Alpha Tau Omega

Alpha Tau Omega was founded in 1865 and throughout the past 135 years, Alpha Tau Omegas across the country have been helping to make a difference in a positive way. We here at UCSB try to continue that trend and participate in many social, philanthropic as well as intramural events.

Our fraternity is based upon brotherhood, and that is what keeps us all together and able to lean on each other when we need to. We consistently go on "Brotherhood Events" to hang out with each other and have fun. Last quarter we rented vans and 50 of us went to L.A. to go to "The Late Late Show with Craig Kilborn." Every fall and spring we also go paint balling which proves to be a lot of fun and gives us a chance to take time out of our busy schedules to relax. On top of brotherhood events we also have many Date Parties throughout the year. In the fall we all head down to Anaheim for a weekend at Disneyland. But the biggest and best date party of the year is our 4-day formal in Laughlin, NV.

Alpha Tau Omegas are also constantly participating in events that help the community. For example, each year we volunteer at the S.B.'s Children Festival as well as put on a Haunted House that benefits the children of Isla Vista. This year we are introducing Alpha Tau Omega's "Carnival Nights" to benefit the American Diabetic Association. It will include such popular rides as the Astro Jump, Velcro Wall, Hi-Striker, Dunk Tank, and a 40-foot Inflatable Obstacle Course. We have already obtained donations from UCSB Greeks and many businesses throughout the Goleta and Santa Barbara area.

We stress diversity at Alpha Tau Omega, that is why we don't just do one thing or event, we try to do as much as we can to not only people, but to have fun while you're in college and the many years after.

ΒΘΠ

Beta Theta Pi

For the 12 years that the Epsilon pi chapter of Beta Theta Pi has been on the UCSB campus, we have been the most cohesive chapter with the closest brotherhood of all the other houses on campus. 2000-2001 has been no different. Where other chapters use the word "brotherhood" as a cover for their faults, Beta Theta Pi strives every day to exemplify the term in our lives and daily actions. There is something about being a Beta at UCSB that signifies being part of a group of men that are somehow better, or higher, than other Greek men around them. We pride ourselves being better brothers to each other each and every day.

Nationally, Beta Theta Pi is one of the largest fraternities in North America and is the finest fraternal organization in North America. Having been established in 1839, we have the richest national tradition of any other fraternity on this campus. Recently, the Association of Fraternity advisors (AFA) in conjunction with the National Interfraternity Conference (NIC) awarded Beta Theta Pi with the Excellence in Educational Programming for Beta's efforts in the year 2000; the highest award it hands out. We also have the highest academic standards and requirements of all other national fraternities.

While we excel nationally, our chapter at UCSB has maintained success both on campus and in the community. Our chapter completes over 300 man-hours of community service each year, including volunteering at the Isla Vista Elementary School and preschool. We have also participated in beach cleanups, clothes and food drives. However, our biggest philanthropy event is our annual All-Greek Softball Tournament to help raise money for the American Cancer Society and cancer research. We also maintain academic and athletic excellence. We have consistently ranked in the top five in grades and we have won the All-Greek Soccer Tournament eight out of the past 12 years.

Our success nationally and locally at UCSB is unparalleled. While we have achieved many accomplishments, it is the tight knit brotherhood that separates us from other houses on this campus. We are about friendship, mutual assistance, trust, philanthropy and being better members of the community. Beta is a long-term commitment and investment in helping make us better men. We realize we are building lifelong relationships and it is each Beta's responsibility to continue to maintain and build upon the tradition and excellence that we have achieved for so many years.

CAMPUS

Open Saturdays 11 am - 3 pm
 Located downstairs at the Hub

Sigma Phi Epsilon

SigEp is UCSB's oldest fraternity. Located at 795 Embarcadero del Norte, we are the "red brick house" under massive renovation. Upon completion of the construction project in late April, the SigEp facility will be the best on campus comprised of a new all stone fireplace, state of the art library, bar, industrial kitchen, and dining room... but that is just the building. SigEp is continually ranked in the top quartile in membership on campus. We are comprised of a diverse group of brothers, and make every effort to keep our reputation as balanced men. As such we strive to always excel in athletics, academics, leadership and stay ver active socially.

This spring will be a busy quarter for SigEp, we are putting on our sorority-fraternity football tournament (pictured), our Polar Ice Cap, Alumni Weekend, Parents Weekend, and will have a date party cruise and seniors banquet. We also have exchanges and events weekly with different sororities. SigEp is competitive in intramurals on campus; we will have teams playing basketball, volleyball, soccer, ultimate frisbee, and water polo. We are in line with the ideals of our national fraternity, and as a chapter have access to the many resources and benefits that belonging to the largest national fraternal organization has to offer. This summer we will be taking a brotherhood RV trip to Washington DC to attend the centennial celebration of Sigma Phi Epsilon. There we will meet hundreds of other SigEps from across the country and network with prominent alumni.

Every fraternity's membership has been on the decline nationwide over the last several years. Not us, our chapter is continuing to grow! We have something more to offer members on our campus, and invite you come see what SigEp has in store for you. Don't let your college years slip away with only memories of DP and FT, be part of something bigger and better, leave college knowing you were part of the nation's greatest fraternity, Sigma Phi Epsilon.

ΔΓ

Delta Gamma

The women of Delta Gamma are having yet another excellent year here on the UCSB campus. We kicked off the fall quarter with a busy, but fun rush week where all of our hard work paid off when we picked up 32 wonderful new members to add to our house. We had a blast getting to know our new members fall quarter through house retreats, social events and sisterhood events. The new girls did an excellent job planning our New Member Formal where we all got a chance to get dressed up for a night on the town together. Also, a group of Delta Gammas volunteered at the MS Bike-a-Thon where we won first place for having the best rest stop. Our enthusiasm and spunk really got the bikers motivated and we had so much fun cheering them on.

The year 2001 began with the transition of our house officers. We said goodbye to President Emily Adams, who did an excellent job for the 2000 year, and welcomed Brooke D'Acquisto as our new president and we look forward to having Brooke lead us through another amazing year. Recently, we celebrated Founder's Day where faces of Delta Gamma from as far back as 1959 came back to observe the day with us all. Also, we've continued to support our philanthropy, Service For Sight by reading for the blind and decorating cute eye patches for elementary school vision tests.

Coming up in May, we have our biggest event of the year, Anchorsplash at the UCSB pool to raise money for Service for Sight. We hope to make the event bigger than ever this year and we would love to see you all there either cheering in the stands, or participating in the swimming relays or inner-tube races. We have had an amazing year so far and we really look forward to the upcoming quarter and more fun times to come.

Sorority Recruitment:
April 10-12

There will be an informational meeting
Wednesday, April 4 at 7:00 in IV Theatre 2.
Come to this meeting to receive more information
regarding Spring Panhellenic Open House
including the specific times and location of houses.

*For more information contact the Recruitment Hotline
at 893-8463 or e-mail panhellenicucsb@hotmail.com*

Lambda Sigma Gamma

Lambda Sigma Gamma Sorority, Inc. is a solid network of women in higher education, who have chosen to unite to enhance their college experience. Lambda Sigma Gamma was founded with the purpose of creating a support system for women of diverse backgrounds once they have entered the university. We provide our members with the means for building community, a family away from home, in order to facilitate the retention of motivated students. Through the support its members offer each other, Lambda Sigma Gamma has developed a strong, safe and loving environment where friendships grow, characters build, knowledge is shared and a multicultural sisterhood is created.

Lambda Sigma Gamma created unique friendships through a bond of sisterhood that will remain in our hearts forever. This concept cannot be easily expressed through words; what we share lies much deeper below the surface. The trust, loyalty and support we give to one another create our sisterhood. This indescribable bond is not limited to certain individuals, rather it is open to all that wish to be a part of and share in this experience.

Lambda Sigma Gamma is continuously growing and providing immediate volunteer opportunities for its members. At the University of California, Santa Barbara, the Zeta Chapter strives to assist under privileged families within the Goleta and Isla Vista communities. We participate and organize many philanthropic events, which include: a Big Sister Little Sister Program, Special Olympics, blood drives, Thanksgiving Food Baskets, tutoring at the I.V. Teen Center, Head Start, Christmas Toy Drives and the Santa Barbara Transition House.

Our principal purpose for attending the university is to receive an education; therefore, Lambda Sigma Gamma acts as a strong foundation for encouraging academic achievement and excellence. Through informational workshops, effective networking and strong support form one another, we strive toward our goal of academic excellence. If you would like more information about our organization please visit our website: www.lambdasforeve.org/ucsb.

Lambda Theta Nu

Lambda Theta Nu Sorority, Inc. is open to ALL women who are sensitive to the needs of the Latino/a community and are in pursuit of academic excellence, community service and sisterhood. The ladies of Lambda Theta Nu sorority are proud to be the first and only Latina interest sorority on this campus with the purpose of opening doors of opportunity to women in higher education and within the work force. We are dedicated to giving back to our communities by serving as positive role models and providing a safe environment for the youth. As a Latina Sorority we feel that our role is not only to help the Latino community, but also to help educate them about resources found in the community. We provide various community services that target at risk youth, the elderly and the homeless. Some of those services include volunteering at the Transition House, being Mentor/Tutors at the I.V. Teen Center, helping with the Adult Literacy Program (Santa Barbara High School), raising money for AIDS Research (AIDS Walk) and Breast Cancer Research (Bevlon Walk), and hosting the annual Spring Festival in conjunction with the distinguished gentlemen of Nu Alpha Kappa Fraternity Inc. for the families of Isla Vista. In addition to community service, Lambda Theta Nu Sorority Inc.'s priorities are also placed upon academic excellence. In order to promote academic excellence active members and interested ladies are required to maintain a minimum 2.5 GPA.

As educated Latina women we encounter many obstacles that attempt to hinder us from success. Lambda Theta Nu Sorority Inc.'s support and leadership provides the strength and preparation needed to overcome these obstacles faced both in college and in life. This is accomplished by providing an environment for personal growth within a unit of sisterhood. As Lambdas we share a true bond of our many joys and pains and our sisterhood extends far beyond graduation; it is unending.

Once A Lambda Always A Lambda.
If you would like more information or are interested in joining Lambda Theta Nu Sorority Inc. please contact Esmeralda Rendon at 571-6063 or Monique Calderon at 961-9545. Or you can e-mail us at nuchapterlambdas@hotmail.com.

Phi Gamma Delta (Fiji)

Joining a fraternity. Going Greek. It can sound like a huge and intimidating thing to do. Yet while it is a huge decision, many men make the choice of becoming members every year while most probably came to UCSB with no intention of doing so. Yes, it is a life-altering course, and Phi Gamma Delta ensures that it is a great choice for one looking to make an impact. Commonly known as Fiji, we strive to mold great students into outstanding men through dedicated brotherhood and unforgettable experiences.

Fraternities gain members, but at Fiji we believe that it is through personal experiences that brothers are made. Unity, respect and friendship are values that we hold at the top of our list, which is why brotherhood is so important. Scholarship is also a top priority at Fiji because we are here to better ourselves academically before anything else. Study hours are encouraged every day for members and serves as a time to converse as well as a quiet place to study.

Our biggest events of the year are the Annual Fiji Soccer Tournament and Islander, both held in the spring. The soccer tournament is a philanthropic event which has year raised money to assist the Jack Canfield Chicken Soup Fund. It is a two-day tournament that attracts teams from Cal Poly, UCLA and various other schools across California. Collegebroadcast.com sponsored the party last year that always highlights the tournament. Islander, our largest concert even of the year, has showcased bands such as Sublime, 311, Goldfinger, Buck 'o' Nine, and Face to Face. It has always been an amazing event and this year will be no exception as evident by the "Back to School" concert featuring Unwritten Law this fall.

Fiji is a fraternity that believes "school, fraternity, self" is the key to a highly rewarding college experience. It is not a place where one can better himself and the world around him. Even if you're not interested in joining a fraternity but just a little curious, make sure to stop by Fiji during spring rush and see what we are all about.

Chi Delta Theta

On October 13, 1989, Chi Delta Theta was established as the first Asian American interest sorority on the UC Santa Barbara campus. Our sisterhood has grown to include well over 130 active, inactive and alumni members, as well as sisters from four other chapters. The sisters of Chi delta Theta strive to fulfill their goals of promoting friendship, communication and social activity among university women, and also creating a strong sisterhood bond among the members of all of our chapters.

Throughout the existence of Chi Delta Theta, our goals have grown to include a plethora of activities. By displaying pride in our heritage, we educate and promote the Asian cultures and traditions among the sisters and the UCSB community. Chi Delta Theta offers its sisters the opportunity to develop leadership and social skills, while taking on a positive role for Asian American women. We also focus and participate in various philanthropic activities within the UCSB campus as well as in the larger community.

The sisters of Chi Delta Theta believe strongly in our goals and purpose as a sorority. Some of our philanthropic activities include being tour guides in a Halloween maze for the children of Isla Vista, volunteering at Friendship Manor, and helping to raise money for breast cancer research. Chi Delta Theta has been involved with cultural awareness on and off the UCSB campus. We have enriched each of our members with knowledge of the differences and similarities among each Asian culture and will be participating in the Asian Cultural Week to further spread that knowledge to others on campus. We have participated in the yearly Friendship Games at Cal State Long Beach and the Lantern Festival held in Cal Poly SLO.

We are very excited to have twelve pledges this quarter. Their formal activation into the sisterhood of Chi Delta theta will be held on may 19, 2001 at the Doubletree Hotel in Santa Barbara. Also on that day, we will be installing our executive officers and cabinet and celebrating our graduating seniors.

Open Faced Breakfast Sandwich

Toasted homemade bread topped with fresh tomato, melted cheddar, and two eggs. Served with seasoned home fries.

YOUR DAILY HOROSCOPE
By Linda C. Black

Today's Birthday (April 4). What starts out as an easy year gets more difficult, but it's your own fault. You're the one who's taking on the tough project, just for the fun of it, in April. Friends promise support, but may not follow through, in May. Read the books in June and apply what you've learned in July. A lucky break puts you way ahead in August. Save as much as you can in November. Run wild and free in December. A new task leads to new friends in February, in a roundabout way. In March, your sense of foreboding is right on the money, so heed it.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

Aries (March 21-April 19) - Today is a 9 - An idea you've been hatching in the back of your brain is starting to take shape. Sketch out a rough blueprint so that you can make it happen. You're still in the creative phase. Tomorrow comes the work.

Taurus (April 20-May 20) - Today is a 7 - Proceed with caution in a delicate situation. You're the one with the common sense, remember? Others may race ahead boldly, but your every move should be carefully calculated. Let their loss be your gain.

Gemini (May 21-June 21) - Today is a 6 - An idea that looks too good to be true is exactly that. Do more research before selling anyone on it. Something about it just doesn't add up. Better that you find the error before they do.

Cancer (June 22-July 22) - Today is a 6 - If you've made a financial mistake over the past few days, don't fret. Learn from the experience. If you avoided one, good work! You're becoming a master.

Leo (July 23-Aug. 22) - Today is a 7 - Hopefully you've exercised at least a little caution lately. Otherwise, you could have either a headache or a bad case of buyer's remorse. Don't let a disappointment stop you, though. You can still make an excellent deal by Friday.

Virgo (Aug. 23-Sept. 22) - Today is a 6 - You're getting stronger, and not a moment too soon. Your newfound confidence will keep you from being bullied. Just because others make more noise doesn't mean they know what they're talking about. You, however, do.

Libra (Sept. 23-Oct 22) - Today is a 7 - The pressure gets more intense as you near the deadline. Don't get complacent. There are still a couple of hurdles to get over before you're through. For a couple of days, sweat the little stuff.

Scorpio (Oct. 23-Nov. 21) - Today is a 6 - Mind your manners; somebody important is watching. This could mean an increase in pay, so try to look reliable and capable of taking on more responsibility. You are, and you may get to prove it.

Sagittarius (Nov. 22-Dec. 21) - Today is an 8 - You'll soon get an opportunity to show your stuff. Don't be caught chatting with friends at the water cooler when the big boss walks by. Instead, busy yourself by closing the Deal of the Century.

Capricorn (Dec. 22-Jan. 19) - Today is a 6 - First, sort through the numbers, then add them up, down and across. You're good at this - once you get into it. Then, celebrate with dinner out. You'll have earned a special treat.

Aquarius (Jan. 20-Feb. 18) - Today is a 7 - There may be a few headaches while details are being handled. Each time you solve one problem, another pops up. Get used to it, and make arrangements to leave earlier on Friday. By then, you should have everything back under control.

Pisces (Feb. 19-March 20) - Today is a 5 - Just when you feel your burden is too much to bear, a friend comes to your rescue. That's the way this day will go, if you take time to call. You may have to go halfway through your address book before you find the right friend, but don't give up. Keep smiling, and keep dialing!

Alpha Gamma Omega

Alpha Gamma Omega is the Christ Centered Fraternity. We have an active brotherhood of 30 men dedicated to God's calling in our lives and to sharing His love with others. WE host an annual Halloween party and we participate in numerous philanthropies throughout Santa Barbara County. Last year we played in, and won, Alpha Chi Omega's annual Ultimate Frisbee tournament. We look forward to this year's tourney in the spring. Additionally, we play in our National Fraternity's annual football tournament at Pismo Beach, which we've won two years in a row.

We try to make an impact on UCSB students living in Isla Vista and on the Greek System. We believe that Jesus Christ is the son of God and that he died so that our sins could be forgiven. Through our lives, we strive to demonstrate the joy that God has given us and its life-changing effects, so that others might develop or deepen their relationship with God.

Within our brotherhood, we work to strengthen each man through encouragement, rather than cutting each other down as is so prevalent in our world today. We meet on Monday nights to discuss the business of our fraternity, and throughout the week we often hang out at the Alpha Gamma Omega house to eat, study, worship, play sports or just to sit and watch TV. Ultimately, Alpha Gamma Omega is a group of men who strive for nothing less than the best possible relationship with Jesus Christ and with each other. We look forward to all the exciting events this quarter and to bringing new men into our brotherhood during our Spring Rush, April 9 through April 12.

Sigma Nu

Sigma Nu welcomes you to Spring Rush 2001. Rush greets you with opportunities to meet new people and see a unique side of our UCSB campus. Sigma Nu provides many opportunities for leadership, scholastics and athletics. We pride ourselves on holding one of the top grade point averages on campus. Having intercollegiate baseball, rugby and soccer players contributes to our athletic spirit. For the past five years Sigma Nu has finished first in the All Greek Football league, and is consistently in the championships of basketball and soccer. We encourage everyone who is interested in any of these aspects to participate in the rush process. See you then.

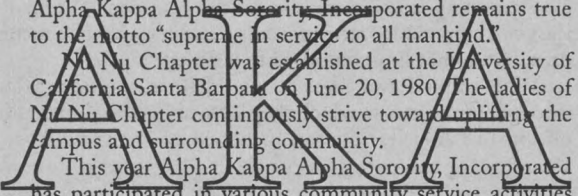

Alpha Kappa Alpha

On Jan. 15, 1908 at Howard University, Alpha Kappa Alpha Sorority Incorporated became the first Greek-lettered organization established by and for Black Women. Ethel Hedgeman Lyle, along with 15 illustrious women created a legacy that has continued to impact the lives of college-trained women. Since its incorporation in 1913, Alpha Kappa Alpha Sorority, Incorporated remains true to the motto "supreme in service to all mankind."

Nu Chapter was established at the University of California Santa Barbara on June 20, 1980. The ladies of Nu Nu Chapter continuously strive toward uplifting the campus and surrounding community.

This year Alpha Kappa Alpha Sorority, Incorporated has participated in various community service activities such as: Investment, Workshop, Credit/Debt Workshop, Test Taking Skills Workshop, weekly Study Hours, Poise "N Ivy Dance, and A Night of Jazz. We also express a commitment to community service by volunteering and/or sponsoring the following activities: Book Award Scholarship, Essay Contest, Annual Coat Drive, Predominant Black Diseases Fact Sheet, The "Quick" Book — a fast and easy cookbook for college students, 20 Ways to Save Your Money Fact Sheet, and Friendship Manor volunteers. We look forward to conducting a Reparations Panel and volunteering for Endowment for Youth in the coming quarter.

ENOUGH SAID.

Sigma Kappa Chi

On October of 1993, the seven founders of Sigma Kappa Chi formally established an Asian American Interest Sorority at the University of California, Santa Barbara. The seven discovered that the Asian American population of the UCSB campus was growing rapidly and that an organization to fulfill the needs of Asian American women was needed. These ladies shared a common desire to unify the women on campus and began the process of establishing a sorority.

With much enthusiasm and dedication, the founding mothers of Sigma Kappa Chi learned the meaning of sisterhood, respect and everlasting friendship. Their intent for the sorority was to provide everlasting sisterhood, cultural awareness in the community and the pursuit of academic excellence. Today Sigma Kappa Chi continues these traditions.

Sigma Kappa Chi engages in both sisterhood activities as well as social. Such sisterhood activities include pledge/active retreats, monthly potlucks and fun trips throughout the year, for example, one to Knotts Scary Farm around Halloween. Social events include interacting with fraternities, other sororities and other campus organizations. Sigma Kappa Chi offers the chance for others to get to know the girls through a program called the "Sun Buddy Program." Through this program those who join get paired up with one member of the sorority. This gives others a chance to build friendships with the sorority. In addition, throughout the year they plan activities in which they hang out with their "Sun Buddy" as well as the sorority as a whole.

Sigma Kappa Chi outreaches to the community around them. The sorority plans at least two community service events a quarter. Our target community is women and children, but do not limit ourselves to just that.

With cultural awareness as one of their traditions, Sigma Kappa Chi has activities throughout the year in which they learn about the Asian culture. Trips to Asian art museums in Los Angeles and San Francisco, to attending Asian American films playing on campus, to participating in the Asian American culture week only names a few ways Sigma Kappa Chi keeps themselves culturally aware of their heritage.

Sigma Kappa Chi believes that each woman in the sorority attends UCSB first and foremost for an education. Sigma Kappa Chi has rules and regulations to help each member attain the best education. Study hours are required for each girl, both for pledges and actives.

The sorority stays strong through their love and respect for each other as well as their business outlook on situations. Sigma Kappa Chi welcomes all UCSB women to become a part of their sorority. They hold two rushes, one in the fall and winter quarter. For more information about us check out our website at www.sbsigmas.home-page.com.

Delta Sigma Theta

The history of Delta Sigma Theta Sorority, Inc. is a tribute to the spirit and imagination of 22

visionary college women. Eighty-seven years ago, at Howard University in Washington, D.C., Delta's youthful, dedicated Founders were committed to establishing

and maintaining a high standard of morality and scholarship among women. These young women envisioned a national organization founded on Christian principles, emphasizing sisterhood and public service.

Through the tremendous efforts of Delta's Founders, the organization continues to thrive as a sisterhood of more than 250,000 predominately Black college educated women. There are over 950 chapters located in the United States, Japan, Germany, the virgin Islands, Bermuda, Haiti, Liberia, the Bahamas and the Republic of Korea. The major programs of the Sorority are based upon the organization's Five Point Thrust.

Delta Sigma Theta Sorority, Inc., Kappa Omega Chapter was founded on the University of California, Santa Barbara campus on Feb. 14, 1974 by seven influential women. Over the years, Kappa Omega members have initiated many activities which lend aid to the Black community in Santa Barbara, as well as the underrepresented minority population on campus. Some of our activities include, but are not limited to: assisting with voter registration, participation in the annual AIDS Walk, Intellectual Delta House, Turkey Drives as well as Thanksgiving Dinner, and an annual Condom Balloon Sale, candlelight vigils, and participation in the Endowment for Youth Black Achievement Awards.

Along with the many Delta sponsored activities, Kappa Omega Chapter members have also been active leaders for the campus politically. Members have expressed their interest in being positive role models by participating in campus groups/organizations such as: Black Student Union, Black Business Association, Black Pre-law, EOP Peer Advisors, Resident Assistants, career Peers, Black Graduation Committee, and participants in Associated Students as members of Finance Board, Community Board and Legislative Council.

The National goals and standards of Delta Sigma Theta that are illustrated in our Five Point Program shine through in our Sisterhood within the members of the Chapter. In addition, our contribution to the local and campus community emulates our strong beliefs in striving to be Successful, Competent, and Positive Role Models for our people.

Kappa Alpha Theta

Once again the women of Kappa Alpha Theta sorority are ready to start the new year off right! The Thetas are looking forward to a great Spring Quarter full of lots of hard work and tons of fun. It's only the beginning of a great quarter packed full of activities from Formal, study nights, TGs, service events, crush parties, weekend trips and Sisterhood events.

Theta's Sisterhood events are a wonderful way for all members to put everything else aside, and just hang out with the girls. This year our "Theta Bowling," "Sisterhood Dinners," and "Study Nights" have brought us all a little closer. We also participate in "Theta Thursdays" where all the members are encouraged to wear their letters on campus every Thursday.

The excitement continues with events that Theta has with some of the other sororities here on campus. Kappa Alpha Theta joined up with Kappa Kappa Gamma for our annual "Queen of Hearts" Crush Party on Feb. 13. We also had a great 4-way with Pi Beta Phi, Pi Kappa Alpha and Lambda Chi Alpha at Q's downtown.

The women of Theta maintain a great balance between school, social events and philanthropy. Our annual golf tournament will take place on May 6 and includes players from the community, local fraternities and other UCSB students. All proceeds from this event are donated to the children of our charity, C.A.S.A. We also participate in other charitable events, such as beach clean-ups and car washes to benefit the Heartspring Organization.

Kappa Alpha Theta sorority prepares women for their journey through life and encourages women to develop intellectually, socially and morally. The Thetas here at UCSB have received numerous Greek Awards, including outstanding community service program, outstanding scholarship, outstanding new member program and outstanding financial management. We have also received the overall Chapter Excellence Award four years in a row. Greek life affords college men and women an amazing opportunity to get the most out of the years they spend here at UCSB. We look forward to a great upcoming Spring and Fall Recruitment in order to give more women the great opportunity to join the Theta family.

Gamma Phi Beta

During winter quarter, Gamma Phi Beta was very active in and out of the UCSB community. To kick off the quarter, 25 Gamma Phis went down to L.A. to appear as part of the studio audience on the "Price is right." To our biggest surprise one of our members was called to "come on down," to contestants' row. Elections were also held in January and 16 new officers ventured down to Irvine for the bi-annual Regional Leadership Conference. There we met up with Gamma Phi Beta Chapters from all over the western United States to discuss and share ideas to improve our chapters. Gamma Phi also spread the Valentine cheer by delivering homemade cookies to the fraternities. In addition, with the help of our sister sorority, we delivered cookies to our local philanthropy, the Isla Vista Youth Project.

Gammie girls are eagerly anticipating Spring Quarter. We plan to score some goals in Fiji Soccer, make multiple touchdowns in Sig Ep Football, and hit many grand slams in Beta Softball. Not only will we be participating in local philanthropic sporting events, but Gamma Phi Beta will be traveling to L.A. to participate in the Inter-Sorority Volleyball Tournament, where we hope to improve upon our third place ranking from last year. We are also looking forward to hosting our annual Casino Night which will take place on May 10 in the Hub. Everyone is invited to attend and will have numerous chances to win big, including a trip to Las Vegas!! Keeping with tradition, we will be helping with the Children's Festival in Downtown Santa Barbara as we have done in many years past. We are also looking forward to having our scholarship banquet where we will get to know our professors better. We are also extremely excited for our spring formal Crescent Ball, which will be overlooking the beaches in Ventura. Lastly, we hop that everyone has a fun, safe and extremely successful spring quarter.

Sigma Chi Omega

In 1993 10 men came together to create an organization that was greatly needed at this UCSB campus. Our founding fathers realized the need for a group that went beyond color and cultural barriers and so established Sigma Chi Omega Multicultural Fraternity. Our fraternity strives to bring together men from different backgrounds that wish to teach and learn from one another.

We pride ourselves on our three principles of MIND, BODY and BROTHERHOOD. We seek men who make

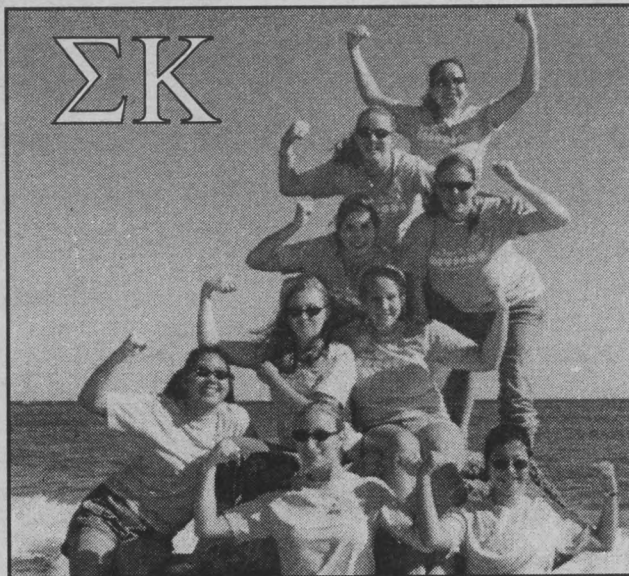

academics a priority, be physically sound, and be willing to contribute to a growing brotherhood. These principles are our foundation; we are a continually changing fraternity but these principles shall always remain constant.

Sigma Chi Omega has been a leader among leaders at UCSB as we have done things only others can imagine. As a local fraternity Sigma Chi Omega realized the need for local Greeks to be represented at UCSB. We established UCSB's Fraternity/Sorority Council's (FSC) Local/Regional Presidency and have remained a force in FSC to this present day. We have created our annual Multicultural show that brings student groups together to honor and celebrate the many different cultures that grace this campus.

- Campus Involvement Award, 1999 and 2000
- Most Improved Academic Program, 2000
- First Annual Dean's Award, 1999
- Most Involved FSC Representative, 1999
- EOP Service Award, 1999 and 2000

Sigma Kappa

Sigma Kappa Sorority is a National Panhellenic Sorority that was founded on Nov. 9, 1874 at Colby College in Waterville, Maine. Our founders were five college women dedicated to the ideals of scholarship, social, service and sisterhood. Now, 126 years later, we the sisters of Sigma Kappa here at UCSB also find ourselves dedicated to the same ideals. We are all students striving for academic excellence, helping each other along the way; we study together and acknowledge achievement and effort in school. Each year we look forward to several date parties, including our annual Disco Inferno and Violet Ball Formal, as well as many other social events such as TGs, Happy Hours and Exchanges with fraternities. We have several philanthropies in which we participate: Maine Sea Coast Mission toy drive, Inherit the Earth beach clean-ups, and we have Sing-A-Longs at Friendship Manor. Not only do we support other Greek philanthropy events, but we also put on two events each year, Sigma Kappa Singled Out and Burrito Bash to raise money for Alzheimer's research. Each year these are two events eagerly anticipated by all Greeks, as well as the rest of the campus. Sisterhood is something that we hold especially close to our hearts; we base it on two ideas, acceptance and support. We accept and appreciate each sister's individuality as an asset to the diversity of our house. Our support for each other is constant through good times and bad. Sigma Kappa has truly provided a home away from home for each and every sister who comes through our doors. It is within our home that we have found a bond that will be cherished and remembered long after we graduate from UCSB.

Alpha Delta Pi

Wow! The sisters of Alpha Delta Pi cannot believe that another year has passed by. Winter quarter has been a fun-filled one for ADPi. All of the girls came back from Winter break ready to share their exciting vacation stories when the girls gathered at their first Monday night meeting of the quarter. There was a lot of information to cover, but it was a breeze for the new Executive Committee and other officers.

Besides the weekly ritual of Monday night meeting, the gathering for the popular television series "Temptation Island" on Wednesday nights was a favorite among the girls. In order to get a good seat on the couch, it was important to get there an hour before the show (if you were not a Dawson's fan, you became one quickly!). This was also a good excuse for ordering Wild Bread!

Alpha Delta Pi also has been active in philanthropy this quarter. Recently, the Tri Counties Blood Bank came to the Pi House as the girls held the first annual blood drive. Walk-ins were welcome as the bank took donations from noon till 3 p.m. Thank you to all of the people who took time out of their busy schedules to come by and donate blood.

ADPi's social calendar was also filled this quarter with TGs, such as Space Cowboys and Footloose. Weekly Happy Hours have been nice to take time out from our hectic academic schedules. Our formal, Diamond Ball, held at the Rincon Beach Club, was also a success. Busses took the girls to and from the club where they ate and danced the night away with the date of their choice.

Winter Quarter has been a busy one, and the girls are looking forward to Spring Break!

ADPi would like to send out their condolences to the families and friends who have lost their loved ones in the tragedies that have recently occurred.

MAKE TRACKS TO THE AREA'S BEST DINING ADVENTURE!

OUR MENU'S UNFORGETTABLE.
Over 35 Entrees Under \$10
 Try something wild ... like our famous Hot Artichoke Dip, Kona BBQ Ribs, Sizzling Fajitas, Caribbean Pot Roast, Fresh Grilled Fish, Safari Steak or Braised Lamb Shanks. Or how about one of our fabulous salads, sandwiches or burgers? And don't miss our Pan Pacific Vegetables with Asian Noodles! Which one will be your favorite? Guess you'll have to try them all to find out!

SOMETHING FOR EVERYONE!
 Will you fit in at the Elephant Bar? Well, we do have some fairly strict rules. You have to be willing to have a good time and be open to being catered to (we're good at that). You're allowed to come in when you're tired and uptight, but you'll have to accept the fact that you are probably going to leave relaxed and in a very good mood. If you can handle all this, you're in. And be sure to bring the kids. We have a special kid's menu with assorted adventures they are sure to love.

DISCOVER THE AREA'S BEST DINING ADVENTURE!
 Which brings us back to exactly where we started ... we'd like you to experience the area's best dining adventure by inviting you to join us! We know that we'll soon become your favorite stomping grounds.

Alpha Chi Omega

Even on a campus as large and diverse as UC Santa Barbara it is hard to miss an organization with such a strong presence as Alpha Chi Omega. With a quarter full of social events, sisterhood activities, sports tournaments and philanthropy functions, the sisters of Alpha Chi find themselves all over campus and throughout the Greek community having fun, getting crazy and developing friendships that will last a lifetime. All this while still maintaining its number one objective? To offer its members a range of opportunities to fulfill their educational goals, display their leadership capabilities, sustain their motivation throughout college and experience the benefits of true sisterhood.

This may sound hard to balance with the frequent TGs, Happy Hours and Date Parties they have each quarter, but the Alpha Chis have no problem socializing with the many fraternities while still achieving top scholastic standards. Some of their favorite themes so far have been Famous Couples, Mardi Gras, Honey-moon in Vegas, their participation in Greek Olympics and their annual Ho-down. Ten of course the year is always ended off with the fantastic "Lovers and Lyres" formal, held every spring. That is always a night to remember.

When Alpha Chis are not at social events, they can often times be found on the field, playing in the annual sports tournaments hosted in the Greek community. They have traditionally participated in tournaments such as Beta Softball, Sig Ep Football, Alpha Phi's "Phi-Ball," NIGL soccer, as well as others. In addition to this, Alpha Chi also hosts its own tournament, the annual Ultimate Frisbee Tournament with participation from every fraternity on campus. The women have a blast serving as coaches for different teams, while at the same time working towards a better cause. This involvement raises

money for their national philanthropy, the Shelter Services for Battered Women and Children. The sisters of Alpha Chi Omega take the issue of community service and retribution very seriously, and strive to hold themselves to a high standard of philanthropic involvement. In addition to supporting their own and other Greek philanthropy causes, members participate in the AIDS walk, the MS Bike-a-thon, the local literacy program, and several other projects throughout the community.

The rewarding experience of giving back to others what they have received from Alpha Chi is just one of the aspects of the sisterhood of Alpha Chi Omega. One of the most important characteristics of alpha chi omega is their lasting friendship through sisterhood. Throughout the year the girls strengthen their bonds by participating in sisterhood events such as road trips to Vegas and Havasu, trips downtown for dinner and a movie, and of course retreats every quarter. During these special times the sisters come together to enjoy each other's company and share in the bond of Alpha Chi.

Alpha Chi Omega strives for every girl to make college the best years of her life. It becomes a home away from home, a support group, and a family of sisters to share the experience of a lifetime! The sisters of Alpha Chi Omega can find solace throughout the stresses of college life, knowing that they have not only found friends during their undergraduate years, but sisters that will endure the years to come.

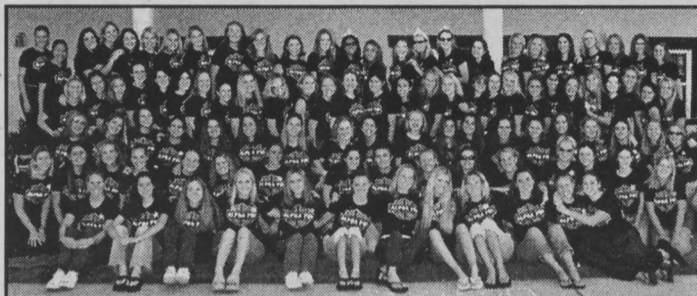

Alpha Phi

Initially, combining this article's subject within the context I am writing seems very problematic. While I want to promote my sorority, I am also writing at a time of crises for our entire campus community. However, it has occurred to me in the events of the past few weeks that an individual's system of support serves an important role in one's life, which in turn affects the dimensions of the community as a whole. This is exactly why I find the sorority of Alpha Phi to be so invaluable in my life, and in the lives of its members.

One of the largest sororities in UCSB, and the United States, the very foundation of Alpha Phi was developed by 10 women who came together to support each other on a predominately male campus in 1872. Since that time Alpha Phi has continued to encourage young women to strive to develop the individual person, both academically and socially, through providing various resources. When asked to express why Alpha Phi is so unique I could point to all the community service events we do such as annually organizing the Phi Ball volleyball tournament, taking place on April 21 in Greek Park, which raises money for heart disease research. I could also choose to focus on the activities that we plan with dif-

ferent fraternities, or the events we participate in as a group such as intramurals or attending different intercollegiate athletic events. But, this is the rightful claim of many sororities, as well as fraternities, that serve the general community, while also planning various activities for its members.

What makes Alpha Phi so unique is the simple fact that we are aware that what we do as a sorority, although important, does not really reflect who we are as an organization of individuals. While each member exists independently from the group, we come together with common goals of community service, athletic championships, or to be resources for each other during various times in our lives not out of dependency, but by choice. Unlike this article, regardless of context, the subject of our organization remains consistent with our founder's vision. As a sorority, Alpha Phi functions as a system of support not only to enhance the individual's university experience, but gives every member the opportunity to be a positive addition to the community as people with their own talents and gifts.

Alpha Epsilon Pi

Alpha Epsilon Pi makes it a priority to assist our school and community, and we are constantly devising new ways of doing this. Last spring, for our annual Mayday party, we asked our guests to bring in cans for the Santa Barbara Foodbank. For Passover, AEPi and Hillel joined forces to host a community Seder that brought the holiday to college students and families throughout Santa Barbara County. This year, we have participated in the MDA lockout, which raises funds for the Muscular Dystrophy Association, and we are hard at work planning our annual philanthropy, Taste of Isla Vista. A festival celebrating the culture of Isla Vista, Taste of I.V. was sponsored by many local restaurants and Kruz 103.3, which broadcast live from our house. All of the proceeds went to the Santa Barbara Foodbank.

Alpha Epsilon Pi has made incredible strides in the last couple of years. In two years, the number of member in our fraternity has doubled, a feat accomplished with hard work and determination. Included in this success are the many examples of members of AEPi who have become leaders at UCSB. Last year, our fraternity had the Associated Students President Jason Nazar, the Inter-Fraternity Council (IFC) president Loren Nelson, and the Hillel President Scott Neitlich. In addition, Hagen Green was elected Legislative Council Off-Campus Representative, and he took on a position as an officer on the Finance Board for the Associated Students. This year, even more brothers of AEPi have become active leaders of campus organizations. Tomer Kleinman will replace Scott Neitlich as the Hillel president, making it two years in a row that an AEPi brother has become the president of Hillel. In addition, David Cygielman has taken on a position in Hillel, and Jourdan Lonier and David Kestenbaum have stepped up on IFC.

With a success epitomized by the leaders of our house, and by the effort put forth towards helping the community, alpha Epsilon Pi continues to be an important presence at the school and in the community. We here at AEPi look back at this last year and reflect on all of the extraordinary things we have done. Keeping this in mind, we look forward to next quarter's endeavors.

Theta Chi

The Theta Sigma Chapter of Theta Chi Fraternity has emerged as one of the strongest hoses at UCSB. Celebrating its seventh year at UCSB, Theta Chi has enjoyed great accomplishments. This year Theta Chi, in conjunction with Alpha Phi, put on Rock MS, a benefit concert for Multiple Sclerosis, in which we raised over \$11,000 for the Nancy Davis "Center Without Walls," a Multiple Sclerosis research center. Due to the outstanding success of Rock MS, we donated the single largest dollar amount ever by a fraternity or sorority to a charitable cause. We are currently planning another concert for next fall and have even higher hopes for this concert. In addition to this, we are organizing our 1st Annual Miss Isla Vista pageant, to take place on May 9, another philanthropic event to benefit the Nancy Davis Center.

Although philanthropy is a vital part of what Theta Chi is all about, we also pride ourselves in the pursuit of academic excellence, athletic events and the social aspects of Greek life. In the upcoming quarter, we look forward to such events as our formal at Lake Arrowhead; we just came back from the Theta Chi Spring Break. Whether it is a date party, TG or just hanging out on a lazy Saturday afternoon, Theta Chi truly exemplifies fun and brotherhood. Our brotherhood has produced leaders in the Greek community as well as on campus, with member on the Inner Fraternity Council, fraternity Sorority Council, Associated Students and many other leadership positions.

Our house is continuing to expand at a rapid pace, and will provide the skills, along with a strong brotherhood, that are needed for future successes both as a fraternity and as individuals. As we go into the future, we will continue to create a stronger brotherhood, and produce tomorrow's leaders today

Kappa Kappa Gamma

The sisters of Kappa Kappa Gamma were thrilled to welcome 25 beautiful and intelligent young women into the chapter during this year's fall recruitment. We couldn't be more proud of our Alpha Thetas. The fun started with Kappa Bid-day, where the chapter was picked up by trolleys and taken to the Elephant Bar restaurant — a good time of feasting, games, pictures and above all sisterhood! The Alpha Thetas also organized our "Welcome to the Jungle"-themed date party.

Our scholarship committee is working hard to keep up Kappa grades. Our chairman has implemented "Kappa As" to recognize outstanding scholastic Kappa achievements. Philanthropy has also kept us busy this year. Many Kappas volunteered at the Lemon Festival, painting faces for children. Other Kappas volunteered for beach clean-up, and at the Multiple Sclerosis society. Kappas are also excited to join the Sigma Phi Epsilon fraternity in their Rock Against Rape.

Sisterhood and social events have kept the sisters of Kappa on their toes! We just held our famous Sapphire Ball at The Big Yellow House, and danced the night away with a beautiful ocean view. We started the year with a Mardi Gras-themed date party, and not too long after held another down-town date party with a jungle theme! We've joined the distinguished gentlemen of the Greek community for a hce-down, a doctors and nurses convention, and to conduct a *very* serious detention. WE recently held a crush party with the beautiful ladies of theta at Q's. The Kappa-No-Mamas have been just as awesome: we carved pumpkins just before Halloween, took a self-defense lesson, and used all our girl power to cheer on the Gaucho men's volleyball team.

Upcoming events?! We're gearing up to reclaim our past victories on the field for Sigma Phi Epsilon's intersorority football tournament, and on the beach at Lambda Chi's intersorority volleyball tournament. Our first ever Favorite Faculty night to honor outstanding professors, and Kappa scholars is upcoming. We are also proud to host "Women Unite," a panel of four women from other countries to discuss women's issues. Gatsby, our infamous 20s-themed gala is right around the corner as well!

Delta Delta Delta

"Rewarding lifelong friendships." "A tight knit group of friends." "A home away from home." "Sharing my talents, goals and ideals." Members of Delta Delta Delta all express similar experiences that sorority life has brought them. The compassion and trust of each Tri Delta increases the strength of her friendships, and she continually develops an appreciation for herself and her chapter, adding her own unique qualities to make Delta Delta Delta special. Being a part of Tri Delta means involvement in many diverse activities, especially philanthropy. Campus-and-community-renowned, our annual *Poseidon Man* event raises thousands of dollars yearly for children's cancer charities, including Cottage Hospital and St. Jude's, and incorporates the hard work and talents of many. This contest for the best all around Greek male brings together the entire Greek, as well as non-Greek community, and last year raised over \$6,000 for our cause.

Philanthropic involvement for Tri Deltas does not end there, however. Across the country, children with cancer are comforted all year long by our letters and cards they receive as pen pals to our members. Also acclaimed for our family relations, Tri-Deltas attend many fun family events each year. *Presents*, an elegant afternoon ceremony in the fall is the first time we present our new members as sorority women to their families. In winter we hold our annual Father-Daughter Ball, an exquisite and memorable affair, and the advent of spring promises sunny weather and our Mother-Daughter Weekend. You are bound to see Tri Deltas all over campus, from athletics and political groups, to on-campus jobs and other clubs. Our active and involved members participate in aspects of Greek and non-Greek life alike, in addition to our fun social life. TGs, date parties, formals, BBQs and happy hours, are all an added bonus to the whole Tri Delta experience. Each member takes away from college the development and discovery of womanhood and the rewards of diverse friendship and opportunity.

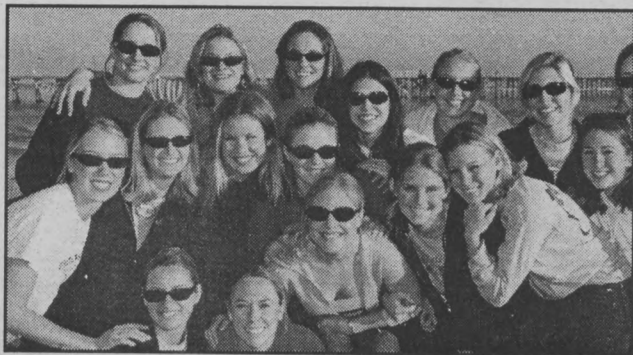

Where can you get all this?

In the Daily Nexus

WEEKEND CONNECTIONS

Comming this Friday!

Pi Beta Phi

This year the Pi Phis have been busy as usual. We started the year off right with a pledge class of 27 beautiful and unique girls. As always we showed these girls how to have a good time. One of our favorite events so far this year was the all-Greek barbecue. We planned this event in an attempt to bring the whole community together. It gave us a chance to meet many new people, and re-kindle old friendships. The barbecue was held at Goleta Beach and we had music, tons of food, and a lot of fun memories. Members from many different sororities and fraternities attended, including many of the special interest house. We enjoyed the opportunity to hang out with houses that we haven't had functions with in the past.

Currently we are working hard on our philanthropy event, "Bowling for Books," which will be held on April 22. The proceeds from our event benefit the Isla Vista Elementary School by allowing them to purchase new books. This is the second year of "Bowling for Books," and this year promises to be bigger and better. Like last year, each team will consist of six players and they will be going for the highest combined score. The winners this year will be surprised by the wonderful prizes we will be offering. We look forward to seeing you all there!

We have also been practicing hard for all of the sporting events coming up in the spring. Pi Phi has been named the sportiest house the past few years, and we are trying hard to win this award again this year. We plan on participating in Sig Ep's football tourney, Alpha Phi's "Phi Ball," Lambda's ISVT, and many of the other sporting events. Our house looks forward to taking part in these events as they are extremely fun for our house; we get to spend time with our sisters and get to know people from other chapters — we can't wait to see many of you on the field!

Pi Kappa Alpha

Stressing the importance of scholarship, leadership, athletics and gentlemanly conduct, Pike has emerged as a dominant force in the UCSB Greek community. Pike has won "Chapter of the Year" eight out of the last 12 years, including four out of the last five. Most importantly, Pike is committed to fostering an atmosphere that is conducive to the bonding of its brothers, whether it be through a road trip to Vegas or during our weekly Friday BBQs.

Pike members are committed to making their college experience as memorable as possible through a packed social calendar filled with events like DG IJOE, Honeymoon in Vegas, Pi Kappa Alcatraz, Screw U, Studs and School Daze. In addition to weekly exchanges with sororities, Pike looks forward to annual events such as the world famous Green Fog, Winter Formal in Snow Summit and Spring Formal in Rosarito Beach, Mexico.

Pike's annual philanthropy, "Fight Night," is UCSB's largest and most exciting athletic event. Pike has consistently sold out Robertson Gym with over 2,500 people in attendance. Last year the amateur boxing tournament raised \$8,259 to the "Say Yes to Kids" Program of Primo Boxing. This charity raises

money for an after school program which is committed to helping the lives of the children of downtown Santa Barbara so they have an alternative to the lures of gangs, drugs and violence.

In athletics, Pike believes that competitions are to be won, not just participated in. This attitude has helped Pike make athletic success a trademark. Pike has won UCSB's Athletic Award repeatedly. Furthermore, Pike is proud to call 15 NCAA athletes brother, including members of such teams as baseball, soccer, rugby, crew and track. Pi Kappa Alpha's efforts and accomplishments illustrate our commitment to excellence, bringing its brothers an unparalleled college experience and creating lifelong friendships.

Sigma Alpha Zeta

As a fairly recent addition to the Greek community at UCSB, the sisters of Sigma Alpha Zeta have established an unbreakable sisterhood that promotes academic excellence and diversity. We focus on giving back to the community and reaching out to the youth. We accomplish this through many events such as working with the Boys and Girls Club of Santa Barbara. We devote hours to the children by offering tutorial services or simply interacting with them as positive role models. Some of our other voluntary services have included our annual Sleepover Night with the girls from the Boys and Girls Club and the cystic Fibrosis Foundation Walk.

Another accomplishment we are very proud of is our involvement in outreach. This year, in conjunction with Hermanos Unidos we are organizing the 2nd Annual Chicano/Latino connection 2001 Outreach Program. The goal of this program is to expose high school students from the Los Angeles area to life at UCSB, and to acquaint them with the multitudes of support programs offered at this university. This program which is scheduled the first week of April will provide workshops, speakers and cultural performances that will encourage students to consider an institution of higher learning.

As university students one of our main goals is our academic excellence. We achieve this through numerous study sessions, organized workshops throughout the year on topics such as time management, study tips and test taking skills. This study environment serves as a support system where we encourage each other to strive for excellence in our academics.

As a result of our continuous involvement in our school and community our bond as sisters only continues to grow. With spring here, outlook remains positive and hopeful for greater academic success, challenging diversity programs and motivating sisterhoods that only add to the strength of our bond.

Alpha Epsilon Phi

Alpha Epsilon Phi sorority exemplifies the meaning of the word sisterhood. Although we all come from different places with different backgrounds and different beliefs, in AEPHI we are all the closest of friends. Being the newest house on campus every girl has an opportunity to grow really close with her sisters and truly develop friendships that will last a lifetime. Gaining an automatic group of friends, study buddies, Saturday night escorts, or just company around the kitchen table is an essential part of our chapter.

Joining AEPHI offers a place to belong and feel loved, and it's a great opportunity to meet more people as well as experience more activities. Every member enjoys our combination of fun socials, philanthropy events, sisterhood activities, and informal bonding that takes place every day. AEPHI balances date parties, movie nights and community service. Our famous philanthropy project, the annual *Men of*

Santa Barbara Calendar attracts campus wide attention, and for good reason considering the hot guys we feature! We also put on fraternity car washes and work at festivals to raise money for our national philanthropy, the Elizabeth Glaser Foundation, fighting to stop pediatric

AIDS.

At AEPHI everyone has an opportunity to take on a leadership position and grow as a person while influencing the house as a whole. Whether it's planning *Serenades*, organizing Recruitment, or even being President, the position is here for you. Our house offers opportunities to experience it all! The great thing is that we manage to balance it all. AEPHI has the number one GPA out of sorority women, for both actives and new members, consistently striving to do well in every aspect of our college lives.

So whether you're looking to make some great new friends, do well in school, meet more people, have fun social events, live in a great house, take on a leadership position, always have something to do on the weekends, or just try something new, look no farther than Alpha Epsilon Phi!

How to do something nice for a friend: Send them a Birthday Message in the Daily Nexus

In your own writing! Choose one of our borders (samples shown) or create your own! (1 1/2" x 2")

Only \$3.25! Deadline is 2 days before the birthday.

Stop by the Nexus Ad Office, underneath Storke Tower, or call Danny for more info at 893-3829.
