Large Crowd Expected to be On Hand for 4th of July Program Here

PROGRAM TO BE IN CHARGE OF RAY BASSETT

Dance at Cerca del Mar Will Close Days Events; Not Yet Known if Fireworks to be Part of Program

A large crowd is expected to be on hand the afternoon of the Fourth of July to witness the athletic events that have been planned for the afternoon, according to Ray G. Bassett who is in charge of the program. Bassett will be assisted by James Woods, Leona McCubrey and "Billy" Winters.

It is not definitely known whether fireworks will be a part of the evening entertainment at the time this paper goes to press. The matter is to be taken up with the Lion's club at their regular meeting tonight.

However, a dance will be given at Cerca del Mar on the night of the Fourth, the music being furnished by local talent.

Athletic events and awards for the afternoon are as follows:

Swimming contests: Men, 100 yds.; women, 75 yds.; boys (under 15 yrs.) 75 yds.; girls (under 15 yrs.), 75 yds.

Running races: Men's Free-for-All, 100 yds.; women's free-for-all, 75 yds.; boys (under 15 yrs.), 75 yds.; girls (under 15 yrs.), 75 yds.; boys (under 10 yrs.), 50 yds.; girls (under 10 yrs.), 50 yds.; boys (under six yrs.), 30 yds.; girls (under six yrs.), 30 yds.

Water tug-o-war, with five on a side: three boys and two girls.

Land tug-o-war, five man team.
Steal-th-sack race for boys over 15 years of age.

FORESTRY DEPT. ISSUES WARNING

The following is a copy of a letter which has been directed to all Fire patrolmen in Santa Barbara county in respect to the discharge of fireworks.

"As in past years preceding July fourth fireworks are being sold throughout the entire county, and I want to caution each of you to see that insofar as possible fireworks are not to be discharged in any hazardous area. It is impossible to issue permits for their discharge because of the great number that would apply, therefore I would suggest that you do your utmost toward having them discharged in places where there is no danger.

The State Highway Patrol will enforce the law rigidly regarding the throwing of firecrackers from automobiles, and I would suggest that each of you contact the Highway Patrolman in your respective districts and give them all the assistance possible. "Please handle this matter in as diplomatic a way as possible to the end that we have no fires originating from this source.

In flagrant cases and where there is no alternative, do not hesitate to issue citations and take the offender into court."

Parents of children in Carpinteria will greatly aid in the prevention of fires if they will send their children to the beach to discharge fireworks and see that such pieces as rockets, Roman candles and the like are pointed out over the water.

Things To Remember:

When a would-be volcano smoked at odd intervals on Rincon Hill.

The cave in Rincon Hill which was entered on the beach side and could be explored for 100 feet or more.

When Carpentarians got a thrill when they passed the old Trabucco murder house in Montecito.

When animals were found trapped in the asphalt pools along the creek.

When it was necessary to guard chickens against the raids of prowling coyotes.

OLD-TIME STAGE MEN FORM A PERMANENT ORGANIZATION HERE

At the Old-Time Stage Driver's convention held here over the weekend a permanent organization came into existence to be known as "The Pioneer Stage Drivers of California" with the avowed purpose of "building up and preserving a record of the old stage lines, routes, drivers and traditions in addition to compiling a lexicon of stage drivers' 'lingo' and a scrap book of famous yarns."

Local Man Secretary

When the meeting got down to business after reluctantly turning from "remembering when" the following officers were elected:

President, Captain William Banning, one-time owner of Catalina Island and collector of ancient stage coaches which he keeps on his ranch at Walnut, California, and occasionally drives around his domain.

Secretary-Treasurer, our own John E. Jones who once drove a line thru Whiskey Flats and has a remarkable tale to relate of cigaret-smoking bullfrogs.

First Vice-President, Colonel Fred Richardson of Carpinteria, who drove a line between Marysville and Downieville.

Second Vice-President, Mrs. Della Hasket Rawson, of San Dimas, the only woman known to have driven a regular U. S. mail line.

Delbert C. Reeder, Fillmore; Thos. W. Johnson, Whittier; Selin Carrillo, Carpinteria and Colonel Joel Remington Fithian, Carpinteria were appointed to contact and bring into the organization all the pioneer drivers of the State.

Meeting Place Here

It was decided that Carpinteria would be the permanent meeting place of the drivers and the first Sunday of each June was fixed as the date.

Other drivers present and not already mentioned were J. E. (Ted) Whitney, Montecito, who drove a stage between Los Alamos and Lompoc; William Stanwood, of Santa Barbara, who drove a Yellowstone stage for three years; John Longawa, of Santa Barbara, another former Yellowstone driver; Fred Longawa, of Santa Barbara, brother of John and a former Yellowstone stage pilot.

Closes With Barbecue

The convention was brought to a close with the most enjoyable barbecue, given by Major Fithian at his rancho, Monte Alegre, near here. A delicious repast was served to the guests, one of the principal items being lamb and beef which had been barbecued together in the same pit.

Among others attending the barbecue in addition to the drivers were: Mr. and Mrs. Paulsen Visel, Howe Deaderick, Saulsbury Fields and E. F. Pendergast.

LEGION BARBECUE

The annual barbecue of the American Legion will be held this Saturday night, June 30, at the Solari-Schweizer ranch.

All Legionnaires and veterans are invited to attend.

THREE PROJECTS ON LOCAL SERA SET-UP

Following an all-day conference, Monday, between the board of county supervisors, the county unemployment relief commission, SERA executives in the county, and the county planning commission a tentative agreement to undertake the coordination of county, state and federal resources for relief was reached.

Following the adoption of the plan the group outlined a series of projects which met with the approval of the supervisors. Final approval of these projects must come from the SERA board in San Francisco but no difficulty is expected from that source.

Carpinteria to Benefit

Under this program three local improvements will be made possible. They are the building of the Aliso school, improvement of the Carpinteria beach park and the operation of the stone and gravel quarry in Toro Canyon.

The labor on the Aliso school will be furnished by the SERA. The land has been purchased from school funds and the material to be used in construction will be paid for from the funds raised by the sale of the Aliso school bonds. Monday of this week work on the building was resumed with the stripping of the concrete forms from the foundation and is expected to go forward rapidly from now on. It is hoped that the school can be completed before the fall term opens in order to relieve the crowded condition that now exists at the old Aliso building.

Improvements at Cerca del Mar

The State Park Board has allotted \$1726 to be used to finish work started under the CWA at the local beach, and which will be finished by SERA labor. This work will include improvement of sanitary facilities at the Cerca del Mar, building of public lavatories and showers, improvement of roads and the installation of a 4,000 gallon water tank and a new pump.

Quarry Takes Up Slack

The rock crusher and quarry at Toro Canyon will be used to take up the slack on the local SERA lists as about ninety per cent of the labor available in this vicinity is unskilled according to Supervisor Dinsmore. Curb and cut rock for walks and walls at Cerca del Mar will be gotten out at the quarry as will sand and rock to be used in the building of the Aliso school.

End of Time for Filing Petitions Finds Heavy Crop of Candidates

CLOSE RACE IN STORE FOR SEVERAL OFFICES

Four Contestants in Field for First Township Constable; Three Out for Justice of Peace

The period for filing of nomination papers closed Saturday, June 23rd, sharply at noon. When the last minute rush had cleared away it was discovered that Santa Barbara county had produced almost a record breaking crop of political aspirants. It was also found that while some county officers will be unopposed, others will face a field of as many as five candidates for their particular office.

FIREWORKS BANE MAY BE INTRODUCED

Tom Dinsmore, Supervisor of the First District, states that he intends to introduce at the next meeting of the board, an ordinance to prohibit the sale of fireworks prior to July 1st of each year. The ordinance will cover this district and Dinsmore hopes to have it made county-wide.

The supervisor feels that such a move is necessary because of the numerous complaints he has received this year in regard to the dangerous and careless manner in which fireworks are being discharged. These complaints state that boys and young men of this vicinity have been throwing lighted firecrackers into passing cars thus endangering both life and property.

ALCAZAR THEATRE REOPENS TUESDAY

The Alcazar Theatre which is being re-opened Tuesday, July 3rd, by Wm. Swanson, of Ojai, has been completely redecorated and new sound equipment has been installed.

The walls have been re-painted and new drapes hung throughout the theatre. Complete new R. C. A. sound equipment has been installed to replace the old equipment and a new Magniscope screen, almost twice as large as the one formerly in use has been put into place.

Mr. Swanson states that he will show only first run pictures which he obtains on a selective basis instead of the usual "spot-booking" commonly used in smaller towns. In addition to the feature he will run short subjects of general interest including an animated cartoon.

Two shows will be given each evening and the program will be changed twice a week.

SPECIAL SERVICES AT CHURCH SUNDAY

A special treat is in store for the members and friends of the Community church next Sunday at the eleven o'clock service. The Young People of the Montecito Presbyterian church will have charge of the service. The following is a general outline of the service:

Prelude, Violin solo, Bert Remmers. Processional, Tuxis Choir. Call to Worship, Jom Tuinhart. Prayer, Frances Irwin. Lord's Prayer, Chanted, Tuxis and Senior choirs.

Responsive reading, Robert Romero. Response: Gloria Patri.

Scripture lesson, Percy Vincent. Anthem, Montecito choir.

Offering. Offertory, Cornet solo, Robert Gamage.

Short talks: "Why a Young People's Society," James Ezaki; "Young People and the Church," Dan Wulff.

Selection, Men's chorus. Prayer and benediction, Jim Tuinhart.

Dr. Kirkes will occupy the pulpit of the First Methodist church of Santa Barbara at 11 o'clock. He will also broadcast every Monday morning at 7:30 over KDB, during July.

GARDEN CLUB PICNICS

Mrs. John F. Mannings was hostess to the Garden club at a pot-luck picnic luncheon at her home on San Ysidro road, in Montecito.

Chronicle to Have New Office Added to Building Soon

EQUIPMENT TRANSFER MADE OVER WEEK-END

The Chronicle plant is about to have its "face lifted." In other words an office is to be built on the front of the plant where the porch is now located. The Carpinteria Realty company, owners of the building, expect to start work on the remodeling in the near future.

The addition of an office will permit business to be carried on without interference from the noise of the machinery incident to the publishing business and also give more room for the mechanical department which has been somewhat crowded.

The newspaper press and linotype which have produced the Chronicle for the past year and a half were torn down Friday evening and were loaded Saturday morning on a huge truck for transfer to their owner, Wesley L. Davis, Jr., former owner of the Chronicle.

Saturday forenoon there arrived from Los Angeles another truck bearing a modern, renewed Intertype which an expert moved in and had in running order by 2 o'clock Saturday afternoon.

During that afternoon Victor Stubbs and an assistant braced the floor under the Intertype, spread sheet metal under it to catch the

metal droppings, and excavated a pit where the newspaper press stood.

Here a solid concrete base was laid which dried over Sunday, and on Tuesday Mrs. Waynflete's newspaper and book press arrived by special truck and was installed and set up.

This is a fine piece of equipment, produces beautiful register three-color book work, suitable for printing annuals, broadsides and booklets on the finest grades of paper, the various colors "spotting" one over another, to the exactitude of a gnat's eyelash.

Wednesday morning the Chronicle plant was in full operation again, capable of taking care of every class of newspaper and commercial printing products.

LEMON MEETING URGED FOR S. B. COUNTY

Word has been received here that an attempt is being made by Sydney A. Anderson, County Agricultural Agent, to get Dr. Fawcett to come to Santa Barbara county and hold a meeting sometime during the month of July for those interested in gummosis of lemons.

First Township in which Carpinteria is situated will have a triangular race for Justice of the Peace and a four-cornered battle for Constable. Those filing for Constable are: C. A. Talmage (incumbent), M. A. Bottolo, C. F. Lopez and Geo. A. Senteney. For Justice of the Peace: Jerome F. Tubbs (Incumbent), Clinton P. Moore and Melvin Snow.

Two other Carpentarians have filed petitions. George Bliss is opposing Elbert Lee Cochran for the Republican nomination for Congressman from the tenth district. Harry A. Lintz, District Superintendent of El-County Superintendent of Schools elementary schools, is a candidate for running against Mrs. Muriel Edwards.

Appearing on the ballot for election to the Republican Central Committee from this district will be Arthur M. Clark, Emmanuel D. Solari and L. W. Fowler. For the Democratic Committee will be C. B. Franklin and Hamilton Thacher.

The list of nominations for district township and County offices are now complete. However, the roster of petitions filed in this county for state offices, such as governor, U. S. Senator, Congressman, legislators, state judges, etc., gives only a partial list of the names that will appear on the ballot.

Candidates which Carpentarians will have an opportunity to vote on are Congressman, 10th District: George R. Bliss and Elbert Lee Cochran, Republicans; Henry E. Stubbs, George W. Lynn and Joseph Bredsteen, Democrats.

Assemblyman, 39th district: Albert W. Robertson, Republican and Democrat; Ira Kramer, Republican; Harold Weidman, Democrat.

County Clerk: D. F. Hunt. Treasurer: Henry G. Myers, Enoch B. Olsen, George Giovanola, L. A. Gammill, George W. McLellan.

Coroner: William J. Jacobs, E. G. Dodge, A. J. Janssens.

Assessor: Charles S. Tomlinson, Wallace Blair and A. H. Williams.

Sheriff: James Ross. Auditor: Albert T. Eaves.

Recorder: Yris Covarrubias. District Attorney: Percy Hecken-

Superintendent of Schools: Harry A. Lintz and Mrs. Muriel Edwards.

Tax Collector: H. C. Sweetzer. Surveyor: Owen H. O'Neill.

GIVE BLOOD FOR SERUM

Among those from Carpinteria who have given blood during the past to be made into serum to combat infantile paralysis were Donald and Bob Bailard, Wesley Tobey, Emanuel Solari, Joe Schweizer and Rebecca Stoddard.

Man About Town Saw:

A "Do not pick the flowers" sign on the back of Rebecca Stoddard's car.

Walt Huber catching odd naps in odd places, for instance the barber's chair.

Dave Nelson doing some plain and fancy handspins at softball practice last Thursday evening.

Bill Cryder paying off a bet. "Brock" Isles smilingly accepting.

Wes Hern displaying a 2 1/2-inch sting-ray stinger, taken from a 25-pound sting-ray he caught off the beach at Summerland Wednesday. Wicked looking thing t'was too.

The Carpinteria Chronicle has been adjudged a legal publication by the Courts of Santa Barbara County

Your new editor greatly appreciates the assistance given by many of the good citizens of Carpinteria and our regular correspondents in the gathering of news, but we do have one request to make. Please bring in as much news as possible on Monday and Tuesday to save us a last minute scramble on Wednesday. Advertisers are asked to get us their copy by Tuesday night except in cases of emergency.

USE COMMON SENSE

There is no use in shutting our eyes, ostrich fashion, to the fact that there is an epidemic of Poliomyelitis in California; neither is anything to be gained by waxing hysterical over it. The epidemic is more or less general throughout the state. Santa Barbara county has been particularly fortunate to date in having but several actual cases, and plain common sense can do more towards stopping its spread than anything else.

Keep children away from people that show any signs of illness whatsoever and stay away from them yourself if possible. Give children plenty of fresh wholesome, nourishing food, keep them out-of-doors in the fresh air and sunshine and see that they keep regular hours and have plenty of rest. In other words keep their physical condition well above par. If you or your child should be exposed to the disease go at once and have the serum administered as a precaution.

Above all things if a child or adult should show any suspicious symptoms, isolate them at once and call in a physician. This is one case where the old adage of "an ounce of prevention is worth a pound of cure" holds doubly true. It is during the period of incubation that the disease is most contagious and it would be a criminal act to take chances on exposing others to the disease.

While infantile paralysis is a dreaded thing and every precaution should be taken against it there is no use in living in a state of constant fear that your child may be the next to be stricken. Stop and consider that the number of children left crippled by Polio does not begin to compare with the number maimed by accidents. Still you do not become panicky and refuse to let your child enter a car, cross a street or use playground apparatus. The chances of your child contracting the disease is far less than its chance of being injured in an accident and in either case worry can do nothing to avoid such an event but common sense can do much.

FUN IS FUN

As stated elsewhere in this paper, Supervisor Dinsmore has announced his intention of putting through an ordinance prohibiting the sale of fireworks, at least in this part of the county, prior to the first day of July.

Doubtless the proposal will meet with loud protests from those that have been buying and discharging fireworks during the past week or two. But before they start complaining they should stop and consider what led to Dinsmore's attitude in the matter. Numerous complaints have reached him of the generally careless use of fireworks and particularly in regard to the throwing of lighted firecrackers into passing cars.

Fun is fun, but we fail to see the joke in such cases. It is entirely too likely that serious accidents might follow as a result, with loss of life and property. Should such be the case, the persons responsible would find themselves in serious difficulties which would not be laughing matters. Criminal charges that would be the outgrowth cannot be taken as a joke.

Carpinteria has acres of beach and the whole Pacific Ocean in her front yard. A grand place to play with fireworks with no hazard either from fire or to people passing by. Had the persons concerned confined themselves to this area, no complaints would have been forthcoming and the privilege of enjoying a pre-holiday display of pyrotechnics would not have to be denied them.

COURTESY

A small thing that costs nothing but yields amazing returns. Never mind if things aren't right at home, you don't know how you are going to meet that bill or your head hurts. The fellow you meet on the street or your employer isn't a mind-reader. Don't take your grouch out on an innocent bystander.

Many a fortune has hinged on a person's ability to smile and say a pleasant word when things look blackest. Many a customer has been turned away by an indifferent attitude. Many a job has been lost by a surly look or a mumbled reply.

If you do not think it pays to be pleasant and courteous it is well to remember that there is always someone else that does just around the corner. Be courteous always, it pays in the long run.

SCHOOL DAYS

By DWIG

The Last Word

By ANN her column

A nice word "Contacted" but sadly over-worked in Los Angeles. Someone should report it to the NRA.

And speaking of words, I have heard of people summering in Santa Barbara and wintering in Los Angeles, but did you ever hear of anyone "springing" in Florida or "falling" in New England.

Must Be Catching

Some of the tall, tall tales told by the stage coach drivers at their convention last week must have started an epidemic. I've heard several, but one beats all the rest. It may be so. I won't say it isn't, but have you ever heard of a rabbit biting a dog or even chasing one? And they say it is fed oatmeal.

Dogs

Now that I've gotten around to dogs, I notice in Santa Barbara and Ventura papers that a most loathsome fiend, a poisoner of dogs, is abroad in the land.

I can remember clearly the childhood tragedy of having an adored and harmless little white puppy poisoned with strychnine and the agony it endured before death came and

the day afterwards when nothing could take its place.

The loss of a pet by any means, leaves a child well-nigh inconsolable but to lose one by manton, senseless poisoning is a double tragedy. Not only has it lost a pet, but its faith in adults is shattered and it awakens all too soon to the fact that life can be unutterably cruel for no apparent reason at times.

From ranks of people guilty of such crimes must be recruited kidnapers, murderers and torture fiends. Should the authorities be fortunate in apprehending the guilty ones, it is to be hoped that they will be given the most severe penalty the law permits.

Believe it or not, somewhere in Santa Barbara is a pedestrian that doesn't believe in holding up traffic while he exercises his rights of strolling leisurely across the street. We came upon him last Monday and are still recovering from the shock of having him motion us to go ahead while he waited.

BREVITIES

Ernest Clemmings and family of San Francisco have taken a house at 108 3rd street for the summer. The Clemmings are former residents of Carpinteria and Mr. Clemmings is a teacher in the San Francisco schools.

C. H. Matthiessen and family have rented the Johnson cottage at Sandylan Cove for the summer.

Mr. and Mrs. Gwyn Thurmond of Saticoy spent the week-end with Mrs. Belle Shepard and other relatives in the valley.

Mr. and Mrs. Gerald Hatton and son, Bobby, were week-end visitors in Los Angeles.

Edward Braley and daughters, Mary, Agnes and Doris, Ford Kline, Bob Williams of Santa Barbara and Gerald Bennett of South Pasadena are camping at Big Bear this week.

Mr. and Mrs. Clarence Sawyer spent the week-end with their son and daughter-in-law, Mr. and Mrs. Gordon Sawyer and daughter, Rosemary in Hollywood.

Mr. and Mrs. William Norlin and daughter, Katherine, and son, Elmer, are camping at Lake Tahoe.

Mrs. Linn Unkefer is spending the summer with friends and relatives in Oklahoma while Linn will spend the

summer with Harold Wright at Goleta.

Mrs. Arthur Hebel is camping at Paradise Camp this week-end with friends.

Mr. and Mrs. Thomas W. Reese and children Thomas Junior, and Miss Sallie of Oakland, Calif., are spending the week at the parsonage with Rev. C. P. Moore and Mrs. Ford. Mrs. Reese is a sister of Mrs. Moore.

Mr. and Mrs. Harry James spent the past week visiting her parents, Mr. and Mrs. E. M. Arnold in La Habra Heights.

Rev. W. E. Patrick and family of Bakersfield have arrived at Rincon del Mar where they will remain during the summer.

Mr. and Mrs. Orrel A. Merrihew, and son, Donald of Pasadena spent the week-end with his sisters, the Misses Maude and Minnie Merrihew.

SANTA BARBARA CRICKET CLUB DEFEATED SUNDAY

Santa Barbara Cricket club players were defeated, 185 to 59, yesterday afternoon by a Hollywood Cricket club team on the U.C.L.A. campus.

J. Todd, A. Guy, and R. Creasey tied for high honors for the locals with nine each.

The Santa Barbara club is slated to play the Montecito club at 2:00 p. m. Sunday afternoon at the Cox polo field.

COMPLETE COURSES IN RED CROSS FIRST AID

Wednesday night James Woods, Mr. and Mrs. Harry McCubrey and Leona McCubrey received their diplomas on completing the Red Cross course in first aid.

The course has been running for two months and a half and has been under the guidance of Ray G. Bassett, guard to the local beach.

Bassett at present is acting as instructor in first-aid to a class of Santa Barbara county foresters. The class is being held every Thursday night at Juanita Park in the northern part of the county.

LOCAL RELIEF WORKER HAS ADDED DUTIES

Miss Rebecca Stoddard, who is in charge of local relief work will have new work added to her present duties after the first of July.

She will inspect all homes in Santa Barbara county applying to the State Welfare department for licenses to operate as boarding homes for children. This will relieve the probation department of this duty which it has been handled heretofore, but will necessitate Miss Stoddard's absence from Carpinteria several days a week.

CARS CRASH HEAD-ON NEAR SUMMERLAND

In an automobile accident on the highway near Summerland this week George Wigmore of Los Angeles suffered a broken wrist and was brought to St. Francis hospital, where he still was a patient last night.

According to reports at the sheriff's office a southbound car driven by Wigmore and a northbound machine driven by G. A. Stevens, 1837 North Fuller street, Los Angeles, collided. Stevens escaped injury.

TWO MEN INJURED AS AUTO STRIKES TRAIN

Two local men, Joe Valesquez, 21,

and Fidel Perez, 26, were injured Saturday night when the car in which they were riding crashed into a freight train at the Milpas street crossing in Santa Barbara. The automobile was completely wrecked.

Valesquez suffered a possible fractured skull and Perez received cuts. L. S. McRae, S. P. brakeman, narrowly escaped being injured as the car hit the train.

SEED MAN ATTENDING CONVENTION IN CHICAGO

Benjamin F. Fish, of the Fish Seed company, of Carpinteria, left last week to attend the 1934 convention of the American Seed Trade Association now being held in Chicago.

Every tenth year the convention comes to the Pacific Coast. Twenty years ago the convention was in San Francisco and ten years ago in Los Angeles and is due to be held in the west next year.

Mr. Fish carried with him a number of invitations urging the delegates to come to Santa Barbara in 1935. Included were invitations from the Mayor, the Chamber of Commerce, seed growers of the district and others.

FICTION CLASSES AT CARPINTERIA CLOSE

The class in fiction writing conducted by James French Dorrance in connection with the extension high school closed tonight until July 1, at which time it will be resumed under a different sponsorship. The class has been well attended and some interesting work has been done.

The English classes for Mexican students, also taught by Dorrance, will continue indefinitely. The class has made marked progress in reading and writing English.

CHURCHES

METHODIST CHURCH

Dr. C. P. Moore, Pastor

The usual services for Sunday at the regular hours.

Young People's business meeting in connection with the evening services. The morning sermon will be on "Patriotism and Religion."

The Woman's Missionary Society will meet Friday, July 6th at 2:30 p. m. at the church parlors.

CHRISTIAN SCIENCE SOCIETY

814 Walnut Street

Services Sunday, 11 a. m.; Sunday school at 9:45 a. m. Wednesday meeting 8 p. m. Reading room open Tuesdays, Fridays, 2:30 to 4:30 p. m. You are invited.

Automobile Deaths

32,500 persons were killed in America by automobiles last year. Slightly less than the number killed during the war. Someone has to pay the damages in most of these cases. Would you be prepared if you were accidentally responsible for a fatality?

An EXCHANGE policy will shoulder the responsibility. The cost is lower, too.

HONORED AT LUNCHEON

Mrs. S. F. Shepard was the honored guest at a luncheon given at El Paseo in Santa Barbara last Monday, the occasion being her birthday.

Those present besides Mrs. Shepard were S. F. Shepard, Mrs. Lida Neal, Mrs. Ray Cadwell, Miss Charlotte Shepard, Miss Isabel Rice and Mr. Francis Castro.

+++

MRS. A. V. BUELL HONORED

An enjoyable evening was spent at the home of Mr. and Mrs. A. V. Buell Tuesday evening at a party in honor of Mrs. Buell. Those who participated included Mr. and Mrs. John Catlin, Mr. and Mrs. William Newman, Mr. and Mrs. Albert Christensen, Mr. and Mrs. Rolland Ogan, Mrs. Ruth Stombs, Mrs. Carrie Newman, Miss Jean Thornburg and Mr. and Mrs. Peterson from Santa Barbara.

+++

CARPINTERIANS AT WEDDING

A number of Carpinterians attended the wedding of Miss Faith Sheen and the Reverend Horace Campbell which was solemnized in the First Christian church of Santa Maria Sunday evening in the presence of a large number of friends. The ceremony was performed by the Rev. Arthur Nagel. Burford Sheen attended his sister, and Santa Maria friends composed the bridesmaids and ushers. Mrs. Campbell grew up in Carpinteria, moving to Santa Maria about five years ago with her mother, Mrs. Mary Sheen, where she has been teaching. They will make their home there, Mr. Campbell being the pastor of the Christian church. Attending from Carpinteria were Mr. and Mrs. John W. Young, Mr. and Mrs. Lee Lyman, and family, Mrs. Jennie Cadwell, Mrs. Annette Gaynor, Mrs. Warren Tobey,

+++

FORMER COACH MARRIED

Carpinteria friends of Roy McHenry, former high school coach, have learned of his marriage to Miss Eleanor Bouton, daughter of Mrs. Alfred Corwin of Los Angeles, which occurred Saturday evening in the Westwood Community church. Mr. McHenry has been teaching in Chino during the past year. Mr. and Mrs. Harry L. James were among the guests at the wedding.

+++

HONORED WITH BARBECUE

Mrs. J. C. Wahn and daughter, Miss Marie Wahn, of Hudson, N. Y., have arrived to spend a month with relatives in Carpinteria, being at present the guests of Mr. and Mrs. Donald Baillard. They will visit Mrs. Whon's brother, Joseph Schweizer and Mr. and Mrs. E. D. Solari. Mr. and Mrs. Baillard gave a barbecue Saturday evening at their ranch home honoring the visitors.

+++

SISTERS ENTERAIN BRIDGE CLUB

Misses Katherine and Myrtle Baillard entertained their bridge club Tuesday afternoon, Mrs. A. W. Horton acting as a substitute guest.

glad to hear he has sufficiently recovered to have part of the cast removed and he is looking forward to returning to his home in Carpinteria soon.

Mrs. A. E. Southworth's mother, Mrs. Carrie Kline and three sisters, Florence, Anna and Minnie, are visiting from Denver, Colorado.

Mr. and Mrs. Percy Stafford of Santa Barbara were luncheon guests of Mr. and Mrs. S. F. Sheppard and family on Wednesday.

Miss Marilyn Shepard is spending this week with her grandparents, Mr. and Mrs. J. Henry Shepard. She expects to go to the Girl Scout camp next week, at Camp Glenn near Fillmore.

Mrs. Vance Ford and daughter of Los Angeles are visiting her father, Rev. C. P. Moore.

Mr. and Mrs. A. V. Buell spent the week-end with relatives in Victorville.

Ed Ainsworth, southland editor of the Los Angeles Times and writer of "Along El Camino Real," accompanied by his family were over-night guests at Motor Lodges, Wednesday. Thursday was spent in enjoying "The World's Safest Beach."

Margaret, Earle and French Dorrance are visiting their grandmother, Mrs. Sumpter Earle, in Carmel.

Mr. and Mrs. Clarence Sawyer spent the week-end with Mr. and Mrs. Gordon Sawyer in Hollywood.

George Rudesill and family of Santa Barbara have moved to a house on 208 W. 7th street.

Miss Jennie Maxfield returned home Monday after a weeks stay in Los Angeles with relatives and friends.

Mrs. P. R. Daggs and daughters, Jane and Beverly, of Uplands are visiting her mother, Mrs. Kittie Baillard, and her brother, J. C. Baillard.

Miss Mary McKenna, formerly of Santa Barbara, and who is stopping at the Palms Hotel is helping out with clerical work in the Utility office for a few days.

Mr. and Mrs. Arthur M. Clark and Daphne Crawford spent the week-end in Los Angeles.

Mr. and Mrs. Stanley Shepard and children, Bonnie, Kay and John Henry, left Monday night at midnight for a two weeks camping trip in the High Sierras. They were accompanied by Jack Schweizer and Gladys Haley.

Mr. and Mrs. Ben Baillard, Mr. and Mrs. C. E. Baillard and Mr. and Mrs. Howe Deaderick left this week for an extended motor trip in Oregon and Washington.

Mr. and Mrs. Paul Adams were week-end visitors at the home of Mr. and Mrs. E. F. Pendergast.

James Verner left Tuesday for his home in Sedgewick, Colorado. He was accompanied by his son Charles, who expects to visit relatives in and around his old home town.

Mr. and Mrs. Roebuck and Miss Rozella Roebuck moved from the Thurmond place on Casitas road into their new home on Vallecito road Wednesday.

Mrs. J. B. Fisher, of Los Angeles, and children, John and Dianne, are visiting with her parents, Mr. and Mrs. J. E. Jones, this week.

Clarence Cadwell and George Hill made a business trip to Los Angeles last Saturday.

SOFTBALL GETS BIG
PLAY TUESDAY EVE

Last week Bill Cryder, local softball team organizer, was doing a little chiding. Well, he chided once too often because he chided Stanley "Brock" Isles along the lines that "Brock" was an ol' softie for not taking a man's interest in the new softball game.

The result was Stanley accepted the challenge and the pay-off was to be beers for the winning team. The date was set for Tuesday evening and from then on both men got real busy getting together their teams.

It so happened the Bill couldn't leave his work that night so the game was played without him, Bill's team feeling that if Bill made a boast, they would back it up. But from some place Stanley drug out a team. Well, we won't go into the lurid details. Suffice to say that at the end of the last inning Brock's team led by a score of 13 to 2, and we'll have to hand it to him—it was a good team. Next Tuesday night the teams will clash again and—oh, well, come on over and see it yourself.

Mrs. C. B. Johnson of Piedmont and Mrs. Mable Spizy of Oakland, formerly of this district, and who are summering in Santa Barbara were pleasant callers at the Chronicle office Tuesday.

"FOG OVER 'FRISCO"
FULL OF THRILLS

First National has effected a rare combination of entertaining features in a single production. The picture gets off to a swift start and the action never slows up to the final smashing climax.

There is thrill upon thrill, including a mysterious disappearance of a wealthy society girl, a kidnaping, two murders and a suicide, a gun battle in which the master mind of a band of international bond swindlers is killed, a stirring chase and a hand-to-hand battle on the wharfs of San Francisco Bay. The suspense is carried through increasingly high pitched scenes to the very end.

Bette Davis heads an impressive cast of players, in a new role for her, that of a society girl who joins the band of crooks partly for love of the master mind, partly for money, but mostly for the thrill and excitement of the game. She proves her versatility in handling this heavy role with the cool precision of a much more experienced actress and appears as brilliant as she ever has in romantic leads.

Miss Davis is supported by an excellent cast of players which include Donald Woods and Margaret Lindsal, screen lovers of "Merry Wives of Reno," Lyle Talbot, Hugh Herbert and others.

AGAIN DEFEATED

The Carpinteria ball club again went down to defeat last Sunday afternoon when they played the Santa Barbara Athletic club.

The Santa Barbara club collected hits in every frame and the locals seemed powerless to stop them, allowing them to pile up a score of 16 to 5.

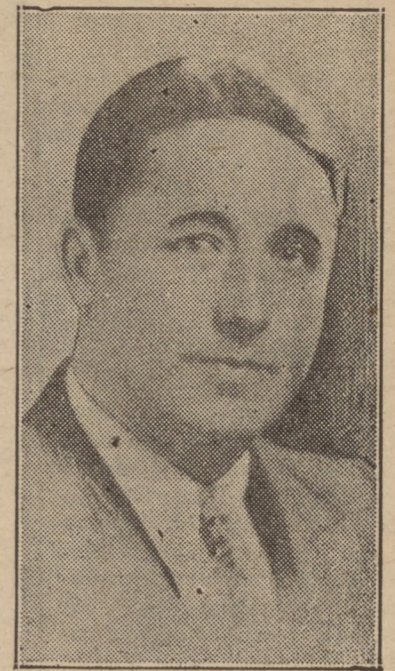

The local boys will try their luck again next Sunday when they play the Chevrolet team, formerly known as the Ellwood Oilers, on the local diamond.

PROGRAM CHANGE

On and after July 4th the "Memory Lane" program will go out over the stations of the National Broadcasting company on Wednesday evenings between 7:30 and 8 p. m., instead of Tuesday nights, as at present. The last Tuesday night program will be on June 26th.

Mr. and Mrs. Orlando Shepard are visiting with Mr. Shepard's relatives in Carpinteria.

HARRY LINTZ ABOVE
AVERAGE ABILITY
SAYS A. S. POPE

HARRY A. LINTZ

I heartily endorse the candidacy of Mr. Harry Lintz for county superintendent of schools. I feel sure he will give to the county an honest, efficient, economical administration. He is a school man of far more than average education and ability.

A. S. POPE,

Former County Superintendent of Schools.

CARPINTERIA TO HAVE
TWO NEW ENTERPRISES

renovating the old Highway Lunch room preparatory to re-opening it in the near future.

Mr. and Mrs. George W. Baity are

Cream and green paint is being liberally applied and the finished effect will be very pleasing. A barbecue pit has been built and the present quarters will be enlarged. The new lunch room will be known as the "Rabbit's Den."

Mr. and Mrs. N. Stoutenburgh and small son, Charles, have moved to Carpinteria and are planning to go into business here.

Mr. Stoutenburgh expects to open a photography studio, having had considerable experience in this line of work. The new business will be located in the Merrill building.

WEEK-END VISITORS

Walter Waynflete, publisher of the Cutler-Orosi Courier in Tulare county with his foreman, Fred Winkler and Mrs. Winkler spent from Friday until Sunday at Carpinteria assisting Mrs. Waynflete install some heavy machinery and arrange the Chronicle shop.
