If you have had an

**INJURY** **TREATMENT**

...AUTOMOBILE  
...ON THE JOB

You may get immediate

This is a whiplashed neck.

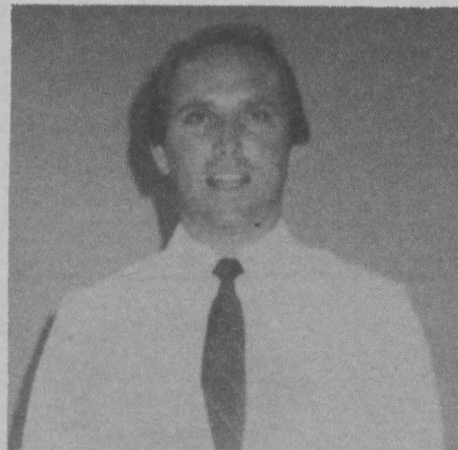

Your treatment may be at little or no cost to you in accordance with the terms of your insurance policy.

This is the same neck restored to normalcy by Dr. Duell.

If you are taking pain killers, you are covering up the pain, and the pain will usually return. If you have been unable to find long-lasting relief from pain, I urge you to try chiropractic.

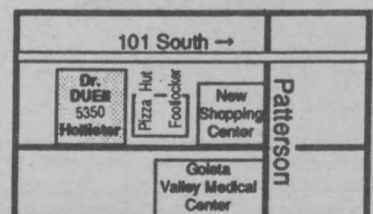

Hi, I'm Dr. Mark L. Duell, Sr., Doctor of Chiropractic. Perhaps gentleness in chiropractic is a new concept to you. It was to me before I began the six years of college training necessary for my doctorate degree. During those years I learned the precise locations where light pressure can bring chiropractic relief to pain. In addition to my doctorate,

I have a bachelor's degree in Human Biology. Since college I have completed courses in Activator, Nutrition and X-Ray. Even now I devote three days every month attending a nationwide seminar on chiropractic.
