Eichheim New Professor On College Staff

Introduced as a new member of the lecture staff of the college, Mr. Henry Eichheim gave a talk before a special assembly of the student body Thursday, July 18, on the subject, "Fine Art and Its Relation to Living."

He briefly covered the development of art through the ages. Mentioning many places of interest he had visited on his travels throughout the world, he commented on the incongruity of one race group of man working for centuries developing its art and then another enemy tribe conquering and destroying these marvelous human creations without any discrimination what so ever.

In relation to the understanding and appreciation the works of art Mr. Eichheim stated the first requisite is that we properly learn our own language so as to be able to express ourselves. Then learn to distinguish between good and evil. When we are able to do this then we should train to distinguish between the good and the bad in the works of art.

Closing with the thought that in these days of increasing leisure we should learn to make the most of it whether we are alone or in a group. If we can discover that all our riches exist in the mind and its faculties it shall not be always necessary for someone to entertain us, for when we learn to truly appreciate art in its many branches that we may discover and live life in its intirty.

L. E. Chenoweth Asks Students to Classes

According to instructor Lawrence E. Chenoweth, all members of the Recreation class are expected to attend either the 8th period class on Thursday or a special 4th period class on Friday. Both sessions will be held in the auditorium.

J. C. BESWICK PLANS TWO DAY STAY AT STATE

The representation by the state department of education will be further increased today through a visit by J. C. Beswick, Chief of Trade and Industrial Education for the State of California. Mr. Beswick came through the city some weeks ago and spent an hour or two at our social gathering at Cerca del Mar and at that time he promised that he would return for a longer stay and a more thorough visit on the campus before the end of the summer session.

This promise he has kept in mind as indicated in a letter written to Mr. Ericson in which he states that he intends to arrive sometime today and stay over all day tomorrow.

Tonight Mr. Beswick will be a guest and speaker at the Squabble club which meets at the home of President and Mrs. Phelps, and tomorrow night he will participate in the initiation of the new members of Pi Sigma Chi, honorary scholastic fraternity of the industrial education department of which he is a member.

"It is always with pleasure that we anticipate a visit from Mr. Beswick," says Mr. Ericson, "because of his genuine interest in the field of industrial education and his helpful attitude in rendering advice and assistance based upon his wide experience in this and allied educational fields."

NATURE NOTICE

All students intending to enroll in the post session Nature school must register with Mr. Wells, in room 48, this week or next. Schedules and engagements for field tours, garden visits, etc., must be made in advance upon the basis of registration for each of the various study groups.

Supt. Kersey Here As Guest Of Squabblers

State superintendent Vierling Kersey will be the honored guest of the Squabble club this Wednesday evening, and the club is being specially honored by President Clarence L. Phelps, who has extended an invitation to hold the weekly meeting on the lawn of his beautiful home at 1014 Diego Road.

J. D. Wilson, program chairman, states that the topics to be "squabbled" over are most timely and of deep interest to all industrial arts teachers. Superintendent Kersey, who is noted for his wit and good humor as well as his sound educational philosophy, will be given a half hour of the time to close up the program.

T. L. Cushinghan, of Glendale high school, will discuss the topic, "Should Vocational Objectives in the High School be Eliminated?"

Carl W. Wirth, a member of the summer faculty and instructor at John Muir Junior high school in Los Angeles will talk about that much mooted question, "Is the Industrial Arts Teacher Responsible for the Problem Boy?"

Milton Perkins, of Bakersfield high school, will open the topic, "Does the Short Shop Period Develop in the Student a 'Skip-It' Attitude Due to Lack of Concentration?"

Final Art Series on Interior Decoration

The last of a series of art lectures presented during the summer session will be given Thursday, 8th hour, in the women's club room.

According to Mrs. Mary E. T. Crowell, art department head, this will be one of the most interesting in the series.

Mr. D. A. Burgess, interior decorator of Henry Levy company of Santa Barbara, will speak on the subject, "Interior Decoration."

ANNUAL TENNIS TOURNAMENT TO BEGIN MONDAY

The tennis tournament schedule will be posted on the bulletin board. It will be necessary to play your match within the specified time in order to complete tournament by end of session.

It is your responsibility to make arrangements at just what hour your match is to be played. This arrangement, of course, must be agreeable with your opponent. The use of the mail boxes may be the best plan for such arrangements. Leave a note in your opponent's box when you can play.

Don't forget to leave results of match in Box A. Matches will be two out of three sets.

If time of match has been agreed upon and your opponent fails to appear, you have won the match by default. Such shall be reported in Box A.

See Mr. Atmore in regard to any misunderstanding.

This tournament awards valuable prizes.

Mark Twain's Birth Honored by Library

Commemorating the one-hundredth birthday of Mark Twain, the library exhibit case contains some of the first editions of the noted author's books, as well as other writings.

Famous primarily for his two books, "Tom Sawyer" and "Huckleberry Finn," he has written other equally famous books. First editions on display are "Punch, Brothers, Punch," "Innocents Abroad," "Roughing It," and "A Tramp Abroad."

Writers the world over will pay tribute to Mark Twain this centennial year.

Della Haverland is Honored by C. L. A.

Miss Della Haverland, librarian in charge of the Lincoln library, has been invited to serve as a member of the Public Relations committee of the California Library association during the coming year 1935-36.

During the month of June, Miss Haverland represented Santa Barbara State college at the fortieth annual convention of the association in Sacramento.

Personals

Hal Polley, industrial education, '33, and Margaret De Reix, of Ventura, were married Saturday morning July 20, in the Persian gardens of the Samarkand hotel. Mr. Polley is a member of Tau Omega fraternity.

Mr. and Mrs. Wm. H. Altheuser and family of Los Angeles were over Sunday guests of the Dean Bennett family. Mr. Altheuser is connected with the science department of the Fremont high school.

Mr. and Mrs. Eldred Marlott and daughter Bobbie Lou, were guests at the Ships cafe dance, and remained until Sunday renewing acquaintances. Mr. Marlott was in attendance the last two summers.

Elizabeth Thomas, elementary education '35, has been elected to the faculty of the Delta Biew school in Kings county.

Kathryn Goode, home economics, '35, will teach at Shafter California, high school during the year 1935-36.

Last Social Affair is Rockwood Dance

Climaxing the summer session with what is slated to be the outstanding social event of the semester, the student body is cordially invited to attend the last affair to be held Friday, July 26, at Rockwood Inn, at 8:30 o'clock.

The social committee has been working on the dance for weeks, and from the looks of things, it should be the outstanding party. Balloons and comic hats are to be featured at this gala sport carnival dance, as the orchestra from Glendale Junior college supplies the swing tunes.

For those who do not care to dance, cards, chess and other games will be provided.

Student Surprised at Birthday Party

A surprise birthday dinner was given to Miss Bernice Baker last Wednesday night by a group of her friends.

Guests were Ruth Braly, Dorothea Prescott, Nancy Clapp, Edna Forbes, Lucille Ranking, Wythp Anderson, Muriel Brown and the honored guest, Miss Baker.

H. E. HENDRIX ARIZONA HEAD LOCAL VISITOR

H. E. Hendrix, state superintendent of schools in Arizona, is giving a series of five lectures on Education during special assembly periods this week.

Mr. Hendrix is a prominent citizen of the State of Arizona, being a member of the Parole board, as well as his connection with the schools. He has just recently returned from a trip to Europe.

In a special assembly Monday, third hour, he gave an interesting lecture on "Education, Dynamic or Static," which was followed by "The American Vision" given in the regular Tuesday morning assembly.

Lectures to follow are "Personal Problems", Wednesday, 5th hour, "Curriculum Problems", Thursday 4th hour, and "What's Ahead for Education?" on Friday, the 2nd hour.

Record Crowd at Cafe Dinner Dance

Beginning promptly at 4 o'clock, a record crowd of students, families and friends opened the week end social event of July 19, at the Ship cafe on East beach, with swimming and games including badminton, horseshoes, volleyball and checkers.

Following, as per scheduled, 212 people filed into the dining hall and partook of the sword-fish dinner, which was served at 6:30 o'clock.

Next in line community singing was led by our student body president. This singing seemed to put everybody in the mood for the dancing and card games which started at 8:30 p. m., lasting until 11:30 p. m. Frank Greenough and his orchestra were the rhythm makers.

RECREATIONAL ACTIVITY NEWS

Archery Contest

The women students who entered archery as their recreational activity have made unusual progress due to diligence, perseverance and a contagious enthusiasm for the game, according to Mrs. Alberta Stow, instructor.

The students all began as beginners, and are now shooting the official Columbia Round for tournaments. Ask them why they are in perfect agreement as to the reasons that archery is considered an "all around exercise and ideal as an adult extra-curricular activity."

The class tournament has been scheduled for Wednesday, July 31, during the 8th period on the Athletic field. Those who will participate are Estelle Brandt, Gladys Bunce, Ona Mc Millan and Mary Jane Rogers.

Badminton Meet

As the season for tournaments rolls around, the Badminton group is not to be left out. A Badminton tournament will be held for all those interested. The game may be played as men's or women's singles or doubles, as well as mixed doubles.

Prizes will be offered for winners in the various divisions. Sign up with Morgan Smith and watch bulletin board for results.

Call Golf Entries

Take warning you people, you are in danger of going into seclusion and becoming deeply involved in those so-called requirements.

Now if you are really concerned about being able to not merely satisfy, but really master those requirements and in turn gain possession of those precious units, follow this advice. Just relax and ease your mind by taking part in our summer session golf tournament. You don't have to be a good golfer but you should know the difference between a mashie and a putter. Every one entered has an equal chance of winning the beautiful engraved cup which is awarded annually for this event. All members of the summer session, including the faculty are invited to take part. You are urged to sign up immediately, so we will have time to establish your handicap as well as arrange for the event. You will be allowed 7-8 of your handicap, which should certainly be a big inducement for we duffers. Green fees are only 25c for 18 holes

GARDEN TOUR

The Garden Tour Friday, July 26, will go through the Hope Ranch Gardens. Through the courtesy of the Garden Club Tour Director, registered college students will be given a free ticket. Please remember this does not apply to families. The tour starts from Recreation Center at two P.M. and permits may be secured through Mrs. Abraham's office.

if arrangements are made through the comptroller's office. See Mr. Allred or Howard Marvin.

Facts of the event:

1. **What—Golf Tournament.**
2. **When—Wednesday, July 31.**
3. **Where—Montecito Golf Course.**
4. **Green Fee—25c for 18 holes if arranged through comptroller's office.**
5. **Prize—A beautiful engraved cup.**
6. **Chance of winning—Plenty, 7-8 of your handicap.**

Again you are urged to sign up on the main bulletin board immediately. For further details see Mr. Allred or Howard Marvin.

Open Letter

Dear Sir:

I would like you and yours to know about a deep-sea fishing trip which has been planned by the Squabble club of the college. Everyone is invited to enjoy this wonderful day of recreation. Why not try casting away your worries and come to this nautical adventure? Just think, a lovely boat ride, seven or eight miles out, the fresh sea-air and sunshine, the anticipation of a catch—all this should be enough to entice you all to come along.

A notice has been placed on the bulletin board for you to sign. Of course, if you do not care to do any fishing, look at the other side of the trip. The splendor of the

Squabble Club Panel Draws Large Crowd

In order that the record breaking audience might be accommodated, the meeting of the Squabble club was held in Room 45 Wednesday night, July 17.

A special attraction was the demonstration panel discussion staged by the program committee for the benefit of all students on the campus. Morgan Smith acted as referee and explained this new method of conducting discussions. Other members of the panel were E. E. Ericson, Lenice Eyraud, Fred Pierce, F. C. Suiter, Hugh Baird, Dean Smith and R. L. Reed.

From the many favorable remarks heard in various quarters on the campus the following day, this deviation from the regular routine was appreciated by all who had the opportunity to attend.

The topic under discussion was, "How will the Activity and Integrated Program Effect the Industrial Arts Teacher." The panel speakers having been selected from a wide field of educational experiences, many views and opinions were expounded in regard to this new and growing educational method. In accordance with the rules of a panel discussion, those in the audience were given an opportunity to ask questions

trip which adds to your health and inspiration in general.

The boat is scheduled to leave Stearn's Wharf on Saturday morning at 7:45 a.m., and return about 3 or 4 o'clock.

Fishing tackle may be rented on the boat for 50 or 75 cents if you do not have your own available. If we have interested you, please sign up. Then all you have to do is be at the boat landing about 7:45 so that there will be no delay.

Thank you.

The Committee.

AVOID RUSH

With only one more issue to go to press, we feel that it is time to remind you all that most of this summer has slipped by. Whatever marks it has left upon you, we hope it has been advantageous. Before looking into the future year, let's make provisions for attending the pleasant session here next year.

Remember that only one week of school remains. We must be cautious as to our use of this time. To continue as sane teachers and students should by planning our activities ahead, making provisions for work and play with no let-down in either, we can avoid the last minute rush so well known in the schools, and gain from this brief session much, both from the educational, intellectual and recreational sides.

All that could be provided in this short time has been offered us. Whether or not we wished to open the doors to these academic and cultural enriching activities, was left entirely to us. Again then, if these opportunities we missed, try to make provisions for them in the coming year.

ASHWORTH READS PLAY

Cordially inviting all summer session students, Dean William Ashworth will read the play "Robert of Sicily," at Rockwood, on Wednesday, July 24, at 3:00 o'clock. Dean Ashworth will be accompanied at the piano by Anita Cochran.

Admission tickets may be secured from the dean or at the door for 35 cents,

RADIO NOTES

By BOB KRAUSE

G MEN

The motion picture recently glorified the "G" men in a most vivid and effective way by means of the picture starring James Cagney. Now the radio has begun a series dramatizing the business of this organization. A new program authored by the popular Phillips Lord of "Seth Parker" fame is now being released over N.B.C. each Saturday from 5 to 5:30. This new type of entertainment is presented with the advice and consent of J. Edgar Hoover, head of the Federal Bureau of Investigation and sponsored by Chevrolet. The object, according to the sponsors, is to educate youth that crime does not pay.

SYMPHONY

One of the few symphonic programs to be continued during the summer months is the "Standard Symphony Hour," presented each Thursday evening from 8:15 to 9:15 over N.B.C. Those who enjoy and appreciate symphonic music can be assured of good entertainment by listening to this program.

MUSIC PLUS DRAMA

For good popular music plus a bit of drama presented by motion picture stars each week, one may tune in "Hollywood Hotel," each Friday evening from 5 to 6. The musical part of the program is supplied by Raymond Paige who recently replaced Ted Fio Rito. Stars are presented by Luella Parsons and Dick Powell appears weekly. Last week an excellent presentation of "The Dark Angel" was given by Merle Oberon, Fredric March and Herbert Marshall.

"INCOMPARABLE MUSIC"

His music is called "incomparable" and Wayne King's orchestra was voted the second most popular in the country not so long ago. One does not wonder why after listening to his program presented each Sunday and Monday from 6 to 6:30 over C.B.S. Those who do not care for dance music ordinarily will find Wayne King's truly original.

EDDY DUCHIN

A treat to California dancers is Eddy Duchin's music from the Ambassador Coconut Grove. This is the first appearance of the famous young maestro on this side of the continent. His dance program is released nightly through K.F.I. from 11 to 11:30

**E. E. ERICSON
WILL SPEAK TO
ROTARY GROUP**

Mr. Ericson, director of the industrial education division of this college and also director of extension service will go to Ventura today to be the guest speaker before the Rotary club of that city at their weekly noon luncheon. The topic for his talk will be "Co-operative Living in the Scandinavian Countries." This talk which Mr. Ericson has given to many similar organizations is based upon personal observations made in his recent European travels and upon later direct information obtained from those countries.

As a part of the presentation, information will be given regarding the offerings of this college with particular emphasis upon the newer courses which have been organized for next year as a direct result of the broadening of the legal scope of work through legislative measures during the past year.

The invitation to furnish a speaker came to President Phelps from the assemblyman from Ventura County

**Recreation and Fun
at Informal Picnics**

Among the many delightful social activities of the summer session is the series of informal picnic dinners that are held every now and then in Oak Park. The one staged last Saturday evening proved to be a most enjoyable affair which was participated in by members of the faculty, students, and their families.

Bill Mann, the guiding spirit of these gatherings, has a faculty of getting together congenial personalities. It appears that anyone who likes his coffee is eligible to enter this open circle of wholesome fun, good fellowship and recreation.
