Announce Staff for Summer

Program Includes Speakers for Assemblies

New Teachers Hired

Ashworth, Bennink Handle Housing Details

During the summer session of the State college Dr. Herman Hendrix, State superintendent of Arizona schools, will give a series of addresses to the student body, according to President Clarence Phelps.

A number of faculty members from outside schools will also give talks. Administrative problems in public education will be the general subject discussed in the special lectures.

New Instructors

New instructors who have been secured for the summer period are Lawrence Chenoweth, city superintendent of Bakersfield schools, who will teach in the educational department; Miss Eleanor Van Rensselaer, weaving; Mrs. Gene C. Cameron, director of rural education in Santa Barbara county; and Mrs. Lennice Eyrard, director of special education in Bakersfield public schools, who will have charge of the manipulative work.

Industrial education instructors are Hugh A. Baird, Benjamin Franklin high school in Los Angeles; William Deane Bennett, Bret Harte junior high school in Los Angeles; Walter B. Ford, Eagle Rock high school; Morgan N. Smith, Glendale high school; and Carl W. Wirths, John Muir junior high school, Los Angeles. Mr. Chenoweth, Mr. Bennett and Mr. Wirths are graduates of Santa Barbara State college.

Administrative Officers

Administration officers are President Clarence L. Phelps, Charles L. Jacobs, William Ashworth, Miss Lois M. Bennink, Mrs. Jane M. Abraham, Miss Wilma Lowsley, Miss Katherine F. Ball, and Mrs. Irene W. Stewart.

The faculty members include Helen M. Barnett, Mrs. Mary E. T. Crosswell, Miss Alice Bradley, Miss Florence Clark, Miss Winifred Frye, Miss Edith Leonard, Miss Elsie Pond, Miss Hazel Severy, Dr. Emily O. Lamb, Dr. William H. Ellison, Dr. William Maxwell, E. E. Ericson, Fred Griffin, Ralph Porter, William Rust and Harrington Wells.

Connie Briscoe Has Experience in Many Plays

Miss Connie Briscoe, who plays the part of Rhoda in the Players club play, "Death Takes a Holiday," that will be presented soon in the college auditorium, is the most experienced actress in the cast.

In 1930 Miss Briscoe had the school senior play "White Collars." After her high school graduation she attended U. C. L. A. where she took leads in "The High Road," "March Hares" and "Twelfth Night."

While attending U.C.L.A. Connie was a member of the university dramatic society, Phi Beta, the national honorary professional fraternity of dramatics and music, and Kap and Bells, a national honorary drama fraternity.

On her return to Santa Barbara, Miss Briscoe took parts in several Lobero plays, the most important roles being in "The Markis," "June Moon," "The Dark Tower" and "Good Bye Again." Friday night she takes the leading role in "Black Coffee," by Agatha Christie, which is being produced at the Biltmore Hotel.

The part that Miss Briscoe is taking in "Death Takes a Holiday," is entirely different from any part she has ever taken.

Drama Class Productions Set for Aud

Who: Play production class.
What: Three one act plays.
When: Thursday night at 8:15 o'clock.

Where: State college auditorium.
Admission: None.
These three plays under the direction of Mrs. Harold Davis will include "When the Whirlwind Blows," a tragedy by Essex Dane; "The Gray Overcoat," a mystery by William Randall; and "Sad About Europe," a comedy by Philip Johnson.

The stage sets will be the same for the three plays, with a few minor changes in regard to scenery and lighting. This method is used extensively at the Pasadena Community Playhouse.

Jane White, Janine Rupertis and Marie Persons will make up the cast for the first play "When the Whirlwind Blows." They will take the parts of Anna, Madame Andrioya and Josefa. The mystery play, "The Gray Overcoat," will include Alfred Chaves as Inspector Woodruff; Sidney Smith as Curtis and Larry Bowlis as James.

The comedy "Sad About Europe," will include Richard Brothers as Marshall K. Hunt, Mary Tone as Phoebe Phyllis English as Girlie, Reva Chandler as Miss Milberry and Sidney De Rosa as Jim.

A.W.S. Officers Nominated for Next Semester

Nominations for officer for the A. W. S. for the coming year were announced at the regular meeting of the organization on Tuesday morning by Tess Williams, chairman of the nominating committee. The election will take place after spring vacation.

Those nominated are Lois Jo McPheeters, president; Ellen Roe and Mary Carter, first vice-president; Rea McPeak and Betty Roulston, second vice-president; Dorothy Clark and Dorothea Prescott, secretary; Genevieve Jones and Catherine Caldwell, treasurer; and Isobel Ferguson and Wilma Keisner, councillor.

Election for the queen of the May Day festival sponsored by the physical education department followed. The women voted on were nominated from all of the gym classes and from campus sororities. The list included Margaret Wood, Peggy Koopp, Catherine Cornwall, Alice Hilgren, Peggy Pope, Ellen Roe, Charlotte Naess, Mildred Beyers and Chloe Vincent. Results of the election will not be known until the event takes place.

Mary Costa, accompanied on the piano by Louise Jackson, sang "The Land of the Sky Blue Waters" and "At Dawning."

Losers Negligent; Finders Are Keepers

Have you lost anything? Many students at State must have lost articles, and have not retrieved them, for at present the Lost and Found department in the general office is filled to its utmost capacity.

Articles range from hats and coats to lipsticks and class pins, and include gold watches, wrist watches, books, pins, belts, handkerchiefs, keys, pens and gloves.

If the owners do not call for these articles, they will be given to the person who found them. At the end of the semester, a final clearing will be made in the form of an auction.

Anacapa Committee Seeks New Positions

An appeal by the Anacapa club executive committee, which manages the State college men's dormitory, was made to the Chamber of Commerce and the citizens of Santa Barbara for student jobs.

The committee emphasized the fact that many capable boys are in need of work to aid in paying their board and room at the club. Each year a few deserving students are forced to withdraw from school because of lack of finances, according to the committee.

Pomona Wins Two Trophies

Occidental Takes Two Second Places

Five Schools Compete

Winners in Both Groups Are From Same School

Pomona college won first place for both men's and women's glee clubs in the Pacific Southwest Intercollegiate Glee club contest held at Santa Barbara High school last Saturday night.

Occidental college won second place and the University of Redlands took third place for both events. Fourth and fifth places are yet to be decided. This is the first time, during the eleven years these contests have been held, that men's and women's glee club winners are from the same colleges and placed in the same order for awards. The two other colleges competing were Santa Barbara State college and San Diego State college.

Draw for Places

The order in which the songs were sung was decided by a draw at the banquet held before the contest at El Paseo. "Emite Spiritum Tuum" by Schuetky was the first number sung by all the women's (Continued on Page Two)

Mrs. Abraham Cruises South on Freighter

Mrs. Jane Miller Abraham, registrar, and her husband Byron Abraham, began a 16-day cruise to the Canal zone Saturday afternoon as they boarded the "Chiriqui," a small freighter, at Wilmington.

"I can't think of anything I'd rather do during a vacation," said Mrs. Abraham enthusiastically. "We plan to make very few stops and hence will be on the water nearly all the time."

Mr. and Mrs. Abraham will stop at Mazatlan, and Acapulco in Mexico and at Balboa, Panama.

Miss Alice Bradley Gives Diet Instructions for Students Who Are Hungry but Not Wealthy

College students can live healthfully on a diet costing \$3 a week or \$10 to \$12 a month if they cook their own food, according to Miss Alice V. Bradley of the home economics department, an authority on nutrition.

"In many cases students find they cannot live within such a budget because they buy the wrong kinds of food," said Miss Bradley when interviewed on the subject of student diets. "These students often have poorly balanced menus and in a great many cases are malnourished."

Mentally Slow

"A malnourished student is easily picked out," she added. "He is mentally slow, listless, rather stupid and markedly lacking in vivaciousness."

When asked if reducing diets and the persistent feminine fad for slimmness had anything to do with malnourishment, Miss Bradley replied, "No doubt co-eds have jeopardized their health for their figures in a great many cases. However, I find an equal percentage of big eaters who are malnourished."

Typical Lunches

"Quantity of food eaten is not always a guide to being well nourished," she explained and cited numerous examples. "For instance, a typical football fellow devoured a tamale, a glass of milk and a hamburger regularly for luncheon while an extremely thin co-ed ate a cold slaw, salad and a cup of tea. The first luncheon containing plenty of calories but in a highly concentrated form in which there are no

Announcements

Many students have not as yet completed payment of their laboratory fees. This matter should be taken care of on or before Monday, April 22nd.

If some arrangement is not made by 4 p.m. Monday, students will be excluded from classes on Tuesday and thereafter until the matter is cleared.

WILMA LOWSLEY,
Financial Secretary.

There will be no band rehearsal on Wednesday night, April 10.

The meeting of the International Relations club that was scheduled for this coming Friday night has been postponed until after Easter vacation. Friday, April 26 is the tentative date set for the meeting.

Play production class one act plays Thursday night at 8:15 o'clock. No admission charge.

Exhibit Shows Collection of Typical Leaves

The present exhibit in the library by Mrs. Florence Lyans of the college faculty contains a group of leaves collected while on journeys through various parts of the world.

The collection had its beginning while Mrs. Lyans was on a tour of the New England states several years ago. While visiting the historic site of Cambridge in Massachusetts, she stopped to see the famous elm tree beneath which the Father of Our Country took official command of the Continental army in 1776. The tree at the time was very old and highly guarded by a fence to prevent the onslaught of souvenir seekers. Just before leaving she happened to notice a very old leaf lying at her feet and with a thought to saving it as an unusual memento of the trip she carefully preserved it.

Then came the idea to collect leaves and save them while visiting various and historic parts of the globe. The result is a group of about two dozen plates with leaves representing plants from Alaska to Mexico and from California to Palestine. Twelve of these plates have been selected as the basis for the present exhibit in the library.

Oscar Smith, representing the Masonic order, will deliver a short address. Dr. Charles Jacobs will also speak on behalf of State college.

The Women's glee club, under the direction of Mrs. Helen M. Barnett, will sing several numbers. In addition the Kindergarten-Primary department will present a skit.

vitamins or minerals, the body regulators. The second menu contains only a hundred calories and could never sustain a healthful condition even in a normal person," pointed out Miss Bradley.

Caloric Content

"The amount of calories may vary from 1800 to 3200 calories per day, depending upon the sex, activity and needs of the individual," she continued. "The caloric value of foods is in many cases surprising, especially in the case of sweets and starches. A State college student who deprived herself of luncheon in order to reduce ate a candy bar instead, netting her 500 calories."

"However, some of the favorite collegiate foods are beneficial. Milk shakes and malted milk drinks which are exceptionally popular with students are beneficial and nutritious. Milk Nickels, 'Big Boys' and similar bars are good for desserts because they contain most of the body regulators. One hamburger yields 450 calories of energy and tissue building foods but hamburgers are highly concentrated and contain no minerals."

"What do you consider are the essential foods to include in a student's menu?" asked the reporter.

Essential Foods

"That angle of dietetics seems to have a more or less general appeal," replied Miss Bradley. "Foods which should be included on every student's diet each day are one pint of milk, one potato cooked in its jacket, two servings of vegetables, said Miss Bradley in conclusion.

Change Schedule in Cafe

Slight Price Rise Effective Since Last Monday

Quit Serving Dinner

Cafeteria Will Open Only for Breakfast and Lunch

In order to meet the rising prices for food and to meet the obligations of the cafeteria, the committee in charge has reorganized the cafeteria program, according to a report of the committee meeting of last Wednesday.

A slight rise in prices for meals went into effect Monday of this week. A twenty cent special lunch is being served and prices on other dishes have been raised.

Breakfast and Lunch

After vacation the cafeteria and coffee shop will be open only for breakfasts and lunches on week days and for dinner on Sundays. The services of the cafeteria manager and her assistants will be available for any special dinners, lunches or breakfast however.

These changes were made only after careful study of the cafeteria committee, consisting of Miss Charlotte Ebbets, Mr. S. O. Werner, Mrs. Elizabeth Davis, Dean Lois M. Bennink and President Clarence L. Phelps.

Phelps Calls Assembly for School Week

To recognize American Education week, a special assembly will be given 4th hour Friday in the auditorium.

Oscar Smith, representing the Masonic order, will deliver a short address. Dr. Charles Jacobs will also speak on behalf of State college.

The Women's glee club, under the direction of Mrs. Helen M. Barnett, will sing several numbers. In addition the Kindergarten-Primary department will present a skit.

Teacher Plans Outdoor Class in Rocky Nook

The new "Outdoor College" which was recently announced is already gaining popularity among the students and townspeople, according to Harrington Wells.

The school will last for two weeks starting Monday, August 5. At 7:30 in the morning the students will open with an hour and a half of bird study in the hills. The day will end at 9:30 p.m. with a simplified study of astronomy.

Field Botany Class

A field botany class and a health and diet class will be held in the morning in addition to the bird class. In the afternoon an hour will be devoted to the elementary physical science. Following this will be a study of home gardens, and at 3:30 the class will go to the beach for a study of tide-pool plants and animals.

From 7 in the evening until the time of the astronomy class, there will be a campfire and social hour in Rocky Nook in Mission Canyon.

The committee of Santa Barbara citizens who are sponsoring the "outdoor college" are Mrs. John F. Manning, chairman; Sophie F. Baylor, Dr. Elmer J. Bissell, Pearl Chase, C. C. Christiansen, Dempsey Creary, Mrs. H. P. Dearing, Frank Dunne, Mrs. Murial Edwards, Mrs. M. J. Haider, Mrs. W. R. Hart, Frank Marshall Rea, Grace Ruth Southwick, Curtis Warren and Mrs. Franklin Webb.

Review Heads Select Show Committees

Selecting Allan "Bud" Lambourne to act in the capacity of general manager for the annual State college Roadrunner Revue to be held May 9 at the Fox Arlington theater, members of the staff were chosen by the Roadrunner Revue committee at a meeting held last week.

Assisting "Bud" Lambourne on the general staff will be Rea McPeak, editor of La Cumbre. Miss Hazel Severy will act as advisor.

Co-directors Harry "Bup" Moore and Herman "Gump" Gumpertz are in charge of the production staff and will be assisted by dance directors Margaret Beddome, Marvina Jones and Paul Woods. Fred Lambourne will take care of the orchestral arrangements while Mrs. Harold M. Davis and the play production class will supervise the costumes and make-up.

The censorship committee will consist of "Buppy" Moore, Herman Gumpertz, "Bud" Lambourne, Mrs. Helen M. Barnett and Mrs. Harold M. Davis.

Tickets and financial arrangements will be handled by Wilma Kiesner, assisted by Don Follett, and Fred Alred, student controller.

Stage sets will be made by Walter Cheever and the stage crew, headed by Jack Murray.

Printing and publicity will be handled by Ralph Porter and Elizabeth Denman respectively.

State College Trio Sings for 20-30 Club

Entertainment for the 20-30 club's dinner last Friday was furnished by the State college trio composed of Bob Goux, Tim Cornwall and "Bud" Lambourne.

Songs rendered by these three men and a guitar were "Love Is Just Around the Corner," "Some of These Days," "Mississippi Mud" and "Sweet Sue," all of which are well known to our student body.

The trio was introduced by Martin Verhoeven, treasurer of the student body and representative of the school at the 20-30 club.

English Students Entertain Artist

"Around the World on a Pair of Scissors" will be the subject of an informal illustrated talk by Gene Ross, famous silhouette artist, to be given Thursday, April 11, at 4 o'clock in the women's club room.

The English majors will be hosts at the event. Invitations have been extended to members of the faculty and the art department.

Name Bill Passes at Capitol

Measure Validates Granting of A.B. Degrees

Must Past Senate

Other College Bill Rejected by Same Body

Passing through the state legislative Assembly by a vote of 68 to 10, the State College Bill, providing for the removal of the word "Teachers" in the name of the seven state colleges throughout California, will become a state law as soon as it has been passed by the upper house and signed by Governor Merriam, according to a telegram received from Assemblyman A. W. Robertson.

President Phelps emphasized the fact that this measure as passed is an exceedingly important one and will validate the liberal arts courses now being given in the institution. It will also open the way for the development of other courses as the college enrollment increases.

Other Bill Defeated

Defeated by a vote of 46 to 30, the Anderson-Nielson bill designed to change the present standing of the Sacramento junior college and the seven State teachers colleges throughout the state of California to four year liberal arts colleges was voted down by the State assembly at a meeting held this week at Sacramento.

The failure of the assembly to pass this bill will have no effect on the rating of the college as it now stands.

Complete Surprise

Defeat of the bill came as a complete surprise to those supporting its passage, including Assemblyman Robertson of Santa Barbara who stated in a recent letter to President Phelps that it was quite certain the bill would go through.

Opposition to the bill was headed mainly by men connected with universities, which were against the bill on the grounds that such a system set up in the State Teachers colleges would seriously endanger the scholastic standing of the institution.

Jeopardize University

Assemblyman Johnson of Berkeley and Cunningham of Los Angeles, the latter a former student body president at the University of California, led the debate against the proposal. Johnson insisted its passage would jeopardize the State university and curtail expenditures to a point where it would no longer be able to rank as the foremost institution of its kind in the nation.

Mrs. L. Price Devises Chart Rating Class

Covering this semester's work, a new student teachers' rating chart for members of the elementary department has been devised by Mrs. Laura S. Price, head of the elementary department.

Student teachers will be graded on this chart, which will be used mainly to evaluate their rating on certain specified points. The chart aims to make the students' record more comprehensible to people not in the profession and also to people who are not personally acquainted with the student.

Included in the chart are five main headings under which are sub-heads, and the subject is rated from excellent to poor, as the case may be. The main headings used are physical factors, social qualities, intellectual factors, executive qualities and teaching factors.

Mrs. Price was aided in constructing this chart by supervisors from the Jefferson school and also by some of the local school trustees.

Official publication of the Associated Students, Santa Barbara State College, Santa Barbara, California. Edited and published weekly on the State college campus. Entered as second-class mail matter, Sept. 17, 1926, at the Postoffice, Santa Barbara, California, under act of March 3, 1897. Subscription price, one dollar per year, 50 cents a semester, mailed.

Intramurals

One of the most interesting and beneficial movements on this campus at the present time is that of building up intramural athletic activities. Increased amount of student participation, greater use of facilities, and a growing attitude of enjoyment of sports for the sake of the sport are but a few of the benefits derived from these intramural games.

With the purchase of a membership for the Santa Barbara State College Golf association in the Montecito country club, authorized at the last meeting of the student council, impetus was given to the advancement of a grand old game. Golf is one of the few sports, along with tennis and swimming, that carries over after college days. It can be enjoyed alike by old and young, male and female, for business and for pleasure.

Dues to the association are 50 cents per semester. Membership in the association gives students the privilege of playing at the Montecito country club for 25 cents green fee.

State College Bill

With the passage of the State College bill, the name of this college will be changed from Santa Barbara State Teachers College to Santa Barbara State College. This act merely validates local usage of long standing.

In 1921 this college was changed from a normal school to a state teachers college, with the privilege of granting degrees in certain courses. Certain other courses were completed in two or three year's study and were acknowledged by certification.

Only since 1930 have all courses required four year's study and all lead to a degree. Liberal arts courses leading to degrees were established in 1928.

Since that time the college has not only granted the A.B. degree to students preparing to teach but has also granted the same degree to students completing liberal arts courses.

Cafeteria

At first glance the announcement of the rise in prices in the college cafeteria is a little startling. But on second thought it appears to be a good thing. The previous prices, which have been lowered several times since 1930, the depression year, had little relation to the cost of materials, which has been steadily rising during the past two years.

With the reorganization planned by the faculty committee, it is hoped that the cafeteria will be put on a paying basis. While the omission of the evening meal on week days will inconvenience a few students, the number who patronize the cafeteria at that time is insufficient to make it possible to continue the service.

GAUCHOS PLACE 4TH IN LEAGUE

Winning two dual meets and dropping an equal number, Coach Nick Carter's trackmen placed fourth in the Southern Conference dual track championship.

Santa Barbara won the league title with a clean slate of four wins and no defeats while Occidental dropped but one affair to place second. Redlands chalked up three wins and two losses to nose out Santa Barbara who had an even record of two victories and two defeats.

Whittier kept out of the cellar by beating La Verne while La Verne claimed the cellar honors by losing every meet.

Staff Plans Poster Contest for Revue

Any artistically minded student is eligible to enter a poster contest being sponsored by the staff of the Roadrunner Revue. A prize of \$5.00 for the best poster submitted by April 23 will be awarded with an additional prize of \$2.50 to the second best. The number of posters per person is not restricted. To be a verse column this week. H'm, it will get worse and worse.

Here is an original bit from one of last year's "admirers." (Sounds like an old hat, but is really like a velvet evening coat with the newness worn off.)

CRAZY PEOPLE
"I'm crazy over sweaters
Those with the open mesh.
You know the kind I mean—
Where you can see the flesh!"

We like Samuel Hoffenstein's impression of Edna St. Vincent Millay's verse:

"I want to drown in good salt water,
I want my body to bump the pier;
Neptune is calling his wayward daughter,
Crying, "Edna, come over here!"

"My neighbor lives on bread and milk
And shuts her door on show;
But I would rather fall in silk
Than rise in calico."

What do I care if people stare
Or care what people say?
The golden dogs I'm going to
Are handsome dogs and gay."

College "Y" Host at Tri-County Meet

Entertaining over 250 delegates from all parts of California, Santa Barbara State college Gauchos Y, in cooperation with the High School Y, acted as host for the Tri-County Y. M. C. A. Older Boys' Conference held here April 6 and 7.

"Making the Most of My Life" was the theme of the conference, which is conducted annually for men belonging to the Hi Y's and college Y's and who are ambitious to make their lives count for the most.

Registration of delegates began at ten o'clock Saturday morning in the administration building, after which the delegates became acquainted with each other. The opening dinner was held in the State college cafeteria with Yale Griffith, general chairman, presiding. The welcome speech was made by Danny D'Alphonse, president of the high school Y, and the return speech was given by Ed Iverson of Paso Robles. The remainder of the afternoon was devoted to seeing the flower show in the courthouse and in playing all types of sports. Panel discussions were also held.

Winston Soule acted as toastmaster for the evening meal, after which the visitors adjourned to the college auditorium. Denning McArthur, president of the Gauchos Y, delivered the welcome to College Y's and a Junior Hi-Y induction ceremony was presented by Atascadero, under the leadership of Oscar J. Trautz, former president of the State college student body. Mr. Trautz's organization was also awarded the trophy for doing the most in advancing the progress of their school.

Sunday morning a short conference assembly was held in the college auditorium and Tom Elliott, Amoy, China Y. M. C. A. worker, spoke on expanding our "Y" relationship circle. At ten o'clock discussion groups, having as their topic, "Making the Most of My Y" Group Opportunities, was held. Marcus Cravens, last year's student body president and Paul Hopkins, alumni, were among the leaders of the discussions.

In the afternoon trophies were presented to the winning Y's by Wm. H. Conklin and C. Merle Waterman, and at two-thirty the conference adjourned. Members and sponsors of the college Y who participated were President Clarence L. Phelps; Dr. Charles L. Jacobs, chairman of arrangements; Denning McArthur, college host chairman; Fred Alfred, registration chairman and Lorne Olson, decorations and signs chairman.

Billie Winters was seen hitchhiking last Thursday morning. "Won't the Dowager run anymore?"

Stella Mae Smith had her hand all bandaged up from a burn. Mustn't play with fire, Stella!

Bob Dunham is flashing a nifty Model A Ford around. It sorta pays to go home once in a while, doesn't it?

"Skeeter" Voorhees has been seen around "Bobby" Butler quite a bit lately—and here we thought you were a woman-hater, Skeet!

Jean Townsend thinks the State fellows are O. K., but she likes a certain fellow (not a Stater) who comes up to college almost every day to see her. We don't blame you, Jean!

Johnny Ingram has a black eye and skinned nose as a result of laughing at a pledge who was being paddled. (It was accidental, according to Johnny.)

Syd de Rosa has a delightful voice? He was doing some outstanding solo work on the campus last Thursday afternoon!

Where's the Mulock Duncan combination these days? They've not been seen around together for some time!

H.E. Women Select Favorite Recipes

All students are requested to turn in their favorite recipes to the "Cook Book Committee" this Friday without fail, according to Ruth Brubaker, president of the Home Economics department.

This "Cook Book" will contain approximately 200 recipes which have been turned in by the students as their favorites. The recipes are to be made into book form and if the demand is great enough they will be sold to any students on the campus.

Local Group Observes Pan American Day

International Relations club members have planned to sponsor a dinner April 11 in honor of the Pan American day which President Roosevelt has set aside on April 14.

The dinner on Thursday evening will be held in the State College cafeteria at 6 o'clock. All students are invited to attend. Jack Murray, club president will serve as master of ceremonies. A price of 50 cents will be charged to those attending. Reservations should be made with Dr. Frederic L. Ganzert, Laura Fox or Jack Murray.

Other colleges throughout the nation are observing Pan American day with appropriate exercises.

GAUCHO CAB

By BILL HOYT

A week-end of disappointment! That's what last Friday and Saturday proved to be after all the high hopes of laurel wreaths and victory bells that we splurged around a week ago. It seems the pressure was a little too much for Los Gauchos. Somewhere after the fifth inning our crew blew higher than a stratosphere flight (at least, high enough to allow six runs to cross the initial spot); and the spikers were just barely surprised by an addition of pressure.

"Mert" Miller chucked an excellent game, allowing only seven hits while his teammates gathered six off the Bengal tosser. The tell-tale difference lay in the backing the Tigers gave their key man. Up until a little over half way through the game, Los Gauchos gave fine support, but then the let down began and when it was over, State was snowed under. It almost seems as though there is a bad spot, from which all desentation spreads in the hill-top bat and ball artists. As a matter of fact it's rather obvious, it is a shame that it can't be cut out or isolated and allowed to rot itself away as all bad spots will in time.

On the track over at the Phelps field, the situation looked well under control last Saturday. Los Gauchos had gathered enough points so that with the winning of the relay the meet would be on ice all wrapped up in green and white. Only one thing the javelin wasn't finished yet, but "Bud" Ewing in his last throw of the day was leading his closest rival by a foot or more. Then the impossible happened. Johnson, Redland's weight man, a huge, powerful Indian, got set for his last throw. It was his final chance. If he failed, Redlands lost the meet; if only he could leave it out just a bit further; if—if; he

GAUCHOS ENTER ALL-CONFERENCE MEET

Varsity Nine in Couple of Tough League Contests

In an attempt to redeem themselves for their poor showing last week against Oxy, the Gaucho baseballers will meet a pair of conference opponents this weekend, taking on the tough Redlands outfit on Friday afternoon, and finishing up on the in and out Whittier Poets Saturday. The first game starts at 3 o'clock, while Saturday's fracas will be called at one o'clock, both contests being slated for Cabrillo field.

The Redlands nine trimmed the Staters 8-6 in their only previous meeting this year, and because the Gauchos have improved somewhat since that game, the outcome should be close. The winner of this contest will stay in second place in the league standings and will still have a chance to overtake the leading Occidental outfit, while the loser will be practically eliminated from the race. Coach Harder will start his ace twirler "Mert" Miller, against the Bulldogs, and if he fingered the long spear—raised it to throwing position—a short run—a hop—twist—the shaft shot out, skyward—soared, seemed to hover—then down straight and true to rest firm and quivering in the earth. No! It just couldn't be, but it was Johnson, the Indian Bulldog had cleared "Bud's" record by inches and had cinched a victory in the meet.

Things will happen next week-end too, but we uns'll have to be shown that there are winning teams on the campus. Baseball team plays host to Redlands and Whittier nines on Friday and Saturday afternoons on the Cabrillo field while the tracksters will go south for the All-Conference meet.

boys give him the proper support, the Gauchos stand an excellent chance to come out on top.

Whittier, which has its good streaks and its bad streaks, are plenty hard to beat when they are in form. The Gauchos handed them an 11-2 walloping a couple of weeks ago while they were suffering one of their lapses. However, in their series with Occidental, the Poets took a 17-5 lacing in the first game, only to turn and trounce the Tigers 4-1 the following day. So if the Poets are feeling good, the Hardermen are in for an exciting afternoon. Don Fisher will serve 'em up for the Gauchos in this game, and he too, should turn in a win if given the proper support by his mates.

GaUCHO Babes Rate High in All-Conference

A full squad of 14 frosh spikers will enter the All-Conference meet at Occidental this Saturday, and the unbeaten yearlings stand an even chance of winding up their season in a blaze of glory by taking the league title. Only the unbeaten outfit from San Diego State rates on a level with the local boys, and if the Staters can top the Aztec babes in the final scoring, they will be the first Santa Barbara team, varsity or frosh, to win a conference championship.

The Gauchos have already downed the Occidental and Whittier frosh, while the Poet first year men have trounced both the Redlands and La Verne outfits. San Diego has engaged in no conference competition as yet, but they have run up a splendid record against high school and junior college teams, and they have many outstanding men in their lineup.

Santa Barbara's entries are as follows: Yeager and Schaeffer sprints; Shean, 440; I. Crow, 880 and broad jump; Henry, distance runs; Rumbaugh and Gray, hurdles; Campbell, shot and discus; Hart, shot and high jump; R. Smith, high jump and pole vault; Meisenbach, high jump; Morelli and Langlo; broad jump and pole vault; and Oldershaw, javelin.

Campbell is favored to take both the shot and discus, while Rumbaugh and Gray have an excellent chance to dominate the hurdles. Yeager in the sprints, Crow in the half mile, and Oldershaw in the javelin all may cop firsts.

GAUCHO BOBBLES MOST IMPORTANT GAME WITH OXY

Booting away the game to the tune of eight errors Coach "Spud" Harder's baseball aggregation dropped an 8 to 3 decision to the Occidental Tigers last Saturday afternoon on Cabrillo field in what was predicted to be the deciding game in the Southern Conference championship race.

Although the visitors were only able to collect seven hits to the Gauchos six they scored heavily on the fielding errors of the Staters. The locals were decidedly sloppy and registered eight errors while Oxy was credited by the scorer with one misplay.

McMillan, big right hander whom football fans remember as the key of the Tiger's grid team, limited the Staters to six hits, the smallest number they have had in any game this year.

The Southerners nicked Mert Miller for four solid safeties and were able to make three other blows count as hits by the poor judgment of the Gaucho infield. The main part of the story is the fact that these safe bingles came after two or three Oxy men had been donated safe trips to the bases on errors.

Frosh in 13-7 Win Over Taft High

In an orgy of basehits, errors, sensational plays, and everything else that goes to make baseball the thrilling game that it is, Coach Bud Cummings' frosh horsehiders pounded out a 13-7 victory over the Taft High school nine on the loser's field, last Saturday. "Shires" Erhart pitched a good game for the locals, and also connected with the best hit of the day for his team when he cracked out a long three-bagger.

Campus Coffee Cup Capers

Not so very long ago, we understand, Herman Gumpertz, was seen hoofing it home from the direction of the Mesa. Maybe next time he won't be so firm in his convictions.

Fred Lambourne will soon have to start attending rehearsals of "Death Takes a Holiday" if he expects to keep his little Peggy under his thumb.

Barney Jameson will admit, if you really coax him, that he is probably the greatest lover on the campus. A real Don Juan, Barney modestly claims he honestly doesn't know what this power is.

Frankie Gilmore, erstwhile crooner, has given his crown over to Jameson, and is retiring from the field. As a matter of fact, Sammy has kept him off the field for some time, but it has only recently been noticed . . . by the fellows, that is.

It is only casual interest, of course, but we wonder what Jack Knight does with his time? And why Barney Swanson takes all these trips to Goleta?

We wonder also why Herman "Torril" Topics' Gumpertz makes so many trips to his home town, Oxnard. Herman, you wouldn't be trying to keep two irons in the fire at once, would you?

Try a hamburger supreme daily?

REDLANDS DOWNS STATE TRACK MEN IN CLOSE MEET

Although Bud Ewing, Gaucho spear tossing star, heaved the pointed stick further than he had ever done before Coach Nick Carter's trackmen lost the deciding event, the javelin throw, and the meet 72 to 59 to Redlands university in a hotly contested meet held on Phelps field last Saturday afternoon.

Ewing's toss of 173 feet 1 1/2 inches was just short of the winning throw made by Johnson, of Redlands of 174 feet 9 1/2 inches. A first place in this event would have made the relay the deciding event of the meet.

Tiny McCollough broke the school shot put record with a mighty heave of 43 feet 10 inches, which is the best distance in the conference so far this year. Tiny also placed first in the discus.

McDonald came through again for a first in the half mile and also lead the pack home in the two mile event.

Joe Nightingale, Gaucho sprinter dropped both dashes to Case of the Baptists.

Complete results:

120-yard high hurdles: Crow (SB), first; J. David (SB), second; Hall (R), third. Time 16.5 sec.

880-yard run: McDonald (SB), first; Oliver (R), second; Miller (R), third. Time 2 min. 4.3 sec.

100-yard dash: Case (R), first; Nightingale (SB), second; Lang (R), third. Time 10.3 sec.

High jump: Garber (SB), and Crawford (R), tied for first; Rygh (SB), and Sanderson (SB), tied for third. Height 5 ft. 10 in.

Pole vault: Lockwood (R), first; Holcomb (SB), and Alexander (R), tied for second. Height 11 ft. 6 in.

Shot put: W. McCullough (SB), first; Gorman (SB), second; Lockwood (R), third. Distance 43 ft. 10 in.

440-yard dash: Bowlus (SB), first; Lang (R), second; W. Crow (SB), third. Time 52 sec.

One-mile run: Burns (R), first; Dorn (SB), second; Stock (R), third. Time 4 min. 45.2 sec.

220-yard low hurdles: Hall (R), first; Bowen (SB), second; Alacla (R), third. Time 26.1 sec.

220-yard dash: Case (R), first; Nightingale (SB), second; Crozier (R), third. Time 22.4 sec.

Discus: W. McCullough (SB), first; Rose (R), second; Johnson (R), third. Distance 125 ft. 11 1/2 ft.

Two-mile run: McDonald (SB), first; Scholtom (R), second; Huarst (R), third. Time 10 min. 51 sec.

Broad jump: Alexander (R), first; Crozier (R), second; Case

State Squad Has Chance to Score Heavily in Meet

With a chance to pile up more points than any other Santa Barbara State team has ever been able to bring home from such a meet, a strong squad of Gaucho cinder artists will match spikes with the league's best Saturday in the annual All-Conference meet, held this year at Occidental.

Santa Barbara State's well balanced outfit, which has already won the conference dual meet title, is slated to add this affair to their collection of victories. Past performances rate Occidental second, with Santa Bar-

bara, Redlands, and Whittier all in the battle for the third position.

Santa Barbara will be represented by a squad of about 15 men, of which number, Coach Carter has already selected 10. The 10 fellows who are a cinch to compete are: Joe Nightingale, sprints and relay; Bill Crow, high hurdles and relay; Larry Bowlus, 440 and relay; Roland McDonald, two mile, and possibly 880; Captain "Tiny" McCullough, shot put and discus; Elwood Gorman, shot, javelin and high jump; Allan Garber, high jump; Elmer Lee, Bud Ewing, javelin; and Leonard Dorn, mile.

Possible Game Set for Frosh Against Preps

If present negotiations are carried through, the State frosh nine will cross bats with a team from the local high school this Saturday at Pershing park. The game is only tentatively set as yet, because the High school has not formed a varsity baseball team this year, but has engaged wholly in intra-mural activities.

However, there are plenty of capable men on the intra-mural squads, and they should be able to put together an outfit that will give the frosh plenty of competition. If the contest materializes, Coach Cummings will probably start "Dizzy" Erhart on the mound for the yearlings.

(R), third. Distance 20 ft. 11 in.

Javelin: Johnson (R), first; Ewing (SB), second; Rose (R), third. Distance 174 ft. 9 1/2 in.

Relay: Won by Redlands on forfeiture.

Five Glee Clubs Feted at Dinner, Informal Hop

Members of the glee clubs participating in the eleventh annual Pacific Southwest Intercollegiate Glee Club contest were guests of honor Saturday night at a banquet at El Paseo preceding the contest and a dance in the high school gymnasium immediately following the contest.

During dinner the guests were entertained by a rumba orchestra and a vocalist.

The San Diego girls treble quartet sang three numbers, after which Mr. Fred Biedleman, director of the San Diego men's glee club, conducted the drawing of the numbers which designated the order of appearance for the clubs at the contest, and also the drawing for the contest song. It was announced that the women would sing both of their contest songs.

The guests of honor who were presented by Mr. Biedleman included Miss Eleanor Warren, composer of "Song of a May Morning," contest song for the girls' glee clubs; Mr. James G. Warren, donor of the prize cup; and Mrs. James G. Warren. At the same table were the various directors who were then presented by Mr. Biedleman, Miss L. Deborah Smith, director of the San Diego women's glee club; Mrs. Helen M. Barnett, director of the Santa Barbara women's glee club; Mr. Ralph H. Lyman, director of both men and women's glee clubs at Pomona; Mr. Howard Swan, director of the men and women's clubs at Occidental; Mr. William B. Olds, director from University of Redlands and Mr. Clifford Leedy, director of the Santa Barbara State College men's glee club.

The judges, Miss Ardis Carter of Santa Barbara High school, Mr. Ralph Peterson of Los Angeles Junior college and Mr. Alexander Stewart of University of Southern California, were introduced.

Dean Lois M. Bennink and Dr. Charles L. Jacobs were the two auditors present, while Mr. and Mrs. Clarence L. Phelps were guests of honor.

Music for the dance following the contest was donated by Fred Lambourne's orchestra which included Fred Lambourne, Tim Cornwall, Bud Lambourne, Corley Clark, Ed Cole and Stanley Cox.

Punch and cake were served during the dancing.

The social committee was in charge of the dance.

Travel Authorities Preview Lyman's Film
A small group of travel authorities on Mexico and travel guides saw the "preview" showing of the film Mr. and Mrs. Roscoe Lyman recently completed, at their home on last Saturday evening. These films were compiled from those taken on a trip into Old Mexico during the last Christmas vacation.

Tau Omegan Pledges Count Planks

Counting the number of planks in the wharf, the number of steps on the State college campus and other educational activities were reported on by pledges to Tau Omega fraternity at a meeting held last Monday night at their club house on Santa Barbara street.

Pledges were also informed as to the present rules and regulations regarding the smoking and gambling activities on the campus, after which they received instructions as to their pledge dinner which will be held this coming Monday night.

As a reward for their efforts to please the members, "Gump" Gumpertz, Ralph Karns and Powell Freeland were taken for a moonlight ride. To show their appreciation for this favor the pledges have promised to take the different fraternity officers for excursions, according to Bob Moore, pledge captain.

It was also decided to hold the fraternity formal on June 1. A committee was appointed by James Coultas, president, to select a place for the affair.

Alumni members present were Benjamin Romer, Thomas Keating, Hal Polley and Lorenz Greeson.

La Cumbre Staff Holds Supper

Mary Hughes was hostess to members of the La Cumbre year book staff at a pot-luck supper last evening. Following the supper a business meeting was held.

Those attending were Rea McPeak, editor, Virginia Moon, Helen Eichelberger, Isabel Ferguson, Shirley Warner, Bill Ogle, Bill Hoyt, Allen Neil, Lawrence Leslie, George Schultz, Mary Hughes and Della Haverland, faculty sponsor.

Dr. Ellison Plans Historical Meeting

The Pacific Coast Branch of the American Historical association will hold its annual meeting in Santa Barbara soon, Dr. William R. Ellison, chief of the history department, was last year's president.

Dr. Carl F. Brand, Stanford university, has conferred with Dr. Ellison on the plans for the meeting.

Home Economics Club Tells Label Deadline

Today is the dead line for the labels from canned products to be turned in to the Home Economics club.

It is the University of Iowa that is sponsoring this study of labels from canned corn, peas, pears, string beans, peaches, pineapple, apricots and salmon. All the women interested in this particular study are asked to observe this last request, and leave all the labels in the Home Economics club room.

Freshman Entertains With Formal Dance

Jessie Griffin, freshman, was hostess to a group of friends at a formal dance at her home, 1123 Alta Vista road, last Friday evening.

Guests present were Irene Minikin, Neva-Doris Freeman, Joan Drennen, Ann Seymour, Louise Jackson, Elizabeth Denman, Audrey Chrisman, Mary Frances McKinney, Marjorie Shepard from Los Angeles, Jessie Griffin, and Jimmie Monson, Virgil Hooper, George Herron, Vincent Banks, Tommy Merrill, Granzo Meisenbach, Herb Manley, Charles Krueger, "Goidy" Goldsmith, and Wayne Bartholomew.

Ester J. Ludcke Tells Sorority of Engagement

The engagement and coming marriage of Ester Janssens Ludcke and Jack T. Porter was announced to alumnae members of Delta Zeta Delta last night when the sorority was entertained in the home of Rose and Betty Greenwell with a bridge supper.

Mrs. Ludcke is president of the alumni of Santa Barbara State college and of the alumnae of Delta Zeta Delta. She served as editor of Hoy Dia, the alumni magazine last year, and has been general chairman of Home-Coming for the past two years, she is a member of Kappa Delta Pi.

Mr. Porter was composing room foreman of the Roadrunner, assistant editor of Hoy Dia and is a member of Alpha Phi Gamma. He took part in the State college play "Hay Fever" last year.

Mrs. Ludcke teaches at the Crane Country Day school in Montecito

Tau Gams Plan Social Calendar

Discussion of coming social events formed the business meeting of Tau Gamma Sigma sorority on Monday evening. The procuring of an orchestra for the formal dance on May 4 was assigned to Eleanor Mellinger, renting a hall to Betty Roome, and planning the program to Sue Knox.

In place of the regular meeting on April 22, several of the women will be hostesses to the sorority at a progressive dinner. Alice McCray, Charlotte Pilling, Jeannette Banks, Barbara Seward and Mrs. L. Deming Tilton, a sponsor, have offered their homes for the affair. The Billmore hotel will be the setting for a breakfast to be given on June 2. Swimming in the pool will also be enjoyed.

SISTERS VISIT CAMPUS

Helene Baer, home economics, 1934, of Sonora, California, and Rosalie Baer, 1926, of the University of California, visited the campus on Thursday and Friday, March 28 and 29. Helene has been doing substitute teaching in the Sonora Union High school and teaching night school to adult classes. Rosalie is a junior at U. C.

Guests were Alice and Frances Hoelscher, Margaret and Eleanor Mellinger, Elizabeth Denman, Peggy Pope, Charlotte Naess, Marge Cadwell, Barbara Clark, Barbara Seward, Jeanne Wood, Jeannette Banks, Betty Roome, Betty Roulston and Charlotte and Viola Pilling.

Phi Delta Pi Stages Candy Sale

Candy will be sold by the members of Phi Delta Pi, national honorary physical educational sorority, Wednesday noon in front of the gym.

The purpose of the sale is to raise money for the national dues of the sorority.

Dean Tells of Change in Date for A. W. S. Tea

A change was made in the date of the A.W.S. tea from May 2 as originally planned, to April 27. Dean Lois Bennink states that the reason for this is the important tea given by the Women's club at Rockwood on May 4, which ends the club's social season.

The tea will be held from 4 to 6 o'clock instead of from 4 to 7 as it was last year, because of a student body dance scheduled for that evening. All of the committee heads are urged to observe this change and to plan their preparatory work accordingly.

Committee chairmen are Ruth Brubaker, food committee; Wilma Kiesner, invitations; Georgia Lyons, corsages; Betty Hopkins, properties; Ann Seymour, table service; Betty Roulston, decorations; Jeanne Wood, publicity; Jean McNally, serving; Frances Kenney and Sheila Davidson, program.

It was a matter of pride with a host in Colonial days that his guests should smoke tobacco grown on his own plantation.

Today the Governor of North Carolina says to the Governor of South Carolina— "Have a cigarette"

TODAY people all over the world use tobacco in one form or another. They chew it, they smoke it in pipes, they smoke cigars and cigarettes, and here is what an eminent physician said about cigarettes:

"I have been something of a student of cigarettes, and it is my belief that they offer the mildest and purest form in which tobacco is used."

Yes, nowadays the cigarette is the most popular form in which tobacco is used. A good cigarette certainly gives men and women a lot of pleasure.

Have a Chesterfield— For one thing—they're milder. For another thing—they taste better.
