E.O. Hanson Addresses Assembly

Mayor Tells of Importance of College Week to Local Students

STATE CIVIC LEADERS

Hanson Wishes for Good Will, Cooperation of Faculty and Students

Mayor E. O. Hanson will speak before the assembly next Tuesday at 11:00 o'clock, for the purpose of revealing the importance to the city of Santa Barbara having a State college week.

"I, E. O. Hanson, Mayor of the City of Santa Barbara, declare State college week from October 21 to 27, to recognize and help the boys and girls who, at a later time, will take over our civic duties. We ask recognition for them and help in celebrating State college week."

This proclamation, issued by Mayor Hanson, was received by Garlyn Basham, president of the student body.

Reasons for Dedication

Hanson will also give a detailed explanation why he dedicated next week to the college and tell what is expected of the students during that period.

In a letter to Basham, Hanson made further comment upon college work by saying:

"We, the people of Santa Barbara, wish to extend our cooperation and good will to the faculty and students of the State college, to help them make their Homecoming week a great success. We are proud of the accomplishments of the school and of the young men and women who have given our college such

(Turn to Page Four)

STATE FACULTY MEMBERS LEAVE FOR SOUTHLAND

Representatives from the schools of California and surrounding territory will attend a convention of the National Progressive Education association at Los Angeles this week-end. Members of the college faculty who will attend are: President Clarence L. Phelps, Dr. Charles L. Jacobs, E. E. Ericson, Dr. Elizabeth L. Bishop, Laura S. Price, Elsie A. Pond, Edith M. Leonard and Florence W. Lyons.

Dr. Rudolph Lindquist of Ohio State university and Dr. Goodwin Watson of Columbia university will be the principle speakers.

There will be 500 to 1000 representatives present during the three days. Saturday the faculties of the Los Angeles schools will attend in a body.

'Mammoth Stage and Screen' Rally for State's Homecoming

Featuring a mammoth stage and screen show at the Granada theater, Homecoming will open officially at 8:45 p.m., Thursday, October 24, at which time a stage rally will be presented, reports "Mac" McDonald, rally committee chairman.

The stage rally will consist of presentation by public officials of awards to the organization or individual entering the best float or car in the parade which is scheduled to be held earlier in the evening. A fight talk by coaches and luminaries is expected to be another high-light of the show, while yells, songs, band music and vaudeville, followed by two outstanding screen

Council Passes Price of Ticket Set by Harder

Junior Chamber of Commerce Will Work with W.A.A. on Football Banquet

A proposal by Coach "Spud" Harder that tickets for the freshman-San Mateo game sell to adults for forty cents and to children and students for twenty-five cents, was approved by the student council at their meeting last night. When this suggestion was first presented to the group, many felt that adults would not pay such a high admission and that children could not afford twenty-five cents for the game.

By passing the suggestion made by the Junior Chamber of Commerce that it work in conjunction with the W.A.A. toward sponsoring the football banquet and dance, the council officially enabled those organizations to raise money for the three annual scholarships. The combined need of financial aid and scholastic standing make any student eligible for these scholarships.

Ticket Price Increased

The council withheld action on the suggestion by Don Follett that the price of tickets to the State college-La Verne game, next Saturday be raised approximately twenty-five cents. Decision on this subject will be influenced by the outcome of tonight's game. If the game score is encouraging, it was said, a special meeting of the council may be called next week to pass the resolution.

Because many students have been questioning the exact ownership of the Co-op store and the cafeteria, a student council member revealed, immediate investigation of the situation by the Gaucho club and Co-op store committee was demanded. George Herron and Anne Seymour compose this board, which was recently appointed by the council to report on these organizations.

Annual Editor Appoints Crew

Selection of the publication staff of La Cumbre, Santa Barbara State college's annual, was announced yesterday by Mary Hughes, editor.

Preliminary organization of the book's contents has been completed, and the announcement of the staff is the starting of the actual compiling of material for the annual, according to Mary Hughes.

Students who have received appointments to the La Cumbre staff are: assistant editor, Gretalia Fitzgerald; organization editor, Carolyn Hoefer; art editor, Lawrence Leslie; photography editor, Jean Kandjounzeff; women's sports, Shirley Warner; men's sports, Francis Becchio; snap-shot editor, Durant Moseley; drama and debate, Harry "Buppy" Moore.

Limited List Announced on Queen Voting

Seven Women Continue Race for the Honor of Being Homecoming Queen

BALLOTS ON BACK PAGE

Elimination of Four in the Next Counting to Allow Three Finalists

Latest reports in the contest for Homecoming Queen, sponsored by Sigma Alpha Kappa fraternity, state that the seven girls still in the race are: Jean Townsend, Renata Maccianta, Alice Hilgren, Betty Walker, Dot Richie, Pat Ireland, and Aileen Elder.

From the date of this issue, voting will continue among the above limited number of contest leaders. Ballots will be found on the back page of this issue of El Gaucho.

Monday evening a count of the ballots will be made, and from the three leaders, the student body will choose the Homecoming Queen. Voting will be closed definitely Wednesday night, thus, allowing the students a day and a half in the final voting. The winner will be announced in a special homecoming edition of El Gaucho Thursday morning.

Queen Honored in Parade

The queen of the homecoming will occupy a special place of honor in the parade which starts at the foot of State St. to the Granada theater where the reviewing stand will be placed. Mayor Hanson officially will crown the queen in the center of the stage of the Granada theater.

She, with her two ladies in waiting, will reign over the events for homecoming.

'Sammy' Davis Wins Election

New Secretary Holds Several Student Positions

As a result of a special student body election yesterday, Thelma "Sammie" Davis, secretary pro tem, was chosen student body secretary for the remainder of the year.

Miss Davis received 147 votes out of the 225 cast, while Miss Talbot received 78. Denning McArthur, Lillian Cook and Bettie Walker composed the committee in charge of the election.

This vacancy was caused by former secretary, Betty Roome, transferring to Occidental. Miss Davis, who has held several student body positions before coming to State, is a senior here and is a member of the Alpha Theta Chi sorority.

"I wish to express my thanks to the people who made possible my election, and I assure everyone that I will do my utmost for the office," stated Miss Davis.

Pay of NYA Workers Delayed by Time Card

N. Y. A. workers will probably receive their pay-checks later in the month from San Francisco. The delay in issuance has been caused by having to fill out a new type of time card for the new organization which took over the work of the F. E. R. A. Miriam Turton, student administrator for women, and Bob Main for the men, have been working on these time cards all week. The cards were sent up Thursday, they will be checked over and the money will be here later in the month.

At the present time there are ninety-two students working under the National Youth Administration, fifty women and forty-two men.

Redlands-State Fray Broadcast in Music Hall

Play-by-Play Description of the Encounter Given by Gaucho Sports Staff

With arrangements completed, the telephone broadcast of the Redlands-State football game tonight is definitely assured. Description of the encounter will be sent by direct line to the music hall where it will be amplified for local Gaucho rooters by equipment loaned by the Lamb Electric Co. Play-by-play account will begin at 8:30 p. m. preceded by a short rally. All townspeople and students are invited an requested to come early. Admission of a dime to the unusual event will be charged to cover expenses.

Fred Allred student controller, yesterday conferred with local telephone company officials and with D. J. Stewart, Redlands graduate manager, in order to have proper line arrangements made.

Ike Kahn, Gaucho sports' editor, and Francis Becchio, assistant editor, will act as student announcers to complete the first broadcast ever to be attempted at this institution. Kahn has planned to have the coaches and outstanding players of the two teams give their interpretations of the outcome as soon as the game is finished. To avoid high rates before 8:00 o'clock, the first part of the tussle will not be broadcast, but will come as a resume during the half-time.

Following the broadcast the social committee will sponsor a sport dance for student body ticket holders. Guests of students will also be admitted at twenty-five cents per person. Punch will be served as refreshment during the broadcast and dance.

New Handbook Goes on Sale

Student handbooks will be on sale next Tuesday during student body meeting and, thereafter, may be obtained in the student body office and from various salesmen on the campus. The book may be purchased for the small sum of 15 cents, according to Don Follett, editor.

The handbook, a publication of 100 pages as compared to 64 pages in last year's book, will be printed in a convenient size with a white leatherette cover carrying the school insignia. It will include the constitution, printed for the first time in its accepted form, as well as names, addresses and telephone numbers of all students a faculty directory, officers, data for all organizations, fraternity and sorority rules, names of members of A.S.B.

The staff for the book is Don Follett, editor; Bob Moore, assistant editor; Alistair Anderson, Barney Jameson and Bruce LeClaire, statistics; and Virginia Moon, business manager.

Hallowe'en in Sleepy Hollow Is Theme for Student Program

In the rivalry of the ghoulish Ichabod Crane and the dashing Brom Bones for the fair and blooming Katrina Van Tassel and in a setting of Hallowe'en festivity is found the theme of Hallowe'en in "Sleepy Hollow." This, an adaptation of Washington Irving's play of that name will be presented by the kindergarten-primary department Tuesday, October 29, during the assembly period.

Leading characters include Ichabod Crane, the old Dutch schoolmaster, played by Louise Gordon; Katrina Van Tassel, the heroine, Betty Wells; and Ichabod's rival

Money for Leadbetter Is Available

Sum Will Construct Network of Roads and Other Improvements

DECISION YESTERDAY

Believed the Improvements Will Help Towards the Actual Building

Sixty thousand dollars from the budget of the California State division of highways will be the immediate request, by city officials for the Santa Barbara State college road which will approach the proposed Leadbetter site. Also from this sum a net-work of roads will be constructed connecting the various proposed departmental buildings.

This decision was made at a secret meeting of local officials called yesterday afternoon by Mayor E. O. Hanson to take counsel with Earl Lee Kelly, state director of public works. The legality of the decision must be ruled upon by Attorney General Webb.

The action came unexpectedly as previously it had been agreed that the Plaza del Mar route was preferable, and the change to the Montecito street-Cliff drive approach to the college site must await the legal ruling.

It is believed that the improvement of the college site will be a powerful factor in moving the state department of education in instigating proceeding for the erection of the proposed building on the Leadbetter campus.

In the columns of one of the local evening papers it was stated that the Mesa campus construction will be launched "with-in a very short time."

RAISED PRICES KILLS HOPES OF NORTHERN TRIP

Misleading price quotations from local train agents defeated plans of the rally committee to schedule a train trip to San Francisco for the S. F. State-Gaucho tilt on November 8. First estimates given "Goldie" Goldsmith, originator and backer of the movement, supported the possibility of running a special train for college rooters, the band and football team at a nominal fee.

After checking with President Clarence L. Phelps, Dean Lois M. Bennink, Dean William Ashworth, Clifford E. Leedy, and Coach "Spud" Harder, a workable arrangement was formulated by Goldsmith. In attempting to draw up the actual contract with railroad officials, the affair hit a snag when it was revealed that the Santa Barbara office had not given correct prices.

Brom Bones, Edna Hollister. Other characters will be portrayed by Ruth Hilty, Mary Wilson, and Ann Seymour. The pageant will be presented in two scenes, the school-room of Ichabod Crane and the Hallowe'en festival at the home of Katrina Van Tassel.

Miss Betty Wells is pageant chairman. She is to be assisted by four committees: stage, Mary Louise Dunbar; dialogue and plot, Ruth Hilty; music and dancing, Betty Townsend, assisted by Pearl Smead; Miriam Turton and Darlene Hapenny; costuming, Edna Hollister, and publicity, Mary Lee Townsend.

Collegiate Digest

Official publication of the Associated Students, Santa Barbara State college, Santa Barbara, Calif. Edited and published semi-weekly on the State college campus. Entered as second-class mail matter, Sept. 17, 1926, at the Postoffice, Santa Barbara, California, under act of March 3, 1897. Subscription price, one dollar per year, 50 cents a semester, mailed.

Constitutional Amendment

Two weeks ago, a committee was appointed by the student body president to investigate and report on the student council controversy regarding the amount of money as "associate" member of the student body should pay.

As yet there has been no report by the committee on the situation. Apparently no chairman was appointed and no meeting has been held up to the time this paper went to press.

While waiting for a report from the committee, a temporary arrangement was made whereby "associate" members are at present paying five dollars per semester. This fee entitles them to two reserved football tickets and admission to all debating and oratorical contests, in which Santa Barbara State college teams participate, under conditions prescribed by the legislative council; and also subscription to El Gaucho and admission to social events.

According to the constitution faculty members and associate members should pay ten dollars a year instead of the five which they pay in the present temporary arrangement.

It is the purpose of the committee appointed to present an amendment which will determine the exact status of the faculty in regards to their associate membership and to present for the approval or disapproval of the entire student body an amendment stating the provisions to be followed.

What we ask is, "When will the proposed amendment be drawn up and presented?"

Assembly Programs

With the opening of the new school year, the officers of the student body undertake to serve the group according to their various capacities and abilities. One of the numerous tasks facing these officers, which ranks high in importance, is that of providing assembly programs that will have lasting as well as an entertaining value. Just as it is essential to have assemblies of this type for the relatively few times which the students gather in a compact unit, minus class and department distinctions, to develop a lasting unified school spirit, it is just as difficult to arrange programs of a diversified nature enough to appeal to the variegated pattern of individuals on the campus. However, it has been done, can be done and indications point toward its being done here on the campus now.

With the appointment of an able member of the student body to the position of Director of Assemblies to work in co-operation with the student prexy with the sole purpose of arranging and providing lively assemblies throughout the year, we are looking forward to the stage when instead of using mild coercion to build up attendance it will be voluntary. Then the auditorium will be filled because the will know they are going to get something which will merit the time spent there.

We are inclined to feel that in the past, attention to this important phase of student activity has been neglected because its potentialities and possibilities have not been fully realized as a complement to and diversion from the daily class periods.

Not that we are usually disposed to point out an example and say, "There! that is how it should be done." We do think that the people attending summer session did grasp the importance of excellent assemblies and the inevitable product of a solid spirit. Every assembly during the six weeks was carefully planned and prepared with the result of a growth of interest and enthusiasm almost unbelievable. Not mention was made of compulsory attendance, for every person looked forward to an assembly as the highlight of the week, which it truly was.

The president of the student body is to be commended for his interest in this vital branch of activity.

—S.M.

CAMPUS CALENDAR

Social Calendar for the Week
of Friday, October 18th to
Friday, October 25th.

Friday, October 18—Gaucho Varsity vs. Redlands, Redlands, California.
Sunday, October 20—Student Body Picnic at Outing Club Cabin.
Monday, October 21—Social Groups; Fraternity Meetings; Kappa Omicron Phi; Phi Delta Pi.
Tuesday, October 22—Student Body Meeting, 2nd hour; Players Club, 1st Tryouts; A.W.S. Board Meeting; Welfare Committee Meeting.
Wednesday, October 23—College "Y"; Alpha Phi Gamma; Band-Music Hall; Riding Class, Vandever's Riding Academy.
Thursday, October 24—Alpha Phi Omicron; Parade, 7:00; Rally at Granada, 8:45; W.A.A.
Friday, October 25—Frosh Team vs. Black Foxe Academy.

Car Parking Antagonizing

Well, it seems as though everything is under control as far as the parking situation is concerned—that's what the student council thinks, anyway. Personally, it looks like a bad job, (pardon me, Mr. Basham,) what with the students having to park so far away from the administration building. The main question in the minds of those concerned seems to be what is wrong with all the surplus space outside the administration building. Undoubtedly it is for faculty use only, but where are the cars belonging to aforesaid faculty? That space seems to continually remain as such—just space.

Crowded conditions are the result of this newly-installed system, but all that the students can do is gnash their teeth keep on looking for a place to stall their engine, and keep their mouths shut—that's the way it appears to an on-looker. We hear plenty, too but I suppose all we've got to do is to go and see the head of the council and quit the crabbing. Incidentally, what happened to the proposed parking space in back of the administration building? If something like that were initiated, our problem would be solved.

Anyway it is antagonizing. If you don't believe it, just stand in the upper driveway and watch the expressions and listen to what the gals and fellas say when they drive through the campus on their third trip around and still can't find a place to park.

Friends Disappear and Ellison Writes

Have ya missed any of your friends lately? Sure you have. I won't get personal, but there are three in the quad pool and four buried in the gravel on the drive.

Why did they disappear? The answer is that they tried to help write the Philo and Sophy space filler. Surely you have heard people asking, "Who in blank writes this blank?" Somebody found out.

So we decided to try it just once, and duck before they found us out. Chameleons can run very fast, and change color, so they'll never get us.

We gather that Dr. Ellison has written a certain something concerning a certain thing—well, frankly, it's a book. And we have a private suspicion that it's about the history of a certain something, but don't breathe it to a heel. Secret!

Don't look for us next issue. If you see us again we're another person. Phenol. (That's carbolic acid in chemistry.)

JULIAN ANSWERS REPORTER'S POEM

Remember, Max us lowly hacks
Are writing not in vain;
Though dishing facts our patience tax,
It stimulates the brain.

You would bestain the source of pain,
Say editors are queer.
But please abstain, your rage restrain;
Relief, dear Max, is NEAR.

For, to be brief, 'tis clear our chief
Now stoops to printing tripe;
That's your relief, so ditch the grief
And let your time grow ripe!

Philo & Sophy

Don't you remember us? Itsus agen! About that rating we sponsor—well, it's sortakinda-cute—a personal evaluation. The range is from 0.0 to 10.0, each unit divided into ten parts as 8.9, 9.0, 9.1, etc., up to 10.0 only we claim there ain't no such thing as a 10.0—that's too perfect. The average boy or gal with average ability to dance, carry on conversation, and with average looks and persnality is a 5.0, and when we say some one is an 8.5—we mean that it is high. In other words, if we say some one is an 8.7 and Helen Holt is 8.1 (perhaps higher.) You really have to know a person to rate them properly. Try it some-time—it's swell, a common basis of understanding.

Congrats to Dorothy Soules and Guy Kingsbury for the first step, we could have said as much for some time—it seemed evident something was up.

The Moon has been kept busy this last week. It was so beautiful—hat several people took advantage of it—didn't you, Mary and—?

Verdella Herbert has been taking an unusual interest in the Date Bureau, 'tis rumored that she has a secret passion she is after—

We hate to disagree with our colleagues in "Campus Coffee Cup Capers," but it seems to us that Sourette Stevens at least rates an 8.8—accnt is included no fooling.

Millie "Venus de Milo" Byers and Frances Ann Warnekros had a great time the other day "dividing" a certain person seen around the campus—Odear!

Why the big broad beaming smile, Goldy Goldsmith? Can it be that the change in "Pennies" from San Francisco has anything to do with it?

Our Weekly Philosophy—No kidding, folks, we heard the other day that the "Whistle never pulls the Train."

Well, toddle toddle for the dishul. Be good and keep healthy!

RAIN AND WIND AND TOY BOATS CAUSE 'STORM'

Waves were lashed to a tumultuous fury: the yslapped resoundingly against the banks. The laboring ship rose, fell, and was almost sucked under. Driving sleet of rain hit my face like a thousand insect bitings. Yells and screams rent the air. Oh! why did I ever leave the security of the column roofed walk. Winded gusts chopped the water and the atmosphere was a growling, dismal lament. Courage slowly ebbed from me as I observed the ship being tossed about—now on the crest of a mountainous surge of water—now in the trough of two wicked looking fanatical waves. They couldn't exist longer, something ominous was in the making. Instinct commanded me to turn around, as I did as a burly blubber precipitated me headlong into the ice water coldness. I grasped the ship and resolved never to rescue any more toy boats, for kids, out of the quad pond while it was windy and raining, and playful students were near.

RECKLESS DRIVING

If you're driving between 7:00 and 8:00 o'clock in the evening of a clear day, preferably Saturday or Sunday, during the month of December, in a passenger car, on a straight dry, well paved road in the country AND have had a couple of drinks—watch it, because you're heading for a crash.

Daters Choose Average Types

The average man and woman in the date bureau have just been compiled by Lyman "Goldy" Goldsmith, head official statistician.

The average woman is 19 years old, five feet five inches tall, and weighs 120 pounds. She is a brunette and has grey eyes. She has a pleasing personality and is a good dancer, but not too good. She plays auction bridge well, and plays contract reluctantly, when driven to it. She smokes or refrains from smoking, as the occasion demands. She has about a quarter of a car, but it's a nice one, maybe a Packard.

The man is twenty years old, five feet eleven inches tall, and weighs 150 pounds. He is a blonde and has grey eyes. He dances swell (divinely to you.) He plays auction bridge sometimes but always steers clear of contract. He smokes like a chimney, whether the occasion demands it or not. He's just crazy about football. He drives a 1929 model automobile (we aren't telling the make, and remember that the age is averaged.)

There's been a lot of talk lately about this date bureau. Maybe it wouldn't be such a bad idea to try it out. How's about angling for a few blind dates, just to check up on the law of averages? You probably wouldn't do so badly, if the law still works!

Snoops by the Snooper

Doc. Maxwell's flowery speckled tie is congrous to abstract art "gone wrong!"

Cripes, Norma Rezzonico weasled out on a triple book ownership and I have to give her a money refund.

Boots and rolled pants featured Farmer Ted Hanley's garb recently. "Got a chaw, Hank?" "Spat."

False big shots are obvious by the amount of hot oxygen emitted.

Shoe man's paradise: Ethiopia.

Same reddish-brown dog in the library every day. Shakes himself, scratch or two, tingles license and lies down in middle of aisles to snooze.

Excellent mind learning: Making of the Modern Mind—Randell.

Dash it! For some yellow bag trousers and red white polka dot shirts.

Humpty dumpty sat on a wall
Humpty dumpty had a great fall
All the king's horses
And all the king's men
Had an omelet.

Gaucha Gab

By BARNEY JAMESON

Coach Spud Harder will lead his pack of Gauchos into Redlands tonight all-set with a determination and fire with a chance to turn out a victory for State. If anyone had mentioned that we even had a chance to beat Redlands during the past five years people would have laughed and said the fellows were wanted at Patton. This year the story is different; the Gauchos do have a small chance to win and if we get a few breaks—well, IF. At any rate if you should get out the old buggy and head for Redlands right now! This is the most crucial game of the year and the team will need all the support possible. The team will not disappoint you, will you disappoint them?

Coach "Spud" Harder has not called upon his men to play anything but straight football so far this season, but tonight will find him reaching way down into his bag of tricks and shooting the whole works. The situation is desperate, a win for State tonight and the whole Southern Conference race will take on a different hue. Southern California sports' writers have written that this will be the game of the week and that is what it certainly will be.

Redlands, fresh from a surprise win over Lieb's wonder team, handed Cal-Tech a bad shellacking and last Saturday smothered Pomona. Tonight this team will be out their battling to keep their record clean and by all indications should do it unless the Gauchos rise to the heights and play a superior heads-up ball for sixty minutes.

Improving a hundred percent over his last performance on last year's frosh Dave Pollock, varsity quarter has really earned his berth on the first string. Pollock has been calling signals with a cool head and has yet to lead the team into a bad situation. His greatest improvement has been in ball carrying. In the past two games Pollock surprised the fans by breaking away for several long gains, besides showing up well on defense. He's a comer, watch him the rest of the season.

College fans will get another chance to see the Cummings' 1935 grid machine in action again tomorrow night in Pershing Park, when Santa Maria J. C. invades the city. The frosh have been working hard all week and are out to make up for their 31 to 0 defeat at the hands of Cal-Poly last week. If you can't make it to Redlands do the next best thing and support the frosh tomorrow

Gauchitos Mix With Bulldogs

Frosh Meet Santa Maria J. C. Tomorrow Night at Pershing Park

If determination and willingness count for anything the Cummings-men should come from behind tomorrow night to surprise the Santa Marians.

Coach Fred Twitchell has one of the best squads ever turned out at the Bulldog camp, and also an outstanding pigskinner in the person of Pat "Pooky" Knotts, triple-threat quarterback. Knotts towers six feet in the air and is equally adept at flinging passes with either hand. The J. C. star has punted over 50 yards several times this year to put the opposition in the hole. The Bulldogs have been installed favorites over the frosh eleven because of a close battle with Cal-Poly in which the Mustangs eked out a 12 to 0 win.

Cummings plans to start his strongest combination against Coach Twitchell's gridders in an effort to stop the running attack.

Determined to stage an impressive comeback campaign, Coach Bud Cummings and his band of Gauchitos will tangle with the favored Santa Maria Junior college Bulldogs tomorrow evening at 8:00 o'clock in Pershing Park. The Bulldog fray marks the first home appearance of the frosh eleven since the season opener against the Los Prietos C. C. C. squad.

Mural Tennis Matches Begin

With only two matches played by Thursday noon, intramural tennis players are urged to get their matches played by Monday.

The two matches played are first round plays between L. Scofield and D. Kirkpatrick, and B. Ballin and B. LeClaire. Scofield won by 6-4 to 6-3, and Ballin 6-1 to 6-1. Scofield will now meet N. Coy and Ballin plays D. Harkey in their second round.

As no exceptions will be made as to the deadline date for matches, the tournament will finish in eight weeks. Those who do not meet and arrange to play their matches will both be defaulted.

STUDENT CONTRIBUTES

June Wheller, a junior, is a contributor to Freyling Foster's "Keep up with the World" column in the October 12 issue of Collier's magazine. The unusual fact sent in by Miss Wheller concerned 400 year old words and phrases still used by Ozark mountaineers.

Great Turnout Shows Interest Is High This Year

With all necessary details straightened out, the intramural sports program will get under way next week with the first basketball games. "Bun" O'Reilly, intramural manager, reports that interest this year is high and a great season is expected.

Monday morning a list of the competitive teams will be posted on the Bulletin board. Every man is urged to check the list for his name so as to know definitely what team he is to play on and who his captain is.

A meeting of all teams' captains and managers will be held Monday at 2:00 o'clock to outline the year's program. It is important that all captains be present.

The basketball game will be divided into three leagues, each team playing four games before the finals begin. The basketball rivalry promises to be intense, according to O'Reilly. Some of the captains are beginning to wager their hamburger money on their respective squads. DeReign, Rambler captain, states that his team will take the measure of Martin's Huskies like Grant took Richmond.

There will be one game every Wednesday, Thursday, and Friday at 3:30 o'clock. The schedule will be posted Monday, and team captains are urged to see their men report on time for games.

The intramural teams and captains are: 1. Athletes, Gene Campbell; 2. Cardinals, Mieber; 3. Bruins, O'Neil; 4. Huskies, Martin; 5. Ramblers, DeReign; 6. Pirates, Sloan; 7. Rams, Norman Coy; 8. Knox All-Stars, Chuck Luse; 9. Broncos, Scofield; 10. Gabs, Morgan; 11. Sig-Alphs Jack Knight; 12. Tau Omega, Andy Nolan; and 13. Beta Sigma Chi, J. Lebeck.

Field Events Open Contests

With completion of two events, the high jump and shot put, the all-school decathlon contest got under way this week on Phelps' field. The meet is being run under the supervision of Nick Carter, track mentor.

Ellwood Lindley took a commanding lead in point totals with an exceptionally fine heave in the shot, 40 feet, 1-4 inch. Lindley also placed second in the high jump with a five foot eight inch leap. Kenneth Bruce captured the high jump by hoisting himself five feet, nine inches in the air to clear the bar.

Decathlon contestants are allowed to choose any 10 events, and points are based on a comparison with school records. When the ten events have been run off, the man having the highest number of points will be awarded the Robertson cup, a trophy put up by Assemblyman Robert Robertson.

Coach Carter states that the first results have been very satisfactory and that Lindley's put of over 40 feet would place in any dual conference meet. Carter expects more than 30 men to enter the different events before the end of competition. Any eligible man may compete in the decathlon contest.

The first six in the standings to date are:

Ellwood Lindley, 1826.249; Jean Campbell, 1650.540; Kenneth Bruce, 1555.842; Dave Rumbaugh, 1535.751; Larry Bowlis, 1509.969; William Crow, 1335.787.

LEADERS TO VIE

An interesting note on tonight's Gaucha-Bulldog fray is the meeting of the two leading conference scorers, Blaisdell and Yeager.

State Varsity Mixes With Redlands In Southland

So. Conference Eleven Clash

Playing their twenty-fourth game of the series which started back in 1895, the Occidental Tigers will clash with the Cal-Tech Engineers tomorrow night in the Rose Bowl.

Tech has taken six victories since 1923, thereby establishing one of the freak football traditions of the Southland. Oxy has rolled up 322 points with Tech far behind at 137.

Whittier, with four of their first string men on the shelf will meet the Pomona Sagehens tomorrow. The Poets, although having four men on the sick list, are still ruled favorites. The game takes place at Claremont.

La Verne, still the "Dark Horse," motors down to San Diego, where they will attempt to give the Aztecs a scalp.

Due to the fact that Charlie Lee, Aztec fullback, has been injured, the Leopards are doped to take the fray.

W.A.A. Archery Underway Soon

Shooting the Columbia round, clout shoot and the flight shoot, the first archery tournament of the season will be held at Manning's park, Saturday, November 16, at 10:00 a. m. The tournament will be terminated by a picnic lunch.

Last spring Chico State college sponsored a "Telegraphic Archery Meet" on May 20-27. The four entries from this school were Alberta Stowe, Miriam Proctor, Margaret Church, and Virginia Moon. The results of the meet were: 1. Martha Sunnari, Humboldt State college 802; 2. E. Quarnheim, Humboldt State college 796; 3. Alberta Stowe, Santa Barbara State, 751. The meet consisted of two Columbia rounds.

The group hopes to build up a team this year to enter the second "Telegraphic Archery Meet" in the spring, according to Frances Hemmaway, archery manager.

Games Scheduled for Casabamen

Coach Hal Davis announced the verification of all conference dates for his hoophmen yesterday.

A letter has been received from the Kincaid All-Americans of San Francisco requesting a tilt with the hill-toppers.

FRANK de la TORRE

Enroute to Redlands, Coach "Spud" Harder and his Galloping Gauchos will arrive at their destination early this afternoon to battle the potent Redlands aggregation tonight at 7:30 o'clock on the southern's gridiron. The Hardermen left this morning at 9:00 o'clock.

The Bulldogs present one of the strongest elevens in the history of the southern institution. In Peterson, fullback, and Blaisdell, quarterback, they have one of the sweetest passing combinations in southland circles. Peterson does the tossing, with Blaisdell on the receiving end. In their recent game with Loyola, which Redlands won 19 to 18, twelve laterals were completed for 86 yards and a touchdown on the opening kick-off.

Harder has put his men through a tough week of practice, concentrating on pass defense. Spud states that although the Bulldogs have a fairly good running attack, he expects them to depend mostly on the aerial route for victory.

Harold Sanderson, who was sent to the hospital in the earlier part of the week, was out in suit last night and all rarin' to go. Oldershaw, "Tiny" Martin, and "Donk" Hart, other cripples were also in suit last night. Harder states that although these boys will probably play most of the game, they will not be in tip-top shape.

Gridmen Show Many Talents

Besides frolicking on the gridiron, six varsity huskies proved themselves adept at other sports.

"Juicy" Langlo, sub fullback, cavorted on the basketball court besides playing baseball: "Skeeter" Voorhies, all-conference end candidate, plays left field on the Gaucha nine and also flips a neat casaba on the basketball court; Elmer Lee, rugged guard, is a letter winner on basketball court and tosses the javelin for Nick Carter's scanty-clad boys; "Donk" Hart, substitute center, is the heavyweight boxing champ and takes a crack at the hoop sport; Dave Pollock, heady little quarterback, plays guard quite capably for Coach Hal Davis' hoophmen and takes a fling at the back-stop position.

Player's Club Selects Farce

Tryouts for Characters in "See Naples and Die" to Take Place at Next Meet

Selecting the comedy, "See Naples and Die", for its first play, the Player's club met Tuesday evening in the auditorium.

Casting for the play will take place at the meeting, Tuesday, October 23, according to a report by Lillian Cook, chairman of the play selection committee.

A new constitution for the organization was presented and accepted with the exception of one clause regarding the name of the group. The name will be changed soon by the members.

Committee chairman appointed by Goldy Goldsmith, president to serve for this production are: Harry Shumway, production; Mary Lee Townsend, make-up; Audrey Fletcher, properties; Petie McKinney, publicity; and Mildred Jones, costumes.

Entertainment for the evening was provided by Pauline Stoops, Josephine Denman, Petie McKinney, Norman Phillips and Al Latham, who presented a series of skits and monologues.

Industrial Men Stage Morning Meeting

The industrial education department held the first of a series of monthly breakfasts in the college cafeteria Thursday morning at 7 o'clock. Chairmen of the breakfasts are Lorne Olson and Durant Moseley.

"Goldy" Goldsmith began the program by leading in a few songs. Bob Main, past president of the Men's club, was then introduced by Allen Crews, president of the industrial education department. Bob spoke on the John Manville corporation of Lompoc, where he was recently employed, and of the safety program, carried on throughout the plant.

ALICE BRADLEY SPEAKS TO CLUB

Addressing the Triple "S" club, a group of young mothers sponsored by the Presbyterian church, Miss Alice V. Bradley, home economics instructor, spoke to the organization on the subject "Care of the Child and his Problems," last evening.

A talk on "Essentials of a Child's Diet and School Lunches," was given by Miss Bradley to the Do-Thursday, October 10.

State Library Obtains Books

The newest and most complete reference book in one volume, "The Columbia Encyclopedia", was added Thursday to the bookshelves of the Santa Barbara State college library. Compiled and edited under the supervision of Clarke F. Ansley, the book was available yesterday to the public throughout the country for the first time.

Everything in it is completely new, thus the information that of the most up-to-date knowledge and research. It was the object of the Columbia University Press to create the finest work of universal reference obtainable in one volume. The 1948 page book is the result of eight years of editorial preparation by a staff of experts under the editorship of Mr. Ansley.

D.Z.D.'s Schedule Winter Style Show

The winter fashion show of the Alumnae of Delta Zeta Delta has been scheduled for November 2nd at the Montecito Country club. Plans for the affair were made on Tuesday evening at the regular meeting at the home of Mrs. Chas. Warner. Proceeds from the affair will be turned over to the Scholarship Fund of the State college. Miss Ella Cornwall and Mrs. Byron Abraham and Miss Myrtle Holt have charge of the ticket sales.

A dance to celebrate the birthday anniversaries of both the active and alumnae chapters will be held in December and will be given by the alumnae association.

Miss Carmelita Janssens '32 and Miss Frances Merritt '32 were welcomed at the meeting as Miss Janssens has just returned from Baltimore, Maryland, and Miss Merritt, from San Francisco.

J. C. Lewis Speaks to College 'Y' Members

Members and prospective members of the College "Y" heard a talk by Mr. J. C. Lewis of the local Y.M.C.A. on the significance of the College "Y", at the Wednesday morning breakfast in the faculty dining room. President Thomas Merrill announced that Sergeant August Deleree of the police department would deliver a lecture on fingerprints on October 30.

Formal initiation will be held next Tuesday at 7:30 p.m. at the Y.M.C.A., Carrillo and Chapala streets. More than 15 men are expected to join at this time. The initiation will take the place of the regular breakfast meeting, next week.

Gauchos to Gambol at College Cabin

Cabin Trip

What—College Cabin Trip
Who—All Students and Faculty

How—Your own or friend's car or sign up for transportation on bulletin board

Why—Picnic: Take your own lunch. Hot coffee and chocolate will be served at 1:00 p.m.

Where—Outing Club Cabin in Santa Ynez valley, two miles beyond Paradise Camp. Watch for signs!

When—Sunday, October 20—Leave campus at 10:00 a.m.

This will probably be the only trip before the rains begin, so come and see your cabin!

Unless a group wants to go, the trip will have to be cancelled. Sign up right away on bulletin board.

Hanson Comments College Students

(Continued From Page One)
a fine reputation all over California.

Basham Pleased by Letter

Basham, upon receiving the letter, said that he greatly appreciated the interest shown by the Santa Barbara officials and people, and that he hoped everyone would visit our campus next Tuesday which will be open house day.

"This day has been set aside especially for the townspeople to become acquainted with our college and all are cordially invited to attend," said Basham.

The new school song will be presented at the assembly for student approval. It is believed that qualities of the melody will be most effectively emphasized by the men's glee club rendition.

Incidental student body business will be handled when Hanson's speech has been completed, and a vote has been taken on the song.

A. Chavez Is Named as Student Director

Alfredo Chavez has been appointed to the student director of assemblies by Garlyn Basham, student-body president. He will co-operate with the faculty and Garlyn Basham in planning a variety of entertainment for the assemblies.

Organization Fetes Rushees

Entertaining with their formal rush dinner at El Cortijo last Saturday night, October 12, the Tau Omega Fraternity were hosts to prespective pledges. Short talks were given by Hal Polley, Pinky Greeson and Thomas Keating alumni members, while Doctor Charles Pruess, sponsor, gave a talk on the "Value of Fraternity to the Man". President Buppy Moore outlined initiation procedure.

Pledging ceremonies will be held next Monday night, October 21, at the new Tau Omega fraternity house on Laguna street. Those who have signified their intention of becoming members are: Floyd Johnson, Dudley Shean, George Herron, Jimmie McSkimming, Nat Hales and Charles Schaffer.

Those present were: Thomas Keating, Hal Polley, Pinky Greeson, and Roger Cassier, alumni members. Andy Nolan, Gib Homfeldt, Thomas Merrill, Bob Johnson, Denny McArthur, Chuck Leister, Sleepy Morris, Bill McKenzie, Bob Kindred, Ed Christiansen and Buppy Moore, student members and Doctor Charles Pruess, sponsor.

Soules-Kingsbury Tell of Betrothal

Passing the traditional box of candy to the Delta Sigma Epsilon sorority, Dorothy May Soules announced her engagement to Guy Washburn Kingsbury last Monday evening at a joint meeting of regular and alumni members. Both students attend State college.

Rogers Speaks Before Class

Attorney Touches on Reasons for English and American Differences

Clarence Rogers, local attorney, addressed the introduction to contemporary civilization class Wednesday morning, second hour on "The Basic Reasons Outlining the Difference between Englishmen and Americans." Mr. Rogers was introduced by Doctor William Ellison, social science department head, who stated that the attorney was the representative to England of the English speaking union this summer.

Many students commented on the highly interesting manner in which Mr. Rogers dealt with his subject. The young lawyer, who is a member of the Heaney, Price, and Postel law firm took the class on an imaginary trip through England.

"If you want to understand the Englishman, you must know early English history," stressed Mr. Rogers as he began his lecture with a few highlights of the Roman occupation of England.

"England obtains a better type of public servant than do we in the United States, because of the practice of families in training sons along the line in which they are able to administer government," stated the speaker. Mr. Rogers also added that to honor and trust with which Englishmen held public office in preference to monetary returns was an important factor in placing the public officials of England on a higher plane than those in this country.

STATE TEACHER ATTENDS FIRST PROGRESS MEET

Miss Elsie Pond, head of the junior high department, left for Los Angeles, Thursday afternoon, to attend the Los Angeles Progressive Education conference, which will take place this week-end at the Biltmore hotel. Dr. E. L. Bishop and Mrs. L. S. Price are expecting to attend the conference on Sunday.

The junior high department will hold its second social event on Friday night, November 1, in the dining hall. The affair will be in the form of a track meet, including 100 yard dash, discus and javelin throwing. It will be arranged for everyone to compete on an equal basis.

Refreshments will be served in El Gaucho club after the main events.
