CAMPUS AMBASSADORS

CAMPUS AMBASSADORS is a fellowship of Christians who are committed to providing a knowledge of the Bible to all interested students. We'd like to offer you an opportunity to learn and grow by involving yourself in a significant ministry to others.

It offers:

KOINONIA: the word means "fellowship." at Koinonia, we gather to discuss the struggles and joys of being a Christian on campus. It's a time to take off the masks, to show ourselves as we really are; to God and to others. Koinonia meets on Tuesday, 7:00 pm in the URC Auditorium.

DISCIPLESHIP CLASSES: This continuous series is designed so that each quarter at UCSB you can take part in a training program which will help you understand your faith better and make you more productive. The topics include, Principles for Christian Living, Apologetics, Spiritual Gifts, Leadership Training, Hermeneutics, Church History and Theology. You can also learn to share your faith without the use of pushy mechanical tactics in a non-threatening, easy manner.

AGAPE GROUPS: Agape Groups are small gatherings of students who meet weekly for study, sharing and prayer. This is a time of mutual accountability and warm open expression. If you are looking for a close relationship with other believers, if you desire a chance to share with people who care about you, then join an Agape Group.

You may sign up for **Discipleship** and **Agape Groups** in Koinonia or by stopping at the C.A. booktable outside of the University Center.

Rev. Bob Siegel is a member of the URC who works very closely with the students of Campus Ambassadors. Bob is a graduate of San Jose State University and Denver Theological Seminary. Bob and his family live in Isla Vista where they hold several bible classes in their home.

Our belief in the sole authority of the Bible does not keep us from friendly dialogues with other religious groups. We believe that such dialogues are healthy in removing the negative images so frequently associated with Christianity. For this reason, Campus Ambassadors has enjoyed a good relationship with the other members of the University Religious Conference.

For more information on Campus Ambassadors, call 685-5333.

Lutheran Student Movement ✕

Easy answers are everywhere these days. Rules you can get anywhere. The students of Lutheran Campus Ministry want to celebrate, not rationalizations and regulations, but the Gospel. The Good News of Christ makes new people out of old ones, strong out of weak, hopeful out of despairing. It frees us to live with unanswered questions. It liberates us to invent ourselves under the Spirit's prompting and to launch confidently into a future charted only by our risen Brother, our fellow Voyager.

If a Christian confidence that emphasizes the joy of New Being and responsibility in the world community appeals to you, consider letting us welcome you to Lutheran Campus Ministry.

We'll be delighted!

Here are some of the things you might find us doing...

☆ **WORSHIPPING...**at St. Michael's Church, Camino Pescadero at Picasso...9:00 am, with Sunday Communion...this year's chairperson of Lutheran Student Movement — UCSB is David Laverty.

☆ **BAKING BREAD...**then giving it away, slice by slice, to passersby in Isla Vista.

University Church: United Methodist Ministry to Campus and Community

Sunday ^{10:00 am}
Morning
Worship
celebration
song Word community sacrament

University United Methodist Church is the center of United Methodist Campus Ministry at UCSB. Located in the middle of Isla Vista, its history has been marked by innovation in worship, community involvement, and a ministry of caring. All of these emphases are apparent in the character of University Church today. Above all, University Church is a congregation of persons committed to proclaiming and responding to the Good News of God's love in Jesus Christ.

Campus ministry at University Church is not easily separated from the total program of the church. Students are important to the church, and the church has been a special home for many students. Wherever the church gathers, and for whatever purpose (worship, choir, pot-lucks, committee meetings...) students are present and making indispensable contributions. Campus ministry in this place means students and community residents sharing together as one family.

**More Specifically, Campus Ministry Is:
United Methodist Student Movement (UMSM)**

UMSM is a young adult organization which gathers for fellowship, study, and service. They meet weekly (Thursday nights from 6-7:30 p.m.), as well as for special activities (U.C.S.B. I.M. Volleyball and Softball, church workdays, lunch after church on Sundays, etc.)

UMSM is also organized regionally. We participate in Pacific & Southwest Conference UMSM retreats twice a year (Fall and Spring).

The Wesley Singers

Students and non-students alike join in this musical organization on Thursday nights and Sunday mornings. Kay Bolin, director, states that "positions are open in the soprano, alto, tenor, and bass sections — or any combination of the above. No others need apply."

Fall rehearsals have just begun at 7:30 on Thursday nights in the sanctuary. Enjoying good music of many varieties and joining in good fellowship is the main agenda.

The Wesley Lectures

The Wesley Lectures are being inaugurated this year as a series of

presentations exploring issues of interest to the Church and the University. In the tradition of John Wesley, noted scholar and churchman, this series seeks to promote dialogue between the Church and the University. "We believe that the Church has a word to speak to the University," says the Rev. Rich Bolin, minister at University Church, "as it proclaims the relevance of the Gospel of Jesus Christ to all of life. We also believe that the University has a word to speak to the Church, even as Wesley challenged the Church to make 'reason' a basic pillar in its task of doing theology."

Three lectures are being scheduled during the '82-'83 school year.

World Hunger Project

Albert Aboli will be returning home to Kenya in December to take over administration of a demonstration agricultural project on the outskirts of Nairobi. He will have just completed one year of training at the Mesa Agricultural Project in Santa Barbara made possible by a United Methodist grant administered by the Campus Ministry at UCSB.

Campus Ministry Staff

Student activities at University Church are co-ordinated by a steering committee of students and assisted by a professional staff.

The Rev. Rich Bolin, pastor of University Church since 1978, is usually in his office Tuesday-Saturday mornings for counseling or just good conversation. A '74 graduate of Boston University School of Theology, Rich takes an active interest in student programs and contributes a special talent in music.

Miriam Raub, a UCSB graduate student in History, is a part-time program assistant in campus ministry. Miriam begins her second year working in the Campus Ministry Intern Program inaugurated by University Church in 1976. Together with Rich she provides staff support for YMSM and lends general oversight to campus ministry activities.

WELCOME TO
WORSHIP

SERVICE

THE CORNER OF EL GRECO AND CAMINO PESCADERO IN ISLA VISTA

We at Saint Michael and All Angels' Episcopal church would like to welcome you to UCSB. We invite you to worship with us and join our parish community family. Beginning September 26 we will have services at 8 and 10:30 at the church, just across from the University Religious Conference (URC) on Camino Pescadero. On the 26th, the Rt. Reverend Daniel Corrigan will be celebrant and preacher. That evening, at 7 PM, we will have a video of film "Ordinary People," with discussion and refreshments. Everyone is welcome, and feel free to bring your own popcorn!

Starting Sunday, October 3, with the return of Fr. Hall from vacation, we will have each week a student breakfast at 9 AM in the parish hall between services (which will continue to be at 8 and 10:30). So if you have trouble making both breakfast and church on Sunday, come have both with us.

Also on the 3rd, there will be a parish softball game right after church so the oldtimers (like Fr. Hall) and those new to Isla Vista can get together. Yes, there will be beer! So come to church that day in your softball clothes, and be sure to bring bats, balls, and gloves.

Each Wednesday we will have a mid-week candlelight service at 7 PM. We are planning to have the students direct this service: it will be informal, with plenty of music. (By the way, if you are a singer or a musician, please let us know. St. Mike's needs your help!) We are also planning morning services (doing the Office) and we will also have at different services faculty and guest speakers throughout the year. Prof. Jeff Russell of the History Department, for example, will speak to us on Halloween about the Devil (what else?)

As our big event of the quarter, the community of St. Michael's will sponsor a

student retreat from Friday evening, November 19th to Sunday morning, the 21st. We hope to retreat (at least a while) from the hassles of school to the quiet and secluded La Casa de Maria in Montecito where we can be together, worship, talk, and enjoy each other's company. This is the weekend before Thanksgiving, and before the big finals push. We will leave St. Mike's Friday evening and will return for Holy Eucharist at 10:30 Sunday morning. Make your plans to join us for this post mid-terms R⁹R.

Our first big feast day will be the Feast of St. Michael and All Angels on Wednesday, September 29th at 7 p.m. We will have special music, and many Episcopal clergy from town along with many people from Santa Barbara's Episcopal Churches will help us celebrate the name-day of our Church here in Isla Vista. There will be a wine and cheese social afterwards. Please join us!

This quarter we will also be visited by the Bishop, we hope to have weekly lunch-and-discussion group on campus, and we plan to start an outreach program to Friendship Manor, the retirement community in Isla Vista. Wherever your talents and interests lie, please come and join us in these activities.

Again, the family and community of St. Michael's invite you to be with us. If you have any questions, please feel free to call Fr. Hall at 968-2712 (office) or 967-2782 (home), or Tim Vivian, campus assistant, at 964-7489 (home), or come by Tim's office at South Hall 3720. Tim also teaches English 2A and B, if you need any help. He's been around UCSB a long time, so if you feel hassled, or just want to talk, please drop by.

We wish you a very good year. May the grace and peace of our Lord always be with you!

Gauche Christian Fellowship is UCSB's chapter of Inter-Varsity Christian Fellowship, a nationwide movement of students committed to witnessing to Jesus Christ on campus through evangelism, discipleship, and missions. This group has been at UCSB Since 1947, and it is totally student run.

We Believe

...the unique, divine inspiration, trustworthiness, and authority of the Bible.

...Jesus Christ is God.

...the necessity and efficacy of the substitutionary death of Jesus Christ for the redemption of the world and His bodily resurrection.

...the presence and power of the Holy Spirit in the work of regeneration.

...the expectation of the personal return of our Lord Jesus Christ.
