• ST. HYACINTHE, QUE., Jan. 18—Fire today razed the College of the Sacred Heart for boys with an estimated death toll of between 20 and 28 youthful victims.

Many Enjoy Picnic of Departments at Grove

• The Elementary-Industrial Education picnic was held at Tuckers' grove, just north of the city limits, last Sunday from 2:00 p.m. until about 5:30 p.m. Many of the cars met in front of the gym to take anyone that had no way of transportation out to the grove. At the grove the college students co-operated in the preparation of the food and in a short time there was a good picnic lunch.

A treasure hunt, prepared by Dave Westcott, started by some very tricky clues. After crossing the entire park about thirty-five times the last ticket was found by Cam Sellar and Edgar Smith behind the license plate of a car.

Publishers Accept Unit Projects

• W. F. Quarry, publishers of Chicago, who print exchange unit work in educational fields, have accepted and printed twenty of such projects in the last year. Of these twenty units, five were from California schools. Of these five two were submitted from teachers of Santa Barbara State college.

From Jefferson school in Santa Barbara, Miss Lua Thurmond, elementary graduate of State college, had one unit accepted, while Gertrude Ambrose, Stater teaching at Pasadena submitted the other unit. Since then, a second unit done by Mrs. Gertrude Glover and Mrs. Roscoe Lyons, has been taken by the Quarry company.

Gauchos Face Long Exam Schedule

Final examinations will face State students at eight o'clock tomorrow for an eight-day schedule, the longest in the history of the college. The larger part of the finals will be over by the middle of next week, thus allowing a short vacation between semesters.

Registration will begin on Monday, January 31 with the English A test for new students at 10:00 a.m. The college aptitude test will be given in the afternoon. Regular registration for all students is set for Tuesday, February 1, from eight until five. Classes will begin on Wednesday, Miss Hazel Severy announced.

Examination schedules have been posted on all bulletin boards for student information.

Women Give Fall Banquet

W.A.A. Uses Tournament of Roses Theme for Annual Event

• Approximately seventy-five alumni, students and guests attended the Women's Athletic Association fall banquet at La Arcada Friday evening. Mrs. Jose De Creft, who was active in the designing of the Santa Barbara Tournament of Roses float was principal speaker.

The Tournament of Roses theme was carried out throughout the entire affair. Decorations were done in college colors, with miniature floats representing volley ball, hockey, dancing, baseball, tennis, basketball, horseback riding, and archery forming a parade down the tables.

Talks on Floats

In her talk Mrs. De Creft explained the preparation and construction of floats. Pictures of the Pasadena parade were shown in color to the guests by William McKenzie. Cecile Katz completed the program with the presentation of a reading.

Alumni who were introduced by Miss Van Fossen were, Shirley Warner, Olive De Motte, Margery and Vivian Rodriguez, Ida Pagliotti, Ann Forsyth, Florence Longway, Mary Wilson, Kay Grow, Joyce Newton, Kay Boydon, and Willis Anderson.

Honored guests at the affair were Mrs. Winifred Hodgins, Miss Gladys Van Fossen, Miss Elsie A. Pond, Miss Lois M. Bennink, Miss Elizabeth Sehon and Miss Sheridan, guest of the speaker.

REMEMBER WHAT YOU SAY

"A man should remember what you said and not how you said it." Prof. Lee Norvelle, head of the speech department of Indiana University, argues that good speech should be as unobtrusive as a man's clothing.

Jokes, Flunks Deter Cultural Advancement

Scribe Urges Ostracizing of "F" from Alphabet as Cure-all

• Did you ever stop to consider that less than 15 per cent of the students graduating from high school continue with college? Now that you've stopped you might as well tarry a bit . . . has it ever occurred to you the reason for these astounding figures?

Discounting the usual reasons such as lack of financial support, lack of facilities to undertake a college career, and lack of ambition to better one's mind and broaden one's scope of view, you'll find that back of all this is the discouraging note of the quips, puns, and songs written and sad, but true, read by many, of college life and the struggle involved in living it. From the pessimistic point of view of these heartless morons who write such things college life is "a song . . . played in the key of F" . . . very funny . . . very funny indeed.

However, please don't misunderstand . . . far be it from us to make insinuating or sarcastic remarks about

College Men Take Scout Finals

Eleven Members of Class in Scoutcraft Spend Weekend at Drake

LEEING INSTRUCTS

Head of National Forest Program Talks on Regulations

• Two patrols of boy scouts from the college went to the Santa Barbara council Camp Drake and took their final examinations in the Scoutcraft class PE 109, under the leadership of Mr. J. H. Leeing, scout executive of this district. Classes and finals lasted most of Saturday and Sunday of this last week-end.

Instruction was given in the organization and standards for Scout camps. The men made a thorough inspection of the camp; checking such things as health and sanitation of swimming pools, water supply, garbage disposal, equipment to maintain a camp and the handling of a commissary department. Scout camp programs, finance and accounting systems were studied.

Twitchell Speaks

Mr. Twitchell, head of the development program in the national forest came to the camp and gave the men a talk on the rules and regulations set up by the United States government in regard to hiking and camping in the closed regions. Instruction was given by Mr. Twitchell in fire reporting, issuance of permits, precautions to be observed and much other valuable information of interest to potential Scout leaders.

On Friday evening a campfire program was held and each member was asked to give his impression of the movement, what benefit he had derived from the program or what he thought could be improved. Those responding to the invitation were: Dewitt Trewhitt, Oliver Seeley, (Indian) Joe Stockill, Bob Morelli, Lewis Moore, Bill Gray, Russell Blanchard, Jack Trotter, Earl Fredburg, Sid Gardner and Ted Joham; in addition to the college group there were about ten Scouters from Santa Maria and Santa Barbara.

Art Students Plan Dedication Visit

• Members of the State college art department will be guests at the dedication ceremonies of a panel painted by Lilia Tuckerman, internationally known artist, at the Saint Paul African Methodist Episcopal church tomorrow evening.

The public ceremony to which college students are welcome will begin at 8 o'clock with the Ministerial union taking an active part. Dr. Oliver Hart Bronson will serve as master of ceremonies.

Sea Scouters Organize

Crawford Guides Tuesday Evening Meeting in Pine Hall

• A Sea Scout ship was formally organized at a meeting held in Pine Hall last evening under the guidance of Commodore Tom Crawford, retired British Naval officer. Application was made for a charter from the National Headquarters of the Boy Scouts of America.

Representatives from the National Honorary Scouting fraternity attended the meeting as well as those interested in the movement. Because of the impending final examinations, the attendance was small, and Captain Crawford announced that the next meeting would not be held until the next semester commences.

College Sponsors

It is understood that the State college would like to sponsor the activity instead of an outside organization and to this end President Phelps has written to the Department of Education in Sacramento to see if it is in order to have the college act as sponsor. To date there has been no answer from the State department.

Arrange Program

A tentative program was set up by Commodore Crawford and provision was made for the men who could not attend this first meeting to come in at the next meeting. Any man who wishes to join the ship may do so by merely calling at the local Scout Headquarters and filling out an application blank.

This does not insure that the applicant will be accepted into the ship, but that he will receive the first consideration. The next meeting is scheduled to be held on the campus on Tuesday, February 1, 1938. Organization will get under way; the name of the Ship and officers will be selected.

Second Play Goes on Stage

"Hell Bent fer Heaven" Comedy Enjoyed on Opening Night

2ND SHOW TONIGHT

Pulitzer Winner Shows Mountain Life of Carolinans

By NORMAN PHILLIPS

• First showing of the hillbilly comedy was presented last night in the college auditorium by the Players' club before a highly amused and appreciative audience.

The cast did admirably well with the unusual character types which necessitated the constant use of backwoods dialect. Clyde Cadwell as the highly neurotic Rufe Pryor, steeped in biased religion, succeeded in having the audience hate him for the troubles he caused, upon which the plot of the story was based. Mabel Forsyth acted the part of the mountain girl with adroit shyness when her suitors played up to her.

Characters Lauded

The between the acts conversation gave numerous compliments to grandpa, David Hunt, played by Elvis Womack. It should also be mentioned that he stepped into the part with less than two weeks preparation. Neita Crain, as the peace-making mother Meg Hunt, carried her part excellently. Robert Binns, the big-voiced Andy Lowry from the other side of the old feud, carried much of the comedy of the play across the footlights. He was well assisted in the higher spots of comedy by Lloyd Borstelmann. Carl Jorgensen as Sid Hunt, the returned war hero, showed his versatility with his portrayal of the hillbilly type and won the plaudits of the audience.

Next Play Planned

Tonight the feuding hillbillies will take the stage for their final performance. The play is far from being of the usual type to be presented by college theater groups and is a great improvement over the previous one. The State college Players' club will present a modern version of Shakespeare's "Macbeth" next April 19 and 20. It will include a cast of twenty-five and is expected to climax season's work for the club. However, "Hell Bent fer Heaven," is one of the best comedies ever to be presented on the college campus and should not be passed by.

Initiation Rites Held by Phi Delta Pi

• "Hell Nite" and formal initiation of pledges was held last Saturday and Sunday by members of Phi Delta Pi, national honorary women's physical education fraternity at the beach cottage of Law Rue Goodenough on the Rincon.

Saturday evening featured a treasure hunt and games, with members and guests staying overnight. Formal initiation was held Sunday afternoon at the home of Miss Gladys Van Fossen, and was followed by a formal dinner at El Paseo.

Active members present included Rena Sacconaghi, president; and Pym Lee Lucas. Pledges initiated were Frances Jane Miller, Ethel Clendenen and Jessie Lady. Alumnae members attending were Olive De Motte, Harriet Cooper, Kay Boyton, Joyce Newton, the hostess, Mrs. Winifred Hodgins and Miss Van Fossen.

Sophomore Squires Elect Rose

• The sophomore squires met Friday morning for breakfast in the college cafeteria electing officers for the coming semester. Arnold Rose was named president with Al Merrill, vice-president; Norman Becchio, secretary; and Paul Oppy, treasurer.

Plans for planting of flowers and sponsoring of a social event were discussed at the breakfast meet.

SPORT SHORTS

By WALDO PHELPS

• Sports fans at Santa Barbara State are going to have plenty to keep them busy during the next semester. Basketball will be in full swing, and we can look for some fine games from Coach Willie Wilton's squad. Also Bill Russell's frosh five have been going to town this year, and they have some stiff games on their schedule also.

The new school sport, rugby, has attracted a lot of last year's football stars who face a schedule that includes U. C. L. A., Stanford, California, and U. S. C. among others. It will be interesting to see how the Gauchos fare in a league with such competition.

Coach Spud Harder has had a good baseball team every year, finishing second in the conference for the past two years. Although not in the conference now, the schedule will include most of the conference members.

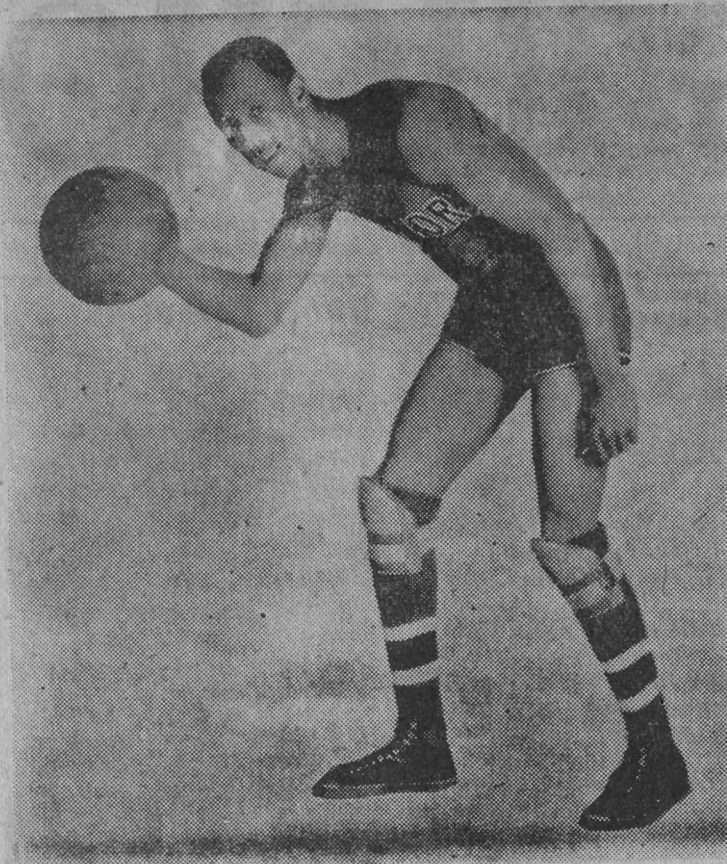

Jimmy Van Meter has unleashed a twenty game schedule which promises to be the toughest ever faced by a first year team. Many top notch J.C.'s will come here for games.

Later next semester both frosh and varsity track will get under way to complete the extensive athletic program.

NEED ABLE COLLEGE GRADS

College men who are able to apply abstract knowledge to a concrete problem are in demand at the New York police academy. Three of the 143 rookies let loose from the academy have college degrees and more than 10 percent have attended college for some length of time.

TED BRINE, FORWARD

• When the Broadway Clowns, negro basketball fun-makers and claimants of the colored championship of the U.S.A., need a few points, Teddy "Po'kchops" Brine is the lad who comes through. Teddy is not only a dead-eye shot but is a comedian of the first water and when the Clowns go into their laugh provoking antics, Brine lays 'em in the aisles.

FROSH CAGERS LOSE

• The frosh basketball team, in a preliminary game last night to the varsity contest with the Broadway Clowns, were defeated by a score of 29 to 25 by Russell and Ruiz

Generals of the Petroleum company.

Bill Sears, forward for the peagreen-ers, was high point man for the Gauchos, totalling ten points.

The Generals played the last quarter with only three men on the team.

Broadway Clowns Score Close Cage Victory

Wilton Charges Hold Comedy Players to 40-35 Game in Armory Encounter Last Night

• With the Armory crowded almost to capacity, the Broadway Clowns scored a close 40 to 35 win over the Gaucho cagers last night. The colored quintet showed much versatility, using tactics from ping-pong to football to score the winning points.

Although the Gauchos led at half-time by a score of 17 to 15, the negro team, was not pushed to win. Al "Runt" Pullins, star forward for the visitors, and Don Goins, center, amused the basketball fans with trick shots, leading the scoring on their squad with 11 and 10 points, respectfully. "Timmy" Thomas of the "Pony Express" five led the locals with 10 points, playing a nice game.

Uses Many Men

Coach Willie Wilton used thirteen men in the contest against the five negro basketballers, who went the full time. The box score was as follows:

Gauchos Lose Twice to Fresno Cagers in Valley City

• After losing the opener to Fresno State college in the northern city last Friday night by a score of 39 to 22, the Gaucho cagers came back strong the following evening, losing only by the slim margin of one point, 32 to 31 to the Bulldogs.

Led by Bill Howsman, who scored 13 points in the second contest, the Wilton charges showed much improvement. Howsman also led the local basketball players in scoring Friday night, tallying 7 points. Cornelius Warmerdam, star pole vaulter of Fresno State was the top scorer.

Quotable Quotes

● If you go to Lewis Institute of Technology you can hire someone to think for you.

One student there has started a card index of students who complain they forgot such vital details as their sweethearts' birthdays or when they last had a haircut.

All that embarrassment is now eliminated. Instead of running around with their fingers tied up in strings they call their remembering service. The service thumbs a card and presto, up comes the dope.

● "Bismarck" is just a dog, but has been pledged by an Ohio State university fraternity. They claim he is the only canine in the world officially affiliated with a Greek letter organization.

Picked up last winter, freezing and half-starved, the lanky, tan dog lives at the Zeta Beta Tau house. He nearly caused his fraternity to sever diplomatic relations with the sorority, Alpha Epsilon Phi, recently. Walking into the feminine headquarters, the dog was ordered out by one of the coeds who later admitted she did not realize she was addressing such an important personage.

Immediately, every Zeta Beta Tau present rose in anger and stalked out of the house behind this canine pledge-brother. Before the injured brothers would return, they asked for, and received, a suitable apology.

● "The least crowded occupation for women today is that of the intelligent wife of the well-to-do man. We need a lot of her," says Mrs. Chase Going Woodhouse, Connecticut college economics professor.

● "The idea of a liberal arts curriculum is that a man should sample all three fields of knowledge, natural sciences, social sciences and the humanities. I am arguing for an integrated man." Pres. Harold W. Dodds of Princeton takes a stand virtually in opposition to social science specialization, fundamental precept of Princeton's School of Public and International Affairs.

● "I wonder if the teachers of speech might not on occasion be more helpful if they taught silence." Dr. Robert D. Leigh, head of Bennington college recommends the end of large mass gatherings, public speaking, and oratorical spellbinding in favor of small groups of less than 8 or 10 persons. Such speaking as is found, for example on the floor of congress is a mere projection of emotion, he believes. And he thinks it is time we stopped training orators.

● "Only four or five college students out of 100 are interested in justifying their beliefs and it is upon these few students that professors should center their remarks." Dr. D. L. Miller of the University of Texas thinks that most students have to be jerked from their old beliefs before they will begin a critical examination of the rational foundation of those beliefs. Most people are pretty well satisfied in just living, not thinking.

Term Paper Eludes Last Minute Searcher

● With a furtive air the skulking figure sneaks through the door and quickly closes it after him. All is silence for a period of about fifteen minutes then a groan rends the silence. A fiery invective shatters the still of the night and sounds of a battle to the death shatter the slumbering calmness of a cool winter evening. A book is thrown to the floor. Another . . . and still another. Then follows in a steady stream notebooks, novels, magazines, table coverings, clothing, hats, and bed-clothes. Suddenly the uproar ceases and a sigh of content emanates from the dimly lit room.

The figure appears again at the door, looks around and rapidly disappears into the night, the missing term paper clutched tightly in his hand, and cursing for having forgotten it until the last minute.

PROF SUGGESTS HUNT

● "Six meadow mice in a year destroy as much grass as a cow could eat in a day. Therefore the mice cut down on the cow's food, its milk production and the farmer's milk check." E. L. Palmer, professor of rural education at Cornell University suggests a mouse-hunting vogue to supplant the traditional fox hunt.

Second Scout Class Organizes Under Harvey Holt

● Announcement of the beginning of a second class in scouting was made by Mr. J. H. Leeing. This class is being held every Monday evening at the McKinley high school on the mesa.

Over fifty men turned out for this class last Monday evening, according to Mr. Harvey Holt, principal of the high school. The class is being conducted under the leadership of Mr. Holt who is the chairman of the Leadership training for the Santa Barbara Mission council.

Aids Leadership
"This class is the second of a series being conducted for the training of leaders in Scouting," explained Mr. Leeing, Chief Scout Executive for Santa Barbara. "The course just finished, PE 109, was the Elements of Scoutleadership which gave the men a certificate from the National Scout headquarters as well as three units of credit in the college. The course now under way is called 'The Principles of Scoutmastership,' and deals with the psychology of the boy from the age of twelve and upward."

Beside the college men, there is practically the entire police force of Santa Barbara attending the class.

These rushees have been invited to Open house of various campus sororities. This affair is scheduled for Sunday afternoon from 3:00 o'clock in the afternoon until 5:00 o'clock.

Sororities have planned this afternoon event at private homes or at sorority houses. Alpha Theta Chi sorority will entertain its guests at the home of Mrs. Anita Hitchcock, at 2206 Alameda Padre Serra. Areta Gamma will hold this event at 636 E. Sola St. Members of Delta Zeta Delta will receive prospective rushees at 1318 Alta Vista. 1802 Grand Ave. will be the place chosen by members of Gamma Delta Chi sorority. Delta Sigma Epsilon will receive its guests at the sorority house, 1721 Prospect avenue. Members of Tau Gamma Sigma will entertain at 1637 Oramus Road.

This rush event is the first of the season and will serve to introduce the members of sororities to new women on the campus. The next rushing event will be held on successive nights by each sorority. These events will begin February 8th. Following this second event new women will be invited to the formal rush dinner, which is the last event of the rush season until the girls join some sorority.

Members of the Pan Hellenic council are acting in an executive capacity during rush season with any difficulties coming before the judiciary committee, composed of Mary Alice Halferty and Ellen Seymour. Acting as rush captain for Pan-Hellenic are Theda Call and Nadine Arundell.

Robert Morelli, also a senior, will hold the position of vice-president; Shirley Moore, as secretary, and Roland MacDonald as treasurer.

Hilbert Holoubek, senior who will graduate from State this month, conducted the meeting for the last time handing the gavel to the new president.

Miss Elsie A. Pond, department head, preceded the election with a short talk, stating the qualifications needed for a teacher, and the opportunities open in the Junior High school field.

The group attended the play "Hell Bent for Heaven."

Social Group Plans Election

• Members of Las Meninas social club met last Monday evening at the home of Frances Mattair. The election which was planned for the evening was postponed because of a lack of members to hold an election. It has been planned for a special meeting which will be called the first week of February.

After a short business meeting which was presided over by president of the organization, Thora Lindstrom, refreshments were served by the hostess to members present.

ENGLISH PROF LAUGHS

An English professor at Southern Methodist University gets a laugh out of all this publicity about \$15,000-a-year football coaches and emphasis on the "win or else" policy.

Years ago he was a football coach himself at Southwestern University, in Georgetown, Texas.

"My southwestern team was one of the strongest in the state," he related. "One day the president of Southwestern and I were strolling across the campus.

"Our football team is doing well this season, isn't it," the president remarked.

"Yes, it is making a fair record," I replied.

"By the way," commented the president, "who is the coach this year?"

Fraternity Elects New Officers

• Beta Sigma Chi, social fraternity, concluded the semester's activities at a meeting Monday night at their Cheltenham fraternity house, choosing new officers for the coming spring term. Dennison Baylor was elected president succeeding Leo Butts. R. Chesterfield Features PLEASURE

Every cigarette features something...

Chesterfield features the one thing that really counts... *pleasure*. It all comes down to this: Chesterfields are made of mild ripe tobaccos... rolled in pure cigarette paper... the best that money can buy.

That's why Chesterfield's milder better taste will give you more pleasure.
