Many Requests for Local Air Mail Week Cachet Received

With all preparations completed for observance of Air Mail Week which starts next Monday and continues through May 21st, the Carpinteria post office has already received many requests for air mail envelopes bearing the Carpinteria cachet.

Owing to a series of unforeseen incidents Carpinteria probably has one of the most unique cachets of any town in the country and may possibly have the only cachet bearing an actual reproduction of a photograph of any issued throughout the United States commemorating Air Mail week, in which case the local cachets will be highly prized by collectors.

When air mail week was announced a small rubber stamp depicting an airplane and bearing the words, "Via Air Mail from Carpinteria, California, World's Safest Beach," was secured and air mail envelopes to be distributed by Post Office and Chamber of Commerce were imprinted with this stamp in red ink. However, when cachets from other Post Offices began to arrive early this week and it was found that many of them bore highly elaborate designs, it was decided that something more should be added to the local cachet. Since there was not sufficient time left in which to secure a drawing and a new stamp, the Chronicle hastily rummaged through its files and found a cut of the Carpinteria beach showing the pier, beach and mountains in the back ground and the scene was printed on the envelopes in light blue ink, so that the cachet shows the beach scene in blue with the original cachet in red ink imprinted over the blue in such a manner that the airplane appears

REV. RAMERIZ IS SUCCEEDED BY FATHER CONNELLY

Completing three years service as pastor of St. Joseph's Catholic church, the Rev. David G. Ramirez left Wednesday evening for Mexico where he has been assigned to a large parish in the state of Durango. He will be succeeded by Father Mike Connelly who will take over the local work at once. Father Ramirez came to the local field soon after its organization, following Monseigneur Guterrez. He has been active in building up the church, having organized the Holy Name and Altar societies and initiated several young peoples' organizations.

Father Ramirez was guest of honor at a dinner given by Mr. and Mrs. Alonzo V. Buell Tuesday evening when many members of the congregation were present. They included Mr. and Mrs. Thomas Savage, Mr. and Mrs. Henry Supple, Mr. and Mrs. Charles Rodriguez, Mr. and Mrs. Barney Kathman, Mr. and Mrs. John Osterman, Mr. and Mrs. Eddie Willson, Mrs. Joseph Lobero, Mrs. Robert Bates, Mrs. Frank Shepard, Mrs. Cierro Lopez and Miss Mary Nalty.

Mr. and Mrs. Clifford Wykoff of Glendale spent Sunday with their son, Frank Wykoff and family.

Dr. G. Horace Coshaw attended the meeting of the state medical association in Pasadena Wednesday and participated in the program broadcast from the conference.

LIONS CLUB HEARS TALK BY DEAN CROMWELL

Members of the Carpinteria Lions Club were privileged to hear Dean B. Cromwell, track team coach of the University of Southern California, at their dinner meeting last night. Musical selections were played by the grammar school orchestra, the program for the evening having been arranged by Frank Wykoff.

A number of high school boys heard Cromwell's talk, coming into the meeting at 7:15 at the close of the dinner.

ANNUAL BALL OF FIRE DEPT. TO BE JUNE 11

The Carpinteria Fire Department will hold its third Annual Dance on Saturday, June 11, at Cerca del Mar. Elaborate preparations are being made for the affair and The Collegian's, a thirteen piece orchestra, will provide the music. Invitations to the dance have been sent to fire departments in neighboring towns and a large crowd is expected to attend.

Tickets to the dance may be obtained from members of the fire department and are priced at one dollar each. All residents of the district are urged to support the department through the purchase of tickets as the funds will be used for various expenses of the organization which are not covered in the budget set up by the fire district.

LOCAL STUDENT THIRD IN PUBLIC SPEAKING CONTEST

Suyio Hirashima, representing the local high school in the finals of the Toastmasters' annual public speaking contest, was awarded third place in the finals Tuesday evening at El Paseo. First and second places went to San Luis Obispo high school. Ethel Emerick was the other representative from Carpinteria.

The cup which is a perpetual trophy for the event has been the property of Carpinteria high school for many years, twice through the efforts of Toma Hirashima, older brother of Suyio. The award for the winner of the state finals will be a scholarship in a California university to be chosen by the winner.

GRAMMAR SCHOOL ORCHESTRA TO BROADCAST OVER KTMS

Arrangements have been completed for a broadcast by the Carpinteria Grammar School Orchestra under the direction of Dorothy Smith to be made over KTMS, the Santa Barbara News-Press station on May 25 at 3:30 p. m. Details of the program will be announced later.

CONSTRUCTION OF GRAMMAR SCHOOL TO START IN JUNE

According to grammar school trustees it is believed that construction of the new grammar school will start during the early part of June and that it will be possible to have the building ready for occupancy by the latter part of November so that the pupils and teachers will not face the discomfort of school being conducted in the tent houses through another rainy season.

The plans for the building which had previously been approved by State school authorities have also been given the approval of PWA officials in Washington and a formal notice stating that the district's share of the funds are on deposit was forwarded to Washington this week and it is expected that the money that has been set aside for this project will be received in the near future.

Bids for construction of the building will be called for next week so that work can start at the earliest possible time. Steps are also being taken for the purchase of the old grammar school site by the high school so that the high school athletic field can be enlarged.

Mrs. E. F. Pendergast has been visiting at the home of her daughter, Mrs. Paul Adams and family in Cumamonga.

Mr. and Mrs. E. H. Dunning of Hedges, Montana, were guests of Mr. and Mrs. Albert J. Jarvis during the week-end.

The directors of the Chamber of Commerce met Wednesday evening in the office of the Justice of the Peace to transact routine business and to make plans for future events and it was decided to hold a Fourth of July celebration here, since the Fourth falls on Monday making a three day holiday. Chief highlights of the event will be a fireworks display on the local beach. Plans for the event will be made by the beach committee augmented by several other members to be named and the American Legion and Lion's Club will be asked to co-operate in staging the celebration.

A report was given on the progress of plans for the Carnival on June 3 and 4 which is being sponsored by the Chamber of Commerce, Legion and Lion's Club. Tickets priced at \$1.00 each which include admission to the carnival and 75 cents in scrip to be used at the various concessions, are now being sold to underwrite the expense of staging the carnival and all persons who have not yet secured their tickets are urged to do so before next Tuesday so that the committees may know the exact amount of funds they have to work with.

Broadcasts Started

It was announced that the series of broadcasts over KFWB advertising Carpinteria would start on May 15 and that Carpinteria was to be included in the Mission Trails broadcast which was given last night at 6:15. Details of the schedule will be announced later.

The matter of additional cross walks on the Highway was taken up and the secretary was instructed to write to the Highway Department asking that two cross

Badminton Courts Ready For Use at Cerca del Mar

Taking advantage of the opportunity offered to establish a recreation center at the Cerca del Mar Club for the use of Carpinteria residents as well as tourists and groups from nearby communities, the directors of the Chamber of Commerce pledged the support of the organization to Ray G. Bassett, custodian of the State Park, in formulating a program of activity and delegated the beach committee composed of C. R. Sawyer, Bud Riley and Myron Robertson, to assist Bassett in any way possible. The directors also voted to purchase checker and cribbage boards to be used at the club house and Cliff Benedict offered to donate several decks of playing cards.

STUDENTS ASKED TO ENTER HEALTH ESSAY CONTEST

In connection with Child Health Day which was observed on May 1st, and Hospital Day which was held yesterday, the Woman's Auxiliary to the Santa Barbara Medical Society has announced an essay contest open to Seventh and Eighth grade pupils in Santa Barbara County.

The essay is to cover any article appearing in any 1938 issue of Hygeia Magazine, published by the American Medical Society, in which the pupil may be interested and must not exceed 500 words. The contest will close on May 31st and a prize of \$5.00 will be given in each school where essays have been submitted. Students wishing to enter the contest may obtain additional information from Frank Wykoff.

Commencement Set for June 9; Dr. D. D. Bird To Be Speaker

SANTA BARBARA MOTORCADE TO LEAVE MAY 23

Elaborate preparations are being made for the motorcade goodwill tour through the San Joaquin valley sponsored by the Santa Barbara Chamber of Commerce, scheduled for May 23 to 26. A number of who are planning on joining the tour will wear Spanish costumes and the El Paseo orchestra will play selections of Spanish music at the various towns visited.

Vernon H. Vawter, president of the organization, states that the motorcade is the most important single endeavor of the Chamber for 1938 and its purpose is to sell the summer recreational advantages in Santa Barbara County. The Carpinteria Chamber of Commerce has been asked to send as many representatives on the tour as possible.

Plans for the annual commencement exercises of Carpinteria Union high school have been announced by Principal Jesse M. Hawley who states that Dr. Demsen D. Bird of Occidental college will be the commencement speaker. The exercises will be held on Thursday evening, June 9, in the high school auditorium with a class of 44 finishing its work. Dr. Bird's subject has been announced as "Life in Hard Times."

The annual junior-senior dinner-dance will be held at the Montecito club this year, it has been announced by the class sponsor, Miss Elizabeth Platt. In addition to the seniors, the school faculty members and the members of the board of trustees will be guests.

Members of the junior class who will act as hosts are Carol Dane, Ethel Emerick, Nancy Franklin, Elsa Lee Grell, Beverly Humphreys, Beulah Hutchinson, Virginia Jennings, Beth Kezer, Marp

COMMENDABLE ACTION

Although there have been times in the past and probably will be again in the future when we have not exactly agreed with action taken on various matters by the chairman of the board of supervisors, C. L. Preisker, we certainly feel that he is to be congratulated on his action in investigating the SRA situation. In fact, particularly in view of several recent incidents of which we have knowledge, we had been wondering just how much longer it would be until someone would endeavor to take action in this respect and we imagine that a number of other people in the community feel the same way, particularly those who are contributing to a fund to cover the expense of hiring a man to keep the streets clean, because it has been impossible to find an American on the SRA rolls who did not feel that it was beneath his dignity to stoop to such menial labor.

We are not "viewing with alarm" or advocating the return to "the good old days," with their long hours and low pay but we do feel that there is something seriously wrong with a relief set up which supports able bodied adults in idleness at the taxpayers expense when there is work to be done and while people may retain their "dignity" we wonder just what has happened to their self respect. Certainly no right-minded person will look down on a man who is doing the best he can to support himself and his family at any task no matter how menial it may be, but the thinking man or woman must wonder just how long a political unit can continue to function when it attempts to transcend the ancient words of the bible upon which our economic system has been based since times beyond recall, "and in the sweat of thy face shalt thou eat bread . . ."

AIR MAIL WEEK

With motor wildly sputtering, a rickety bi-plane roars down the dirt field and climbs slowly into the air. As the wings level off, America's first trans-continental mail-man of the air is off on his hop, skip and jump. In honor of that scene, just twenty years old this week, May 15-21 has been proclaimed National Air Mail Week.

The years since 1918 have seen both aviation and the air mail make long strides. Today mail follows the air line over 50,000 miles of U. S. sky ways, with 17 million pounds of letters going the air way each year. Rickety bird-cages of wire and cloth have given way to gleaming all-metal transports, windy open cock-pits have been replaced by air-conditioned navigation rooms, and the guess-and-hope system of flying has gone out of style in an era of scientific flight by radio and automatic control.

On May 19, in honor of National Air Mail Week, the benefits of air mail service will be extended to each of the nation's 45,000 post offices for just one day. With the assistance of thousands of private planes, air mail letters will be flown to connect with regular air lines.

The Churches

Carpinteria has a number of Churches, whose pastors and members will be glad to welcome you to their services.

CHRISTIAN SCIENCE SOCIETY

Christian Science Society, Carpinteria, a branch of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass., holds service every Sunday at 11 o'clock a. m., Sunday School at 9:45 o'clock. Mid-week meetings every Wednesday evening at 8 o'clock.

A reading room is maintained in the church building, open Tuesday afternoons (except holidays) from 2:30 to 4:30 o'clock.

"Mortals and Immortals" is the subject of the Lesson-Sermon on Sunday in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts. The Golden Text is from Paul's first letter to the Corinthians: "As is the earthy, such are they also that are earthy: and as is the heavenly, such are they also that are heavenly."

Among the Bible selections in the Lesson-Sermon are these words of Paul to the Ephesians: "This I say therefore, and testify in the Lord, that ye henceforth walk not as other Gentiles walk, in the vanity of their mind. . . . That ye put off concerning the former conversation the old man, which is corrupt according to the deceitful lusts; And be renewed in the spirit of your mind; And that ye put on the new man, which after God is created in righteousness and true holiness."

A correlative passage from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, states: "Mortals must gravitate Godward, their affections and aims

grow spiritual,—they must near the broader interpretations of being, and gain some proper sense of the infinite,—in order that sin and mortality may be put off."

9:45 A. M. Church School.

11:00 A. M. Morning Worship.

6:30 P. M. Youth Fellowship.

7:30 P. M. Religious Drama, "The Unlighted Cross."

"The Essence of Wisdom" is the sermon subject announced by the pastor for the eleven o'clock hour of Common Worship. Belief on the Lord Jesus Christ is the very beginning and the end of the Christian Life. All else follows upon this simple formula.

Friends of the Valley Are Invited to the seven-thirty service, when Mrs. Charles R. Drake and a cast of twelve players will present the religious drama "The Unlighted Cross." The Youth-Fellowship at 6:30 o'clock, immediately preceding the play, will concern, "The Meaning of Worship," led by Wallace Godfrey.

METHODIST CHURCH

Melvin J. Addington, Pastor

Morning Service: "A Christian Heritage."

Evening Service: "Let Us Begin."

Prayer Service (Wednesday) "Hebrews 11."

We are bound in moments of reflection to see what a marvelous heritage has been ours. Christianity has added to the life of men a better and nobler surrounding. Among these gifts we are found all of the higher ideals of life. These gifts have been an appropriation from above. The new man is a result of this heavenly appropriation.

Fast, convenient, efficient, all America today knows the value of air mail service. A symbol of the American way of doing things, it goes on helping Americans get things done, quicker, faster—the American way.

MILLIONS FOR DEFENSE

Millions for national defense, but not an extra penny for the national offense against crime!

That, in effect, is the new Federal policy which, decidedly, is not setting well with the majority of citizens.

Congress has bestowed its blessing upon a bill providing \$1,156,000,000, for national defense. Most Americans approved it. But most Americans will hardly approve the budget-paring which has slashed the ranks of G-Man personnel throughout the country.

We would like to think the reduction is justified. We would like to believe a happy millennium has arrived. We would like to assume no crazed individual will ever again take the life of his fellow-man, that no swindler will ever again mulct the public of funds, that no dope peddler will ever again attempt to enslave new victims, that no corrupt political machine will ever again tamper with the votes of citizens.

We would like to believe these things, but there is no evidence to support them—not with brutal kidnaping cases still remaining unsolved, not with several Los Angeles policemen on trial in connection with a bombing conspiracy, not with the slaying of G-man, William R. Ramsey in a gun battle last week at Penfield, Illinois.

Crime, unfortunately, still pays—for the anti-social elements willing to work for crime. In the last decade the annual income from racketeering, vice, fraud, and dope smuggling, has swung between three and six billions.

If America is ever to cut down those enormous costs it will need fully adequate forces to combat the waste and tragedy of crime. If we need millions for national defense, we also need a few millions to conduct a vigorous offensive against the enemies of society within our own borders!

The Christian life is not a bitter dose of medicine to be endured to make for a healthy life in the final outcome, but it is the way that leads to contentment here and hereafter.

The Young People's convention at Trinity Church in Los Angeles proved to be a helpful, happy time for all who attended. The Carpinteria Epworth League can justly be proud of its representation. We are now the owners of the highest attendance banner in having 150 per cent above the set standard. Those attending were Katherine Koehler, Lola Mathews, Loretta Mayhofen, Marquita Doran, Richard White, Roy Wiser, Herschel Lowe and Rev. and Mrs. Melvin Addington.

SOCIETY

BROWNIES TO ENTERTAIN MOTHERS

The Brownie group under the leadership of Miss Barbara Butler will hold a tea for the mothers of the members in the little theatre of the high school at 2:15 p. m. next Monday afternoon.

MRS. TAYLOR ENTERTAINS FIREMEN'S AUXILIARY

Mrs. Walter Taylor was hostess to the auxiliary to the Volunteer Fire department at her home in Summerland last Friday evening. Mrs. Erma Hollis of Carpinteria was accepted as a new member.

Those attending were the president, Mrs. Leslie Carter, Mrs. Emory Peterson, Mrs. Stanley Isle, Mrs. Harold Heltman, Mrs. Frank Burbridge, Mrs. Robert Young, Miss Betty Isle and Miss Margaret Heltman of Carpinteria; Mrs. Howard Irwin, Mrs. William Brooks, Mrs. Ted Howard, Mrs. Steven Granaroli, Mrs. Ted Reid, Mrs. Minnie Bovee and Mrs. Taylor of Summerland.

WOMAN'S CLUB TO CONCLUDE YEAR'S WORK

Members of the Woman's club will end the club year next Thursday with a luncheon and program. Reports of all the officers will be read and the new officers will be installed. The luncheon will be served by the members of the American Homes department. Reservations are to be made with Mrs. Percy Houts by Monday if possible, the president, Mrs. Joseph H. Hendy has announced. Because this is the annual business meeting, the board has announced that no guests will be invited to the luncheon.

FARM CENTER GROUP PLANS SUMMER CAMP

Members of the local farm home center learned the methods of repairing and covering upholstered furniture at the meeting in the Memorial building Tuesday. The annual camp at White Oak Falls, June 12-17 was announced, and the unit invited to meet with other home centers in Lompoc next Tuesday morning to arrange the schedule. Attending the meeting were Mrs. J. C. Furby, Mrs. L. F. Thompson, Mrs. R. J. Ogan, Mrs. H. W. Sturmer, Mrs. Marvin Davidson, Mrs. Frank Evans, Mrs. W. C. Hohmann, Mrs. B. J. McKenzie, Mrs. Marc Latham, Mrs. Walter Taylor, Mrs. Lucille Seals, Mrs. F. L. Burbridge, Mrs. R. E. Walsh, Mrs. J. W. Young, Mrs. Thomas Church, Mrs. M. F. Lewis, Mrs. S. C. Maddox.

Mr. and Mrs. Willard C. Waters returned to their home in San Marino Sunday after visiting Dr. and Mrs. T. M. Shorkley whom they had known many years ago in the east. They were dinner guests at the Bliss home during their stay.

WOMEN IN THE NEWS

By LEONE BAXTER

Not among women as individuals, nor among women as groups is there any agreement on the question: "Do I, or don't I want to be protected?"

Politely, belligerently and thunderously, it's been asked—and answered the same way.

A prominent Los Angeles judge has remarked that she accepted her salaried judgeship rather than remain a lawyer, hampered by "protective legislation" which resulted in baseless discrimination in valuing her services—even by the clients.

But a P. T. A. district president from the same area has countered with the warning: "Women need protection rather than independence or economic equality with men. There is no greater profession than home making, but increasingly women are taking to public affairs, leaving the care of the child in the hands of the State. Destruction of the home is threatened unless women get back into it."

The gauntlet is returned, however, by former President Herbert Hoover, who calls for women's further entrance into public affairs, with the plea: "As a complaining citizen, I turn to women to do a cleanup job in this republic. Women must take the initiative in politics, for there is a moral recession in full swing now!"

* * *

Accepting that injunction, some women step right up and offer their candidacies for public office—out of a clear sky and just like that. Others, watching the political ebb and flow, startle the complacent by speaking out in meeting, as when the state P. T. A. president called on the governor last week to "refrain from playing politics with Exposition funds."

Proposed legislation to take women out of the preferred and protected, but economically prideless, "women and children" class, has brought the matter to full head, with some pulling for protection and others urging independence and equality with men.

* * *

If Lloyd's of London were making a bet on the outcome, they'd probably lay 100 to 1 odds, based on over two centuries of observation and experience, that women will choose to retain as much of their "independence" as possible—but will not neglect, meanwhile, to collect whatever "protection" is available, too. For much as the great majority of business and professional women may desire "equal rights"—numerically there are more shop girls, power machine operators and factory workers, who will continue to demand economic "protection"—and get it.

VACATION SAFETY HINTS IN POSTER

Because school children soon will be released for summer vacation, the monthly school safety poster and lesson suggestion issued to more than 210,000 Southland classrooms by the public safety department of the Automobile Club of Southern California appeal to youngsters to "Practice Safety During Vacation." A list of caution suggestions for activities on highways, at home, at playgrounds, in swimming, hiking and boating is offered in the material extended this month to more than a million students enrolled in nearly 2000 schools.

CLUB MEMBERS TO ATTEND CO. FEDERATION MEETING

A program composed of numbers from each of the clubs in the Santa Barbara county federation will be a feature of the last conference of the year to be held in Santa Barbara next Tuesday when the members of the Friday Study club will be hostesses. The morning session will open at 10:30 in the auditorium of the public library. Luncheon will be at noon in the Presbyterian church and the afternoon meeting will be held there. Reservations are to be made with Mrs. Andrew McIntyre, 1720 Lasuen Road, not later than Monday morning.

Mrs. H. R. Cooper, president of the hostess club will welcome the members of the conference. The registration committee will be composed of Mrs. Jewell Johnstone, Mrs. Hary Sexton and Miss Olive Frederick.

Local reservations may be made with Mrs. Percy Houts or Mrs. Joseph H. Hendy before Monday morning, May 16. The local contribution to the program will be solos by Mrs. James L. Kent.

CARPINTERIA WOMEN NAMED AS OFFICERS OF D. A. R.

Two Carpinteria members of the Santa Barbara chapter D. A. R., were elected to the official board when the chapter was entertained at the Woman's club Saturday with a luncheon given by the local members. Dr. Genevieve Shorkley was elected regent, and Mrs. Martin Slaughter elected registrar of the chapter. All the officers will be installed on June 4 when the last meeting and Flag Day picnic will be held at Manning Park. A tablet will be unveiled in the courthouse grounds at 2:30 tomorrow afternoon marking the spot where the first company of white settlers camped in Santa Barbara, with the regent, Miss E. Louise Noyes, in charge of the exercises.

Mrs. Willard C. Waters, whose husband is the curator of Huntington library at San Marino, was the guest speaker, telling of the art treasures of the library illustrating her talk with pictures.

Besides Dr. Shorkley and Mrs. Slaughter, hostess for the luncheon were Mrs. George R. Bliss, Mrs. J. Henry Shepard, Mrs. Clinton R. Bowen, Mrs. John W. Young, Mrs. G. A. Franklin, Mrs. John Lalia Conway, Mrs. John W. Dorrance and Miss Verita A. Slaughter.

NEW BAND AT EL CORTIJO POPULAR

Large crowds are being attracted nightly to El Cortijo on the Coast Highway in Montecito by the excellent floor shows and the music of Lyle Griffin's swing band.

Although Griffin has been at El Cortijo but a few weeks, he has already acquired a large following of "swing" fans who are enthusiastic over his novel arrangements of the latest hits as well as many old familiar favorites. No small factor in the band's popularity is the fact that the boys are always glad to play any number that patrons may request.

Your printing orders will be well done and appreciated at The Chronicle office.

"THANKS FOR MY WIFE" AT LOBERO STARTING MAY 26

Alan Dinehart, who is heading for the Broadway theater and the scene of his first triumphs as the star of "Thanks for My Wife" following a three-day engagement at the Lobero theater beginning Thursday night May 26, never fully exercised in Hollywood the "triple-threat" reputation he achieved in his twenty-five year association with the legitimate stage.

In the theater Dinehart added to his capacity of actor the directorial function, and later bore the burdens of producer. Then he was stricken with the writing urge, and demonstrated his adaptability as the co-author of a succession of hit plays among which were numbered "Applesauce," "In Love With Love," "The Patsy," and "The Meanest Man In The World."

Dinehart's accomplishments in the Manhattan theater may have been eclipsed in the last six years by his notable contributions to scores of Hollywood pictures. He ranks with the busiest players in the industry, but only on a few occasions did his contract studio spare him from acting assignments to enable him to direct.

"Thanks for My Wife" ended a long search for the star, who, since his absence from the stage, conducted a constant fine combing of play market for the right vehicle for his New York homecoming. So impressed was Dinehart with the new play's potentialities that he volunteered to stage the production for the Gotham producing firm of Hilbert and Ames.

Notable stage and screen personalities surround Mr. Dinehart in

principal roles, prominently Regis Toomey, Kay Linaker, Mozell Britton and James Spottswood. Others of Importance are Virginia Howell, Tom Chatterton and Madora Keene.

S. B. POLICE SHOW ON MAY 18 WILL FEATURE 13 ACTS

Thirteen acts of top-notch Fanchon and Marco vaudeville will be featured at the Santa Barbara Police Department's benefit show which will be presented twice, at

7:00 p. m. and 9 p. m., at the Fox Arlington Theatre next Wednesday evening, according to T. G. Males, chairman of the ticket sales committee. Police Chief Thornton Edwards of Santa Paula will act as master of ceremonies and music will be furnished by Frank Greenough's Orchestra.

The show is being put on to raise funds for the convention of Municipal Motorcycle Officers of California which will be held in Santa Barbara from August 25 to 27, inclusive. Among the honored guests at this convention will be Governor Frank E. Merriam and E. Raymond Cato, Chief of the California Highway patrol.

struction for several years, the Santa Barbara Scouts and 144th Field Artillery are sponsoring a grand opening ball, featuring Hal Grayson and his orchestra, on Friday evening May 20th.

The completion of this building which has a capacity of 4,000 people fills a long felt need in Santa Barbara for a meeting place large enough to accommodate big gath-

erings and it is expected that the dance on the 20th will attract a capacity crowd, especially in view of the popularity of the orchestra which has been engaged for this event.

WEST COAST RELAYS TO BE HELD SATURDAY

Fresno, May 12— The famous slogan of the West Coast Relays at Fresno, "Where World Records are Broken," is figured by track and field experts to receive an added impetus this year when the twelfth annual running of the famous relays carnival will be conducted in the Fresno State College Stadium on May 14.

More than 600 university, college, junior college, and high school athletes will compete in the thrilling events scheduled for afternoon and evening, with the main attraction at night when the champions of the intercollegiate class battle for supremacy in what has become the nation's most notable relays carnival for the establishment of new records.

OXY ENTERS SALT WATER CARNIVAL

Two championships in one day will be the goal of Roy Dennis' Occidental College swimmers this week-end, as they compete in the Santa Monica Salt Water Carnival on Saturday morning and then play host to Southern California conference teams in the annual circuit meet a few hours later.

The Bengals will be defending champions in both meets. They took everything in sight in last year's Santa Monica battle, and are expected to do the same on Saturday. And they will be after their ninth consecutive victory in the conference fray.

Leading the pack of powerful Oxy men are Darrell Miller, all-around star; Bailey Abbott, two-year diving champion; and Hank Wood, who has won the sprint titles over the same period of time. All of them will be competing for the last time in their collegiate careers on Saturday.

Having taken every possible honor in Southern California conference competition, Occidental College tracksters put away their spikes this week for another year.

A few of the Bengals, however, will have a final fling before going into retirement. Coach Joe Pipal will take a handful of spikesters to the annual Fresno Relays this week-end and to the Compton Invitational on May 20. The Oxy mile relay team, which smashed the conference meet record last Saturday, will be a decided threat at Fresno. Jim Harvey, John O'Neill, Harold Wieman and Claude Kilday make up the quartet of speedy 440 men.

HARBOR CELEBRATION HAS MANY FEATURES

Recently postponed because of rain, the harbor celebration at San Pedro will be held May 21, the Automobile Club of Southern California touring bureau is advised. The event includes air bombing demonstrations and defense from Fort MacArthur anti-aircraft divisions, a pageant at Cabrillo Beach, inspection of all ships at dock and terminals including those of the fleet, and other features.

MERRIAM, HATFIELD NECK AND NECK IN STRAW VOTE

San Francisco— A nip and tuck race between Governor Frank F. Merriam and Lieut. Governor George J. Hatfield for the Republican nomination for Governor at the August primary was indicated today in the results of the statewide straw ballot taken by the Republican County Central Committee of San Francisco.

Hatfield has a slight lead in the balloting, the vote showing: Hatfield, 623; Merriam, 608.

Sol A. Abrams, secretary of the committee, announced that the straw vote had been taken in every county of the state, and among those polled were every member of the Republican State Central Committee, including Republican state office holders and legislators; members of the 58 Republican County Central Committees, and editors of daily and weekly newspapers throughout California.

Abrams stressed that the County Committee has endorsed no candidates, and the poll was taken for information purposes only.

Hatfield led in 24 counties, Merriam in 22 counties, and they were tied in 11 counties. No votes were received from Alpine County, the smallest in the state.

The figures from the three largest counties showed Merriam leading Hatfield 3 to 2 in Los Angeles County; Hatfield leading Merriam 4 to 1 in Alameda County, and even up in San Francisco County. Sacramento and Fresno indicated Merriam 3 to 1 while Hatfield was ahead 3 to 1 in Contra Costa and Santa Clara counties.

In the southern counties, outside Los Angeles, Hatfield led in Riverside, Orange, Santa Barbara, Imperial, San Luis Obispo and San Diego. Kern and Ventura were even up. Merriam had a slight lead in Long Beach, his home town.

Raymond Haight, Progressive, who has announced he will run on the Republican ticket for governor, received 18 votes.

For Lieut. Governor, the straw vote showed Senator Jerrold Sewel of Roseville leading the field of prospective candidates. Dr. Walter Scott Franklin of Santa Barbara, a recent entry, was runner-up, with a strong showing. The results: Senator Jerrold Sewel, 332; Dr. Walter Scott Franklin, 264; Senator Roy Nielsen, 167; James Rolph III, 149.

For United States Senator, Ray Riley, State Railroad Commissioner and former State Controller, rolled up a total of 901 votes. The poll was also taken on State Senator Walter McGovern of San Francisco, and Michael F. Shannon of Los Angeles, as prospective candidates for the United States Senate, but they announced they were definitely not in the race, and asked to be withdrawn from any consideration in the balloting.

For Attorney General, District Attorney Earl Warren, of Alameda County, practically had the race to himself, the result being: Earl

SECOND ANNUAL NATIONAL TRAILER AND SPORT SHOW

Trailer coaches especially designed and built for the hunter, the week-end beach goer, summer vacationer and the year around tourist, comprise the innovations that are being unveiled this week at the second annual National Trailer and Sports Show in the Pan Pacific Auditorium. Sponsored by the Trailer Coach Manufacturers Association, this event honors the official arrival of the open road season and the out-door folks will find many things of interest at the show.

Several surprises in new trailer design and construction are offered. The fine Italian hand woman of the family is seen in the interior arrangement and the decorations of the new trailers. Hunters see new ideas in firearms and paraphernalia. Vacationers see new creations for camping and sight-seeing and the tourist is introduced to innovations in accessories and attire.

A varied and interesting program of entertainment is a daily feature. A gala bathing beauty contest to select a queen to represent Hollywood and Los Angeles at this summer's preview of next year's Golden Gate Exposition in San Francisco will hold the stage spotlight. The final selection of the judges will be announced Saturday night. More than fifty beautiful girls are vying for the coveted honors.

The champion pistol team of the Los Angeles Police Department gives an exhibition in marksmanship. The first log rolling contest with real loggers from the Northwest provides thrills and laughs. Candid camera fiends compete for valuable prizes, and the disciples of Isaac Walton have their inning with the fly-casting exhibition featuring experts in this pastime. The show runs until Sunday night.

U. S. 101-A OPEN

Motorists driving north from Los Angeles vicinity may again use U. S. 101-A, via Santa Monica, reports the National Automobile Club. Various short stretches of realignment projects are still underway, making careful driving necessary at these points, otherwise there are no delays or inconveniences. This route provides a delightful trip from Los Angeles to Ventura, as it parallels the Coast practically the entire distance from Santa Monica and leads from an attractive residential section of Los Angeles proper.

Warren, 917; Buron Fitts, 172; Charles Son, 21.

The poll for Attorney General was also taken on Superior Judge Pat R. Parker of Mono County but he asked that his name be withdrawn as he was not a candidate.

Many of those polled voted only for governor and not for candidates for other state offices.

SANTA YNEZ RIVER SURVEY IN OMNIBUS FLOOD BILL

Congressman Elliott's Bill (HR 10000) providing for a preliminary examination and survey of the Santa Ynez river has been assured inclusion in the Omnibus Flood Control Bill.

Elliott urged its inclusion and Congressman Whittington of Mississippi, chairman of the Flood Control Committee, made the following statement:

"The committee intends to draft an Omnibus Flood Control Bill at the earliest practicable date. The custom of the committee is to include in the bill a section providing for preliminary examination and surveys, and inasmuch as favorable reports have been received on your bill, I feel that I can assure you provisions for the Santa Ynez river will be made in the preliminary examination and survey section of the proposed Omnibus Bill."

DEATH TOLL RISING AT GRADE CROSSINGS

Necessity for continued construction of viaducts to separate railroads and highways is indicated in the rise in the national grade crossing toll last year, notwithstanding the grade crossing elimination program carried on by the Federal government.

Fatal accidents at grade crossings reached the highest point since 1930, according to the Automobile Club of Southern California. In the United States 1875 person were killed in train-motor vehicle crashes.

Last year's death toll was 89 more than in 1936, it is reported, but less than the peak year of 1928 when the total soared to 2568. Last year 5136 persons were injured at grade crossings, against 4930 the year before. The total of 4484 grade crossings was an increase of 207 over 1936.

NOTICE OF PROPOSED ABANDONMENT OF CERTAIN PORTIONS OF A PUBLIC ROAD IN THE THIRD ROAD DISTRICT

BEFORE THE BOARD OF SUPERVISORS OF THE COUNTY OF SANTA BARBARA, STATE OF CALIFORNIA.

In the Matter of the Petition of RALPH RUNKLE, and others for the discontinuance and abandonment of certain portions of a public road in the Third Road District, in the County of Santa Barbara, State of California.

NOTICE IS HEREBY GIVEN to all freeholders in the Third Road District in the County of Santa Barbara, State of California, that Ralph Runkle, and others, on the 11th day of April, 1938, filed with the Board of Supervisors of the County of Santa Barbara, State of California, a petition to vacate, discontinue, abandon and abolish certain portions of a public road in the Third Road District, in the County of Santa Barbara, State of California, hereinafter described; and that said Board of Supervisors, by order duly given and made, fixed Monday the 9th day of May, 1938, as the time for the hearing of said petition, and that inadvertently the Notice of said hearing contained the date of May 11th, 1938 as the time set for said hearing;

NOW, THEREFORE, the said Board of Supervisors, by order duly given and made the 9th day of May, 1938, fixed Monday the 6th day of June, 1938, at the hour of ten o'clock a. m. of said day, at the chambers of the Board of Supervisors, in the Court House in the City of Santa Barbara, County of Santa Barbara, State of California, as the time and place for hearing said petition, and at which time and place any person interested in said matter may appear and show cause, if any they have, why said petition should not be granted, and said portions of public road be vacated, discontinued, abolished and abandoned.

Said portions of public road sought to be vacated, discontinued, abolished and abandoned are located in the Third Road District, in the County of Santa Barbara, State of California, and are more particularly described as follows, to-wit:

All that portion of a road deeded by Julius Doty to the County of Santa Barbara, dated June 7, 1897 and recorded in Book of Deeds 59, Page 524, in the County Recorder's office of the County of Santa Barbara, June 8, 1897, except the first course of said deed.

O. E. MILLS
W. G. HUBER

CALIFORNIA TO RECEIVE FEDERAL HIGHWAY AID

The House passed and sent to the Senate a bill authorizing a \$484,000,000 federal highway aid program for the fiscal years 1940 and 1941.

The measure, originally opposed by President Roosevelt, would make \$238,000,000 available each year and in addition create an \$8,000,000 fund for disaster repair. This new fund would be used in emergency, such as existed in California after the recent floods. It is rumored the bill is now acceptable to the President.

Congressman Elliott, the only California representative on the Road Committee for many years had an important position during the debate on the House floor, having jurisdiction in allotting members time for debating the question.

Since the inception of the bill he has vigorously worked for its enactment, realizing its importance to the state he represents. Congressman Dockweiler had this to say to the Congress: "I wish also at this time to congratulate my colleague the gentleman from California, a member of this committee, Mr. Elliott, for his splendid work in aiding in the preparation of this bill."

Elliott speaking on the bill, informed the House that failure to provide 1940-41 federal aid would start a depression in the highway industry and profession and urged that safety demands improved highway facilities. He also spoke of the employment affected by highway construction and how good highways provides national defense.

Wages Hours Bill Petition Signed

In a dramatic and spontaneous drive, the House "Wage Hour Bloc" completed a petition of 218 names and thus won the right to consider the Norton bill in the House. The petition was signed by the 218 members in two hours and twenty-three minutes. Congressman Elliott was the 149th member to sign the petition.

The bill provides for national minimum wages for interstate industries beginning at twenty-five cents an hour and reaching forty cents after three years.

It provides a national minimum work week of forty-four hours at the outset, which will be cut to forty hours after the second year. Agriculture is exempt from the provisions of the bill.

TRAY SERVICE OF LIQUOR TO CARS IS BANNED

Los Angeles— Action of the State Board of Equalization in banning tray service of alcoholic beverages to automobile drivers or passengers at drive-in stands, is an important forward step in improving highway safety and in reducing the appalling number of traffic tragedies. It is also a curb on drinking among juveniles, according to William G. Bonelli, member of the board, who introduced the motion to bar tray service at the board's meeting last week.

"Consumption of intoxicating liquor is not conducive to the safe operation of automobiles," Bonelli said. "Anything which makes it easier for the driver of a car or his passengers to obtain alcoholic beverages, is merely adding to the danger of highway travel. It is no great hardship to anyone wishing a drink to walk a few steps in order to get it."

"The new ruling will be an aid to the law-abiding licensee as it will reduce his chances of selling to an intoxicated person or a minor, thereby jeopardizing his

license. It is very difficult to tell if a person seated in a car is intoxicated and equally hard in view of modern styles to distinguish an adult from a minor.

"I believe a department of the state government with the power to help in reducing the accident menace and which is also charged with protecting the morals of

minors, should use its authority in this constructive manner.

"The safety and well-being of all is more important than the slight inconvenience to a few who may not like the new ruling."

GRAMMAR SCHOOL TEACHERS GIVEN NEW CONTRACTS

Carpinteria grammar school teachers have received their contracts for the coming year following a meeting of the school trustees last week and will have until May 20 to file their acceptances, it was announced yesterday by E. D. Solari, clerk of the board of trustees. Mrs. Margaret Hollenbeck Johnson has stated that she will not accept her contract, her marriage having occurred last November.

The major change in the teaching staff will be the transfer of James L. Kent, now teaching seventh and eighth grades at Aliso school, to the eighth grade in the grammar school. Mrs. Mary Rystrom, now in charge of eighth grade, will probably take the sixth grade vacated by Mrs. Johnson. Principal Frank Wykoff is interviewing candidates for the Aliso position, which will be announced soon.

Other teachers who will be retained are Mrs. Lucie Treloar, Mrs. Charlotte Morrison, Mrs. Georgie Nelson, Miss Leila Robbins and Miss Catherine Jones at Aliso. In the main school contracts have been offered Mrs. Ruth Stombs, Mrs. Dorothy Smith, Miss Vivian Rodriguez, Miss Alice Langdon, Miss Marilyn Cravens, Miss Leona Smith, Miss Ellyne Mallory and Principal Frank Wykoff.

The erection of the large neon sign bearing the words "Carpinteria the World's Safest Beach," was discussed but no further action was taken because permission to install the sign had not yet been received. However upon receipt of a letter yesterday from state authorities stating that the sign could not extend over the sidewalk, the original location planned for over the drug store was abandoned and permission obtained from the Safeway Company to erect the sign on the top of the building they will occupy here and which is being built by Ray Doell.

WILLIAM HUMMELL WINS HYVIS CO. TROPHY SUNDAY

William Hummell of Santa Barbara turned in an almost perfect score of 497 out of 500 in the 100 yard shoot, using iron sights, last Sunday at the Carpinteria State Park range to capture the Hyvas Oil Company trophy. Charles Higbee scored 489 for second place and R. Gradle 485 for third place. H. Griffiths annexed the Fredricks Trophy, Class B, in the same event with a score of 476. Others entered in the event were R. G. Bassett, 484; L. I. Plank, 480; A. Morganfield, 474; G. Worden 473; H. B. Smith, 471; B. Blank, 462.

The afternoon shoot over the Dewar Course for the pot of gold was won by Charles Higbee in a close match. Participating in this event were H. B. Smith, B. Plank, R. Gradle, L. I. Plank, R. G. Bassett, H. Griffiths, G. Worden and W. Wood.

Elmer Norlin spent the week-end with George Bliss, Jr., at U. C. L. A.

Badminton Courts Ready for Use at Cerca del Mar

(Continued from page 1) ment to cover its cost and lighting for the building, has announced that two badminton courts and two ping pong tables have been installed and are now ready for use as is the phonograph for dancing. A small charge to cover actual expenses will be made for the use of this equipment.

A local badminton club, which will be able to hold tournaments with other nearby clubs, is now being organized and anyone interested in this sport is asked to contact Bud Riley at the Chronicle office, phone 4461.

No charge will be made for the use of the checkers, cribbage boards and cards which are being provided by the Chamber of Commerce to furnish amusement for persons in groups who do not wish to engage in such active sports as badminton or ping pong.

Plans are also being made to secure an orchestra and hold dances once a week at a small admission charge. In addition groups of ten or more couples may arrange for dancing at any time to the phonograph.

Many Requests for Local Air Mail Week Cachet Received

(Continued from page 1) to be sailing through the sky towards the channel islands.

Direct Service On May 19. Because there is no landing field at Carpinteria at the present time the airmail dispatched from Carpinteria on May 19th, the day of direct pick-up service, will be taken direct to Santa Barbara by car to connect with the air mail plane.

For the benefit of Carpinteria residents who wish to obtain covers of the Carpinteria cachet, self-addressed envelopes mailed at the local post office will be sent by air mail to Los Angeles where they will be back-stamped and returned to Santa Barbara via air mail and then returned to Carpinteria, bearing all three postmarks.

C. S. BROADCAST SUNDAY

Local radio listeners will be interested in the announcement that the Church of the Air of the Columbia Broadcasting System will be conducted next Sunday, May 15, by Robert D. Tress, First Reader of Third Church of Christ, Scientist, of Toronto, Canada. It may be heard locally over KNX (1050-kc), at 9 a. m.

PLAY TO BE PRESENTED AT LOCAL CHURCH

The work of the modern church in an industrial center will be portrayed Sunday evening at 7:30 in the Community Church of Carpinteria through the presentation of the play entitled "The Unlighted Cross," by Dorothy Wilson, by twelve players from the First Christian Church in Santa Barbara.

The play is an impressive drama of the Church in an American Community and attention is focused on the possibility of the social aspects of the work of the church today and should long be remembered by those who see it.

The cast is as follows: Mrs. R. V. Jackson, T. M. Mitchell, Mrs. Orin Ambrose, Barbara Lewis, Mrs. A. W. Pigott, Hope Scott, Alyce Jane Moulds, Mary Lynn Drake, Charles Holman, A. L. O'Banion, John Hughes and Charles Hollister.

FLOOD CONTROL BILL INCLUDES SANTA YNEZ RIVER

That Congressman A. J. Elliott had been successful in having a survey of the Santa Ynez River included in the Flood Control Bill which was presented to Congress yesterday, was indicated in a telegram from Elliott received by the Chronicle yesterday afternoon which stated, "Flood Control bill presented to Congress today includes provision for preliminary examination Santa Ynez River."

Should Congress pass this bill this provision will be of material assistance to the Santa Maria Flood Control District which was formed several months ago to undertake flood control measures. That there is need for this work was amply proven during the heavy rains of this winter when the Santa Ynez river went on a rampage and did thousands of dollars worth of damage to bridges, highways and private lands.

CHRISTIAN SCIENCE LECTURE RADIOCAST

Local radio listeners may hear an authorized Christian Science lecture tonight, May 13, at 8 p. m., when Gavin W. Allan, C. S. B., of Toronto, Canada, a Member of the Board of Lectureship of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass., lectures over KFWB (950kc), for Ninth Church of Christ, Scientist, Los Angeles.

Mr. and Mrs. Roger Coe, who have been living in one of the cottages on the Fithian estate, have recently purchased property in Ojai.

SO. COUNTIES GAS COMPANY PLANS IMPROVEMENTS

A program of additions and betterments to the natural gas system in Santa Barbara calls for the expenditure of approximately \$65,000 during 1938, it was announced today by G. W. Smith, district manager of the Southern Counties Gas Company.

The largest item is \$30,500 for three gas storage holders, the purpose of which will be to provide stand-by emergency service.

In addition, two heavy duty gas pumps will be installed at the gas holder station to replace the present steam driven equipment. These will cost about \$13,000, Mr. Smith stated.

The natural gas distribution of Santa Barbara will be further reinforced by installation of new connecting mains and valves. Expenditure for this work is expected to aggregate \$20,000.

Southern Counties Gas Company this year is expending in the neighborhood of \$1,500,000 for additions and betterments throughout its system, Mr. Smith stated.

The home of Mr. and Mrs. G. A. McCubrey was the setting for a Mother's Day reunion when all their children were at home. They included Mr. and Mrs. H. H. Musick and family, Mr. and Mrs. Harold McCubrey of Piru, Mr. and Mrs. Oliver and Lowell McCubrey of Long Beach and Miss Virginia McCubrey. Other guests were Miss Grace Ellis and Dale Schuyler of Long Beach.

Miss Maude and Miss Minnie Merrihew entertained at dinner at their home on Vallecito road Friday evening, their guests being Mrs. James A. Lewis, Dr. Genevieve Shorkley, Miss Margaret and Miss Claribel Lewis.
