College Plays Host at Journalism Day

Over One Hundred Junior College and High School Students Attend Alpha Phi Gamma Day Headed by McKinney

Students of journalism in neighboring high schools will be guests of Alpha Phi Gamma, national honorary journalistic fraternity, today on the campus at the annual "Journalism Day" sponsored by that organization. Invitations were extended to Ventura Junior college and High School, Santa Paula High, Oxnard, Lompoc, Santa Barbara and Santa Maria High.

The program will start with registration in the A.W.S. clubroom at 12:30 to be followed by luncheon in Ebbett's Hall. After the luncheon round table discussions will be held in Pine Hall, the Gaucho office and the print shop. The afternoon will terminate with tea at 4 o'clock in the A.W.S. clubroom.

Student Committee Gives Novel Social Affair Tonight for School

Three Address Group
Mr. Harold Jacobs, managing editor of the Santa Barbara News-Press, and member of Alpha Phi Gamma, together with Mr. C. A. Storke II, associate publisher of the News-Press, and Mr. John T. Porter, printing instructor, will address the delegates at luncheon. Mr. C. Lawrence Smith, News-Press news editor, will also be present.

Petie McKinney, president of Alpha Phi Gamma, and Nat Hales, editor of El Gaucho, will act as co-hosts to the high school journalists.

Eight Round Tables
Round table discussions, to be led by members of the fraternity include: "Printing," Jimmie Stanley; "Editorial Page," Nat Hales; "Advertising," Jack Kitchen; "Composition of the La Cumbre," Irene Minikin; "Sports," Frank Douglas; "Society Page," Helen Longawa; "Page Makeup," Petie McKinney; and "Feature Writing," Jack Salyer.

According to latest reports, 32 students will represent Santa Barbara high at the luncheon, 10 from Ventura; and 40 from Santa Maria. All Gaucho staff members and alumni of Alpha Phi Gamma have been invited to attend.

Committee Aid
Committees for the event include Christina MacKellar and Christine McDonald, invitations; Helen Longawa, tea; Leona Rasmussen, alumni; Jimmie Stanley and Frank Douglas, directions and guides; and Norman Phillips, registration.

At a meeting of the fraternity Wednesday night, plans were made for Spring pledging and for aiding El Gaucho in the April 1 edition.

Over the Fence

By JACK SALYER

DADDY'S BIRTHDAY
For his last birthday Dr. Goebbels, nimble minister of propaganda for the third Reich conceived the brilliant idea of letting all good Germans know what a happy little family lives in the Goebbels house. He ordered U. F. A. at a cost of 60000 marks to make a motion picture of his birthday party. Daddy Goebbels was shown romping with his children. They had an elegant spread of ice cream whipped cream, and those rich pastries that all Germans like although most Germans cannot afford them. The Goebbels children were pulled about the back yard in a cart drawn by a pony and quite a good time was had by all.

The first showing of the film was in Berlin. The good Germans who came to see the picture had been fed propaganda, but not ice cream and dainties, so the reaction was swift and definite. Catcalls and hisses filled the theater with confusion and anti-Goebbels feeling. The picture was withdrawn. Infuriated, Goebbels ordered it shown at Moabit and Schoenberg where the audience again rioted. The film had to be consigned to the waste basket and Goebbels in high dudgeon blamed it all on the Jews. Hereafter, daddy's birthday will not be used as a propaganda plug.

CHAMBERLAIN SPEAKS

At last a clear statement of Britain's policy came out of number 10 Downing street. England pledged herself to fight for France in the event that any nation attacks her. As to Czechoslovakia, made by England and France by the treaty of Versailles, England abandoned to whatever fate lies in store for her.

Athletic Board Plans Meeting

Athletic Board of Control will hold its first meeting Wednesday evening at 6:30 p.m. in the faculty dining hall. The meeting will prepare for the 1938-39 sports program and will organize itself in order that it may operate in preparation for its first year.

Two pieces of business will feature the meeting. These are the election of officers and standing committees and the approval of the 1938 gridiron schedule and the 1938-39 budget.

Members of the committee are Theo Harder, director of athletics, Dr. Charles Jacobs, chairman of the faculty athletic committee, Miss Hazel Severy, representative of the president, Donald Kupper, financial secretary, Don Follett, graduate manager, Danny D'Alfonso, student president, Jesse Hawley, alumni representative, Ed Cole, chairman of the finance committee, Douglas Oldershaw, representative of athletics. Oldershaw was selected by the Block S and must be approved by the board.

D'Alfonso and Cole will serve until June 1938 while Hawley and Oldershaw will serve until February, 1939.

Art of Making Enemies Replaces Recent Stress on Friendship As Told by Campus Scribe

For generations the art of making friends has been sadly overworked. Books, pamphlets, stories, radio talks, newspaper and magazine articles, and an endless amount of drivel has been concocted about the shopworn subject. As a result of all this, any misguided, addle-pated, nincompoop can win friends and influence people. If this sounds a little far-fetched, just read a few chapters of one of these literary masterpieces and see for yourself.

However it takes real skill and a great deal of deep planning to gather yourself a good life-long arch enemy. Arch enemies can be one of the greatest comforts of life... indeed a good enemy is almost indispensable to any individual who hopes to make a success in this bit of conglomeration called life.

Pick an Enemy
Enemies are of several types: probably the most common and most used type of enemy is the old fashioned "rat"... The person who spends a good percentage of his time making life miserable for you. This type of enemy is without a doubt the most valuable and the most apt to augment unpleasantness throughout life. And what fun is

Five Men Seek Presidency

Students Sign Petitions for 20 Nominees

Duckham, Jones, Kitchen, Manson, Woodhead Vie for Top Position

Student body elections went into the petition signing phase this week with five presidential candidates being definitely in the field, including Doug Duckham, David Jones, Jack Kitchen, Jack Manson and Malcom Woodhead. All of the many candidates for student body offices and council seats will meet at 3:30 o'clock this afternoon in room 82 for the constitutional examination.

Others running for places include Jean McArthur, Betty Palmaymesa and Bob Reynolds, nominees for the office of vice-president; Eleanor Benham and Dorothy Suiter for secretary; with still no candidates being named for the yell-leader position. Class representatives to council were plentiful with Jean McSkimming, Ellen Seymour, Clyde Frisholtz and Frank Meredith running for the two seats for the junior class. Candidates to the sophomore seats having petitions on the bulletin board include Alberta Adams, Grace Williams and Tom Wharton. In the senior division three students of the present junior class have indicated their inclination to seek the legislative offices. They are Christine MacKellar, Janice Daly and Marcellus Jones.

Latest Moves

Outstanding developments during the past week have been the definite entrance of Jack Manson, and the dropping of Danny D'Alfonso, and Arnold Rose from the race, the latter withdrawing in favor of David Jones, another member of Gamma Sigma Pi fraternity. Campaign managers announced so far include Tommy Hart for Doug Duckham, Petie McKinney for Jack Kitchen, Norman Becchio for David Jones and Ian Crow for Jack Manson.

Rosie Pagliotti Heads W.A.A.

Chosen as the leader of the Women's Athletic Association for the year of September, 1938 to June, 1939 is Rosie Pagliotti, who has served, during the past year as treasurer and in various other capacities. Marjorie George was elected vice-president, Sophia Patterson, secretary; and Rosemary Kauffman, athletic manager.

The elections were held on March 21 and 22 in the W.A.A. clubroom.

Editor Sets Final Day for Pictures

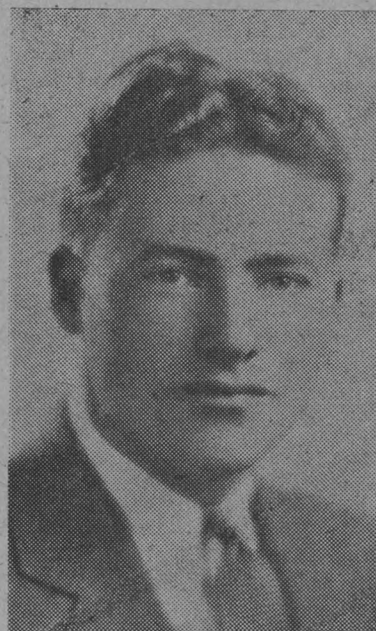

Absolutely no more pictures will be taken at Bartels after Wednesday, March 31. This includes social fraternities and sororities, clubs, honorary fraternities, class officers, members of standing committees, student council, staffs of publications and officers of departments. All students having proofs out must return them by March 30, also. Students or organizations who have snapshots of student activities, faculty or students, if they wish to have them in the year book must leave them in the graduate manager's office for me before Easter vacation.

270 High School Women Arrive for Annual Day Saturday Morning

Senoritas from four South American republics will greet 270 women visitors to the campus for Women's Athletic Association's 10th annual playday Saturday afternoon with Eunice Mohri as director and Rena Sacconaghi, president of the W.A.A. as official hostess.

The Interstate Exchange theme of the activity will be carried out through the afternoon with the senoritas from the four republics of South America represented by the team captains: Kay Palmer, Uruguay; Rosie Pagliotti, Chile; Gwelda Loyd, Paraguay; and Theda Call, Brazil.

Phelps Speaks

During the morning assemblage of the group registration will proceed an assembly at which President Clarence L. Phelps, Danny D'Alfonso, student body president; and Miss Mohri will give short talks to the delegates; Tom Kelly will sing two numbers; and Miss Sacconaghi will act as mistress of ceremonies.

Following the assembly, which will be known as the Interstate Exchange Reciprocity, competition between the various teams will take place until noon when luncheon will be served in the Ebbett's hall. After luncheon the visiting schools will present their entertainment.

Complete Program

The rest of the afternoon will be spent in final competition with such games as baseball, volleyball, badminton, ping pong, dizzy-zippy relay, catch, throw and squat relay, horse shoes, and do do board.

Schools to be represented are Antelope Valley High school, with 30 delegates; Arroyo Grande High school, with 17; Carpinteria High school, with 9; Fillmore High school, with 20; Lompoc High school, with 8; Nordoff High school, with 19; Oxnard High school, with 23; San Luis Obispo High school and Junior college with 43; Santa Barbara High school, with 26; Santa Maria High school and Junior college, with 35; Santa Paula High school, with 21; Santa Ynez High school, with 4; and Ventura Junior college, with 15.

Women Guide

Committee chairmen for the day are: relays, Louella Daetweiler; theme, Rosie Pagliotti; luncheon, Aline Woodard; entertainment, Lois Arthur; checkroom, Isabel Gibson; publicity, Ethel Clendenen; points, referees, and scorekeeper, Lucille Ormonde; registration, Sophia Patterson; field marking, Julia Rogers; equipment, Rosemary Kauffman.

Many Students Hear Marimba Artist at Assembly

Playing before a receptive and enthusiastic audience, Audrey Sheller, marimba artist and acrobatic dancer entertained at the regular Tuesday morning assembly in the College auditorium, with her father, R. H. Sheller as accompanist.

The assembly was another in the series of "better assemblies" sponsored by the Associated Students, under the direction of A. S. B. president Danny D'Alfonso.

During the program Miss Sheller, who is a former student of San Jose State college, explained the intricate mechanism of the marimba and gave a brief account of its history. She explained that it was of Moorish origin as developed by the Indians of South and Central America.

Opening her program with the Spanish Dance by Moszkowski, Miss Sheller, included Samson and Delilah, by Saint-Saens; Loure by Bach; Moonlight Sonata by Beethoven; Hungarian Dance by Brahms; Trees, by Joyce Kilmer; Minute Waltz, by Chopin; March Militaire, by Schubert; Elegie by Massenet; Song of the Isle; Schon Rosmarin, by Kreisler; Granadas by Kreisler; Red (a musical reading) by Peycke; The Usual Way (also a reading), anonymous; Oriental Dance, by Herbert; and Flight of the Bumble Bee, by Rimsky-Korsakov.

Women's Glee Club Attends Contest

Thirty-two State college women comprising the Women's Glee club journeyed to Pomona college, Claremont last weekend to participate in the annual Southern California Glee club association contest. The group went on the college bus, piloted by Elmer Jeffries, and were accompanied by Dr. Helen Sweet, and Anita Priest, who directs the club in the absence of Mrs. Helen Barnett.

In the women's division, Occidental was the winner with San Diego and Pomona taking second and third places. In the men's competition, Pomona college retained their top ranking, winning over Redlands and Occidental colleges following in the order named. Santa Barbara, though not placing in the first three, were credited with a fine performance probably ranking them next to the leaders.

Diary of a Dictator

Editor's Note:

The following editorial is from the Santa Barbara News Press and was written by Harold Jacobs, managing editor, who granted El Gaucho permission to reprint it.

DEAR DIARY:

7:12 a.m.—My bugler awoke me with a beautiful rendition of the call, "Attack!" How inspiring. . . . Discovered I had again torn a large hole in the mattress with one of my spurs.

7:22 a.m.—Had some difficulty in deciding which uniform I should wear to breakfast. Finally, chose that of a general of a poison gas division, complete with gas mask and trench helmet. Must add two more full-length mirrors; I could not get a proper view of my medals from the left side.

7:31 a.m.—Breakfasted frugally on hot house strawberries, breast of guinea hen under glass, two sabers, a handful of shrapnel, a gallon of champagne, and a marijuana cigaret. Ordered two waiters shot for failing to goose-step while serving.

7:58 a.m.—Changed uniform.

8:00-8:43 a.m.—Read the morning papers from all parts of my country, and was impressed and deeply touched by the unanimity of editorial opinion commenting on the well-being of the state and the benignity of my leadership.

8:45 a.m.—Changed uniform.

8:46 a.m.—Received the ambassador of Great Britain. Reassured him that the territorial integrity of Czechoslovakia, Australia, North Sussex and Piccadilly would be respected.

8:47 a.m.—Changed uniform.

8:48 a.m.—Received the ambassador of France. Reassured him that the territorial integrity of Czechoslovakia, Morocco, Normandy, and the Arc de Triomphe would be respected.

8:49 a.m.—Changed uniform.

8:50 a.m.—Received the ambassador of the United States. Reassured him that the territorial integrity of Czechoslovakia, Vermont, and Kalamazoo would be respected.

8:51 a.m.—Changed uniform.

8:52-9:21 a.m.—Received assorted ambassadors and ministers. Reassured all of them that the territorial integrity of various and sundry geographical areas would be respected.

9:22 a.m.—Changed uniform.

9:23 a.m.—Called in my ministers of war, navy, aerial forces, propaganda, civilian bombing, apologies, personal aggrandizement, medals, uniforms, interment and colonization. Ordered them to prepare for immediate occupation and absorption of Czechoslovakia, Australia, North Sussex, Piccadilly, Morocco, Normandy, the Arc de Triomphe, Vermont, Kalamazoo and all way stations, now ready on track. . . . Oop! Wrong announcement.

10:02 a.m.—Changed uniform.

10:03 a.m.—Dictated a telegram to the League of Nations, urging that everything possible be done to bring about universal and lasting peace.

10:04 a.m.—Changed uniform.

10:05 a.m.—Ordered 4,647 Jews, 2,136 Catholics, 11 bankers, four drug clerks, two street sweepers and 344 suspected spies shot. Directed a newspaper editor to be kept in solitary confinement without food or water for 99 years because he failed to spell my name in all capital letters. Schweinhund!

10:22 a.m.—Changed uniform.

10:40 a.m.-12:02 p.m.—Dedicated two munitions factories, christened four new warships and accepted 27 statues of myself. 12:04-1:40 p.m.—Lunched frugally on caviar, pate de foi gras, four bayonets, a gallon of sparkling Burgundy and a marijuana cigaret.

1:42 p.m.—Changed uniform.

1:45 p.m.-5:36 p.m.—Spoke briefly over world-wide radio broadcast, outlining the modest ambitions and peaceful intentions of our glorious state.

5:38 p.m.—Changed uniform.

5:40-6:40 p.m.—Posed for photographs reviewing field artillery and Baltic fleet, pitching hay, kissing a baby and congratulating a widow on losing her 11 sons in defense of our ideals in Spain.

6:42 p.m.—Changed uniform.

7:00-8:20 p.m.—Dined frugally on roast ham, roast beef, roast mutton, roast goose, roast hand grenades, two gallons of amontillado and a marijuana cigaret.

8:22 p.m.—Changed uniform.

8:24-8:30 p.m.—Signed state papers.

8:32 p.m.—Changed uniform.

8:34-9:30 p.m.—Read "Anthony Adverse," "Gone With the Wind" and "Mein Kampf."

9:32 p.m.—Pinned medals on pajamas and went to bed. Move over, God!

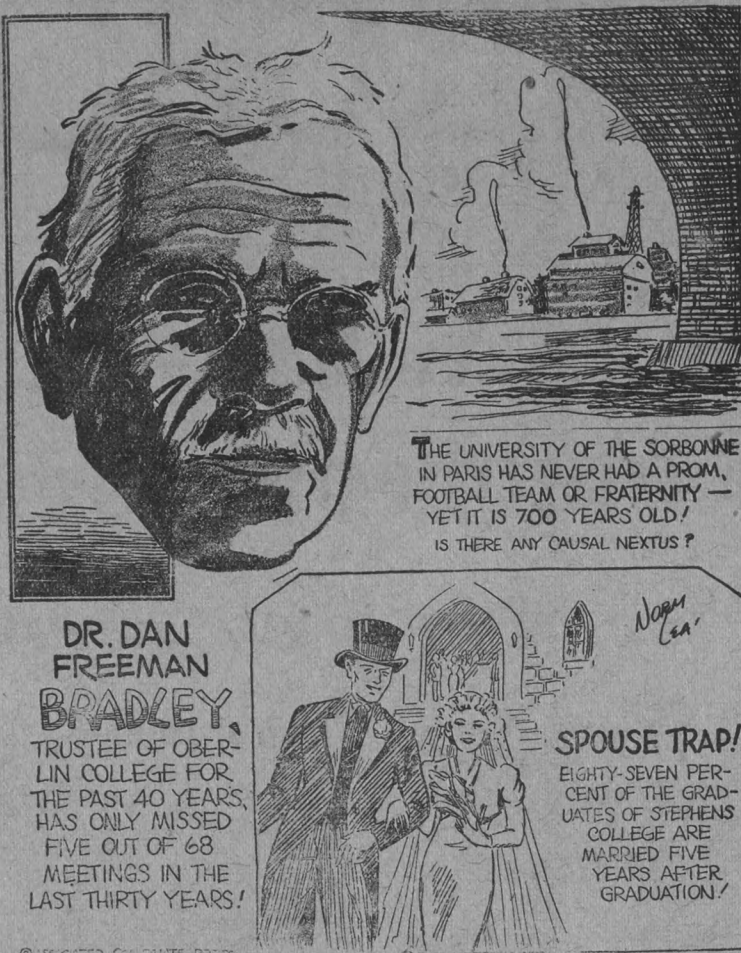

Congratulations to Spellers

FOUR State students were in on the surprising upset victory of Elmer's cafe over the championship Composer spelling team of the News-Press Wednesday night over KTMS. They are: Norman Beechio, Jack Frick, Maurice James and Allen Frick, who is an alternate on the new titleholders' team. Two other members of the quintet are Melvin McDonald and Eldon Fullberg.

As congratulations poured into the popular State street cafe last night following Elmer's triumph, the genial proprietor asserted that along with his special diet of alphabet soup the college education of the majority of his boys proved the deciding factor in his team's spectacular victory.

El Gaucho extends its congratulations to the newly created Elmer's Spelling college and its spelling waiters

THE "Filibuster"

By NORMAN PHILLIPS

FILIBUSTER

Today is Journalism Day on campus for visiting high school and junior college students. Unofficially we extend the welcome of Alpha Phi Gamma, honorary fraternity and hosts for the day.

Autopsy on long dead alley cats in Dr. Sweet's physiology laboratory is nearing its close. But not without the usual catny comments, new puns and old, amusing pet names, and condemnation of the entire cat family by less enthusiastic carvers. Some of the faculty might be surprised to hear their names mentioned in the lab in reference to a thoroughly mutilated feline.

State is receiving a new angle on its publicity coverage. Student activities in addition to sports are being written by an advanced news-writing class and sent to the home town newspapers by the publicity department. So if a newshound approaches you and asks what might otherwise be personal questions or none of his business, be a sport and give the information. He's covering his assignment, doing his homework, giving the school publicity which is incidentally paid for by you and you, and giving folks and friends at home something to talk about.

Next week is flunk notice time. Powers that be slipped the date up a week and now the profs are springing last minute examinations and "just little quizzes" all at once, much to the chagrin of worried students. Reminds us when we took home the six weeks reports cards for parental observation and the following results good and bad.

Dance comments: The Spinster Hop was a success with the escorted

favoring more dances of the same kind. The girls are still singing the blues about gold digging b.f.s. The Alpha Theta alumni deserve the bouquet for a successful Bowery Ball. Then there was the Friday afternoon dance that wasn't and everyone waited for. A few discovered the change in date and had a swing time last Wednesday afternoon. Until further notice the time is every Wednesday afternoon in the cafeteria. Ten cents a throw, good records and good floor.

Critical comments: About time for more student interest in the coming elections. Those petitions must be signed and candidates would appreciate the necessary support. The music department is presenting a symphony March 29 and needs student support. The admission is free. One purpose of the affair is to develop the department to major standing. It means a greater State and everyone can help. It still goes on but to a lesser degree. Was remembering when last fall an NYA worker held a fifteen-a-month job plus owning a car and receiving fifty per month from the home account.

Observations: The tile roofing on the auditorium is still much messed up from the recent storm. The pine tree in front of the administration door is the scene of many a political argument of late and if cut down might do very well for stump speeches. Strange picture to see the art class sitting around getting a perspective on a harmless garbage can.

Next week it promises more stolen quotes.

el RODEO

(As in someone's getting "rid")

• The time of year approaches when dirt seems to be in keeping with things, meaning election and all, but since it's all on the up and up, no mud ner nuthin', herein will be dug dirt enough to be slung for a week or so.

The men should have got enough of being on the receiving end of a "date" at the Spinster's Skip last week end. There's nothing like this jig to bring out surprises with women saying "What man dare, I dare" oh well, dare ain't no difference. . . . Frinstance "BUCK" McKENZIE really got playful. Did you see him in the last waltz not only acting the feminine part, but wearing a skirt. . . . wow. . . . JEAN GORDON brought an import from Loyola, nice guy, but why keep a feudin', MAURICE's a nice guy and BETTY ORRIS seems to think so too, she was seen with him not so long ago. . . . DAWN TRIPP and MIKE DAVIS havin' fun at El Cortijo after the skip. He says he wants to pledge her sorority to be a "rose in no man's land."

And speaking of roses, ARNOLD ROSE was looking mighty uncomfortable in the quad recently. With a lovely wisp of femininity on either side he should have been fixed, in fact that's why he blushed, some of "de mob" really fixed him with a nasty remark. . . .

The "Buckeroo" in Goleta was a scene of activity after the Spinster's hop. . . . among twenty collegians were FRED BAIRD and BIBBLES HANDY. Couples were hard to distinguish, but somebody saw HELEN ANDREWS, JEAN RENCH, BILL HOWSMAN, JIM

LYONS and LANSING STEWART in the fog. . . .

The Montecito Inn had its small share of collegians the following night with DOUG OLDERSHAW and DAVE POLLOCK pulling B.U.P. PY MOORE out of bed to meet the assembled guests.

The bowery, the bowery. . . . everything was tops at the Alpha Theta dance Saturday night. . . . NORMAN PHILLIPS (he's been left out of this column long enough) was becootiful in his sportn' togs. He and BERNICE SHEDD have a look about them—you know—spring and all. . . . "Oh, we thought you said Brewery" BRADBURY was with PALMAYMESA again. Do we have sump'n here???? COLLEEN MURPHY and RICHARD JAMES are getting around a lot together. BETTY HOWELL and WALLY HOLDEN were doing all right too.

El Cortijo goes were thrilled with the novel dress of some of its guests that same night. Let's go somewhere—dancers included ALICE FREEMAN, "BABE" SEYMOUR, LYNDELL BRUNDIGE, and BOBBIE SHARP.

JANE HANNA and LORRAINE SQUIRES who couple it and are always looking for one another inspired FRANK BENNETT to wish the former would look for him instead. GORDON WOOLEY threw away his cane, turned from an old man to flaming youth at the A.O.X. Sig Alpha dance SUE BAAT trucking to second place with BILL McARTHUR at the Bowery jig. NADINE ARUNDELL and BUNNY BEAUMONT at the Sportsman the other night—shame. . . .

• PHIL BAKER's new comedy technique, i.e., to go back and start all over again if a gag fails to click, resulted in a score or more of "Good Evening, Mr. Baker" and "Good Evening, Bottle" lines during Sunday's show, as they repeatedly "started all over again" as a running gag. Maestro Oscar Bradley put the idea to a practical use when Producer GLENHALL TAYLOR cornered him, saying, "Look, Oscar, I left my money in my other pants. Can you spare me a coupla dollars till tomorrow?"

Oscar cracked: "Good evening, Mr. Taylor," and went about his conducting.

CHESTER LAUCK and NORRIS GOFF prepare their "LUM AND ABNER" scripts a scant two hours and a half before air time. The moment they start work on the story, a gradual transformation sets in until they completely lose their Lauck and Goff identity and actually become "Lum" and "Abner," talking about happenings in Pine Ridge. They start working by talking about anything from golf to the political situation, and gradually their speech changes to the dialect of the Ozarks until they are actually "living" the characters they portray in their CBS series. Then, it's time to get paper and typewriter together to put their ideas down in black-and-white.

Dick Joy, who was recently heard coast-to-coast on the special event broadcast from the San Jacinto tunnel, has been duly rewarded by his home-town friends in Putnam, Connecticut. "Home town boy makes good" was the theme of two full columns on the front page of the weekly issue of the "Putnam Patriot" after the broadcast.

The day of the John Aldens is not yet past, to judge from a request from one of Francis Langford's fans. The obliging gent recently wrote to the "Hollywood Hotel" songstress, requesting an autographed picture for a friend who was afraid to make the request for himself, for fear she might not oblige. Frances went him one better and sent a picture to both the writer and the bashful "John." One of the pictures may be seen at 1619 A Bath street where two college fellows live—and it isn't addressed to "John."

THE . . .

"Mike"

By PETIE MCKINNEY

AN ITEM IN THE

Texas Mines paper reminded me that perhaps it would be good to enumerate some of the qualities, descriptions, ad infinitum of the various candidates for the student body presidency.

ALPHABETICALLY OF COURSE comes Doug Duckham, a sophomore, former president of Woodrow Wilson high school in Long Beach. . . . active in speech arts department. . . . has done work on El Gaucho in sports department. . . . is tall. . . . slender build. . . . blond hair. . . . drives old car. . . . has very friendly manner and good grades.

NEXT WOULD BE

David Jones of the Sophomore class. . . . president of the Soph and former prexy of the Frosh. . . . member of Gavel and Key and Sophomore Squires. . . . rugby manager. . . . short, stocky build. . . . dark curly hair. He's a member of Gamma Sigma Pi fraternity. A graduate of Santa Barbara High, he was president of the Senior class, outstanding R.O.T.C. cadet and chairman of the welfare committee.

THEN COMES

Jack Kitchen, Junior, hailing from Oxnard High. . . . two years on rally committee, head yell leader this Fall. . . . a member of Alpha Phi Gamma and Beta Sigma Chi. . . . two years on Gaucho staff, as sports editor and business manager. . . . board of directors of Gavel and Key. He's about medium height, slender build, brown eyes. Was assistant director of Roadrunner Revue as Frosh and a member of the Squires as a Soph.

ALSO "IN" IS

Jack Manson, transfer this Fall from L.A.J.C. where he was head yell leader; a member of the Artists Bureau; the Archon, honor society; and secretary of the college "Y". Formerly, he was a prominent student at Manual Arts High school in Los Angeles. At S.B.S.C. he has been a member of the rally committee, assistant yell leader and is a pledge of Sigma Alpha Kappa. Is short, clever, and has definitely curly hair. Is a first semester Junior. Has 1938 Roadrunner Revue lead.

The Air Centers in Hollywood

National Networks Move in on Film City

• "This program came to you from Hollywood" is a line familiar to radio listeners since sponsors of coast-to-coast broadcasts heeded the famous Horace Greely advice, "Go West," and centered activities for a large number of the air's most popular programs in Hollywood. The Columbia Broadcasting System alone has twenty-two programs a week reaching the entire United States that originate in Hollywood. The number and variety of programs being created and produced in the Hollywood broadcasting studios is making radio history.

The reason for this is not difficult to find nor to understand. The world's film capital has become the Mecca of the most able writers, producers, musicians, actors and actresses because of the great artistic and financial opportunities that are there for them. Now with the radio shows originating here this great reservoir of talent is available to those concerned with the creation of distinctive radio programs.

Assembly—No Class

There are many times in a student's life
When he gathers satisfaction;
When he forgets the work of college life,
Of French, and grammar, add, and subtraction.
With the freshman. . . college life seems to be but a song. . . .
But by the time that final grades come out
He finds that he's quite wrong.
But in spite of all his troubles
And all the worry and strife,
There are many golden moments
In a college student's life.
There are many exciting things of note. . . .
From a freshman's matriculation. . . .
On up through the hard fought years
To a senior's graduation.
There are super-delicious thoughts of things
That collegians like to remember. . . .
Little pleasurable college thrills
From the first of the year till December.
Now please don't misunderstand us
When we speak of these pleasant thrills

RADIO AND THE MOVIES

Brewster Morgan, movie writer and radio director, is working at both the M.G.M. and the C.B.S. studios. Harry Simone, Columbia choral director, was used by R.K.O. to prepare the chorus sequence for "Radio City Revels." Georgie Stoll, musical conductor on the "Oakie College" broadcasts has been working in the same capacity in many of the recent motion pictures. Victor Young, maestro for the Al Jolson broadcasts is assistant musical director at Paramount. The connection is also seen in "Hollywood Hotel" and Lux Radio theatre, where the screen talent of the "name" class goes on the air.

Among the stars that are as equally well known on the radio as on the screen are Jeanette MacDonald, Edward G. Robinson, Cecil B. DeMille, Al Jolson, Eddie Cantor, Phil Baker, Joe Penner, Claire Trevor, Stu Erwin, Frances Langford, Fred Astaire, Bing Crosby, and many others. Any personality established a star in either motion pictures or radio, immediately becomes a potential celebrity in the other field.

For a college student who runs in a rut;
. . . That the biggest thrill in a student's life
Is when he first got away with a cut.
But then also there are let downs,
That a person's bound to get,
And in later years he'll look back
With a feeling of deep regret.
Now take the matter of cutting class. . . .

As seemingly simple thing,
But many a laff and many a sigh
Just ditching a class could bring.
I remember a fellow classmate
Who wanted to cut a class one day.
He planned it out quite carefully
To be sure and get away.
When the period was half over
He sneaked by to silently gloat,
But pinned on the door was a note
from the prof.

State College Tracksters Open with 2 Wins

Second Guess . . .

By BOB BURT

• Last week was one of the most successful weeks ever recorded by State college teams. The Gauchos won six baseball games and two track meets and all of the victories were impressive. Perhaps the most outstanding triumph was the Hilltopper win over San Jose State in baseball. The Spartans had previously defeated Stanford, U.S.F. and other strong northern teams, so the 12 to 7 Gaucha victory ranks Santa Barbara right along with the leaders. Jimmie Van Meter's frosh nine definitely established itself as one of the strongest first year teams in the history of the school by coping three games in two days including a 6-5 win over Glendale junior college, one of the strongest nines in the south.

CONVINCING TRACK WIN

While over at Phelps Field Coach "Dimmie" Mather's cindermen were not to be outclassed by the horsehiders. Their one-sided victory over Chapman and La Verne proved to State college fans the fact that we have a good track team. Although the times were slow, one must consider the time of year and the inadequate oval on which the athletes were competing. Tomorrow George Pepperdine college invades Peabody stadium for a meet with the locals. It will be well worth your time to attend because Pepperdine, a newly organized school down south, imported eight "nuggets" from Texas that have really been burning up the track. The meet should prove an acid test for Coach Mather's tracksters.

THIS AND THAT

Hank Luisetti has gone Hollywood and accepted a contract with Paramount for \$10,000 a picture. . . . Allen, of Riverside junior college ran a 9.6 century the other day, which is getting awfully close to that world's record. . . . Riverside, by the way, is supposed to have the best relay team in the state. . . . Glen Cunningham, who is due to run in Los Angeles next month says he has run over 10,000 miles in his life. . . . A horse down in Arkansas paid some "unlucky" fellow \$2200 on a two-dollar mutual, which is the second largest payoff ever recorded. . . . The University of Arizona is certainly coming up in the world; the Wildcats of Arizona play Minnesota in 1939 and Notre Dame in 1940.

Occidental has the strongest track team in the history of the school. . . . Whizzer White, All-American footballer, was the star hoopster for Colorado also. Don Miles, pole-vaulter from Long Beach, broke the school record last Saturday in his second vault which measured 12.3, however, Don has been up as high as 13.1, so watch out opponents. Both the frosh and varsity will have to find "hot corner" replacements as Ben Wallace of the frosh was declared ineligible and Elmo Evans dropped baseball due to outside work. The fans will certainly have a job on their hands this Saturday trying to see all the teams in action; a track meet at Peabody, a double header with La Verne at Pershing; and a frosh baseball game with Compton J.C. at Cabrillo field. . . . Compton was the team that Townsend of Loyola slapped a no hit, no run game on. How about it, Wrightson?

Swordsmen Clash in College Gym

• The Sword-Pusher's Frolic" took place last night in the college gym before a gathering of State college fencing fans. The meet was held to raise money for fencing equipment and to create interest in the sport.

Winners in the competitive matches were Jack Hart in the advanced foil, Ernest Burton in the beginner's foil, Jack Gross in the epee and Marlin Nelson in the sabre. In showmanship bouts Gross and Foulstone mixed in the old style, Jack McArthur and Yoshihiko Fujimoto in the Japanese kind, and Norman Phillips and Marlin Nelson in the epee and dagger. In a bout between epee men and three sabre men the epee won.

Gauchitos Defeat Glendale J.C.; Santa Maria

• Proving once again that the bigger they come the harder they fall, the State college Gauchitos knocked over the Glendale junior college Vaqueros by the score of 6 to 5 in Pershing Park Saturday, March 19. This win came after the Gauchitos had already beaten the baseball team from Santa Maria by the score of 9 to 1. In addition to this pair of wins on Saturday the frosh defeated Santa Maria, 9 to 0, on Friday.

Victory was accredited to Cliff Wrightson in the Glendale game. Going into the ninth inning with a lead 6 to 3 the Gauchitos suddenly met the resistance they had been expecting all afternoon. The Vaqueros first collected a pair of walks and another pair of hits. This brought the score to 6 to 5 and left Wrightson his first real test. Then with one out and two on Wrightson took matters into his own hands. Pitching to Tony Zuniga, Glendale shortstop, who had already collected two hits, Cliff let Zuniga hit. Zuniga attempted to bunt and missing by a fraction of an inch popped the ball right into Wrightson's hand. Wrightson turned fast and put the ball to third where Wallace finished the game by scoring an out against Nettles, Glendale third baseman.

The Gauchitos did their dirty work in the second half of the seventh inning. With two men on base Morgan singled and before the inning was over the frosh were leading 6 to 3. The two runs the Glendale team collected later were just short of enough but in the pinch the Gauchitos held.

Friday the victory went to the credit of Cliff Wrightson who practically scored a pitcher's victory when he struck out sixteen men. In addition the Peagreeners allowed only two hits and helped themselves to 14.

Hardermen Trim San Jose Squad in Game Here

• Victory was in the air when the Gauchos took their baseball team and knocked the San Jose team for a loop and ran away with the game by the score of 12-7, Friday, March 18 in Pershing Park. With Forrest "Gardy" Gardenhire pitching the San Jose team was allowed seven hits while the Gauchos got nine.

This was the third victory for the Gauchos in one week. In previous games they beat Santa Maria jaysee by a score of 5 to 2 and Cal Poly, 3 to 0. Meanwhile the San Jose team had been doing what appeared to be much more creditable deeds such as beating Stanford 12 to 1, tying St. Mary's 0 to 0, and beating U.S.F., 6 to 3. However in the real test it was proven that the Gauchos were the boys with the stuff.

Gardenhire's pitching showed strong improvement as he fanned five men. In addition he was scored on three assists. Errors for the two teams were also on the Santa Barbara side as the Gauchos collected five and the Spartans four.

Hitting was done mostly by Bill Russell and Whitey Hallen. While Russell collected two for four and one run, Hallen tallied three for four with two runs. Fujimoto failed to get a single hit and still he collected three runs to lead the day.

Pitching for the Spartans Carpenter, Zimmerman, and Martinez were unable to stop the local batsmen. However it was not the hits that counted for everything as there were three more runs for the Gauchos than there were hits.

Frosh Combat Cal Poly, Bakersfield; Varsity Battles Pepperdine

• With two victories tallied for State college track teams the varsity and frosh cinder aces will again attempt to put their names at the top of the list. Bakersfield junior college and Cal Poly will furnish the opposition for the yearlings while George Pepperdine college of Los Angeles will compete with the varsity.

Both meets will take place on Phelps field at the same time. Opposition will be keen as Pepperdine can produce men as good as the larger schools although they have difficulty in providing a full team. The frosh will have more difficulty than they experienced last week as Bakersfield can be counted on to provide their own point collections.

Capture Relays

In the Long Beach relays the Pepperdine crew captured the medley relay and the two-mile relay. Their school is comparatively new and is financed by a group of Texans. As a result many speed demons of the Lone Star state turn up on the Pepperdine roster.

Bad news struck the campus this week for the frosh. Robinson, one of their leaders, pulled a muscle and will not be in shape for this contest. Richards and Gutridge have improved and will help out while Don Miles may be counted on in the pole vault.

Distance Stars Ready

The distance men for the varsity will doubtless be counted upon to score as MacDonald, Bowls and Gibson will be ready. Also the sprint-

Ballot Count Shows Amendments Pass

• Final results announced by Ann Seymour, A.S.B. vice-president, on the student voting in assembly Tuesday on the proposed amendments showed that all of the changes suggested by the student council committee were passed, thus making them legally a part of the constitution now.

Three hundred sixty-five ballots were cast on the first 11 amendments listed on the ballot with all passing. Opposition votes were far in the minority with 25 no votes being the highest number to be given against any one change. The remainder of the amendments were passed by popular vote in the assembly, including the setting up of an athletic board of control, the reorganizing of the rally committee, an addition to the voting members of the student council, a new method of selecting council members from the class elections, a revision of the awards system and numerous minor changes.

The student amendment committee was composed of Ann Seymour, Danny D'Alfonso, Fred Monsen, Don Follett and Nat Hales.

ers and hurdlers, Fortress, Yeager, Frisholtz and Gray should be in the pay territory.

In the field events Howard Joham can be counted on to produce the goods for the frosh with the discus. Clyde Frisholtz is the varsity "white hope" in field events.

Gauchos, Frosh Score in Cinder Meets

Frosh Take Meet by Single Point Over Cal Poly, Santa Maria, San Luis Obispo; Varsity Trounces Opponents

By WALDO PHELPS

• Both freshman and varsity track teams opened the season with victories last Saturday, Coach Dimmie Mather's Gauchos rolling up a grand total of 103½ points to 31 for Chapman college and 18½ for La Verne in a three way meet at Phelps field. Meanwhile the frosh were busy at San Luis Obispo, gathering 62 points to 61 for Cal Poly, six for San Luis Obispo Junior college, and five for Santa Maria Junior college.

Gauchos Play La Verne

• Attention will again focus on baseball as both varsity and freshmen engage in battles for this weekend. The varsity will meet La Verne in a three game series on Pershing park today and tomorrow. Meanwhile the frosh will battle with the Tartars of Compton jaysee at Cabrillo field tomorrow.

State will be heavily favored to beat the La Verne squad but there is the slight possibility that the Leopards might spring a surprise in at least one of their games. Strength of the Leopards is constantly on the upgrade as they are importing players from San Francisco. Leader of these is Tony Scafonti, whom the grid team met last fall, besides being a good second baseman he pitches, hits and fields with the best.

The frosh will be playing a tough team when they meet Compton. Games on the Compton record include wins from Loyola varsity and the Bruin frosh. Jim Fitzgerald will start against the Tartars.

Lineup for today:

State	La Verne
Merlo	c
McNeice	p
Ripsch	1st.

Evans	3rd.

Coach Dimmie Mather's Gaucha varsity gathered in 11 out of 14 first places in their three way meet with Chapman and La Verne colleges. None of the marks were exceptional due to the fact that recent rains have kept the tracksters from getting in condition and the track at Phelps field was still very slow.

Yeager Wins
Howard Yeager got the Gauchos off to an early lead by winning the 100 yard dash in 10.1, first for this time of the year. Bill MacArthur, after finishing second in the 100, came back to win the 220 yard dash later in the day. Rolly MacDonald turned in victories in both of his specialties, the 880 and 2 mile while Pfiltzner came from behind to win in the mile run.

Frisholtz, Grey and Fortress swept the high hurdles and Fortress also won the lows and the broadjump. Frisholtz cleared 5 feet 10 inches to win the high jump. Carson Conrad won the shot put and finished second in the discus. Al Sprague completed the Gaucha's winning ways by taking the javelin with Bill Cahill second and Donk Hart third.

Coach Tooley Palmer's Gauchite track team nosed out Cal Poly by one point as strength in the track events stood them in good stead. Beckman, who won the mile and two mile; Morgan, who won both dash events; Kilroy, who captured both the high and low hurdles; and Miles, winner in the pole vault, broadjump, and co-winner with Frisholtz in the high jump, were the main cogs in the frosh attack.

Doug Oldershaw Announces Men's Club Election for Meeting

Candidates for election into offices of the Associated Men's Students organization, formerly known as the Men's club, must obtain the signatures of 50 men students before second hour Tuesday morning it was announced by Doug Oldershaw, president of the society.

Elections will be held at the meeting Tuesday morning by the usual procedure of a standing vote. Nominations will also be received from the floor at the same time for the offices of president, vice-president, secretary, and treasurer for the coming year.

Retiring Officers

Officers for the past year have been Oldershaw, president; Fred Monson, vice-president; Harry Netherery, secretary-treasurer; and Joe Stockstill, social chairman. These officers announced that during the meeting Tuesday morning the matter of Hobo Brawl will be discussed and further activities of the group will be outlined for the rest of the semester.

"All men are urged to turn out for the meeting in order to elect the officers that they would choose for the coming year and not feel that they have been railroaded in," stated Oldershaw.
