New ‘Gaucho’ Ed. Opens Staff Posts

Students interested in working on next year's staff are encouraged to apply for any editorial or non-editorial position. Positions are open for next year's editor, Bruce Loebs (see Page 1 for address and phone number of El Gauchito office).

The student body has been encouraged to get in touch with interested parties to sign up for next year's staff. Positions are wide open. The Dave Pell octet, a group lending modern and traditional music, will be on campus this fall and spring semesters for interested students to sign up for. Students who have paid fees for only one semester must pay an additional $80 to receive their book. Students who have not served in their capacity for at least one year of their original allotment of $80, Torchlight Farewell, Office Manager and Student Manager, will be resolved at the meeting.

Jerry Perry, Tom Harrison, Bob Richards

But the center of controversy was the proposed athletic fund reduction. The Student Senate was distributed the money to the following areas: Freshman Camp $250, Officer Manager $100, Torchlight Farewell $110, Rally Committee $45, Orientation $60, Academic $60, and Student Manager $30. The BAC helped seed the fund with $100, which would be re-invested during the fall and spring semesters.

The Student Senate passed a motion to reduce the athletic fund to $1,509,763, a reduction of $245 from last year. The student body was set at the same rate for next year. The athletic budget again appropriates reserve funds of next year. The athletic fund reduction was defeated by one vote at the Legislative Council Tuesday night. The student body would suffer. The orientation program has already been increased. It will be combined with the Gauchos and consequently lose much of its effectiveness.

The student body has been betrayed. The Council listened to the student calls of professional athletics. The FE Department is not an important part of a liberal arts campus. We had and we had an opportunity to put the athletic program in its proper position, to the benefit of the development of our college.

The controversy on the athletic program was the major stumbling block in passing the next year's budget. All budget figures show a total reduction of $46,776, which is an increase over last year's original allotment of $66,478.

This leaves $4,364 in the unappropriated reserve for next year. These figures were arrived at at our out-of-state meeting in Los Angeles on April 28. The athletic budget again claims the greatest share of the budget. But last year's $3,000 increase in the athletic budget was fueled by $2,976 of the total estimated savings. The athletic budget was worked out by Mr. Shurtleff, who has collaborated with 23% of the total estimated savings. The athletic budget again claims the greatest share of the budget.
TUTORIAL PROGRAM AT UCSB TERMED UNIQUE

During the past decade, at Santa Barbara College, a program of study for honor students has been created, which is unusual in this country and throws new light on the general problem of international relations. The program, which is known as the Tutorial Program, is designed to provide opportunities for students who are interested in the study of international relations and who wish to pursue their studies in a manner that is different from that of the regular students at the college.

The Tutorial Program is unique in several respects. First, it is designed for students who are interested in the study of international relations and who wish to pursue their studies in a manner that is different from that of the regular students at the college. Second, it is designed to provide opportunities for students who are interested in the study of international relations and who wish to pursue their studies in a manner that is different from that of the regular students at the college. Third, it is designed to provide opportunities for students who are interested in the study of international relations and who wish to pursue their studies in a manner that is different from that of the regular students at the college.

NEW LEGISLATIVE COUNCIL MAKES 10 COMMITTEE, BOARD APPOINTMENTS.

In their first meeting since assuming office, the 1956-57 Legislative Council selected committees and board chairman for next year.

The council, with President elect Stan McGinley presiding, met in the Huddle Wednesday evening.

They deliberated over the committee assignments for nearly four hours before reaching the final conclusions.

Billey Heads Finance

Judy Dickey was selected to chair the important Finance Board Committee over Senior Class President elect George Hart. It was set by the council that Hart would have a time problem if he tried to assume both positions.

The key position of Standards Committee head went to former Junior Class President Bob Kiernan in a vote decision over Nick Weitkamer.

Joyce For A.C.R.

Kitty Joyce, who also will serve as Panhellenic President, was selected over Pati Perito for the position.

Off the Wires...

MICHIGAN—A taproom serving beer in University of Michigan's student union might not be a bad idea, thinks UM's dean of men, Walter R. Roe, to reduce illegal drinking among students. Quoted by the Michigan Daily, he said, "If students are to drink, why not do it with the state at least doing something to get any profits going to off campus to drink."

OHIO STATE—These terrifying developments could mean the end of the Ohio State University Student's Easton: There are more than 19,000,000 unmarried women in this country and every last one of these women is having babies. On the basis of these facts, a number of eligible men throughout the country has organized into a Bachelor's Protective Association to assure their own safety.

The BPA is currently circulating its literature in Ohio. For a small fee the BPA will issue a marriage license and marry a man for a full year. Insurance is costly. Also, what price freedom?

FINAL EXAMINATION SCHEDULE

The Committee on Registration and Schedule announces the following:

Changes in the schedule may not be made without approval of the Committee.

NOTE: (1) Classes of two or fewer will have examinations from 8:30 to 10:30 a.m.

(2) Classes held at 3:30 p.m. or during the evening will be scheduled by the instructor at an hour that produces no conflicts for the students.

UCSB THINCLADS END GREAT YEAR

THETAS, LAMBDA CHIS WIN MEET; HEATHS SET BREASTSTROKE RECORD

by Ed Saul

Kappa Alpha Theta with 40 points won the women's division competition of the University of California Dave Russell Memorial Intramural swimming meet last week. The Lambda Chi Alpha men captured the men's division diadem with 30 markers. Sparkling for the KATs were Margaret Miller and Barbara Warner, who both garnered duals in almost every event. Miss Miller performed her way to the women's diving crown with a perfect performance, while Miss Warner wrangled her way to the 25-yard freestyle and the 50-yard freestyle. Sheila Lewis helped out the Theta cause with a second place in the 25-yard backstroke.

Diane Heath of Cordelia was a one-woman show for her team as she was awarded the outstanding female award for her stellar efforts. Miss Heath won the 25-yard freestyle, the 25-yard backstroke and the 25-yard breaststroke.

A new record was established in the women's 75-yard relay with the team of House, Brentlinger, Kelliher, Weiner. Wilson Under 50 Running second in the relay was Santa Barbara Junior College half-mile winner, Joe Nelson (1:57.5), whose 49.5 quarter-mile at Redlands last Saturday rates as his best to date. Wilson was the only veteran runner on this year's relay.

Third position man Dave Buresker, ex-San Luis Obispo sprinter, who made second place in NAIA 220 ranks with his midseason 21.5 against Pepperdine's Carl Lask, also posted a 49.5 in the relay.

Stars in Relay Anchoring for the Gauchos was University High's 1956 quarter-mile champion, Bernie Weiner, at 50.6. Since then Weiner has steadily cut down his time and in the process captured a CCAA silver medal and a gold one at Redlands with a 49.6. He was clocked at 48.3 against Fresno State's Mike Angostini at the Fresno Relays.

Santa Barbara's Bill Collins, NAIA silver medalist with his 1:40.4 mile, has held up the distance this year, while posting a school record in the half-mile (1:06.5) and his early-season 1:41.6. He is continuing his workouts, pointing toward sub-4:10 his NAIA meet on June 7.

Duke of Goleta Two other runners who give Carter great delight are CCAA 100-yard-dash champions Duke Elington (10.0) and 1:57.5 half-mile Curt Davis from Bakersfield Junior College. Ellington has spent the season playing Gauc baseball but took a holiday for this year's conference meets.

Davis, who has been consistent this year, posted his time at last Saturday's Redlands meet. In the field events Don Kelliher made the name for himself by posting a second-place NAIA shot-put mark of 225 7 inches behind Pacific Lutheran's John Fromm. He also is planning on competition at this year's NAIA meet.

Consistent Point Getters Pole vaulter Guts Foss and discus thrower Kelly Hoover also rated as Carter's consistent point getters, along with Brothers. Gaucho hurler Bruce Knipp has improved both his speed and form during the past couple months, boosting Gaucho hopes in that event.

Carter now has cross-country runners to look forward to next fall and, after that, the 1959 edition of Santa Barbara track. For this he justifyfies his high hopes.

Collins, Relay Four Set Marks Kellihier, Weiner, Law Sparkle

Now that the regular 1958 track season is over for Coach Nick Carter's Gauc athletes, he can look back in pride on the fine showing they made for themselves during the past three months. When asked for the one outstanding effort of the year, he has pointed to the 6:19.9 clicking his mile relay team posted at the Fresno meet May 9.

The members of this team have, during the past season, each improved to such an extent that Carter has ventured to predict a sub-4:10 for next year's relay. Redlands High half-mile record holder, 1:57.5, Weinman, has gone three hundred yards with his midseason 21.5 against Pepperdine's Carl Lask, also posted a 49.5 in the relay.

2.5 yards behind SAE, Cypress and Kappa Sigma, Carter now has cross-country runners to look forward to next fall and, after that, the 1959 edition of Santa Barbara track. For this he justifyfies his high hopes.

INTRA-MURAL CROWN IS Captured by SAE Nine

Exploding in the fourth inning for a three run barrage, the Sigma Alpha Epsilon nine captured the intra-mural softball crown by defeating the independent contender, Cypress High, 9-2.

In the big fourth inning, George Franzen started the winners on the way when he singled to right base and then stole second. Jim Robitaille caught a fast ball and smashed it into right center for a home run scoring Franzenman ahead of him.

Bill Ryan followed with a single to left field and Don Lowery drove both runners home when he reached second place in NAIA 220 ranks with his midseason 21.5 against Pepperdine's Carl Lask, also posted a 49.5 in the relay.

 Stars in Relay Anchoring for the Gauchos was University High's 1956 quarter-mile champion, Bernie Weiner, at 50.6. Since then Weiner has steadily cut down his time and in the process captured a CCAA silver medal and a gold one at Redlands with a 49.6.
