Plans Completed for C. of C. Dinner Next Wednesday

Plans have been virtually completed for the Chamber of Commerce semi-annual dinner which will be held next Wednesday evening in the Veterans' Memorial building at 7:00 p. m. George MacLellan, district manager of the Mutual Life Insurance Co., of Santa Barbara will be the speaker of the evening and has chosen for his subject, "World Affairs." Dr. J. B. Lape, chairman of the dinner, has arranged for a highly entertaining program of music, dancing and readings which will be presented by professional entertainers.

The turkey dinner is to be served by the ladies of the Methodist church and the complete menu has been announced as follows: Fruit Cup; Perfection Salad; Roast Turkey with Dressing, potatoes and gravy, carrots and peas, cranberry sauce, celery and pickles; rolls and butter; pumpkin pie with whipped cream, coffee and tea.

The ladies who will have charge of the preparation of the dinner are Mrs. Melvin J. Addington, Mrs. John McIntyre, Mrs. Blanche Koehler, Mrs. C. P. Moore, Miss Hester Fish, Miss Julia Fish, Mrs. A. W. Horton and Mrs. Orpha M. James.

No tickets will be sold after Monday and all those who are planning to attend are urged to secure their tickets prior to that date.

Mr. and Mrs. Don Maxfield entertained at dinner Friday evening for Mr. and Mrs. J. H. Hendy, Mr. and Mrs. Robert Orrill and Mr. and Mrs. Henry W. Sturmar.

Speakers Bureau Opened at Republican Headquarters

The Santa Barbara County Republican Committee is now ready to furnish speakers through its speakers' bureau to any group whether organized or informal throughout the county, it was announced today by Gene Harris, chairman of the speakers' bureau.

The bureau has been classified in two parts, those speaking on propositions 20 and 25, and those who are prepared to discuss the four Republican candidates, namely: Frank P. Merriam for Governor, Dr. Walter Scott Franklin for Lieutenant-Governor, Philip Bancroft for the U. S. Senate and F. Fred Hoelscher for Congress. Those groups wishing to have speakers sent to take up either of these two topics may do so by contacting Harris at Santa Barbara 7464 or writing him in care of the Republican headquarters, 539 State St., in the same city.

Harris said today that there has already been a heavy demand for speakers and that he would advise groups seeking them to notify him at least three days in advance of the meeting. Speakers will be available at any hour of the day or night.

Another important phase of the

PTA HOLDS DINNER; GOES ON RECORD AGAINST NO. 20.

The Carpinteria Grammar school P.T.A. held a potluck dinner in the Veterans' Memorial building Wednesday evening at 6:15 which was attended by some 50 parents and about 60 children.

Several numbers were presented by the 7th and 8th grade chorus under the direction of Miss Vivian Rodriguez and motion pictures of the activity work in the Santa Monica schools were shown.

Louis Lancaster of Santa Barbara spoke on amendment No. 20, the Single Tax Bill, and pointed out that the passage of this bill would seriously curtail funds now available for education. The P.T.A. group went on record as opposed to the passage of this bill. Mr. Warren, of Santa Barbara, discussed the "\$30 a Week Pension Plan" which appears on the ballot as No. 25.

COMMUNITY CHURCH YOUNG PEOPLE TO HOLD OUTING

At six o'clock this evening (Friday) High school and College students of the local Christian Endeavor will leave Carpinteria for an evening's pleasure in the Ojai Valley. Games, activities, swimming—and eating will usher in the Hallowe'en season. Invitations are in the hands of many. Bill Jorgenson and his able committee are in charge of arrangements.

TWO NEW MEMBERS ADDED TO LIONS CLUB THURSDAY

The Carpinteria Lion's Club was visited by the District Governor, Frank E. Jones of Ventura, at their regular meeting in the Veterans' Memorial building last night and two new members, A. E. Southworth and George Holsten, were inducted into the organization by Percy Houts, Jr., and will bear the title of 'baby lions' which was gladly relinquished by J. V. Van Metre who was the most recent new member of the club prior to last night.

LOCAL DEMOS SWING TO GOP CANDIDATES

Developments of the past few days indicate that the November campaign for state officials is rapidly falling into the trend followed four years ago when Democrats throughout the State joined with Republican forces to place a Republican administration at the helm of California government rather than vote for radical candidates who gained a place on the Democratic ballot in the primary election.

Many Carpinteria democrats have expressed their views in more or less the same words as Jack Bailard who early this week made the statement, "Well, I'm a Democrat but I am going to vote for Merriam, Franklin and Bancroft on November 8th. At least, I know what these men stand for, and until the Democratic party can secure men who do not favor such radical changes and who can advance a constructive platform, I will have to favor the Republican candidates for these State offices.

The withdrawal of Haight from the race for Governor on the Progressive ticket is also expected to throw a large block of votes to Merriam in view of the fact that the Progressive party was given the opportunity to nominate Olson on their ticket in the Primary election.

ALTAR SOCIETY PLANS BENEFIT DINNER

The Altar Society of St. Joseph's Church is completing plans for their annual benefit dinner and bazaar which will be held in the Veterans' Memorial Building on Wednesday evening, Nov. 2nd, between the hours of 6:30 p. m. to 8:00 p. m.

A delicious dinner will be served with chicken pie as the featured dish. A charge of 50 cents per plate will be made for adults and 25 cents for children. In addition to the dinner many hand made articles which would make ideal Christmas gifts will be offered for sale.

The committee in charge of arrangements include Mrs. C. J. Miller, Mrs. Lonnie Buell, Miss Mary Nalty, Miss Josephine Nalty, Mrs. L. K. Hebel, Mrs. Willson, Mrs. George Eldred, Mrs. Barney Kathman and Mrs. McCarthy.

Students Must Have Parents' Consent to Enter Sports

PIANO CLASSES TO BE HELD ON MONDAY EVENINGS

Classes in piano playing will be held in the music room at the high school on Monday evening of each week at 7:00 p. m. under the instruction of Will Headly. The class in music appreciation and history which was organized several weeks ago is now being held on Thursday evenings and has an enrollment of thirty.

CAKE BAKING TO BE SUBJECT OF GAS CO. SCHOOL

"Make your cake; eat it too" is the motif for the demonstration in modern cooking next Wednesday morning, when Mrs. Seaberg, director of the school, will give detailed step-by-step instructions on "how to bake a perfect cake."

What grade and type of baking powder and flour to use is the particular bugaboo of most would-be cake bakers. This problem as well as the mixing, measurements, baking temperatures, will be thoroughly dealt with. A variety of cake recipes will be given to the class.

This demonstration should prove of wide interest to home makers in Santa Barbara and vicinity. It will be held in the gas company's auditorium from 9:45 to 11:45 Wednesday morning. The public is invited.

GIVES EARLY MORNING TALK

Frank Wykoff addressed a group of Ventura business men engaged in a YMCA membership drive at a breakfast meeting in Ventura Thursday morning. The drive is being conducted by relay teams and Wykoff used his Olympic games experience as a member of U. S. relay team in illustrating the importance of the co-operation of every man on the team.

As the result of several recent court rulings the question of the responsibility of the schools in case of injuries received by students in the course of inter-school athletic activities has arisen and in order to clarify this point, A. E. Southworth, principal of the Carpinteria High schools is requiring written consent and acknowledgement of responsibility in case of injuries from parents or guardians of high school students before they will be permitted to enter into such activities.

The following letter is being sent out this week by Southworth and explains the school's action on this matter:

"Dear Parent or Guardian:

Before your boy or girl can be permitted to engage in interschool athletics, your permission, in writing, must be filed in the high school office. Many of you have granted such permission, this year, for your sons.

A question has arisen as to the extent of the responsibility of the school in case of injuries. In order to clarify the matter, we are submitting a new form for your consideration. If you care to sign it, your boy or girl will be permitted to continue to participate in interschool contests; if you feel that you do not care to carry the responsibility which signing the blank involves, participation in such contests will be denied your son and daughter.

If you are interested, we can furnish information as to insurance to cover possible injuries. The high school district or the associated students, neither one, can assume this load which will amount to \$6.50 per boy for the football season, or \$10 per boy for all athletics.

Very sincerely yours,
A. E. Southworth"

Miss Helen Nalty of San Francisco has been visiting her sisters, Miss Mary and Miss Josephine Nalty.

County to Receive \$43,608 of Liquor License Fees

SACRAMENTO — Distribution of \$1,998,155.51 to cities and counties as their share of liquor fees for licenses issued during the first six-month period of 1938, was announced today by Wm. G. Bonelli, member of the State Board of Equalization for the fourth district.

The allocation represents 50 per cent of the total fees earned during the first half of the year. Collections from this source amounted to \$3,996,311.02, the State's half of which goes into the general fund.

On the basis of actual licenses issued, Santa Barbara County will receive a total of \$43,608.75, of which \$13,672.50 will be paid to the unincorporated areas.

The allocation is one of the largest ever announced by the

board for a six-month period. The total distribution to the cities and counties represents an increase of \$550,895.76 over the allocation of \$1,447,259.75 made for the first half of 1937.

The current year is the second period during which the allocations have been made twice a year instead of annually. The change in law, effective in 1937, was made at the request of members of the Board of Equalization so that these funds would not remain idle for such a long period.

Of the current allocation, the greatest amount was to be distributed to Los Angeles County and its cities with a total of \$553,207.03. The City and County of San Francisco was second with \$381,435.85. Alpine, the smallest County in the State, received \$62.50.

FARMING—DE LUXE

Won't Bill, the farmer's son who left home for the city because he figured farm toil too tough, be sorry when he reads this! Undoubtedly he's learned already that city jobs, too, are pretty tough these days of keen competition.

And now, on top of it all—a tractor manufacturer has just interviewed a cross-section of farmers—to ask their preferences in de luxe farming equipment! He found they wanted cabs on tractors, to keep out wind and rain. Here's what he's made for 'em; a streamlined design, built like a swank automobile—with ventilating system, hot-water heater, windshield wiper, deep cushioned seat, a radio, and a cigar lighter!

Waiting in the rain for a street car, clambering aboard to hang on by a strap, jostled and stepped on, young Bill can imagine Paw entering his palatial tractor-limousine for a luxurious cultivation of "lower forty."

That manufacturer has figured everything—except how the farmer can afford a few nickel cigars to make use of that lighter!

SUNKEN TREASURE

One-eighth of all the mined gold and silver in the world lies on the floors of the seven seas, lost in the rotting hulks of sunken ships, according to Lieutenant Harry E. Riesenbergh, noted deep sea salvor and treasure-ship authority.

Two billions of dollars—gone, for the most part, forevermore! But far greater treasure than that has been lost to the American people by curtailment of production through ceaseless labor strife, commented Dr. Walter Scott Franklin, candidate for lieutenant governor, in a speech this week at Sacramento. The parallel is not quite exact, he pointed out, for men may invent means for the recovery of sunken gold. But losses in goods that should have been produced in strike-bound industries—the real wealth that toil and skill should have created, must remain lost forever to mankind.

"That," declared Franklin, "is why I maintain that labor peace is a paramount issue, and that California, unfortunately prominent as the hotbed of labor dissension and animosity, should lead the way—first by setting up efficient, impartial, authoritative mediation machinery; second, by purging of radical, alien leadership that seeks not to help the workman but to destroy the American system of business which create payrolls." Dr. Franklin's diagnosis of a major depression ill is sound. Whatever the cure may be—and his suggestion has the solid ring of sense—it must be applied effectively, and soon.

The world can get along without the gold on ocean bottoms, but it cannot afford to continue scuttling billions of potential wealth in the stormy seas of industrial warfare.

The Churches

Carpinteria has a number of Churches, whose pastors and members will be glad to welcome you to their services.

CHRISTIAN SCIENCE SOCIETY

Christian Science Society, Carpinteria, a branch of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass., holds service every Sunday at 11 o'clock a. m., Sunday School at 9:45 o'clock. Mid-week meetings every Wednesday evening at 8 o'clock.

A reading room is maintained in the church building, open Tuesday afternoons (except holidays) from 2:30 to 4:30 o'clock.

"God shall bring every work into judgment, with every secret thing, whether it be good or whether it be evil." These words from Ecclesiastes are the Golden Text in the Lesson-Sermon on "Probation after Death" on Sunday in all Churches of Christ, Scientist.

Among the Bible passages in the Lesson sermon is this verse from James: "Blessed is the man that endureth temptation: for when he is tried, he shall receive the crown of life, which the Lord hath promised to them that love him." These words of Peter are also included: "Feed the flock of God which is among you, taking the oversight thereof, not by constraint, but willingly; not for filthy lucre, but of a ready mind; . . . And when the chief Shepherd shall appear, ye shall receive a crown of glory that fadeth not away. . . Humble yourselves therefore unto the mighty hand of God, that he may exalt you in due time: casting all your care upon him; for he careth for you."

A passage from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, states: "Imperfect mortals grasp the ultimate of spiritual perfection slowly; but to begin right and to continue the strife of demonstrating the great problem of being, is doing much."

THE CARPINTERIA COMMUNITY CHURCH

Rev. Deane F. Babbitt, Pastor.

One of the primary purposes of the Church school is to teach the proper use of the Lord's Day. "The Sabbath is made for man and not man for the Sabbath." Classes for students of all ages begin at 9:45 a. m.

With the awakening of the spiritual consciousness in man there always comes a threefold conviction—conviction concerning sin, concerning righteousness, and concerning judgment. The Church offers opportunity for worship and instruction in these things, but the Holy Spirit alone can convince the mind and heart of man concerning them. Rev. Deane F. Babbitt will preach upon "The Conviction of the Spirit," John 16. 8-9. Instrumental music by Mrs. Wilbur W. Humphrey, pianist, will include Prelude, "Nocturne" by Chopin, The Offertory, "Andante" by Wollenhaupt, and the Postlude, "To the Sea" by MacDowell.

Miss Nadine Cook will serve as hostess in the Youth Fellowship Discussion of "God's World and the Bible," and at 7 o'clock introduce Mr. and Mrs. James K. Catlin and their Travelogue on the National Parks. In "Glacier and Yellowstone" the past summer, Mr. and Mrs. Catlin truly found the handiwork of God in Nature. Young people and older friends of the Carpinteria Valley are cordially invited. A Social Hour will follow the meeting.

* * * * * Behind The Scenes In * * * * * American Business * * * * *

By John Craddock

BUSINESS—"Peace, it's wonderful." That is quite evidently America's reaction to the calmer international atmosphere, and to prove it, business and industry are chalking up some highly encouraging statistics. Almost 225,000 shining 1939 autos will roll off the Detroit assembly line this month, with orders for them, in many cases, the best in 10 years. Enthusiastic buying last week boosted stock prices to new peaks for 1938. Activity in the nation's cotton mills is moving upward at a much faster pace than usual for this time of year. National income will rise \$5,200,000,000 in the second half of this year, the biggest jump in a decade, according to estimates.

WASHINGTON—With the general elections only three weeks away political interest now centers on the outcome of the contests for 435 House seats and 33 senatorships. One survey, among newspaper correspondents and politicians, predicted Republicans will gain fifty seats in the House and four in the Senate. In regard to the general economic situation, many in government circles are keeping an eye on the price index—to see that prices don't soar too high and force a recession similar to the one just left behind. Insiders say, however, that no special legislation is in the wind to fix price levels.

ON THE FARM FRONT—Many dairy farms lacking satisfactory refrigeration have been confronted with the perplexing problem of how to cool milk in preparation for shipping. Several devices are on the market which give a solution, newest of which is a unit consisting of a pan-like aluminum cover which fits the top of the milk can and is equipped with a water motor and agitating shaft for stirring the milk. Water from the farm system operates the motor and then drains down over the outside of the can through perforations in the aluminum cover. Tests show that the milk temperature is lowered from 98 degrees to 58 degrees in 15 minutes with water of 52 degrees temperature.

SALES TRENDS — Recent reports of merchandising activity in department stores indicate the following jewelry—increasing in demand for heavy costume jewelry; women's full-fashioned hosiery—sales featured by popularity of subtle beige shades keyed to blend with colorful accessories; furniture—sales of mirror paneling for interior decoration and full-length mirrors for doors are moving rapidly; lamps—steady gains in low and medium priced floor and table lamps; toys—business about 25 per cent above a year ago.

THINGS TO WATCH FOR—Less scribbling on restaurant tablecloths, because of new paper napkins with tik-tak-toe and word puzzles already printed on them. . . Another magazine for children, called "Jack and Jill" . . . One more "dated" food to insure freshness; this time it's mayonnaise. . . Fewer misfits in men's suits following introduction of new photographic measuring unit. . . Fewer unpressed men's trousers due to a recently perfected type of pants with a permanent stitched-in crease. . . innovation in the game of bridge, called parbridge, which can be played four different ways and can even supply the often missing "fourth hand."

HEADLINES IN NEW YORK—Half of America's lawyers earn less than \$2,000, Bar Association estimates. . . 100,000th ship passes through the Panama Canal

HIGH SCHOOL NOTES

Members of the California Scholarship Federation Chapter are holding their annual ditch day today and are making a trip to Hollywood where they will tour the Columbia Broadcasting studio. Those making the trip are Margaret Anderson, Ethel Babcock, Larry Bailard, Webster Beckstead, Anna Lee Drake, Mary Alice Hebel, Beverly Humphreys, Barbara Lyman, Masaye Ota, Mary Shepard, Mary Tada, Helen Young and Helen Nalty.

The annual sophomore-freshman party was held Thursday afternoon, October 13, in the auditorium. The afternoon was spent playing games and dancing and refreshments were served by members of the sophomore class. Those serving on the sophomore committees for the party were Jackie Schmitz, Nanette Bachellar, Lenore Barber, Kow Djo, Bob Doell, Arthur Milne, Steve Granaroli, Steve Romero and Mike Lopez.

The Carpinteria Hi-Y Club will meet Tuesday evening in the little theatre of the high school at which time 21 new members will be initiated into the organization. Gordon Milne, president of the group, will be in charge of the program and Montie Ramey will be in charge of refreshments.

New members going into the organization are:

Bob Koehler, Alden Fogaldine, Art Milne, George Miller, Roland McIntyre, Bob Corbett, Peter Zannella, Mike Lopez, John Crotty, Bill Rowe, Ben Tada, Eugene Baxter, Steve Granaroli, Richard Kistler, Dean Waters, Lynn Cadwell, Glen Capes, Steven Romero, Geo. Schmitz, Richard Houts, John Calhoun.

STANDFORD GROUP MEMBERS VISIT

The two members of the Stanford group have been at the high school this week, Dr. Fred Anibal conferring with the teachers Monday and Dr. Eurich visiting the school Tuesday.

ATTEND INTER-COUNTY COUNCIL IN VENTURA

A number of Carpinteria Lions Club members joined with Santa Barbara club members in chartering a Spreitz bus for the trip to Ventura Wednesday evening where they attended the inter-county council meeting of the Lion's Club. Those attending from Carpinteria were, W. W. Humphrey, Dr. G. H. Coshow, Dr. J. B. Lape, Frank Smith, J. V. Van Metre and E. V. Stubbs.

ATTENDS MEETING IN SANTA MARIA

Frank Wykoff is attending an all day meeting of district superintendents of grammar schools in the county which is being held in Santa Maria today.

since it was opened in 1914. . . Container Corporation of America shows profit in third quarter against loss in previous months. . . Home building boom under way, says FHA, predicting 350,000 new homes this year against 50,000 four years ago. . . Benefitting by quickened building activity, Libbey-Owens-Ford Glass Company earned \$850,586 in third quarter compared with loss in first half, John D. Biggers, president, reports. . . His company also gave jobs to 1,700 men during July, August and September. . . Price reduced on steel used in making autos followed by price cuts on several popular makes of cars.

October Ideal Time for Planting Bulbs, Lawns

SACRAMENTO—The most important bulb planting month in California is October and large assortments of fall bulbs are now on display in nurseries and garden shops. Tulips, daffodils, hyacinths, anemones, ranunculas, freesias, baby gladioli, grape hyacinth, Spanish, Dutch and English iris, ixias, sparaxis, and lilies can all be planted now for spring blooming. Nothing is so satisfactory to grow as beautiful beds or borders of flowering bulbs.

Many hardy perennials, such as coral bells, Shasta daisies, astilbes, pyrethrums, and peonies can be planted now. These plants are sold as single plants or as clumps, and a clump should have at least six eyes to conform with the requirements of the California nursery stock grades and standards, says the Bureau of Nursery Service, State Department of Agriculture. Continuing the Bureau said:

"This should be a general clean-up time in the garden. All old annual plants should be taken up. The old lawn should be renovated and, if a new lawn is to be planted, this is about the last chance to plant the seed as the fall rains may wash out later plantings or grass seed before the roots are established. Gladiolus bulbs should be dug and stored away in Naphthalene flakes to destroy thrips, established perennial plants should

be cut back and the clumps divided if an increase in stock is desired. The garden should be sprayed with a good contact spray to control insects which would overwinter or lay over-wintering eggs, and fallen leaves should be raked up and put on the compost pile.

"Plans should be made now for planting new shade trees, shrubs, vines, fruit trees, and flowering trees. Nurserymen should be consulted for the best varieties and for planting instructions, and orders should be put in early to obtain the best stock. The planting sites should be spaded up and put in good condition before the fall rains begin.

"California law requires that nursery stock, ornamental trees, shrubs and vines must be labeled with their botanical names before they may be sold. The size of the plant or tree must also be marked. The laws concerning nursery stock are not only for the protection of the nursery stock buyer but also for the establishment of the nursery business upon a more stabilized basis. The Nursery Grades and Standards Act is administered by the Bureau of Nursery Service, State Department of Agriculture and inquiries concerning the operation of the law or complaints regarding nursery stock should be mailed to the Bureau at Sacramento."

ATTENDS CONFERENCE

A. E. Southworth attended the conference of high school administrators in Santa Maria yesterday when Dr. Grayson N. Kefauver, dean of the school of education at Stanford and two other members of the Stanford group, Dr. Reginald Bell and Dr. Paul Leonard, were on the program. The same group will address the county teachers at Santa Ynez high school on Nov. 25.

MRS. ALICE THURMOND HONORED WITH LUNCHEON

Members of the luncheon bridge club entertained Tuesday for Mrs. Alice Thurmond, high score winner for the past several months, and for a new member, Mrs. E. F. Pendergast who is taking the place of Mrs. Jesse M. Hawley. Others attending were Mrs. H. W. Morris, Mrs. J. F. Tubbs, Mrs. H. C. Henderson, Mrs. J. W. Dorrance, Mrs. D. A. Carton, Mrs. J. W. Schweizer, Mrs. C. R. Bowen, Mrs. R. W. Morris, Mrs. Nelson F. Smith and Mrs. David Safwenberg.

MR. AND MRS. FRANK KNAB SPEND HONEYMOON IN SAN FRANCISCO

Mr. and Mrs. Frank Knab are expected to return this week-end from San Francisco where they have been spending their honeymoon following their marriage which occurred in Ventura on October 12. They expect to make their home here. Mrs. Knab was formerly Miss Lois Cleaver. Mr. Knab has been in charge of the meat department in the Seaside market since it was installed a little more than a year ago.

HAWAIIAN PROGRAM PRESENTED AT WOMAN'S CLUB THURSDAY.

Members of the Woman's club heard Miss Ann Lincoln of Santa Barbara in a program of Hawaiian songs and dances yesterday afternoon and saw an exhibit of handwork from the islands. Preceding the program Harry Moore, member of the state board of equalization, spoke on two of the amendments which will appear on the November ballot. Announcement was made of the public meeting to hear discussion of the amendments to be held at the clubhouse on the evening of Nov. 1, being arranged by the legislative department of the club.

Hostesses for the afternoon were Mrs. Don Maxfield, Mrs. Bruce Heltman, Mrs. R. J. Ogan, Mrs. E. F. Pendergast, Mrs. W. Guy Stockton and Miss Ariana Moore.

WOMAN'S ASSOCIATION GROUP 2 ENJOYS PICNIC

Members of group 2 of the Community church enjoyed a picnic

lunch at Cerca del Mar last Friday with a number of guests present. Attending were Mrs. James A. Lewis, Mrs. A. C. O'Banion, Mrs. M. F. Lewis, Mrs. F. A. Hebel, Mrs. S. C. Snow, Mrs. Henry Sturmer, Mrs. Robert Orrill, Mrs. Thomas Church, Dr. Genevieve Shorkley, Mrs. H. L. Beckstead, Mrs. Ralph Wood, Mrs. Randall Curtis, Mrs. W. Guy Stockton, Miss Minnie Merrihew.

ENGAGEMENT OF FORMER HIGH SCHOOL STUDENT ANNOUNCED

Mr. and Mrs. Howard S. Van Deusen of Albany, N. Y., have announced the engagement of their daughter, Miss Eleanor Lucille Van Deusen, to Albert J. Cottam, son of Mrs. Lillie A. Cottam, and the late John B. Cottam of Montecito.

Miss Van Deusen received part of her education in eastern schools and was graduated from Carpinteria Union High school in 1937.

Mr. Cottam also attended school in the east and finished his education in Santa Barbara.

The bride-elect is visiting her parents in the east and will return to Santa Barbara soon. No definite date has been set for the wedding.

WOMAN'S ASSOCIATION ELECTS OFFICERS

The date of the annual dinner and report of the five groups of the Woman's association of the Community church was set for Friday, Nov. 4, at the meeting held Wednesday afternoon. The dinner will be served by the association committee and the groups will report during a program which will follow.

Officers for the coming year elected Wednesday, the report of the nominating committee being read by Mrs. E. D. Solari. They are: President, Mrs. Guy W. Stockton; first vice-president, Mrs. J. B. Lape; second vice-president and chairman of telephone, Mrs. H. L. Beckstead; third vice-president and chairman of program, Mrs. Wade Hamilton; treasurer, Mrs. B. E. Clark; secretary of literature, Mrs. Charles Curtis. Officers holding another term are: recording secretary, Mrs. John C. Furby; corresponding secretary, Mrs. O. L.

Lyman; secretary of stewardship, Mrs. Deane F. Babbitt.

The topic for the meeting was "Sharing" and a program arranged by Mrs. Babbitt, stewardship chairman, was read by Mrs. Thomas Mayfield. Devotionals were read by Mrs. James A. Lewis, Hostesses for tea were Mrs. William C. Hohmann, Mrs. Albert Coles, Mrs. Alice Thurmond and Miss Minnie Merrihew.

GIRL SCOUTS ENJOY OVERNIGHT HIKE

Girl Scouts of Miss Vivian Rodriguez' troop enjoyed an overnight hike to Rock beach cottage last Friday evening. In the party were Miss Rodriguez, and Scouts Carol Beckstead, Joyce Richardson, Joyce Miller, Carla Bradbury, Phyllis Southworth, Gloria Curtis, Erlyn Seglie, Eleanor Vaughan and Evelyn Russell.

MRS. ALAN C. O'BANION ENTERTAINS P. E. O.

Mrs. Allan C. O'Banion entertained members of her P.E.O. chapter at luncheon Tuesday afternoon, serving picnic style in the garden of the Stockton home with the meeting following at her home on Foothill road. Guests were Mrs. A. H. Elliott of Denver, Colo., Mrs.

Harlan D. Miller of Santa Barbara, Mrs. Lucie Treloar and Mrs. Guy Stockton. Chapter members were all from Santa Barbara, including Mrs. Chester Brasier, Dr. Helen Gregory, Mrs. Vera Gurney, Mrs. John Bradley, Mrs. Roy Chapin, Mrs. Ola Finley, Mrs. Arnold Hays, Mrs. Fred Davis, Mrs. Cora Davis, Mrs. Walter Taylor, and Miss Eileen Davis.

CHURCH GROUP VIEWS PICTURES OF MEXICO

Members of group five of the Community church invited guests to see pictures of Mexico shown by Mr. and Mrs. W. F. Norlin at their home last Thursday evening. Mrs. Carey Demaree and Miss Verita Slaughter were assistant hostesses. Attending were Mrs. Wade Hamilton, Mrs. Lucie Treloar, Mrs. David Cummins, Mrs. Randall Curtis, Mrs. P. H. Gordon, Mrs. A. R. Hebel, Mrs. Carrie Martin, Mrs. Anna McGree, Mrs. Kate McLean, Mrs. Charlotte Morrison, Mrs. Henry Milne, Mrs. E. P. Rowe, Mrs.

G. A. Senteney, Mrs. John L. Townsend, Mrs. Mix VandeMark, Mrs. R. E. Walsh of Ventura, Mrs. A. G. Wood, Mrs. F. A. Hebel, Mrs. J. H. Hendy, Mrs. M. F. Kelly, Miss Helen Nalty of San Francisco, Miss Candace Grove and Miss Mary Nalty.

PROGRAM AT GRAMMAR SCHOOL

Miss Ann Lincoln is appearing this morning before an assembly of the grammar school pupils, giving Hawaiian songs and dances and showing handwork from the islands.

HIGH SCHOOL TREES ARE SPRAYED

High school campus trees and shrubbery received a thorough spraying through the efforts of the vocational agriculture classes Wednesday morning to rout pests which had appeared. The equipment was loaned by C. C. Benedict of Jones & Benedict.

Just right for baby and everybody else -automatic gas heat!

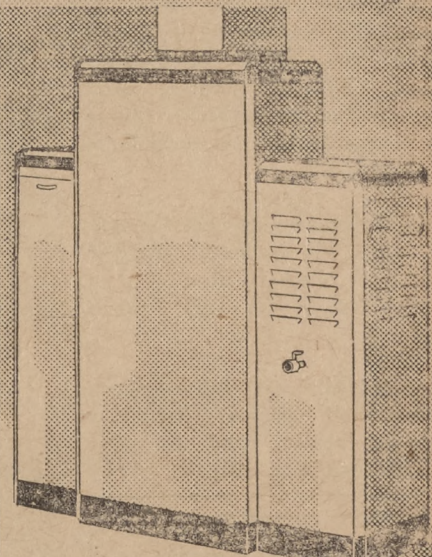

- warm air, without drafts.
- proper circulation.
- uniform temperatures.

THE ENTIRE FAMILY enjoys healthful comfort with up-to-date gas heating equipment. For the better gas appliances provide far more than just heat. They bring wholesome warmth, properly circulated.

And their automatic adjustment protects against sudden changes in weather. When outside temperatures drop, these appliances give out more heat to keep the house at a uniform temperature. When the weather is warmer, the fuel input is automatically cut down.

What's more, vented gas appliances keep walls dry. Thus they aid in eliminating damage to paint or paper. Add to these values the low cost of natural gas and you'll find that automatic gas heating equipment is one of your most profitable investments.

SOUTHERN COUNTIES GAS COMPANY

These appliances are especially recommended. See a dealer or gas company. Easy terms.

Ida Lupino at Paramount for advance tests on "The Light That Failed," is teaching everyone how to do the Lambeth Walk in proper fashion. Her cousin, Lupino Lane, originated and introduced the new craze and in his current London hit, "Me and My Girl." In order to get first and exclusive pictures of Martha Raye's wedding to Dave Rose, a Paramount newsreel cameraman accompanied them on their matrimonial trip to Ensenada. Henry Hathaway back in town following a two weeks' vacation at Sun Valley, Idaho. Claudette Colbert uses her time off from "Zaza" to play tennis. Her brother, Chas. Wendling, is her favorite partner. Dorothy Lamour gets time off the middle of October from her role in "St. Louis Blues" and will use it to put the finishing decorating touches on her new Coldwater Canyon home.

Olympe Bradna, who got her first screen kiss from Gene Raymond in Paramount's "Stolen Heaven," gets several in her current picture, "Say It In French." Ray Milland's the lucky man this time. Fred MacMurray asking for a three-day postponement for some advance pictures he was scheduled to take with Madeleine Carroll on their forthcoming picture, "Cafe Society." Reason—a badly cut lip got while playing tennis with Colin Tapley. Martha Raye has had her hair done two shades lighter before starting in her next picture, "Never Say Die." Bob Hope will cut up opposite Martha. Madeleine Carroll gets 12 changes of costume for her forthcoming role opposite Fred MacMurray in "Cafe Society." Anna May Wong, currently working for "King of Chinatown" at Paramount, has bought her first property in Hollywood. It's a rambling ranch house 15 minutes' drive from the ocean.

When Gladys Swarthout completes her role opposite Lloyd Nolan in "Ambush," she is booked for an extensive concert tour. She will appear in several southern states and plans a lengthy stay in week for a fall vacation. Her husband and manager, will accompany her on the trip. Gail Patrick will attend a preview of her latest picture, "Disbarred," in New York, where she's going the end of this week for a fall vacation. Her husband, Bob Cobb, and secretary, Jean Edwards, will accompany her.

JITTERBUG CONTEST AT FOX-ARLINGTON SATURDAY NIGHT

"BIRTH OF A BABY" NOW SHOWING AT LOBERO THEATRE

Public showing of the widely publicized full-length film "The Birth of a Baby," which presents for the first time through the medium of the motion picture the story of maternity, will start at the Lobero Theatre on Thursday, October 20th, and will continue on for one week, with two performances nightly, 7:30 and 9 p. m., and matinee Saturday, Sunday and Wednesday at 2:30.

The film was made under the auspices of the American Committee on Maternal Welfare, Inc., which is composed of representatives of sixteen welfare and medical groups, including the Section on Obstetrics and Gynecology of the American Medical Association, American College of Surgeons, Children's Bureau and the U. S. Public Health Service.

Telling the story of the lives of three women—a mother, a woman about to become a mother, and a younger girl—"The Birth of a Baby," is an important part of the current campaign for health education, not only for the mothers and fathers of the nation, but for adolescent boys and girls in our schools and homes.

Lobero Theatre is mindful of individual opinion of parents on this kind of education for their children, therefore, children under the age of eighteen will not be allowed admission unless accompanied by a parent or guardian, or unless the child has written permission from the parent to their respective school. With the school's permission, the child will be admitted to a special performance with representatives from the school or Board of Education in attendance.

Water garden tomatoes, grown by the University of California for exhibit at the 1939 Golden Gate International Exposition, will be ripened by fluorescent light rays.

the century. To miss this event is to miss the year's looniest, screwiest, fun-fest of the year. Cash prizes will be awarded the winners by popular audience applause. Come and root for your favorite. As an added attraction, "Tiny Gailey" will present the latest dances of this generation. On our stage Frank Mack's ten-piece jitterbug band will perform. And to top it all, there will be a major Studio preview from one of the leading studios. All seats are 40c. Be sure to attend.

LOBERO ANNOUNCES WINTER SEASON

An ambitious series to include such illustrious stage personages as Maude Adams, Ethel Barrymore and Anga Enters is announced today by Mrs. Christine Hall for presentation here during the fall and winter season.

First attraction is to be "Argentina," termed "Queen of the Spanish Dancers" and her Andalusian company to come to the Fox Arlington theatre December 12. Maude Adams is booked to talk on phases of the drama at Lobero January 23 with Anga Enters, dance mime who has entertained Santa Barbara previously, coming to Lobero under Mrs. Hall's sponsorship, February 3.

Dr. Ruth Alexander, economist, is booked March 13 with Dr. Marie Bentivoglio, learned speaker; Dr. Anna Strong, editor of the only English paper in the Soviet to follow.

WARRIORS TO MEET OXNARD SATURDAY

Undaunted by their defeat last Friday at the hands of Fillmore, 32-8, the Carpinteria Warriors have been putting in long hours of intensive practice this week under the guidance of Coach Staub assisted by Al Young of the Santa Barbara State College in preparation for their game with Oxnard Saturday afternoon. Indications from games played so far this season by Oxnard are that the Warriors will be more evenly matched than they were in last week's game. The Oxnard team tied the Ventura squad last week 9-9 and the Ventura team had previously beaten Santa Paula and tied with Fillmore.

The starting line-up for the Warriors will be as follows: L. E., Carl McIntyre; L. T., George Schmitz; L. G., George Miller; R. G., John Crotty; R. T., Webster Beckstead; R. E., Capt. Gordon Milne; Q., Jack Kendrick; L. H., C. Smith; R. H., J. Reid and F., D. Babcock.

Fillmore Game

The first quarter of the game (Continued on page 7)

WARRIOR SCHEDULE CHANGED

The Carpinteria Warriors game with Ventura which was originally scheduled for Saturday, Oct. 29, has been changed to Friday afternoon, October 28, 2:00 p. m. and will be played on the local field.

BASSETT WINS ALL EVENTS IN GUN CLUB CONTEST

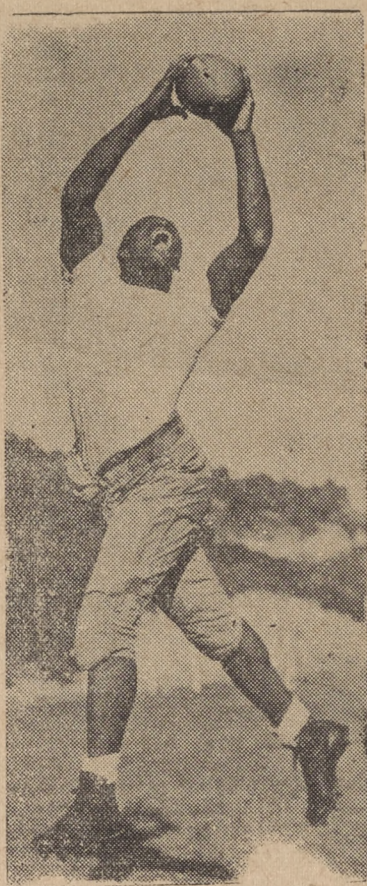

Ray Bassett captured the first place in both shooting events held by the Carpinteria Gun Club at the State Beach Park last Sunday, scoring 782 in 800 at 50 and 100 yards and using the new expert targets just introduced by the National Rifle Association, to win the J. A. Westland Trophy. Others entered in this event and scores were E. F. Knowles 772, C. Higbee 767, Roy Gradle 766, H. Smith 762, A. Morganfield 759, H. Griffiths 756, G. Worden 751, W. Hummel 747, R. Brouillette 739; H. W. T. Ross did not finish.

In the second event, 100 yards using the regulation target, Bassett scored 498 in 500 for first place and also headed the list of the aggregate totals of both events. Participating in the 100 yard event besides Bassett were: E. F. Knowles 497, C. Higbee 496, R. Gradle 493, H. Smith 490, H. Grif-

Larry Pickens, negro end, who will be in the starting line-up of the Gaucho squad Saturday afternoon when they meet the Whittier Poets in Ledbetter Stadium at 2:30 p. m.

Gaucha Squad Meets Whittier Poets Saturday Afternoon

SANTA BARBARA — Coach "Spud" Harder's Santa Barbara State college eleven will attempt to maintain a jinx over Whittier College next Saturday afternoon, when the Poets come north for a grid battle on the Gauchos new beach stadium.

For the past two years the Quakers have fielded good outfits against Santa Barbara but for some reason have failed completely to get going against the Green and White. The last two Poet-Gaucha scores have been 20-0 and 26-0, with the locals on the long end each time.

Coach Harder's team dropped a close and hard fought battle against Willamette University last Saturday in the opening game of the Gaucho's new field on the beach, by a score of 6-3. The poets have established themselves as leading contenders for the Southern California conference by virtue of their tie with San Diego and defeat of Occidental.

No casualties were reported after the Willamette fray and the Hardermen will be at full strength for the Poets, Larry Pickens, Negro end star, is still favoring an ankle injured a fortnight ago, but

will see action. Pickens, with Mel Dennis, tackle, were subjects of the "color line" controversy which caused the cancellation of the Texas Mines game scheduled for October 29. Tempo teachers will fill the date for the Gauchos.

Changes in the backfield lineups will see Poirino Merlo starting at fullback for the Gauchos instead of Forrest Gardenhire. Jack MacArthur will alternate with Buck Bailey at half, with Bill McArthur, speed ace, at the other half post. Fred Monson will spark the boys in maintaining the jinx over the Poets.

(Continued on page 7)

CHANGES MADE IN GAUCHO GRID GAME SCHEDULE

SANTA BARBARA, Oct. 20—Schedule changes have been the order of the day at Santa Barbara State College for the last two weeks, with one new opponent and two date changes as the result.

The Gaucho-Whittier battle, originally slated for the evening of

fiths 490, G. Worden 490, W. Hummel 491.

The aggregate scores for the two events which gave C. Higbee the Smith Memorial trophy and H. Griffiths the Fredrick Sixth Place trophy were as follows: R. G. Bassett 1280, E. F. Knowles 1269, C. Higbee 1263, R. Gradle 1259, H. Smith 1252, H. Griffiths 1247, G. Worden 1242, W. Hummel 1238.

October 21, has been shifted to Saturday afternoon, October 22. The lights for night ball have not yet been completed on the new Santa Barbara ocean side stadium, necessitating the Whittier change as well as last week's shift of the Willamette contest.

Following the cancellation of the Texas Mines game on October 29, State College officials announced the scheduling of Arizona State at Tempe to fill the vacancy. The Gaucho-Texas tilt was dropped when the Miner's refused to play against Santa Barbara's two Negro stars, Larry Pickens end, and Mel Dennis, tackle. Santa Barbara cancelled the meeting when Texas, prevented by regulations from playing at home, refused to meet the Gauchos in Santa Barbara on a "neutral" gridiron.

OXY GRIDDERS PLAY MARINES THIS SATURDAY

Battle-scarred Occidental College footballers take time out from Southern California conference opposition this week when they meet the San Diego Marines on the latter's field Saturday.

The tilt with the service outfit was scheduled last week by Ray Gough, Oxy graduate manager. It will take the place of the Tiger-La Verne battle which was cancelled because of the Leopard's withdrawal from the conference.

Hundreds of highly specialized tools used in various hobbycrafts, such as wood carving and miniature train making, will be on exhibit at the 1939 California World's Fair on Treasure Island.

WOMEN IN THE NEWS

By LEONE BAXTER

Americans are regarded as pretty resourceful and resilient. They have held up under the impact of war; withstood the shock of deep and double-dyed depression; and are gamely struggling along now with problems of internal labor dissension, growing debts and rising taxes. They'll battle through to tranquility and prosperity—if only they don't make the one irretrievable blunder which is to elect a woman President. If ever they do that, the good old U. S. A. is done for!

That is the opinion of a leading feminist, Mrs. Carleton Palmer, former president of the National Junior League of America, and recently a candidate for public office in Connecticut; and she broadcasts her views in a syndicated article.

Mrs. Palmer doesn't maintain, by the way, that women have no place at all in public office. She believes that women excel men in conscientious attention to detail and they are less likely than men to compromise their ideals in the interests of political expediency, and that Government would be all the better for more women in the judiciary and the economic and social welfare divisions.

But a woman President! Mrs. Palmer shudders—along with a lot of women—and men. A woman as a national executive Big Boss would irritate men no end. At the very first national crisis requiring Madam President to take a firm hand and shout orders—party discipline would go by the board, and business, labor and political leaders would take to the woods in dismay. Mrs. Palmer is sure of that.

Well . . . one wonders—quite noncommittally, of course. It sticks in mind, somehow, that a lady still referred to as "Good Queen Bess" maintained national discipline that made history and gave England a running start toward creation of the world's greatest empire. And when Catherine the Great of Russia made pronouncements in times of crisis, none of her great lords and generals found it healthful to look absent-mindedly out of the window or to stifle yawns of patronizing boredom.

Those were rough and ready times, to be sure. But today in Holland, Queen Wilhelmina doesn't need to cough warningly more than once to command respectful attention of all statesmen present.

Exactly what such historical data may indicate, as far as a woman president for the United States today is concerned, would be difficult to prove to most men—and impossible to most women. But if the time never comes when an able and intelligent woman leader is asked to serve in the highest post in the nation, the fault, in all

WARRIORS TO MEET OXNARD

(Continued from page 6)

was marked by a passing attack on the part of the Warriors which failed to click and by a bad case of fumbleitis on the part of Fillmore which failed, however, to prevent the Fillmore lads from chalking up three touchdowns in the first period of the game. Fillmore got the first break in the game on an intercepted pass from Babcock intended for Clark and proceeded to push their way down the field on downs to scoring position where Nicklos threw a flat pass to Dominques for the first six points of this game. The Warriors blocked the attempted conversion. Following this score the Warrior first string, with the exception of Clark, was replaced by the second string squad and Fillmore promptly chalked up another touchdown when Clark was forced to kick on the 4th down and the 50 yard punt was received by Sam Johnston who traveled 85 yards for a touchdown. The Fillmore gang again failed to make the extra point and the Warrior first squad went back into action. The third touchdown came as the quarter was ending when Clark's kick was blocked and Southwick recovered in the end-zone for another score of 6 points which was changed to 7 when Fillmore made good on the conversion.

Carpinteria Scores

The second quarter saw the Warriors chalk up their only scores of the game when poor punting on the part of Nicklos proved costly to Fillmore. On the second play of the quarter Nicklos intercepted a Warrior pass only to lose the ball on fumble on the next play. The Warriors succeeded in making a first down but failed to make sufficient yardage for another first down and kicked to the Fillmore 15 yard line. Nicklos attempted a quick kick on the second down which was blocked by Beckstead and rolled out of the end-zone for a safety giving the Warriors two points. Nicklos again attempted to kick out of danger but the punt was good for only 10 yards and was returned 15 yards by Miller. Kendrick made 15 yards on a faked pass putting the ball on Fillmore 5 yard line and a pass from Kendrick to Milne was good for a touchdown but the Warriors failed to make the extra point. The half ended without further scoring.

Following the half-time the Warriors held Fillmore for no score until the closing moments of the third quarter when Dominques intercepted a pass from Babcock intended for Ramie and ran 50 yards for a touchdown which was not converted.

A blocked kick early in the last quarter placed Fillmore in position for the last touchdown of the game which was made by Case on a series of running plays and was also converted by Case, giving Fillmore a total of 32 for the game as against Carpinteria's 8 points.

probability, will lie more heavily upon her sisters, en masse, than on the men of these United States.

GRAMMAR SCHOOL WINS GAME

The Carpinteria grammar school touch football team defeated the Goleta team 12 to 0 in a game played here Tuesday morning. The Goleta team defeated the Aliso school team 19 to 0 in a game played the same day.

DUCKS PLENTIFUL IN SAN LUIS OBISPO COUNTY

San Luis Obispo County offers good prospects for the sportsmen, reports the Outing Department of the National Automobile Club. Quail are plentiful and there are many ducks on Moro Bay. Fishing is poor and there are no pheasants.

GAUCHO SQUAD VS WHITTIER

(Continued from page 6)

State College freshmen will meet Lompoc CCC as a preliminary Saturday.

Single Tax would throw an intolerable burden on the property owner.

"The Single Tax plan, which makes land alone responsible for meeting the costs of government, has been proved unworkable. Adoption of this plan means simply an intolerable increase in tax delinquencies, and the pyramiding of taxes on those land owners able or willing to pay until the point is reached where the individual property owner cannot possibly pay the taxes assessed against him, and the property reverts to the State. It means ultimate confiscation of all land by the State.

LEGAL NOTICE SUMMONS

In the Justice's Court of the Second Judicial Township of the County of Santa Barbara, State of California.

Marvin Light, Incorporated, Plaintiff.

vs

Gerald C. Cudahy, Defendant.

Action brought in the Justice's Court of the Second Judicial Township, County of Santa Barbara, State of California, and the Complaint filed in the office of the Clerk of said Court.

Hugh M. Lindsey, Attorney for Plaintiff.

The People of the State of California Send Greetings to:

Gerald C. Cudahy, Defendant.

You are hereby directed to appear and answer the Complaint in an action entitled as above, brought against you in the Justice's Court of the Second Judicial Township, County of Santa Barbara, State of California, within ten days after the service on you of this Summons—if served within this County, or within thirty days if served elsewhere.

And you are hereby notified that unless you appear and answer as above required, the said Plaintiff will take judgment for any money

or damages demanded in the Complaint, as arising upon contract, or will apply to the Court for any other relief demanded in the Complaint.

Given under my hand and the seal of this Court this 21st day of September, A. D., 1938.

Earnest D. Wagner, Justice of the Peace.

By Elizabeth Williams, Clerk.

Second Judicial Township. Published in the Carpinteria Chronicle, October 14, 21, 28, Nov. 4, 11, 18, 25, Dec. 2, 9 and 16, 1938.

CLASSIFIED

United Action Is Way to Higher Citrus Returns

Only by working together can growers utilize these three sources of improved income

Citrus returns can be increased by (1) cutting costs, (2) selling more fruit or (3) raising prices. These three ways are the only ones. And none can be made fully effective without the united action of the industry.

(1) Costs have been cut by Exchange members as they have gained the benefits of large volume operation. They share services unavailable to the single grower except at prohibitive expense. Their representations have weight at freight-rate and other hearings. Their economy measures gain in effectiveness with the growth of membership.

(2) More fruit can only be sold through widened distribution and increased demand. The Exchange has unexcelled sales facilities in domestic and foreign markets, and is fully supplying existing demand everywhere to the best of its ability. Beyond this, the Exchange has done more than any other agency to build demand, with

over thirty years of continuous Sunkist advertising. This year, a record crop of Valencias was sold at prices which advanced more than fifty cents per box (Exchange f. o. b. average) during the season, as the result of determined efforts to stabilize marketing. Much more can be accomplished in this direction with increased support from within the industry.

(3) Raising prices is chiefly a problem of regulating shipments to the immediate demand. This regulation can only be accomplished by the unanimous action of growers, as provided by the Citrus Marketing Agreement. Finally, however, higher prices must depend upon the industry's ability to further increase the consumption of citrus fruits.

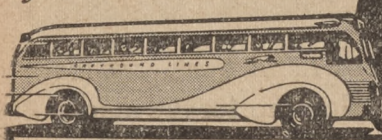

Higher citrus returns, by whatever means, inevitably hinge on united grower action.

CALIFORNIA FRUIT GROWERS EXCHANGE

A non-profit, cooperative organization of over 14,000 California and Arizona citrus growers, marketers of the world's most famous brand of fresh fruits:

HOMECOMING WEEK AT U.C.L.A. OPENS NEXT MONDAY

LOS ANGELES — Next week will be home-coming week on the Los Angeles campus of the University of California when the alumni of the institution will be welcomed back to the campus. It is an annual affair and centers about a major football game. This year the celebration will climax at the football game with Stanford University on Saturday afternoon, October 29.

The affair will open on Monday, October 24, with a special student "sing" in Royce Hall auditorium. Alumni will join, and during the day the sororities and fraternities will welcome alumni, and entertain them at dinner in the evening.

Friday, October 28, will be "hello day" on the campus. A buffet supper will be served in Kerckoff Hall in the evening, to be followed by the student parade of floats in the village. After the parade there will be a bonfire and fireworks on the football field, where the football team will be introduced. This will be followed by a dance in the Men's gymnasium.

Saturday an alumni luncheon will be held at the Los Angeles Athletic Club, in downtown Los Angeles, and all will go to the game in the Coliseum in a body. The alumni dance at the Ambassador Hotel in the evening will close the celebration.

CUB PACK 2 ENJOYS INDOOR SWIM

Cub Pack Two journeyed in the Cub-Scout bus, all newly painted and decorated, to the Y. M. C. A. Wednesday afternoon with Cubmaster Deane F. Babbitt to enjoy an indoor swim. As one of the activities of the new year of Scouting, this event was a challenge to the fair play of the boys. Boys 9, 10, and 11 years of age are eligible to join the Cubs. Cub Pack Two generally meets on Friday at 3:30 at the Community Church.

Cubs who enjoyed the swim were Zazuye Mizukami, Charles Curtis, Ramey Johnson, Teddy Taylor, Peter Hales, Eberle Honeyman, Walter Connell, Bobbie Sangster, Jack Brown, Clifford Rooker, Herbert Mills, Marshall Maddox, Billy Boren and Scouts Paul Armstrong, and Kenneth Britain.

LIQUOR DEALERS CAN NOT MIX WINES FOR CUSTOMERS

Parties purchasing bulk wines from retailers should not ask dealers to place two or more varieties of wine in the same container, the State Board of Equalization asserts, as this is a violation of the Alcoholic Beverage Control Act.

Mixing wine in this manner requires another type of license which few retail dealers hold and if caught in this practice the dealer is subject to disciplinary action by the board.

Those who like to mix their wines may do so at home where the board is without jurisdiction, but in asking a dealer to do the mixing they are tempting him to violate the law, William G. Bonelli, board member from this district points out.

PROUD OF POET

James Whitcomb Riley was entered by Greenfield, Ind., in the search by Bob Burns, the Arkansas Traveler, for the "Proudest Town in America," based upon home town boys who made good in a big way.

PLANS CHINATOWN TRIP

Olympe Bradna will make her first trip to San Francisco's Chinatown as soon as she completes her part with Ray Milland in Paramount's "Say It In French."

Closing dates for this examination are November 18, 1938, if received from states east of Colorado, and November 18, 1938, if received from Colorado and states westward.

Full information may be obtained from G. E. Hatton, Secretary of the U. S. Civil Service Board of Examiners, at the Post Office in this city.

TAX COLLECTOR POINTS TO DANGERS OF SINGLE TAX

Bankruptcy threatens the State and its various subdivisions of government, including counties, municipalities and special districts, if the Single Tax amendment, Proposition 20 on the November ballot, is voted, it was stated today by H. C. Sweetser, Tax collector for Santa Barbara County.

"The Sales Tax, which proposal would repeal, provides a broad and equitable tax base," Mr. Sweetser said. "From the Sales Tax receipts, a considerable portion of school costs are defrayed; funds are provided for aid to aged and needy, and other functions of government are financed. Repeal of the Sales Tax would paralyze these governmental services, and imposition of
