No. 17

IFC SETS LIMIT ON SIGMA PHI EPSILON PLEDGES

Council Declares Sig Eps Violated Rush Procedure

Sigma Phi Epsilon Fraternity was found guilty of violating Inter-Fraternity Council rushing procedure at a meeting of the IFC President's Council held last week.

The group was given the penalty of being restricted to the pledging of seven men from this semester's rush program. This decision was made at an earlier meeting of the IFC Judicial Council and was approved by action of the President's Council to which an appeal was made by Sigma Phi Epsilon.

At the Judicial Council meeting, composed of the elected IFC officers and two representatives at large, charges were brought against several fraternities for alleged violations. All were acquitted except Sigma Phi Epsilon who was found guilty of having a rush party on a date that had previously been closed to rushing by IFC and for having women at three rush parties when the rushing rules allow the presence of women at only two events.

Sigma Phi Epsilon admitted its guilt on both of the counts but protested the nature of the pledging restrictions given as a penalty. They appealed to the President's Council to review the case.

The President's Council which is composed of the presidents and one other member from each of the nine fraternities held a meeting at which Sigma Phi Epsilon presented its case, pertinent comments were allowed from interested persons, the case was discussed under a time limit of 45 minutes and in the final vote the Council, with only the presidents allowed to vote, approved the Judicial Committee decision 7-2.

College Day Brings Many Students To SB

College Day was a great success with many students, parents, and teachers partaking in the activities. Representatives as far north as Berkeley were on the Santa Barbara campus for the day.

Guests were shown around the college by members of Spurs, Chimes, Blue Key, Phrateres and the ROTC. During the luncheon, five members of each fraternity and sorority hosted at the various tables acquainting themselves with the guests. The afternoon was devoted to a tour of the Mesa campus and the guests were invited to the King of Diamonds dance in the evening.

Restricted Parking Results in \$2 Fine

For certain students at Santa Barbara College, parking is an expensive item. In fact, it has cost many of them two bucks, for parking in restricted areas!

The two dollars, incidentally is payable at the Santa Barbara Municipal Court, and comes as a result of parking in the wrong spot. Student cars in the faculty parking areas will be tagged by the University Police with the momentum for the judge downtown.

Captain Floyd Bernard, head of the campus police unit, reminds collegians that the area from the main entrance to and including the health center is restricted parking. Students parking in that area are subject to fine. They are advised to park in authorized areas outside of this restricted zone.

Banquet, Speakers Mark Charter Day

The observance of the 85th Charter Anniversary Celebration of the University of California will be marked with special events at Santa Barbara College during the week of March 23 and will culminate in a Charter Anniversary Dinner scheduled March 28.

The events, two nationally known personalities—Dr. Norris E. Bradbury and Brutus Hamilton—will make addresses in commemoration of the beginning of the nation's largest university 85 years ago. The University's President Robert Gordon Sproul will also be in Santa Barbara to participate in the events.

Alumni, faculty and friends of the University of California and Santa Barbara College will gather to hear Dr. Bradbury speak on "The University and Atomic Energy" at the Charter Dinner. It will be held at the Montecito Country Club March 28 and will be open to the public. Reservations and dinner tickets are available through the college office of Dr. Ernest L. Bickerdicke, chairman of the committee on public ceremonies and in charge of the activity.

Brutus Hamilton, who was head track and field coach of the American Olympic team in 1952, will speak at a special Charter Celebration student assembly on March 26 at 11 a.m. in the Riviera campus Quad. Hamilton is Director of Intercollegiate Athletics at the University of California, Berkeley campus, where he is also track coach. His address is entitled "Highlights and Sidelights of the 1952 Olympic Games."

He is closely identified with the Olympics in recent decades, having been active in all but one of the Olympiads since his Missouri undergraduate day in 1920.

Meanwhile, alumni, student and administrative committees are busy preparing activities for the UC Charter commemoration, which Santa Barbara College has celebrated only since 1944 when it became the eighth campus of the University of California. The community is also encouraged to participate in the above events which will open to the public.

Wayne Braman Is King of Diamonds

Wayne Braman was crowned the King of Diamonds by Jo Anne Perrin at the annual Alpha Delta Pi King of Diamonds Dance last Saturday. After the crowning, Jo Ann Harris sang "You're My King Of Diamonds" to the newly crowned King.

Alpha Phi and Sigma Phi Epsilon received the 27-inch perpetual trophy for sponsoring the king. This year's king is a senior majoring in economics.

Also crowned were Diamond Princes Dick Barr, sponsored by Pi Beta Phi, and Bill Kindel, sponsored by Chi Omega and Delta Tau Delta.

Barbary Coast Booth Forms Dues Friday, 4

Application forms for booths at the Santa Barbara Coast Carnival are due Friday at 4 p.m. in the Student Body office, Bldg. D, according to Chairman Bill Campbell.

Each application must include a rough sketch of the booth and \$3.00 for each ten-foot frontage desired. Additional charge will be made for such spots as the Quad steps, the pool, and the Gym steps. The booths will be arranged in circular fashion on the Gym lawn with the food booths in the center.

Booth locations will be chosen at a meeting Tuesday at 4 p.m. in North Hall 101.

Further information may be obtained from the Barbary Coast brochure which was sent to organizations this week. Additional copies may be found in the Student Body office.

Standards Committee Seeks Honor Code

An honor code for SBC is being investigated by the standards committee under the chairmanship of Diana Evasovic. A report on the progress of the committee was made at last week's Legislative Council meeting.

Diana has received information from Stanford University and UC at Davis concerning the honor codes at those schools. She is also interested in receiving any suggestions from students to help in formulating the code. She plans to have a student opinion poll on the subject in the near future.

Among the major points found in an honor code is that students will not have or receive aid in examinations or receive or give unpermitted aid in any class work that is used by the instructor for grading.

The faculty especially likes the code as it allows them to leave the room during exams. It also gives the students the privilege of leaving the room during exams, taking their exams outside the classroom, and talking to their friends if they so desire.

The "third person responsibility" implies that the student seeing others not following the code is pledged to report them.

Any reported student appears before the council, either women's or men's, to allow the innocent student a chance to clear himself of the charges. The councils are elective and conduct their meetings in strict secrecy.

The honor code emphasizes the sense of honor expressed in everyday situations, and it seems the mature way of handling the affairs of the students, according to the Stanford honor code handbook.

News Wanted for New Hilltop Talk Column

There will be a box on the counter in the *El Gaucho* office this week for any information and news for "Hilltop Talk", the *El Gaucho's* gossip column. Students are asked to bring any news in before 12 noon on Friday.

A representative is needed from the Mesa campus for "Mesa Memo". Students who are interested should check in the *El Gaucho* office or get in touch with the editor.

Salary Increase For Academic Personnel

The University's Board of Regents recently committed itself to relieve underpayment to professors emeriti and voted an across-the-board 5 percent salary increase for all academic personnel.

The salary increase is retroactive to last Sept. 1 and is expected to cost \$1.3 million annually.

With the new pay increases teaching assistants will get \$1500 a year, instructors will receive a minimum of \$4926, while full professors teaching on a nine-month basis will get a maximum of \$9852.

For those teaching in summer sessions it sets a minimum of \$4980 for instructors and a maximum of \$11,400 for full professors.

The Regents voted to have a five-man committee study and report a definite solution for the problems of 37 professors emeriti who claim they are averaging retirement pay of approximately \$109 a month, less than Old Age Social Security benefits.

President Sproul estimated the cost of providing for the emeriti as ranging between \$3.25 million and \$3.5 million, on the basis of actual studies.

In other business the Regents heard President Sproul announce a 3 percent drop in the University enrollment except for the UCLA campus which had an increase of two enrollees. They also voted an appropriation of \$3000 to bring the list of alumni up to date.

Industrial Educators Meet Here Next Week

The State Convention of the California Industrial Education Association will present exhibits of considerable interest to the public as well as their own members when they meet in Santa Barbara on March 20-21.

The special event for the public will be a commercial exhibit at the Mesa campus, to be opened Thursday evening, March 20. Several national firms will exhibit tools, industrial supplies, teaching aids, and books and shop work of all kinds. Also, motion pictures, slide shows and professional demonstrations will be offered by the exhibitors.

More than 1500 visitors are expected to be in Santa Barbara for the event. Dr. Kermit A. Seefeld, associate professor of industrial arts at the College and president of the Santa Barbara-Ventura Section of the CIEA, is the chairman in charge of local arrangements.

Student organizations are also planning to participate in the convention. The Industrial Arts Club will serve the Saturday luncheon at the Mesa campus. Epsilon Pi Tau, national industrial arts honorary group, will take charge of a barbeque Saturday afternoon at the Santa Barbara Junior High School.

The industrial education group will be welcomed by Dr. J. Harold Williams, Provost of Santa Barbara College, and Dr. Einar W. Jacobsen, Superintendent of the Santa Barbara City Schools.

TED TROY

PAT WILLIAMS

Troy, Williams, Joseph, Horn, Molina, Swift Elected

Ted Troy was elected President of the Associated Students by a two-to-one vote in the election held yesterday and Tuesday.

Pat Williams, only candidate for Secretary, was automatically elected.

In the race of Men's Representative-at-Large, Steve Joseph won over Pete Kane. Melida Horn was elected Women's Representative-at-Large. She was the only candidate.

In the class contests Mary Molina was elected Sophomore Class Secretary, and Marilyn Swift was chosen Secretary of the Freshman class.

Blood Donations To Start Next Week

Nine o'clock classes will be visited on Wednesday, March 18 by solicitors for blood donation pledges. They will pass and collect appointment cards from which a full list of donors will be compiled. The list will be posted on the Men's Gym lawn on March 20.

Cal Poly has promised at least 1,000 pints of blood will be donated in their Spring drive. The drive at UCSBC last year netted only 240 pints, which was the largest number ever donated at the college. The Tri-Counties Blood Bank will handle the donations. College hostesses will serve refreshments.

Greek organizations with the highest percentage of donors will be awarded a trophy which is now held by Sigma Phi Epsilon. All actives and pledges are eligible to participate. Members who are disqualified for health reasons may be credited by having someone else donate for their organization. At the time of signing up for an appointment, the donor must list his name, the name of the organization to be credited, and the name of the person to be credited. The trophy is perpetual. Upon losing it, the organization will be given a smaller one for the mantle.

There is a quota to be met of 100 pints of type O blood to be flown to Korea where it is urgently needed.

The Red Cross Chapter on campus is under the direction of Pat Williams, Chairman; and Peggy Eagan, Vice-Chairman.

David Lamb To Head Rally Committee

David Lamb was appointed chairman of the Rally Committee at the last meeting of the Legislative Council. He will serve for the rest of the semester.

There is still a vacancy for chairman of the Student Union Committee. The main project of this committee is to make plans for the remodeling of the Student Union at Goleta. Applications may be picked up in the Student Body office, Bldg. D., and must be returned by 4 pm Tuesday.

Homecoming, 1953, has been set Oct. 16 and 17, and was approved at the same Council meeting.

PARASOL PROM
The annual spring formal will be held Saturday night, March 28, at the luxurious Coral Casino. Final details are being arranged by the Social Committee and will be published in the next issue of *El Gaucho*.

The tallies showed that Troy won over Dave Gorrie with a 222 vote margin. Gorrie received 246 votes, and Troy, 468. By a similar margin Joseph beat Kane. The vote was 464 to 210. Pat Williams received 663 votes to be elected Secretary, and Melida Horn received 655 votes as Women's Representative-at-Large.

Mary Molina, sole candidate for Sophomore Class Secretary, received 136 votes. Marilyn Swift received 84 votes to Margaret Murdock's 69 to be elected Freshman Class Secretary.

Votes were counted late yesterday afternoon and results of the election were relayed to *El Gaucho* immediately to meet the special deadline. Pauline Byard is chairman of the Elections Committee.

Mr. Zytowski Writes New Opera Edition

Through the work and research of Carl B. Zytowski, lecturer in music at Santa Barbara College, Scarlatti's opera, "The Triumph of Honor," had its first English performance in this country when it was presented in Seattle on March 6-10.

Zytowski wrote a new English edition of this opera, which is to be performed by the University of Washington Opera Theatre in Seattle. He earned his MA degree in music at that university.

The young musician, who has appeared as the vocalist at several local concerts, wrote the new English libretto for the opera and also adapted the chamber orchestra accompaniment. The music had to be transcribed for the present-day type of notation and instrumentation. It is written for a chamber ensemble consisting of strings, oboe, and harpsichord. Zytowski began writing the English version of this opera last summer and completed it by Christmas. He believes that the opera has never been presented in America, even in the original Italian.

This is the second such English operatic adaptation completed by Zytowski.

Zytowski believes that opera can be effectively done in English and that none of the artistry need be lost because of its translation. "The Triumph of Honor" is the second such English operatic adaptation he has completed. His English version of Verdi's "Macbeth" was performed in 1951 in Seattle and St. Louis. Zytowski is now working on his third edition of grand operas.

El Gaucho

BOB ALFORD, Advertising Manager

The Basic Premise . . .

The editorial which appeared in last week's *El Gaucho* somehow graduated from the category of a mere editorial opinion (which is how it was intended) to the hallowed journalistic ranks of "controversial issues."

In spite of the fact that the article was written under a byline, in the editorial column, and need no justification for its expressed opinion, the content has aroused such resentment that something further must be said on the subject.

There were some inaccuracies in the editorial and here, presented in the interests of harmony, is the other side of the question:

1. The halftime entertainment presented by Santa Barbara College at the first meeting between the Gaucho and Westmont basketball team *did not* run over the allotted time. The fencers were timed and concluded their demonstration well within the time limit.

2. The contract for the games between Santa Barbara and Westmont expressly states that the game is to start at 8:15. The game in question, at which Westmont was the host, started 20 minutes late—not five as the original editorial stated.

3. The rules state that half time activities must be limited to 15 minutes unless it is mutually agreed that they take longer. No such agreement was in force. Three minutes before the start of the second half the coaches are to be notified. This was not done.

4. Apparently the Westmont coach did not know of the halftime activity and therefore was innocent of any willful breach of rules.

The original editorial has caused an uproar out of all proportion to its importance.

The basic premise—that it was impolite to break up the halftime entertainment in the way that it was done still stands. The quarrel with isolated inaccuracies does not alter the original complaint. J.P.

A Matter of Opinion . . .

The editorial in last week's *El Gaucho* brought many comments to the writer and to the editor. Some people agreed with the writer and some did not. Those who did not agree do not seem to understand the purpose of an editorial column. The column provides an outlet for personal opinions on any and all subjects.

If a student cannot utilize the editorial columns of *El Gaucho* for personal opinions without being subjected to attacks from members of the faculty, then *El Gaucho* might as well resign itself to the role of a glorified bulletin board and forget about being a newspaper.

Within the limits of good taste a newspaper editorial—even a college newspaper—should be free to express individual displeasure or delight on any subject which touches upon the life and times of the readers the paper serves.

The editorial column of *El Gaucho* shall continue to be used in that fashion. *The Editor*

On behalf of the Associated Student Body I would like to thank all those members of the student body and faculty without whose help College Day would have been impossible. I am only sorry that it is impossible to thank each of you individually.

Particularly I would like to thank Dr. Cushing for the great amount of work which he did in order to assure the success of College Day. Also to all the groups and organizations both academic and social and to the great number of students who spent considerable effort on the College Day program, my personal thanks.

PETE KANE
College Day Chairman

To the Editor of *El Gaucho*—

The only thing appropriate about the "editorial" in this week's *El Gaucho* is the title. "An Apology"—to the Gaucho basketball team who not only bucked the opposition all season, but their own school. The same school that now sees fit to sit back and criticize a school organization they never praised or supported in any way.

J. P., self-styled author-critic, should stick to writing up intramural ping-pong and competitive bird-calling like the sports page has done all basketball season until he is familiar with all circumstances surrounding the "foul deed" he wrote about.

Until that happy day when students care enough about the basketball team to support it, let no other critic express his unwanted

and unqualified opinions on a subject long dead around these halls of learning—namely basketball.

23 Feb. 53
Korea

Dear Miss,

I am writing this letter in behalf of the men in my squad and myself. We are stationed here in Korea and the time passes very slowly over here at times. Lately we haven't been receiving any mail and that makes the days pass even slower. If you ever been away from home for any length of time, I'm sure you'll agree that a person's morale can really drop to a new low in a situation, such as the one I am talking about. Nothing would help the morale of the men in my section as much as a few letters from home, so I am hoping that you will help me if you possibly can.

Would you print an ad in your school paper to the effect that several of us over here would really like to correspond with some of you young women. If you can really do something to promote correspondence, I'm certain it will be a morale booster to all concerned. Following are a list of the names of the men in my squad.

Pvt. John Baeye, RA 18413045
 Pvt. Milton Schuessler, US 55252061
 Pfc. Len F. Beenick, RA 13149181
 Pvt. Bill Dannenmaier, RA 17360106
 Pfc. Robert Maltby, NG 26347631
 Pvt. Fred Dawney, US 31511265
 Pvt. Roland Fontaine, RA 31404316
 Pfc. John C. Weber, US 52185083

The address of all of the above men is as follows:
 Hq. & Hq. Co. 15th Inf. Regt. 3rd Div.
 APO 468 %PM San Francisco, Calif.

I Remain, Very Sincerely,
John Baeye

A Southern belle once said to me,
 "I'd like to tell you—all
 That I smoke Luckies 'cause they're free
 And easy on the draw!"

Richard H. Levine
University of Vermont

Nothing-no, nothing-beats better taste

and LUCKIES
TASTE BETTER!
 Cleaner, Fresher, Smoother!

Ask yourself this question: Why do I smoke?

You know, yourself, you smoke for enjoyment. And you get enjoyment only from the taste of a cigarette.

Luckies taste better—cleaner, fresher, smoother! Why? Luckies are made better to taste better. And, what's more, Luckies are made of fine tobacco. L.S./M.F.T.—Lucky Strike Means Fine Tobacco.

So, for the thing you want most in a cigarette . . . for better taste—for the cleaner, fresher, smoother taste of Lucky Strike . . .

Be Happy-GO LUCKY!

In spelling class we get high grades
 Because we plainly see
 That better-tasting cigarettes
 Spell L.S./M.F.T.

Margaret Johnson
Duquesne University

I went to see the Registrar—
 He sent me to the Dean.
 The Dean said, "Son, smoke Lucky Strike—
 They're smooth! They're fresh! They're clean!"

William A. Spiegler
Northwestern University

Where's your jingle?

It's easier than you think to make \$25 by writing a Lucky Strike jingle like those you see in this ad. Yes, we need jingles—and we pay \$25 for every one we use! So send as many as you like to: Happy-Go-Lucky, P. O. Box 67, New York 46, N.Y.

Pros And Cons Of European Unification Plans Given In All-College Lecture

The Western European countries must forge their own instruments for a European federation—they cannot borrow from American history, it was declared by Dr. Stephen S. Goodspeed, assistant professor of political science, in the All-College Lecture given Wednesday, March 4.

In comparing the formation of a federation in Europe with the formation of the United States of America, Dr. Goodspeed brought out that the nucleus of our nation consisted of British colonies with the same legal and political institutions. They shared common traditions, language and religion. None of the colonies could have followed a strong foreign or commercial policy independently.

European states, Dr. Goodspeed said, have pursued independent foreign policies for centuries, sometimes they have been allies, at other times enemies, but they have always been sovereign. Dr. Goodspeed stated: "Where nationalism remains strong, these nations see in a union not a way of ridding themselves of nationhood, but an opportunity for preserving it. And each hopes to make itself the dominant force in the federation. Only the small nations possess a genuine unionist spirit, since they see no other way of survival."

The history of the effort to unite Europe was outlined. The first attempt was about 1,000 years ago, and each succeeding century has produced at least one plan of note designed to integrate Europe in order to eliminate war. "The aftermath of the Second World War provided the greatest impetus for a revival of European unification," Dr. Goodspeed said. "The devastation of the war, the weakness of the United Nations and the need for security against Soviet aggression have resulted

Danny Escalera Pins A D Pi Gerry Folsom

The Sigma Tau Gamma fraternity recently serenaded the Alpha Delta Pi in honor of the pinning of Gerry Folsom and Dan Escalera. The couple were pinned last November when Gerry was attending UC at Berkeley and it was not until later that everyone knew the news.

Joyce Calkin Engaged; Date Set for April 28

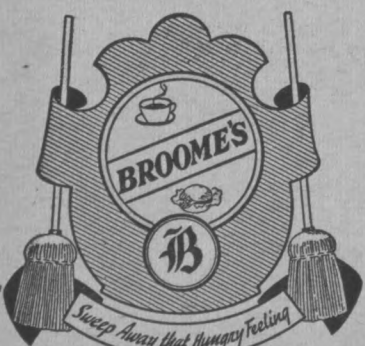

Joyce Calkin recently passed chocolates to her Alpha Delta Pi sisters to announce her coming marriage to Dean Hickox. Dean has just returned from 27 months of overseas duty. The wedding will be April 26. This couple will settle in San Jose where Dean will finish his schooling and Joyce will teach.

Jack Snodgrass Speaker At Sailing Club Meeting

Jack Snodgrass, cruise organizer for the 190 foot schooner, Atlantic, will be guest speaker at the Sailing Club meeting tonight at 7:30 in Pine Hall 101. A sailing meet with Stanford University is planned for Saturday, March 21, in the Santa Barbara harbor. Ed Brown, Chet Ward, and Dean Moore will be on the Santa Barbara team.

The All-California High School Symphony was first started by Santa Barbara College in 1941.

in the development of a bewildering and often confusing array of organizations designed to foster the unification of Western Europe."

The result has been, he said, what might be termed the functional approach—the building toward European unification piecemeal and in series. They fall into three groups: economic, political and military.

The problem of the lack of a clear-cut geographical line of demarcation between Europe and Asia was pointed out. Europe is not an ethnic unit, is only partly a religious one and physically blends rather easily into Asia.

Ironically, Dr. Goodspeed said, the greatest emphasis upon integration has come in that field least likely to lead to complete union—namely the military—caused by the widespread feat of Soviet aggression. He described various pacts, including NATO, and discussed the troubles surrounding the establishment of a unified army under the European Defense Community.

History Club Meets Tonite in AWS Room

There will be a meeting of the History Club tonight at 7:30 in the AWS room. This meeting is being held in connection with the convention of the Santa Barbara World Affairs Institute which will begin tomorrow.

Among the speakers who will take part in the discussion tonight is Cliff Walker who will speak on his personal experiences in Korea in connection with Korean history. George Proud will give an interpretation of the historical development of Korea.

The History Club will take an active part in the Santa Barbara convention Friday and Saturday. At this convention there will be important speakers from all over the world who will discuss the problem of Asia and the West and America's Search for a New Far-Eastern Policy. These meetings are open to the public and should prove to be of great interest to anyone who has a concern with world affairs.

Many of the faculty from Santa Barbara College will take part in the discussion groups of this institute as will the History Club in a discussion and service capacity.

Mademoiselle Contest Offers \$500 Prizes

Eight years ago *Mademoiselle* established the College Fiction Contest—an opportunity for women undergraduates to test their creative writing talents by professional standards. This affords the college student a chance for recognition in a national magazine well known for its outstanding quality of fiction.

Again this year, *Mademoiselle* will award a \$500 fiction prize to each of two winners for serial rights to their stories and publication in August, 1953 *College Mademoiselle*.

Rules are as follows: Eligibility: Women undergraduates only. Stories that have appeared in undergraduate college publications are acceptable but only if they have not been published elsewhere. Length: 3,000 to 5,000 words. More than one story from each contestant will be accepted. Format: Typewritten, double-spaced, one side of paper only, accompanied by contestant's clearly marked name, home address, college address, college year. *Mademoiselle* assumes no responsibility for manuscripts, will return only those accompanied by stamped, self-addressed legal-size envelopes. Judges: *Mademoiselle* editors, whose decision will be final. University Police with the mementos.

Entries must be postmarked by midnight April 15, 1953. Submit to: College Fiction Contest, *Mademoiselle*, 575 Madison Ave., New York 22, New York.

Friendship Week Ends Pledging for A D Pi's

Friendship Week from Feb. 23 to March 1 was the conclusion to pledge days for 7 Alpha Delta Pi pledges. After a week where friendship and courtesy were stressed, Normadale Carlson, Betty Cunningham, Marty Griffin, Sally McAnaney, Rhoda Ruth Rarick, Sue Pauff, and Mary Anne Stewart, became active members of Alpha Delta Pi and were honored at a dinner at Elmers on Sunday night.

A four year course in Industrial Education at Santa Barbara College was initiated in 1921.

The first issue of "La Cumbre," the Santa Barbara College annual, was published in 1922.

The "Roadrunner Revue," traditional college variety show, was first started at Santa Barbara College in 1931.

Dr. Sands Co-Author Of Education Volume

Dr. Lester B. Sands, associate professor of education and chairman of the department at Santa Barbara College, is co-author of a new volume entitled "The Administration of Public Education," recently published by the Ronald Press Company of New York.

The book, designed for use in the training of school superintendents and principals, deals with a great variety of subjects related to the field of school administration.

Chapters under the authorship of Dr. Sands relate to the school curriculum at the various levels, with emphasis on newer approaches to curriculum building and the administration of specific services, such as research, health programs, sports, special instruction for the handicapped, counseling, audiovisual education, adult education, safety education, recreation, and community welfare.

Among other objectives, the book aims "to show how the democratic philosophy of education can be meaningfully implemented in administrative practice."

Dr. Sands, author of numerous publications, came to the college in 1946 as registrar, was transferred to teaching duties in 1950, and subsequently became chairman of the department of education.

A major in history was first authorized at Santa Barbara College in 1929.

Speech Department To Present Pictures

During the next three months, the departments of Foreign Languages and Speech will present a group of outstanding motion pictures made in France and the United States. The first film, to be shown today in Pine Hall 100 at 7:30 p.m., will be "Foreign Correspondent." This picture features Joel McCrea, Lorraine Day, George Sanders and Herbert Marshall. It is a tense story of newspaper correspondents matching wits with enemy agents, and is directed by Alfred Hitchcock.

Some of the other films to be shown during the series will include "Of Mice and Men" and "Monsieur Vincent." Admission is free and faculty and students are invited to attend.

Class organizations at Santa Barbara College first began in 1923.

SBC BASEBALLERS PLAYS UCLA SATURDAY

Block C Sponsors Ticket Sale of First Home Game of Year

By Mike Noonan

The Gaucho horsehiders open their 1953 home season this Saturday afternoon when they play host to the highly touted UCLA "Bruins." The game is being sponsored by the Block "C" and it will be played at the Laguna Baseball Park, home of Santa Barbara's local pro club.

UCLA is a top contender in the C. I. B. A. race this spring, and the Bruin nine has dropped but one contest in some half dozen starts. Their victories to date include a resounding 10-1 defeat of the Loyola University "Lions," a top West Coast independent.

Against such a formidable foe coach Roy Engle shall throw as scrappy and hustling a crew that has ever represented this college upon the diamond. In a recent intra-squad tussle the Hilltoppers nearly wore one another down with their hard running and sharp hitting which has been characteristic of Gauchos nines these past years.

On the mound against the Bruins Engle plans to start right-hander Jerry McIlvaine, an all-conference hurler in '52, and behind the plate shall be veteran catcher Ray Knerr.

Backing up this capable battery will be an infield composed of all 2C2A short-stop Bill Davis, Jr., College transfer Joe Duanas at third, either Garry Morris or Dave Townley at second, and Ray Rubenstein at first base.

Rubenstein is a letter winner pitcher of a couple of seasons back who has shown considerable ability, both at first base and with the big stick at the plate, to win himself a starting berth with this airtight infield.

In the outfield Engle shall start mainstay centerfielder Dave Gorrie, the hard working athlete who came to us a few seasons back after a successful career at Pasadena City College. With him shall be Ken Trout in right field and freshman Bucky Baird out in left.

Such rounds out the starting nine. A smooth working machine, with lots of hustle out in the field, and plenty of power at the plate.

This may be the Gauchos sternest test of the season. Our cousins from Bruinville have a well-developed crew, but the Hilltoppers also possess a team of fine ability, which coupled with a hustling and plenty of moxie should give them an even break with their cousins from the south.

This is going to be a fine contest, it could well turn into a classic. Our boys need and deserve your support . . . let's all go on out to the old ball park this Saturday afternoon. It's Baseball . . . two o'clock . . . Laguna Park . . . Santa Barbara College "Gauchos"—UCLA "Bruins."

Jayvee Cagers End Season With 9-4 Record; Set New Scoring Mark Of 110 Points In Final

The Gaucho Junior Varsity basketball team, under the coaching of Lynn Reitnouer, finished their season with a new season record of nine wins against four defeats.

The team blew up the last game with a spectacular 110-74 victory over the highly rated Eddie's basketballers. The 110 points scored by the Gaucho J.V.'s was also a high point record for one game.

The season was sparked by victories over the Ventura Junior College J.V.'s, Santa Barbara Junior College, Cal Poly Frosh, Westmont College J.V.'s, and the Hillis Bros. They were defeated by Warren Tire Co. of Ventura, Cal Poly Frosh in an overtime, and Santa Barbara Junior College.

The team scored a total of 848 points as compared to their opponents who scored 716. The leading scorer and mainstay of the team was Ralph Clements with an average of 16.9 points per game. Clements' high game was against the Cal Poly Frosh with 25 points.

Riddick, Nutini Pace Seniors To Win In Inter-Class Meet

Joe Riddick and Hugo Nutini led the Seniors to a clear-cut victory recently in Santa Barbara College's annual Inter-Class track meet.

Riddick received a trophy as the meet's high point man and Nutini was awarded the trophy emblematic of the meet's outstanding performance.

Riddick scored 23½ points. He took first in the javelin, first in the high jump, second in the 440, second in the high hurdles, second in the low hurdles, third in the pole vault and ran a leg on the winning relay team.

Nutini won the "most outstanding" title in close balloting with Dick Metz. The Chilean distance ace won out because of his two record breaking performances. He erased the mile mark of 4:37.1 with a performance of 4:34.5 and knocked 12 seconds off Don Crie's 10:54 mark in the two mile run.

Metz turned in a sparkling performance in the 90 yard high hurdles. He erased Howard Cook's mark of 13.7 with a brilliant 12 flat timing. He also won the 180 yard low hurdles in 21.2.

The Seniors easily outdistanced the rest of the field in the team scoring. They piled up 80 points. The Sophomores were next with 40, the Freshmen third with 24 and the Juniors last with 22.

The results:
 100—Godfrey, Shipman, Carlson, Christofferson, 10.4
 220—Godfrey, Gillespie, Carlson, Ashby, 23.5
 440—Piercy, Riddick, 54.5
 880—Downing, Ward, Lorden, 2:07.5
 Mile—Nutini, Holtel, Pearce, Gerson, 4:34.5
 2 Mile—Nutini, Holtel, Pearce, Ward, 10:42.0
 90 HH—Metz, Riddick, T. Padilla, Lorden, 12.0
 180 LH—Metz, Riddick, Parsons, McGrew, 21.2
 Broad Jump—Jennings, Shipman, Parsons, Beacom, 21' 3½"
 High Jump—Riddick, Parsons, T. Padilla, Davis, 5' 11¾"
 Pole Vault—Tie for first between O'Cain and Grim, Riddick, 11'
 Shot Put—Ashby, Jennings, Green, Carlson, 39' 5"
 Discus—Jennings, Beacom, Gaunce, Ashby, 111' 9"
 Javelin—Riddick, Ashby, T. Padilla, Bramman, 165' 6"
 880 Relay—Seniors (Piercy, Nutini, Riddick, Jennings), 1:46

Gauchos Net Team Loses 8-1 Match to Redlands

The Gaucho tennis team opened the season last week by losing to Redlands, 8-1. The inexperienced SBC netters were no match for the polished attack of the visitors, who were engaged in their 11th contest of the season.

Santa Barbara's only victory came in the first doubles match when Neil Roberts and Ray Thornton beat Bud Lasby and Deane Overmyer, 6-4, 6-2.

The next match for the Gauchos is tomorrow, when they travel to Long Beach to play Long Beach State.

Men's Bowling League Off To Roaring Start

The Men's Bowling League started off with a 'bang' at the first night last Thursday at the Barbara Bowl. Splitters and Delta Sigma Phi has not yet been completed.

The Sigma Alpha Epsilon team grabbed three out of four from Sigma Pi. The Delts equaled that score with Lambda Chi Alpha, and the Sig Toos were forced to share first place with the other two. Last semester's second and third place teams, the Sig Tau and Faculty team, battled to a 2-2 split. The match between the

Splitters and Delta Sigma Phi has not yet been completed.

Rick Hartman of Lambda Chi Alpha bowled the highest game of the evening with 203. He also had high series of 501, followed by teammate Gill Lopez with 500. The Co-Ed league will officially begin tonight at 6:30 p.m.

Santa Barbara College first became a member of the American Association of Teachers College in 1922.

It's the size of the **FIGHT** in the man!

That's right! In the U. S. Air Force, it's not the size of the man in the fight—it's the size of the **FIGHT IN THE MAN!** And Aviation Cadets *must* have plenty of it. For Cadet training is rugged. If you're good enough . . . tough enough . . . smart enough . . . if you can take it while you're learning to dish it out, you can have one of the most fascinating careers in the world. You'll be equipped to fly the latest, hottest planes. You'll be prepared to take your position as an executive, both in military and commercial aviation as well as in industry. And while you're helping yourself you'll be helping your country.

WIN YOUR WINGS! It takes little over a year to win your wings as a Pilot or Aircraft Observer (Navigator, Bombardier, Radar Operator or Aircraft Performance Engineer). But at the end of your training you graduate as a 2nd Lieutenant in the Air Force, with pay of \$5,300.00 a year.

ARE YOU ELIGIBLE? To qualify as an Aviation Cadet, you must have completed *at least* two years of college. This is a minimum requirement—it's best if you stay in school and graduate. In addition, you must be between 19 and 26½ years, unmarried, and in good physical condition.

New Aviation Cadet Training Classes Begin Every Few Weeks!

HERE'S WHAT TO DO:

1. Take a transcript of your college credits and a copy of your birth certificate to your nearest Air Force Base or Recruiting Station. Fill out the application they give you.
2. If application is accepted, the Air Force will give you a physical examination.
3. Next, you take a written and manual aptitude test.

4. If you pass your physical and other tests, you will be scheduled for an Aviation Cadet training class. The Selective Service Act allows you a four-month deferment while waiting class assignment.

WHERE TO GET MORE DETAILS:

Visit your nearest Air Force Base, Air Force Recruiting Officer, or your nearest Air Force ROTC unit. Or write to: Aviation Cadet, Headquarters, U. S. Air Force, Washington 25, D. C.
