

Publicity Rules Listed; Election Candidates Named

Publicity rules were sent out to all candidates Monday through the student mailboxes. Additional copies are available in the Student Body office.

Petitions are also out and are due in the Graduate Manager's office Friday at 4 p.m. The Constitution test which all candidates must pass is scheduled for Monday, Oct. 6, in Pine Hall 101 at 4 p.m. Roberts Rules of order and a brochure on student government will be covered in this test.

Candidates for freshman president are Richard Lorden, Michael Lally, Jack Christofferson, Lynn Shanton, Sandi Lockhart and Thad Roberts.

Freshman vice presidents: Sylvia Hamm, Donna Pat Wolf, John MacLellan, Pat Dominis, and Nancy Holcomb.

Freshman secretary-treasurer: Judith Mills, Judy Garcia, Nancy Terrell, Virginia Eyre, Janice Lyon and Barbara Sue Pickens.

Sophomore president: Hal Mooney and Dave Daniels.

Senior president: Bill Stoner and Gordon Hardey.

Senior vice president: Dale Humphries, Pat Gaard and Dorothy Keirn.

Publicity rules formed by the elections committee are listed below:

Allowed

*1. Posters. Candidates for Freshman Class president may have six posters, size 22"x28", with 8"x10" pictures on them, three for each campus. All other candidates are allowed two such posters, one for each campus.

*2. Pictures. Candidates for all offices are allowed two pictures, size 8"x10" (one each for Mesa and Riviera showcases).

3. Name tags. No larger than 4"x4" with no limit on number.

4. Car banners with no limit on size and number.

5. Candidates may make personal appearances before organizations at their discretion.

6. Literature may be sent through the mails.

7. Paid advertising for the Oct. 8 edition of *El Gaucho* may be obtained from Bob Alford, director of publications, South Hall 104, before Friday, Oct. 3.

8. Use of the Associated Students public address system on Tuesday, Oct. 14, from 11 a.m. to 12 noon. Those interested in using the p.a. system should contact Pauline Byard, chairman of the Elections Committee, by Monday, Oct. 13, in Building D. There is a small charge for this service. The charge and the time allotted will depend upon how many desire to use the p.a. system.

Not Allowed

1. Banners or handbills of any sort, except as stated above.

2. Off-campus publicity except for personal appearances.

3. Any other publicity than which is stated.

Violations of these rulings will result in disqualification of the candidate. No exceptions will be made.

*Posters and pictures must be in the Associated Students office, Building D, by Tuesday, Oct. 7, at 4 p.m.

PROFICIENCY TESTS

Proficiency tests for new teacher-credential candidates who have not previously taken the tests will be held in North Hall 101-103 on Saturday morning, Oct. 4, from 9 to 12:30 o'clock. Make-up tests will be given at a later date. See your department chairman or adviser.

Troy Announces Plans For ComiCal Caravan; Regulations Released

A little imagination and the theme for this year's homecoming put together will result in some terrific house decorations and even more fabulous floats, as well as what promises to be one of the best Galloping Gaucho Revues yet to hit the campus, said Homecoming Chairman Ted Troy. The ComiCal Caravan theme will offer many possibilities for every phase of the 1952 Homecoming.

The complete brochure of events, deadlines and regulations has been received by 85 organizations and the Homecoming committee urges that each of these organizations participate in as many activities as possible.

Organizations are to have their candidates for Homecoming queen entered in the contest no later than Oct. 10. Joyce Fenstad, in charge of the queen contest, has arranged for five prominent Santa Barbara businessmen to act as judges for the contest. These judges will be on campus Thursday, Oct. 23, at 11 a.m. in order to be introduced to the candidates. Immediately following the introductions the judges will announce the four girls who will make up the queen's court. The decision of who will wear the Homecoming queen's crown will be revealed that night at the first performance of the Galloping Gaucho Revue. She will be presented to the audience by Fred Wade and will then officially reign over the Homecoming 1952 activities.

TED TROY
Homecoming Chairman

"This year's Homecoming promises to be the greatest weekend on the social calendar," Troy stated, "so start now developing ideas for the various contests and activities. From now on," he continued, "whenever you take time out from studying to read the funnies, be looking for some good ideas to use, and be sure you enter your idea early to insure your use of it. Join in the fun of the ComiCal Caravan."

FRESHMAN BARBARA SUE PICKENS gets signatures from sophomores Dave Daniels, left, and Duane Mittan as part of this week's Frosh Indoctrination activity. Girls must get signatures of 100 sophomore men. All freshmen are required to wear name placards this week.

Freshmen Wear Beanies and Placards This Week

Green beanies and name placards can be seen quite frequently on campus this week for all freshmen are being required to wear them. Sophomores are busy affixing their signatures to the placards and seeing that every freshman is wearing his.

The freshmen are reminded to learn the Santa Barbara College songs, yells and history for they are very liable to be asked questions about these matters at the Freshman Class meeting on Wednesday, Oct. 8. This meeting will be held at 7:30 p.m. in the Riviera Auditorium and candidates for class offices will give their campaign speeches. Attendance for all freshmen is required, and Spurs and Squires will be on hand to see that everything is in order.

The culmination of these activities will be "All Frosh Day" on Oct. 16. Again freshman attendance is required. The first event will be a mud brawl between sophomore and freshman students at 4 p.m. Oldest clothes should be worn, and facilities for washing up afterwards will be available.

'Squaring of the Circle' Cast Chosen

Members of the cast for "The Squaring of the Circle" have been announced by Dr. Edwin Schoell, director.

The cast includes Paul Washburn, Claire Arnold, George Monk, Robert Vogelsang, Sydney Vilen, Martha Hopkins, Jeanie McGarraghy, Catharin Stuart, Frank Rowley, Lawrence Drass and Fred Junker.

The play is to be presented Nov. 6, 7, 8, 13 and 14 in the Riviera Auditorium. It is a Russian farce, written by Valentine Katayev and translated into English by Charles Malamuth and Eugene Lyons. "Squaring the Circle" will be staged in center-stage style.

Dr. Schoell also announced that tryouts for "In the Burning Darkness" will be held in approximately two weeks. Specific dates will be in next week's issue of *El Gaucho*.

STAFF MEETING

There will be a staff meeting Tuesday at 11 a.m. in the office of *El Gaucho*. All interested students should attend this meeting.

Whittier Edges Gauchos Despite Field Goals

Despite a pair of beautiful field goals by Halfback Bucky Baird, the Whittier College Poets came through in the third quarter to edge the Gauchos 7-6 in a thriller at Whittier Hadley Field.

This Friday the Gauchos once again take to the road to meet the Occidental College Tigers at Occidental. Oxy, always a strong threat, could give the Gauchos real trouble in their second road game.

Fifteen-Unit Program Needed for Deferment

Local Selective Service boards are now applying a criterion of at least 15 units of credit per semester as the condition for a full load for college deferment, it was announced by Dr. Paul W. Wright, registrar.

He received notification of this from the California State Director of Selective Service.

The 15-unit program is considered a normal scholastic load at Santa Barbara College. Twelve units of work constitute a minimum program, except for special students and those engaged in directed teaching.

Thus, in order to qualify for a 2-S deferment, a student must make normal progress toward a degree, which the draft boards are now interpreting to be 15 units each semester. Also, a sophomore must have ranked in the upper half of his freshman class, and a senior must have ranked in the upper three-quarters of his class.

Dr. Wright reminded faculty counselors that students classified 1-A and wishing deferment should be referred to the Dean of Men's office. Letters which faculty members wish to submit to Selective Service boards concerning students should be forwarded through the Registrar's office.

'All for U' Theme For All-Cal Weekend

"All for U" is the theme around which All-Cal Weekend will center Oct. 31 and Nov. 1 on the Berkeley campus of the University.

Eileen Berkman, California Club chairman, will act as general chairman for arrangements on this campus. Sally Carter is in charge of ticket sales, and Diana Evasovic will take care of publicity. Frank Dobyns, head yell leader, plans to work with the yell leaders of the other campuses on rallies.

Tickets are expected to arrive in the near future. Fifteen hundred have been ordered for SBC students.

Available Jobs Listed In Two Offices

Two activities on campus handle the part time job listings, the Dean of Women's Office for the women and the Graduate Manager's Office for men.

Students looking for work should check with them to see what they have to offer. Often included in the men's positions are jobs with the college department of grounds and buildings.

Coach Roy Dennis's Tigers fell before the Gauchos 27-25 last year. This year's team includes five All-Conference players, and six two-year lettermen. Dennis has a powerful first team, but like the Gauchos seems to lack reserve strength.

Baird Boots

In last Friday's game with Whittier Coach Williamson's Gauchos scored twice on Baird's field goals only to see the margin wiped out by a 14 yard scoring pass from Rod Burroughs to Jack Fox in the end zone. Bob Dunham booted the third quarter extra point to give the Poets their victory.

The game saw no other scoring and settled down to a punting duel with the Poets kicking 11 times and the Gauchos 12. The

Only One Chairman Appointed Tuesday

Only one decision on committee chairmen was made at the last meeting of the Student Council. Diana Evasovic was appointed chairman of the Standards Committee. Diana, a junior, has been active in student affairs as a member of Cal Club and also was chairman of the Assembly Committee last year.

Due to a deadlock in the Council vote, the position of Social Chairman was not decided and will be announced at a later date.

Two positions were still open for application before last night. These positions are Rally Committee Chairman and Office Manager. The latter is needed at once and the various duties include: organization of the secretariat, ordering of supplies and supervision of mimeographing. This is the only student office that has a small salary attached.

1539 Students Now Enrolled at UCSBC

The latest figures from the Registrar's office show an increase from 1498 students enrolled last week to a total of 1539 students enrolled in classes this week. This number includes 576 new students, 963 returning and 182 veterans.

According to Dr. Wright this shows a leveling off of the recent decline in enrollment which has been shown recently in the colleges and universities all over the nation.

It is expected that late registrations will raise the enrollment near last fall's total of 1646.

KOREAN VETERANS

The Office of the Dean of Men will be glad to give information regarding educational benefits provided by the new "GI Bill" for post-Korea veterans who are eligible for them.

Application forms for mustering-out pay are now available at the County Veterans Service, 122 E. Figueroa St., and must be accompanied by Report of Separation, Form DD 214. This form should be recorded at the County Court House and two certified copies requested. This service is free.

Whose Policy . . . ?

A question recently arose concerning the policy of *El Gaucho*. Who determines the policy seemed to be the main item under discussion. This can be answered readily. All decisions concerning *El Gaucho's* policies shall be made by the editor, and by the editor alone.

As any reasonable person should do, the editor is quite willing to listen to the advice and opinions of others. Whenever she feels it is necessary, the editor will even seek advice. There is certainly nothing wrong in doing this. When anything is to be done for other people, it is only natural to want to know opinions. However, after weighing all the arguments, the final decision shall be that of the editor. *El Gaucho* is not responsible to the administration, nor to the Associated Students President. Naturally cooperation is desired on all sides, but no one shall dictate the policy of the paper.

The Constitution of the Associated Students does not in any way state that the President has any jurisdiction over *El Gaucho*. He can in no way dictate how *El Gaucho* shall be run, nor what *El Gaucho* shall print. The editor is not required to answer for her actions to the President, and hereafter shall not feel bound in any way to do so.

When a person is in doubt, it is often good to listen to advice from one's predecessors. The editor has done this. It might be beneficial for the President to do the same.

UP ON THE HILL

by Joe Costantino

UP ON THE HILL . . . it is quite apparent that this will be "UN ANO MUY TREMENDO-SA" at the Santa Barbara campus. (Literally translated that means a "Ball" for freshmen who have not discovered the joys of El Habla Espanol.)

After attending the Gaucho Gambol, the President's reception and the first TGIF of the semester it seems that our newer students have brought their own blood with them and won't have to resort to finding spirit in dark brown bottles in order to have fun. Proof of this was apparent at the President's reception when we learned that 84,96401 gallons of punch were consumed . . . a feat never before equaled at the punch bowl line at Santa Barbara.

In past years I strongly suspected that the students were not certain of the use to which punch was to be utilized, and were using the concoction in place of ODO-RONO. Such not being the case this year I have thrown away my chrome encrusted flask and am fighting the bees for possession of the Coca-Cola machine next to the snack shack. (At last count they were slightly ahead . . . 8 stings to be exact, but I have threatened them with DDT and they are talking it over at their own Panmunjom located under the eaves of the quad.)

One further comment to older students . . . in now way let it be thought that these young freshman girls wearing the green beanies are in the least "green" in the social graces. I have a very good fraternity brother who is recuperating from shock this week after partaking of what he calls "a kiss that made me feel as though I had stuck my nose in a 220-volt

socket." He describes this freshman girl as being 5'8", approximately 120 pounds, with proportions of Jane Russell and the spirit of a Marilyn Monroe calendar.

Further extensive questioning has failed to make him divulge her name and phone number, but I am taking electric shock treatments in the Psyth class in preparation for an encounter with the "electron bussing" freshman girls. Any further leads should be addressed to Costantino's Castoff Casanovas Club, which has recently been reactivated on sums garnered from the pawn shop loans the members received in return for some slightly used engagement rings and sweetheart pins. VIVA LOS GAUCHOS.

Secretaries Needed For Office Duties

"Girls are needed for the secretariat in the Student Body office and may sign up any time on the specified sheet on the Building D bulletin board," stated Pauline Byard, ASB vice president.

Organization credit will be given to the girls who wish to donate about two hours a week to general office duties in the student body office. When signing up, girls should specify free hours and, upon appointment of the office manager, they will be contacted as to exact days and hours they will be asked to serve.

Duties of the secretariat will consist of typing, answering inquiries at the telephone and doing general clerical duties.

"We need a staff of about 20 and so urge all girls interested to sign up," said Vice President Byard.

MESA MEMO . . .

A few weeks ago the school officials of Carpinteria asked the Industrial Arts faculty to help them develop a general shop. The planning and preliminary work has been completed. Last Saturday the members of the faculty volunteered to redecorate the shop. It was painted the modern functional colors used in industry. This general shop will become a model for school officials to study and copy for shops in their own schools. There has been a need for a shop of this kind in the area to train UCSBC student teachers. Many Southern California school systems, especially the smaller ones, want to utilize the general shop but need teachers trained in handling this new development. Again UCSBC leads the way in Industrial Arts.

Amoss Kincaid Jr. This handsome blond is teaching I.A. 179 and 191, integrated craftwork courses. Mr. Kincaid received his AB with honors from San Jose State and his MS from Stanford. All of his work was done in the field of art. Before joining the faculty here he taught in Stanford Elementary School and Carmel Unified School. His hobbies include painting, sculpture and dramatics. Mr. and Mrs. Kincaid reside here with their three dogs. On behalf of the Mesamen and gals I wish to extend him a hearty welcome.

Under miscellaneous: Two new coeds have joined Sally Carter to become I.A. majors. They are Margaret Marsh and Marilyn Olsen. Willis Jolly went south to fill a teaching position so Jim Marsh takes over as I.A. Club prexy. The I.A. Club is planning a party at Hendry's Beach jointly with the Home Economics Club and Phrateres for the 2nd of October from 5 to 8 p.m. There will be a nominal fee for food. Mr. Miller, graphic arts teacher, has acquired a beautiful navy blue Cadillac to replace his familiar Oldsmobile. The latter, by the way, is for sale. Bill Grannis was scheduled to have his cast sawed off this last weekend. The injury occurred shortly before school started due to a motorcycle accident down south. Dr. Scherer's daughter Karen can be seen with her green beanie on the Riviera campus. She spent part of the past summer traveling in Europe. All ex-Boy Scouts interested in joining Alpha Phi Omega may receive additional information by contacting Bill House.

No box tops! NO ENTRY BLANKS! It's easy!

Just write a 4-line jingle based on the fact that

LUCKIES ARE MADE BETTER

TO TASTE BETTER!*

Here's your chance to make yourself \$25. Just write a 4-line Lucky Strike jingle, based on the fact that Luckies are *made better to taste better.**

Then, if we select your jingle, we'll pay you for the right to use it, together with your name, in Lucky Strike advertising . . . probably in this paper.

Read the sample jingles on this page. Then get the gang together, break out the rhyming dictionary, and start writing. It's fun! And we're buying jingles by the bushel!

Hint—if you can sing your jingle, it's a good one!

Hint—the more jingles you write, the more money you have a chance of making.

Hint—be sure to read *all* the instructions!

I've heard the same in every class—
 In history, psych, and ec—
 For cleaner, fresher, smoother smokes,
 It's Lucky Strike, by heck!

I like a better-tasting smoke
 And mildness counts with me.
 So when I buy I keep in mind
 That L.S./M.F.T.!

HERE ARE THE INSTRUCTIONS

1. Write your Lucky Strike jingle on a plain piece of paper or post card and send it to Happy-Go-Lucky, P. O. Box 67, New York 46, N. Y. Be sure that your name, address, college and class are included—and that they are legible.
2. Base your jingle on any qualities of Luckies. "Luckies are *made better to taste better,*" is only one. (See "Tips to money-makers.")
3. Every student of any college, university or post-graduate school may submit jingles.
4. You may submit as many jingles as you like. Remember, you are eligible to win more than one \$25 award.

*TIPS TO MONEY-MAKERS

To write a winning Lucky Strike jingle, you're not limited to "Luckies are *made better to taste better.*" Use any other sales points on Lucky Strike such as the following:

Hardin Revises Popular Textbook-- 'Biology--Its Human Implications'

A revised edition of the textbook, "Biology—Its Human Implications," by Dr. Garrett J. Hardin, was recently released by the publishers.

The new edition is enlarged and reorganized from its original form published in 1949. The first edition received immediate national recognition and was adopted as a text in more than 100 colleges and universities throughout the country. Among the leading institutions using this text are Columbia, Yale, Princeton, Johns Hopkins, Brown, Stanford, Cal Tech and the University of California at Berkeley, Los Angeles and Santa Barbara.

"What should a student learn in a college course in biology if

he will never again be exposed to formal instruction in the subject?" is the question posed in the preface as a primary guide for the author throughout the 700-page volume.

Dr. Hardin, who is chairman of the biological sciences department at the College, will not be on campus this year. He was awarded a Ford Foundation fellowship from the Foundation's Fund for the Advance of Education last spring.

He will spend the year at Cal Tech in a study of new developments in evolution, a subject of particular interest to him. He will not do research in the field but will gather and evaluate new findings.

British Scientist Uses Apparatus

An apparatus which reproduces pressures existing deep in the earth is being used by a British scientist at the University of California at Los Angeles' Institute of Geophysics to study electrical conductivity in the globe's deep interior.

This investigation, which is important in the study of the earth's magnetic fields, is being made by Dr. Keith Runcorn, assistant research director in Cambridge University's department of geodesy and geophysics.

The rigid mantle of the earth is thought to consist largely of the mineral, olivine, which is an insulator under normal conditions. At the high temperatures within the earth its properties change enough for it to become a conductor.

Dr. Runcorn is studying the effect of pressure upon this process by examining the change of optical properties of olivine at high pressures.

Pre-Historic 'Fort Knox' Uncovered

A pre-historic "Fort Knox" has been uncovered by University of California anthropologists on the South Pacific island of New Caledonia.

Excavations made in the village of Oundjo disclosed the area was once a center for the storing manufacturing of aboriginal Conus-shell money.

Just returned from the 7-month archaeological expedition is Dr. Edward W. Gifford, director of the Museum of Anthropology on the Berkeley campus, who was assisted in his South Pacific study by Dick Shutler, Jr., senior preparator at the museum. Both scientists were assisted on the expedition by their wives.

From the evidence at hand Dr. Gifford theorized that the first comers to New Caledonia were potters by trade and that they probably sailed to the island several centuries ago.

The New Caledonia expedition is part of an over-all plan to study the archaeology of the several areas of Oceania. In 1947 Professor Gifford initiated this program with excavations on the largest of the Fiji islands, Viti Levu.

Essay Contest Open To Senior Students

Senior classmen are eligible to compete for the \$5,000 in cash prizes given by the National Council of Jewish Women for the best essays on the subject, "The Meaning of Academic Freedom."

Interested seniors can obtain the contest rules from the National Council of Jewish Women's contest headquarters in New York City.

Psychologist Uses Aviation Laboratory

Dr. Robert Gottsdanker, assistant professor of psychology at Santa Barbara College, spent the past summer in Aviation Psychology Laboratory in Ohio State University, Columbus, continuing research measuring "tracking skill." This ability is of prime interest in determining anti-aircraft gunners' capacity to fire at a moving plane target.

Several UCSBC Faculty Members Take Leaves

Sabbatical leaves will be the reason for some of the faculty missing from the campus this year. This is part of the University of California's policy to allow its faculty to conduct special study or research periodically. Three faculty members are in the armed forces and others are on leave of absence for fellowships.

Those on sabbatical leave for the entire 1952-53 school year are Dr. Pablo Avila, Howard C. Fenton, Richard Kaywood, Clyde Keener, Dr. Robert W. Webb, Dr. Hans Welton, and Miss Patricia H. Whitaker.

Others on sabbatical leave for the Fall semester are Dr. Stephen H. Goodspeed, Dr. William F. Mather, Dr. Marvin Mudrick, Dr. Kenneth M. Simpson, and Dr. Lewis F. Walton.

Dr. Theodore W. Hatlen will go on leave during the Spring semester.

Dr. Demorest Davenport will be on leave for his Guggenheim Foundation Fellowship and Dr. Garret J. Hardin and Dr. Henry A. Turner will be on Ford Foundation Fellowships.

Dr. Robert Beachboard, Miss Dorothy Robarge, and Elias P. G. Theros are on military leave of absence.

United Nations Club To Meet Tomorrow

Election of officers for the Collegiate Council for United Nations will be held tomorrow evening at 7:30 in Pine Hall 100. Any interested student may attend the meeting.

Paul Brennan and Gordon Murchie have been nominated for president, Kay Riusaki for vice president and Lee Power has been nominated for secretary-treasurer. Additional nominations will be taken from the floor. Dr. Noble will be the speaker for the evening. Refreshments will be served.

Harder Completes Commander Duties

The post of regimental commander of the Naval Reserve Officer Candidate School held at Terminal Island was filled this summer by Dr. Theodore Harder, professor of Men's Physical Education at Santa Barbara College. Attendance was 2600, including 17 from Santa Barbara.

Math Journal is Sponsored by UCSBC

Santa Barbara College is one of the sponsoring institutions for the Pacific Journal of Mathematics, a learned publication devoted to the publishing of articles on mathematics.

In the current issue of this quarterly magazine is an article written by Dr. Paul J. Kelly, assistant professor of mathematics at Santa Barbara College, in collaboration with Dr. Lowell J. Paige, assistant professor of mathematics on the Los Angeles campus of the University. The subject of the article is the "Symmetric Perpendicularity in Hilbert Geometries."

Dr. Spaulding New Sociology Professor

Dr. Charles B. Spaulding, a prominent Southern California educator and authority on labor and social problems, has been appointed associate professor of Sociology, it was announced yesterday by Provost J. Harold Williams.

The new faculty member has been professor of sociology and economics at Whittier College since 1934.

Dr. Spaulding received the Bachelor of Arts, Master of Arts and Doctor of Philosophy degrees, and Phi Beta Kappa Key at the University of Southern California.

In addition to his outstanding academic record, he has held positions in the Regional Enforcement Commission of California, Arizona and Nevada, the Community Services Section of the State Department of Mental Hygiene, and several Sociological societies.

Civil Service Job Openings Announced

The U.S. Civil Service Commission has announced an examination for Scientific Aid (cotton) for filling positions paying from \$2,750 to \$3,410 a year in various Federal agencies in Washington, D.C., and vicinity. To qualify, applicants must take a written test and have had appropriate experience or education.

Applications must be filed by October 7, 1952, with the Board of U.S. Civil Service Examiners for the Department of Agriculture, Washington 25, D.C. Further information and applications may be obtained from most first- or second-class postoffices, from civil service regional offices, or from the U.S. Civil Service Commission, Washington 25, D.C.

SBC Graduate Teaches Art in San Francisco

Dick Sears, Santa Barbara College graduate, has joined the faculty of the California School of Fine Arts in San Francisco for the 1952-53 school year as instructor in etching and painting.

Sears was included on a list of faculty approved by the board of Directors of the San Francisco Art Association. Since his graduation in 1949 he has taught at the Art Barn in Salt Lake City and completed a graduate study at the Berkeley Campus of the University of California, where he earned his Master of Arts degree.

Doctoral work in Spanish was engaged in during the summer at UCLA by Andres R. Ramon.

DR. PAUL KELLY

Gordon Baker New Poly Sci Instructor

Gordon E. Baker has commenced his teaching duties as Instructor in Political Science. The new faculty member completed requirements for his doctorate at Princeton University last June, specializing in the field of American Government. He also served as a part-time teaching assistant at Princeton.

Dr. Baker did his undergraduate work in the Northwest, attending the University of Washington, College of Puget Sound and Reed College. He received his master's degree from the University of Washington in 1949.

Dr. Baker is a member of the American Political Science Assn. and Pi Sigma Alpha, political science honorary group.

Campus Police Supplied With Tickets For Students Who Ignore Parking Rules

You can get a ticket for parking in the wrong place on the Santa Barbara College campus just as sure as if you park next to a fire plug downtown.

University of California Police Capt. Floyd Bernard makes the following suggestions for avoiding a trip to the municipal traffic court.

1. Don't exceed the campus speed limit of 10 miles per hour.
2. Park only in authorized student parking areas—in the lower student lot and in the music hall lot.
3. Park only in regular spaces when provided in parking lots.

Capt. Bernard reminds students not to park in the restricted parking areas next to the Student Health Building—often a temptation.

Campus violators are required to go to the Municipal Court in Santa Barbara.

The former procedure of registering all student cars with the campus police has been dispensed with.

Campus police headquarters is located in room 113, Administration Building, under the library steps.

J. Paul Sheedy* Switched to Wildroot Cream-Oil Because He Flunked The Finger-Nail Test

HERE'S a sad Lobster tale. Sheedy was really in hot water. His girl kept saying, "The Maine thing I don't like about you is the way you put your hair! Haven't you red about Wildroot Cream-Boil Hair Tonic? Non-alcoholic. Relieves annoying dryness. Removes loose, ugly dandruff. Helps you pass the Finger-Nail Test. Perfect for you 'claws you need Lanolin on that water-soaked hair." Paul got Wildroot Cream-Oil and now he shore looks slick. In fact, he's in salad with every girl on campus. Imagine My Surprise!

Interest last week centered around several of the general student body events. The reception of new students by Dr. Robert Gordon Sproul was graced by the appearance of many people both new and old, invited and uninvited. Student receptionists were most handsomely attired in formal and tuxedos. Great sport of the evening came as the men who were lined up watched goggle-eyed as the new women students paraded by. Senior women are now wondering if they will ever get a date.

Prexy Fred was right in the spirit of the evening as he became acquainted with MANY of the freshmen women. Bill Myers, Wynne Smallwood, Jack Mertz, Don Sherwin and Frank Dobyen had a field day too. Teddy Tye, Priscilla Simms, Pat Seeber, Diana Evasovic, among others, had fun watching Ford Studebaker Kaiser and his sister win the jitterbug championship of UCSBC for 1952. Everyone who was there will agree that it really was a ball.

The big query of the evening was the "stimulated happiness" of several prominent men. Is this disgusting display a precedent for all college functions?

More than ever this year the frosh are really being indoctrinated. Those sophs are humming. Margot Abbott had a booming meeting at the Alpha Phi house. The ears of the freshmen should have been burning. I understand that the tribunal will be most outstanding—a function none of us should miss seeing. How about a caravan to the appointed place? Might get lots of Gauchos there. Question: Will the girls be included in the mud brawl again? Many laughs if so.

Joy Aarset, local violinist of note, passed chocolates at the Phi Beta meeting last Wednesday night. She is now attached to Ben Clark. Best of luck, kids.

Funny story of the season: At one of the sorority houses at a dinner to welcome new pledges, a

pledge was asked by the server how she desired her coffee. "Straight" was the answer. Those frosh are really catching on quick. Like to take a minute to ask our mascot Osocito why he wasn't at the first game of the season. His appearance would have definitely livened up that very dead half-time.

With Whittier down and Oxy, nex, let's see some Gauchos use their time constructively by traveling down south for the game. Nothing is more fun than attending a game away. Just ask the kids who went to Fresno last year and saw the most thrilling game of the season.

As you scan this second column of "Imagine My Surprise" you might like to respond in some manner to my quips, comments, etc. I am open to your remarks; why not drop any particular goodies in the *El Gaucho* office where they will be passed on (or passed out)?

Just noticed some charming freshman women pass the window sans dinks. On the job, sophs. By the way, the sophomore men had better brush up on their signatures. You'll be needing those right arms to sign the name cards to be worn so prominently.

Louise, of Barbara Hotel fame, has ended her long sojourn in our fair city. What will the Sig Pi do now?

End of this installment of the spastic column now, since I am opposed (pooped spelled inside out) for the present. Never fear, you faint of heart—I shall re-tuprn. . . .

Welcome Tea Held By Phrateres Sunday

Nu Chapter of Phrateres held their Welcome Tea in the A.W.S. room, Sun., Sept. 28. In the receiving line was Dean Ellen Bowers, sponsor, Mary Jean Walker, president; Shirley Chard, vice-president; Dorothy McClure, secretary; Carolyn Cox, treasurer, and Roberta Frantz presided over the punch and cake. The Hawaiian theme was carried out in leis and bright flowers.

All girls that were unable to attend the tea but are interested in becoming members of the organization may meet the officers at the board meeting in AWS room Thursday, Oct. 2 at 4 p.m.

Meetings will be held twice monthly on Mondays in the AWS room. Initiation fee is \$10 paid by Nov. 1 and the dues for old members are \$1 per semester.

Colonel's Coeds Meet Tonight in AWS Room

Colonel's Coeds will hold their first meeting tonight in the AWS Room. The group will discuss plans for their new project, selling programs at the home football games.

The purpose of the group is to promote interest in the ROTC program and a better understanding among the rest of the students. Five girls in each class are chosen by the cadets to be members of this group.

Coeds returning this year are Colonels: Sally Carter and Barbara Marshall; Majors: Janice Macabee, Marge Alexander, Doris Clare, Jane Hardman, and JoAnn Harris; and Captains: Kay Johnson and Esterly Osterhaus.

IFC Sets Rules for Rushee Registration

Men students on the Santa Barbara Campus who wish to pledge during this fall semester are reminded that they must register in the Dean of Men's office on Monday, Oct. 6, in order to be eligible for this semester's pledging. A list will be posted outside the Dean's office, on Oct. 6, of all men having bids in the office from the various fraternities. The rushees will then sign up in the Dean's office, indicating their first, second and third preferences. This list will be matched against a master list submitted by the fraternities.

The Dean's office will be open for this pledge sign-up between 9 a.m. and 4 p.m. on Oct. 6, including the noon hour. Professor Emeritus Dr. Charles Jacobs will be the official Interfraternity representative during the pledge registration. IFC president Joe Costantino cautioned the rushees that they must sign up on that date, otherwise they will not be able to be pledged until the spring semester. Any questions regarding the procedure can be answered by the Dean of Men's office.

It was also announced by President Costantino that this year first-semester freshmen will be eligible for pledging, a change in procedure from last year.

"Teacher of Year," Gerry Jones Speaks

"One of the greatest rewards for a teacher are the children themselves," teacher of the year Gerry Jones told the Elementary Education organization at UCSBC Thurs. night.

A 1950 graduate of Santa Barbara College, Gerry majored in Early Childhood Education, and is now a first grade teacher at Hope School. Gerry was invited to tell the prospective teachers of her likes and dislikes with a profession she enjoys so much.

Chosen "Teacher of the Year" last Spring, Gerry said her trip to Washington to meet President Truman was the highlight of the honor. Gerry's speech included her views on parent education of the classroom program, and answering questions from the audience about valuable teaching methods.

Student Teaching Workshop At UCSBC

More than 100 educators from this area gathered for a workshop meeting recently at UCSBC to work toward improvements in the student teaching phase of teacher preparation.

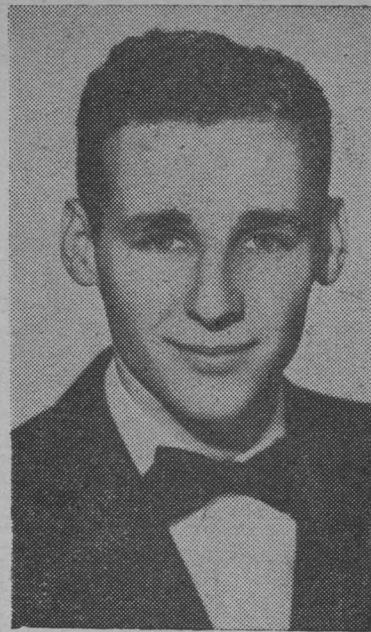

The workshop was under the sponsorship of a local Committee on Student Teaching, of which Dr. Loretta Byars, associate professor of education at Santa Barbara College, is chairman and in which several other faculty members are active. Other members represent city and county administrators, supervisors, supervising teachers, student teachers, and the P.T.A. This is one of 12 committees in California which is working toward the improvement of student teaching. The California Council of Teacher Education instituted this in 1951.

AAUW Offers Study At Oxford University

The American Association of University Women offers, through its Committee on Applications for Oxford University, opportunity for American women students to study at Oxford. ualified UCSBC students are encouraged by the Dean of Women to take advantage of this opportunity. Applications should be in Dean Helen E. Sweet's office before Oct. 15.

The AAUW Committee was established at the request of the Principals of the Women's Societies in Oxford to act officially as the liaison between them and American women desirous of studying at Oxford.

Sororities Schedule Presents for Oct. 11

The annual formal Presents dance to introduce fall and spring sorority pledges will be held Oct. 11 at the Recreation Center. Girls who have pledged by formal and informal bidding will be honored at the dance. Joyce Fenstad, Delta Sigma Epsilon, is social chairman for the event. Serving in the receiving line from 9 to 9:30 will be Sandra Pope, Panhellenic president; Joyce Fenstad, Panhellenic vice president; Joe Costantino, Interfraternity Council president, Dean Lyle G. Reynolds and Dean Helen E. Sweet. The time of presentation will be decided by the program committee for the dance. All alumni advisors are invited.

Sue Bullis Engagement Told to Chi Omegas

Susan Bullis announced her engagement, Sept. 16, by passing candy to her Chi Omega sorority sisters. The UCSBC student is engaged to Samuel S. Toll, U. S. Air Force, stationed at Hamilton Air Base. No definite date has been set for the wedding.

A D Pi and Dee Gees Hold Open Houses

The beautiful Dial estate at 505 E. Los Olivos will be open to all U.C.S.B.C. students and faculty this Sunday, Oct. 5, when Alpha Delta Pi and Delta Gamma sororities hold open house. The student body, faculty, City Panhellenic, and friends are invited from 1-4 p.m. to view both houses with their gardens and terraces. Refreshments will be served, and ping-pong, and volleyball organized at the Alpha Delta Pi house. Visitors will be told of the history of the houses, both of which are part of the old Hazard estate.

Joan Hemmer, Alpha Delta Pi social chairman, and Rhoda Rarick, pledge president, are chairmen for the A D Pi open house. Assisting Patricia Benko, Delta Gamma president, and Diane Beamish, house manager, will be alumns, Mrs. Alan Seneer, Mrs. McDougall Howard, and Mrs. William Hayes.

Full AWS Program Planned for 1952

Associated Women Students, under the direction of President Teddy Tye, have planned an interesting and fun-packed schedule for all UCSBC women students.

First on the agenda is a series of fashion shows. The first, tentatively scheduled for Nov. 15, will be held in the AWS Room. Lou Rose will provide the clothes, and Santa Barbara College girls will model.

For all new or incoming students AWS is sponsoring a "Big Sister" program. Big sisters are upper-division students provided for helping the "wearers of the green dinks" to become a part of campus life and activity. Names of big sisters may be obtained in the ticket booth for those students without a big sister.

AWS servicemen dances will be sponsored again this year twice a month. A competent girl is needed to fill the job of chairman for the hostess committee for these dances. Also, a program chairman is needed to plan all AWS programs. Girls interested should contact Teddy Tye.

Many more activities are planned, including a beach party with volleyball and swimming. Membership in this association should prove to be a valuable experience, according to Dean Helen E. Sweet. For those who have not applied for membership, cards may be purchased in the Graduate Manager's office for 50 cents.

E.C.E. Has First Meeting New Officers Elected

The Early Childhood Education department held its first meeting, Thurs. afternoon at Oak Park. New and old members enjoyed a picnic supper before electing officers.

New officers are Ann Ford, president; Margaret Brickey, vice-president; Lila Linkey, music chairman; Bea Cooper, program chairman; Margie Whittemore, notificationist. They invite all ECE majors to attend the meetings every second Wednesday.

MEET TIGERS FRIDAY

Baird's Boots Score Only Gaucho Points

Continued from page one
Gauchos on two occasions almost pulled the fat out of the fire, once on a drive that fell short on the five yard line and again on a spurt that was stopped on the 19.

Halfback Ray Dezember and Fullback Don Salo led Whittier's single wing attack which the Gauchos held well in check until that fatal third period when the Poets burst forth with a 45 yard drive to victory.

Promising Note

One bright note was evidenced by the Gauchos when Chava Padilla took over left half late in the contest. Padilla showed great promise in the single wing attack and with more practice should, along with Dave Gorrie, provide the Gauchos with a powerful running attack to supplement the passing emphasis.

Morris Clicks

Gary Morris sparked one drive from the Whittier 37 to the five. The Poets stiffened and shoved the Gauchos back to the eight and Baird came in to make good on his first field goal attempt with 11 minutes left in the half.

Padilla got the next drive in motion and uncorked a twisting turning 38 yard run around left end to the Whittier 21. Don Hay and Padilla combined to move to the four where a third down pass slipped out of the hands of end George Mattias. Baird again moved in and booted home his second field goal of the evening.

Gorrie Hurt

A blow to the Gauchos chances was received in the second period when Gorrie was forced to retire from play due to an ankle injury, however, he should be in shape for this Friday's tilt.

Bill Davis at wingback broke loose on several occasions, while Mattias played an outstanding game on both offense and defense and altogether the Gaucho defense held up much better than was indicated by the La Verne game.

The Rally should not interfere with 1:00 o'clock classes!

Doctorate Received By P.E. Professor

Jean L. Hodgkins, assistant professor of physical education at Santa Barbara College, received her doctorate degree in education from Columbia University, according to word received here yesterday by Dr. J. Harold Williams.

Dr. Hodgkins completed her requirements as a result of work accomplished during sabbatical leave last year.

A native of Southern California, she received her bachelor's degree from the Los Angeles campus of the University of California. A year later she earned her MA degree at Columbia University.

She has served on the faculties of Mills College and the University's Los Angeles campus. During the war she was a lieutenant commander in the Navy, holding the position of assistant to the Director of Recreation. She came to Santa Barbara College in 1946.

Have Fun, Make Pals At Folk Dance Frolic

"For fun, recreation and meeting new friends, come to the Folk Dance Evening, Tuesday, Oct. 7, at 7:30 p.m., in the Women's Gym." This is the invitation extended by Kathie Small, president of the College Recreation Association.

The dancing will be directed by Miss Jean Bellinger, dance instructor, and Miss Kay Horne, new faculty advisor for the College Recreation Association. Instruction will be given; therefore no previous skill is necessary in order to participate. There will be many simple dances and mixers, as the emphasis is to be on getting acquainted. Plans are being made to continue the Folk Dance Evenings every week, and an advanced group may be formed if there are those who would be interested.

Foreign students on campus will be special guests at this first meeting and Bill House and members of the Alpha Phi Omega service fraternity will be hosts for the evening, along with a committee of the C.R.A. members, headed by Martie Hall.

"We hope that many other students will attend and help to welcome the students from foreign countries and join in the international activity of folk dancing," concluded Kathie.

Freshmen! Dinks and cards are required this week . . . if you forget them, wear old clothes!

Head Football Coach Stan Williamson Busy with Team, Speeches, Conferences

Right now, Stan Williamson, head football coach, is about the busiest man on campus. Among other things he has to make speeches at various luncheons and club meetings, supervise practice sessions, worry about lack of depth in his defensive line, hold press conferences and, of course, think of ways and plays to win the next ball game.

Stan graduated from USC in '32 after playing three years in the varsity line for the immortal Howard Jones. It was in the Rose Bowl game of his senior year that Stan had what he calls his "greatest football thrill." Late in the fourth quarter Tulane was on the SC 5-yard line and driving for what probably would have been a game-winning touchdown. It was then that Williamson realized the dream of any defensive lineman and intercepted a forward pass in

a sensational play which turned the tide of play. SC then went on to score and finally to win, 21-12.

After coaching here in 1941, Stan went into the Navy and served until 1945. He has only recently completed an additional hitch of 18 months due to the Korean war.

What does he think of this year's Gauchos? Stan said, "We'll win about half our games. If we win more than that it will certainly be to the credit of the boys. Our biggest problem this year is lack of depth. This seems to be particularly true in the defensive line. I know we're going to have to pass a lot. Dave Gorrie, our fullback, should work well in the single-wing. It's going to be an interesting team to watch, that I do know."

All Football Games To be Carried by KDB

KDB will once again carry all of the Gaucho football games for the Santa Barbara listening audience. An agreement, signed just last week, made it possible for all the stay-at-homers to hear the activities of the Gauchos both at La Playa Field and on the road.

The ten game schedule will be broadcast by Lou Stumpo, popular sports and music personality. Lou plans to be on hand at the "Gaucho Gambol" so all students will have an opportunity to say hello.

When net work commitments allow, game time will be the starting time for broadcasts. Otherwise, the game will be by delayed broadcast and released at the earliest hour possible.

Durflinger Serves On Two Campuses

Dr. Glenn Durflinger, associate professor of education, did double duty the past summer, serving as guest faculty member at the University of California at Berkeley for six weeks and then at Visalia to teach at a Fresno State College summer session.

Intramural Bowling Leagues to Begin

Final plans are being made for the intramural bowling leagues, it was announced today by Bill Faris.

This semester there will be both a coed mixed foursome league and the usual men's league. Both leagues will be run on Thursday evenings. The coed league will begin at 6:30 and the men's league will run from 8:30 to 11. There will be two trophies awarded, both of which are being donated by the Barbara Bowl.

The men's league will consist mainly of fraternity teams. Teams which have signed up so far are Sigma Tau Gamma, Delta Tau Delta, Sigma Pi, Lambda Chi Alpha, Sigma Phi Epsilon and Sigma Alpha Epsilon. A faculty team also has been entered.

Each league will consist of 10 teams. There still are a few openings in the coed league. Anyone interested in entering a team or in joining one of the partially formed teams should contact either Clyde Erickson or Bill Faris by calling 2-3474.

Miss Van Fossen Holds Dinner for PE Club

Miss Gladys Van Fossen, Women's Physical Education Department chairman, recently held a dinner for the Women's P.E. Club at her home.

Introduction of new majors in the department and the faculty preceded the business meeting that ended the dinner.

WAA Plans Activities For Fall Semester

A beach party for any woman student wishing to attend highlights the agenda for the Women's Athletic Association. The date for this party will be announced later.

Betsy Ross, president, recently held a board meeting with her other officers. Officers include: Vice president, Betty Bartlett; secretary - treasurer, Marilyn Child; publicity chairman, Kathy Small; intramural chairman, Peggy Davis; assistant intramural chairman, Marty Hall; frosh representative, Patty Mather; volleyball manager, Jean Williams, and hockey manager, Ceal Gargan.

Rules of Order Indicate Procedure for Chairmen

Rules governing the procedure of a chairman were quoted from Robert's Rules of Order—Revised by Representative-at-Large Shirley Stockton at last night's Student Council meeting.

Shirley pointed out that the following excerpts should be included in the minutes of the meeting, and established as standard procedure for all future Council meetings. Council proceedings, according to the AS Constitution, are governed by Robert's Rules. She gave her reasons for making the motion. The rules she quoted are as follows:

Chairman

“... His duties are generally as follows: To open the session at the time at which the assembly is to meet, by taking the chair and calling the members to order; to announce the business before the assembly in the order in which it is to be acted upon; to recognize members entitled to the floor; to state and to put to vote all questions which are regularly moved, or necessarily arise in the course of the proceedings; and to announce the result of the vote; to protect the assembly from annoyance from evidently frivolous or dilatory motions by refusing to recognize them; and to assist in the expediting of business in every way compatible with the rights of the members, as by allowing brief remarks when undebatable motions are pending, if he thinks it advisable; to restrain the members when engaged in debate, within the rules of order; to enforce on all occasions the observance of order and decorum among members, deciding all questions of order (subject to an appeal of the assembly by any two members) unless when in doubt he prefers to submit the question for the decision of the assembly; to inform the assembly, when necessary, or when referred to for the purpose, or on a point of order or practice pertinent to pending business; to authenticate, by his signature, when necessary, all the acts, orders, and proceedings of the assembly declaring its will and in all things obeying its commands.

Debate

“During debate he should be seated and pay attention to the speaker, who is required to address his remarks to the presiding officer. He should always refer to himself as ‘the chair,’ thus, ‘The chair decides,’ etc. When a member has the floor, the chairman cannot interrupt him excepting as provided in 3 (illegal motion, etc.), so long as he does not transgress any rules of the assembly.

“Whenever a motion is made referring to the chairman only, or which compliments or condemns him with others, it should be put to vote by the Vice President if in the room.

“The chairman cannot close debate unless by order of the assembly, which requires a two-thirds vote; nor can he prevent the making of legitimate motions by hurrying through proceedings. If a member is reasonably prompt in exercising his right to speak or make motions, the chair cannot prevent his doing so. If he has hurriedly taken and announced a vote while a member is rising to address the chair, the vote is null and void, and the member must be recognized.

Vacates Chair

“If it is necessary for the chairman to vacate the chair, the first Vice President, if there is one, should take the chair, and in his absence the next one in line should take it.

“The chairman sometimes calls a member to the chair and takes part in the debate. This should rarely be done, and nothing can justify it in a case where much feeling is shown and there is a liability to difficulty in preserving order. If the chairman has even the appearance of being partisan, he loses much of his control over those on the opposite side of the question. There is nothing to justi-

fy the unfortunate habit some chairmen have of constantly speaking on questions before the assembly, even interrupting the member who has the floor. One who expects to take an active part in the debate should never accept the chair, or at least should not resume the chair after having made a speech, until after the pending question has been voted upon or disposed of.

“The chairman should not only be familiar with parliamentary usage, and set the example of strict conformity thereto, but he should be a man of executive ability, capable of controlling men. He should set an example of courtesy, and should never forget that to control others it is necessary to control one's self. A nervous, excited chairman can scarcely fail to cause trouble in a meeting. No rules will take the place of tact and common sense on the part of the chairman.

Problems

“A chairman will often find himself perplexed with the difficulties attending his position, and in such cases he will do well to remember that parliamentary law was made for deliberative assemblies, and not the assemblies for parliamentary law. This was well expressed by a distinguished English writer on parliamentary law, thus: The great purpose of all rules and forms is to subserve the will of the assembly rather than restrain it; to facilitate, and not to obstruct, the expression of their deliberate sense.”

Schedule of All-College Lectures Released By Committee on Drama, Lectures, Music

A series of 10 free public lectures will be given on the All-College Lecture Series this fall by Santa Barbara College faculty members under the sponsorship of the College Committee on Drama, Lectures and Music, it was announced by Dr. Robert E. Robinson, chairman of the sponsoring committee.

These lectures, offered as an educational and cultural activity by the College, will cover a variety of subjects. Dr. Robinson said that contemporary development in various fields of study would be emphasized in the coming series.

The lectures will be given each Wednesday afternoon at 4 p.m., commencing Oct. 8 in Pine Hall 100. The schedule is listed below:

Oct. 8—William Frost, assistant professor of English, “Boswell, F. Scott Fitzgerald, and the Relation Between Art and Morality.”

Oct. 15—H. Edward Nettles, professor of history, “Some Comments on Contemporary Britain.”

Oct. 22—Upton Palmer, assistant professor of speech, “Campaign Speaking.”

Oct. 29—William Dole, assistant professor of art, “Modern Drawing.”

LA CUMBRE

All students interested in working on this years La Cumbre staff are invited to attend a meeting Thursday noon in the La Cumbre office.

ROTC Again Active With New Plans

With the opening of the Fall Semester, the ROTC has again resumed its activities on the campus, and general plans have been formulated for the coming year.

Highlights of the year will be a proposed field trip to Camp Cooke for the entire Santa Barbara ROTC Unit, the Military Ball and the Provost's Review. Other ceremonies and events of special interest will be announced throughout the year.

ROTC enrollment for the fall semester is expected to be over 200. In addition to attending regular classes on military subjects, all members are required to participate in one hour of drill on Thursdays of each week.

Departure of Lt. Col. Richard W. Mabee for study of the Finnish language at the University of Indiana brings Lt. Col. Edward R. Maddox to the post of Professor of Military Science and Tactics. Col. Maddox has been Associate Professor of Military Science and Tactics for the past two years. Other members of the Department remaining from last year are: Major John W. Barnes, Assoc. PMS&T, and SFC Grady Storey. New members of the department are Captain Carsten E. Fosmark, 1st Lt. Mercer M. Doty, M/Sgt Charles W. Brenner, M/Sgt Jack D. Wilson and SFC James Craig.

Frosh, beware! Your judgment is just around the corner. Any frosh not wearing beanies or placards this week will be appropriately dealt with at the Frosh Tribunal Oct. 16.

DR. ROBERT ROBINSON
Chairman

CHESTERFIELD

FIRST PREMIUM

QUALITY CIGARETTE

TO OFFER BOTH REGULAR & KING-SIZE

★

CONTAINS TOBACCOS OF BETTER QUALITY AND HIGHER PRICE THAN ANY OTHER KING-SIZE CIGARETTE

ASK YOUR DEALER FOR CHESTERFIELD — EITHER WAY YOU LIKE 'EM

BOTH regular and king-size Chesterfields are premium quality cigarettes and come in the smart white pack.

BOTH contain only those proven ingredients that make Chesterfields the best possible smoke: the world's best tobaccos, pure, more costly moistening agents (to keep them tasty and fresh), the best cigarette paper that money can buy — nothing else.

BOTH are much milder with an extraordinarily good taste and, from the report of a well-known research organization — no unpleasant after-taste.

BOTH are exactly the same in all respects. There is absolutely no difference except that king-size Chesterfield is larger — contains considerably more of the same tobaccos — enough more to give you a 21% longer smoke, yet costs very little more.
