\$3.00 OFF Any Disposable Camera

IN SMALL TYPE: Choose one or all seven disposable cameras and bring back "the film that's a camera" for processing. We send the camera body to KODAK for recycling. We want to help protect the environment, too. We hope they don't make polyester jackets from the stuff. Does Lycra® grow on trees, in/on the ground, or from crawly, buzzy bugs? We guess it's okay to make stretch outfits. Except neon. We don't condone neon. Or waste. Coupon must accompany order.

Get Results!

After having my baby, I "suddenly" had 30 pounds to shed. I tried the conventional way of losing it by joining a gym and exercising the "hard way." Finally, I joined Beverly Hills Concepts, and by combining Body Wraps with their fitness program, I lost more inches and saw more improvements in 3 months than in the entire 9 months I had spent stressing and straining away. If you want to lose inches and slim down the easy way, join me at Beverly Hills Concepts! /Gina Kerley

This is a whiplashed neck

This is the same neck restored to normalcy by Dr. Duell

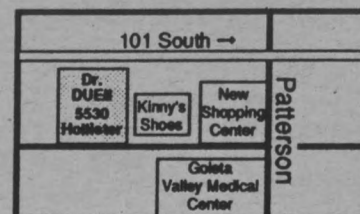

Hi, I'm Dr. Mark L. Duell, Sr., Doctor of Chiropractic. Perhaps gentleness in chiropractic is a new concept to you. It was to me before I began the six years of college training necessary for my doctorate degree. During those years I learned the precise locations where light pressure can bring chiropractic relief to pain.

In addition to my doctorate, I have a bachelor's degree in Human Biology. Since college I have completed courses in Activator, Nutrition and X-Ray. Even now I devote three days every month attending a nationwide seminar on chiropractic.
