Gauchos Clash With Bruins Tonight

'Dance We Must,' Presented Tonight

The curtain opens at 8:30 this evening on the ninth annual dance concert to be presented by the women's physical education department. Under the faculty direction of Miss Jean Bellinger, the program of dances has been planned by the students in dance composition class and Dance club, and the dance numbers are accompanied by Mrs. Emma Lou O'Brien. Following the history of dance, the program, entitled "Dance We Must," begins with dance as ritual in ancient times, and traces it through the days of the court dance and ballet, and concludes with the contemporary period.

In this last group, the modern dance is presented as a communication of the dancers' ideas concerning the attempted cooperation of opposing groups in our society. The music, a composition by Ernest Toch, is in the modern idiom. The other selection in the contemporary period is the jazz number, which is a street scene interpretation opening with a figure silhouetted against a Manhattan skyline. The musical accompaniment is a recording of "Waltz Boogie," composed and played by Mary Lou Williams, well known in New York for her boogie-woogie artistry. Jan Fitts, Mary Lou Lewis, and Virginia Goble dance this number.

Other dancers in the concert program are Patricia Bates, Harriet Beu, Lynette Edgerton, June Hellwegen, Elizabeth James, Jordeen Krabach, Dorothy Mill-sap, Jane Motter, Marian Nelson, Constance Pengh, Margaret Rowbottom, Evelyn Schallis, Cecile Simms, Bonnie Sly, Patricia Sparrow, Shirley Tietzort, and Barbara Jean Winslow.

The harpist for the Greek dance is Joel Andrews, music student, and the lighting for the concert is being done by Milton Commons, drama student. "Dance We Must" will be presented both Friday and Saturday evenings in the college auditorium.

Industrial Ed Elects Officers

New officers elected last Friday, March 14, for the Industrial Education club on the mesa campus were Ralph Johnston, president, Bob Goulett, vice president, Lloyd Sallot, secretary, and Dave Brownell, treasurer.

An I.E. club picnic is scheduled for this afternoon from three until five o'clock at Oak Park. Roast chicken is in order for all club members with the presentation of their membership cards and 25 cents while guests will be admitted for 75 cents, according to Mr. Johnston.

Charter Day Fete Starts With Banquet

The seventy-ninth Charter Day celebration begins with the Charter Day banquet Thursday, March 27, at the Montecito country club. The formal dinner is being sponsored by the Santa Barbara College alumni, University of California alumni, the faculty and administrative staff. Provost Williams is to preside, and Dr. Sproul is the speaker for the evening. Dick Brians, president of the associated students, and Sharon Smith, Cal club president, are among the invited guests, together with city councilmen, board of supervisors, the mayor, and retired faculty.

MARY LOU LEWIS and Jane Motter demonstrate a number from "Dance We Must", being presented tonight and tomorrow night in the Riviera auditorium.

CHARTER DAY CELEBRATION FEATURES TORCHLIGHT CHOIR

Next Friday, one week from today, Santa Barbara students will celebrate El Dia del Gaucho, an annual event which commemorates the granting of a charter by the state of California to found the University of California. Known as Charter Day on the eight campuses, this special event is planned to take place on different days on each campus throughout the course of next week.

The California club has charge of activities planned for the day, and, under the direction of chairman Sharon Smith, great plans are in the air to make the day a big occasion.

SPROUL TO SPEAK

Preceding the eventful day, the University of California Alumni Association will hold a banquet at the Montecito Country Club Thursday night, at which time Dr. Robert Gordon Sproul, president of the University, will speak.

Tickets for the affair are \$3.00, and may be obtained from Mrs. Esther Porter, alumni secretary, in the graduate manager's office. A large turnout is expected for this event.

Tentative plans call for a big noon rally or program Friday noon. Next on the schedule will be the car caravan, which will assemble on campus at 3:30. Any interested organizations or individuals who wish to participate in the parade are asked to contact Lowell (Continued on Page Three)

SBC Diamond Squad Seeks Seventh Win at Laguna

The power-laden Bruins of UCLA, boasting a long record of pre-season victories including a win over the Hollywood Stars, hook up with the high-flying Gaucho baseball team at Laguna Stadium under the lights tonight. Coach Spud Harder's unbeaten charges, winners of six straight games, will go into the contest at full strength with the return of Cy Williams, heavy-hitting outfielder, to the lineup. Cy pulled a muscle early in the first game last Saturday and had to retire, but it is expected that he will resume his old spot in left field. Cy leads the team in hitting. Harder plans to start Cecil Neal, classy little portside, on the mound tonight and come right back at the Bruins in Westwood Saturday with one of his two ace right-handers, either Bill French or Dale Scott.

Dr. Robbins Joins College Health Staff

Joining our health staff as the newly-appointed director of student health is Dr. Wilfred T. Robbins. His appointment will initiate the expansion of health facilities on this campus to more adequately cover the needs of increased enrollment.

Dr. Robbins joins our medical staff from the College of Agriculture at Davis, where he served as assistant physician. He is a graduate of the University of California medical school, and now holds a commission as major in the Army Medical Corps reserve, having served twenty-six months overseas during the war.

FUTURE PLANS

"During the next fiscal year, it is the intention of the University to build student health service on this campus up to the standards provided on the other camp of the university, as at Berkeley and Davis," stated Dr. Robbins. His plans include having a university physician available twenty-four hours a day for the students registered on this campus, and up to thirty days hospitalization if required.

Currently the college physician is in attendance daily, and a registered nurse is on duty during college hours. Room or ward care and board is not to exceed seven days for any one accident or illness.

In addition, the health service will continue to care for the daily health problems that arise, providing consultations and medical service when needed.

FACILITIES EXPAND

Until June 30, which ends the current fiscal year, the health services available will continue as currently provided. The new budget effective July 1, 1947, is expected to provide funds to expand facilities as planned. The present health staff, including Dr. E. L. Markthaler as consulting physician and Genevieve L. Minnick as head nurse, plans to add new members. Dr. Robbins also hopes to enlarge the offices to occupy the entire health cottage building. This will serve until the new student health center is constructed on the Mesa campus.

AUTHORIZED ATTENTION

Dr. Robbins wishes to emphasize that the student should not expect consultation or medical service not provided in the student health center itself, unless it is previously authorized by a physician of the student health service on the campus.

The health service does not provide care for accidents or illnesses occurring during vacation periods, or for those occurring outside Santa Barbara county. It does not provide hospitalization for injuries received in accidents in which the student is at fault, or guilty of violation of a city ordinance or state law. It allows hospitalization for injuries received in any kind of motor vehicle accident only if the student is on a definite assignment for the college or the associated students.

'Heard That Song' Dance Features Fredlund at Rec

The dance which the freshman class is sponsoring for the student body is to be held one week from tonight, Friday, March 28, from nine to twelve, at the Recreation center.

The Rec will be decorated in a gay record theme centering around "I've Heard That Song Before" and the music of Herb Fredlund. Refreshments will be served in the "House of Blue Lights," and the intermission rendezvous will be the patio "China-town."

Prizes, given for the best couple

and individual costume, will be chosen and awarded by Tom Duggan of Sun-kist Serenade and Walter Beaver of the Gaucho Serenade.

Admission will be one dollar per couple and tickets are now being sold on both campuses by the freshman class officers, Dick Norton, John Boettner, Barbara Bruner, Jerry Terres, Evelyn Benning, Wendell Kirk, Nancy Roth, Carolyn Blair, and Jan Fitts. Freshmen holding class cards will be admitted free and every member of the class is urged to obtain his card now from the above officers.

EDITORIAL

One of the hottest topics currently occupying the editorial pages of newspapers over the nation is that of teachers' salaries. A rash of teacher strikes have served to point up an issue with which the American public will have to deal, sooner or later, on a large scale. Aside from the emotionalism, there has been some constructive thinking. Surveys have been made showing the inadequacy of salaries compared to living costs. It has been demonstrated that, generally, the rank and file of the teachers have been steadily going in the hole, using up savings, or tending bar nights in order to meet rising costs. Most serious-minded citizens agree that teachers are vastly underpaid. There is, however, an amazing lack of disposition to do anything about it. Locally, we have seen that demands of teachers for raises have been met with expressions of sympathy coupled with a refusal on the grounds that the granting of a raise would constitute "giving away the public funds," a thing for which they have no authorization. It should be stated out of fairness to school boards, that there is generally the problem of creating funds with which to grant needed salary increases. Many communities, however, have used this problem as a means to deny raise demands, rather than make the necessary adjustments or legal procedures which would permit them to alleviate the hardships of their teachers.

The only serious argument against an increase in pay is that the salary should never be so high as to be the prime consideration by those contemplating teaching as a profession. We feel that those who advance this argument must do so with tongue in cheek. The possibility appears so remote as to be hardly worthy of our consternation.

The public is in the position of demanding the finest formal education, along with impeccable moral standards, for which they agree to pay the most meager salary. Why is it that teachers have received so little recognition by the community that they are paid on a par with the most inexperienced clerk? The indignation expressed by the teacher is easily understandable.

Broadly speaking, the teaching profession has not been accorded the dignity and compensation it deserves. Such questions as, "What is the importance of the teacher to the public good," "Is the teacher being rewarded in proportion to the high ethical and training standards demanded of him," have not received sufficient public consideration. In a day when the shape of world events emphasizes with unmistakable clarity the importance of education to world peace, we are attempting to bargain for teachers, who, more than any other group, will be responsible for the molding of the mind of the future America. The time has arrived when the public conscience must be awakened to its responsibility to the teaching profession.

Pearson Designs Lend-Lease Plan

Exchange of 50,000 college students between the United States and Russia has been proposed by columnist Drew Pearson to promote better international understanding, according to a recent release by the Associated Collegiate Press.

Young Russians living and studying in America, and Americans in Russia, would do much to promote understanding between the two countries and, at the same time, bring out fine qualities in each nationality hidden by propaganda, the release concluded.

"EL DIA" PROGRAM STAGED AT BOWL

(Continued from Page One)

Williams. Del Beisell is assisting in arrangements for the caravan. Willow-dean Wigger is in charge of arrangements for the trophies, which will be awarded to the club and individual judged having the best car.

PICNIC SUPPER

A trophy will be awarded to the group selling the most tickets, according to Mrs. Levine. Students are urged to support their organizations, and to buy their tickets as soon as possible, in order that the number planning to attend may be judged in time to get an adequate supply of food. Only students having tickets will be served at the Bowl.

Working on the food committee are Tina Sanchez, Kay Kimber, Jessie Dyer, and Lynn Wiggins. Fraternity pledges have charge of clean-up. Bernie Rumaack is handling tickets.

TORCHLIGHT CEREMONIES
Members of the Quadrangle club, under head regent Hob Watts, will be featured in a torchlight ceremony at the program in the County Bowl. California songs, as well as others, will be sung, and present plans call for the program to end impressively with the singing of the Santa Barbara College Alma Mater. Bob Elliott, George Graves, and Kermit Schotts are in charge of the torches. Different women's groups on campus are helping to make them.

The program which will be presented in the bowl is being planned by Ellie Little. Trophies for the best cars and for the organization selling the most tickets will be given during this time. On the program committee are Bob Schottland and Tom Lyle. The song leaders and yell leaders will be on hand to add to the festivities.

Climaxing El Dia del Gauchito will be the costume dance sponsored by the Freshman class, to be held at the Recreation Center next Friday night, from 9 to 12 p.m.

GAUCHO HORSEHIDERS TRAMPLE CAL MUSTANGS

By DON HUMPHREYS

The 1947 edition of the Santa Barbara Gauchos baseball team, looking every bit like potential champions, blew the lid off the brand new 2C2A season at Cabrillo field last Saturday by sweeping both ends of a double-header from the Cal Poly Mustangs, 8-7 and 4-1. Cecil Neal, who relieved starting pitcher Bill French in the 5th inning of the opener, received credit for the win, while lanky Dale Scott set the visitors down with two hits in the nightcap.

But it was the big bats of shortstop Mark Steinberg and rightfielder Harold Swift that really gave the Gauchos the margin of victory in the first game. The score was knotted at 7-all as the home half of the 9th inning rolled around, but Mark smashed his second triple of the afternoon into deep left center and scored a moment later on Glenn Mulaney's squeeze bunt, and it was all over. Previously, the Harold half of the Swift brothers had singled three times to drive across two very important runs.

Returning now to the Cal-Poly game, Lefty Don Garman limited the locals to 8 hits, but five of them were bunched for six runs in the third and fifth frames. The Mustangs jumped out in front with a run in the second and two more in the third on three singles sandwiched among three Gauchos errors before the Blue and Gold could get started. Billy Alhouse singled infield to start the third for the Gauchos; Wrightson walked and Elliott singled Bill home for the first tally. Abbott struck out but Chauncey slashed a drive to short that went through the legs of Beberness and two more runs scored. Swift spanked a hit into left field to drive in Chauncey and put the Santa Barbarans on the long end of a 4-3 count.

The Mustangs were still full of fight, however, and came right back for three tallies of their own in the top half of the fifth. Ed Lesky singled, and Vern Beberness and Jim Fisher walked to load the bases. French whiffed Haas but Charley Hoffman singled to left, and this was all for Frenchy. Cecil Neal walked the next two men to force in another run, but struck out Mayhew to end the uprising with the bases loaded. Steinberg's triple, Swift's single, and Neal's sacrifice provided two runs for the Gauchos in their half of the fifth and tied the score at 6 apiece. Each team picked up one more count before the thrilling climax came in the last of the ninth.

The afterpiece was all Scott's issue as the big right-hander struck out four and kept the San Luis farmers in check in every inning except the fifth, when two walks and a double down the third base line by Jim Fisher produced the only enemy score.

Scotty practically won his own ball game by rifling a one-base shot through the box to start off the third frame. Alhouse walked, and big Dale scampared over the plate with the first run as Wrightson was safe on an error at

first base. Bill Williams, Mustang hurler, momentarily lost control and walked Elliott and Abbott to force in the second run of the inning. Hal Chauncey beat out an infield hit as Wrightson scored, but Day grounded out to end the inning. The locals picked up their final tally in the fourth on a walk, an error, and a single by Vern Wrightson.

Billy Alhouse's two great plays during the afternoon certainly labelled him as an all-coast prospect for second baseman. "Little Honus" scurried nearly to the rightfield foul line to haul down Hoffman's pop fly in the second game, and probably saved a Mustang run in the opener with a diving stop of a smash over second.

However, Eugene Fraser, Cal Poly center gardener, pulled off the fielding gem of the day with a spectacular one-handed catch of Bob Elliott's blow in the shadows of the scoreboard, a snag which certainly robbed the latter of at least a triple in the sixth inning of the finale.

Big Cy Williams was forced out of the game in the second inning by a charley horse in his right leg but kept his average high by singling in his only appearance at the dish. Cy should be back in the lineup in plenty of time to wield his big stick against the Bruins tonight.

The still undefeated Gauchos finished off their successful practice season Friday by walloping four Whittier pitchers for 22 hits as they ran roughshod over the Poets, 14-1. Bob Elliott and Cecil Neal combined talents to set the southern team down with three measly base knocks while the Santa Barbarans were hammering out nine extra-base hits for an easy win. Alhouse, Williams, Abbott, Chauncey, Day, and Elliott had a field day on Poet pitching, each pounding out three hits.

Hubler Credited With 2C2A Scoring Honors

Harvey Hubler, Gauchos all-conference center, has been officially credited with a new top score of 159, giving him all-conference high scoring honors, according to recent word received from the 2C2A officials in Fresno.

At the end of the season John Toomay, COP center, had been recognized as high man with a total of 157 points, while Hubler followed second with 141. Upon further checking, however, it was disclosed that Hubler had not been credited his full point earnings. The additional 18 points now given to him establishes his official standing as top basketball scorer in the 2C2A league.

Baseball Personalities

Don Humphreys
VERN WRIGHTSON, 23-year-old first sacker for the Santa Barbara nine, is one of the local products on the squad, having played three years of high school baseball for the Dons. Vern is a physical education major, a sophomore in college, tips the scales at 175 from stocking feet up to his 6'1" altitude, and is vouched to be a good hitter and smooth outfielder.

CY WILLIAMS
Moving to left field, we find Cy Williams, a 23-year-old major in P.E. who hails from Los Angeles and is credited as being the heaviest hitter on the squad today. Southpaw Cy is six feet tall and weighs 197. In addition, Cy was twice voted all-conference while attending University High school and Santa Monica J.C., and he has played three winter seasons with Pirone's Tilt-Stars. Williams, who has had several offers from major league teams, plans to play professional ball after graduation.

HAL ABBOTT
Good things come also in little packages, and 5'8" Hal Abbott, Gauchos clean-up hitter and center fielder, is proof of this. Hal rocks the needle up to 145 pounds and wields a powerful stick at the plate, which has contributed to the success of the team to date. Abbott is a native of Pasadena, where he played for Jasadena J. C. and the Pasadena Dodgers.

Gauchos Netters Win From Loyola In Southern Matches

Playing their first game of the season, and meeting their first competition in tennis as a major sport, the Gauchos netmen, coached by Terry Dearborn, traveled south last Saturday and chalked up their first victory against Loyola.

The Gauchos scalped the Loyolans to the tune of nine to one, winning all matches except one in the singles. In the singles, Bob Wright defeated George Carroll 6-4, 6-2; Eldon Ford lost to Howard Smith 6-4, 7-5; George Manset defeated Joe Petrovich 6-2, 3-6, 6-2; Allen Cobbe defeated Marlin Witte 6-0, 6-0; Morton Dewhirst defeated John Clarkin 6-1, 6-1; and Bob Slover defeated Jim O'Dell 6-0, 6-1.

In the doubles, Wright and Cobb defeated Carroll and Smith 3-6, 6-2, 6-3; Manset and Slover defeated Petrovich and Bill Jenkins 6-2, 6-2; Ford and Dewhirst defeated Marrio Farrer and Byron Morgan 6-2; Don Tully and Bob Blake defeated Roy Mercier and Pete Schoenbaum 6-4, 6-3.

The Loyolans will travel to Santa Barbara on April 26 for a return match. The Gauchos' next contest will be against Cal Poly on the local courts at 2:00 p.m. this Saturday. There is no charge, and students and faculty are invited to see the matches.

Sims Wins Rider Memorial Trophy

Quentin Sims, outstanding Gauchos casaba guard, was presented the first annual Dick Rider Memorial trophy by the Gamma Sigma Pi fraternity. The cup was presented in honor of ex-Gauchos Dick Rider, three time all-conference basketball ace before losing his life in the service.

OUTSTANDING PLAYER

The committee came to the conclusion that even if Sims had not scored a single point, however, he would have been a regular on the team, so outstanding was his play.

Members of the selection committee which voted Sims the stellar player were "Nuge" Thomas, Jimmy Anderson, Jim Campbell, Elmer Schwartzberg, and Ben Benedict.

The formal presentation was made at Elmer's Restaurant last Thursday with Evelyn Rider presenting the cup.

Navy Trackmen Repeat Win Over Army

In an inter-squad track meet held last week, the Navy squad proved that its first win was not a fluke when they again defeated the Army and Civilian squads. The Navy team, paced by Earl Engman, who personally accounted for 14 digits, rang up 59 points while the Army boys managed to garner 37 to eke out a three point victory over the poor Civilians who nabbed 34.

Bob Sherman was the big gun for the day, accumulating 16 points, winning the high and low hurdle events, the javelin and placing third in the broad jump.

COLE LEADS ARMY

The outstanding performance of the day was the speedy half-mile turned in by Wally Cole. He toured the 880 yards in 2:00:6 to shave one-tenth of a second off the former college record.

Top man for the Army team was Ed Grabast, who nabbed eleven digits to edge out Powell who had ten. Mel Patton had eight points in the field events and because of a leg injury he was kept out of the sprints, his specialty.

FROSH SQUAD

Coach Carter is going to send his frosh track men against Ventura J. C. this Friday to test his yearlings' abilities in competition. Expected to shine among the frosh are Stan Moore in the quarter mile, Al Dehine, in the sprints, Dick Campman in the 880, Forrest Stephenson in the mile, Royal Cathcart and William Laughlin in the barrier events, and John Cooper in the pole vault.

The Gauchos will be heavily favored to down the Ventura lads and this meet should point out which of the freshman track men will be among the varsity dependables later in the season.

Quadrangle Club New Name for Hoff Group

Changing their name to the Quadrangle Club, members of the former University Club have elected new officers for the spring semester, according to Hob Watts, head regent. The organization is also in the process of rewriting their constitution.

Bill Kiggins and Art Chapman are also newly elected regents, and Clair Carpenter is treasurer.

STAG PARTY

Already held this semester have been a stag party at the Eagle's hall before school started, and a get-together party for the new women at University Village. On the agenda for the future is a beach party, and the club will sing for the bowl program on El Dia del Gauchos.

Yachters Set Plans For All-College Dance

The Gauchos Yacht club met last evening to admit new members, complete plans for its all-college dance on April 11, and arranging for an all-day party tomorrow, weather permitting.

Club members will bring a picnic lunch and meet at the new boathouse on the Mesa campus at 9 o'clock, Saturday. Following the morning's work on the boat house and preparation of boats to sail, the party will adjourn to the harbor, where there will be sailing in Penguin class boats, the first of the new 10 square meters to be completed, and possibly the cutter, Lorita.
