

SANTA - BARBARA STATE - COLLEGE

EL GAUCHO

-- formerly Roadrunner --

Vol. XVI

SANTA BARBARA, CALIFORNIA, FRIDAY, OCTOBER 16, 1936

No. 9

The Bystander Observes

By KENTON CAMP

"Seek the underlying reasons for propaganda."

BELGIUM NEUTRALITY

King Leopold has urged his cabinet to return to strict European neutrality. This advice is interpreted as the first step towards repudiation of Belgian defense treaties with other powers and its duties under the League of Nations covenant. They have inaugurated a program to strengthen their army and eastern fortifications.

SPANISH REBELS ADVANCE

The Rebels in a tremendous offensive advanced to within 25 miles of Madrid. Trucks, tanks and armored cars were used in the advance not only to pursue the retreating loyalists but also to block their retreat. While government forces were being pushed back, loyalist police patrolled the streets of Madrid searching for hidden Fascists. Persons suspected of disloyalty were thrown into prison.

SALINAS RIOT

A barrage of tear gas was laid down by police and armed guards to disperse 400 striking lettuce workers. The police also halted an attempted march of the strikers through the downtown streets of Salinas. This new outbreak followed Mayor E. J. Leach's announcement that "as far as the city authorities are concerned, the lettuce strike is over."

The threat of a coast-wide waterfront strike was renewed when Pacific coast maritime unions asked their members to vote on the proposal to strike at midnight, Thursday, Oct. 28. The crisis became acute as the joint negotiating committee for the unions questioned the authority of the national maritime commission to declare a permanent truce in the present dock controversies.

Publicity Director Initiates System of Filing Sports Lists

The physical education department of the school under the tutelage of Ken Noble, publicity director of Santa Barbara State, has initiated a file of photographs and engravings of the football squad. The idea will continue during other sport seasons so that eventually there will be a complete file of State athletes.

Mr. Noble has arranged with Allen Neil, a member of the art department, to reproduce photographs of the squad. These will be made into mats giving a brief athletic history of the individual and will be sent out to various newspapers in Southern California and Nevada. The first of the series is "Flash" Yeager. The photography reproduction has been done with the cooperation of Mr. Roy Lawthorne, art department.

Every week before each game, a prepared story of the coming fracas is mailed to a list of about 25 newspapers in Central and Southern California, to keep them posted on the activities of the Gauchos.

Home Ec Graduates Get Teaching Places

Eleven members of the class of 33 home economics graduates of June, 1936, have obtained teaching positions, according to Miss Jean Krueger, head of the department.

One girl is employed as a dietitian; two are engaged in graduate work; four are equipment specialists; two, school cafeteria managers; one is a student dietitian; seven have married, and it is not known what the other five graduates are doing at the present time.

Student Trips to Reno Await List of Fifty

35 Gridmen, Members of Band Sign to Travel on Special Train

MUST SIGN WITHIN WEEK

Group Leaves Friday Afternoon, Returns Monday in Time for Classwork

With five days remaining before the deadline decision on the special train to Reno for the University of Nevada-Santa Barbara State football game on October 31, the rally committee urges all students planning to make the trip to sign in Fred Allred's office immediately.

Approximately 35 gridmen will make the trip, in addition to members of the State college band. About 50 more student names are needed to insure the journey. A price of \$11.60 plus \$5.00 for lower berth or \$4.00 for upper has been set as round-trip excursion rate. If less than 100 persons make the trip, the total price will be almost double the above standard.

The special train will leave Santa Barbara at 1:30 on Friday afternoon, October 30, and arrive in Reno at eight a.m. Saturday. It will leave Reno Sunday morning at 10, and arrive in Santa Barbara at five a.m. Students are asked to report for class Monday morning.

A five-dollar deposit is asked by Fred Allred, student controller, to insure a reservation. If the special train is taken, this money will be applied on the total price, and under no conditions will it be returned. If the excursion plan does not materialize, the money will be refunded.

Plans are now under way to send the entire band to Reno, but a definite decision has not yet been made by the rally and finance committees. Townspeople may make reservations for the trip.

Debate Group Plans Meet Next Tuesday

Santa Barbara State's newest organization, the debate group, has 28 interested students who will meet next Tuesday, October 20, during periods eight and nine in the auditorium for their initial meeting.

The organization will be known as a squad, since it is to represent the school as does the football, track, basketball, or baseball squad. "If you can't make it eighth period, come the ninth, but be there!" said Ross Lamoreaux, debate manager.

Instructor Describes Beauties of Oriental Trip

Mrs. Roscoe Lyans Visits Scenic Wonders of China and Japan

"Knock, Knockski!" "Who's there?" "Me-ski!" And Mrs. Roscoe Lyans, art instructor in this institution, expects to drop her knitting and usher in a big burly giant with a familiar bottle in his fist.

On their recent tour of the Orient, Mr. and Mrs. Lyans flung 6 sealed bottles containing their name and address into the yawning maw of the Pacific. There are two currents in this ocean, namely the Humboldt and the Japanese, so those bottles may go to any of a dozen places and may be found tomorrow or not for 20 years. "And what a thrill it will be," says Mrs. Lyans, "when we hear from the finders!"

But, in the meantime, the Lyans' have thrilled to the grandeur of the Far East. They have wandered through ancient gardens, visited weird temples, and climbed the steep granite steps of the Great

Wall of China with the aid of foul-smelling Chinese guides who prattled constantly of "Kumshah," their word for "tips."

Parapeted on the Chinese side and plain on the other, the renowned landmark separates China proper from Mongolia and provides an inspiring view of the Gobi desert, spattered with camel-paths and patches of low rounded foliage. The marvel of this massive structure is that it is constructed of huge granite blocks which must have been dragged hundreds of miles through the desert from the high mountains.

Among other historical places visited by the Lyans' were the Ming tombs which, according to Mrs. Lyans, should be listed as one of the seven wonders of the world. Thirty miles out from Peiping toward the Western hills an intricately carved gateway stands sentinel

Men's Letterman Organization Plans Next After-Game Dance

Bishop Announces College Aptitude

The college aptitude test will be given for the last time this semester on Friday, October 23, at 2 p.m. in the auditorium. All freshmen who have not taken the test here are held responsible for appearing at this time.

The test is part of registration procedure and no freshman is considered completely registered until he has taken it.

Signed:
DR. ELIZABETH BISHOP.

Mayor Hanson Sets Official College Week

President Phelps Addresses Assembly; El Gaucho Takes Straw Vote

Testifying to the prominent position the college occupies in the life of Santa Barbara, Mayor E. O. Hanson has officially proclaimed the week of October 19 to 23 inclusive as Santa Barbara State College Week, and will repeat this announcement before a general student assembly, Tuesday morning, second hour.

President Clarence L. Phelps will also address the students and El Gaucho will take a straw vote of student opinion in the coming national election, at the assembly.

The observation of State College Week was inaugurated last year by the Mayor. At that time he displayed his attitude toward the college by offering to buy for the student body the "Song of El Gaucho."

During the week, the college reviews its activities

Twaddell, Poole, McKinney, Pollock Stage Event for Students

The Block "S", men's letterman organization, with the cooperation of the Men's club, El Gaucho, and the social committee, will stage the second after-game dance of the season tonight. The dance will be held after the La Verne game at the Elk's club, formerly La Hacienda, on East Carrillo street, from 10:30 to 1 a.m.

A special invitation has been extended to Hank Lloyd and his La Verne Leopards to join the Gauchos in the after-tussle "jig" and it is expected a large number of them will attend.

John Twaddell and Bill Poole, president and social chairman of the Block "S" society; Petie McKinney, editor of El Gaucho; and Dave Pollock, president of the Men's club; are in charge of the arrangements. Helen Longawa, Dotty Darrow, Ann Seymour, Irene Minikin and Petie McKinney, will serve refreshments.

Skiles Boys, the "mad musicians" now playing at the Biltmore hotel have been engaged for the occasion. According to Mr. Twaddell, the music should be exceptional as the players have just accepted an offer to play at the Mark Hopkins hotel in San Francisco, and have also taken part in many motion pictures.

Faculty who have been asked to

(Continued on Page 5, Column 4)

Industrialists Have Breakfast Meeting

The Industrial Education department will have breakfast Tuesday, October 20, at 7 a.m. in Ebbets hall, according to Harris Brakesman, president of the department.

Dale McNiece, social chairman, is in charge of the program. Homecoming plans will be discussed. Mr. Brakesman urges all I. E. men who plan to come to sign up in Mr. E. E. Ericson's office at once.

Squires Divide State Sections to Aid Rooting

Campus He-Men Show Spirit By Renouncing Fair Sex at Games

SLOAN SELECTS NEW AID

Student Cooperation Asked to Promote Idea at La Verne Game

By IRENE MINIKIN

Issuing a call for "he-men of the old school" and "independent members of the fairer sex," the Sophomore Squires announced today the division of the student rooting section into three new sections, men, women and band division, a plan which will omit the "date section" completely from the grandstands.

Upon recommendation from the rally committee, the Squires have taken upon their shoulders the enforcement of the seating system, which is intended to improve organized student body rooting.

The services of Jack Cornwall, Freshman, have been secured by Harry Sloan, yell king, to take care of one division of the student section.

"Students are asked to cooperate with this move on the part of the Squires, obey the ruling, and give it a fair trial," stated Harry Sloan.

The new system, justly based upon practical usage in the majority of Southern California colleges, will go into effect at the La Verne-Santa Barbara game tonight at Pershing Park.

Men escorting co-eds to the fray will be asked to "split forces" for the duration of the game, due to the proven vocal retirement on the part of men in the presence of their "girls." Upon refusal, the couples will be ushered to reserved seats, probably in the end-zone. The plan is a sound test of "rooting" efficiency, a call for will-power and cooperation, and a challenge to campus "sissies."

Legislative Council Grants Permission for Campus Raffle

Beta Sigma Chi, social fraternity, was given permission to hold a raffle, awarding two Reno tickets as prizes, at the regular meeting of student legislative council, last night in Pine Hall. Tickets for the raffle will be held on the campus but the awarding of the prizes will not be allowed here.

Chuck Leister was awarded a band sweater and insignia by the group to make up for an oversight during last year's awards assembly. The council gave the Women's Athletic Association permission to sponsor the annual Football banquet, which will be held December 4, followed by a student body dance.

The welfare committee recommended that the finance committee appropriate a sum of money to be used to purchase a bulletin board which will be placed in the quad. The council also discussed the need of better campus cleanup.

Financial Office Mails Lab Fees

Laboratory bills for the fall semester of 1936 are being mailed to the students at their local address, on or before Saturday, October 17, according to the financial office. These fees are due and payable from October 19 to October 23.

No student will be admitted to his classes after October 23, unless the fees have been paid, or sufficient explanation given for deferring the date of payment.

The Upward Path

Letters of congratulations and admiration for Santa Barbara State college, as pictured through the News-Press all-college edition, continue to come to the administration.

From J. A. Hill president of the West Texas State Teachers college, comes the word, "I have read with much interest the special edition of the Daily News-Morning Press. Apparently you are dreaming dreams out there. The change in name and function which is taking place there will no doubt take place in other similar institutions in the near future. I congratulate you upon your leadership in this field and shall watch development of your institution with a great deal of interest."

To President Clarence Phelps, a letter from W. P. Morgan, president of the Western Illinois State Teachers college, offers, "I am sure things are going forward nicely for you, and you must be developing a most wonderful plant. When you have some of the buildings erected, I shall be interested in actual photographs, for the pen sketches seem wonderful. I wish you every success in completing this venture."

A message from Thomas W. Butchers, president of the Kansas State Teachers college of Emporia, states, "It ought to be enough to have the privilege of living in a beautiful city like Santa Barbara, without having all of the advantages of attending an educational institution such as the one over which you preside. But some people have more than their share and at this distance it appears that the young people of Santa Barbara and the environs thereof are for the moment at least God's elect."

With these commendations from other State colleges, the fact is again evident that Santa Barbara State is on the uptrend.

Problem Children?

On the campus is found a large room, filled with comfortable chairs and settees, which is used as a haven of rest for the gentlemen of the college, and is more commonly known as the Men's club room.

This year a rather serious problem has been facing Dave Pollock, president of the Men's club; the ever growing tendency of the students to indulge in "crap" games, a common form of gambling. To have anything of that sort transpiring any place on the campus shows great lack of the finer ideals in Gaucho men, but to have it going on constantly in such a place as the club room is indeed a "black eye" for the school.

Plans have been made to install pictures of fraternity heads and outstanding athletes on the walls to harmonize with the spirit of fellowship which pervades the room. —I.M.

CAMPUS CALENDAR

Friday, October 16—Gauchos vs. La Verne, here; Block "S" dance, Hacienda.

Saturday, October 17—Pu Ko How Scavenger hunt; Frosh vs. Cal Poly, there.

Sunday, October 18—Art department at College cabin; Pan-Hellenic Tea for new women; Gnome club dinner; Monday, October 19—Phi Delta Pi; Kappa Omicron Phi; Women's P.E. department supper; Gnome club, Pu Ko How, Frat meetings.

Tuesday, October 20—I.E. department breakfast, 7:00 A.M.; Dining hall; Student body meeting, 2nd hour; Art department meeting; Delta Phi Upsilon, Alpha Phi Gamma; Orchestras.

Wednesday, October 21—College "Y", 7 a.m.; Welfare Council, 4:30; W.A.A. Recreation night, gymnasium; Riding class; Band, Spanish club.

Thursday, October 22—Whittier game rally; W.A.A. board meeting; Alpha Phi Omega, International Relations

Long Shots

By LONGIE

Some nice dirt fresh from—well, the place where fresh dirt comes from.

So the fellows who are working up a tumbling act also want to join the Orchestras society, (dancing class to you) . . . Was I hearing right when I was told that Dot Taylor, Al Young, Ruth Taylor and Tooley Palmer were all out together the other nite? . . . Will some one please tell me whether Yale Lorden and Alice Lamb really have broken up. It didn't look that way Wednesday morning when they were sitting on the lawn in front of the gym.

Congratulations! Just received this bit of exciting news from an authoritative source. Miss "Minnie the Moocher" Minikin and "Baby Blue Eyes" Roger Waddell have been trying to tie the matrimonial knot. Hower, the couple explain they are waiting for some of their good friends to give them alms to pay the parson. Poor "Minnie." She gets long-distance calls from Santa Maria and Hemet and tries to tie strings on "Wannie" Woods. Well I guess it's a case of "may the best man win" or the "survival of the fittest." I don't know.

Joe Downey and "Pinkey" Davis are getting to be about as thick as the usual Christmas shopping rush. Guess that's all now . . . Bye.

Radio Ranglings

Carmela Ponselle, heard on "Broadway Varieties," is a good example of something or other. She selects the song she is going to sing for the program on Monday. She spends the day in going over it with her coach. Tuesday she spends in making first records and checking them for any imperfections. Wednesday she makes more records, and it isn't until Friday that she gets around to rehearsing it with the orchestra.

Hollywood is gradually becoming the nation's radio center. In the last year NBC has built a new building with modern studios. CBS has plans for a new six story building with six modern studios. Also, Hollywood is the origination of many of the bigger programs and more are scheduled to originate in Hollywood.

November 10 is the opening date of Jimmy Fidler's Hollywood Gossip over the NBC Red network. It will probably be a good program for people who follow movie gossip.

Hollywood Hotel tonight will have Freddie Bartholomew, Jackie Cooper, and Mickey Rooney as guest stars. They will do scenes from "The Devil Is a Sissy." This is another picture that should be among the top 10 of the new season.

Irving S. Cobb will have a premiere of his new program Saturday

From Where I Sit

And where I sit here day by day
To see what students have to say,
I find this kind.

They neither tarry nor delay,
They have their work to do each day,
A different mind.

They do not care what others think,
They're not afraid and never shrink,
For these are here mostly to learn
So make it then their main concern.
But on the campus they don't show
Up as the rest, and working, go
Continually.

You see, most of them work their way
So there's not much time left for play
But when these students often pass
And glimpse the gaily laughing

mass
Of college life,
They wonder if they're missing much

And wish that they were one of such—
These carefree ones.

These students miss a campus life,
In the work and in the strife
To learn,

Which never again can they regain,
And yet it seems they will obtain
More good.

A magic wand I'd like to wave
To help these students paths to pave
If I could.

I can't, and yet one fact we know
That losing fun, forgetting soul,
It's these who will obtain
Their goal.

night at 7:30 over NBC. Marion Talley will sing on the premiere. You should listen, if only to hear Miss Talley.

We certainly would like to hear a program with Ethel Merman as star. With her voice, any program would be good.

Jack Benny's program seems to have a new freshness about it. Maybe he has new writers, we don't know yet. He is one of the many radio stars who can stand television.

We think that they should install radios at the football games. The reason being the change in Andre Kostelanetz's broadcast time. Maybe the games should be started half an hour later so that we could stay in our cars, or in a car with a radio.

Book Chatter

By Arthur H. Batchelder

Yipee . . . Hiya . . . boom, bang . . . Yipee. This is the type of rough and tumble action found in "Rangers is Powerful Hard to Kill" by Caddo Cameron. My India spirit-guide tells me it's full of dynamiting action concerning Texas Rangers on the prod for the men who killed one of their number.

A true spine chasing thriller may be found in "The Death Angel."

Plot—
Baffling beyond words.

Characters—
Excellent.

Atmosphere—
A wooded Wisconsin estate with a mysterious cold light seen in the trees, and a bloody hand print

The author, Clyde B. Clason, has advanced remarkably both in his writing and in his plot construction from his first book. He is far more enjoyable and irresistible. Get to work, you amateur Sherlock's and see how good you are.

Its like jumping from the ridiculous to the sublime to digress from the above books to our next review, but I'm always for jumps of any kind . . . just to make life interesting . . . so here goes.

Countless numbers of brilliant men are giving their life to seemingly lost causes. Unheralded, these men proceed, asking only that in some way some person of a down-trodden race be benefitted by their work. Such a man, doing such work is Ernest Thompson Seton.

His latest book, "The Gospel of the Red Man—an Indian Bible," gives authentic examples of his work in the Seton Institute near Santa Fe, New Mexico.

He believes the Indian's way to be the true way of life and in this volume shows how the noble Red Man needs the problem of conduct in relation to his fellows and his God.

Seton has preserved what he describes in his introduction as "The best things of the best Indians."

All of us should read this book, for through it we may come to possess a more profound tolerance for the down-trodden races of the cosmos.

Fighting Frosh of '40 Battle with Cal Poly

Gauchitos Prepare for Toughest Game of Grid Season at San Luis

FROSH SHOW STRENGTH

Harder Comments Praise Frosh After Scrimmage with Varsity Team

Fighting Freshmen of '40 are again ready to display what makes football a truly great game as they prepare to smash into Cal Poly tomorrow afternoon at San Luis Obispo. While Cal Poly is the toughest team on the schedule, it is rumored that the Frosh are ready to upset the dopebucket.

Starting the season by losing to Miramonte J. C., 23-0, the Fighting Forty straightened out a few errors and held a powerful Bakersfield J. C. to a one score victory the following week-end, 13-6. The next game was dropped to the best Ventura team of past years, 13-0. In this last game both scores came on bad breaks. In the meantime the line-up has been improved as one of the poorer players dropped out to be replaced by new men from Bakersfield. Unfortunately, Norvin Ewing, stellar end, has been removed from the roster by a broken leg.

In a scrimmage with the varsity Tuesday afternoon, the Frosh were watched by Head Coach Spud Harder, who desired an acquaintance with possible varsity material. Harder said after the scrimmage, "the Frosh may not have the clean record of the varsity, but they do have a fighting determination to win, a clean playing spirit, and potential material for future Gauchos."

Cal Poly has a fine record on paper, but paper records are never clear until other factors are known. Poly began the season with a loss to Flagstaff Teachers college, 7-0. While this indicates a strong team, Flagstaff did not work their first string as the Gaucho game followed the next week. The next week Poly beat Miramonte by one point by a passing attack. Poly is rated high but not as high as in past years.

Morelli Leads in Scoring, Yardage

Morelli, Yeager and Gardenhire are State's three most consistent yardage gainers, according to a publicity release by Ken Noble. Morelli has taken the ball 30 times to gain 222 yards and lose 8 yard for an average of 7.1. Yeager took the ball 22 times to gain 171 and lose 9 yards for an average of 7.3. Gardenhire took the ball 26 times to gain 191 yards losing 12 yards for an average of 6.9.

In the scoring division, Morelli is again the leader with 5 touchdowns and Yeager is second with 2 scores. Other point-makers are Monson 1, Smith 1, and Gardenhire 1. Also Oldershaw is credited with 3 conversion points.

Player	TCB	YG	YL	A
Morelli	30	222	8	7.1
Gardenhire	26	191	12	6.9
Yeager	22	171	9	7.3
J. Smith	13	88	8	6.1
Sanderson	20	67	7	3.0
Swanson	8	36	2	4.2
Pollock	17	43	10	1.9
F. Monson	17	43	10	1.9
Palmer	6	12	5	1.2
Johnson	2	9	0	4.4
Lee	2	7	0	3.2

La Verne Vows to Fire Works

Leopard Powerful Passing and Running Attack Set for Friday Game

Under-rated but determined, La Verne will descend upon Pershing Field tonight with an avowed expectation to "shoot the works." The out-of-towners are ready with a powerful passing and running attack and a generous portion of reverses which they expect will upset the Gauchos in a night of bewilderment.

In the line, the strength is to rest chiefly with an end, a tackle, and a guard. Carl Dutcher at the end position is rated the toughest at the weight of 138. The tackle is Anderson who may be playing, end as he is plenty fast. Ellwood Johnson, guard, is rated high on his speed and his defense work. The line average is 175.

Backfield material displays two combinations that may be shifted often. The list reads Captain Larry Stutsman, blocking back; Harper Lehman, passing runner; Vernie Howeth, ball-carrier; Carl Walsh, passing fullback; Babe Eisan, blocking half; Frances Ulmer, Johnny Landis; and Tommy Thomason, fastest man on the squad.

Says a La Verne press dispatch, "Coach Hank Lloyd does not expect to win but he does expect to give the fans a real show for their money. He plans to use the theory of 'nothing ventured, nothing gained.'"

Con Las Amazonas

By BETTY CLARK

Looking like real live crabs and dogs, the Freshman girls Physical Education, held fifth period on Tuesday and Thursday, are learning the "crab walk" and the "dog run." For the first exercise, each girl gets down on all fours with the front part of her body exposed outward. Maybe you do not think that this is an awkward position! Try it sometime in your spare moments! The "dog run" is not quite as bad as the "crab walk". For this exercise, each girl gets down on all fours with the back part of her body exposed outward. These are lots of fun, but pretty near every muscle is used and the outcome is that each girl is very stiff and sore. On Thursday, the class plays hockey under the direction of the physical education majors.

The Sophomore women's physical education classes are learning to tap dance to the two songs "Three Blind Mice" and "Golden Slipper". Another dance is in the process of being learned by the class.

Beta Sigs Tangle with Tau Omegas

State College's version of that aristocratic sport, polo, will be presented to the football fans between the halves of tonight's encounter, when the Beta Sigma Chi men meet the Tau Omegas in a six minute encounter entitled "Broom Polo."

Rules of the game state that the ball may be advanced only with the broom. Kicking the ball, throwing the ball, and hitting opponents with the broomstick are strictly forbidden.

The Beta Sigs claim they will brush their opponents aside with a "sweeping victory," but the T. O.'s say they will do all the cleaning up.

Gardner Plays Guard Position

Reserve Lineman Shows Power in Single Gaucho Year After Prep, Jaysee

Another member of the football squad whose playing is of note, is Sid Gardner. He plays guard for the Gauchos but during his three years of high school experience he handled the position of tackle. As a sophomore at Santa Maria High school he played on the lightweight team and the next year was placed on the Angel's varsity. He played for two years under the supervision of Coach Fred Hamilton and was all county tackle in his senior year. The following year he went to Santa Maria Junior college where he played guard. He also did some fine playing in this new position. From Santa Maria he transferred down to Ventura Junior college and played a season for the Pirates. He also played guard there.

Last year Sid came to play football with the Green and White and made his letter in the sport. He did not see action until the Redlands game last season when he was put in to replace Hayman, the regular guard who suffered from a knee injury. When Sid got his chance he proved to every one that he could really handle that guard berth, and after that he played outstandingly in the following games. He proved that he was able to play a full 60 minutes of hard football without tiring.

Gauchos Set for La Verne Clash Tonite

Hank Lloyd Coach of La Verne Former Assistant Mentor for Gaucho Machine

YEAGER SET FOR GAME

States Regular Backfield to Start Game with Subs Ready for Action

With two of his first string on the shelf, Coach "Spud" Harder will send the Galloping Gauchos out to try and cage the potent La Verne Leopards tonight at Pershing Park.

The Leopards are coached by Hank Lloyd, former assistant coach here at State, and he intends "to shoot the works" against his former associates. The "works" consists of wide open passes sweeping end runs, reverses, and a general razzle dazzle patterned somewhat after Redlands. An abundance of speedy backs and a better than average line make La Verne a tough hurdle for any team.

The potential starting line-up for the Gauchos is: Mulock at left end; Fredburg at left tackle; Hale, a sturdy replacement for Doug Oldershaw who is out with an injured shoulder, but can play if necessary at left guard; Hart at center; Gardner, the boy that stopped Blaisdell so effectively, at right guard; Busby at right tackle, and Young at right end.

The usual backfield of Pollock at quarter, Morelli at left half; Yeager at right half, and Gardenhire at fullback, will start. Freddy Monson will see plenty of action at the fullbacking post on the strength of his fine playing in the Redlands game. Jack Smith is still on crutches but will probably be in shape for the gruelling Whittier game.

Johnson will replace Yeager when necessary as "Howie" is just recovering from intestinal flu.

The American College Publicity Association at the annual convention in Boston elected Frank S. Wright, University of Florida, as its president.

'37 Ballplayers to Start Season

Diamond Prospects Form Club to Play Sundays at Cabrillo Field

The Santa Barbara Kangaroos, composed of 1937 diamond prospects, will open their season shortly, playing Sundays at Cabrillo field against various coast teams.

From last year's Southern Conference championship team, such stars as Shires Erhard, all-conference 1b; Bobby Murray, last year's batting champ and all conference 2b; Jim Van Meter ss; Elmo Evans 3b; Chuck Luse and Tom Smith, outfielders, will play.

New comers are Dave Rumbaugh, left hand chucker; John Hall, Earl Homan, Johnnie Bassett, Bill Foley and a host of others. The pitchers are Homan, Rumbaugh, Erhard, and Bassett. The club is managed by Lane Mickey, hard hitting backstop of last year's frosh, who is recovering from an operation.

The club will operate until the college season opens and will undoubtedly be in good shape for the strenuous season mapped out by Coach "Spud" Harder. The club will be strengthened greatly after football season, when several of the gridiron greats will be ready to play.

Pan-Hellenic Council Honors Freshmen, Transfer Women

Walker acts As Tea Chairman With Hooker Serving on Reception

With the college quad and A.W.S. clubroom as setting, the Pan-Hellenic council will honor all new campus women, Freshmen and transfer, at a tea to be held Sunday afternoon from 4 o'clock until six. Informal dress will be in order for the event which will be given for the purpose of promoting friendly relations between sorority women and new women.

Bettie Walker, Alpha Theta Chi, president, will act as chairman for the affair, with Ruth Hooker, president of Phi Kappa Gamma, as head of the receiving line. Presidents of the other five sororities will complete the reception committee. Dean Lois Bennink and Miss Florence Clark will represent the faculty.

Committee heads in charge of arrangements are Marjorie Marshburn, finance; Frances Waring, refreshments; Frances Hoelscher, decoration; Elisabeth Leonard, program; Irene Baptiste, invitation; Dorothy Allen, serving; Jean Goss, clean-up; Nellie Rathjen, dishes; and Ruth Hooker, reception.

Patronesses and sponsors of seven sororities will pour. Members of the Pan-Hellenic council, a board composed of representatives of seven State sororities, urges all sorority women and new women to attend.

Delta Zetas Plan Coming Events

Meeting at the new home of Elisabeth Leonard on Hermosillo Park in Montecito, the Delta Zeta Delta sorority settled culminative events for the fall semester.

The alumnae association has set the date for its annual fashion show as November 11 at El Paseo. Plans for homecoming were also discussed and different ideas for the float were suggested by all members.

Those partaking of refreshments which were served after the business meeting were Zelva Pierce, Ann Covelle, Elinor Stuart, Madeline Straw, Darlene Hapenney, Elisabeth Leonard, and two alumnae, Ester Porter, Peachy Stewart and Margaret Eastwood.

Frat Discusses Homecoming Dance and Breakfast for Members

Seven men were pledged to Sigma Alpha Kappa, social fraternity, last Monday evening, October 12, in a formal pledging ceremony held at the home of Bill Poole, president. The prospective pledges who were given fraternity pledge pins include, Fred Lambourne, Norman Phillips, Jack McArthur, Tom Smith, John Rygh, Ronald Cray and Corley Clark.

Plans for the annual Homecoming were discussed in a short business meeting. The group decided to have a stag event for visiting alumni, to be followed by a frat dance and a breakfast for the members on the following day. Wilton Wilton, assistant coach, has accepted the sponsorship of the group.

"The members of Sigma Alpha Kappa fraternity will gladly cooperate with the administration, or any campus organization in carrying out any ideas which will help to insure a bigger and better Homecoming for the institution," stated Mr. Poole.

GNOMES INITIATE

The Gnome club will hold a formal initiation at the home of Mrs. Jane Miller Abraham, 1721 Santa Barbara Street, Sunday evening at 7 p.m. A dinner will precede the initiation. "All members are urged to buy their tickets immediately," stated Verna Fisher, social chairman.

Bettie Walker

Bettie Walker, president of Alpha Theta Chi, who will act as general chairman for the Pan Hellenic tea to be given this Sunday afternoon in the college quad. Six sorority prexies will aid Miss Walker.

Lambourne and Cole Visit Valley Schools

Fred Lambourne, finance chairman, and Ed Cole, band manager, will leave the campus Monday for a booking tour regarding the State college band tour which is made in the spring.

The two men will visit schools in Salinas, Madeira, Fresno, Tulare, Bakersfield and other valley cities. They will return next week-end.

Alpha Theta Chi Holds Joint Meeting With Alumni Members

Sorority Sets Social Events

Members Report on Sunday Open-House Held for State Faculty

Plans for Homecoming events were discussed by the members of Delta Sigma Epsilon, national social sorority, at their regular meeting Monday, October 12, at the sorority house, 1725 Grand avenue.

Reports were given on the open house held last Sunday, October 11, from four to six. Dean Lois Bennink, sponsor, Mrs. Hal Davis and Mrs. Harrison Ryan, patronesses, chaired. Committees in charge of the tea were: Catherine Caldwell, flowers; Thelma George, dishes; Virginia Rogers, invitations; and Evelyn Braman, food.

Active members present at the meeting were Irene Baptiste, president, Evelyn Braman, Norma Bassi, Dolis Delker, Catherine Caldwell, Alice Goff, Thelma George, Helen Buckman, Helen Patterson, Helen Williams, Virginia Rogers, Betty Westcott, La Rue Steelsmith, and

JUNIOR ENTERTAINS

Jeannette Banks, junior, entertained a group of friends at her cabin near Painted Cave Sunday. Those present were Blanche Hillman, Ann Seymour, Ellen Seymour, Pat Ireland, Petie McKinney, Jeannette Banks, hostess, Johnny Ingram, Hob Sorenson, Bruce Le Claire, Vincent Banks, Lane Mickey and Charles Leister.

Sorority Discusses Hellenic Tea; Picks Maccianti, Putman Hostesses

Convening at the home of Iris Merro on Mountain avenue, active and alumnae members of Alpha Theta Chi, social sorority, held a joint meeting.

Plans for the Pan-Hellenic tea Sunday were discussed. Betty Walker, president, will be in the receiving line. Barbara Putman and Renata Maccianti were appointed as official hostesses from the sorority.

Plans for Homecoming open-house were outlined. Mary Alice Halferty and Stella Mae Smith will be in charge of all arrangements.

The alumnae chapter told of a benefit bridge party to raise funds for a scholarship for some deserving member of the sorority.

Refreshments were served after the business meeting.

Alumnae members present were Iris Merro, Clair Wise, Rudy Schauer, Charlotte Mobley, Mary Cannon, Virginia Sawyer, Margaret Patrick, Marge Gotchall, and Mary Ericson.

Active members included Barbara Putman, Madge Bunch, Catherine Westaway, Phyllis La Source, Virginia Biller, Evelyn Warner, Petie McKinney, Renata Maccianti, Barbara Sharp, Mary Alice Halferty, Rena Sacconaghi, Stella Mae Smith, Tiny Garman, Bettie Walker, Ann Seymour and Margaret Duncan.

Two French university students commissioned by France's ministry of education are now touring American universities to examine the social life of the American student.

SOME man's poison is another man's food. And in the economic stress of today lies myriad bargains . . . Instead of staring far to sea, searching for that golden ship that seems ever further away, look at your feet, and in the flats of the depression you'll find Opportunity . . . Opportunity to buy cheaply. Opportunity to pick up bargains. Opportunity to cash in on the price reductions that retail merchandising is faced with today.

Economic conditions have brought about a new order of retail selling, and the consumer today will be the one who profits.

The low tide of industry and business reveals the riches that have been beneath the attention of the man and the woman with their eyes to the far horizon, looking for what they can best find at their side.

Get your share of the bargains that are lying on the sands of the Period. Get them before the tide rises and prices go higher.

In El Gaucho appears messages from retail merchants, offering their splendid wares at ridiculously low prices. Patronize these merchants . . . you are the beneficiary.

Health Service Aids Students

Cottage Staff Examines All Staters; Acts As Preventative

The importance of the health service to the individual students and the use of the health fund was stressed by Dr. Elizabeth L. Bishop, director of the Health department this week. The most extensive service rendered is the medical examination which is given to every student each year and to the seniors at graduation.

The Health Cottage service is very important as a preventive measure. During its hours, nine to four, between 30 and 40 students daily visit the cottage for first aid or advice. Mrs. Elizabeth Sheppard, the nurse, is employed for five hours each day and her salary and the cost of the supplies and equipment for the health cottage is paid out of the health fund.

State Pays Doctor

The state pays for the work of Dr. Edward L. Markthaler, college physician, but his office and home calls for students are paid from the health fund. Last year 407 office and home calls were made by the doctor.

Hospital service when recommended by the college physician is given to the student for a maximum of 21 days. The expense of the entrance laboratory services and dispensary service for medical supplies, drugs, and bandages are paid by the fund. In case of an operation the expense of the operation room and the anesthetic is paid. The fund also provides for X-rays for broken bones and dislocations. The total amount which may be paid for any or all of the above items is \$35.00.

149 Receive Aid

Last year 89 men and 60 women were given hospital or off campus services. The total amount spent by men was about \$1,200 and for women \$350.

During football season Dr. Henry McGovney, bone and muscle specialist, is employed to look after the football players. He checks the men after each evening of scrimmage. Both doctors attend the football games.

"In the future we hope to have an advisory group of doctors," Dr. Bishop said.

The fund is limited to take care of accidents or illness which occur during the college year and within Santa Barbara County. It does not cover the hospitalization for injuries received in an accident in which the student is proved guilty of violating a city ordinance or state law. The fund does not cover treatment of chronic cases. It does not cover the surgeon's fee in an operative case. The Health committee will help the student obtain as favorable terms as possible and to obtain dispensary service when necessary.

The health fund is regulated by a committee composed of faculty and students, who have a contract with the student body providing for expenditure.

All students are welcome to use the health fund when they need it, but they must make application to do so through Dr. Bishop in advance.

Committee Stages Noon Rally Today

A parade rally will be held today at 12:25, noon. No classes will be dismissed and tardiness will not be excused.

Parading will start from the campus and will lead down Alameda Padre Serra past the Old Mission to Los Olivos. It will lead down Sate to Cabrillo boulevard. From here the parade will retrace its steps and arrive at the campus in time for sixth period classes ending a half hour procession.

The parade will be open to all types of vehicles, but as the excursion will be three miles in length it is expected that there will be only motor vehicles. There will be a police escort delegated by E. O. Hanson, mayor of Santa Barbara.

Formed by the rally committee under the direction of Miss Helen M. Sweet, the parade is planned to gather enthusiasm for tonight's game with La Verne and to gain backing of townsmen in college activities.

Art Dakan Teaches in Military Academy

Art Dakan, spring graduate of the general junior high and I. E. departments is teaching in Southwest Military Institute, according to a letter received from him recently.

Mr. Dakan is teaching a varied program in the southern school, including English and social studies, in the intermediate department; general science, biology and mechanical drawing in the 9th and 10th grades, in addition to horseback riding and other recreational activities in the afternoon.

He plans to return to Santa Barbara State college next summer. MlWeinJword,

Pu Ko How Features Hunt for Members

Staging a scavenger hunt, members of Pu Ko How, social club, will meet at the home of Pauline Stoops, on upper Chapala street, tomorrow night at 7:30 p.m.

Mrs. Ruth Kinney will sponsor the affair, and all members and their guests are invited to attend.

Other activities planned for the near future are a hayride, a weekend trip to the college cabin, a progressive dinner, and a formal initiation.

Areta Gamma Makes Pan-Hell Tea Plans

Areta Gamma, social sorority, held its regular meeting Monday evening to discuss plans for the Pan-Hellenic tea to be held Sunday, October 19.

Marjorie Marshburn, president, will be in the receiving line at the tea as official representative of her sorority.

Proclamation Sets Official Date for State College Week

The Mayor's proclamation for Santa Barbara State college week reads:

"TO ALL THE PEOPLE GREETING,

Whereas, the growth and advantages enjoyed by this community have been largely augmented by the presence in this City of the State college, which has brought to our city many students seeking education, Whereas, such "State College" has caused the bringing of much money to the City of Santa Barbara, California, Whereas, the "State College" has brought much favorable publicity to the City of Santa Barbara, Whereas, it is the wish of the people of Santa Barbara, California to act in a manner which will cause such State College to feel that the City deeply appreciates all the State College has done and is doing for the City of Santa Barbara, California.

Therefore, I, Edmund O. Hanson, Mayor of the City of Santa Barbara, California do call upon all citizens to take note of "State College Week," October 19 to October 23, 1936, inclusive and the Mayor does request that all citizens join in the celebration of that event,

Signed,

EDMUND O. HANSON,
Mayor of the City of Santa Barbara, California.

PORTERS GO EAST

Mr. and Mrs. Ned Porter left Santa Barbara yesterday for Washington, D. C., where Mr. Porter expects to study law for the next two years. He is a member of Sigma Alpha Kappa fraternity and graduated in 1934. Beth Porter, former student of State, is a member of Gamma Delta Chi.

Block 'S' Sponsors Dance Tonight

(Continued from Page One)

sponsor the dance include, Dean Lois Bennink, Mr. and Mrs. Hal Davis, Dr. and Mrs. Harold Jacobs, Mr. and Mrs. "Spud" Harder, Mr. and Mrs. "Doc" Kelliher, Captain and Mrs. Paul Jones, and Wilton Wilton.

"All Block 'S' men are requested to wear their sweaters to the dance," stated Mr. Twaddell. "Student Body cards must be presented at the door, and all those who want to bring outside guests must obtain invitations at Dean Bennink's office."

Alumni Meets for Homecoming Plans

The Homecoming committee made up of alumni members will meet at Mrs. Jane Abraham's home 1721 Santa Barbara street on Monday, October 19, at four o'clock.

Suggestions and improvements of the Homecoming program will be gratefully received by Mrs. Abraham. Mrs. John Porter is chairman of the committee.

Slim Martin to Play in Ventura Saturday

Slim Martin, movie orchestra leader, will make his initial appearance in Ventura Saturday evening at the Casino Garden's ballroom. Martin is making a tour of the Pacific Coast before leaving for the East.

Martin has been featured in several musical comedies and mystery pictures including "Every Night at Eight," "Black Sheep," "Grand Hotel Murder," "College Rhythm," and the "Gay Divorcee." He also worked as a master of ceremonies at Patntages.

Sorority Plans Rummage Sale

Girl Scout House Scene of Gamma Delta Chi Masquerade

Gamma Delta Chi, social sorority of Santa Barbara State college, met at the home of Frances Waring on 1704 Grand avenue Monday evening, October 12 to continue discussion of a rummage sale and masquerade dance to be held in the near future.

A report was made of the inter-sorority cabin birthday party held Sunday, October 11 at the College cabin in the San Marcus mountains. Those sororities represented were Tau Gamma Sigma, Areta Gamma, Alpha Theta Chi, and the hostess Gamma Delta Chi. Many gifts were received for the cabin and a pot-luck lunch was enjoyed by the group.

Concerning the rummage sale, Dorothy Watson was appointed to take care of obtaining the place. The sale is to be held on State street, October 24 from 8 a.m. to 12 a.m. It was announced that any friends who wished to donate articles for the sale would be welcome to bring them to Miss Sweet's office where they will gladly be received. The funds from the sale will go toward a scholarship for some deserving senior woman student.

The masquerade party will be held October 24 in the Girl Scout House and Dorothy Watson, social chairman, is in general charge. Other committee heads are; Nancye Clapp, refreshments; Helen Rogers, games and prizes; Frances Waring, decoration; and Velma Jean Jones, invitation.

Frosh Discuss Bonfire Plans After Meeting

Ferdinand Davis Announces Plans for Frosh Dance and Other Events

After the Men's club meeting last Tuesday, David Jones, Frosh prexy, called all men of his class to a meeting to discuss the bonfire and plans for their social to be held Tuesday, October 27.

Ferdinand Davis announced the social at the request of the chair. It will combine a dance and a home talent show and will be for members of the Freshman class only.

In speaking of the social, Jones said, "There's more than just knowing faces, we want to know the personality as well." He added the point that this affair will be the beginning of Frosh activity and a splendid opportunity to get acquainted.

John Twaddell speaking for the Block "S", as well as other organizations for enforcing campus traditions, made a final plea to the first year men to wear their beanies before the upperclassmen "get tough." "We want them to know how many freshmen we have and what a good looking bunch of fellows they are," said the letterman goodnaturedly.

Spanish Club Holds First Meet of Year in A.W.S. Clubroom

Organizing for the first time this year at State, the Spanish club will meet in the A.W.S. club room next Wednesday evening at eight p.m.

Election of officers will take place at this time, followed by dancing and entertainment. Started for the purpose of promoting and enlivening the traditions and customs of the Latin countries, the club will act purely as a social medium.

Charter members of the organization are Alfredo Chavez, Sally Chavez, Carlos Lozano, Domingo Padilla, Donald Nunez, Katherine Ruiz, Robert Leslie, and Danny D'Alfonso.

All students interested are invited to attend the first meeting.

Newman Club Starts Campus Activities

The regular meeting of the Newman club, Catholic organization for college students, was held last night at 8 p.m. in Junipero Serra Hall.

Arthur Colton, junior, officiated as president of the group, and an election was held for the other officers. Father Cyril, O.F.M. gave a short talk.

Dancing took place during the rest of the evening, and refreshments were served. A large number of students from the college attended.

Statements by the POWERS THAT BE

All students are invited to College Recreation night next Wednesday in the gym. Please wear gym shoes.

Dr. William Maxwell wishes all senior English majors planning to take English Comprehensive Review to confer with him immediately.

JONES TALKS AT BLOCK 'S' MEET

Deciding that plain gold letter "S" will be their club pin was the main business of the evening at the regular meeting of the Block "S" society, Wednesday, October 14, at the Anacapa club.

Captain Paul Jones of Dean Ashworth's office gave a short talk culminating in the group accepting the sponsorship of Dr. Charles Jacobs, dean of the upper division. In future the Block "S" as a recognized active organization on the campus will be responsible to Dr. Jacobs.

John Twaddell, president of the club, officiated. There were about 25 members present. Refreshments, composed of chocolate, coffee and cookies were served.

DORIS DEAY

Associated Women Elect Jackson as Year's Vice-Prexy

Electing Louise Jackson as second vice president, members of the Associated Women students met last Tuesday, second hour, in the auditorium.

A feature of the meet was an address by Tom Keating, Santa Barbara police sergeant and former State student, on "Juvenile Delinquency." He was preceded on the program by Sharleen Horner, Freshman, who entertained with two piano selections.

A nominating committee composed of Miriam Turton, Barbara Sharp, Jean McArthur, Ann Seymour and Dean Lois Bennink, presented the names of Louise Jackson and Leona Rasmussen to the group for a vote. No additional nominations were made from the floor. The vacancy occurred due to the resignation of Dorothy Riche, who took over the office of college social chairman.

Edward Everett Horton is now a regular member of the Chateau show.

TO THE THEATRE WE WILL GO

The Fox Arlington invites Helen Longawa and Donk Hart to attend the theater this week.

Players Select 'The Circle' As Season Drama

Maughn Plays Contain Plot of Eternal Triangle! Club Casts Soon

"The Circle," a sophisticated drama by Somerset Maughn, has been chosen by the State Players club as its first presentation of the year. The play choice was announced at the meeting of the group held in the auditorium Tuesday.

"The amusing plot revolves about the 'eternal triangle,'" said Ross Lamoreaux, as he reviewed it before the club, "only in this, the complex situation contains two such triangles."

The play contains eight characters, and students to portray the parts have not yet been chosen. Try-outs will be held soon, with the first rehearsal scheduled in two weeks.

After the selection of "The Circle," Mrs. Marie June Davis reviewed a number of playlets.

Dean William Ashworth was unable to attend the meeting, but expressed a desire that the Players plan special features for a speech convention to be held on the campus later in the semester. Paul Jones, assistant to the dean, offered to direct several one-act plays.

Lucky for You

— It's a Light Smoke!

A LIGHT SMOKE LEAVES A CLEAN TASTE

A clean taste—a clear throat—what a joy when you wake up in the morning! You'll be thankful that last evening you chose a light smoke—Luckies.

To feel good after smoking—

It's not just the pleasure a fellow gets out of *smoking* Lucky Strikes... it's *feeling good after smoking!* Fresh as a daisy. A clean taste in your mouth. And when you start singing in your bath—your voice clear as a bell! That's the great thing about a *light smoke*. Lucky Strikes—being made from the finest *center-leaf* tobaccos—*taste good*. And because they're a *light smoke*, you feel good smoking them. And *after* smoking them, too!

★ ★ NEWS FLASH! ★ ★

"Sweepstakes" bring pleasure to war veterans

From a veterans' home in Legion, Texas, a number of entries all in the same handwriting come in each week. Of course we checked up to make sure that the entries conformed to the rules, and one of the men explained: "Most of the boys can't get around—but I do and so I fill out their cards for them."

We're glad to say that the boys have been pretty good pickers, too.

Have you entered yet? Have you won your delicious Lucky Strikes? Tune in "Your Hit Parade"—Wednesday and Saturday evenings. Listen, judge, and compare the tunes—then try Your Lucky Strike "Sweepstakes." And if you're not already smoking Luckies, buy a pack today and try them, too. Maybe you've been missing something. You'll appreciate the advantages of Luckies—a Light Smoke of rich, ripe-bodied tobacco.

Luckies — a light smoke

OF RICH, RIPE-BODIED TOBACCO — "IT'S TOASTED"
