

COOK VICTORIOUS -- GARNERS 1333 VOTES

Election marred by miscues

by STEPHEN RITTENBERG
Assistant News Editor

In an election marked by the voiding of seven races and a small turnout, Ron Cook was elected AS President by 650 votes over his nearest opponent.

Only 42.6 per cent of the student body turned out, as Cook received 101 votes over the majority of 1232. Second was Dan Collins with 768 votes, and third was Dan Deeter with 343.

The new AS Secretary is Jane Weber, who received a substantial majority of the votes cast.

By noon, Election Committee Chairman Julia Rogers was for-

ced to void the Men's and Women's Representatives-at-Large races because of a misunderstanding of instructions by poll workers. Five AWS elections were cancelled due to a lack of ballots.

COOK'S STATEMENT

When contacted, Cook, a Political Science major, stated, "This election was a mandate for student government to tackle more significant issues. Now that the election is over, campaign proposals will not be forgotten."

Cook thanked all of his campaign workers by saying, "This

was not an individual victory -- it was a group victory. There

PRESIDENT - ELECT
--Bill Jenkins photo

are a dozen people who have worked steadfastly for nearly three weeks, and it is they who are responsible for the victory."

He concluded by assuring the students that he would reaffirm their faith in the coming year.

The AS President-elect has a lengthy service record including Freshmen and Sophomore Class President. He has participated in Project Pakistan and is preparing to attend the West Point National Debate Tournament. After graduation he plans to attend law school.

A constitutional technicality caused the voiding of the Representatives - at - Large elections. The constitution states that the representatives must be elected by a majority of the votes cast.

Instructions to the poll workers, however, stated that students should vote only for a representative of their sex. This made it impossible for any candidate to obtain a majority.

Rogers, who was placed in charge of the Election Committee after the recent resigna-

tions of co-chairmen Dan Deeter and Jane Weber, was unable to correct this mistake before the polls opened. After two hours of incorrect voting, she was forced to cancel the races.

Contributing to this failure was the lack of cooperation of the Election Committee. Only four of the members of the committee helped at the polls. Rogers had to recruit the rest of her staff from Santa Cruz Hall.

Among the offices to be decided in Friday's run-off election is AS Vice-President. Gary Jones received 150 more votes than Dick Lind, but this did not constitute the required majority. Also undecided is the race for Junior Class President. A write-in campaign for Mike Talley contributed to the closest race this year. Frank Meredith received only 5 more votes than his opponent, Dave R. Thomas.

Blood donors solicited

Once more the call is out for donors! The annual Larry Adams Blood Drive is being launched tomorrow from 9 a.m. to 4 p.m. in the Campus Auditorium. The Circle K Club -- sponsored drive netted 138 pints

last year, and a 200-pint goal has been set for this year.

Donors are cautioned to have permission slips from their parents if under twenty-one, and to eat nothing more than dry toast for four hours before being strapped to the table. Coffee too is permissible, although alcoholic beverages are not.

Acting instructor of political science at UCSB, Adams is a hemophiliac. In order to inhibit internal bleeding, he requires nine pints of blood each month. Each pint is worth \$35 if purchased.

Adams graduated from UCSB in 1958 and has lived in Santa Barbara since 1946. While a student here, his honors included serving as a Men's Representative at-Large. He received his M.A. in Political Science in 1960.

Currently a candidate in the political science department's doctoral program, Adams has done graduate work at UCLA and Claremont.

The Tri-Counties Blood Bank will provide the nurses and the after-donation snacks of sweet rolls and coffee.

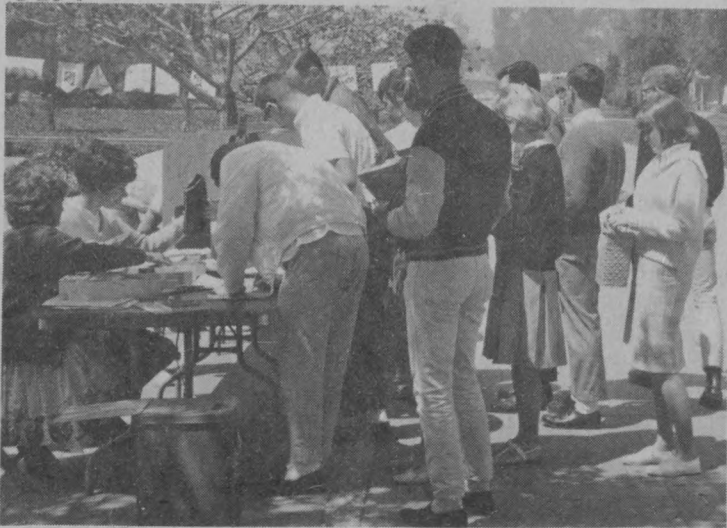

Students to sing Nicolai opera in Campus Aud

Otto Nicolai's "The Merry Wives of Windsor" will open a five-night run tonight at 8:30 p.m. in the Campus Auditorium. The production is staged by the UCSB Opera Workshop, under the direction of Carl Zytowski.

"Merry Wives" features action on two stages, one in the center of the audience and one at the front of the auditorium, which are joined by a bridge above the orchestra.

Students cast in leading roles are Joan Lortie and Joyce Thomas, playing Mistress Alice Ford on alternate nights; Gabrielle Batchelder and Jean Campbell, playing Mistress Peg Page on alternate evenings; Don Houser, Mr. Page; and Cecial Feaver as Slender.

Tickets can be obtained at the box office. General admission is \$2.00; student tickets are \$1.00.

Petition goes to ACB for further discussion

Constitution and By-Laws Committee refused by a 3-2 vote Monday to take steps to change the present chaperone policy.

The committee was acting on a petition circulated by Bob Ballard containing 635 signatures which asked for complete abolition of the chaperone requirement. It decided that policies and regulations of committees are not part of the constitution or the by-laws.

Chaperone policy is set by

Activities Calendar Board subject to the approval of the chancellor.

The committee referred the petition to ACB with the recommendation that the board acknowledge receipt of the petition so that Legislative Council would officially know of the petition's existence.

ACB did not acknowledge receipt at its Monday late afternoon meeting. However, the petition was read, and board members discussed possible revisions in the present chaperone policy.

No changes were formally suggested and the board will continue consideration of the policy at its next meeting.

Labor Department official will keynote Career Day

Career Day, sponsored by the Senior Class, begins at 9 a.m. Saturday when Dr. Vernon Sheblack of the U.S. Labor Dept. speaks on "Employment Trends."

Other career areas to be covered by the workshop are "Education," L. L. Jones, Superintendent of the Ventura Union High School District; "Science and Engineering," R. W. Rogers of Thompson Ramo Wooldridge; "Banking and Finance," David Siebert, Vice-President of Crocker Citizens' National Bank; "Sales," J. H. Johnson; "Graduate School," Dr. Nathaniel Allyn, Director of Admissions at Stanford Uni-

versity.

"Medical School" is the subject of Dr. Ralph W. McKee, Dept. of Biological Chemistry at UCLA; "Law: School and Profession," Charles V. Eckert of Goleta; "Business: Management and Operations," Donald LaBoskey of Haskin and Sells; "Careers for Women," J. L. Stansbarger, Internal Revenue Service, Miss Anne Wilson, Civil Service, and Miss Eileen Simmons, Pacific Tel & Tel.

The lectures will last until 1 p.m. Saturday afternoon. Locations and specific times of the talks will be listed in Friday's paper.

Papers found in deep gorge

Found - 3900 misplaced copies of Friday's EL GAUCHO; still missing -- the person, or persons, who displaced them in the early hours of Friday morning from the locked newspaper office.

Mr. Warren Brite of Santa Barbara reported to the Sheriff's Office Saturday that the bundle of papers had apparently been dropped off the new San Marcos Road bridge, and was lying at the bottom of the 400-foot gorge.

Campus police reported the discovery to EL GAUCHO.

IBM ROOM -- nothing would help.

OPINION

EDITORIAL

AWS: Bowers' tool

The Associated Women Students is evidently not an organization of women students, for women students, or even by women students. It seems to be, rather, a small group of women relatively unconcerned with the problems of women students, elected by a minority of women (again this year there is only one candidate for AWS President), and working in the interests of the Dean of Women.

Earlier this year the AWS Board recommended changes in the so-called Blue Laws, regulations governing the conduct of women living in unsupervised housing. Now, the board refuses to reveal what modifications were recommended. They refuse to tell the women of UCSB what changes were requested in their name.

This irresponsible and undemocratic conduct would be incomprehensible were it not for the omnipresence of Dean of Women Ellen Bowers in this supposedly student-run organization. By AWS President Regina Fletcher's own admission, the information is not being released because Dean Bowers fears there may be "misunderstanding" if there is any discrepancy between the AWS recommendations and the Dean's final decision.

One might innocently ask, so what if the Dean has fears? One might assume that she would have valid reasons for refusing to make a requested change and that she would explain such refusals when the new Blue Laws were promulgated. One might further assume that AWS should act for UCSB women and should let its constituents know what it is doing in their name.

However, Dean Bowers is afraid of "misunderstanding." This is her privilege, and one can sympathize with her timidity--it might even be justified. However, it is not the privilege of the AWS President to withhold information on actions taken by her organization. One cannot sympathize with her timidity. She is not fulfilling her obligation to the women of UCSB.

She must ask herself -- is AWS an organization for the women students of UCSB, or is it a part of the staff of the Dean of Women?

Winner or loser?

Editor:

There are many students at this campus who have a sincere desire to acquire some degree of understanding about current issues of a national and international character. Unfortunately, the decision-makers of this paper apparently consider issues of such immediate importance to each one of us, to be scarcely worthy of notation.

This is precisely the attitude which has fostered distrust and misunderstanding among the peoples of the world, on the part of the American people.

Events around the world are significant, especially when these events decry the miserable lack of understanding between peoples. For the past semester, indeed the past year, the dominating editorial emphasis of EL GAUCHO has been on the local, confined level.

Events such as the Vietnamese crisis, the Cyprus peril... and Racial Discrimination - Domestic and International, have all been editorially tucked away on the back page among such imminently important and far-reaching events as tire advertisements, dinner changes, and engagement announcements.

Is this the way to learn about different cultures and International events when these same cultures and events have assumed such a vital role in our everyday actions?

Apparently, the editors think so, especially when they give front page coverage to a "folk singer from Coyote Road", and then refuse to devote more than an inch and one half to a speaker on racial discrimination.

There are many students at UCSB who have evidenced their interest in matters of deeper importance than those which are limited strictly to the campus. The Peace Corps response is a dramatic testimony to this interest.

It is my sincerest hope, as President of IRC, that the editors will pull their heads out of the sand and take an active role in helping us (in the club) to break down the "I don't care, what's in it for me" attitude of Americans.

We can be effective and meaningful to the students of this campus only with your support and cooperation. Without it, our attempts to broaden world understanding will be futile and meaningless. In the last analysis, the students of UCSB are the winners or ... losers.

5 Casitas halls yield to progress

Five buildings of the Las Casitas complex will be closed next semester, it was announced by the Housing Office.

Yucca, Toyon, Palm and Willow will be used for office space in the Fall. Pine will be torn down to make room for the new Chemistry building.

Oak, Madrona, and Manzanita Halls for women, and Sycamore, Sequoia, Laurel, Juniper, Cypress, Birch, and Acacia Halls for men will remain open for campus residents.

If this affects the plans of any person or group who wished to return to Las Casitas next semester, space is still available for those persons in the permanent residence halls. Any group planning to return as a unit to one of the closing Casitas Halls may arrange to be moved as a block to one section of a large dorm.

Some Casitas Halls may still have to be closed during the spring semester of next year.

Race problem subject of IRC, Contact speech

Mr. Carrol Waymon, member of the Los Angeles County Commission on Human Relations, will speak on "Racial Discrimination, Domestic and International," at tonight's meeting of International Relations Club and Contact at 7:30 p.m. in NH 1006.

According to Dick Hyland, IRC president, this talk will be valuable in helping students understand that the seemingly unique problem of race prejudice is a growing international one, becoming more and more imminent for all mankind regardless of boundaries, languages, and cultures.

Waymon was graduated from Howard University, Washington, D.C. in 1950, with a Bachelor's Degree in Psychology. He received his Master's Degree in Psychology in 1955 and a second Master's in Education in 1957 from Temple University, Philadelphia.

He has directed a Boys' Camp for under-privileged boys, and was one of the original organizers of the Block Clubs of Philadelphia, which are local citizens' action groups.

For the last three years he has worked for the Los Angeles Probation Department. Waymon has been a member of the Commission on Human Relations since June, 1963; he is a member of the Urban League and the NAACP, among other organizations.

Winners of Corle contest feted at library reception

Winners of the Edwin Corle Memorial Book Collection contest were honored at a reception in the UCSB library Sunday, in connection with National Library Week, April 12-18.

Peter Hanff, first place winner, Denis Dutton, second, and Sybil Davis, third, received prizes of \$150, \$75, and \$50 respectively, from Mrs. Jean Corle. In addition, Mrs. Corle presented each entrant with Edwin Corle's book "Death Valley and the Greek Called Furnace."

Judges Chancellor Vernon

Cheadle, Mr. George Dangerfield, historian, and Dr. Donald Davidson, university librarian, awarded first prize to sophomore English major Peter Hanff's "An Introductory Essay and Descriptive Bibliography of a Collection of Works by and about Lyman Frank Baum."

Second prize was awarded to sophomore philosophy major Denis Dutton's "210 Years of Pianists and Piano Music, 1750-1963," which traces the evolution of the art of the piano from the 1700's to the present day.

Sybil Davis, a sophomore French major, received third prize for her contribution, "The Works of Raymond Chandler." Miss Davis has collected advance proofs, movie editions, scripts, letters, manuscripts, and foreign and American editions of the celebrated mystery writer's volumes.

Senior sociology major Robert Emerick received honorable mention for his "Man: Evolution, Culture, and Society."

Students combine with town talent for theatre here

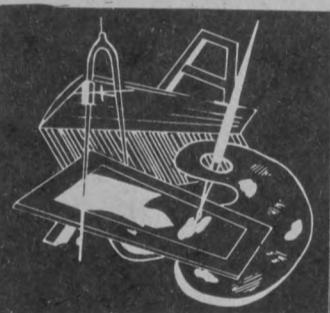

Shakespeare's "Much Ado About Nothing," slated for April 21-25 in Campbell Hall, will combine community and student talent. Rod Alexander, UCSB Regents Lecturer, will direct the performance. Tickets for \$1 are available at the Campbell Hall box office.

Male actors include Stephen Alkire, Thomas Mark u s, Franklin Gray, Mike Addison, William Barnett, Andrew Middleman, Larry Hoffman, Allan Snyder, Tim Lyons, Dr. Theodore Hatlen, and Michael Douglas.

Female parts are played by Kristie Houser, Elizabeth Mulfled, Jean Napier, Sue Guenther and Natalie Garret.

Supporting roles are played by Doug Gome, Evan Cole, Frank Dane, Gene Borio, Richard Roth, Richard Haas, Dick Condon, and Don Winton.

Musicians include Jim Holzgrafe, David Lazar, John Lueck, Kathleen Kernohan, Mary Blair, and Suzi Wood.

SING OUT -- New Christy Minstrels practice before performance in Robertson Gym April 19.

Minstrels to sing here

by SANDRA FITZGERALD
Assistant News Editor
Versatility and vibrance characterize the fun-loving style of folk-singing group the

New Christy Minstrels, who will appear in Robertson Gym Sunday at 2 p.m. for a two-hour concert, sponsored by the Associated Students.

Student tickets purchased this week cost 50 cents less than the regular prices of \$3.50 on the main floor, \$2.50 in main floor bleachers, and \$1.50 in upstairs bleachers.

Formed in 1961 by vocalist Randy Sparks, and named after a company of pre-Civil War entertainers created by "Pops" Christy in 1842, the New Christy Minstrels strive to maintain the zest and fun of those early minstrel days.

Made up of seven boys and two girls, each of whom performs his own specialty as a solo number, the group has compiled an impressive list of achievements. Most notable was their introduction of Hootenanny

to the White House, when they performed for President Johnson and numerous dignitaries in January, 1964.

The Christies have performed in nightclubs, supper clubs, are a favorite guest group on the "Hootenanny" television show, and have given concerts in 70 cities across the country.

Single recordings of their rollicking sound are consistently on best-seller lists, and their five L.P. albums have sold over 3 million copies.

'Confessions' tomorrow night

Citing experiences during his 35 year career, Dwight MacDonald will discuss "Confessions of a Literary Journalist" in the second part of his public lecture series, 8 p.m. tomorrow night in Campbell Hall.

Staff writer for the "New Yorker" and film critic for "Esquire," MacDonald has written and edited a number of books, including his "Memoirs of a Revolutionist," "Parodies, An Anthology" and "Against the American Grain."

MacDonald's first talk, "Modern English Abusage" will be broadcast over station KTMS at 10:15 p.m. Wednesday, April 22, his second lecture will be aired at the same hour, Thursday, April 23.

Two Harvard awards open to Hawaiians

Two \$1,000 fellowships are available to students from Hawaii entering Harvard Business School in September, 1964 according to an announcement from the Harvard Graduate School of Business Administration.

Any student from Hawaii admitted to the MBA Program is eligible to compete. There are no restrictions on the particular field of business administration for which the candidate is preparing, but the recipient is expected to return to Hawaii upon completion of the program to contribute to the development and growth of the community.

Applications for admission and for the fellowship must be filed before May 15, and all candidates must have taken the admission test for Graduate Study offered by the Educational Testing Service. Interested students should see Mrs. Ashcraft in Dean Reynold's office.

Applications available for counseling posts

Camp Conestoga has recently announced openings in its summer and winter staff. Interested students should obtain applications from the AS Office in the SU.

Counselors act as assistants in taking underprivileged children on short camping trips. Their activities include guiding the children, teaching fire-making techniques, and helping campers to find and identify natural specimens.

Programs in Camp Conestoga are planned during both winter and summer. The winter program includes short one-day trips on Saturdays from 9 p.m. to 5 p.m., and overnight trips when the weather is warm. All winter trips are held in the mountains behind Santa Barbara. The summer program includes longer trips of 2 to 10 days in which the children are taken as far as the Sierras.

Applicants for counseling positions should be interested in working with children in early adolescence. Persons with experience in camp counseling or in working with chil-

dren are especially urged to apply. Experience in primitive camping and cooking is helpful, along with some knowledge of child psychology.

CAMP TRIAL

After an interview, each applicant will be given a rating by the Camp Conestoga board. The applicant will then go on a short camping trip to demonstrate his counseling ability. Successful applicants will be announced at the end of the school year.

Training for the winter program includes excursions with the children. The summer training program is similar; the counselor is trained with the children and participates in conferences with the Camp Conestoga staff.

For students not interested in the camping aspect, there are programs in preparation and followthrough. Preparation involves telling children about the Camp. Followthrough includes collecting the specimens the children have gathered and explaining to the campers what they did right and wrong on the trip.

Volleyball squad takes on UCLA in crucial match

Today UCSB's volleyball team takes on UCLA in a crucial match at Los Angeles. If the Gauchos can grab this, they have a chance of going to the Southern California Intercollegiate Volleyball Association Championships at UCLA.

After today's game, the Gauchos face Santa Monica City College and Loyola in home contests. One of these games must also be taken by the Gauchos if they are to go to the Championships.

Probable starters are: setters - Tom Harriman, Ray Birch, Terry Bliss, Bill Lynch, and Mike Sullivan; spikers - Jim Mathey, Mike Cullinane, Bob Taylor, Mike Sullivan, Andy Homan, Mike Hebert, Dennis Berg, and Chet Eccles.

The Gauchos have already sustained losses to UCLA and SMCC. Before that they split four games in the Southern California Intercollegiate Volleyball Clinic Tourney.

Earlier this season the Gauchos racked up 3-2 win over Loyola. Scores were 13-15, 15-3, 13-15, 15-13, 15-3. The SMCC game is April 24, while the Loyola contest is May 1.

Thinclads prepare for big post season cinder meets

by JOHN YOUNG
Sports Writer

As it goes past midway in the track season, competitors start priming for the big meets at the end of the season.

Their efforts become pointed toward these meets, in which the competition is usually rougher than they have faced during the regular season.

This season the Gaucho trackmen will be competing in the NCAA Regional Championships at Long Beach and the National Collegiate Championships at Fresno.

The Fresno meet, which will be held June 12-13, will be the climax of a long season for some of Santa Barbara's top trackmen.

Only those men who have met

qualifying standards during the season will be able to compete.

At this stage of the season, Santa Barbara already has qualified five men for Fresno and several others are capable of qualifying.

Jack Burdullis leads the qualifiers, with his times in the 440-yd. dash and 330 intermediate hurdles good enough to surpass the standards.

Jack Roach has qualified for the 3-mile run on the basis of his outstanding time in the 2-mile.

Fred Hokanson, Jim Clark and Bill Burnett have all qualified in the field events. Hokanson will be competing in the shot put, Clark in the javelin, and Burnett in the hammer throw.

Clark, with a throw of 224' 6" in the javelin, appears to have the best chance of placing high for the Gauchos in the field events.

In the discus throw Clark is only a short distance from qualifying at the 150' mark, and high jumper Mike Coray is near the 6' 2" qualifying height in his event.

The six mile run at Fresno will not require any previous qualifying time. Several of Santa Barbara's distance men will probably be competing.

Golfers win pair, lose 1

After winning two and losing one in green action last weekend, UCSB's golfers will host San Fernando Valley State College at the La Cumbre Country Club, Friday.

Monday, the Gaucho Varsity met Cal State at Los Angeles, but the results were not available for printing.

Last week, "Doc" Kelliher led the squad to victories over Cal Poly and the San Diego Marines, on the road. The Mustangs fell 31-23 and the Marines 38-16.

San Diego got its revenge, however, when Cal State downed the golfers 11-43, Saturday. This gave the golfers a season record of 5-3. The San Diego loss was the worst of the season for the linksmen.

Ballers to host two league foes

by MIKE IVERSEN
Assistant Sports Editor

Two fine shutout victories against Pepperdine gave the Gaucho baseball team impetus for their upcoming weekend CIBA series. Friday UCSB hosts Berkeley and Saturday Santa Clara.

Going into the series, UCSB takes a 4-6 won-lost record in CIBA play. They have defeated UCLA and Stanford twice. Scores were 4-3, 5-2 and 8-3, 4-0.

Top pitching record is held by Joe Hendrickson. He has nailed down five wins while dropping only three. Working 66 innings, he has fanned 46 and poses a 1.91 ERA.

Hendrickson is a Sophomore and could develop into one of the CIBA's better moundsmen. So far, he has tasted victory in two CIBA games.

Second in total innings is Mike Foster. He should return to action this weekend after breaking some bones in his hand. He has a 2-2 record for 35-1/3 innings.

Among his accomplishments are only 14 walks, and a 2.80 ERA. In the strikeout column he has fanned 24 batters.

Ray Ford has rung up 30 strikeouts for second place. One-third of these came last weekend in seven innings against Pepperdine. He has lost three games and won two.

Foster shares the batting lead with Ed Preston at .385. Five singles in 13 tries make Foster's average, while Preston has 25 hits in 65 attempts.

From those 25 hits Preston has collected 36 total bases. Eight doubles and one homerun account for 20.

Gary Pickens also has 25 hits, in ninety attempts, for a .278 average. He leads in RBI's with 13.

Tied in RBI's with Pickens is Larry Bjork. He is also tied in slams with Pickens, with two

homeruns apiece. Collecting 18 hits in 79 tries, Bjork has a .228 average.

Steve Murray rounds out the top three non-pitching batters. He has 23 hits in 89 at-bats for a .258 average.

He has also scored 12 runs to tie with Preston for that lead.

Overall, the team has a .233 average. With 172 hits in 738 tries. The pitchers have combined to rack up 3.59 overall ERA.

UCSB will face a Berkeley team, which they lost to earlier in the season 6-2 and 16-2, and a Santa Clara team to which they lost, 6-0, 3-0.

The Gauchos will be trying to hold on to their fourth place position in this weekend's action.

GRID ROOKIES -- These are 10 of the 26 players from last year's Frosh team out for spring ball. They are (l-r): bottom -- Art Mori (H), Tom Turner (H), middle -- Jeff Kniep (G), Allan LaRoche (T), Preston Hensley, (C), Jay Urban (T), top -- Jim Habib (H), Bob Fisher (E), Joe Jahn (Q) and Joe Davis (F).

Top ex-Frosh grididders turn out for spring drill

by WAYNE REESE
Sports Editor

Last year, the Gauchos Frosh grididders compiled a 4-1 won-lost record, the best in the university's history, and was one of the most respected small college Frosh teams in California.

Not only did the Frosh play well as a team, but, much to the joy of Head Coach "Cactus" Jack Curtice, there were many players that looked like excellent prospects for the '64 Varsity club.

As it turned out, Curtice had good reason to be hopeful. When the count was taken for spring football practice, 26 former Frosh players had turned out, and many of them are already putting the pressure on the 20 returning Varsity lettermen.

According to Curtice, "We definitely feel that we have some fine football players in the group who will be a great help when the season opens. Many of the players are big linemen and will give our weight average a needed boost."

These players will be a help before next season begins, how-

ever, because many of them will be counted on heavily in Friday's First Annual Spring Blue-Gold Football Game. The game will kick-off at 8 p.m. in La Playa Stadium, and even the player that will give the pigskin the first boot, kicker Marc Scholl, was a member of last year's Yearling aggregate.

One of the starting quarterbacks will also be playing his first year on Varsity. He is Joe Jahn, last year's starting Frosh QB, and the coaching staff is "very pleased with his performances so far in practice."

Nineteen of the rookies are linemen, and 14 of them weigh 200 lbs. or over. The other four are all over 190 lbs. This adds up to a lot of depth and punch in the forward wall.

Among the backs are three of the first four Frosh total offense

pace setters. Jim Habib led the pack with 223 yds. and a 3.7 average. Close behind was 6'1", 190 lb. QB Jahn, with 210 yds. and a 4.2 average. Swift half-back Art Mori rounded out the group with 185 yds. for a 4.7 average. Mori, however, led in scoring with 5 TDs.

Other ex-Frosh players who will be on the field Friday night are: Rick Abound, RH; Bob Baseman, T; Roy Bowen, G; Dick Breaux, E; Jim Coward, T; Bill Engler, G; Robert Fischer, E; Bill Giguere, E; Doug Hayes, G; Larry Hebebrand, G; Preston Hensley, C; Joe Davis, F; Bruce Hitchcock, T; Jeff Kniep, G; Kim Knowlden, E; Allan La Roche, T; Bill Mof-fett, C; Lee Rice, E; Larry Swarbrick, E; Mike Torbik, C; Tom Turner, H; and Jay Urban.

Birch wins mural softball tilt even though down 22-9

by GARY DOLGIN
Sports Writer

As of today, the intramural softball season is half completed, with even more thrills on tap. Surprisingly enough, the feature game of last week's action was a rather obscure Donnybrook.

The opponents were the Bombers of Birch Hall and the Sierra-Solano Mountaineers, two mediocre teams. This San Miguel contest progressed typically enough, with home-team Birch down 22-9 after 6-1/2 innings. Porous defense and inert batting made Birch a Casitas doormat last year, and was the reason for the score at the time.

However, as if inspired by a spectre of Doubleday, Birch strung together timely slugging, walks, and Sierra-Solano miscues to forge out 15 runs and victory. Birch promptly lost its next game, however.

Softball standings through Friday, March 10, were:

Yearling hidere to play rivals

Three defeats in a row for the UCSB Freshman baseball team will be behind them as they face Santa Barbara City College today.

Earlier in the season the Gauchos pinned a 5-2 loss on the same team. Game time is 3 p.m. on the campus diamond.

Who will be the starting pitcher for UCSB has not been decided.

Ten journey to Washington for Model UN

Ten students from UCSB will represent Pakistan in a Model United Nations Conference in Spokane, Washington this week.

Delegates are Kathy Lowe, Marjorie Gray, Rich Cochran, Jerry Siracusa, Ed Bloom, Ernie Reddick, Mike Stern, Mike Iversen, Ken McRoberts, and Vic Cox; faculty advisor is Robert McColl.

The delegation left campus yesterday for Los Angeles and flew to Spokane; planning to return Sunday night.

Among the resolutions prepared by the delegation is one demanding a plebiscite in Kashmir, a perennial trouble spot for India and Pakistan.

Each delegate except McRoberts is on one of six MUN committees, debating topics such as apartheid in South Africa, disarmament, and Red China's status in the U.N.
