DON'T MISS THE FACULTY RECITAL AT 2:30 THIS AFTERNOON

A final cultural offering of the 1953 Santa Barbara College Summer Session will take place this afternoon, Thursday, July 30, when three faculty concert artists will join in a program entitled "An Hour Of Music". Although planned especially for members of the College Summer Session community, it is also open to the public at no admission charge.

The recital is scheduled for 2:30 this afternoon in Music Hall on the Riviera Campus.

Soloists for the concert will be Carl Zytowski, Instructor in Music, tenor, and Stefan Krayk, Assistant Professor of Music, violinist. Zytowski will be accompanied by Dr. John E. Gillespie, Chairman of the Music Department, and Krayk will be accompanied by pianist Eda Schlatter.

The three faculty musicians have been acclaimed by Santa Barbara audiences in their many appearances here. The program will include several songs to be sung by Zytowski, including works by Searlatti, von Weber, Debussy and Lalo. Krayk will play the Brahms Sonata in D-minor (opus 108).

This is an unusual opportunity to hear top professional artists in a presentation of a varied and interesting program.

EL GAUCHITO is published each week during the Summer Session. News items should be submitted to the Office of the Dean of Women or the Office of Public Information by Monday noon.

NATURE STUDY INSTITUTE ENROLLMENT NEARING LIMIT

Those interested in attending the post summer session Institute of Nature Study and Conservation are urged to submit their applications as soon as possible. The enrollment limit is expected to be reached soon.

This two-week institute, sponsored by University of California Extension in cooperation with the Botanic Garden and the Museum of Natural History, will open August 10 and closes August 22.

It is a practical course designed especially for teachers and nature lovers. Field trips in connection with courses on seashore life, native birds, insects, native plants, western trees, will be a large part of the courses. A special division of Elementary Science methods is also available. To those qualified, two units of upper division credit will be given.

Incidentally, you will have an opportunity to enjoy Santa Barbara's colorful Old Spanish Days Fiesta scheduled for August 19-22.

Application forms and information may be obtained from UC Extension Office 906 Santa Barbara Street, phone 2-9118.

SAFETY RECORD

Santa Barbara College turned in the lowest injury record of all the campuses of the University for the past fiscal year. Out of 683 full and part time employees there were only 26 injuries with only seven of these in the "time lost" category, it was reported by J.A.D. Muncy, Business Manager of the College

REGENTS APPROVE STUDENT FEE RAISE

At their monthly meeting at San Francisco last weekend, the Board of Regents of the University of California formally approved the request by the Associated Students of Santa Barbara College to raise the student body fee from \$10 to \$15. The new fee will go into effect next fall.

The fee change was requested by the students themselves in an election held during the Spring Semester, when a record 64% of the eligible voters went to the polls and voted 86% in favor of the proposed fee hike.

With the new fee becoming a reality in September, the students will be admitted free to all athletic contests, and will in addition be given a free copy of the year-book, La Cumbre. Without the \$15 fee, a charge of 50¢ per athletic event would have been charged, and the La Cumbre would have continued to cost the students \$4.00.

SUMMER SESSION VARIETY SHOW WAS GOOD SHOW, FUN.

by George Obern

"It was a good show."

That's what everyone is saying about the variety stage fare last week, headed up by two MC-comedians, Phil Jacks and Ed Monreal. In the very excellent Mesa Campus auditorium the extremely spontaneous audience aided the collegiate amateurs in giving their best.

Of course, there was many a good-natured hitch in the informally arranged show, but they were ad-libbed over, and everyone in the audience seemed to have a happy time throughout the proceedings. The cast had a fear that perhaps only a single grim-faced sophomore would show up for the performance. However, there was a comfortable size audience of over 200, with many of the specially invited alumni among those present.

Jacks and Monreal did most of the work in both organizing the show and in the spotlight. The former made a hit with his bop-version of fairy tales and a prolonged and hilarious Sinatra routine. Monreal did a very humorous routine as Lucky Pierre, the Magician, complete with tie-cutting and shirt ripping routine.

All the acts added a good variety to the show and space limits prevent comment on each one. These other volunteers were Bob Sherman, Judy Garcia, Jean Tafel, Bobby Toal, Pat Williams, Marilyn Swift, Eleanor Kuntz, Thelma Simpson and Kathy Tate. Coletta Hebert was accompanist and Harold Mackie handled lights and sound.

ATTENTION P.L. 550 and CVEL VETS

This is to remind you to report to the Office of the Dean of Men on August 1 to sign pay vouchers in order to insure getting your subsistence checks. No voucher, no check!

ENVELOPES REQUESTED FOR GRADES

All summer students are requested to leave a self-addressed stamped envelope in the box outside the Registrar's Office for Summer Session grades.

FACULTY PROMOTIONS ANNOUNCED

Advancement in academic rank for 16 members of the faculty was announced recently by Dr. J. Harold Williams, Provost of the College.

The promotion list named eight new associate professors, five assistant professors and three instructors. Two temporary appointments for 1953-53 were also announced.

Those promoted to associate professorships are Drs. John A. Cushing, bacteriology; Ruth Major, Home Economics; Ralph K. Nair, industrial arts; Joseph E. Lantagne, physical education; Jean L. Hodgkins, physical education; Henry M. Adams, history; Mortimer Andron; economics, and Norman E. Gabel, anthropology.

Named to the rank of assistant professor are Drs. Rollin W. Quimby, speech, Harold J. Plous, economics; Edwin R. Schoell, speech; Mrs. Marian H. Anderson, physical education, and Ernest N. Carter, physical education.

Lecturers advanced to the rank of instructor are Dr. Robert H. Billigmeier, political science; Dr. Ernest D. Michael, physical education, and Carl B. Zytowski, music.

Dr. Robert M. Norris was appointed acting instructor in geology, substituting for Dr. Leonard H. Hall, on leave, and Dr. Carl U. Schuler, acting instructor in history, substituting for Dr. Henry M. Adams, on leave.

RESTAURANT OF THE WEEK

If you like a beautiful view of the ocean to go along with good food, then you should plan to visit The Harbor at the end of Stern's Warf. The sea food is excellent, and the steaks are extra tender. If you are a prime rib fan, we can heartily endorse the prime ribs at The Harbor.

One word of advice—we urge you to make a reservation if you desire a table next to the window. It seems as though everyone wants to watch the sunset and the Blue Pacific while they dine. You will long remember both the food and the atmosphere at The Harbor.
