SANTA BARBARA STATE COLLEGE—SANTA BARBARA, CALIFORNIA, FRIDAY, JAN. 29, 1926

NO. 18

JUNIOR CERTIFICATES ARE RECOGNIZED IN EASTERN UNIVERSITY

Recognition Received From Illinois University Last Monday

According to an official document received by President Phelps last Monday and filed Wednesday, the University of Illinois, one of the larger universities in the United States, has formally agreed to accept the Junior Certificates granted by this institution on a basis of the work given here for Junior standing.

The action was the outcome of an effort on the part of Miss Edith Bond who was graduated from this institution with a lower division certificate two years ago, to gain entrance into the eastern university with a Junior rating. The University of Illinois sent President Phelps so many blanks to fill out telling of the basis of the work given here that it was impossible to acknowledge the blanks, the precedent which might thus be set, that of filling out similar blanks for every student that might desire to transfer credits from this college, being considered undesirable.

This prompted the University of Illinois to send formal recognition of Junior Certificates from this institution to President Phelps so that all students given these certificates here might transfer directly to that university.

Individual certificates have been recognized before, but this is the first time the college has received recognition as a whole from the University of Illinois.

Janssens is Re-elected To A. W. S. Presidency

At the A.W.S. meeting held last Tuesday, new officers for the spring semester were elected. Ester Janssens was re-elected president. The other officers elected were Edith Comstock, vice-president; Charlene Hord, secretary; Kathryn Kueffer, treasurer; Grace Miksch, Clubroom chairman; Dorothy Kimes, student councilor and Clara Parrett, social chairman.

Preparations are now being made for the annual High Tea which will be held February 13. Each year the A.W.S. gives a tea of this sort in honor of the women faculty members.

Graduate Members Honored In Sorority Dinner

The Delta Zeta Delta Sorority enjoyed a dinner at the sorority house last Wednesday evening in honor of Lucille Dexter, rush captain, and Irma Learned, vice-president of the sorority, who are graduating this week. Graduation gifts were presented to the women.

The sorority was fortunate in securing Mrs. Esther Long as an honorary member a short time ago.

Registration of Students In Office Today and Tomorrow

Re-registration of students for the spring semester will take place all day today and tomorrow until noon in the main office. Students who registered at the first of the year will not have to fill out so much data with this registration, but payment of Student Body dues and registration fees will take place.

All students are urged to get registered as promptly as possible, because the registrar will close her books Saturday noon to all students who are not new on the campus. Department heads will be in their offices during registration to assist the students in overcoming conflicts.

White semester program cards will be due to the department heads and three copies of the daily program cards will be due in the office just two weeks from today. A fine of one dollar will be charged if these cards are not turned in at this time.

EXAM. JUBILEE DANCE GIVEN TONIGHT IN GYM

After a gruelling week of strenuous examinations the college will celebrate the release of tension and the end of the school year with an Exam Jubilee and mid-year graduation dance. This affair will take place in the college gymnasium Friday evening between the hours of 8:30 and 11:30. The Channel City Serenaders of syn-copating fame will furnish the jazz for the occasion, and the program will consist solely of regular dancing made novel by an interspersal of whistle and clap dances.

Phil Brotherton, social chairman, has the following students working on committees for the arrangement of the evening's entertainment: Ruth Chalmers, Clara Parrett, Charlotte Bellman, Irma Learned, Lucile Dexter, Harold Furman, and Warren Atwood. These people claim that examinations are over and that there is absolutely no legitimate excuse for anyone to miss this dance—unless he wants to miss a good time.

Q. E. S. Elects Officers For New Semester

The Q. E. S. Club elected officers Monday noon for the coming semester. Ruth Hunt was re-elected president. The new officers include Pauline Zabler, vice-president; Esther Hawley, secretary; Louise Baer, treasurer; Janice Erwin, social chairman. Those retiring from office are Dorothy Watts, vice-president; Annie Scolari, secretary; Lucile Chandler, treasurer and Harriet McKay, social chairman.

UNIVERSAL COMPANY FILMS STUDENTS HERE NEXT TUESDAY

College Will Celebrate Ground Hog Day As Midsummer

Arrangements for filming the college and the students were made a week ago last Monday by President Phelps with the Universal Film Company for a unique celebration of Ground Hog's Day on the campus which promises to become the basis of a tradition.

The fact that Ground Hog's Day is accompanied by such agreeable weather in Santa Barbara and such an otherwise condition in the east inspired President Phelps to make these arrangements with the studio, for next Tuesday. The students will be filmed in various positions about the campus and the town to show the people in the east who are at present cuddling around stoves just how Southern Californians are enjoying the season.

It is the plan of President Phelps to make a real celebration out of the day, which, if it turns out to be a complete success, will probably set a tradition for a college picnic to be held on the first or second day after registration for the spring semester each year.

As was arranged in the Men's Club and A.W.S. meetings held last Tuesday, the students will come to the college prepared to celebrate the day and carry out the plans as laid out by President Phelps. If weather predictions for Tuesday declare conditions unfavorable for the best pictures, as many scenes as possible will be taken on Monday.

President Phelps has asked as many students as possible to appear on the campus Tuesday in summer regalia suggestive of sports such as tennis and golf. As many as possible are asked to wear white flannels or golf knickers and to bring tennis rackets or golf clubs.

The first scene will be taken in front of the college showing the approach to the main building with scenes of the cloisters and court with college in session. These pictures will be filmed at 11 o'clock. Then the students will get into machines and go directly to Alameda Park where they will park their cars on the west side of the park, walk back to the east side and be filmed coming through the park from the east side.

After this, the students will be filmed on the beach for the third scene. Here students will be seen running races and lounging or swimming in bathing suits. A bath house has been secured across the boulevard for the use of the students at this time. President Phelps has also arranged with several firms for procuring beach umbrellas for the pictures. At least a hundred students in bathing suits

No. 1 continued on page 3

Classes Choose Officers For Spring Term Yesterday

Class elections were held yesterday. Leland Gammill was elected president of the Freshman class; Fred Jacobs is the new president of the Sophomores; and Janice Kennedy was re-elected head of the Junior class.

Gammill replaces Art Evans, who will not be with the class next semester. Marian Hauan was re-elected vice-president. Charlotte Bellman was chosen as secretary, and Dale Hartley was elected treasurer, filling the vacancy caused by the election of Gammill to the presidency. Last semester Dorothy Elliott was secretary.

The Sophomores put in Eleanor Hicks as vice-president; Dorothy Kimes was given the secretaryship; and Clarence Annin was elected treasurer.

The Juniors, by unanimous vote, re-elected all of their officers. Harriet Coleman is vice-president; Grace Miksch is secretary; and Oran Booth takes care of the Junior money.

C. M. MEN ENTERTAIN AT REC. CENTER THURSDAY

Next Thursday evening the Community Mechanics Club will have a get-together dinner and entertainment at Recreation Center, in the men's club room. The club has arranged for some outside speakers who will speak to the men on what they can expect on entering the teaching field.

Arrangements have been made to have some good peppy music, including some numbers by the men's Glee Club and also some vaudeville stunts. It is the aim of the C. M. Club to make this an educational event as well as a good entertainment.

Chef Ted Marshall has been engaged to prepare the dinner for the evening and promises an excellent feed. Anyone who has been to any of the other C. M. feeds knows of the ability of this promising young chef to put on a real dinner. Dinner will be served promptly at 6:30 p.m. for the small charge of fifty cents.

Subject A Exam

The English Subject A examination will be held late next Monday afternoon at the college. The exact location and time has not been decided upon.

The examination is held for incoming students and for those who failed and have taken the course in English X. According to Dr. Maxwell, students who have not taken English X will not be permitted to take the examination.

The usual fee of fifty cents will be charged, due at examination time.

TWENTY STUDENTS TO RECEIVE CERTIFICATES & DEGREES THURSDAY

Sixteen G.P., Two J.C., and Three Home Economics Certificates Given

Graduation diplomas were awarded to the mid-year graduates last night at the graduate dinner held in the cafeteria. Sixteen General Professional teaching certificates, two Junior College certificates and three Home Economic certificates and degrees were awarded.

Those graduating with general professional honors are Josephine Bolton, Grace Chandler, Madeline Connell, Lucile Dexter, Mary Ellen Chapman, Ruth Garner, Janice Kennedy, Vesta Jackson, Alma Larsen, Irma Learned, Eva Marshburn, Harriet McKay, Margaret McTavish, Coletha Nicholson, Grace Toll and Anna Odrezza. The above are receiving certificates to teach in the elementary schools of California.

A bachelor degree in home economics as well as a teaching certificate were awarded Hazel Hill, Laura Tade and Jessica Lemmon.

Junior certificate honors, entitling them to junior standing at the University of California, were given Anna Odrezza and Philip Smith.

Graduation Supper Last Night Informal graduation exercises for the graduates were held last night. A dinner at 6:15 preceded the program, which was as follows:

1. Selections, Men's Glee Club.
 - (a) "Invictus" (Bruno Huhn).
 - (b) "Morning" (from Peer Gynt Suite by Grieg).
2. Violin Solo "Lanse Tzigane No. 1 (Nachez), Margaret Ellison, accompanied by Elida Peterson.
3. Vocal solo, "The Morning Wind" (Bena Branscombe), Irma Learned.
4. Speaker, Dr. Alexander Irvine.
5. Old English Songs, Madeline Connell.
 - (a) "The Lark" (Gilbert).
 - (b) "My Lovely Celia" (Monro).
6. Awarding of Diplomas. President C. L. Phelps.
7. "Our College Grand."

Graduates Receive Positions Three graduates have already secured teaching positions. Ruth Garner will teach at Bellflower; Vesta Jackson will be placed on the local McKinley grammar school faculty; and Mary Ellen Chapman will teach in the city grammar school at Oxnard.

Oakland Men Visit

Mr. Rudolph Linguist, F. A. Cauch and C. L. Prosser, three members of the Oakland School system, visited the college last Monday to look over the courses and systems of instruction in the Community Mechanics Department here. The men expressed their approval of the program of courses.

THE FALL SEMESTER

The first semester is over. On the whole we feel that things have been a general success on the campus and the students are better prepared to go on with a bigger and better semester ahead of them.

Within the semester the three lower classes of the college have had turns ruling the campus and have securely cemented their celebrations as traditions on the campus.

The football season and basketball season so far have been quite successful, the Roadrunners having won more games and scored many more points than their opponents.

During the semester Columbia University acknowledged formal recognition of the A.B. degrees granted at this college and privilege to grant degrees in the Art Department has been given. These are important steps in the progress of the college toward a nationally recognized institution.

College spirit here has also taken decided strides. Ever since the Sophomores gave the Freshmen their reception at the opening of the year, spirit withing the college has been on a fairly high pitch. The Pep Committee organized during the semester is largely responsible for this.

Campus organizations have fared very well also during the term. The fraternity and sorority initiations reflected this attitude among the students.

Lastly, *The Eagle* has emerged from a very prosperous semester. Thanks to Irwin Vandam, the weekly was successfully enlarged from a four-column to a five-column paper without additional funds from the Student Body. The students are also to be complimented upon the splendid spirit with which they helped *The Eagle* by patronizing the advertisers. As a result of this spirit, two-thirds of the cost of publication instead of the previous one-half has been borne by the advertisers.

Surely there is no room for pessimists on the campus. Let's keep the old spirit alive through the next semester and finish up big.

NEXT TUESDAY

The Ground Hog Day celebration to be put over next Tuesday will mean a lot for the college, and it behooves us here to remind the students again that co-operation of the entire Student Body is the only thing that can put it over big.

The success of the day will be the deciding factor as to whether or not the event will start a tradition on the campus for celebrating the first day after registration with a picnic to start the spring semester off. In our opinion, this is something the college needs. Let's put it over.

FINALS

The finals are over at last. They have followed the old semester into oblivion to make way for a new term. Some of the students have reason to rejoice and others have not, but we are all glad they are over.

There have been many complaints among the students about the exams being scheduled all for the same day. This, according to the dissenters, doesn't give the students a chance to cram for the exams and is for that reason unfair.

If the students must cram, perhaps there is a reason for complaint; but there is something wrong with the system of studying if cramming is necessary. If things went right, the student should be glad to have the exams all at once and get them out of the way.

There are some new chairs in several of the lecture rooms. Just because these chairs were made at San Quentin is no reason they should not be regarded as state property. Let's see how long we can keep them clean.

YE KAMPUS GOSSPE

BY CASEY BEE

IT HAS always.

BEEN THE custom.

FOR INJURED people.

TO REMEDY THEIR ills.

BY APPROPRIATE reparation.

BUT OCCASIONALLY such.

CUSTOMS ARE flopped.

BECAUSE.

THE OTHER nite.

DURING THE LA Verne game.

A CERTAIN LYMAN Curtis.

RUNNING GUARD on the local.

ROADRUNNER quintet.)

CONCEIVED THE idea.

DURING THE second half.

THAT.

THE ROADRUNNERS' portion.

OF THE SCORE was.

THE MEANEST CUT of all.

AND SO HE STARTED a rally.

WHICH SENT the old casaba.

ON A CONTINUOUS cruise.

THRU THE basket.

AND THE SCORE-keeper.

WAS RINGING up points.

BY THE bushel.

BUT RUNNING-guard Curtis.

GOT TANGLED in his feet.

AND fell.

AND DISABLED his left knee.

AND AFTER the game.

COACH COLLECTED bandages.

AND LINIMENT and arnica.

AND ADHESIVE tape.

AND HE WORKED and swore.

AND SWEATED and adjusted.

AND YANKED and doctored.

UNTIL THAT KNEE was fixed.

AND WITH ONE sigh and amen.

CURTIS was instructed.

TO BE KIND to the knee.

AND SEVERAL DAYS LATER when.

HE COULD perambulate.

WITH A crutch.

CASEY SPOTTED HIS running-guard.

NAVIGATING down the corridors.

AND WITH ONE WELL-focused eyefull.

CASEY'S ARMS went up in despair.

BECAUSE.

THE RUNNING-guard.

USED HIS crutch.

ON THE WRONG side!

I THANK you.

Most Any of Us

Oh, the first semester's over
And he thinks it is the bunk,
For all the things that he has made
Look like a lot of junk.
And the subjects that he "studied"
They all seem to him quite punk.
He has taken it so easy
That now he's 'fraid he'll flunk.

He must do the work all over,
Is the stern prof's decree.
Yes, he will do it better
He meekly does agree.
He will have to do it better
And so earn his degree;
But the work piled on his table
Is suggestive of debris.

C. A. Brockus.

STUDENT OPINION

This column is conducted by The Eagle for the benefit of the students. All letters are requested to be as brief as possible. They must contain the name of the writer, although it will be suppressed if desired. Place communications in The Eagle box. The Eagle will assume no responsibility for views published.

Dear Editor:

Being an upper class student and a true sportsman I cannot refrain from penning my objections to the actions of our sport fans at the last basketball game with La Verne college.

Even though a man plays good basketball, occasionally he will foul and we all agree that as a rule it is entirely unintentional. Were it not for this fact our college team would have little use of a referee.

Last Friday night when the referee "called fouls" on a few members of our team the gallery of students "booed him;" they razed him; they yelled at him.

To my notion that was uncalled for; it was unsportsman-like and surely gained for us no reputation of value.

If we don't like the referee, we should instruct our coach not to hire him. If we don't like the opposing teams, we should not play them.

"Batch," '27.

She (moonlight and everything):
What does love mean, anyhow?
Frosh (embarrassed): Er—it means nothing in tennis.

Miss Portune Sings For Men's Glee Club

At their regular meeting Monday night of this week, the members of the Glee Club were treated to a very pleasant surprise. Through the influence of William Hartsorn, Club Director and Accompanist, Miss Helen Portune, soprano soloist, favored the men with three numbers. The selections were: "Homing" by Del Riego, "This Want of You" by Vanderpool and "My Thoughts Are You," by Cadman.

Miss Portune has a wonderful soprano voice and has just finished a tour of the United States, singing in many of the larger cities. She is now a soloist for the Methodist Church, replacing Mrs. Barnett of the College Faculty who is at Berkeley on leave of absence.

Delta Sigs Entertain

The Delta Sigma Epsilon girls met Monday night at the home of Miss Isabel Bolton. After a delightful supper the installation of officers for the coming semester took place, followed by a theatre party in honor of Miss Pond, faculty sponsor, and the women who are graduating this semester.

Absent-minded jumper (after falling 200 feet): Dear me, I've gone and forgotten that blamed parachute.

PRESIDENT PHELPS OUTLINES REQUIREMENTS DEMANDED OF COLLEGES BY STUDENTS

By President Phelps

Selection of a college is often made on the basis of whether its offering is classical, cultural, professional or vocational; upon whether or not it insists on college board examinations for entrance; whether it has winning teams in athletics or whether it has a strong religious influence. But after the choice has been made, there are three very definite things that students have a right to expect of the college of their choice:

First. It should give a substantial academic training which is broad and cultural.

Second. It should give facility in some technical line of work which has its practical applications to the problems of life.

Third. It should give theoretical applications of knowledge and skill obtained, together with at least a minimum amount of practical experience in their use.

A college may do much more than these three things, but it is my belief that if it falls short in respect to either one of these three points it is failing by that much in its obligation to students. Insofar as either one of these is neglected by the college, it must be made up later by the individual on his own account, and the reason why so many college educations fail to function satisfactorily is because one or more of these vital points has been neglected.

President Phelps Visits Mitchell and Wolf

President Phelps left the college last Wednesday afternoon to confer with Mr. Don Mitchell of the Universal Film company about the celebration next Tuesday. While in Los Angeles President Phelps also plans to visit Mr. Wolf, head of the Art Department, who is studying in Los Angeles with a year's leave of absence.

Gym Class Opens Here

The gym class to be conducted by Seldon Spaulding for college students will be held on Mondays, Wednesdays and Fridays at 4:30. President Phelps has arranged that one-half unit of P. E. credit be given for a semester course in the class.

The class will be open to all men students of the college. Robert Wormser and James Chichester have charge of arrangements.

Many inquiries were made last week for lost books, they hadn't been missed before.

Labor President Addresses Economics Class

Frank C. McDonald, president of the State Building and Trade Council, spoke to the 2-unit economics class yesterday on "The Achievements of Union Labor."

Mr. McDonald traced the development of the organization from its start during revolutionary times. He also outlined the accomplishment of the trade unions as stopping the immigration of Chinese coolies, restricting the immigration of Japanese, placing into effect child labor, and establishing safety for workers in industry.

Mr. McDonald was scheduled to deliver the same talk to Dr. Ellison's contemporary civilization class last Wednesday, but was unable to fill the appointment. Jay Smedley, local councilman and labor representative, accompanied Mr. McDonald on his talk to the economics class.

Fraternity Enjoys Dance Last Friday Night

According to those who attended the Beta Sigma Chi Fraternity Dance at the home of Mr. Francis Peteler, nothing can be said that would over-praise the affair and that it was the best club dance of the season.

The evening's entertainment consisted in dancing and there were several feature dances during the evening. The room was decorated with the fraternity colors, black and gold, and a clever lighting effect was obtained by subdued and colored lights.

The entertainment was climaxed by the serving of a buffet dinner which was directly preceded by a surprise for the ladies present. Favors as small remembrances of the evening were given. The entertainment was chaperoned by Mrs. Peteler and Mr. and Mrs. Walker.

No. 1 Continued from Page 1

are needed to make this scene a success. Scenes of swimmers will be very short, thereby eliminating the possibility of discomfort in the water.

Arrangements will probably be made with Miss Churchill of the college cafeteria to prepare a light lunch for the students at the beach for a small price. In all, the day will be the first celebration the college has ever seen on such a large scale.

O'REILLY IS ELECTED TREASURER AT CONCLAVE

President O'Reilly was elected treasurer of an organization of secondary college presidents of California at their convention held last Saturday in San Jose. Eight colleges were represented.

At the meet O'Reilly brought up the matter of an athletic conference to include Santa Barbara, but was informed that a similar organization already exists in the north and that Santa Barbara State is the only college in the south. Suggestion was made that the local college either join this conference or form a branch.

According to President O'Reilly, the convention was interesting and helpful. "In the morning there was an informal session. Each representative outlined the problems that confronted the Student Body of his particular college. Among the problems were those of over-organization, placing the cafeteria under the Student Body management, honor system, closer co-operation between the Student Body and other activities such as athletics, payment of Student Body officers, attendance at assemblies, leader, and Student Body dues. Each representative offered suggestions and told how his school had overcome some of the difficulties.

"It seems that we spend more on athletics than any other school of our size," O'Reilly added, "and an interesting thing was worked in one school for the assemblies—there is an entertainment committee that has to furnish entertainment for the assembly every two weeks, in the way of a skit, a play, or something of the sort."

A banquet for the representatives was held followed by final session. This opened with an address by Bob Lewis, president of the Stanford Student Body; he told how the Pacific Coast President's Association was organized and run, gave advice on problems and told how similar problems had been settled.

"Then we drew up a constitution based on that of the Pacific Coast President's Association," O'Reilly stated, "elected officers, decided on the next meeting, dues, etc. I brought up about an athletic conference, but it seems that there is another in Northern and Central California and as we were the only school from the South it was suggested that we either join them or form a branch. There followed some other business, then we were entertained by their quartet and the conference broke up."

The eight colleges which sent representatives to this conference are San Mateo, Hollister, Sacramento and Santa Rosa Junior Colleges and, Santa Barbara San Jose, Chico and San Francisco State Colleges. Fresno and Modesto were interested, but could not send a delegation.

Almost Human

(Teachers are People)

The other day
Our lady Vice-Principal
Got into the street-car.
She was wearing a brand new dress
I heard a woman in the seat back of me
Remark to her friend:
"Ain't it awful the way these women dress?
You can't tell school teachers from ladies now-a-days."

The EAGLE'S EYE

By I. C. U.

One of the notices on the Bulletin board at the North end of the corridor has attracted my attention.

It is a challenge from Dean Ellison to any and all of the tennis players in the college.

The Dean says that he is doing this in order to keep in good physical condition. But it seems to me that he is accomplishing something other than that.

When the faculty of an institution takes time to play with the students, then they are taking one big step towards that attitude of students toward teachers which is necessary in every good school.

Congratulations are due Edmund O'Reilly.

While he was in San Jose at the convention of State College Student Body Presidents, he gave Santa Barbara a very definite place on the map.

At least we are starting off next semester well.

Next Tuesday we are going to have a typical example of college life as it really is not.

Wouldn't it be a grand and glorious feeling if we could spend all our school days as we are going to spend next Tuesday?

It's a hard job to find people who are willing to get together to work, but everyone should be willing to get together to play.

It is planned that this day become a tradition in our College as Ground Hog Day is a tradition in eastern colleges.

As our friend "Batch" says, that's a pious idea.

So let's start this tradition off right.

G. P.'s Elect Officers For Spring Semester

Charlene Hord was chosen to head the General Professional Students at the meeting of this department held a week ago Thursday. Margaret O'Reilly was elected vice-president and Mildred Sample was re-elected secretary. According to the constitution, the treasurer is not elected until the beginning of the next semester. The present semester officers are: Janice Kennedy, president; Dorothy Whitstein, vice-president; Mildred Sample, secretary; and Edmund O'Reilly, treasurer.

Track Season Opens Monday For Three Meets; Good Material

Track season will start Monday with the track squad opening training for the three meets that appear on the schedule for this year. The schedule as is definitely arranged at this time includes an interclass meet at Peabody stadium on February 27, a dual meet with Pomona Frosh at Pomona on March 13, and the annual invitational meet in Peabody Stadium on March 27.

Last year the Roadrunners cleaned up on the Sagechicks 86 to 54 and defeated Santa Ana, Cal Christian College and Cal Poly combined 99 to 45. During the entire season the squad scored 185 points against the combined total of the opponents' score of 99 points; and most of the lettermen are back to repeat this achievement with the aid of a number of new candidates for the various events.

Acquistipaci from Santa Maria Junior College, Sullivan from Seattle, and Ulten, who holds the record for the half mile in Honolulu, are among the contenders for this year's letters in track.

It is expected that a large number of students will rally to the spring major sport this year, because arrangements are being made to accommodate the students who may have period conflicts by allowing the sport to be taken in free periods during the day. Students who care to participate in the sport are requested to sign the paper posted by Coach Gilliland on the student bulletin board.

Among the lettermen expected to shine this year are the old standbys, Jimmy Anderson, Allen Keim and Edmund O'Reilly. Andy is expected to clean up the meets by himself again as he did last year by scoring 101 points. The only

reason he didn't score more was that there weren't enough weight and sprint events to award him more.

Keim is expected to trot off with the hurdles and O'Reilly will take the sprints. Also in the sprints we have "Bus" Heggie who bids well to take the broad-jump also. Morehead will bear watching in the hurdles, too.

Perry Linder, Allen Mobley and Irwin Vandam want to take care of the middle distance runs, while Fred Greenough, Jimmy Anderson, and Morehead will wield the jumping stick. Fred Jacobs, who trained hard for the longer distances last year will stand in a good position to take the two-mile run this year.

There are many more prospects which lack of space will not permit here, but the outlook for track season is viewed very optimistically by Casey this year. Of course the positions mentioned here are tentative and every candidate who is at all interested will have a chance to show his stuff.

Arrangements are being made at the present time to secure Peabody Stadium for a practice field for the team, the local athletic field being too small for several of the events.

Net Challenge Tournament Progresses Rapidly; Defeat Met

"Doc" Ellison has met his superior! In his dash toward championship and victory he hit a stone wall; he staggered; he rallied; he fell, to the tune of 6-2, 3-6, 11-9.

The stone wall was Fred Greenough. And "Doc" hit it the first of this week.

Of course, the challenger didn't figure on crashing through every barrier of the college undefeated. He says he expected this defeat, and he believes more will come.

For instance, he hasn't played Brotherton and Abbott yet. Then there remains Garber, Profs. Grif-

LA VERNE WINS BY 34-28 LAST FRIDAY

The La Verne squad of cage stars defeated the Roadrunner quintet to the tune of 34 to 28 in the local gymnasium last Friday evening. The Roadrunners played a fast game, but failed to complete a sufficient number of goals in the first half to win the game. La Verne played a neat passing game and had a very accurate eye for the baskets during the entire game.

Clemore and Curtis were top scorers for the Roadrunners, while Shirk, Kreps and Lehner led for the Leopards. La Verne piled up 24 points in the first half to the Roadrunners' 12, but the local squad staged a comeback in the final frame with a rally led by Curtis which netted 16 points, but was insufficient to overcome the lead held by the Leopards. Curtis was removed from the game with an injured knee before the final four goals that would have won the game were scored.

The Box Score					
La Verne—34	fg	ft	pf	tf

fin and Jacobs, Stark and Virginia Colton to deal with. Wormser boldly announces that he won't leave this town until he has conquered "Doc" and just what his plans are, we don't know.

Chalked up to the tournament list are several unexpected victories to the Dean's credit. He pushed Asakura aside by a 6-2, 1-6, 6-3 score. His reading against Eddie Smith shows a 6-1, 6-2 victory. And Atwood was conquered 6-4, 6-1.

It seems that it's time to bring Tilden or Johnson or Wills, etc. to Santa Barbara. "Doc" craves competition!

Ellison Speaks at Lompoc

Dr. Ellison travelled to Lompoc Wednesday to speak to the Rotary Club on "The Historical Approach to the Study of Latin-American Problems." The club met for their weekly luncheon, at which Dr. Ellison spoke, at the Lompoc High School building.

LOYOLA LIONS TONITE ON SOUTHERN COURT; ARE FAST FIVE

The basketball squad is going to play the Loyola Lions in the southern court tonight in the deciding game of the season. Although Casey is rather dubious about the chances of the Roadrunners in this last game, the return of Allen Mobley, who has been out of the game since the San Jose games, to the guard position should rejuvenate the team to the extent of a slightly larger margin of scoring than the squad has been accustomed to.

The Lions are enjoying a new gymnasium basketball court which is much larger than the local arena. This, however, should not prove a handicap, because it should afford an opportunity for a wider passing game and more elbow room to run off the plays.

In Casey's opinion the Lions are the fastest team the Roadrunners have met this year. They held the Oregon crew which defeated the Roadrunners 56 to 10 in the local gym to a 44 to 17 score shortly after our encounter with the Webfeet. This would tend to show that the Lions have the edge in guarding and shooting both.

Last year the Roadrunners defeated Loyola 30 to 10, but this year the Catholics have a new quintet with the exception of Sesrovitch at center whom several of the Roadrunners will remember as the most consistent scorer for his team last year, having piled up seven of the ten points attributed to his team. Sesrovitch had the jump on Okerberg of Oregon repeatedly throughout the Webfeet encounter at Loyola, and the fact that Okerberg outjumped Vandam here doesn't add to the jubilation of Coach Gilliland.

Casey will probably start Keim and Clemore at forwards, Vandam or Curtis at center, and Mobley and Linder at guards with Morehead, Larsen and Ellis on deck. It is believed that Mobley will cut into the Lion score considerably by haunting the region of the opposite hoop. If Keim and Clemore rally to the occasion and start heaving baskets like they used to, the Roadrunners have a good chance to winning. At any rate, the team is still determined to make a success of the season.
