formerly of Santa Barbara, will assume her position.

Miss Hansen and Miss Butler attended the meeting of the local

Girl Scout committee Monday afternoon when plans for the Scout rally and summer camp were discussed. The local troops plan to participate in the pet show to be given at the Santa Barbara Scout house, April 30.

**OREGON COLLEGES TO OFFER SEVEN SUMMER SESSIONS**

Jesse Meredith Hawley and James L. Kent of Carpinteria were among 177 California students who attended Oregon institutions of higher learning during 1937 summer session. At Oregon State College, Corvallis, 105 Californians were in attendance, and at the University of Oregon, Eugene, 54.

According to an announcement made by the Oregon State Board of Higher Education, summer sessions will be held in 1938 at seven institutions of higher learning—the University of Oregon, Eugene, Oregon State College, Corvallis; The Portland Extension Center, Portland; the three normal schools

at Monmouth, La Grande and Ashland, and the Institute of Marine Biology at Coos Head.

Regular six-week sessions at each of these institutions will be followed by a four-week post session at the University of Oregon, with five-week second sessions at Oregon State and the three normal schools.

Available courses will include nearly all branches of a school's regular curriculum, and full-time credit may be earned.

The six-week session of the Institute of Marine Biology at Coos Head will be given this year for the second time, utilizing the great variety of plant and marine life available in that section of the coast.

**THREE MILITARY TRAINING CAMPS TO BE OFFERED**

Jas. D. Lowsley, care of First National Trust and Savings Bank, Santa Barbara has been appointed the Military Training Camps Association Representative for Santa Barbara county. He will be in charge of the association's activities in enrolling suitable young men for the 1938 Citizens' Military Training Camps.

"Citizens' Military Training Camps are doing exceedingly valuable work developing the young manhood of the nation, and in building and strengthening the character of our citizenship," according to Mr. Lowsley, in commenting on his appointment. "I am happy to be chosen to offer this opportunity to the young men of my county. The training teaches teamwork and consideration for others. The outdoor sports and regular living are beneficial to the trainee mentally and morally as well as physically."

Three Citizens' Military Training Camps are to be held in California this summer. One at the Presidio of Monterey from July 8 to August 6. One at Fort MacArthur from July 6 to August 4. One colored camp at Fort MacArthur from August 9 to September 7.

For information concerning the Citizens' Military Training Camps, write to the C. M. T. C. Enrollment Officer at either of the above army stations, or to the County Representative.

I expect noise sometimes...  
but in a refrigerator I want

PARTIES would hardly be parties without some noise—but the refrigerator you have in your home day in and day out should be silent!

FOR silence means more than comfort alone. In your refrigerator it means that there are no moving parts to make noise, to vibrate or to wear out. It means absence of costly repair bills, too. The only automatic refrigerator that brings you all these advantages is Servel Electrolux, the gas refrigerator. And remember, it operates with natural gas, the low-cost fuel!

GET full information on Electrolux, all its conveniences and the very liberal terms. See a dealer or your gas company.

## HERBERT C. LEGG PLANS CAMPAIGN

Start of the intensive campaign to elect Herbert C. Legg governor of California on the Democratic ticket was announced today with the appointment of Howard Freeman of San Francisco as state campaign director.

Supervisor Legg made the announcement on the eve of his departure for Washington, D. C., to appear before Congress on behalf of additional financial aid for California flood control projects. Legg also announced that starting the first of this month, campaign offices had been opened in San Francisco and Sacramento and that before May 1, there will be a string of Legg-for-governor of-

fices opened from San Diego to Eureka.

Freeman recently resigned as assistant to the president of the Golden Gate International Exposition, a post he held for four years. He is a San Francisco newspaperman. Legg also announced that the Sacramento district, comprising the Congressional district of Representative Frank H. Buck, will be in the charge of Thomas K. Clifton, Sacramento business man and prominent in the last two Buck campaigns.

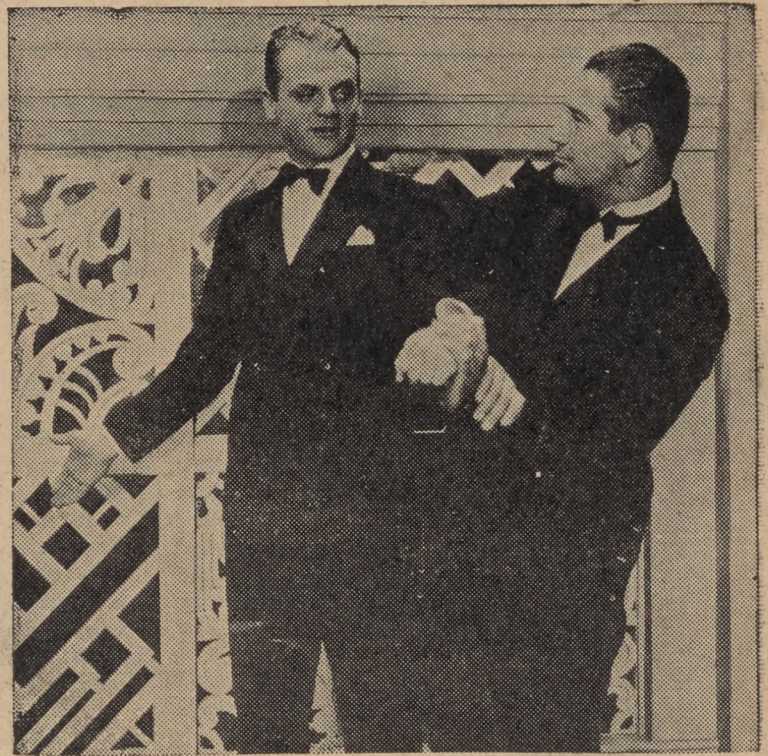

Immediately upon Legg's return from Washington, the candidate will start a series of campaign trips designed to take him into every county in the state.

## FIRE PERMITS REQUIRED

Residents of the Carpinteria Union High School Fire District should remember that it is necessary to secure a burning permit from Chief Les Carter before burning brush or clearing land with fire. It is also necessary to advise the time of burning so that it will not be necessary for investigation to be made as the result of phone calls reporting the fire.

Although it is still early in the season, every precaution should be taken to prevent spread of fires since the past few days have started to dry grass and undergrowth and if the fair weather continues the hazardous stage will be reached in a short time.
