SUMMER SESSION, 1959

GOLETA, CALIFORNIA

WELCOME TO SUMMER SESSION

SOCIAL HOUR AND ISLAND BOAT TRIP TO OPEN CAMPUS RECREATIONAL EVENTS

A carefully planned schedule of summer session recreational activities gets under way Thursday, June 25, with the annual Student-Faculty Get-Acquainted Hour set from 3-5 p.m. in the Classroom Court. Refreshments will be served. Come and meet your fellow students and the summer faculty.

On the 27th at 5 a.m. an all-day fishing trip and scenic tour to the Channel Islands is planned aboard a roomy charter boat leaving Goleta Pier. These are among the finest fishing waters in California. Reservations must be made by June 24 at the Associated Students Business Office in the Student Union. The fee will be \$7.50.

The galley will serve breakfast and dispense sandwiches and soft drinks throughout the day at extra cost. Excursionists may, of course, bring their own food if they choose. Fishing equipment may be rented at the pier, and bait will be furnished. This is an unusual opportunity to see the islands and fish.

Folk and square dancing will be featured every Wednesday from 7:30-9:30 in room 110, building 422. Half or full-day fishing tours may be arranged through calling Norm's Landing, Stern's Wharf in Santa Barbara (5-8583), or Goleta Pier (7-2104). Ladies rate special rates on certain weekends. Sightseeing tours of Santa Barbara and vicinity may be scheduled through Tanner Gray Lines (5-5111).

Among future summer events to plan for is the fabulous summer barbeque, scheduled for July 9. No fee will be charged campus residents, and the non-resident fee will be only 75¢.

Anyone who hasn't yet received the complete recreational schedule may obtain one from the Summer Session office.

WELCOME FROM SUMMER SESSION DIRECTOR TO ALL PERSONS ATTENDING THE 1959 SUMMER SESSION

Welcome to the Santa Barbara campus of the University of California! It is indeed a pleasure to greet you on behalf of the faculty and administration and to wish for you a most worthwhile summer session. Since last summer the Regents have given a new assignment to this institution: it is now a general campus of the University and is to develop curricula leading ultimately to the highest degrees in many fields.

Consonant with this new responsibility, the departments of instruction are continuing the practice, initiated last summer, of offering more courses at the upper division level and beyond. At the same time we are seeking to provide an adequate number of lower division offerings. You can assist us materially in our planning for 1960 if you will inform the Summer Session Office of your curricular needs. Of course, we welcome any suggestion you may have. It is pleasant to know when we have succeeded; but most of all we wish to ascertain our shortcomings.

This summer we have with us for the first time a group of high school seniors who are eager to have a fore-taste of college. We in turn are deeply interested in satisfying their avidity for knowledge. To these students we extend a hearty welcome to the University. It is our hope that they will be pioneers in a general movement to provide outstanding high school students with a more challenging program of study. You can help us develop this aspect of our summer session if you will tell others about it, stressing the fact that we welcome applications for summer school registration from high school seniors of superior attainment. Enrollment is not limited to any one area of interest.

continued on next page

We are proud to have with us the staff and award winners of the Marine Science Institute sponsored by the National Science Foundation. This is the first institute of its kind on this campus; but we shall seek to continue the present Institute, and we anticipate additional institutes in 1960. By arrangement with the National Science Foundation, one course in the Institute - The Sea (Physical Science 150) - is open to qualified students not members of the Institute.

I should like to call the attention of all those attending Summer Session to the All-College Lecture Series offered to the public without charge under the sponsorship of the Committee on Arts and Lectures. The first lecture of this series will be given on Tuesday, June 30, at 3 p.m. in the lecture hall of the Classroom Building and will be presented by the distinguished linguist, Dr. Charles F. Hockett, Professor of Anthropology and Linguistics at Cornell University. Professor Hockett will speak on the topic, "Language and Man's Place in Nature." His appearance is made possible through the courtesy of the State Department of Education. A partial schedule of the lecture series appears in this issue of El Gauchito. Additional special events will be announced later.

Last, but not least, I wish to invite you to participate fully in the carefully planned Recreation Program which has been developed for students, faculty, and their friends and families by Dr. M. Marilyn Flint, Director of Recreation.

Please feel free to call or visit the Summer Session Office, Building 404, Room 115, for information or assistance regarding the Summer Session.

L. F. WALTON

Director of Summer Session

GRADUATE RECORD EXAMINATION

A Graduate Record Examination will be held on Saturday, July 11 in Room 101, Building 431. If you know of any students who would like to take this examination, please encourage them to report directly to the Educational Testing Service, 4640 Hollywood Blvd., Los Angeles 27, California, by not later than June 26, 1959. In case of emergency it is possible for students to contact ETS later than this date, but a certain amount of risk is involved if the contact comes too close to July 11.

NATURE STUDY INSTITUTE

Summer session students may pack in two weeks' additional schooling locally through a unique outdoor program - the Institute of Nature Study and Conservation - sponsored by University of California Extension. Headquarters will be the Museum of Natural History in Santa Barbara, and the dates are from August 3-15.

A new course this year is "Western Trees," which will be taught by Dr. Katherine Muller, director of the Santa Barbara Botanical Garden. Dr. Aryan Roest of California State Polytechnic College, and also of UCSB's 1959 summer session faculty, will teach ecology and conservation.

Other courses listed are on seashore life, native birds, elementary science methods, rocks and minerals, astronomy, and native plants.

Full information may be had by contacting the University of California Extension office at 129 E. Carrillo St., Santa Barbara, phone 2-9118.

CANADIAN FILM SERIES TO BE SHOWN

A series of half-hour films on the British Empire and Commonwealth, recently released by the National Film Board of Canada, will be shown free of charge throughout the Summer Session in the Lecture Hall of the Classroom Bldg. Two films will be shown upon each of the following dates, beginning at 3 p.m. Note that the showings will be on varying days of the week.

Monday, June 22:

"Ten Days that Shook the Commonwealth"
"Portrait of a Family"

Friday, June 26:

"Four Centuries of Growing Pains"
"Crisis in Asia"

Thursday, July 2:

"Can It Hold Together?"
"The Invisible Keystone"

Thursday, July 9:

"Poverty and Plenty"
"Colonialism: Ogre or Angel"

Wednesday, July 15:

"Storm Clouds Over the Colonies"
"They Call It White Man's Burden"

Monday, July 20:

"Black and White in South Africa"
"The Colonies Look Ahead"

Monday, July 27:

"Road to Independence"
(There will be only one film on this day)

PROFICIENCY TEST INFORMATION

On Wednesday, July 1, teacher credential candidates may take proficiency tests in areas where they may have failed previously.

New examinees will also be admitted. The place will be building 431, rooms 101 and 102. Doors will be opened at the beginning of each examination only, Department of Education chairman, Glenn W. Durflinger said, in announcing the following schedule:

Reading Comprehension	7:00 p.m.
Reading Vocabulary	7:30 "
Arithmetic Fundamentals	7:45 "
Arithmetic Problems	8:30 "
English	9:15 "
Spelling, Handwriting	10:00 "

Students deficient in any section of any division must retake the entire division and will be responsible for any part taken whether passed formerly or not.

No appointment is necessary in advance. Students will merely appear at the time indicated. However, a Statement of Study is required of each student.

This document may be obtained at the office of the student's major department or the department of Education. Before signing it a student should spend at least ten hours in study - preferably with a tutor, Dr. Durflinger warned. The Statement must also be signed by a faculty member.

PARKING NOTES

Summer students and all new people parking on campus are requested to display the proper parking permit on their vehicle windshields. This sticker is obtainable through the Police Department office on campus (building 427, room 202) for \$1.00.

All are requested to park only in the areas designated on the permit. The department also urges everyone to obey all posted signs, as well as observe other customary traffic and parking regulations. Driveway parking, parking by fire plugs, and obstructing traffic while stopping to chat are listed as particular violations to be avoided.

NATIONAL DEFENSE LOAN APPLICANTS

Students who have applied for National Defense loans for Summer Session are reminded to call at the Dean of Students Office the first week of classes to have payment of checks authorized.

NATIONAL DEFENSE LOAN INFORMATION

For the information of continuing students, applications for National Defense loans for 1959-1960 may be made now in the Dean of Students Office for payment in the fall, as money is available for that period.

TWO ADDITIONAL FACULTY APPOINTMENTS

Two additional appointments to the summer session faculty have been announced by the Director's Office. They are Dr. Louis S. Taylor, who will join the Industrial Arts Department, and Eugene Gingerich, who will teach intermediate algebra in the Department of Mathematics.

CAR POOLS

The Summer Session Office, Bldg. 404, room 115 (phone 7-1221, ext. 2275) will coordinate car pools when desired.

There is a special call for rides from Ventura and the Montecito area. Any persons who can provide cars or need rides from this or other areas are urged to contact the Summer Session Office.

THEATRE DISCOUNT CARDS

Again this year Fox West Coast Theatre is offering their discount cards which include one free admission to any Fox West Coast Theatre and subsequent admissions at the junior rate. These cards are good for one year becoming void June 30, 1960. Last year this offer was \$2.00 but this year these are being offered for only one dollar. Students, faculty and staff are eligible for these tickets which are now available at the office of the Graduate Manager.

SUBJECT A EXAMINATION

Subject A examination prerequisite for all English classes will be given Monday afternoon (June 22) from 1:00 p.m. to 4:00 p.m. in Classroom 1115, New Classroom Building. Make further inquiries at English Department, phone 3175.

SUMMER LECTURES FEATURE VISITING FACULTY

Four All-College lectures are planned for the 1959 Summer Session at which faculty and guest specialists will present talks of special interest to Summer Session students and the general public. These All-College lectures will be given on June 30, July 7, 14, 21 - Tuesday afternoons at 3 p.m.

Leading off the series which is to open to the public free of charge will be Dr. Charles F. Hockett, professor of linguistics at Cornell University who will lecture on the subject, "Language and Man's Place in Nature" on June 30. Professor Hockett will be participating in the "Foreign Language Workshop" being held on the UCSB campus this month.

On Tuesday, July 7, Dr. E. W. Dolch, visiting professor of education from the University of Illinois who is on the faculty of the Department of Education this summer will lecture on the subject, "Why the Controversy About Reading." Dr. Dolch was a pioneer in the field of teaching reading and is an authority in the area of remedial reading.

Watch El Gauchito for announcement of the two remaining All-College lectures during Summer Session.

ATTENTION VETERANS

P.L. 550, C.V.E.I. (State) veterans must report to the Dean of Students Office during the first week of classes for Summer Session in order to have their benefits cleared. No enrollment papers for veterans can be submitted to the U. S. Veterans Administration until this is done. This also applies to veterans dependents.

For the information of C.V.E.I. veterans, a State representative will be in the Dean of Students Office from 9:00 to 11:00 a.m. on Saturday, June 20, to assist veterans.
