CAREFUL, THERE, BEHIND THE WHEEL

The University Police advises drivers to be on the alert for pedestrians. It seems that complaints have been received from several pedestrians who have become near-casualties. Backing out of parking spaces without looking has given those on foot a bad time. So look around, be alert and give the pedestrian a chance

"HIT AND RUN" ON TAP

Mask and Scroll will present the sixth edition of the musical comedy revue "Hit and Run" during the old Spanish Days celebration, August 9-13 at the Mesa Auditorium. On Tuesday through Thursday nights the curtain will rise at at 8:30, and on Friday and Saturday nights there will be two shows, one beginning at 8 and the second show getting underway at 10.

The highly entertaining show will once again be directed by Dr. Theodore Hatlen, and will feature alumni, faculty and students of Santa Barbara College, as well as many outstanding artists from Santa Barbara.

"Hit and Run" has proven to be the most popular revue of its type to appear in Santa Barbara, and has received high praise from theater goers, many of whom return to see the show several times. Music, comedy skits, specialty acts and the many other things which go into this outstanding revue are all original, being conceived for the most part by members of the cast.

Tickets are priced at \$1.20 each, and may be obtained at the box office,
