

# SANTA BARBARA COLLEGE EL GAUCHO

THE PICTURESQUE CAMPUS WITH A VIEW

Vol. XXVII

SANTA BARBARA, CALIFORNIA, NOVEMBER 4, 1947

No. 14

## ELECTION DUE NOV. 12

### DOGPATCHERS WILL STOMP NOV. 14 IN SADIE HAWKINS HOP

Daisies, latch on to yore Abners!

Abners, pick yore Daisies! . . . because the "Sadie Hawkins Hop," first dance of the year sponsored by the Quad Club, is declaring open season on everybody. Girls ask boys, boys ask girls, any old way you want it . . . it's backwards, forwards, sideways, and vertical. Just be sure you hogtie a partner and drag same to the Cabrillo Pavilion Friday night, November 14. Levied lads and calicoed cuties will stomp to the toot-in's of the Stardusters (imported from Hogjaw Junction especially for the occasion) from 9 p.m. 'til midnight, for \$1.20 per couple.

Quad Club members will illustrate the technique of chasing and lacing when they hold a race on the campus Friday noon. The purpose of this contest is to furnish any of the reluctant Romeos and jittery Juliets with a demonstration of the proper procedure for trappin' their favorite po'k chop or preserved turnip.

Everyone will be admitted to the dance except Revenooers and Skonk Hollerers. For couples with matrimonial intentions, a marriage booth will be set up in one corner of the floor where "Marryin' Sam" will give with marriage certificates and his splicing services. "Kickapoo Joy Juice" (soft drinks) will be served across the bar in "Hairless Joe's Cave" with "Hairless" and "Lonesome Polecat" pouring. Decorations are to be furnished by the committee headed by "Earthquake Magoon."

Prizes, the nature of which is still secret, will be presented to the bestest dressed gal and guy, so look yore worstest!

Wayne Morrison, dance committee chairman, expects a record turnout of both Gauchos and the Fresno gang which will be in Santa Barbara for the game over the weekend. Tickets for the dance may be purchased from Quad Club Prexy Kenny Kellogg or any member of the organization.

### 1947 Homecoming Queen

BARBARA BALTHIS, lovely blonde Gaucho junior, was 1947 Homecoming Queen following a close election last Wednesday. Runners-up were Claylain Wilson and Barbara Rush, who served as ladies-in-waiting. Crowned at the Galloping Gaucho Review Friday night, Barbara and her attendants presided in regal state over the many activities of Homecoming.

An art major and an excellent swimmer, Barbara hails from Glendale and was sponsored in the election by Potter's Dotters. Delta Zeta Delta backed Claylain, and Barbara Rush was put up by Alpha Theta Chi.

### Crown and Scepter Pin New Members

Crown and Scepter, senior women's honorary organization, held its candle-light initiation ceremonies and breakfast at El Encanto on October 19 at 9:30.

Senior women initiated were Rosemary Sheenan, Lois Vedder, Ginny Goble, Dorothy Eichelberger, Naomi Roberson, June Feer, Jean Wright and Dawn Walker.

Willie Wigger presided in the absence of President Laura Goethe who was ill.

### GALLOPING GAUCHO REVIEW PLAYS TO OVERFLOW CROWD

Playing to a packed house with dozens of standees, the Galloping Gaucho Review raised the curtain on Homecoming festivities Friday night in the Riviera auditorium.

Although disappointingly weak in spots, the show contained several acts that would be a credit to any college production. Joy Foster's imitation of Nellie Lucher, a combination of pantomime and body movements, easily won her the award for the outstanding individual act.

The Rally Committee presented an old-time "mellerdrama" which was awarded the prize for best group performance.

Vocals were offered by Bobby Marvel and Tommy Cowan, with their accompanying combinations. Delta Sigma Epsilon presented a Southern skit, and the Gaucho song-leaders tapped their way through 'Darktown Strutters' Ball.'

The swing band under the baton of George Beattie furnished music sweet and hot.

Masters of ceremony Bob Wheeler and Bob Eskew kept the show rolling between skits. Their dialogue, however, was very reminiscent of the Roadrunner Revue last spring, and their effectiveness was impaired by a faulty public address system.

Following the coronation of Homecoming Queen Barbara Balthis, the football team was introduced by Coach Stan Williamson. The show ended with a rally under the direction of the song and yell leaders and the marching band.

Produced by the Rally Committee.

### Tickets On Sale For Special Gaucho Train To San Diego

A limited number of tickets for the special Gaucho Rooters' train to San Diego will go on sale tomorrow in the Quad, the Rally Committee announced this week. As the game will be played during the Thanksgiving weekend, the train will leave Los Angeles the Saturday of the game and return there late Saturday night (or early Sunday morning).

Dale Carlyle, train manager, stresses the fact that this will be a special train for Gauchos only, and will include a club car and rumpus car. Round trip tickets are \$3.75, and transportation from the San Diego station to the game, and to the dance and back to the station will be available, although this is not included in the train fare.

Nancy Nelson, ticket chairman, says that only 200 tickets will be sold, and these must be purchased by Monday, November 10. This will be the last game of the season, so let's wind things up with a bang—get your ticket now!

### CORRALLING CALIFORNIA

Joining the Gauchos on the winning side of the ledger were Cal Aggies with a 12 to 7 decision over Humboldt State, Cal 6 to 0 over UCLA and the UCLA frosh, who felled the Calababes 32 to 13. With UCLA was the SBC JV's who bowed to Riverside JC, 45 to 13.

### Gaucho Swimming

The Gaucho swimming team, which came in third in the conference last season, is in danger of going out of existence with the departure of Coach Dearborn this spring. Also, there is a serious shortage of pools in which to practice. The tentative arrangement is for Mr. Kaywood to take over the team.

### Gauchos Slaughter Mustangs 53 To 14

The Golden Gauchos thoroughly ravaged the ranks of the Cal Poly Mustangs last Saturday evening at La Playa Stadium as they smashed out a 53 to 14 victory, their first in the 2C2A conference this season.

Playing nearly faultless ball, the boys in Blue and Gold took advantage of every break presented them, some that were not, to score three times in the first half and five in the second.

The Gauchos kicked off, and the Mustangs returned the porkhike to their own 28. On the first play from scrimmage they fumbled, and Gaucho George Criley fell on the loose pigskin. A spot pass over the line from Bill Steele to Vic Paulson pushed the ball to the Mustang 9. Tornado Sam Cathcart spun his way to the 8, then a pass from Bill to Roy Steele placed the ball on the 1, from which point TS Cathcart bucked over into the end zone. Duddridge's conversion was perfect, and the Hilltoppers had the lead which they never relinquished throughout the remaining 58 minutes of the game.

#### Second Score

After the kickoff the Poly men staged a short drive, culminated by

tee, the Review was directed by George Stone, with Gerry Grey assisting.

### STUDENT BALLOT TO DECIDE DISCRIMINATION QUESTION

A campus election on the proposed "race discrimination" amendment to the Santa Barbara college student constitution will be held on Wednesday, November 12, from 9:00 a.m. to 4:00 p.m., the special elections committee announced this week.

### JV's Lose Tough Game To Riverside, 45-13

By Arnold Deverell

The Santa Barbara college JV's lost a runaway game to Riverside Junior college at Riverside last Friday night, to the tune of 45 to 13.

Although outplayed, the Junior Gauchos did not give up until the final whistle. Sports announcer Tom Crosby of Riverside said, "I've never seen a team so outplayed and yet so full of fight."

With but four minutes gone in the first quarter, the Riverside powerhouse had racked up two touchdowns in quick succession—one a 52-yard jaunt by Rickets, the other a 50-yard run by Randall. Another Randall touchdown late in the quarter made the score 19-0.

Coach Walt Condley apparently gave the Gauchos a shot in the arm during the half, for they came out for a touchdown on a 52-yard run by MacAdams. The Gaucho glory was shortlived, however, as Riverside scored three more goals in the quarter.

In the fourth, after the Gauchos had worked the ball to the Riverside one-yard line and after making up penalties and losses, Otev Scruggs went over from the 11-yard stripe on an end run.

No conversion was made, and the game ended at 45-13.

THE HANDBOOK HAS GONE TO PRESS!  
DON'T MISS THIS VALUABLE DIRECTORY IS YOUR ANSWER.

The petition asking a student vote on the issue, which has caused heated controversy on campus for several weeks, was investigated by the committee last Thursday and found to be in order.

The committee has determined

#### ASSEMBLY

A general student body assembly will be held in the Quad area on Thursday, November 6, from 1:00 to 2:00 p.m. in connection with the election.

All classes will be excused for that hour by order of Provost Williams.

that the proposed amendment will appear on the ballots as follows:

"No organization, either existing or future, is to be granted campus recognition, with the campus privileges associated therewith, until the officers of the organization shall have deposited with the Dean of Men or Dean of Women an affidavit stating that neither their local constitution or charter, nor the constitution or charter of any national organization with which they are affiliated, contain any restrictions on membership based upon race, religion or color."

Polls will be located as follows: One in the quad by the student mail boxes; one on the lawn in front of the men's gym; and one in the main hall of the Administration Building on the Mesa campus.

Members of the elections committee appointed by the vice-president of the student body include Al Rasmussen, chairman, Dick MacNair, Betty Moore, Dan Julian, Wendell Kirk, Jan Fitts, George Geib, Marilyn Melvin, Bob Goulet and Joan Kleefeld.

### Pianists Highlight Music Recital

Highlight of last Wednesday's student music recital in the music hall was the presentation of the selection "Dance Suite" by Leila Belshee and Eleanor Tompkins, guest pianists from Westmont College.

Also participating in the event were Martin K. Brown, Grace Gott, Raylene Pierce, Bettv Smith, Dolores Dahl, Monica Weaver, Stanley Arnold, Mrs. Arnold Jean Lewis, and Irving Easley.

#### ART DEPARTMENT PARLEY

The Santa Barbara college art department students and faculty will meet Tuesday night, November 4, at 7:30 p.m. in the art department building.

All art majors and minors are asked to attend this important meeting.

They say that Dartmouth College has a statue of the famous revolutionary soldier, General Howe. It is hidden in the dark, deep interior of the library . . . and when the Dartmouth boys have their girls come up for the week-end, they take them to the library and show them Howe.

### 'JOAN OF LORRAINE' SET FOR SHOWING NOV. 6 & 8

If you are wondering just what you are going to do Thursday night or Saturday night, may we suggest Maxwell Anderson's new stirring drama, "Joan of Lorraine," which will be presented by the Santa Barbara College Speech Department in the auditorium on November 6 and 8 at 8:30 p.m. Tickets are available in the Graduate Manager's office for just twenty-five cents for college students with Student Body cards.

Entirely cast with students from UCSBC, this play within a play is the story of the memorable Joan of Arc, retold in the popular modern method of the staged rehearsal scene.

#### Story of Joan

The story of Joan of Lorraine is of a young girl, born and raised in a small provincial town in France. The maid is suddenly visited by voices that command her in the name of God to help put the Dauphin on the throne and lead the army against the enemy, England. Despite her disillusionment in discovering that the Dauphin is

a cowardly man, weakened by his indiscretions and unstable nature, Joan's faith in her spirit voices leads her on.

Quite aside from the conflicts between Joan and herself, her enemies, and her friends, there is an actual clash of opinions between Mary, the actress playing Joan, and the director of the play. Mary believes that the Maid compromises with her faith in the play, something that a character as strong as Joan of Arc would never do. She even decides, unless it is rewritten, to leave the cast.

#### Divergent Views

The divergent views between actress and director in the play are projected in reality to the widely separated aims of Maxwell Anderson and George Bernard Shaw. Shaw's version of Joan of Lorraine is a boisterous tomboy with an overbearing and aggressive personality, while Anderson portrays her as sweet and shy, but with a will and determination.

Despite the simplicity of Anderson's

## THANKS

I wish to express my gratitude to the students who this past weekend made the 23rd annual Homecoming such a tremendous success.

The alumni who came back were indeed made to feel welcome and all plan to return again next year. Starting with the bonfire on Thursday, the Galloping Gaucho Revue Friday, open house on campus Saturday, the parade, reception, dinner, game, dance, and breakfasts, the weekend was one gay round of "Hi Gaucho, Welcome Home."

I hope when all you students graduate or leave school you will return as an alumnus to revive the good friendships begun on this friendly campus.

## LETTERS TO THE EDITOR

Dear Editor:

In the past few weeks I have heard quite a lot on this issue of discrimination, but I don't believe I have yet heard a member of the discriminated groups speak. Myself as an individual Jew wish to write in my few words.

As we all know, this policy of discrimination is nothing new. We Jews have been subject to injustices for thousands of years. According to the Hebrew calendar, this is the year 4508, so one can see our heritage, our culture, and our afflictions date back some time. Through countless generations we have suffered mal-treatment; from our people's bondage in ancient Egypt to the massacre of 6 million Jews in the hands of the Nazis. The Jews of the world have survived with their devotion to God and their religion, and their high standard of culture which has enriched every stream of modern civilization.

Since we can produce men like Marshal Timoshenko of Russia, Leon Blum of France, Albert Einstein of Germany, and Bernard Baruch of the United States, I don't believe we feel crushed when these so-called fraternal organizations direct discrimination against us. I hope for the sake of humanity we are above this sort of petty discrimination on the part of these organizations, which I am sure is included in their constitutions to give them a feeling of being a very exclusive group.

I don't believe such living American Jews as Irving Berlin or Henry Morgenthau Jr. were ever bothered if they "made" a fraternity. If this passes or not, we shall all live together in harmony, regardless of race or religion, and endeavor to give Santa Barbara College our best.

James Stiller

Dear Editor:

University of California, Santa Barbara College, will soon be a "big name" in the field of education. At present we are in the stage of policy-making that will affect the cultural outlook of thousands of future students, both from here and from abroad. Paralleling the academic standards we are striving for, should be social standards reflecting the dynamic democratic principles by which we profess to live. A cold, ruthless education devoid of social emphasis which was given by universities in another country lead to the atrocities of Auschwitz and Buchenwald, and finally to the downfall of that country. These two—intelligence and morality—must go hand-in-hand, for their separation is disastrous.

## Permit Recognition

Anthropological studies show that the more intelligent the group, the less racial and religious discriminatory practices it possesses. It is apparent, therefore, that objective education destroys the mystical and superstitious basis of such discriminations. We, the Associated Students, permit at the present time recognition to be extended to organizations that do discriminate on a racial and religious basis. We allow them to use our school's name, engage in profit-making activities on campus, and enjoy the facilities of the college—a public college, supported by the taxpayers on no equivalent basis of discrimination.

These groups have refused to revise their charters or change their national affiliations. It seems, then, that they believe the university's welfare subservient to their own interests. They are arguing that this is merely an attempt to destroy all the social organizations. That is not true! All such organizations are more than welcome if they base their social activities on fair play and personal merit. Since when has it become necessary to choose your friends on such a ridiculous basis to be regarded sociable. Need one be narrow-minded to have a good time?

## Suggest Shrine

If the amendment is adopted and these organizations would rather leave the campus than give up their discriminatory practices, I suggest they erect a shrine (something reminiscent of Nazi Germany) before which they can worship. Should the amendment not be passed, then I suggest we meet some evening in the Quad, burn our texts, and return to Voodoo and mysticism.

Whatever the outcome of the election, Santa Barbara College will become a great school, but what is it to be great and not good?

NEXT WEEK, VOTE AS YOU CHOOSE, BUT PLEASE VOTE.

This letter follows no dictates of party line, but only those of my conscience.

Jim Huffman

## "Joan of Lorraine"

(Continued from page 1)

son's work it carries with it a deliberate complication of characterizations. The players constantly shift from scenes of actual dramatic tension to the informality of rehearsal on a bare stage. This play is an excellent proving ground for actors and actresses aspiring to deep emotional drama.

## Versatile Maggie

The maid, Joan D'Arc, is played very sincerely and ingeniously by Maggie Wheeler, who is known for her versatility in many other portrayals. Playing the part of the director is Dean Dillman Jr., who transfers his own talents as an actor and director into his role. Paul Kliss uses every shade of dramatic interpretation in his characterization of the Dauphin.

Others in the cast include William Hamilton, Walter Arndt, Cecil Forbes, Mark Borgatta, Bob Wheeler, Bob Eskew, La Nor Lombard, Audrey Scott, Noni Williams, Sally Woolsey, Don Wilson, Gordon Barto, Gil Johnston, Bob Bush, Don Iverson, John Erickson, Bob Hennings, Fred Wade, and Walter Beaver.

Editor, El Gaucho  
Sir:

In trying to recognize all the possibilities of what may be termed "a most recent liberal adventure," one is forced to question the motive, or motives, of the group that provides its impetus. They are admittedly a political group, but for "current issue" they have decided to divorce themselves from all political affiliations. In view of this, for what possible reason should a group disavow its political views if the issue before it is one of universal principle?

To murmur patriotic half-tones, to claim to be protagonists of "American principles," to do anything for its common good, does not militate against a group's right to maintain their political identity. We should insist that these people not be forced to lose their identity, not so as to bring politics into the picture, but to understand them, and their motives.

Respectfully submitted,  
Dick Struck

## Economics Club To Meet Wednesday

The Economics Club will meet on Wednesday, November 5, at 7:30 p.m. in North Hall 100, according to George Graves who is organizing the group.

The primary business on the agenda will be election of officers and ratification of the constitution. Further discussion of job placement is planned, with the hope of drawing a definite placement policy.

The club is open to all upper-division economics majors.

Bob Davidson

## I. E. Man In Varied Role Of Technician,

At a local paint shop, Robert L. Davidson laid down his spray gun, turned off the air pressure, and faced a barrage of questions as Santa Barbara College's personality of the week.

Bob, who is from San Pedro, is a senior member of the Industrial Education department and is specializing in general metal, electricity, and radio. His Gaucho career was begun in 1940 but was interrupted by a war-time "stretch" in the U. S. Army Engineer Corps.

Perhaps Bob Davidson's secret of success lies in his calm, efficient approach toward everyday problems, whether it be wielding an executive's gavel or administering a paint spray job to an ancient auto. In Mesa campus activities Bob is usually found in a key leadership role. He is a member of the Budget Busters, and president of the Industrial Education club. His high scholastic standing brought him a bid to Pi Sigma Chi, honorary professional fraternity. He is now a past president of this organization.

Bob's hobby is sculpturing, but it has been all but forsaken because of increased tempo of senior activities.

Despite his distinguished record at Santa Barbara College, Bob is most proud of his role as a family man, being married and the father of two youngsters. Upon graduating in February, 1948, he expects to undertake graduate studies in industrial education.

## "Paradise Lost," Great Epic, Topic of Talk by Dr. Hand

Milton's "Paradise Lost" is considered by authorities on literature to be the only English epic comparable with the "Iliad" and the "Odyssey." It will be the subject of Dr. George Hand's "Great Books" lecture at the Santa Barbara Public Library on Wednesday night November 12, at 7:30.

Dr. Hand's lecture is the fourth in a series of six sponsored by the Committee of Drama, Lectures and Music of the college, and the Santa Barbara Community Institute and Public Library.

The twelve books of "Paradise Lost" are concerned with justifying the ways of God to man. This work is the most comprehensive undertaken by Milton, who was one of the greatest and most creative minds ever to appear in modern civilization.

active minds ever to appear in modern civilization.

Emphasis will be placed by Dr. Hand, in his lecture, upon interrelationship of freedom and responsibility, according to Milton. While under present day standards, many consider the evasion of duty to be sole means of attaining freedom, Milton shows how, in reality, freedom cannot be achieved until men realize their responsibilities and perform them.

## WSSF Campaign put off Until Next Spring

The World Student Service Fund drive on the Gaucho campus has been postponed until next spring due to organizational difficulties, it was announced this week by Frances Karpe, chairman of the local campaign committee.

## 17 Initiated In Las Meninas Rites

At a recent dinner and candle-light ceremony at El Paseo, Las Meninas, sub-chapter of Phrateres, formally initiated 17 new members. An informal initiation was held the weekend before at the college cabin.

Among those initiated were Ann Warner, Elsa Stanley, Pat Mitchell, Margie MacMillan, Mary Frances Noel, Barbara Hurwitz, Doris Engle, Shirley Dean, Ruth Sheldon, Irene Mata, Pauline White, Joanne Johnson, Margery Braverman, Shirley Moore, Dorothy McGrath and Frances Kline.

A new member of the Las Meninas men's auxiliary is Richard Engle, husband of Doris. Charter member of the auxiliary is Doris Low's husband, Roscoe, who also substitutes for the club mascot.

## 80 Students to Gather at World Relations Congress

STANFORD UNIVERSITY, November 4—Eighty student delegates from five western states will meet at Stanford November 24, 25, and 26 for a Western College Congress sponsored by the Stanford Institute of International Relations.

Santa Barbara College delegates to the conference will be Jan Fitts and "Bugs" Battelle.

The institute, a student organization, has invited delegates from 40 leading universities and colleges in California, Arizona, New Mexico, Utah, Nevada, and Hawaii.

### Focus Thinking

Cliff Forster, chairman of the Stanford Associated Students committee in charge of the congress, said that its purpose is to focus the best thinking of college students upon problems of international relations.

Prominent educators and political figures have been invited to address the congress, which will be broken up into working sections and program meetings.

According to Forster, the working sections will deal with specific approaches to the problems of world peace, including such topics as world political and legal organization, economic affairs, security, and social problems and human rights.

### Call for Resolutions

The sections will be asked to express their recommendations in specific resolutions which will be brought before the entire congress for discussion and vote. Following the congress, delegates will secure a referendum from their own student bodies on the various resolutions and the results will be compiled into an over-all report for distribution to newspapers, magazines, radio commentators, officials of the State Department, and members of Congress.

According to Forster, the Stanford committee hopes that delegates from the Western College Congress will personally convey the resolutions to the American delegation to the United Nations in New York.

The Stanford Institute of International Relations is assuming approximately half of the costs of feeding and housing the delegates, while the other participating student bodies will pay the costs of transportation of delegates and a registration fee.

## 'Gnomes' Elect in First Meeting

On October 27 in the Associated Women Student's clubroom the Gnomes, a sub-chapter of Phrateres, woman's service organization, held its first meeting. Vice-President Mary Bealesio presided in the absence of President Merilee Robertson, and new members of the club were introduced.

Elected officers of the organization during the meeting were Mary Welsh, secretary; Helen Lumis, Treasurer; and Jane Dunn, social chairman. The Gnomes set November 5 as the day for the formal initiation and dinner, and discussed plans for an overnight trip to the college cabin, and for organization of a volley ball team.

## PI SIG'S PLEDGE 16 NEW MEMBERS

Sixteen new members were received into Pi Sigma Chi, honorary professional fraternity in Industrial Education, at a pledging banquet held recently at the Chapel Inn.

The new members are: for associate membership, John M. Grobli; for active membership, Richard Cummings, Fred Greta, Keith Gummere, Jesse W. King, Maurice W. Kopp, Paul E. Landry, Robert Landry, Robert Lonsdale, Lester R. Marshall, Henry Opperman, Robert Wallin, Ray Whitley, Earl Wilbert, Emmett E. Skirvin, James Shelton, and Howard Webster.

Eligibility for membership in Pi Sigma Chi requires a high scholastic record and high professional aims and ideals toward the field of education.

# MUSTANGS WHIPPED

(Continued from page 1)

extremely short lived though as Sam Cathcart took the kickoff on his own 3, lateraled to Patton as he crossed the 20, from which spot Meanderin' Mel sped down the far sideline to paydirt. He had beautiful blocking all the way, four men with him as he entered the end zone and a fifth taking out the last Cal Poly man in the way back on the 10. Duddridge again converted.

From there it was murder! The Gauchos recovered a Poly fumble on their 28, and in two plays Earl Engman carried the ball into the end zone, going the last 25 yards with no interference and untouched. The conversion was blocked. After the kickoff Kenny Duddridge intercepted a screen pass and drove back to the Poly 26. He then dashed over right guard to score, and also added the conversion to put the hometowners ahead 40 to 14 as the third period ended.

In the final canto the Gauchos held on their own 34, and from which point Royal Cathcart, Max Diamond and Fred Lloyd teamed up to score, Royal taking the final the final yard. The conversion was short.

## Final TD

Cy Williams recovered a fumble on the Poly 16 with 45 seconds remaining, and a pass to Fred Lloyd falling into the end zone as the gun sounded made it 52 to 14. Tommy White's conversion, after the game was over, was good, and the Gauchos had their third highest score in Santa Barbara history. (In 1924 they beat Cal Poly 85 to 42, and in 1923 they beat Ventura High School 55 to 6.)

Kenny Duddridge played nearly a one man game, but Max Diamond, Mel Patton, Earl Engman, Bill Steele and Royal Cathcart hit their stride too. Sam Cathcart was his usual terrific self. The entire line played heads-up football, and made sensational downfield blocks. Joe Rossi, George Crilley and Fred Lloyd were great. Daniels and Wenzlau, Katich and both Paulsons, Woolridge and Bowman—all were playing their best game of the season so far.

Rosa seemed to be the only Poly man consistently interested in stopping the rampaging Gauchos, but he couldn't do it alone.

For the team, Coach Stan Williamson summed it up simply. "They all played well." And they did!

UCSBC	14	6	20	13-53
Cal Poly	0	7	0	7-14

**Sport Editor's Note:** It is interesting to observe the spot where George Crilley recovered the first Cal Poly fumble, which let to the initial Gaucha score. It was right over the "CP" burned in the turf of La Playa field...

# SPORTS ROUNDUP

By Geo. F. Outland

W h e w ! Homecoming's over! But it was pretty good while it lasted, wasn't it?

There are a good many things happening in the Sports arena this week. As we go to press a notice has just been posted in the PE office that the basketball squad will hereafter work out in the Naval Reserve Armory on the Embarcadero until the National Guard Armory is available. 'Nother thing out of the hoopsters office: A tentative game has been scheduled with the University of Ecuador, here to be played probably on December 11. This will be our second neighbor to the South on the agenda, with the U. of Mexico definitely scheduled January 24. UCLA may have to be dropped, however.

Hey, any grunt and groan men (and I don't mean Crosby) around? The newly formed wrestling squad is in need of men in the 125, 128, 135 and heavyweight classes. They meet MWF at 2 in the gym. Matches have already been scheduled with San Diego (probably sometime in December), and with Fresno State and San Jose State.

## Fencers Climbing

The fencers hereabouts are getting up in this battered old world. With the abolishment of the 2C2A fencing event, they are bidding for a position in the bigger conferences, up there with USC, etc. Great going, Gauchos!

Speaking of getting up in the world, the Student Council has approved the Gauchos bid entrance into the California Intercollegiate Baseball Association (CIBA) with such schools as USC, UCLA, Cal, St. Mary's, and the like. The attempt to have a new field built for the Picturesque Campus with a View has gone awry, unfortunately. Again, practice space is lacking for a major Gaucha sport. Why?

## Gauchos Revenge

A small "filler" appeared in last Wednesday's *El Gaucha* to the effect that we were proud that the Gauchos do not resort to painting and in other ways destroying other schools' property. We take our victories on the gridiron, and not at the expense of the grounds and buildings of the school we are visiting. Let's keep that record. There will be no need to pay a return "compliment" to Cal Poly for their artistic display in Gaucholand. WE are not kids...

**FLASH!** The Junior Gauchos, our JV football team has scheduled a home game at La Playa this Thursday night against the Cal Poly JV's. The Junior Gauchos have lost two games thus far, one through inexperience to Fullerton JC after but a few days practice, the other to Santa Maria. They're out for blood now! How's about going on down there and rooting the little (little heck!) Guachos home with a win!

COP	3	0	0	1.000
Fresno State	1	1	0	.750
San Jose State	2	1	0	.677
UCSBC	1	1	0	.500
San Diego State	1	2	1	.375
Cal Poly	0	4	0	.000

Last week's results:  
SANTA BARBARA 53, Cal Poly 14  
San Diego 7, Fresno State 7 (tie)  
COP 14, San Jose State 0

# Resurfaced Track

Money was recently appropriated by the University of California for resurfacing the La Playa field track. Coach Nick Carter has lost no time in putting this to use, as he is now recoating the clay base with washed concrete sand. This will give the track a hard, smooth, fast surface. Before the war Santa Barbara's track was the third best in the country, and it soon will be again.
