Homecoming Queen Rules For Campaigning Revised

The candidates for the Homecoming Queen are urged to note the revised rules this year. The candidates will draw names of their photographer to insure impartiality, and an equal chance for all of the sponsored candidates. Two glamour portraits will be taken of each girl, plus two uniform sets of photos one for the Riviera Campus and one for the Mesa Campus. The photos will be displayed in the main showcases on both campuses and will be taken down by 9:00 a. m. on election day, November 2nd.

The organizations sponsoring the candidates may order additional photos from free-lance photographers for outside publicity, and stunt day, November 1st.

Last Day

The last day to order and make arrangements with the photographer is October 21st. The prints are to be delivered in the ASB office not later than 4:00 p. m. October 25th.

HOMECOMING COMMITTEE

Men's Glee Club To Participate In U.N. Program

The Men's Glee Club, under the direction of Dr. Walter Buchanan, will participate in a special United Nations program in cooperation with other vocal groups from the city schools at 3:00 this Sunday in the Sunken Gardens.

The Glee Club returned today from a concert appearance at Paso Robles.

Next Friday the group leaves for Los Angeles by bus with the marching band for an active schedule in connection with the All-Cal Week-end.

"Our big home concert will be in connection with the Homecoming festivities when we offer a program of song in the auditorium at 8:30 on November 3," stated Buchanan. This appearance will follow the all-college sing on the same date.

Future plans include a concert at Santa Barbara high school on October 26 and a trip to Lancaster on November 4.

SCHOLARSHIPS

All students who are recipients of scholarships from the California Congress of Parents and Teachers are requested to report to the secretary in the office of the Dean of Women, so that every name may be placed on her list of Scholarship Winners for the year 1949-1950.

Students who have received Special Scholarship Awards from other groups are asked to report to the office of the Dean of Women, in order to make the list complete.

Coronet Ballet Troup Is Coming

The Coronet Ballet company, directed by Lasar Galpern, will present several original ballets in the Riviera Auditorium Thursday evening, October 27, at 8:30 p. m. under the sponsorship of the Artists Series Board of the Associated Students.

Advance notices indicate that the ballets are exceptionally varied in character and artistically exciting in their theatrical appeal. Effective, carefully-chosen music, brilliantly played by two concert pianists; imaginative settings and striking costumes create a rich spectacle for the audience, according to those who have seen the show.

Tickets are now on sale in the Graduate Manager's office, according to George Obern, publicity director for the Associated Students. Students may obtain reserved seats in the balcony and the sides of the main floor at a special rate of 74 cents. Better seats at the front or rear of the main floor are priced at \$1.00, while the choicest seats cost \$1.25 and \$1.75. This is a one-night performance, so first-comers will get the best seats.

FLOAT DEADLINE

Applications for floats in the Homecoming parade must be turned in together with a sketch and written description before next Tuesday. Candidates for Homecoming Queen must file pictures for downtown display before this same deadline.

Graduate Manager Bill Russell Gives Notice; Leaves for Position With C.I.F. in So. California

William W. Russell, Graduate Manager for the Associated Students UCSBC since August, 1941, has announced his resignation, effective January 31, 1950, to accept a position in the office of the Commissioner of Athletics for the Southern California section of the California Interscholastic Federation.

Students Rehearse Gershwin Musical; Campus Talent Used

Rehearsals for the coming student presentation of the famous Gershwin musical play, "Of Thee I Sing," are now in progress, according to Theodore Hatlen, chairman of the speech department. The music rehearsals are held every Monday, Wednesday, and Friday noon, while the dramatic parts are rehearsed on Wednesday and Thursday evenings.

Student talent is being used as much as possible in the production, stated Hatlen. The scenery is being designed by Wally Jonason, who is a major in the art department and a student assistant in the speech department. He is designing all thirteen sets required for the production and is supervising the painting. The scenery will be constructed, painted, and handled by Mr. Clark's class in stagecraft. Jonason gained experience designing the scenery in last year's student production of Ibsen's "Hedda Gabler."

Roger Cloutier, another art major, is designing and supervising the construction of all the costumes. He is being assisted by Mary Casmon. The play will require a large number of original costumes, especially for the chorus. A large variety of costumes will be needed, ranging in style from bathing suits to evening gowns.

Another student who is actively participating in the show is Ted Shank, assistant director of the dramatic portions.

Bag Cups, Paddles Tiger Hunters Visit Frat

Last Saturday night, while all the members were at La Playa Field, five unidentified young men entered Delta Tau Delta's Mission Canyon fraternity house and carried off the organization's trophies and paddles.

Bob Grate, Delta treasurer, home alone with the budget, admitted a gentleman who asked for Tom Dailey, house manager. Grate said he was at the football game. A few minutes later the visitor was back with five friends.

They frowned menacingly at Grate and demanded he tell them the whereabouts of the tiger.

Grate, completely surprised by the question, asked the men what they were talking about. "We know the Deltas got it," one of them snarled. Grate later said, "I told them we certainly are not the type of people who keep tigers in our house, but if they thought one might be here they could look around. I didn't see any big game hunting equipment with them, and I thought at the time they were being very brave about the whole thing."

Two of the men talked with Grate attempting to get him to admit that he knew where to find

Russell has accepted an assignment in the Commissioner's Office with the understanding that he will succeed Seth Van Patton when he retires July 1, 1950, after 22 years of service to the high school athletic federation as its Commissioner.

Similar Duties

Russell's duties in his new post will be similar to those he has at UCSBC, since he will manage all playoff games for the CIF championships, compile officials lists and assign men to umpire games, rule on high school eligibility cases within the CIF code, give sanction of athletic tournament if they meet CIF standards, and in general act as coordinator for high school interscholastic competition throughout Southern California. The CIF office will be located at the Helms Athletic Foundation Building in Los Angeles.

Long Prominent

Graduated from UCSBC in 1940 with a major in history and minors in English, economics, and physical education, Bill has long been a prominent campus figure. As an undergraduate, he participated in student government on numerous boards and committees, as well as earning his varsity letter in basketball and baseball. Russell was elected captain of the 1940 basketball team which won the only Santa Barbara College CCAA conference championship in that sport to date. In his senior year he was given the Associated Men Students Award for leadership, scholarship, service, and character.

No action has been taken at this date to secure a man to replace Russell here.

EDITORIAL

We reprint in part a news item from the Daily Californian as being of interest to the student body. It seems as though we are not the only campus with college spirit.

S. C. ROOTERS KIDNAP OSKI

Oski's been "barnapped."

This disclosure was made yesterday by Tom Young, chairman of Rally Committee, after receipt of a telegram from Los Angeles which read:

"Weather is fine. Think I will stay. Oskie" (sic). A gleeful "Thank you" was added to the telegram as a postscript.

Young charged that early Sunday morning our visitors from the South" broken open Rally council's locker in the stadium, where Oskie was hibernating until Saturday's game with the University of Washington, and kidnapped the lovable little mascot.

Young said that the Rally council was launching a full investigation of the circumstances and had requested the cooperation of Los Angeles police in locating Oskie and apprehending his kidnapers.

He said that tracers have already been sent to "certain persons" in the Los Angeles area who might have some inside information as to where Oskie is being held.

"Nothing more has been learned," Young muttered.

In view of recent development on our own campus, it would seem that a veritable crime wave of mascot and trophy thefts will soon permeate the California college system.

We feel deeply distressed about California's loss of Oski, and feel sure that the eight campuses of UC will band together to apprehend the culprits. USC (and Oxy) BEWARE!

Candidates will be introduced to the student body at noon on Monday, October 31st, at the Riviera Quad, and immediately following at the Mesa Campus.

Stunt Day

Tuesday, November 1st, stunt day for all candidates, will be

handled in the usual manner with the university urging the students to remember the rules concerning the defacement of town and university property. Naturally all organizations must keep their stunts within the bounds of good taste.

All publicity, off-campus included, for the whole campaign must be cleared through Jo Gunderson, publicity manager for the Homecoming Queen campaign. Office hours are: Tuesday and Thursday, 10:00, and Wednesday, 11:00, in the ASB office. Additional information regarding cost and size of photos should be obtained by candidates in the ASB office.

JOTTINGS

By Jan

This last week-end saw two of the most fun-crowded days of the semester. Friday night was the triumphant beginning of the football conference games. The rooters yelled themselves hoarse. Among those rooters were: Jan Hood with Royal Cathcart, Freddie Nation with Bill Hamilton, Audrey Scott with Don Maiers. Among the "football widows" were Eleanor Conte, who attended the after-game dance with Gordon Hardey, Nellie Hart went with Dick Johnson, and Betty Vaughn with Hal Hall.

Saturday was the Goleta Opener. That was the day that some of the freshman boys got a mud-pack! Later in the evening the Freshman Tribunal was held, at which time the judge, Frank Warren, was told to "take off those red socks."

A dance for all students was a perfect end to a perfect day. Among those who attended were: Robin Sikking and Vic Doerner, Claudia Park and Don Martin, and Betty Liff who was with Marc Haines.

Last Saturday evening at the Lutheran church in Santa Barbara, Shirley Cutter, a junior and a D. Z. pledge, and John Erickson, a graduate of last June, were married. Best wishes to you both.

LEAVES

FROM THE COUNCIL NOTE-BOOK BY DON MILLS

Many things have been accomplished in the last Council meeting Tuesday night in Ridge Hall. The most important was the official establishment of a reserve fund for the Board of Athletic Control, Music Control Board, Activities Control Board, and Inventory of Equipment. These governmental groups had long had a reserve fund from which to draw in the event that expected income did not meet expectations. But the new constitution did not make any specific provisions for such a fund. Instead it read that all monies from boards and committees unspent by the end of the year would revert to the General Fund, which unofficially has been used as a means of building up our Student Union Fund.

The amendment to the by-laws of the constitution was passed by the voting and non-voting members of council (e. g., board and committee chairmen or their representatives) and should benefit the student body through the more efficient handling of its money.

White pull-over sweaters were

approved by the group as awards for all voting and non-voting members of the Student Council, and three parking spaces have been reserved for council members that are engaged in official ASB business.

A recommendation from council was referred to the Press Control Board advocating a revision of the editorial policy for student publications. More on that later. And that's 30.

Open Letter

Dear People,

How do you like that new campus? Great stuff, isn't it? It's something to look forward to. Although we may never see it ourselves, we know that Santa Barbara will be one of the best, if not the best, schools on the coast. As alumni we can look back and say, "We were there when U. C. S. B. C. first moved to Goleta. It will certainly be a wonderful school to which to send our children.

The opening was loads of fun, wasn't it? So what if we were just a little blue when we thought of missing it all. The turnout was wonderful, just the way it should be at all school affairs. If we keep up this sort of participation we won't need a Goleta campus to make us great.

INJURIES PLAGUE GRIDMEN

THEY'RE ALWAYS IN THE MIDDLE—Gauchos centers, from left to right, are Warren Vinton, Dick Schaefer, and Mike Moropoulos, shown ready for action and itching to go out after San Jose tonight. All three men have been exceptionally outstanding on defense.

Spartans Rate 21 Point Edge Over Gauchos in Tonight's Game

Roy Engle's Gaucho grid crew, with one win in four starts behind them, head north for their second conference clash of the season against San Jose's rampaging Spartans tonight. Kickoff time is set for 8:00 p. m.

The well-known crying towel that's been kicked around the Pacific Coast Conference gridirons lately went to Engle this week, as seven first-stringers fell to the injury block. Out are Fred Lloyd, ankle; Bob Wooldridge, bad leg; Wayne Templeton, ankle, and Doug Corri,

Women Urged to Join WAA for Hockey Tilts

"The Women's Athletic Association is open to ALL women on the campus who are interested in participating in women's sports," emphasized Mary Mott, president.

Melva Heinsohn, hockey manager, invites all women students to come out for hockey now. The annual hockey game with Westmont College is coming up soon, and many more players are needed.

All you have to do to join W. A. A. is come out, ready to play, to the athletic field any time between 3:00 and 4:30, Mondays and Wednesdays. Instruction is given to beginning players. There will be plenty of good competition for those who are more advanced.

Membership is dependent entirely on participation. Anyone participating in 80 per cent of the active sports can become a voting member and run for office. But whether you want to participate in 80 per cent of the activities or not, you are urged to come and join into the fun.

Mural Volley Ball To Start on Nov. 7

Beginning November 7 intramural volleyball will hold forth on the athletic field near the infirmary. Games will be played on Monday, Tuesday, and Thursday at 3:00 and 4:00 p. m.

Teams will be made up of 12-man squads with six men on a team. All interested individuals may find rules on the bulletin board in front of the men's gym or in Mr. Kaywood's office, West Hall 110. Any group of six to twelve men may sign up as a team, and club teams are especially invited.

Last year's champions, the Beta Gamma Tau fraternity, will again be the leading contenders with a lot of competition expected from the other entries.

ankle and will miss the Santa Barbara game this Friday night.

dislocated left knee. Tommy White has a cold and Ken Brittingham is out with an injured back muscle. With a depleted roster like this one, it's easy to see why there was no joy in the Gaucho camp this week.

Depending upon Dick Johnson to rip off long yardage gains as he did against Fresno, and fleet Tom Kelley for added assistance in the running department, Engle thinks there is a possible chance to stymie the Golden Raiders. Rolie Brice proved himself a threat on offense as well as defense, running for an average of five yards per carry against Fresno.

Captain for tonight's game, Le Roy Criss, played his best game of the season defensively last Friday night. He constantly rushed the Bulldog backfield, knocking down attempted passes and would-be passers.

San Jose will enter the action 21-point favorites. Word has it that their first two strings could be discharged and the Gauchos would still have a fight on their hands with the third and fourth teams. Standouts for Coach Bill Hubbard's eleven are signal collar Gene Genges, halfback Harry Russell, and fullback Harry Beck.

Menges, prior to the University of San Francisco game, had a record of 36 completed passes out of 56 attempts for 565 yards. Beck, their star punt artist, hasn't kicked the ball less than 40 yards all year.

A sharp "T" formation operates behind a line which is reputed to have a spread from sideline to sideline. Supplying the brunt of the forward wall are tackles Harold Bristow and Bill Gallagher, transfer from Compton J. C. Dick Bondelie and Vico Bondietti, the guards, tip the scales at 195 even, with center Bob Covey, a two-year letterman, in the middle of the line. Wingman Junior Morgan, who played the best defensive game against Stanford, starts at left end, and Billy Wilson starts at the other flank post.

San Jose broke into the 1949 season by ruining the University of Mexico, 103 - 0, and claiming the honor of the highest scoring team in the country. The following week they were set back by Stanford 49 - 0. Thus far they have a three-win, three-loss record on their ledger.

Probable starting lineups:

S.J. Thrice Beaten by Toughest Competition

SAN JOSE, Oct. 20.—Speaking at Associated Oil's kickoff luncheon in September, Bill Hubbard, San Jose State football mentor, recalled a story by Pop Warner in which the famous and revered coach said, "If you want to keep playing those big schools, scare the daylight out of them, but don't beat them."

On that basis, Hubbard's Spartans should be assured of major games for some years to come. Last year the Golden Raiders "scared" both Stanford and St. Mary's before losing in the final quarter; this season Santa Clara and USF have been forced to come from behind to nip the Spartans.

Friday night San Jose added USF to the scare list, leading the Dons late in the fourth quarter only to have Ollie Matson, the great USF sophomore, erupt for two tallies within 90 seconds. The Dons won, 27-20.

Before Matson's spree, Harry Russell, veteran Spartan halfback, loomed as the start of the test. A standout defensively, Rusty averaged 9.7 yards per carry in his greatest offensive performance. His 66-yard scoring center, which put the Spartans ahead, 20-13, was a masterpiece as he shook loose from several tacklers at the scrimmage line, darted and twisted behind good downfield interference, then outlegged the last Don defenders.

Guard Dick Harding, standout in the Spartan line, injured an
