In visiting UCSB, "A Campus In Action" goes right onto the Pacific beach where students are shown in their studies collecting marine specimens for use in biology classes.

The program also will investigate the founding, history and future plans of UCSB as well as introducing the men in charge at the college.

BRIEF POWER SHUTOFF FOR CAMPUS FORCES RESCHEDULING OF SUNDAY FILM

Conversion to a new source of power for the campus has made it necessary for a 12-hour power shutoff on Sunday, June 30.

The change-over makes it necessary for the power to be shut down for approximately 12 hours. Sunday, June 30, it will go off at 3 p.m. and it will remain off until 7 a.m. Monday, July 1.

Although the inconvenience to campus residents was unavoidable, a day and time were selected so as to inconvenience as few persons as possible.

The Sunday film "The Quiet Man," has been re-scheduled for 7:30 p.m., Friday, June 28, because of the shut-off.

HOUSEHOLD ARTICLES ARE NEEDED
FOR USE IN SEPTEMBER FURNITURE FAIR

A committee of UCSB Faculty Women is busy collecting items for a Furniture Fair scheduled for September 7, 8, 14 and 15.

The Fair is designed to provide married students with household items to furnish their apartments. Students may borrow the furnishings free of charge, except for bedding which must be sterilized.

The committee is particularly anxious to have small appliances such as toasters, coffee pots and the like. Pots and pans, dishes and kitchen utensils also are needed.

Lightweight furniture, such as rattan chairs, end tables, lamps, dressers and bed springs and mattresses also will be welcome. Donations will be stored on campus until the Fair.

Persons having donations should call Mrs. Keith Aldrich, phone 8-2968, for information.
