Silver Greens
 YOUR DAILY HOROSCOPE
 BY LINDA C. BLACK

Check the day's rating: 10 is the easiest day, 0 the most challenging.

Aries (March 21-April 19)—Today is a 7—Today and tomorrow are perfect for launching new endeavors, except for one little thing. Saturn is retrograde in your sign, so your focus really should be on completion. Why don't you start a list of things you need to do? Then, when you get things finished, you'll know it's time to go out and play.

Taurus (April 20-May 20)—Today is a 5—Looks like a lot of activity in your house. Are you having the Cub Scouts for an overnight or what? Feel free to tell the participants to not only quiet down, but also clean up. Let them know who's in charge, even if you have to speak up in order to be heard over all the noise.

Gemini (May 21-June 21)—Today is a 6—You could get some excellent coaching this week. Unfortunately, it's from someone you'd rather argue with. You and this person are in competition, so it's difficult for you to swallow his or her suggestions. Well, if you're wise, you'll do just that. Learn these skills carefully and you'll benefit in a way you can't even imagine—yet.

Cancer (June 22-July 22)—Today is a 5—Looks like there's money coming your way. If you're looking for a job, it'll be easy to find. In fact, you're so industrious, you might be able to hold down two or three and still take good care of your family. If you'd like to make a lot of money, that's certainly the way to go about it.

Leo (July 23-Aug. 22)—Today is a 6—You're absolutely magnificent right now. Others will flock to see you because they've heard so much about you, and you're performing so brilliantly. Sometimes you just get lit up by life itself, and today, you'll light up all the people around you, too. They're getting warm just from being near you. You're that hot.

Virgo (Aug. 23-Sept. 22)—Today is a 5—Looks like you've too much to do. If you were all of Santa's elves, you might not be able to finish everything on your list, especially with the degree of quality you expect from yourself. Hey, maybe that's not a bad idea. Maybe you could recruit a team of elves somehow. Share the burden.

Libra (Sept. 23-Oct. 23)—Today is a 7—You and your friends are intelligent, and even smarter when you're working together. You're the instigator. You help the others come up with brilliant ideas, because you won't keep quiet if they don't. You stir things up, and that's great. It's keeping them all just slightly agitated. Keep up the good work.

Scorpio (Oct. 24-Nov. 21)—Today is a 5—An older person, possibly your boss or a parent, could be a righteous bore today. This person has a self-image as God's gift to just about everything, and is putting on such a remarkable show it's almost amusing. Might as well relax. All he or she really wants is your attention, so go ahead and give it.

Sagittarius (Nov. 22-Dec. 21)—Today is a 7—You're probably not shy, but you are thoughtful sometimes, and it looks like you've been doing a lot of thinking lately. Let everybody else in on what you've discovered. You're way out ahead of where they are. Apply these insights to your job, too. Someone who's stuck in the details could use your help in seeing the big picture.

Capricorn (Dec. 22-Jan. 19)—Today is a 5—Don't stress about money today. What you need is available. Offer something you can build to someone who'd like to have it. If you pretend you're bigger than you thought you were, you'll convince the other person, too. Of course, then you'll have to actually be that way, but that's OK. You've been growing.

Aquarius (Jan. 20-Feb. 18)—Today is a 7—Today's good for making decisions and agreements. If you're not sure which way to go, look at the facts one more time. Then try something that might not have occurred to you before. Someone has the puzzle piece you need. It's impossible to find it from where you're standing. It takes somebody with a different point of view.

Pisces (Feb. 19-March 20)—Today is a 5—Pay attention to your work today, because somebody else is paying attention to you. Don't worry. It's only because he or she is thinking about how to train you to take on more responsibility. You've been practicing for long enough. Now it's time to push yourself to the next level. Might as well start doing something you're not too sure about.

Today's Birthday (Dec. 7). You're outward bound this year. You're very creative and talented, and the box you've been living in has gotten cramped. Time for you to stretch your legs as well as your mind, by taking on a new challenge. A brilliant idea in December leads to a new study program by February. In March, stay close to home. Somebody needs you there. April looks like it's good for romance, especially with a person you've known for years. Use your sweetheart's wisdom and experience to help you achieve a goal by August. That's a good month to climb a mountain, by the way. In October, you may be spurred to take action to save your friends. Teach them how to save themselves, instead, and you'll all have more time to play.

THE CAPITAL FELLOWSHIP PROGRAMS

The Capital Fellowship Programs, administered by the Center for California Studies at California State University, Sacramento, include:

- JESSE M. UNRUH ASSEMBLY FELLOWSHIP PROGRAM
- EXECUTIVE FELLOWSHIP PROGRAM
- JUDICIAL ADMINISTRATION FELLOWSHIP PROGRAM
- SENATE ASSOCIATES PROGRAM

Each Capital Fellowship program offers an outstanding opportunity for college graduates to prepare for future careers while working to develop and implement public policy in California. During their 11-month appointment, Fellows and Associates:

- Earn \$1792 a month plus full benefits;
- Work as full-time professional staff with the state Assembly, Senate, Courts, or Governor's Office;
- Receive 12 units of graduate credit from CSUS

Through the *ASSEMBLY FELLOWSHIP PROGRAM* and the *SENATE ASSOCIATES PROGRAM* you can directly participate in the legislative process. These programs are among the oldest and most prestigious legislative fellowship programs in the nation.

The *EXECUTIVE FELLOWSHIP PROGRAM* offers first-hand experience in developing and implementing public policy in the Executive branch. Fellows work in the Governor's office, agencies, departments, boards and commissions.

The *JUDICIAL ADMINISTRATION FELLOWSHIP PROGRAM* prepares you to work in the complex and changing environment of the courts. Fellows work with the Judicial Council, the Administrative Office of the Courts and county courts.
