Electra Closes Tonight With LaNorb Lombard in Title Roll

By Gilbert L. Baro
Walter Beaure as Pedagogue, Jill Johnston as Orestes, and Wesley Macy as Clytemnestra all play important parts in the final performance of Electra tonight in Riviera Auditorium.

Walter Beaure, a reliable mainstay of drama at Santa Barbara College, takes one of his usual unaccompanied roles at the Lobero Theater. Below right depicts Wesley Macy as Clytemnestra, a broad role that finds him active in almost every scene. Macy has appeared in several other college productions and, notably, Gertrude in "Hamlet" and Mother in "An American Tragedy." Macy has also directed and played in radio plays for the Kellogg Company. Macy’s faculty role at Santa Barbara College shows undoubted ability to handle exciting parts.

To those poise in emotional expression and in the final moments of Electra, is directed an exact note that they render to do its vitally great tragedy. Modern reviews of Sophocles' "Electra" are in support of the actor's work. Walter Beaure and Macy, both in "An American Tragedy" and Macy in the "Electra" role, have been in the spotlight for their work in the dramatic field.

Intramural Teams Battle for Supremacy in Various Sports

Sigma Alpha Kappa and Beta Sigma Tau moved into the semi-final bracket this week in the intramural basketball tournament by virtue of victories over Kappa Sigma A and Sigma Pi respectively.

Sig Alph overwhelmed a stubby Kappa Sigma A team, 39-15, on the strength of a scoring combination of Bob Intelisano, money, and the team work of Wrightson, Albert and Clark. Beta Sigma Tau, a strong Sig Pi team, 42-15, as Bob West and Tony Thompson figure, accounted for six goal field goals. Scoring for Sig Pi was rather evenly divided among Greg Pallas, Collins, Bentley and Correll. In the club bracket, the Final Five were extended to the limit in defeating a rangy Kappa outfit, 29-32, after being tied at the half. The winners, composed of football stars Dick Gerrie, Bob Baker, Walsh, Taylor, and Villas, showed the effects of good conditioning as they drew ahead in the second half.

The final team in the semi-final round will be decided by a game being played this week between the Wails and the Mighty Midgets. The latter team is favored in view of their previous victory over a strong Dagger House outfit, 50-33, in the consolation round, and Franklin Pichler, representing the Midgets, lost a close (?) contest last round games will be played this week, including five of their best teams. Caf-Lounge
from 2:30 to 4:30

Students may use the main din­
ing hall of the cafeteria as a lounge and informal social gathering place between 2:30 and 4:30 pm daily, Business Manager J. A. Muncy has announced. “It is realized that facilities for this purpose are extremely limited on the campus at present,” Muncy said. “And so it is all the more important that students cooperate in this effort to provide a partial solution to the problem. Students are requested to limit their use of the cafeteria for social exchange to these hours so as not to interfere with the serving of food before 2:30 and to allow time for cleaning up after 4:30.”

“I wish to take this oppor­tunity,” Muncy added, “to thank the students for their help and co­operation in making possible cer­tain changes in the cafeteria aimed at improving the service and re­ducing the cost of meals.”
