

# WHERE DOES YOUR \$30 GO? --- BUDGET EXPLAINED

UNIVERSITY OF CALIFORNIA

*El Gaucho*

SANTA BARBARA

Vol. XXXVIII

GOLETA, CALIFORNIA, SEPTEMBER 30, 1958

No. 4

## Athletics, Administration Get Lion's Share of S.B. Fees

(In the opinion of El Gaucho all students should have a fundamental knowledge of how their \$30-per-year student-body fee is spent. With this in mind El Gaucho asked last year's Finance Committee chairman, Bill Harris, to write the following story explaining the basic breakdown of the budget.)

by Bill Harris  
Finance Chairman 1957-58

During the spring semester of last year the Associated Students Finance Committee decided that the total budgeted appropriations for 1958-1959 should be set at \$66,870. This figure was based upon an estimate of the following year's enrollment. A letter was sent to every organization which was then receiving funds, asking them to submit a detailed preliminary budget of their needs for the following year to Finance Committee.

These preliminary budgets were studied and changed by the Finance Committee, whose job it became to reduce the sum of the preliminary budgets to \$66,870. Some of the criteria used in studying the budgets include: The previous appropriation, increased costs, expanded programs, increased student interest, how much of the previous appropriation was used, and how student needs could best be met.

### Council Passes Budget

At a budget session, the complete budget was presented to the Legislative Council. The Council reviewed and passed it. In order to facilitate the Board of Athletic Control's budget sessions the Finance Committee set that board's total appropriation at \$23,055. This figure has been based in recent years upon approximately one-third of the estimated total fee revenue.

The approximate one-third figure seems to have been established to place an upper limit upon athletic appropriations, as it has been said that some schools appropriate half their funds to athletics. BAC then considered each sport's request for funds and reduced the sum of the individual requests to \$23,055.

### Minimum Necessary for Team

In general, a minimum quantity of funds are necessary to field a team and keep it in a conference. These minimum costs include equipment and trips to meet conference opponents. Our major sports seem to be presently conducting a fairly "well-rounded" program; however, the minor sports are still conducting a "minimum" program.

Administration, as used here, is a very inclusive heading. Some of the more specific items included here are: the salaries of administration and office personnel, office equipment and supplies, building expense, insurance, utilities, Council Retreat, AS president's and vice president's expenses, Gaucho Guides, Activities Control Board, and even the expenses of the college cabin.

Many of these items, for example the utilities, are fixed costs and are necessary to the student body's functioning. All major activities such as football games, Homecoming and Barbary Coast are planned, coordinated and publicized by members of the "administration." In addition many valuable services and functions are provided by this same body.

### Publications, Objective

Our publications—*El Gaucho*, *La Cumbre*, *Spectrum* and the *Student Directory*—can generally be considered as fixed costs. That is, in order to provide each member of the Associated Students with a yearbook, one multiplies the cost of printing and covers times the number of books to be supplied.

Costs here do increase with increased publication costs and higher enrollment, but the appropriation can be arrived at in a comparatively objective manner. *Spectrum* is partially subsidized in order to promote literary writings. The *Student Directory* has become self-supporting.

A major portion of the Music Control Board's appropriation supports the Gaucho Band. However, the Associated Students also support the Orchestra, Brass Choir, Glee Clubs and other departmental activities. All of the Speech Control Board's appropriation supports the forensics program and provides members of our debate teams with funds to travel to tournaments.

### Traditional Activities

Several activities financed in whole or in part by the Associated Students instill school spirit and promote tradition. Senior Torchlight Farewell, awards, Frosh Camp, orientation and rallies are examples of this type of activity. Some people believe that a great deal is derived from a comparatively small expenditure in this area. A reason for the small appropriation might be that the benefits derived are quite subjective.

The Assembly Committee appropriations have been higher the past two years because a larger and better-organized program has been presented to Finance Committee. Such things as movies and speakers in the arts are provided by the Assembly Committee free to the students. The funds allocated to the Social Committee are used to provide free or subsidized dances to the students throughout the year. The assembly and social activities have the advantage of appealing to a great majority of the students.

## Kerr, Gould Speak At Friday Assembly, Classes Dismissed

President and Mrs. Clark Kerr will be honored in a series of inaugural events Friday. Highlighting the day for UCSB students will be the student assembly in the campus mall between the Music and Classroom buildings and a reception and dance in the afternoon at Santa Rosa Hall.

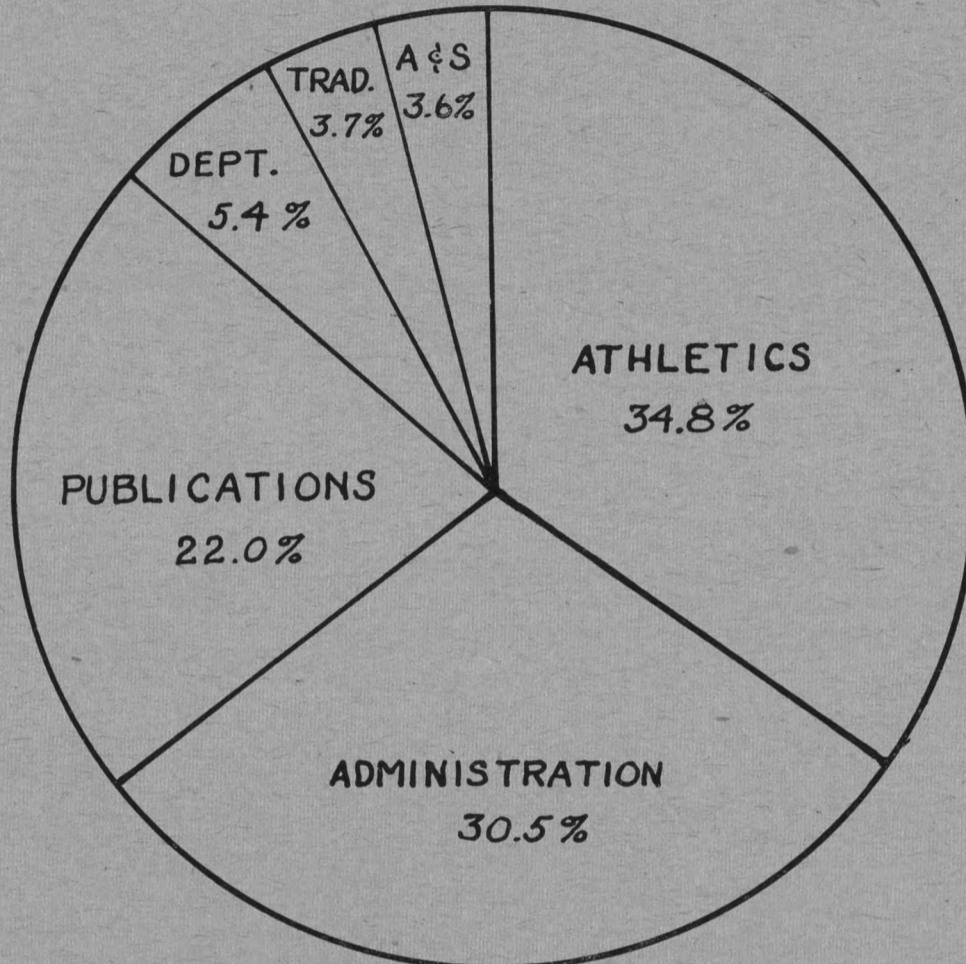

The Santa Barbara campus will also be honored by the first visit of Mr. and Mrs. Samuel B. Gould since he was appointed Chancellor earlier this month. The Goulds will be in the reception line at Santa Rosa Hall.

### Student Assembly

The student assembly will take place at 11 a.m. with classes scheduled for that hour canceled so all students may attend. Dr. Noble will preside and welcome the student body. Stan McGinley, Associated Students president, will make a special presentation to President Kerr. Mr. Gould then will deliver a brief speech. Following this, the Men's Glee Club will sing. President Kerr then will deliver the major address.

The morning assembly will be followed by an informal no-host luncheon in the Dining Commons for the faculty and staff. Here the new President will add a few words of welcome. Tickets sell for \$1.25 and can be purchased on page five

## HOW YOUR MONEY IS SPENT . . .

**OUR BUDGET IN SLICES**—Shown above is a pie-graph dividing the AS budget for the present year. The graph was prepared by Bill Harris, last year's Finance Committee chairman. Included in the athletic section is Board of Athletic Control and Women's Recreation Association. Administration includes Office of the Graduate Manager, Office of Publicity Director, Student Government and overhead. Publications: *El Gaucho*, *La Cumbre*, *Spectrum*. Departmental: Music Control Board, Speech Control Board, Traditional (Trad.): Senior Torchlight Farewell, Awards, Frosh Camp, Orientation, rally. Assembly and Social (A&S): Assembly Committee, Social Committee, Associated Women Students, Recreation Control Board. (There are many other possible budget breakdowns. There is some overlapping.)

## KNOWLAND AIRS VIEWS TO 'GAUCHO' IN GOLETA

(This is the second in the series of interviews with leading candidates for state office. The first was conducted with Democratic gubernatorial candidate Edmund G. Brown. Plans are under way to interview candidates for the U.S. Senate, Clair Engle and Gov. Goodwin Knight.)

### Why are you supporting the Right to Work Law when you knew it would alienate organized labor?

"Because it is one of the most fundamental questions facing the country and the state today. I was not unmindful of the labor bosses' opposition to me. However, four years from now may be too late to do anything about corrupt labor practices, and eight years would be too late. For this reason I have supported voluntary unionism.

"When the AFL-CIO expelled James Hoffa and Dave Beck they did so on the grounds that they were dictatorial and corrupt. However, when they expelled Hoffa and Beck they also expelled 1,500,000 honest workers, who, if they disassociate themselves from the union, would lose their means of earning a livelihood. They need a union card to hold a job."

### Isn't it the democratic way to allow the majority of the workers to decide on the union shop (compulsory unionism) if they so desire?

"I think not, no. Under the Taft-Hartley Act unions asked to represent all of the employees. Logically the unions wanted this right because without complete bargaining power the employer could give better wages to the non-union man. The non-union men are not therefore free riders at all, but captive passengers. By the same token our community churches benefit many people who do not contribute to their support."

### How do you account for the report that 85 per cent of the newspapers in the state are supporting the Democratic candidate for the first time in 50 years.

"Fortunately we still have a free press in this country. They are entitled to support who they desire to support."

### Why did you displace Governor Goodwin Knight as the Republican candidate in this election?

"I did not displace the Governor, as some columnists have reported. I have always believed that the party primaries were held to give the voter the chance of making a choice of candidates. (The Senator cited two personal experiences in this regard.) The primary is to give the voters a choice of alternatives.

"I felt the issue of voluntary unionism should be raised. I knew Mr. Brown, and possibly Governor Knight, would be on the other end of the question. The decision of the Governor's was his own. I did not have anything to do with his withdrawal either directly or indirectly. It was not at my request that he removed

continued on page six

## Two AS Positions Open; Close Friday

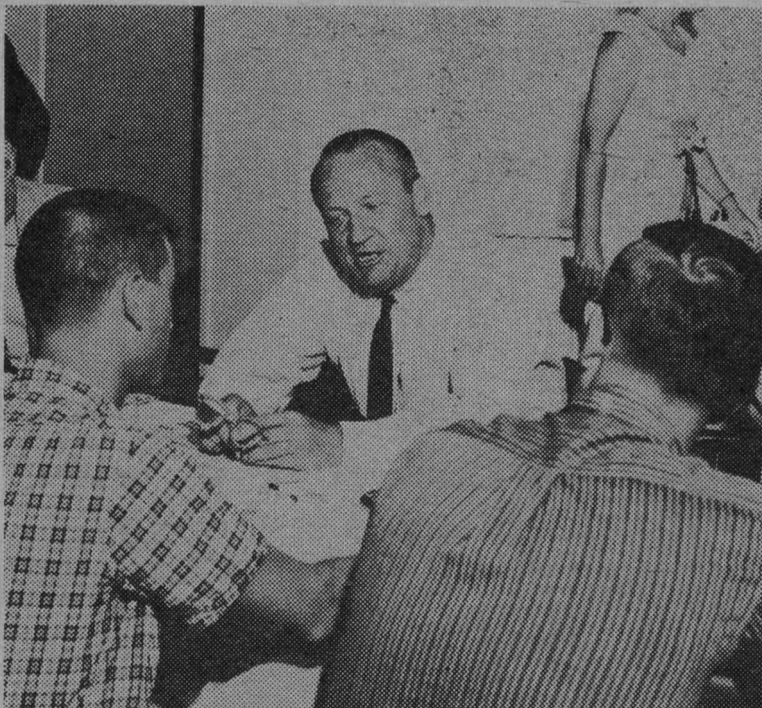

The deadline for applications for AS office manager and Student Union Committee chairman is Friday, Oct. 3, not Sept. 26 as stated in Friday's *El Gaucho*.

The office manager is responsible for the maintenance of the AS office. Typing and stenciling of Associated Students material is also included in this job.

## Tryouts End Today For O'Casey Play

Additional tryouts for Sean O'Casey's play, "Juno and the Paycock," will be held this afternoon from 3 to 5 in the Little Theater. According to director Dr. Theodore Hatlen, numerous parts still are open for both men and women. Hatlen makes it clear that no experience is necessary for participation in dramatic activities, nor is it necessary to be enrolled in speech or drama classes.

## FROM SENATOR TO GOVERNOR? . . .

**CAMPAIGNER BILL**—Senator William F. Knowland takes time from his busy campaign schedule to discuss various problems with Gaucho reporters Bob Richards and Bruce Loeb. The Senate minority leader spoke on the Right to Work Law, his opponent, Edmund Brown, and his qualifications for the governorship. Knowland met with the Gaucho staff members at the Valley House in downtown Goleta. —Photo by Sam Shimizu

## Membership Open To Male Singers

Membership in the Modern Chorale Group is now open to all interested and qualified male singers, according to Dr. Van A. Christy, director. Those interested may contact Dr. Christy or attend the first Tuesday or Thursday rehearsals at 1 p.m. in the Music Department Choral Room 1145.

This active chorale group presents programs popular with students, faculty, townspeople and music critics. It specializes in singing a wide variety of both accompanied and a cappella music. This activity may be either audited or taken for one unit of college credit.

## Election Signups To Close Tomorrow

Tomorrow is the last day to sign up for freshman elections. In the afternoon the Associated Student Body constitution test will be given in Bldg. 431, Room 102.

Once the test results are reported, the publicity phase of the campaign will begin. Posters, name tags and other publicity stunts will be in style. Each candidate is responsible for abiding by publicity regulations. These regulations include using 8x10 pictures on posters and turning the posters in to the Associated Student Body Publicity Committee, which will put the posters on display.

# 'Surprised' Queen Jacquie Reigns Over Freshman Class

"I was speechless and very surprised." That was the first reaction of Her Highness Jacquie Sue Funderburk when she was announced as the winner of the Frosh Queen Contest Saturday at the Tribunal Dance.

"I am very pleased that our hall got the honor," exclaimed Queen Jacquie from Laurel Hall. Miss Funderburk competed with some 20 girls for the royal throne. Male students made the selection by voting with pennies Friday. Bobbie Johnson, Delta Gamma, and Karen Winans, Delta Zeta, were selected as attendants.

Queen Jacquie comes to Santa Barbara from Barstow, Calif. Last year she was valedictorian of her graduating class. At present her major in college is undeclared, but she prefers either biology or English. She wants to secure a secondary credential upon graduation.

### Miss Barstow

The five-foot-five-inch, brown-haired, green-eyed queen is no stranger to winning contests of this type. She was selected as Miss Barstow last year, and competed in the Orange Show contest in San Bernardino.

### Taken—"More or Less"

Males will be unhappy to know that Her Highness is "more or less" going steady. However, she doesn't plan to get married "right away, but when the right man comes along."

As the winning candidate Miss Funderburk was awarded a personal trophy. She was crowned by Sophomore President Ron Largent. Laurel Hall will receive a perpetual trophy for sponsoring the winning contestant.

According to chairman of the queen contest, Vikki Post, the voting was very satisfactory, and votes of over \$200 in pennies were cast. The money will be put into the permanent Freshman Class treasury.

## The Copy Cat . . .

by Pat Gower

Hark, me snuck in the Tuesday paper, although, I assure you, it's not from any cleverness on my part. Seems the Copy Cat copy was partly cut in Friday's edition, so . . . here's the news that missed Friday's deadline.

The gallant SAEs serenaded 1704 Grand Ave. last week to thank the girls for the use of their chairs. Chivalry is not dead! . . . Grand Avenue may be a little quieter this year, for due to dangerous topography in the area, the Chi O house and Pi Phi house are "off limits" for water fights! . . . Forgot to include in the PINNING list the names of Lee Smelzer and Joanie Weyand, and WEDDING congratulations to Don Hay and Shirley Campbell. . . . Even the Goleta Gazette beat me to a real Gauchito scoop and announced the marriage of Gauchito Editor Bruce Loebs and Neila Wiersema. They were married Sept. 6 in Pacific Grove. . . . And congrats also to Mr. and Mrs. Jack Aguilar (Karin Christesen). . . . Now, who have I forgotten? . . . Looks like the days of dusty, chug-hole roads are over for Isla Vistas—finally. . . . Shouldn't bicycles-built-for-two be back in vogue? . . . It's interesting to see everyone in the SU communicating in sign language. They can't hear each other with the juke box blaring "Rockin' Robin," and other lovely tunes. . . . Now that we've waited two hours in line for textbooks, we can file them away and rush off to meetings—hall meetings, board meetings, GGR meetings, skit practices, song practices, Council sessions, bull sessions, car washes, beach parties, meetings, meetings, meetings. . . . Would you excuse me, please? I'm late for a meeting in the SU right now. . . . 30 'til Friday.

## 21 Colonel's Coeds Sought by Oct. 10

Applications are still being taken from girls interested in running for Colonel's Coeds. Forms can be secured in the halls, sorority houses, boarding houses and the Dean of Women's Office. Completed applications must be accompanied by a 3x4 photo and are due in the Dean of Women's Office not later than Oct. 10. Primary elections are scheduled for Oct. 14 and 15.

This year's group of Coeds will be the largest in the history of the organization. The number corresponds to the ROTC Cadet Corps enrollment, which is at its peak this semester. There are vacancies for five junior girls, five sophomores and 11 freshmen.

The Colonel's Coeds were formed in the fall of 1950. The purpose of the organization is to co-sponsor ROTC Cadet Corps activities. The members wear bright red jumpers and appear with the corps in such events as the Veterans Day Parade in Santa Barbara, the annual Provost Review, the annual General Inspection Review, presentation ceremonies and the annual Military Ball. The queen of the ball is selected from the ranks of Colonel's Coeds.

## CADETS PROMOTED

Cadet Majors Alva R. Jones Jr. and Marvin Van Horn have been promoted to the command of first and second Battle Groups, according to Lt. Col. Woolsey, professor of Military Science and Tactics.

The promotion ceremony was held last Thursday during the first ROTC orientation meeting. Vice Chancellor Elmer Noble and Dean Snidecor attended. Dr. Noble gave a short talk on the history of the training corps.

Assisting Cadet Maj. Jones on his first Battle Group are Cadet Capt. Peter Orth, Cadet 1st Lt. Frank Whittington and Cadet 1st Lt. Robert Kieding. Second Group Commander Cadet Maj. Van Horne will be assisted by Cadet Capt. John Stanton, Cadet Capt. Thomas Tissue and Cadet 1st Lt. Preston Burton.

After being sworn in by Woolsey, the cadets were taken to the auditorium where Woolsey addressed the group on the responsibilities and opportunities of the ROTC cadet. Four representatives of the Colonel's Coeds, honorary sponsors of all ROTC activities, presented colors to the new company commanders.

## JAN. TEACHER GRADS

All candidates for degrees and/or credentials for January 29, 1959, who did not secure graduation papers at registration, are requested to call at the Office of the Registrar, Bldg. 403. Registrar Paul Wright urges that this matter be taken care of immediately.

## AWS SUPPER

Tickets are now on sale in the Graduate Manager's Office for the AWS Big-Little Sister Supper to be held Sunday, Oct. 5, at 5:30 p.m. in the Student Union Patio. Tickets sell for \$1.25. Chicken will be served. Entertainment will include a fashion show by Lou Rose of Santa Barbara.

## URC Notices

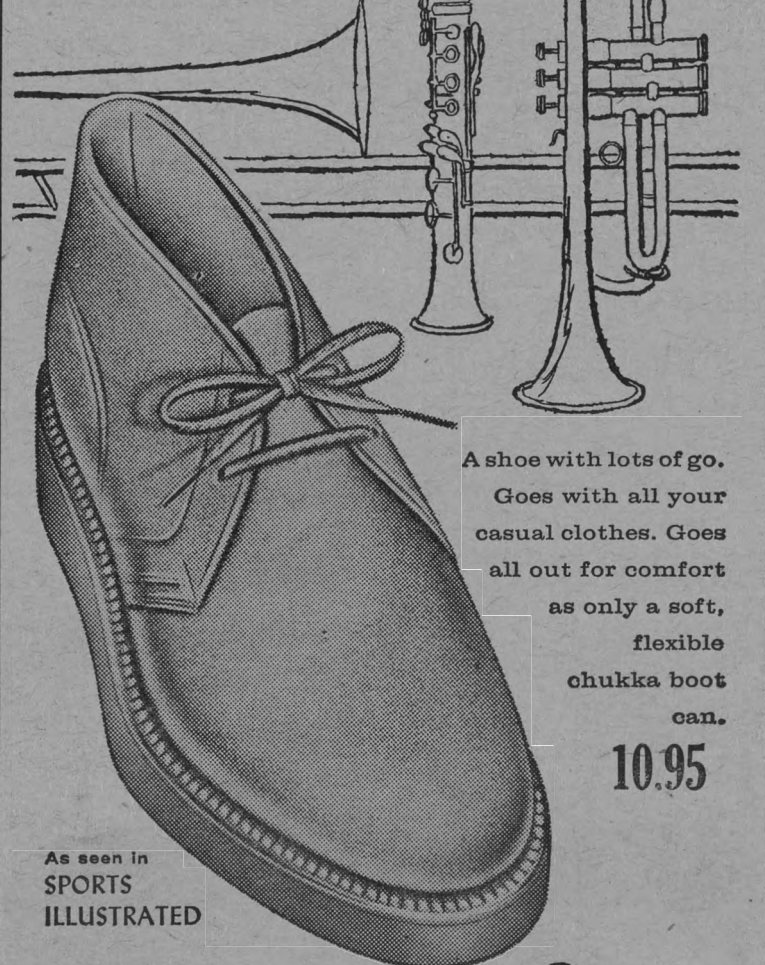

Christian Science Testimony meeting, 3:15 Tuesday at the URS Building.

Westminster Fellowship Counseling and Group Fellowship from 4 to 6 p.m. Tuesday at the URC Building.

Episcopal Holy Communion at 7 a.m. Wednesday at the URC Building.

Baptist Roger Williams Fellowship, supper and discussion from 5 to 7 p.m. Thursday at the URC Building.

# Gauchos To Host Bulldogs in Loop Tilt

## Poets Score Late, Beat UCSB, 7-6; Permenter Tallies 3rd TD of Season

by J. R. Robbins

Still looking for a win, head mentor Clark Van Galder will bring his Fresno State Bulldogs to La Playa Stadium Saturday night to tangle with Coach Ed Cody's Gauchos in a conference tilt. Kickoff is at 8 p.m.

A 27-13 loss to the San Diego Marines over the weekend gave the Bulldogs their second defeat in as many starts after dropping their opener to Brigham Young, 29-7.

### UCSB: 1 Win, 1 Loss

The Gauchos hold a 1-1 slate, a 25-0 win over San Diego State and a 7-6 loss dealt by Whittier Saturday night in a non-loop meeting.

UCSB and Fresno haven't met since 1954 when the Gauchos came out on the short end of a 26-20 decision. The year before a snarling Bulldog chewed up Sr. Gaucho for a 20-0 win.

At Hadley Field in Whittier Saturday, some 5,000 fans saw Santa Barbara push across a second-quarter tally, miss the conversion attempt, and lead the Poets until the last four minutes of play when the Poets scored on a fourth-and-six situation, goal to go.

### Kick Makes Difference

It was the conversion kicked by Poet tackle Dave Fenton that spelled the difference. Fenton also provided the winning margin in Whittier's last game when he booted a 16-yard field goal for a 9-6 win over the Cal Aggies.

A potent passing attack was demonstrated by Poet Quarterback Gary Campbell, who completed 13 aerials out of 17 attempted for 143 yards. It was a Campbell TD pass to Ardie Williams that tied up the ball game before Fenton's cultured toe split the uprights for the extra point.

### Gauchos Begin Drive

Neither team could get a sustained drive going in first-quarter action and it wasn't until midway in the second when the Gauchos started their move.

Taking over on downs on their own 30, UCSB drove 70 yards in 13 plays for the score, a 1-yard plunge by fullback Ned Permenter. Right half Duke Ellington was instrumental in the drive, while a sensational diving catch by end Benny Dyas of a 38-yard Jim St. Clair pass set up the scoring play. The conversion attempt by guard Frank Brisslinger was deflected by the Poets' Leroy Anderson and UCSB led at the half, 6 to 0.

### Fourth-Quarter Surge

It wasn't until late in the fourth quarter that Whittier caught fire after taking over on the Gauchos' 44-yard line because of a short punt. Campbell ran and passed the team to Santa Barbara's one, where an off-side penalty put them back to the six. Here he loped an aerial to Williams for the tally, and Fenton converted for the win.

## ROBBINS' NEST Conversions Give Coaches Headaches

by J. R. Robbins

The conversion kick still plays an important role in football as two Southern California coaches well know after experiencing the wrought of being on the short end of the score with a single point making the difference. These two coaches are probably asking themselves why does one small action make the difference between success and failure . . . between being the victors or the conquered . . . of being labeled a genius or dope—after 60 minutes elapse with the two teams on equal terms in competitive playing.

Saturday Don Clark's SC Trojans were edged by Michigan, 20-19, with two p.a.t. attempts failing, and that evening Ed Cody's Gauchos dropped a 7-6 decision to Whittier.

There have to be winners and the point(s) after touchdowns were incorporated into the rules to establish a winner more easily and to make the game more competitive. It's a necessary evil in the game but it's a hard thing for a losing team to accept a one-point defeat.

Cal Poly romped over L.A. State Saturday, 55-0, and looms as the powerhouse favorite for the CCAA title. This writer picks Fresno as the darkhorse with UCSB a secondary contender for the conference flag.

Santa Barbara has the work-horse line, size, speed in the backfield and the necessary power. What is needed is a more potent passing attack and pass defense.

As football reaches a fevered

## How UCSB Lost

Score by Quarters				
Gauchos	0	6	0	0-6
Whittier	0	0	0	7-7

Scoring				
Gaucho scoring—TD: Permenter (1, plunge).				
Whittier scoring—TD: Williams (16, pass from Campbell). PAT: Fenton (kick).				

Statistics		
Gauchos		Whittier
8	First Downs	14

height in intercollegiate competition the stage is being set for competition of teams within the college itself, or intramurals as it is colloquially termed.

Coach Stan Williamson replaces Dr. Ernest Michael as coordinator of intramural athletics and the year promises to be a big one as in the past. Participation should reach a new high with the increased enrollment and in fraternity strength.

Next week will see the format shaping up on favorites for the titles. Last year the Sig Eps won the fraternity division in touch football and Toyon-Pine garnered the independent title.

## Intramurals . . .

There will be a meeting of all sports managers for organization of the sports council at 4 p.m. today in Bldg. 402, Room 110. The meeting will be important for representatives of all the teams that wish to participate in Men's Intramurals this year.

The tentative schedule calls for flag football and basketball to start this fall semester.

Stan Williamson will coordinate intramural athletics this year and has plans for an active year with the increased freshman enrollment.

## First Lecture Set; Aggeler To Discuss De Gaulle, France

"The Death of the Fourth French Republic" will be the topic of discussion by William F. Aggeler, assistant professor of French. Dr. Aggeler will be opening the first lecture of the All-College Lecture Series today in the Classroom Aud. at 4 p.m.

Dr. Aggeler has just returned from his sabbatical and was in France when the French crisis occurred last May and Gen. Charles de Gaulle stepped into power. Aggeler will give a first-hand account of the reactions of the French peoples and of the effects of the dying Fourth Republic. Dr. Edmond Masson, chairman of the Foreign Language Department, will introduce Aggeler at 4 to all interested students.

"The All-College Lecture Series is designed to bring before the students, professors of UCSB to talk on their various experiences or research in their field that isn't brought out in the classroom," stated Dr. Roger Chapman, chairman of the Committee on Drama, Lectures and Music.

Tomorrow, Oct. 1, Dr. Willard Swire, executive director of ANTA (American National Theater and Academy) will speak on "The American Theater Today." Swire, who is visiting from New York, will be the first lecturer of the Special Lecture Series. Speech and drama students, as well as the public, are invited to hear Swire. The program will be held from 4 to 5 p.m. in the Classroom Auditorium.

The All-College Lecture Series will be held nearly every Tuesday from 4 to 5 p.m. in the Classroom Auditorium (C 1004) and is open to the public.

## Sororities Present Pledges at Biltmore

Presents, held Sunday night, Sept. 21, in the Loggia Room of the Biltmore Hotel, climaxed a week of rush for the eight sororities on campus.

The 136 new pledges representing Alpha Phi, Alpha Delta Pi, Chi Omega, Delta Gamma, Delta Zeta, Kappa Alpha Theta, Pi Beta Phi and Sigma Kappa were presented to an audience of more than 600, including family and friends and students of the University. Gil Rosas provided the music for the affair.

## STAFF FOR SPECTRUM

All persons interested in working on the staff of *Spectrum* will meet at noon, Wednesday, Oct. 1, in the Huddle.

## SQUIRES MEETING

The Squires will meet tonight in the Conference room of the Student Union at 7:30 p.m. All present members are required to attend. New memberships for this semester will be considered.

## FROSH, VARSITY

All students interested in turning out for basketball, who missed the freshman or varsity sign-up, should report to the Men's Physical Education offices, Bldg. 420, this week.

Arthur J. Gallon will be coaching the varsity squad, while coach Frank Rohter will mentor the freshmen. Students may see either coach for signups.

## PUBLICITY SIGNUPS

Signups for AWS Publicity Committee are being held Monday through Wednesday in the ASB Office. Anyone interested is urged to apply.

## CLASS CARDS

Juniors can obtain class cards this week on sale in the Graduate Manager's Office. The card serves as admission to the All-Cal Class Party, the Carolling Party, Junior-Senior Prom discount, and other events.

## INTELLIGENCE UNIT HAS LINGUIST JOBS

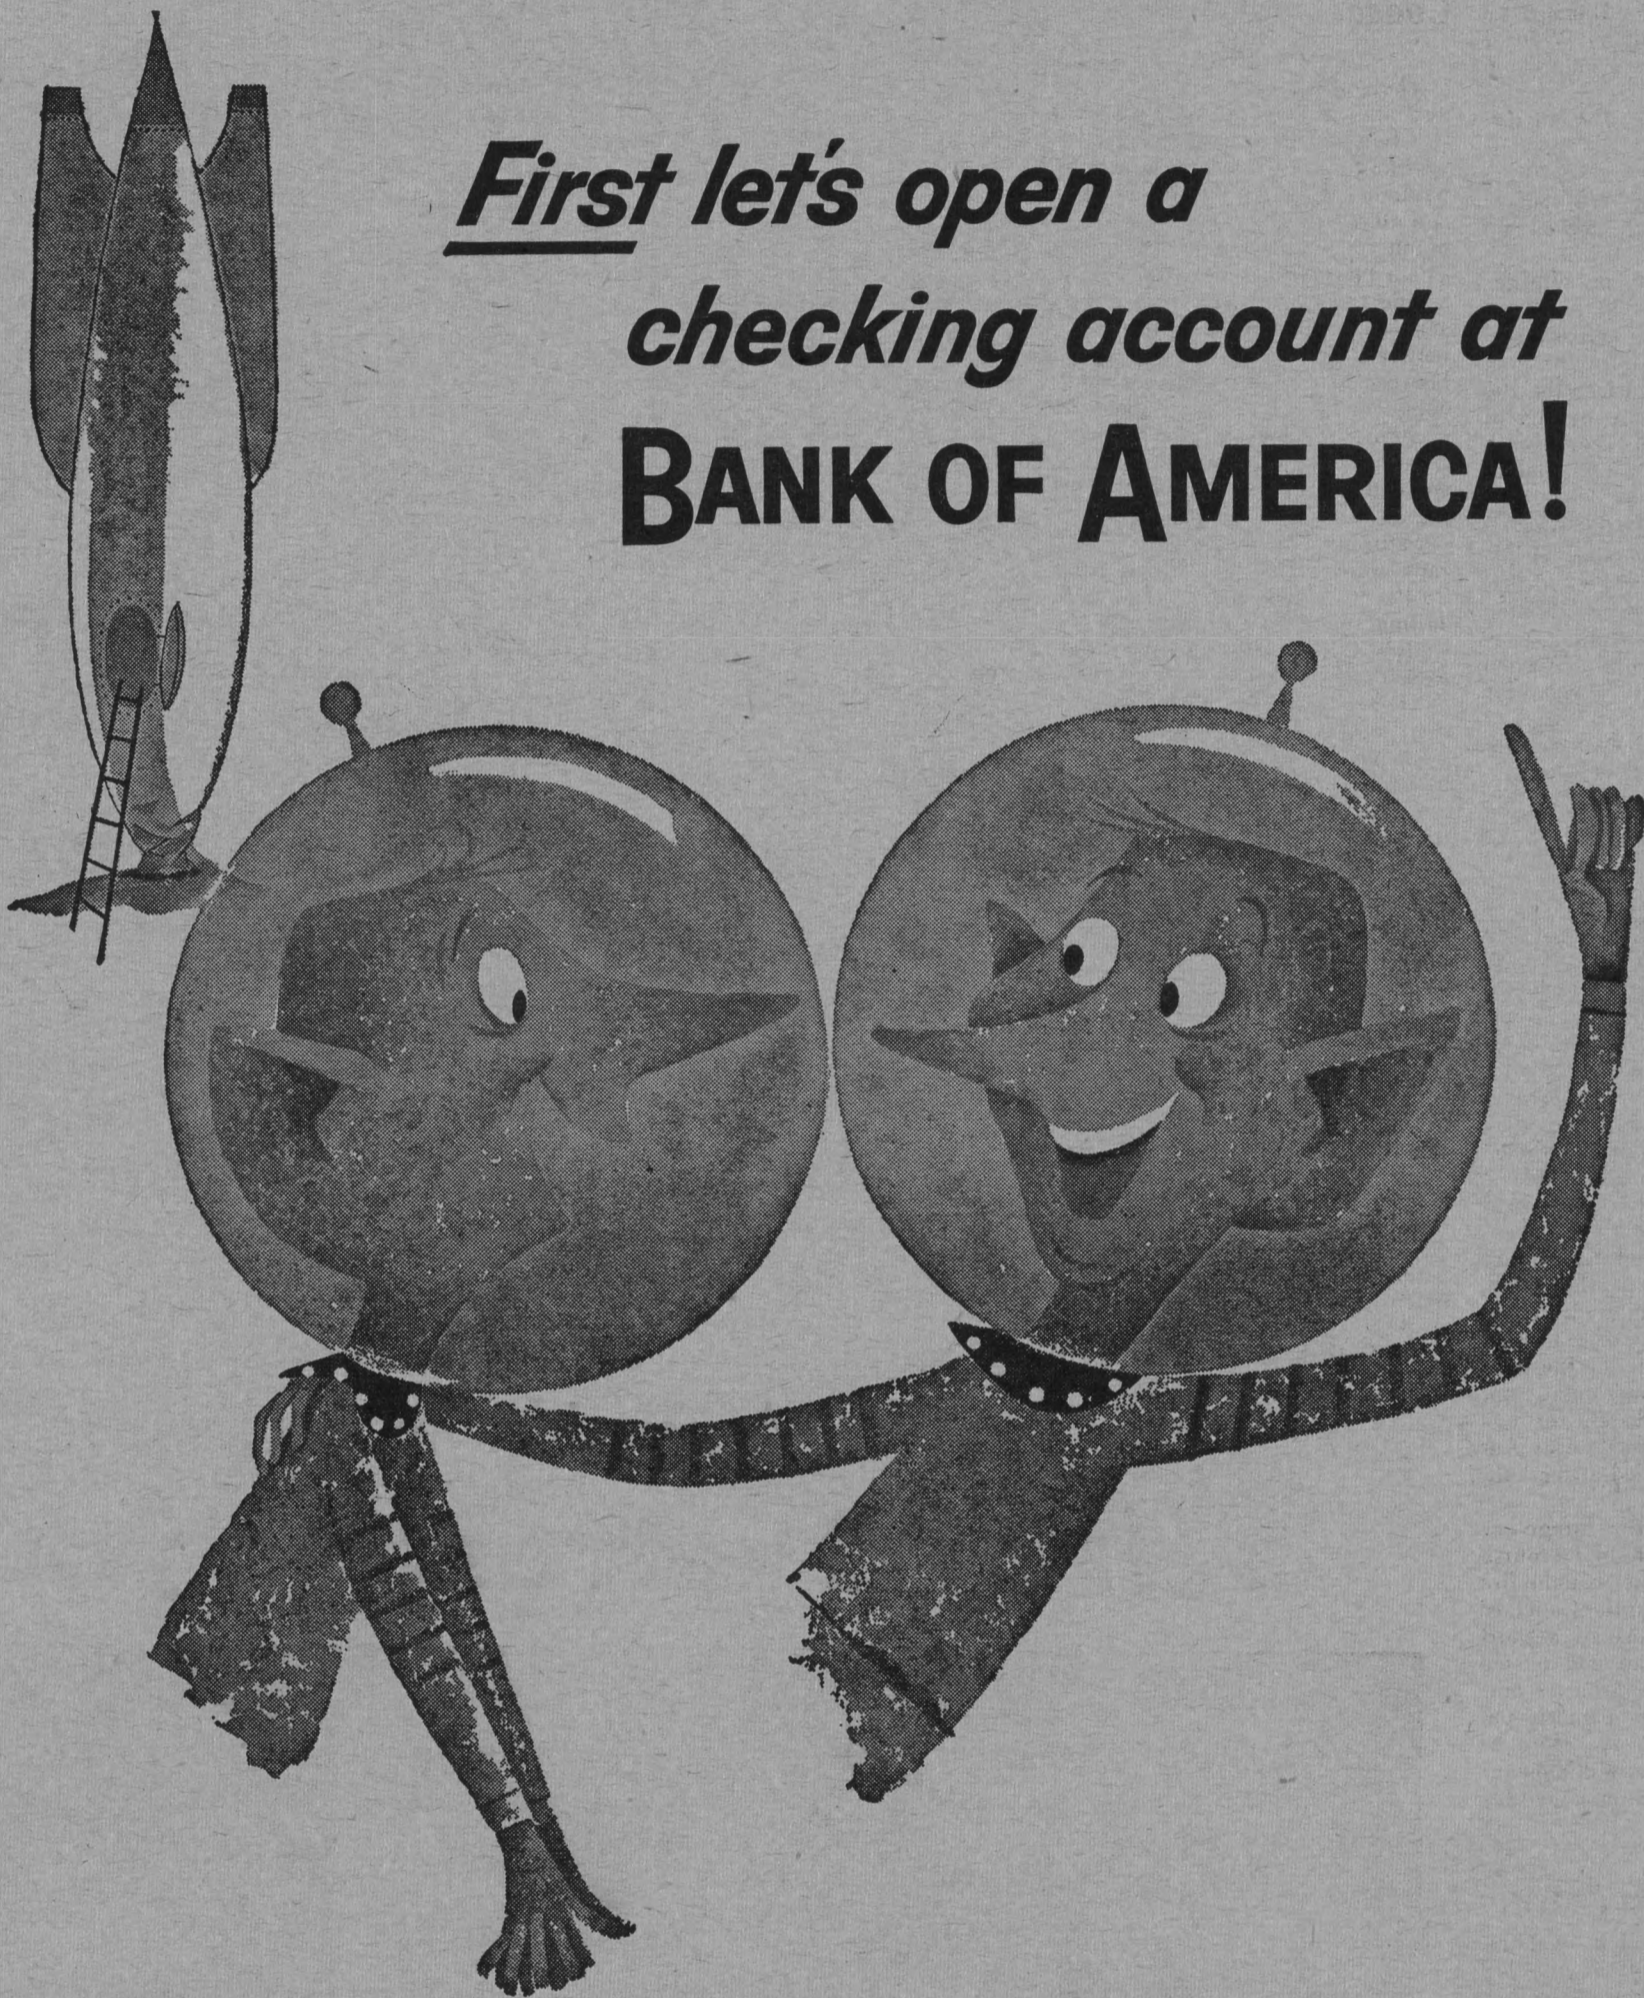

The Santa Barbara Military Intelligence Unit, Detachment 5, has announced openings for qualified Reservists to serve as linguists and specialists in other fields.

Requirements are: 1) U.S. citizenship, 2) a score of 100 or more on the AGCT (Army General Classification Test), 3) high school diploma, 4) eligibility for secret clearance, 5) prior military experience either in active service or in the reserves.

Openings at the present time call for enlisted men as linguists in Russian and German and for an officer with some knowledge of Portuguese. High skill in these languages is not essential. There are also openings for a captain, a sergeant 1st class and three privates in other fields.

A full day's pay is granted for each meeting. Meetings are held every Tuesday night between 7:30 and 9:40 at Fremont Hall, 3227 State St., Santa Barbara.

*First let's open a checking account at*  
**BANK OF AMERICA!**

Everyone should open a Bank of America checking account when they arrive on campus—it's the safe, convenient way to keep track of your money and pay your bills.

If you figure you'll only need to write a few checks now and then, we suggest a TENPLAN checking account. This requires no minimum balance—just enough in your account to cover the checks you write. And a book of ten checks costs you only \$1.50.

If you expect to write checks often, however, we recommend that you open a REGULAR checking account.

You don't have to travel very far to open your B of A checking account—there are three conveniently located B of A branches in this area!

## Classic Miller Play Features Cast From Summer Production

by Janiece Asper  
Drama Editor

The first play of the season by the Speech and Drama Department will be Arthur Miller's "A View from the Bridge." "It was the perfect solution to an early performance date," explained Dr. Stanley Glenn, assistant professor of speech.

Dr. Glenn directed the play this summer at the Santa Barbara Repertory Theater. The play was sold out for the entire run and was held over for one week by popular demand.

### Cast Retained

Two of the major roles, Catherine, the niece, and Rodolpho, an illegal immigrant, were played by Irene Schilling and Herb Bernar, UCSB students. The other major roles, Eddie and Beatrice Carbone, were played by Walter Tibbetts and Joan Howard. All four of these players have been retained for the UCSB production.

### Classic Climax

Miller has developed his major theme of man being molded, shaped and crushed despite his struggles by the pressures of society. The play is essentially a character study of Eddie Carbone whose inability to understand or even recognize his true feelings for his niece lead him to commit the sin which, in his society, is unforgivable. The action proceeds inexorably toward a climax in the classic tradition. The play won the New York Drama Critics Circle Award and the Pulitzer Prize.

### Cast Selected

Other members of the cast are: Alfieri, Fred Vesper; Marco, Laurence Haubin; Louis, Ed Bronstein; Mike, George Goyer; 1st Immigration Officer, Allen Knight; 2nd Immigration Officer, Herbert Williamson; Tony, Bill Miller; Mr. Lipari, Fred Strange; Mrs. Lipari, Carol Nelson; Two "Submarines," Mike Castillo and Doug Siefert.

Performance dates are Oct. 9, 10, 11, 16, 17 and 18. Tickets will be available at the Little Theater. Student tickets are 75c or \$2 for the season of four plays.

### ELECTION COMMITTEE

Election committee meets today at noon in the AS Conference Room.

### SENIOR COUNCIL

There will be an organizational meeting of the Senior Class Council at noon Thursday, Oct. 2, in the Huddle conference room. All seniors who are interested in helping direct and plan class activities are urged to attend.

## Kerr, Gould Speak . . .

continued from page one  
chased in the Public Information Office .

### Reception and Dance

There will be a reception and dance for all students starting at 3 p.m. Classroom attire will be the manner of dress. All students are urged to attend, since it is a unique opportunity to meet the leaders of the University. Refreshments will be served and there will be dancing in the recreation room of the hall.

The Citizens Committee for the University of California, Santa Barbara will play host to President and Mrs. Kerr at an inaugural banquet in the Montecito Country Club at 7:30 p.m. Over 400 of the area's leading citizens are expected to attend. Toastmaster for the evening will be Louis Lancaster, chairman of the event for the citizens' committee.

## A Point of View . . .

continued from page six

We can sympathize with the feelings of those students, who think that rather than futilely combat the inadequacies of our present student extracurricular government, they might find it more profitable and valuable to continue their studies. But by the use of hindsight we can see that the student must at least use his vote to maintain the status quo. Once his restraints are loosened, the politician can run rampant. The intelligent voter can then only drag his feet by use of his vote.

We like to think that, although there are great defects in our campus community, a student, primarily concerned with an education, by all rights should not have to concern himself with them. But a blank ballot or a one-candidate office enables weakening elements to enter student government.

In a week or so, some of us will perhaps have a second chance. It would be a pity if a politician could again win office because the large mass of students don't care.

### ASSEMBLY MEETING

The Assembly Committee will hold its first meeting today at 4 p.m. in the Student Union Huddle. All persons who have signed up as members in the Associated Students office are urged to attend.

### BLOCK 'C' MEETS

Block "C" lettermen meet tomorrow night, Wednesday, 7:30 p.m., at the City Recreation Center on East Carrillo Street. Important business matters will be discussed, football films viewed, and refreshments will be served. A special invitation is extended to all who have recently earned their Block "C"s.

President Kerr again will be the principal speaker.

### Regents To Attend

Regents of the University who have announced plans to attend include: Mr. and Mrs. Randolph Hearst, publisher; Mr. and Mrs. Edward Carter, president of the Broadway Department Store chain; Mr. and Mrs. Thomas M. Storke, publisher, and Mr. and Mrs. John E. Canady, vice president of Lockheed Aircraft. Also attending will be Mr. Gould and Dr. Noble and their wives. Tickets for the event can be obtained at the Santa Barbara Chamber of Commerce. Their cost is \$4.75 per plate.

President Kerr is currently attending functions of similar nature at seven of the eight campuses of the University. Last Friday inauguration ceremonies were held at UCLA and yesterday at Berkeley. The day's events here have been arranged by the Committee on Public Ceremonies, Lloyd Browning, associate professor of music, chairman.

Lucky Strike presents

# THINKLISH

—the funniest, easiest way yet to make money!

PUT IN A GOOD WORD AND MAKE \$25!

Speak English all your life and what does it get you? Nothing! But start speaking Thinklish and you may make \$25! Just put two words together to form a new (and much funnier) one. Example: precision flight of bumblebees: *Swarmation*. (Note: the two original words form the new one: swarm + formation.) We'll pay \$25 each for the hundreds and hundreds of

new Thinklish words judged best—and we'll feature many of them in our college ads. Send your Thinklish words (with English translations) to Lucky Strike, Box 67A, Mt. Vernon, N. Y. Enclose name, address, college or university, and class. And while you're at it, light up a Lucky. Get the full, rich taste of fine tobacco, the honest taste of a Lucky Strike.

# Letters to The Editor . . .

## Janus Challenged . . .

Last Tuesday's *El Gaucho* featured "A Point of View" by Janus. Janus, as you know, was a Roman god who is commonly represented with two faces in opposite directions. Presumably with this non-de-plum our "Janus" ought to be able to see in two directions; however, he appears to be limited to one direction.

Our system of student government was criticized on several grounds. Paramount among these was compulsory student-body fees. I suspect that the criticism of compulsory fees arose more from aching feet than from a logical analysis. "Janus" fails to see that non-compulsory fees would not make "the slow and sometimes futile procedure of the vote" any faster or any less futile; if, indeed, it is either of these. It has been observed that a vote is futile only when one's policies or candidates are defeated. The answer to a "futile" vote is not to abandon democratic government, but to influence the voters.

I am sure that "Janus" would find an enthusiastic supporter in the former governor of Utah, J. Bracken Lee. Mr. Lee opposes federal taxation; if you can imagine what would happen to the nation if we had voluntary taxes you can see what "Janus" failed to see about student government.

A certain amount of money is necessary for the student-body programs which we have here. Without this money there would be no increased interest in student government and there would be no football or basketball or swimming or any other sports. Men like Donald Davie and Aldous Huxley who we attracted to our campus by the student-supporter *Spectrum* would go elsewhere. We would have no yearbook or newspaper in which "Janus" and I can air our different views on various matters and look in opposite directions.

Sincerely,  
George Hart

### FINANCE OPENINGS

According to chairman Judy Dille, two positions on the Finance Committee are still open. Applications should be filed in the AS Office not later than Oct. 1. The positions are open to any member of the Associated Students.

"Just Off the Campus"

## A POINT OF VIEW

by Janus

We are always surprised when he find that people are given a second chance. Therefore imagine our surprise when we accidentally learned that special elections would be held in the near future to fill the vacancies in two voting offices of Legislative Council. The offices are the sorority representative and the unaffiliated men's representative.

As we saw last week, elections of this sort are the only means for individual students, who have no connection with the machinations of campus government, to express their opinions. This election is of primary importance for the unaffiliated male student since he has no other way to apply pressures to his government. Without an organization, once his compulsory \$15 is paid and once the elections have been completed, he sinks back into obscurity.

Last year during the major spring elections we were greatly heartened by a new constitutional amendment which had just been accepted. It seemed that the unorganized element might have an opportunity to say a few words. But ultimately no unaffiliated name appeared on the ballot, and once again it appeared that the inertia of those who were discontented would mean failure for any effective reform in student government.

Then the void on the ballot was filled by a write-in candidate who contended he had been elected by three votes. What disturbed us was the realization that if one doesn't make use of the ballot, some political opportunist may employ the election to his advantage.

## Knowland Airs Views . . .

continued from page one

himself from the race. The Governor himself has stated that he felt I would have won the primary. I am supporting him for the Senate."

**To what extent do you feel President Eisenhower's announced visit to California will aid your campaign?**

"I am glad the President is coming here. Mr. Brown also has distinguished company. I noticed that former President Truman was in San Francisco campaigning for Brown yesterday. I was very amused by this because I recall a letter written by Mr. Brown to Jimmy Roosevelt in April of 1948 before the convention which renominated Truman. (The Senator read Brown's letter, which said in part: "I feel the nomination of Truman would be one of the most serious mistakes ever made. We must face the fact that Truman can't be re-elected, and even if he could he shouldn't be.")

**Do you feel that fraternal organizations that practice religious and racial discrimination should be allowed on state-supported campuses?**

"I am not in favor of forcing private organizations to determine their membership. As free citizens they should have the right to determine who their membership should be much the same as churches."

**Do you feel that Presidential Assistant Sherman Adams' successor, Maj. Gen. Persons, is as competent as was Mr. Adams?**

"I know Gerry Persons well. I have a high regard for him. He will do an outstanding job as chief assistant to the President."

**Do you feel that student-body fees should be compulsory?**

"I have not had a chance to study the situation. I would normally believe that both fees and tuition charges should be kept as low as possible to allow more people to get a higher education."

**Why did you decide to substitute the Senatorship for the Governorship?**

"I have already been in the Senate for 13 years. I feel that one of the great issues confronting the state and nation is compulsory unionism. I felt that the issue could best be raised as a candidate for Governor of California."

"I don't want my children, or anyone else's for that matter, to say, 'You saw the problems, why didn't you raise the issue when you could do something about it?'"

"As an auxiliary reason for wanting to be Governor, I would like to be closer to my family than I have been able to be in Washington."

**How do you feel about the often-made comment that Attorney General Brown is more familiar with California problems than you are?**

"I don't agree with those who say that since I have been in Washington I have not kept abreast of the problems of California. I was born here, as was my father before me. I spent six years in California politics in Sacramento. During my 13 years in the Senate I have had every type of problem dealing with California. (The Senator mentioned some problems such as flood control, defense, air, sea, rail questions, contracts with irrigation districts, agricultural interests.)

"I think I have kept as closely abreast as anyone in State government could do."

## STUDENTS 'ON TRIAL' FRIDAY . . .

It is undoubtedly quite evident to every student at UCSB that President Clark Kerr and Chancellor Samuel B. Gould will be visiting the campus Friday for the inauguration ceremonies. News of the visit has appeared in front-page stories in the last three editions of *El Gaucho*.

But this visit is important to the student body and cannot be overstressed. President Kerr and Chancellor Gould, both of whom will be visiting the campus for the first time in their new capacities, will be vitally concerned with the type of student that attends UCSB. We will be just as much "on trial" and open for judgment by these men as they will be by us.

First impressions are lasting impressions not easily overcome. The first impression we make Friday will last long with them. President Kerr will carry that impression back to Berkeley and recall it in all business he does with this branch. Mr. Gould will return with that impression when he begins his duties as Chancellor, and he will govern his actions accordingly.

Therefore, it is the duty of every student to make the best appearance possible. The best way to do this is to turn out for the assembly and reception *en masse*. This will show that we are interested enough in our University to make an effort to meet its leaders. We are sure this interest will be returned in kind by Dr. Kerr and Mr. Gould.
