## GLEE CLUBS MAKE VALLEY TOUR

### FIRST ANNUAL PUBLICATIONS BANQUET HELD

Representatives From S. B. Organizations Speak Briefly

### KING WILKIN TALKS Student Entertainers Furnish Music For Banquet

Over 75 students interested in the Santa Barbara State college weekly and La Cumbre annual, class officers and sorority and fraternity representatives, attended the first annual publications banquet in the college cafeteria last Friday night.

King Wilkin, student controller of the University of California, was the honored guest. Several other newspaper men and publicity men were present and made short talks, among them being Sherwood Hall, representing Santa Barbara, Inc.; Tom Mead, publicity agent of the Community Chest, George Manuel, artist and photographer, Kenton Noble of radio station KDB, Litti Paulding, society editor of Santa Barbara Daily News.

Hall stressed the need of publicity for the college, pointing out that the institution was admirably located to attract the student. He offered a \$10 prize for the best letter written about the college.

Wilkin complimented the college leaders on their spirit and on the high type of publication put out by the college. He also complimented Fred Allred, student controller, for the excellent organization work accomplished in the school since his first term of office.

The University of California student controller predicted an excellent future for Santa Barbara college, declaring it should be a leader among the educational institutions of the state, if its growth and expansion is maintained.

Music for the banquet was provided by an instrumental trio. Ruth Williams danced a specialty number accompanied by Claude Gotschall. Dave Watson, student body president, presided and introduced the guests.

"Nothing is impossible but thinking makes it so."—Will Durant, writer.

### Thursday Auditorium Calls Discontinued

Thursday assemblies will be discontinued. No assemblies will be called, except when there is something of importance to be discussed, such as Dr. Ellison's talk on Lincoln or the lecture on New Zealand scheduled for this Thursday.

Fourth period on Thursday will be used for Council or other important meetings, according to Mrs. Clow of the President's office.

The Roadrunner joins with the Student Body of Santa Barbara State in extending to the family of Loretta McDermott an expression of deepest sympathy.

### WEEKLY SCHEDULE

Thursday, February 26—  
New Zealand picture, 11 a. m.  
Social committee, 11 a. m.  
A. W. S. Tea Dance.  
Moving picture, 8 p. m.  
Radio broadcast by the Delta Zeta Delta sorority.  
Friday, February 27—  
Glee Clubs return from tour.  
Saturday, February 28—  
State vs. Pomona at Flying A.  
Moonlight hike to La Cumbre.  
Monday, March 2—  
Men's Glee Club, 7 p. m.  
Kappa Omicron Phi, 7 p. m.  
Delta Phi Delta, 7 p. m.  
Women's Glee Club.  
Tuesday, March 3—  
Assembly 11 a. m.  
Kappa Delta Pi.

### LOCAL QUARTETTE ENTERTAINS A. W. S.

### Dean Pyle Announces Plans For Hi-Tea

For once a "M-e-o-w" didn't mean cats—that is literally but if you happened to be in the vicinity of the auditorium yesterday at 11 a. m. you would have heard exactly that done in harmony. The State college quartette entertained the Associated Women Students at their regular meeting at that time. "You'd Better Ask Me," was their other number and Anita Cochran played several piano selections, among them being "Betty's Music Box," by Carrie Jacobs Bond; "Valse Caprice," by Mendelssohn, and a negro dance selection.

Important matters of business were taken care of before the entertainment. Edna Blake is to complete the project of furnishing and finishing the club room which has long needed attention. The annual Hi-Tea, to be held March 7, was announced and all girls were urged to attend. In order to help the foods committee each girl is to check her name on the list in each mailbox, and indicate how many guests she will have. It is hoped that every girl will be both hostess and guest that day.

In order to help the new girls become acquainted with the members of the board, each member was asked to rise while Betty told their special jobs. Dean Pyle spoke to the girls on matters concerning the Thursday afternoon teas, Hi-Teas, cooperation of house groups and other matters of importance.

### MEN'S CLUB WILL OFFER TROPHIES

The Men's Club plan to present a trophy to the most valuable man of each major sport this year.

Coach Hal Davis and the Men's Club Executive Board are the judges for the awarding of the trophies.

A man's qualifications to compete for the trophies must be based upon his playing time, his scholarship, and his popularity among his fellow team mates.

This is a new tradition at State, and the Men's Club believes that it will arouse more spirit in athletes.

Ralph Johnson received the football trophy.

### SANTA BARBARANS, INC. WILL OFFER PRIZES FOR BEST LETTERS FROM STUDENTS

A prize of ten dollars for the best letter of not more than 500 words concerning Santa Barbara State college was offered by Sherwood Hall of the Santa Barbarans, Inc., a publicity organization, for the community and the Roadrunner. Hall made his offer at the Publications banquet last week.

The letter or essay is to have the object of interesting townspeople, wealthy visitors and temporary residents in the college, according to Hall. "The composition should be an informal, spon-

aneous communication to demand the interest of the world in the college," said Ken B. Goble, faculty advisor of the publications group who joined with Hall in offering the prize.

All contributions are to be handed to Fred Allred, student controller. The best letter will be published in the Roadrunner and will be used by the Santa Barbarans Inc., in its publicity work. The contest closes March 11. The winner will be announced in the Roadrunner of March 18.

### PLANS MADE FOR SYMPHONY

City Board Petitioned For Use of High School Auditorium Latter Part of April

Plans for the all-Southern California college symphony orchestra which is being sponsored by the Student Activities committee of Santa Barbara State College are being held up pending a decision on a final date for the concert.

A petition to obtain the high school auditorium on April 21 for the event was presented to the city school board last week by Wesley Dickenson, chairman of the Student Activities committee, and Cliff Leedy, director of the band, who is cooperating in sponsoring the orchestra.

Junior college, universities and schools of the Southland are to be asked to send representative musicians to play in the orchestra under the direction of Henry Eichheim, noted composer.

As soon as the final date for the concert is determined, invitations to the various schools to choose musicians to play in the all-Southern California college symphony orchestra will be sent out. The musicians will practice for two days before giving the concert.

### Men's Club Gets Room In New Science Hall

The Men's Club will have a room in the new science building or number 41 in the quad, according to Wilbur "Happy" Day, president.

The new room will be furnished with overstuffed furniture. There will also be a small library in connection with the lounge.

The new Men's Club budget provides for 50 per cent of the furnishing and upkeep of the room.

### Student Directory Being Compiled

A student directory is being compiled by the Men's club. Jimmy Kent is chairman of the directory committee and is working to get this supplement to the Students' Handbook out at an early date.

The Directory will contain such general information as every student's name, address, telephone number, major department, and the number of units he has completed.

### BUDGET PLAN IS OUTLINED

Davis Resigns Position as Prexy In Favor of Day; Britton Is Elected

At the Men's Club meeting today, President John Davis, outlined a budget plan for the expenditure of dues collected. Fifty per cent of the dues are to be devoted to furnishings for the new men's club room. The balance of the funds are to be distributed between various current expenditures. The plan was unanimously accepted.

Owing to having to carry a heavy course this semester, President Davis resigned in favor of Vice-President Wilbur "Happy" Day. President-elect Day assumed duties immediately. Dan Britton was elected to the vacant office of Vice-President.

Under the topic of new business, Norval Fast made an illustrious speech commending on the excellency of the newly adopted budget plan, but pleading that we do not wait until next year to derive benefits therefrom. He therefore moved the President that he spend a portion of the fund for the provision of some worthy piece of monthly literature. Dean Ashworth responded with his endorsement of the idea. Following several announcements the meeting adjourned.

### Whiskers Grow Long Before Hobo Brawl

A whisker contest is to be the main feature of the Hobo Brawl, the men's spring pow-wow. The dates for the beginning of the contest and the Hobo Brawl have not been set. The contest will be judged the night of the brawl.

Other events on the program will include boxing and wrestling matches. Arrangements are being made to have the finals of the Intramural games played on this night, when the college men plan to turn hobo.

### Graduate Managers Discuss Finances

Graduate managers of the Southern California Conference will meet in San Diego, March 2 and 3 to decide several important matters concerning the coming sports season. Among the things to be considered will be admission prices to different sports events, matters of finance, and a tentative schedule of meets. New ideas will be considered and a full report will be issued later.

### IMPORTANT NOTICE!

All those expecting to graduate June 12 or August 7, 1931, must fill out "application for graduation" cards immediately. Get cards from the Registrar's office.

Those persons applying for positions must have six small photos on file in the office of the appointment secretary, Mrs. Jane C. Miller. Write or print name, home address, and year on the back of each photograph. Candidates for positions must have at least three letters of recommendation filed in the appointment office, including one from the department head and supervisor.

When applying for a position be sure to notify the office in writing, giving the name and address of the person to whom application is being made. Your papers and photographs will then be forwarded. Good positions are opening up and it is necessary to have the foregoing data early if they are to be satisfactorily filled.

### JUNIOR DAY USES TOY SHOP MOTIF

### Danny Britton Acts as "Master of Workshop"

Class days were inaugurated by the Junior class program during the regular assembly hour last week.

A toy shop was the setting furnished for walking, talking, dancing and performing rolls.

Ella Cornwall and Carmelita Janssens tap danced and the Revelles sang as Danny Britton, master of ceremonies, brought each to life with his gesticulated winding.

Rose Cicero presented "Poor Butterfly," a song with pantomime accompaniment. She was assisted by Ned Porter and Stewart Thompson.

A puppet show, with Edna Blake and Eva Toll as cat and dog characters, opened the program.

An orchestra composed of Claude Gotschall, piano; George Greenough, drums; Harry Denno, saxophone, and Fred Greenough, violin, played popular dance music throughout the entertainment.

Alyce Corbin, social chairman of the junior class, was in charge of the program.

### BATHIE STUART HERE TOMORROW

Miss Bathie Stuart, "personality girl of the South Seas," will give a short program tomorrow morning in the auditorium during fourth period. She will interpret the folk dances and songs of her native land, New Zealand.

Miss Stuart is the only white woman in the world who interprets the Maori chants and terpsichore. She has been endorsed by the New Zealand government. Weird chants and sinuous dancing of the South Seas comprise the recital of this dancer, who wears the native garments of the Maori people. The colorful and unusual costumes show off the exotic beauty of the performer to the last degree.

Miss Stuart will also present a public performance in the college auditorium at eight o'clock.

### THREE DAY TOUR OF SAN JOAQUIN BY GLEE CLUBS

S. B. State Advertised Widely By Singing in Other Cities

### 27 TO GO ON TOUR Seventh Annual Trip For Men In The S. B. Glee Club

Representatives of the Men's and Women's glee clubs of Santa Barbara State, under Mrs. Helen M. Barnett, left this morning on a three-day tour of the San Joaquin valley.

They will give concerts, consecutively, in Wasco, Fresno, LeMoore, and Bakersfield, giving two in Fresno and three in Bakersfield. The last concert will be given at the Emerson junior high school in Bakersfield at one o'clock Friday.

The program will consist of numbers by the men's club, the women's club, mixed numbers, and special features by the women's trio, the men's quartet, the mixed quartet, and two soloists.

The purpose of the glee club tour is to advertise the college and to give the members practical experience. The men's club has taken the tour for the past six years. Last year was the first time that the women had taken the trip. The experiment was so successful that it has become a joint activity.

According to Mrs. Barnett: "It speaks well for the reputation of the clubs that the towns in the valley want us to come this year, because money is very scarce and they have been having little entertainment. I believe this year's tour will be fully as successful, if not more so, than the one last year."

The members of the club making the trip are:

First sopranos: Mary Louise Dye, Dorothea Peterson, Betty Proctor, and Second sopranos: Wilma Vaughn, Anita Cochran, Margaret Barnett, Ella Cornwall, Ethel Davis and Muriel McCammon.

Altos: Rachel Burns, Inez Cash, Eleanor Tubbs, and Virginia Weber.

Tenors: Rollo Elliott, Lorenz Greeson, Nils Thiebaud, Chester Tubbs, Elbert Cochran, Tommy Keating and Jim Nicklin.

Basses: James Kent, Ben Romer, Martin Bredsteen, Lawrence Connell, Albert Bevis, Sidney Root, and Ned Porter.

### Dr. Bishop Speaks To Scout Council

Dr. Elizabeth Bishop, instructor in psychology, spoke to the council and leaders of the Girl Scouts of Santa Barbara on the "Psychology of Adolescent Girls" last Wednesday in the home of Mrs. J. H. P. Howard.

NOTICE TO SENIORS Senior breakfast scheduled for Sunday has been postponed until March 8 due to the conflict with the Outing Club Moonlight hike. Llewellyn Goodfield, President.

## BRILLIANT AFFAIR MARKS HOLIDAY CELEBRATION

A Washington birthday celebration in the form of an informal student body dance was given last Saturday night in Rockwood at 8:30 o'clock.

Decorations, very suitable for the occasion, were red hatchets hanging from the chandeliers.

During the intermission an old fashioned dance was given by Ella Cornwall and Anna Furtado.

There were many new and good-looking outfits seen at the dance. Muriel Goodfield was dressed in a black and white printed sport dress and a small close-fitting hat of black felt.

Kay Myers had on a bright blue informal crepe de chine dress. Carmine Janssens suggested spring in a long green printed chiffon dress. Virginia Weber had on a very becoming tunic dress of orange and brown.

Archie Way was dressed in his new knickers and blue sweater and socks. Marie Miller and Wes Dickenson had evidently been other places as they came late, dressed formally.

Patrons and patronesses were Coach and Mrs. Harold Davis, Miss Florence Clark and Dr. William Ellison.

### EVELYN WILLIAMS LEAVES SANTA BARBARA

Evelyn "Billy" Williams left Santa Barbara for her home near Needles, Arizona last Saturday morning where she will work in her father's office. Mr. and Mrs. Williams were visiting Evelyn and her sister Ruth over the weekend. They left with "Billy" Saturday morning.

"Billy" has only been on the campus for one semester but even in that short time she has become prominent for her artistic abilities. She has entertained at school dances and sung over the radio several times. She will be back to visit her sister during this semester, and her friends will be able to see her then and hear all about the horn toads and camels and other wild life on the desert.

### Ethel Davis Given Surprise Party

A surprise birthday party was given for Ethel Davis last weekend by her mother and Johnny Davis. The crowd first went to the theater and then gathered in Mrs. Davis's home and played bridge. Those present were: Ethel Davis, Wilbur Day, Fay Munger, Lester Blount, Johnny Davis, Margaret Wilson, Dorothy Hardison, and Douglas Kirkpatrick.

We wonder if there is anything in Helen Nauman's choice of golf this semester. Either she wants to be golf conscious or she's got the old Roadrunner spirit of getting acquainted. Why all of the opposite sex, Helen?

## I OBSERVED

Hal Polley replacing a front bumper after his car had nudged another in the drive.

Ethel Davis and Dot Hardison trying to think of a sentence containing the word "that" five times in succession—and finally doing it.

Bob Hathaway pushing his "bug" along Mountain Drive in an effort to bring it back to life.

Walt King slapping a chamois skin against a fire plug in front of the Hutton & Company building on State street at seven o'clock in the morning.

Johnny Davis and George Cutler getting spanked by the cafeteria kitchen head for making so much clatter with the dishes that they drowned out speakers at the Publications banquet.

President Phelps standing at the foot of the hill between the administration building and Alameda Padre Serra surveying the slope before him, making new plans for its development.

Merle Jaynes and Floyd Parks hauling a green canoe over the pier railing while Maurine Fisher looked on.

Fred Harrison and Dick Waterman looking very slick and clean as they emerged from the doors of the West Beach Plunge, Sunday afternoon.

Cliff Russell and Elayne Border revealing the wonders of our courthouse to visitors from Los Angeles and San Francisco.

### Plans For Club Room Made By Blake

Edna Blake has been appointed chairman of the A. W. S. Furnishing committee, according to Mrs. Mildred C. Pyle, Dean of Women. Under her direction the furnishing and decorating of the A. W. S. club room will be completed.

Plans made by Ann Hegeman, chairman of the committee last year, will be carried out, states Dean Pyle. The biggest project will be that of securing window boxes for the sun-room. New drapes have been planned, and these will be decorated by members of the art needlework class. Students of the art department will also design and decorate a screen to be used in the club room.

## WEEK END BRINGS MIDNIGHT HIKE

The midnight hike of the Outing Club will come off next Saturday night, when the group will start for the summit of La Cumbre peak.

Thomas Keating, president of the Outing Club, would like to remind all members who have cars to stop at the college before driving to the tunnel as a great many club members have no cars. Those who do not have cars will be picked up between 11:30 and 12:00. Each person should wear enough clothing to keep warm as there is always a cold wind at the summit. The club will serve coffee at day-break.

### Sorority Entertains Patrons at Dinner

The Phi Kappa Gamma sorority entertained Dr. and Mrs. Maxwell and Mrs. Doolittle at a dinner in the home of Miss Viola Peterson last Monday night. Dr. and Mrs. Maxwell are the patron and patroness and Mrs. Doolittle the honorary sponsor of the sorority. A short business meeting was held after the dinner.

Besides the regular members and the pledges the following alumni attended: Mrs. Emma Osner Gilbreth, Mrs. Mac Watson, Miss Gladys Thomas, Miss Genevieve Moore, and Miss Edwina Kenney.

### CO-EDS VISIT IN SOUTH

Dorothy Hardison visited friends in the south last week-end, both in Los Angeles and Whittier.

Betty Higbee attended the Biltmore in Los Angeles last Saturday evening with friends from Stanford. It was in honor of the passing years. Betty had a birthday not very long ago.

### Student Presents Organ Recital

Miss Anita Cochran, organist at the Unitarian church, played an organ recital in the chapel last Wednesday evening. The following program was presented:

1. St. Ann's Fugue, E Flat Major. Johan Sebastian Bach
2. Bartholdy, Sonata No. 1. Felix Mendelssohn
3. Prelude to Parsifal. Richard Wagner
4. Fugue in C Major. Dietrich Bextehude
5. Tanglewood Tales by the Pool of Pirene. R. S. Stoughton
6. Capriccio. Ed. Lemaigre
7. Suite Gothique. Leon Boellmann
  - a. Choral
  - b. Menuet Gothique
  - c. Priere a Notre Dame
  - d. Toccata

## THEATRES

GRANADA

"Little Caesar," which is now playing at the Granada and which will be there for the rest of the week, is a picture of crime. The story deals with the rise of a young gangster to the leadership of all racketeers. His ruthless methods, his daring escapades, his fearless braggadocio make this a superior underworld picture. Edward Robinson in the role of "Rico," Bandello, Little Caesar, does a convincing piece of acting, and Douglas Fairbanks, Jr., as Joe Massara, the gigolo gangster, gives an intelligent performance. These two men are supported by many other well known actors. The play is well filmed and the scenes are realistic.

### CALIFORNIA

Tonight is the last opportunity to see Grant Withers and Mary Astor in "Other Men's Women." This is a story of the love of a drunken but likeable railroad fireman for the wife of his pal, the engineer. The husband becomes jealous and there is a terrible scene of fighting on a speeding train. The fireman succeeds in throwing his opponent off the moving train. The picture is filled with crumbling bridges, swirling waters, and rose-covered cottages.

Thursday "Beau Ideal" with Loretta Young and Ralph Forbes will open at the California Theatre. This story is a sequel to "Beau Geste" and here we see the life of "stout fella" carried on through many harrowing events in the desert until he at last is able to return to his sweetheart.

### MISSION

Tuesday and Wednesday—Joan Crawford in "Paid." Well recommended by students who have seen it.

Thursday and Friday—A Spanish play "Sacred Flame" and a whole program in Spanish.

Saturday—"Woman who was Forgotten," also vaudeville.

Ben Romer despised the poet's trade, Plain prose to him was sweeter; But he fell in love with a pretty maid, And then he ran to metre!

## GREENOUGH AND PROFANT WRITE SONGS FOR PLAY

Tin-Pan Alley, that song-producing center of America, is portrayed in "June Moon," the George Kaufman-Ring Lardner travesty which the Players Club is offering at the Lobero Theatre Thursday, Friday, and Saturday of this week.

Music for the six songs in the local production has been composed by Henry Profant and Frank Greenough, both of whom appear in the cast. Taking part in the play are many people who are well-known to Lobero audiences through their performances in other productions. The cast includes, in addition to Frank Greenough and Henry Profant, Nan Ware, Helen Campen, Ruth Thornburgh, Elsie Le Blanc, Reno Becchio, Reginald Foster, John C. Grim, Bernie Marcus, and Paul Whitney.

### G. E. Refrigerator Is Demonstrated

Girls of the Home Economics department saw Miss Robinson from the General Electric company demonstrate the way in which many dainty deserts and salads can be made in the General Electric refrigerator.

Miss Robinson made a salad and several deserts and at the end of the demonstration gave the girls the opportunity of sampling them.

Miss Robinson pointed out the economic value of the refrigerator, as well as its value to sanitation and health.

A moving picture, showing the results of bacteria and the way in which they can be destroyed, followed the demonstration.

### WASHINGTON PROGRAM IS OFFERED

Washington's birthday was the theme for a program presented Friday by the 3A class of the college elementary school for Mrs. L. S. Price, principal, and Miss E. M. Leonard, supervisor.

An original play by three of the children, "Making the Flag" was the outstanding feature. An address of welcome and retold historical stories were also on the program.

## Roadrunner Classified Ads

ROOM FOR RENT—Nicely furnished room within walking distance of the college. Suitable for either man or woman student. Only ten dollars per month. Communicate with Bob Imler or inquire at the address, 1323 Laguna street.

WANTED—Someone interested in office administration to work in the registrar's office one period a day during the Spring semester 1931. One unit of credit will be given for satisfactory work.

Jane C. Miller, Registrar.

### Student Suffers Serious Injuries

Jewell Stephens, 19, daughter of John W. Stephens of Hermosa Beach, is in the Redondo-Hermosa hospital recovering from internal injuries received in an automobile accident near Hermosa.

In order to save her life, Dr. C. Max Anderson, chief surgeon of the hospital injected two quarts of insulin and glucose into her veins.

Jewell is a student in the elementary education department.

### HOUSES

"A big house is no better than a small one unless the people in it live happier lives."—Roger W. Babson, statistician.

## ROADRUNNERS MEET SAGEHENS

### HILLOPPERS SUCCUMB TO PANTHERS' OFFENSIVE, 32-23

By Cleave Hillman

For the second time this season, the Cal. Christian Panthers last Friday night pulled another handful of tail feathers out of a Roadrunner team that by now is pretty well plucked, and although the losers put up a great fight in the last half, the final score, 32-23 was the old story, a big lead in the first half that could not be overcome.

State started the fracas by stepping ahead of the Angelenos for a two-basket lead, but by the quarter the visitors pulled up with them to tie the score, 6 to 6. The Panthers started things their way right after the whistle blew for the second round, and the entire new team that Coach Davis sent in made it just that much easier for them. They kept the ball in their possession practically all of the time, and rushed through State's defense at will. Baskets were flipped in so fast that the score board was clicking over like an adding machine. The half cut short their orgy of scoring with State hopelessly behind, 20 to 9.

Santa Barbara's first string opened up the second half with a determined rally and staged a real fight with the CC's for the ball. Playing was extremely rough and frequent fouls were called on both teams. One of the visitors, also Walt Barnett, had to be jerked from the game with four personals chalked up against them. This dealt a hard blow to the Davismen's offense, and the third quarter score left the Panthers even further ahead, 29-16.

The Roadrunners battled the southerners on even terms in the final quarter as Cal. Christian slowed up its speedy pace. "Army" Kessler and "Pinky" Greeson showed up well, and sank some nice shots. The Hilltoppers succeeded in narrowing the gap somewhat, but the time was too short to stage a winning rally.

### Co-Ed Sports

St. Patrick's Day is usually a celebration of the green, and to be sure it will be this year. On that day begin the class games in volleyball and from the turn-out representing the classes, we would predict a green Frosh victory.

Neither the Sophomores nor the Seniors have a complete team to make the Frosh work for their expected victory. The only threatened competition comes from the Junior class which has a small but efficient turn-out. It might be interesting to note that the new P. E. Majors are all out tossing the elusive pill for their class. Manager Maurine Moore announced that it is not too late for girls to come out.

The classes are represented as follows: Frosh — Longawa, Ek, Gaines, Juleff, Hicks, Liechty, Lindsay, McCubrey, Mitchell, Sims. Sophomores—Adams, May, Birch, Perry. Juniors — Bosler, Chamberlain, Gibson, Jones, Moore, Reiger.

### HEARD IN THE SHOWERS

SPORT COMMENT

The cut you see above was made by Howard Bush, one of the school's most outstanding bushes. (Joke).

The Pomona game Saturday will be the last time Captain Fred Imes appears in uniform for State. So we know at least one man on the Roadrunner team who will give his best to win the game. Let's hope the other Roadrunners work together and support him.

Luke Trimble is acting head coach this week, and he has the frosh cagers imitating Pomona's style of playing when they scrimmage the varsity. The varsity has solved the frosh imitation, and we shouldn't be surprised if they showed up the Sagehens, as well.

### SIDE LINES

By "Ace"

Big Boy Kessler has been asked eighty-nine times why he wears a handkerchief on his uniforms and his answer is always the same, and goes something like this: "To blow my nose on, of course, you dumb kluck." Ask him if you doubt me, he still welcomes the ques-

The tactful coach showing pictures of a recent football game noticed that the first play was of the opponents going through his line for a large gain. He turned and explained to the audience, "Notice those big cowardly men charging through and those brave fighting warrior giving way."

Did you notice:

Coach Trimble showing college students how to loop a top in front of the gymnasium last week?

The ability of "Pinky" Greeson to shoot baskets and change directions in mid air while doing so?

The sureness and slowness of "Dad" in the athletic supply room?

Coach Walt Barnett during an intramural game change his facial expression from discontentment to satisfaction as his team went into the lead.

The possibility of a good horseshoe team if the basketball men can transfer their individuality in that sport to that of horseshoes.

Co-eds Notice:

Indoor sports are of various descriptions, but do they include hanging your feet out of the tea room window smoking cigarettes?

The janitor boldly stepped up to the golf instructor last week and asked him to lead his band of divot diggers off the well-cared-for lawn.

### UNDERDOGS TO VIE IN STATE'S LAST CAGE TILT AT FLYING A

They say the best fight is the one between two underdogs. According to that theory, there ought to be a pretty good basketball game this Saturday night in the Flying A, when two Southern Conference teams that have not won a single conference game this season get together.

Feathers are due to fly furiously, for the Pomona Sagehens have just finished losing their sixth straight game, to the San Diego Aztecs, while the Cal Christian Panthers put the fourth black mark down against the Roadrunners last Friday.

Coach "Fuzz" Merritt is bringing a bunch of soreheads up with him, all itching to take out their grudge on somebody, and the State varsity they figure will restore their humor. All of Pomona's games have been lost by close scores, which accounts for the Sagehens' peeve. A couple of weeks ago the Cal. Tech. casaba tossers slipped over a 33-31 win on them, and that put them in a

nasty frame of mind. Incidentally, that was the first game the Engineers had won!

If State is clicking this weekend and the boys feel in the mood, Pomona ought to find it pretty tough going. They showed in the last half of the Cal. Christian game that they had lots of stuff on the ball if they wanted to trot it out, so they will be expected to turn on the heat and start their ankles smoking in an attempt to finish the season on the upgrade. The Pomona game will be Captain Fred Imes' last appearance in a State uniform, so he can be depended on to work the rest of the team up to a fighting pitch.

Pomona's starting lineup will probably be as follows: Forwards, Hadfield and Cross; center, Putnam; guards, Jordan and Clements. Putnam is the strong point of the Sagehen team, and has accounted for most of his team's scores this season.

### BOXING AND WRESTLING

Intramural boxing and wrestling will get underway this week after a lay-off of several days, with a half dozen or more first-class bouts scheduled. All bouts will be conducted in the gym.

The star match of the week promises to be in the welterweight division when Lorenz "Long Arm" Greeson tangles with Johnny Eckhart. Eckhart, star sophomore athlete, gained the final bracket in the welter division with a victory over Cecil "Ace" Hickman. Greeson coasted through to the finals with a series of forfeits.

Another good match is on tap when Stan Winters and Paul Hopkins trade wallops in the middleweight division. Winters, generally accredited with being the fastest welter in State, will be a slight favorite to outpoint his rangy rival.

"Army" Kessler and George Shultz are slated to battle for the heavyweight crown, while in the bantamweight division, "Speedy" Lucudine will meet the winner of the William Ezaki-"Young" Bulosan.

Three bone-crushing events are slated for exhibition when wrestlers mix sometime this week in the gym. Wrestling bouts scheduled include the Tom Keating-Lorenz Greeson 147 pound event; Johnny Eckhart - "Red" Stuart welter mix, and the Archie Way-Manchee bout at 135 pounds.

## THE EDITOR SPEAKS

### UP ON YOUR TOES!

After having attended the Publications banquet it is hard to settle down and write calmly. The inspirational effect of that gathering so gave wings to our imagination that we have since been on many flights into the realms of possibility regarding the future of Santa Barbara State. The marked improvements made during the past semester are merely a sample of what can be done.

Read on the front page the words of the speakers. If they succeed as well printed as they did spoken in instilling into the minds of hearers a burning desire to aid this great new program, there will be no death of applicants for extra-curricular positions. Don't harbor the impression that there is an inner circle or clique in control of the activities, and that newcomers are not welcome. New blood, new ideas, new material, new talent—these things are in heavy demand always, and never more so than now. There is a particular niche for you somewhere. It may be on the track squad, in the band or orchestra, on the staff of the Roadrunner or La Cumbre, or one of the many other fields. Find it. You will be happier.

We are away on a long climb to a position unequalled among small colleges. We have "hitched our wagon to a star" and are off for a "place in the sun." The ease and speed with which we attain our goal will depend upon the proportion of workers to loafers—the number riding in the wagon compared to the number behind with their shoulders to the wheels. Each one of us should do his or her best to find a place at one of the wheels. If there isn't room, climb in and let the weight of your presence help keep us on the road. But don't drag your feet. And don't go to sleep, because the drivers have to ask you to lean this way or that on bad curves in order to keep the proper balance. Do you know the most pleasant way to ride in a wagon? Up on your toes!

—P. H.

Prize of ten dollars is offered at Publications banquet for 500-word essay to deal with charms of S. B. S. C.

### POST-RUSHING INVENTORY

Now that rushing and pledging are over, have our sororities and fraternities begun to take stock? In business at the completion of a deal, an analysis is always made in an attempt to discover why the deal was successful, or if not, why it failed. The findings are of extreme importance, for it is upon these that the companies are able to strengthen their weaknesses and to build themselves up. So it is with our sororities and fraternities. Do we ask ourselves—have we taken a constructive attitude in our institution? Have we been of service? Are we snobbish or self-centered?

Business wins on the merits of its products. Some business men boycott or belittle their competitors goods, but a permanent business is not established on this basis. Monopolies have been made unlawful and are no longer sought. A progressive business man doesn't attempt to spoil the business of his competitor, but strives to better his own organization, to make it more efficient so that it will be of better service to others.

With this view of business in mind, we can well use it as a pattern for our sororities and fraternities. Let us express cooperation, service to others, and loyalty to our institution.

## IT'S WORTH KNOWING

By EDYTHA BARHAM

That Miss Hazel Wood Severy, head of the science department, was awarded the honorary degree given for research work in the Osteopathic College of Physicians and Surgeons in Los Angeles; that she was born in Emporia, Kansas; that she attended grade school in El Reno, Oklahoma and Pasadena, California; that she is a graduate of the Pasadena High school; that she entered college without knowing whether to be an art major or a science major; that she is a graduate of Stanford with an A.B. and M.A. degree; that she was on the basketball team her sophomore year in college; that she is a member of Sigma Xi, national science society; Iota Sigma Pi, national women's chemical fraternity, and Cap and Gown, women's honorary society at Stanford; that she is a charter member of the Delta Delta Delta

sorority; that she has lived in California most of her life and considers herself a native; that she was assistant in the bacteriology department and chemistry department while in college; that she taught at the Osteopathic College of Physicians and Surgeons; that she toured Europe in the summer of 1926; that she was given her Sigma Xi degree on research work in arsenic determinations, which was completed under the supervision of Dr. Robert E. Swain of Stanford, who at the time was the consultant chemist in the Anacosta smelter smoke case; that she was sponsor for the Outing Club for 5 or 6 years and social chairman for 4 or 5 years; that she has an abhorrence for gum chewers; that she is interested in art and music; that she has been teaching at Santa Barbara State since 1914.

### SPRING IS HERE

Make way for King Sunshine! Out with the flannels and sport dresses. That time for marbles and skipping ropes is in the air, but of course, the serious-minded collegian has little or no interest for that juvenile sport. But all is not lost, as there will be a class organized to indulge in the fundamentals of kite flying for our boys, and the girls probably will be allowed to register, since someone of weight must help hold the string. The Physical Education department will no doubt have the class, with Coach Hal Davis and Leander Trimble tutoring, inasmuch as one of the two was former holder of the national high kite flying championship.

"Ah! the thrill of leading one's homemade kite into the breath of the sweet spring atmosphere," is a sentence quoted from Ted Neidermuller's book on "The Gentle Art of Flying a Kite." A notice probably will be posted soon, to the effect that all classes will be called, held and worked over on the lawn about the campus. The pool is to be reserved for Harrington Wells's class, "Fishing for Bullfrogs." Come everybody and let's see who will be the first to sign up.

### Loretta McDermott Is Taken By Reaper

Loretta McDermott, 18, daughter of the late Mr. and Mrs. Charles McDermott of Santa Barbara, died in St. John's hospital in Oxnard Sunday night. Loretta became ill last Friday and was taken to Ventura where she has been living with an uncle, Oliver Rearding, since the death of her parents.

She was a member of the freshman class who came here as a graduate of the St. Mary's Academy at Los Angeles.

### Paulin Is Honored By U.S.C. Organization

Stewart Paulin, a junior in the University of Southern California and a former student at State, has been named vice president of Aristotelian, honorary literary and forensic society at the southern university.

The Aristotelian, which was organized in 1880 and which is one of the oldest organizations on the U. S. C. campus, limits its membership to students who have abil-

### ON THE CAMPUS

"Hey, pledge, bring me a match; can't you see that I need a light for my cigarette?" This from a high and mighty fraternity man.

"Yes sir," replies a fellow wearing a small pin, in a weak voice with forced enthusiasm.

The foregoing is just a fragment of what is going on. Girls are making cat-calls at one another and whistling. The campus sounds like a menagerie as the eerie notes of a "soror" send out its plaintive wailing note.

We wonder if anyone has noticed all the meek little girls carrying armfuls of books around for some domineering person who is wearing a pin with "pearls." And, too, why is it that all the meek little girls are carrying water in the cafeteria? Oh, well, maybe that's a secret!

It has been rumored that some girls get thirteen swats for necking in public. Is that another one of those arguments for privacy? Anyway, some girls certainly have plenty coming; 'cause everytime we see a group of sisters and pledges they are in a huddle, and they aren't calling signals either! On second thought, maybe it doesn't count among the weaker six, so give the girls a helping hand, boys!

—By a Pledge.

### Elvin Smith Chosen To Head Ballyhoo Group

Elvin Smith, president of the Freshman class has been chosen by the Publicity committee to replace Llewellyn Goodfield as chairman of the "Ballyhoo" committee.

His duties are to make speeches before luncheon clubs, the junior high schools and the high school. These talks are to advertise the athletic contests of State, and other college activities which need the support of the public.

The Publicity committee hopes to make the basketball, baseball and track seasons as successful as the football season of 1930.

ity in literary and forensic fields. The purpose of the group is to develop the abilities of its members through discussion and criticism.

Paulin is enrolled in the College of Commerce and is a member of Delta Sigma Phi social fraternity.

## STEAM—STUDENTS' BLOWOFF!

Editor of the Roadrunner:

In an editorial "Upon Adversity" appearing in the "Roadrunner" of February 18, 1931, appeared the following unsophisticated statement: "The student who comes to college without sufficient finances and must ease the sting of necessity by laying aside countless little pleasures and spending a large part of each day at outside work—he is in the majority of cases the one to derive the greatest benefit from college."

I believe the consensus of opinion among college students who are self-supporting, that is students who "spend a large part of each day at outside work," is that they are losing more than they are gaining.

Why?

College offers four opportunities to students: the opportunity for the acquisition of book knowledge and efficient methods of study, the opportunity for social development, the opportunity for the intelligent use of leisure time, and the opportunity of developing a healthy body. These four factors should, in my opinion, be included in the major interests of all college students who desire to get "the greatest benefits from college."

Now what happens to the student who comes to college without sufficient finances and who finds self-support necessary? It has been my experience and the experience of certain of my friends who work "a large part of each day" that "the job" becomes the primary, dominant, major time-taking interest. One or more of the other four factors, studies,

extra curricular activities, leisure time, or health is sacrificed to "the job."

Can we logically say that then "in the majority of cases" the student who devotes a large part of each day to outside work has an equal chance with the student not so burdened to reap the full benefits of a college education? What great compensation does "the job" offer to replace the values which it robs the working student?

—One Who Works.

Editor the Roadrunner:

How about a little attention to this recently formed, sorority known as Areta, Gamma chapter? Why can't the men of this college have a fraternity with the same ideals and aspirations as this noble group? I feel that this movement, if once begun, would quickly find favor in the eyes of many men, and soon would become a reality.

I, as a student at State, feel that the women who have had the courage to undertake forming this sorority deserve a great deal of commendation. I believe that there is a type of man in this institution who wants to see a fraternity that stands for something more than the present frats stand for.

From one who wouldn't care to belong to a fraternity with moral standards such as exist among some of the present groups. (And I am not an old fashioned fellow that looks down on pleasure. I am all for fun—if it is the right kind.)

(Signed) A Senior Man.

### FORMER STUDENT TURNS FLIER

Francis "Frenchy" Williams, a former student at Santa Barbara State College, graduating in the class of 1930 with an A.B. degree in Physical Education will leave tomorrow for Marsh field in Riverside to study aeronautics.

### SENIOR TEACHES IN VALLEY

D. B. Gilbert, senior in the Industrial Education department, is teaching woodwork in the Exeter Union High school. He is relieving the regular instructor for a period of two weeks.

Gilbert is a certificated student of last year and will return to State next month.

### HENCE, A NECESSITY

"Speed is the one and only reason for the airplane." — Eddie Rickenbacker, World War ace.

### Revelettes Will Sing At Recreation Center

Featuring the Revelettes, Betty Proctor, Anita Cochran and Dorothea Peterson, the Elks Glee club will give a concert in Recreation Center, February 27 at 8 o'clock.

The concert will be directed by Clifford Leedy and is under the auspices of the Roosevelt school P. T. A.

The affair is a benefit for the Roosevelt P. T. A. scholarship fund.
